# Clay Bailey, Applejack, Apple Bloom, Earth Skylanders, Lynn, Lynn Jr., Sinnertwin and Cutthroat VS Onyx - Meeting an Earthbound Immortal Itzpzpalo Gene-slammer

---

Onyx was next.

Onyx: (to Clay) I heard you guys met an Earthbound Immortal Itzpzpalo Gene-slammer. What's her name?

Clay Bailey: Her name is Gina Angellus and she is a really awesome nuclear hot spice demon. She taught Lincoln how to develop an immunity to peppers.

Applejack: That was really amazing.

Apple Bloom: It sure was!

---

Gina Angellus: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Gina, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Gina Angellus: That's incredible.

Nico: It sure is. So, Gina, how did you help Lincoln get a massive and powerful immunity to peppers of all types and take on the full extent of Lori's fury?

Gina Angellus: Now, that's a story that I'd never forget. One day, when we were having lunch in the backyard at my house, I gave something to Lincoln for him to eat: it was a bright red pepper with orange flames on the tips, but this wasn't any ordinary pepper: this was the legendary El Paso Diablo Pepper of Fury, a pepper that's said to give to those who ate it a massive and powerful immunity to peppers of all types and any pepper they eat will also give them a massive and powerful boost in power and energy, and it also increases their body heat and temperature. When Lincoln ate it, he was surrounded by a glowing neon red outline which transformed into a fiery vortex, and when it faded, it left Lincoln with a massive and powerful fire aura.

We were amazed.

Me: Whoa, I never knew a pepper like that existed.

Nico: Same here, that's really awesome.

Gina Angellus: It sure is. But, our day was ruined when we heard a loud banshee screech of rage, and I knew who it was: Lori, and when she arrived, she was really really furious, her eyes were red with pure rage, and her teeth were a mouthful of sharp fangs, and in her hand was her cellphone but the screen was cracked, and she just singled out Lincoln for it, but he explained that he wasn't even in her room at the time, but she didn't care and she got out a knife to stab and kill him and then she was going to kill me and bury us in the Kalamazoo River, that got me so mad, I attacked her with a blast of wind and it knocked her into a fence, but she wasn't going to give up, and she rushed in to attack us yet again, but Lincoln formed a ball of fire and it was super-charged with the power of The El Paso Diablo Pepper of Fury, and he threw it and it hit Lori and sent her hurtling to another fence and it knocked her out. Then, we tied her up and Lincoln entombed her in a fireball prison and we dragged her butt back to The Loud House, and when we told the parents and the other sisters of what Lori tried to do to us, they were furious. We then checked the cameras in Lisa's room, and we found out that Lola accidentally knocked over the cupboard that had Lori's phone on top, and it fell off and the screen cracked. When Lola saw it, she panicked and fled, and she knew what Lori would do if she found out, and it wasn't Lincoln since he was with me.

Nico: Now, that's serious, and Lola, why did you flee from the room instead of telling anyone about it.

Lola: No one could ever find out, because Lori will kill me if she found out. I may be violent and quick to anger, but Lori's a bloodthirsty monster who's quick to anger and she'll kill anyone who gets her mad.

Lincoln: And it allowed Dark Lori to take over.

Nico: That demonic, cold-blooded, unfeeling brute!

Me: Now, we're really glad she got The Black Gates for good.

Lori: You said it, but I wasn't safe for long, Mom and Dad grounded me for six months and Leni hit me on the head with a sandal, and Luna smashed her cymbals in my face, and Lynn threw me in the basement and into an isolation cube.

Lynn: And Lincoln didn't speak to her for that amount of time, plus, we were impressed by what Gina did to give Lincoln that immunity to peppers of all types.

Lincoln: Yeah, and now, I have a fire aura as well, and it also enhanced my fire powers infinite-fold.

Nico: Dang.

FLASHBACK ENDS

(THE BALLAD OF WAR WAGON BY ED AMES PLAYS)

Clay: (SINGING DIVINELY AS ROCKS, EARTH, CRYSTAL AND ENERGY SWIRLS AROUND HIM)

(War Wagon, loaded with gold)

Most men are fightin′ for a wagon full of gold

Scratchin' an′ fightin' for a wagon full of gold

A piece of land, my cattle brand, a place to rest my head

The feelin' of a woman′s love are all you really need for livin′

Three years in prison made me dream a lot of dreams

Sometimes a dream is not as easy as it seems

But wrong or right I have to fight, 'cause when the truth is told

All men are fightin′ for a wagon full of gold

(Look at those horses, what are they draggin'?)

(Heavily guarded, what is that wagon?)

Most men are fightin′ for a wagon full of gold

Scratchin' an′ fightin' for a wagon full of gold

A piece of land, my cattle brand, a place to rest my head

The feelin' of a woman′s love are all you really need for livin′

(Look at those horses, what are they draggin'?)

Three years in prison made me dream a lot of dreams

Sometimes a dream is not as easy as it seems

But wrong or right I have to fight, ′cause when the truth is told

All men are fightin' for, a-strugglin′ for, a-searchin' for,

A-strivin′ for, a wagon full of gold

They fired waves of rock, earth, crystal and apples and smashed him down.

Shoppin' at the mall looking for some gear to buy

I saw this girl she cool rocked my world and I had to adjust my fly

So we journeyed to her house one thing led to an other

I keyed the door we cold hit the floor looked up and it was her mother

She said "Hey you two I was once like you and I liked to do the wild thing"

Wild thing

Wild thing

Posse in effect hangin' out is always hype

And when me and the crew leave the shindig I want a girl who's just my type

Saw this luscious little frame I ain't lyin' fellas she was fine

The sweet young miss go gave me a kiss and I knew that she was mine

Doin' a little show at the local discotheque

This fine young chick was on my jock so I say what the heck

She want to come on stage and do her little dance

So I said chill for now but maybe later you'll get your chance

So when the show was finished I took her around the way

And what do you know she was good to go without a word to say

We was all alone and she said "Tone let me tell you one thing

They were called the Destroyers of The Dopants, they're a collection of broadswords with the W Kamen Riders symbol etched on the 7'0 massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguards, longer black handles, and large gems surrounded by angel wings for the pommels. ---

We regrouped and cheered wildly.

Sideshow Bob: Now, let's pay Kazu and Isaka a visit.

Me: Time to show him what happens when you mess with our world.

Nico: That's right! This is our planet and we have laws here.

Lola: Yeah! He will pay big time.

Me: So will Isaka.

Evil Lyn: Where are they right now?

Eli: Over in Futo.

Me: Then that's where we're heading.

Nico: Get ready Kazu and Isaka. (Eyes Glow Red) Your date with death is inevitable!

We were off!

We were flying to Futo City. And Titanium Titan came.

Nico: Thanks for coming, Titanium Titan.

Titanium Titan: (Spanish Accent) No problem amigos. This is gonna be so awesome.

Me: It sure is.

We arrived and we were in front of the X-Bicker.

Me: Wow! So this is the X-Bicker.

Eli: It's huge.

We went in and Titanium Titan went up to Katsumi, Isaka and Kazu!

Katsumi: So, you must be Titanium Titan.

Titanium Titan: That's right. You'd be a great addition to our ranks.

Your two buddies? Not so much.

Kazu: Ignore him, Katsumi. I doubt Team Loud Phoenix Storm would even bother coming here. But if they do, would you be willing to-

His question was cut off when Katsumi grabbed him and slammed him against the building.

Katsumi: (glares at him) I've already risked the wrath of Team Loud Phoenix Storm by letting you two help me with this plan as well as let Isaka kill others just to get the T2 Gaia Memories. If they should try to stop this, then I will meet them in combat. But I will not form into the monster that I once was as well as the kind of people that you two and the rest of Dai Shocker are and kill anymore innocents just for the sake of it. Once the X Bicker is activated, I'm ceasing any further contact with you and Dai Shocker and we never see each other again!

Titanium Titan: Amigos, as much as I'd like to witness this play out, I think it's time you got in here.

Then the spirits of the Kamen Riders of the Doponts came and swirled around them and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive black fire explosion blasted off above them and it formed into a black sun and then numerous crows flew around it and then they landed and formed into us!

Me: Crows are awesome.

Nico: Kazu and Isaka, you are hereby sentenced to death.

Kazu: Tema Koud Phoenix Storm!?

Isaka: How did you find us!?

Me: If we told you we would have to kill you. Even though we're going to anyway.

Katsumi: I don't know why you all are stopping me. I've learned my lesson about hurting innocent people. Once the X Bicker activates, only the sinners in Futo will be destroyed.

Shotaro: While I AM glad you're not targeting innocent people this time, we still have to stop your plan.

Me: That's right Katsumi. And believe me I wanted nothing more than to kill you and send you to the black gates for everything you did. But I had some help that changed my mind.

Maria Cranberry came.

Katsumi: Maria!? You're back!

Maria Cranberry: Yes Katsumi. I helped save you from J.D.'s wrath.

Isaka: You fools shouldn't worry about him. Worry more about us!

Isaka turned into the Weather Dopant while Kazu turned into the Utopia Dopant.

Me: You are going to pay for everything you've done!

I went Super Angel Xelnaga!

Me: (Divine Echoing Cosmic Elemental Voice of Hope and Love) **You 2 make me sick! You 2 have messed around with the forces of Mother Nature for far too long.**

Utopia Dopant: Loogies, attack!

An army of Loogies appeared.

Nico: Loogies this time!

Troy Burrows: It's our turn now.

Lola: This is gonna be awesome!

Lola fired waves of fire and incinerated numerous Loogies.

I teleported and slashed Utopia Dopant and cut him all over and kicked Weather Dopant all over and kicked him hard!

Me: **Your days of terrorizing people are finished forever. Foundation X is now a forgotten memory. I blew up the entirety of that headquarters.**

Utopia Dopant: YOU DESTROYED FOUNDATION X!?

Me: **That's right! And I show no remorse for it.**

Utopia Dopant: DO YOU REALIZE WHAT YOU HAVE DONE!?

Me: **Do I look like I give a flying fuck about what you did!? NO! You two will pay for everything you've done!**

The The Loogies then jumped the W Team and the W team lay defeated at the hands of the Loogies.

Utopia Dopant: (laughs) Oh, Katsumi can activate the X Bicker. Me? I'll have the pleasure of destroying you fools myself.

Weather Dopant: You can have Shotaro. I'll settle with killing Philip.

Roach: (punches a Loogie) Oh, crap. What do we do?!

Nuju then got an idea.

Nuju: (to everyone watching) Everyone out there! Lend the W Team your strength! They get stronger with your support! When I go "1,2", shout "Count up your sins"! Okay? 1,2…

All: COUNT UP YOUR SINS!

Nuju: One more time! 1,2…

All: DO YOUR BEST!

Nuju: Louder! 1,2…

All: COUNT UP YOUR SINS!

At this, Shotaro and Philip found the strength to get up.

Philip: Do you hear that, Shotaro?

Shotaro: I do, Philip. The people care counting on us now. We can't afford to give up and make them cry!

With that, Philip and Shotaro punched a Loogie at the same time, knocking it to the ground.

I fired waves of elements and blasted the Loogies all to shreds!

Nico: You have no honor Isaka! That's why we're going to destroy you!

Shotaro: Thanks for your help, everyone.

Ryu: I didn't know we had lots of fans.

Philip: I actually knew that fact.

Nuju: So did I.

Nico: You guys should be honored.

Eli: Shall we finish this, bro?

Me: Lets get them!

Nico: No one messes with our planet and lives to tell about it.

Nuju: Can I transform with you guys?

Troy: You can, Nuju.

Megaforce Ranger: It's Morphin Time! Go Go Megaforce!

Shotaro pulls out his belt and places it on his waist before pulling out the black flash drive with his right hand. A second belt appears on Philip's waist. Philip pulls out the green flash drive with his left hand, and presses a button on it.

Cyclone Memory: Cyclone!

At the same time, Shotaro presses the button on his black flash drive.

Joker Memory: Joker!

Now we see a cross section screen of the two crossing the hands that hold the flash drives across their bodies, lined up with editing to form a W.

Shotaro and Philip: Henshin!

With that cry, Philip places his green flash drive into his belt, and it immediately vanishes as he falls unconscious, only for the device to appear unsecured in Shotaro's belt, but he secures it, places his in the other side, and then splits the center portion of the belt so the flash drives appear at a 45 degree angle.

Double Driver: Cyclone! Joker!

As the Double Driver announces the Memories in question again, debris starts to fly around in a sudden wind, only to form on Shotaro into his suit, half green and gold, half black and purple, with a silver line down the middle, two silver points projecting out from where the eyebrows would be, two large red eyes, and a silver scarf-like piece of cloth coming off the back of his neck. Ryu Pulled out a belt that looks like a pair of motorcycle handlebars and a speedometer, placing it on his waist, then pulling out a red Gaia Memory. Then, he presses the button on the Memory.

Accel Memory: Accel!

Ryu: Hen… shin!

With that, Ryu places the Memory into a slot on his Driver, and then twists the handle on the right.

Accel Driver: Accel!

At that cry, red energy pistons emerge from seemingly nowhere, circle Ryu vertically, and disappear once they form his mostly red armor, save some silver accents, the giant blue visor, and what looks like a wheel on his back.

Troy Burrows: FURY OF THE DRAGON! MEGAFORCE RED!

Emma Goodall: FLAMES OF THE PHOENIX! MEGAFORCE PINK!

Jake Holling: VENOM OF THE SNAKE! MEGAFORCE BLACK!

Gia Moran: CLAW OF THE TIGER! MEGAFORCE YELLOW!

Noah Carver: BITE OF THE SHARK! MEGAFORCE BLUE!

Lilith: SONG OF THE SIREN! MEGAFORCE GREEN!

All: EARTH'S DEFENDERS NEVER SURRENDER! POWER RANGERS MEGAFORCE!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready for action!

Jetman: CROSS CHANGER!

They transformed!

Ryu Tendo: RED HAWK!

Gai Yuki: BLACK CONDOR!

Raita Ooishi: YELLOW OWL!

Kaori Rokumeikan: WHITE SWAN!

Ako Hayasaka: BLUE SWALLOW!

Jeffery Kensaki: GREEN EAGLE!

All: Choujin Sentai Jetman!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Another massive fiery explosion went off behind them and they were ready!

Changemen: LETS CHANGE!

They were enveloped in the auras of a Dragon, Phoenix, Mermaid, Griffon and Pegasus and they transformed!

Hiiryu: (DRAGON ROARS) CHANGEDRAGON!

Shou: (GRIFFON ROAR) CHANGEGRIFFON

Nuju: That's it, I've had it up to hear with you two lowlives to last an eternity.

Suddenly, Nuju's light grey eyes turned neon light grey, and he was surrounded by a white energy aura with ice, icicles, snow, Ice Toa, and phoenixes, and as he approached Shinkuro Isaka and Kazu, he left white energy, ice, icicles, snow, Ice Toa, and phoenixes with every step.

Nuju: You two monsters really make me sick, it's bad enough that you tormented so many innocent people, but what you did in literally backstabbing Katsumi is one that's crossed the line for the last time, and now, the both of you will pay with your lives!

Suddenly, Nuju was surrounded by a massive vortex of white energy with ice, icicles, and snow surrounding the vortex and the air got cold for Shinkuro Isaka and Kazu, there's an Ice Toa and phoenix flying around the vortex, and in the vortex is a light grey phoenix. Then, as the vortex faded, Nuju emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nuju grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and white-colored chin hair, he has long white hair going down to the bottom of his neck with light grey highlights in the bangs of his hair, he has neon light grey eyes and a white energy aura with ice, icicles, snow, Ice Toa, and phoenixes surrounding him, he has a Toa Mata of Ice with the Ice Kanji in its hands emblazoned on his forehead, he has phoenix earrings with light grey gems for eyes and the Ice Kanji in its claws, and he has on his Crystal Necklace of The Buddha with white crystal links and a phoenix with light grey gems for eyes and holding the Light Kanji in its claws for the pendant on his bare chest, and tattooed on Nuju's now wider and more muscular back is a phoenix and a Toa Mata of Ice, and they're surrounded by ice. Suddenly, Nuju felt a sharp pain on his now wider and more muscular back, and then, massive white angel wings with light grey tips on the feathers, sprouted out of his now wider and more muscular back. Nuju has on a pair of large light grey pants with ice on the legs, light grey ankle-high leather combat boots, large white weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large white orbs.

Suddenly, Nuju's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of white energy with ice, icicles, snow, Ice Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Nuju's Arctic Ice Toa Greatsword of Arctic Sub-Zero Justice, it's a brand-new large greatsword with the symbol of the Ice Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged white blade, white Ice Toa heads for the crossguard, large gold gem embedded in the rainguard, longer black handle, and massive light grey gem with surrounding angel wings for the pommel. Nuju has on his new large gold cuff Bracelets of the Champions of The Universe with light grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Light Toa head with light grey gems for eyes and a large light grey gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and White Lantern Corps ring on his left ring finger, and there's a gold kanji below the Ice Toa and phoenix that said, "Nuju, Toa Mata of Ice, Brother and Teammate of Tahu, Vakama, Onewa, Whenua, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, and Kopaka, Loving Brother of The W Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Light Toa, and Phoenixes"

Nuju has transformed into SUPER ANGEL INFINITY ARCTIC ICESTORM TOA MATA ANGEL OF ARCTIC JUSTICE AND BROTHERHOOD LIFE!

We were amazed by Nuju's Super Angel Infinity transformation, but when Shinkuro Isaka and Kazu saw it, they fell into a rage and fired two blasts of energy to kill him and us, but Nuju fired two blasts of ice, which overwhelmed the energy blasts and froze Shinkuro Isaka and Kazu, and he fired two white energy blasts with ice, snow, icicles, Ice Toa, and phoenixes, and it hit them and destroyed the two blocks of ice, but it gave Shinkuro Isaka and Kazu a nasty case of frostbite.

The Rabbids got Shotaro's body somewhere safe.

Ryu: Now, let's shake it off.

Weather Dopant: Oh, please. There are far too many to count!

He turned into HEATMETAL! One half was Red and the other was Grey.

Nico: YEAH!

He fired fire blasts and punched a bunch of Loogies.

Laney: Thanks.

Kord Zane: Time for some Slug Action!

He fired a Rammstone Slug and it formed into a ram and smashed numerous Loogies into pulp!

Me: **Just some motherfucking assholes passing through and we're here to kill you!**

I slashed Utopia Dopant all over!

Noah: Well, might as well use a Gaia Memory right now.

Nico: Good idea. I've always wanted to try this.

Nico pulled out the Gaia Memory for Pink Ranger Slayer.

PINK RANGER SLAYER!

He got a bow from her and he pulled back the drawstring and the arrow glowed and he fired it and it hit Weather Dopant in his leg and skewered through it and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blew his entire left leg right off!

He screamed in excruciating pain as blood was pouring out of him!

We then were facing the 2 Dopants!

Me: **You two are finished!**

Megaforce Rangers: Ultra Mode, Activate!

They went ULTRA!

Shotaro and Philip: Time for CycloneJokerXtreme!

Ryu: And Accel Trial!

With that, Shotaro's Driver folds back to its inactive state as the Memories turn into pillars of light, which the Xtreme Memory attaches vertically to, sliding down into the Double Driver.

Meanwhile Ryu flips the stopwatch component of the Trial Memory around, and activates it.

Trial Memory: Trial!

Ryu then places the Trial Memory in the Accel Driver and twists the right handle as Shotaro activates the Double Driver, revealing a central point with an X on it.

Double Driver: Xtreme!

With that light encompasses Shotaro, shrinking the green and black portions of his body, replacing some of the area with a prismatic white material, turning the silver head crest into an X decoration split between the sides of his head, and color coded shoulder pads while gaining a shield with a sword in it, the Prism Bicker. Meanwhile, Ryu is surrounded by energy pistons again, which break off and strip down his armor and turns it blue and silver while turning the eyes orange.

Nico: YEAH!

Me and Philip: PRISMBLADE!

We summoned our Prismblades!

Nico: AWESOME!

We slashed and cut them all over the place and blasted them all over with rainbows and energy.

After closing and re-opening the Xtreme Memory, a large tornado emits from the Xtreme Memory carrying Shotaro into the air and accelerating him towards the 3 villains.

Megaforce Rangers: Megaforce Blaster, Ready!

Robo Knight: Vulcan Cannon, Set!

Nico: FIRE!

Shotaru hit the 2 Dopants first and then Everyone fired waves of elements, energy and more and the blasts from the techniques, final smashes, combos and attacks all hit the 2 Dopants and exploded with incredible power!

**EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF UNFATHOMABLE POWER!**

The explosion was so massive, so powerful and so devastating that it shook the world. Good thing Japan was protected in a force field.

Me: **It's over for you 2 douchebags!**

Nico: Yeah! Time to kill you both!

Nuju: Katsumi, please. I know you want to make sure no one suffers what you've suffered in the past. But this isn't the right way.

Nico: Nuju's right. It's time to give this all up. Mina said you're a good person deep down. Prove her right.

Katsumi realized I was right and looked at his own hands.

Katsumi: (starts crying) W-What have I done?!

But then he cried in pain as something struck him from behind. As he moved, he revealed his attacker: Utopia Dopant.

Utopia Dopant: THIS IS MY WORLD!

Utopia Dopant grabbed Katsumi by the head and smashed him against the wall. He followed it up with a stab to the leg.

Utopia Dopant: If you think I would let you boss me around and finish off Shotaro and Philip, then you were mistaken.

Katsumi: (weakly) You idiot. Without me, you can't activate the X Bicker.

Utopia Dopant: (chuckles evilly) Oh, but I can. You see, Isaka has been working on a second switch in case you decided to go soft on us.

Weather Dopant: It's true. Now, we control the X Bicker. Behold! (presses button)

The X Bicker activated as a force field surrounded it.

Weather Dopant: In 15 minutes, everyone in Futo but us will be destroyed!

Maria: 15 minutes? That's plenty of time!

Me: **We actually anticipated this would happen! YOU MOTHERFUCKING ASSHOLE FUCKWIPES!**

I slashed Utopia Dopant and he exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Gaia Memory and purified it.

Me: **You're next Weather!**

Troy: We need to stop the X Bicker!

Weather Dopant: Oh, you have BIGGER things to worry about!

Weather Dopant grew to giant size.

Me: **OH FUCK! You guys stop Weather! I'll stop the X-Bicker!**

Nico: Okay!

I went to the controls.

The Megaforce Rangers summoned their Zords!

Megaforce Rangers: Gosei Great Megazord!

Robo Knight: Gosei Grand Megazord!

Nico summoned the Super Omega Ultrazord for Megaforce!

Nico: You're finished!

Utopia Dopant: (kicks Katsumi in the chest) You were a fool to trust me of cooperating with you, Katsumi. For, there can only be 1 ruler of the world, and-

Before he could finish his ranting, a loud noise came from above. We then saw the X Bicker shut off before the T2 Gaia memories flew into my hand. Utopia Dopant was shocked, horrified and angry.

Eddy: (Into his communicator) Nico, you read me?

Nico: I do. Did you guys destroy the X Bicker?

Eddy: Well, not exactly. One moment, a force shield had appeared around the X Bicker, protecting it from our attacks. But then, it shut off by itself.

Nico thought about this. It couldn't have been Utopia Dopant who had did it, and if they couldn't destroy it, then that would mean that… Nico's thoughts were cut off when he heard a pain-staking scream. Utopia Dopant had lunged his blade partway through Katsumi's ribs, making him scream in pain.

Utopia Dopant: What. Did. You. Do?!

Katsumi: What a true Kamen Rider would do! I managed to shut off the X Bicker. I also sent the T2 Gaia memories into Nico's hands so he can use them in a good way!

Utopia Dopant: (throws Katsumi aside) At least I can get rid of you fools once and for all! I wonder what it would be like, for one of us to be without the other?

Shotaro and Philip: Time to find out!

Nico: Make sure to leave his heart intact. For Katsumi's operation.

They agreed and they kicked Utopia and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The zords fired a massive blast of energy and it hit Weather Dopont and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught the Weather Gaia Memory and purified it.

Nico: Weather and Utopia Doponts you both have failed this universe!

Troy: Mega Rangers, that's a Mega Win!

Noah: When he comes back, he's in for more pain.

Their spirits came back.

Me: You have no right to live.

I went up to Isaka and held my hand up to him.

Me: Enjoy the Warp. HAKAI!

I banished him to the Warp!

Me: And you Kazu?

I painted a Kanji on him and used the Black Gates!

He was found guilty and was fading.

Kazu: DAMN YOU TO FUCKING HELL TEAM LOUD PHOENIX… (FADES)

?: I will have my revenge on you for destroying me long ago, Pit, and you're next, Palutena!

Pit: I knew there's no mistaking that hissing voice from anywhere. You can come out now, Medusa.

A figure with snakes in her hair came out, and it was none other than Medusa, and thanks to Lincoln's spell, it's protecting us from her.

Palutena: Medusa, I should've known you'd one day return.

Medusa (Kid Icarus): And now, I will have my revenge on you, and there's nothing better than to see J.D.'s heart break when I kill you!

I fired an energy slash from my sword and it hit her eyes and permanently blind her as she screamed in excruciating pain.

Me: Can't do that if you're permanently blinded for life, gorgon breath!

Nuju: Nice shot, J.D. Now, it's my turn.

Suddenly, Nuju's light grey eyes turned neon light grey, and he was surrounded by a white energy aura with lights and phoenixes, he unholstered his massive Nuju's Ice Toa Greatsword of Arctic Sub-Zero Justice from his wider and more muscular back, and as he approached Medusa (Kid Icarus), he left white energy, ice, icicles, snow, and phoenixes with every step.

Nuju: Medusa, the pain and suffering that you have caused to both humans and the gods can never be forgiven, and now, I will see to it that you receive your divine punishment for the trouble you've caused.

Suddenly, Nuju was surrounded by a massive vortex of white energy with snow, ice, and icicles surrounding it, there's an Ice Toa Mata and a phoenix flying around the vortex, and in the vortex is a gold phoenix. Then, as the vortex faded, Nuju emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nuju grew from 7'0" 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retains his eight-pack abs, tanned skin and white-colored chin hair, he has long white hair going down to the bottom of his neck with light grey highlights in the bangs of his hair, he has neon light grey eyes and a white energy aura with ice, icicles, snow, Ice Toa, and phoenixes surrounding him, he has a Toa Mata of Ice with the Ice Kanji in its hands emblazoned on his forehead, he has phoenix earrings with light grey gems for eyes and the Ice and Eternity Kanji in its claws, and he has on his Crystal Necklace of The Buddha with light grey gems on the snowflake gold links and light grey crystal links and a light grey Ice Toa-shaped Element of Harmony and on the bottom is a phoenix with light grey gems for eyes and holding the Ice and Eternity Kanjis in its hands for the pendant on his bare chest, and tattooed on Nuju's now wider and more muscular back is a phoenix and a Toa Mata of Ice, and they're surrounded by icicles. Suddenly, Nuju felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings with light grey tips on the feathers grew much bigger for his new body. Nuju has on a pair of large light grey pants with icicles on the legs, light grey ankle-high leather combat boots, large light grey weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large white orbs.

Suddenly, Nuju's massive Nuju's Ice Toa Greatsword of Arctic Sub-Zero Justice began merging with the other swords he'd gotten in the treasure battles, and they're suddenly surrounded by a massive kaleidoscope of white energy with ice, icicles, snow, Ice Toa, and phoenixes, and when it emerged, it's transformed into Nuju's Ice Toa Broadsword of Arctic Sub-Zero Justice, it's a brand-new large broadsword with the symbol of the Ice Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged light grey blade, white Ice Toa heads for the crossguard, large white gem embedded in the rainguard, longer black handle, and massive light grey gem with surrounding angel wings for the pommel. Nuju has transformed into SUPER ANGEL ETERNITY INFINITY ARCTIC ICESTORM TOA MATA ANGEL OF ARCTIC JUSTICE AND BROTHERHOOD LIFE!

We were amazed by Nuju's Super Angel Eternity Infinity transformation, but when Medusa saw it, she fell into a rage and tried to attack, but my poison blood in her eyes began burning her eyes even more and she screamed in agonizing pain, and Nuju fired white energy blasts with ice, snow, icicles, Ice Toa, and phoenixes, and it hit Medusa, and really hurt her badly.

Nico: Whoa, Nuju's transformed into his Super Angel Eternity Infinity form, awesome. And Medusa's eyes were burned even more. (Realizes something) Wait a second.

Lincoln: J.D. also used his poisonous blood on Medusa's eyes, and since she's an evil god, it burned her like acid, and he permanently disabled her ability to turn people to stone, awesome, which gives Nuju the advantage.

Nuju: (Divine Echoing Cosmic Voice of The Arctic Ice Storm Toa and Brotherhood Arctic Life) **That's right, Lincoln. Now, to turn Medusa into a snakeskin rug.**

Nuju went after Medusa, and he fired powerful blasts of white energy, ice, icicles, snow, Ice Toa, and phoenixes, and they exploded with incredible power as they hit her. Then, Nuju fired powerful white energy blades and sliced off the snakes on her head, and he attacks her with his massive broadsword leaving scars on her, and then, he gets out a dagger laced with our poisonous blood and he drives it into her black heart and she screamed in agonizing pain, as she turns to ash and her evil spirit was erased by The Black Gates forever. We cheered wildly for what Nuju did as he holstered his massive large broadsword on his now wider and more muscular back and powered down, and Nuju's new body, clothes, weapons, jewelry, and massive white angel wings are permanent.

Nico: Alright, nice one, Nuju.

Nuju: Thanks, Nico.

Lincoln: Now, we're not only rid of Shinkuro Isaka and Kazu, but we're also rid of Medusa for good, awesome, and thinking about what happened on my rescue this morning, the Kamen Riders' main enemies are trying to bust out some of our old enemies out of prison, so they can get their own revenge on us.

Me: You managed to get the answer out of Psy-Crow by using Tamayo's Blood Demon Art, Lincoln, but I can guess you have more ways, right, Lincoln?

Lincoln: Yep. Shinobu, Tamayo, I need you both to come up with a truth serum that has the same potent ability as the Magical Aroma of Daylight and have it put into some syringes.

Shinobu Kocho: As always, you have a plan in the works, Lincoln.

Tamayo: Understood, we shall get to work straight away when we return home.

Nico: Wow, you're really taking precautions for this one, Lincoln.

Lincoln: Now, that we know what Swartz and the other Kamen Rider villains are planning, we need to have a plan in place to stay one step ahead of Swartz and the other Kamen Rider villains, and we're really going to make them pay, especially Swartz.

Me: Yeah, turning our friends and our old enemies that we sent to prison into Another Riders, so he can get rid of us and lying to our friends with false promises, he deserves to die a painful death.

Nico: You got that right.

Lincoln: And now, tomorrow, we're going to meet the OOO Kamen Riders.

Will Vandom: I can't wait to see them again.

Nico: Same here, Will.

Me: But lets get Katsumi to the Infirmary stat!

We did so.

---

Later at the infirmary, Katsumi had his heart transplant and we were there to make sure he was okay.

Katsumi: I'm okay?

Me: Well yes we saved you. But we're going to have to monitor you to make sure your body has the heart fully engrafted. But with our kind of technology that won't be a problem.

Nico: Yeah. But at least you are okay.

Eli: Thank goodness.

Katsumi: What happened to…

Me: Don't worry. Those two are now forgotten memories.

June Carrington: Yeah the important thing is that you're alive.

Qin: Absolutely.

Woz: Rejoice! Another of the Dai Shocker Villains has fallen, and Team Loud Phoenix Storm have claimed their newest Rider allies, Kamen Riders Double and Accel! May their alliance last until the knowledge of this world is rendered moot!

Me: You got that right.

Katsumi: I really am sorry about this.

Count Vertigo: Don't worry about it. At least, you've learned the error of your ways

Me: That's for sure. And you now have all of NEVER with you in the M.O.E.

Katsumi: Thank you. Please use the T2 Gaia memories well.

Chillyfish: Oh, we will.

Pied Piper: (to Ryu) When Isaka comes back in the future, you should help one of Nico's friends with him.

Ryu: I will. But still, my family has been avenged.

Me: Yes it has. Now we have 6 Kamen Rider Teams with us.

Hitoshi: We sure do.

Gina Angellus: I'm really gonna love it here with you guys

Mata Hari Henningway: Same with me.

Hank Scorpio: You guys won't regret it.

Cantwell: Let's celebrate with grilled cheese sandwiches!

Nico: Well we made tons of them.

Katsumi: Man I'm really hungry. Being dead for a while made me really hungry.

Me: We'll give you the biggest buffet ever.

Katsumi: Good I'm starving.

Reika Haruhana: But you're back to normal now.

Nico: He sure is. Great job today everyone. This was really awesome.

Philip: It sure was. (To the viewers) This was so awesome. I hope you had a great time with this one as much as we have.

Nico: I know we did. Now INTERPOL and the FBI and the CIA are investigating the activities of Foundation X and they labeled it as a terrorist group.

Me: We'll find the remaining members of that organization and bring them to justice.

Cantwell: Yeah.

Nico: Lets get some grub.

We later prepared a huge feast and then ate and then enjoyed the rest of the day and went to sleep. Tomorrow we meet the OOO team!

Meanwhile back in Japan, Eiji and his team were getting ready for us to come.

Eiji: I'm ready for this and it's gonna be awesome.

Akira: Boy me too! This is gonna be awesome!

Michal: I have a feeling we're gonna be in for a big battle.

Eiji: Yep. Lets get ready!

They put in medals on their belts.

All: HENSHIN!

They transformed and went at the screen…

TO BE CONTINUED!

# 13 Days of Kamen Riders 03 - OOO

On our ship the TLPS Phoenix Maelstrom over in the Caspian Sea was Nico, The Ripping Friends, Earth Chan, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Nalanie Nanthavong The Vorash Gene-Slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were doing a little treasure fishing. It was our first time doing some fishing for treasure like this.

Me and Nico and Himiko were operating a big crane.

Me: Boy we really must've caught a big treasure here.

Nico: Yeah but this is awesome going treasure fishing here. We've never done this in the middle of the Caspian Sea.

Me: First for everything.

We pulled up a big vault!

Me: WHOA!

We brought it on board and opened it and in it was a MASSIVE NUMBER OF JEWELS WORTH A PRICELESS VALUE!

Nico: WOW!

Eli: What a treasure in that one!

Nicole: Yeah! That was awesome!

Applejack: YEEHAW! That is an awesome haul!

Earth: Boy it sure is!

Maria and Varie and Girl Jordan washed them off.

Crag: That is quite a good haul there.

Nico: Thanks for coming with me, Earth.

Earth: Not a problem Nico. It's awesome to go treasure hunting like this with you.

Lincoln: And it's awesome to have one of my future wives with us.

Earth: Aw Linky.

Rarity: Oh these jewels are just absolutely beautiful darlings.

Qin: Boy they sure are.

Qin tried on a beautiful ruby sapphire 18K Gold Necklace.

Qin: Wow! This is nice!

Nico: You look beautiful with that necklace Qin!

Me: Boy no kidding.

Qin: Thanks.

Then we got back to more fishing.

Then we hooked onto something huge!

Me: WHOA!

Qin: We hooked something huge!

We pulled it up and we saw that it was an old World War I British Bristol F2B fighter plane!

Nico: WHOA!

Me: Wow! That's an old World War I British Bristol F2B Fighter Plane!

Qin: Wow! We haven't seen planes like those in over 100 years.

Laney: That is awesome!

Me: Wait a second! (GASP) I know this plane! I've heard legends about it! It was the plane of the greatest pilot that ever graced the skies of England. She was a true war hero unlike any other and she disappeared without a trace back in 1916. She was Anita Notthingham The Green Crane! She was the British Version of The Red Baron.

Qin: That is awesome!

We brought the plane on board and it was amazing.

Me: Wow! Even after over 100 years this plane is still in really good shape.

Nicole: The fresh water that diluted the salt water here must've preserved it.

Qin: That is cool!

We got to cleaning it up.

Nico: Earth, remember when we first met you?

Earth: I sure do. I was a new student and Linky saved me from that bully.

Me: I remember that! That was when we saved my future self from Ra's who was in Talia's body.

Maria: Boy I remember that! That was awful!

Nico: And you were a big help during our first Earth Day missions.

Earth: I was a big help during all those missions over the years. Those were so fun.

Camie: What were those like?

Me: That was one of our most charitable weeks ever. From April 15th to April 22nd, 2019 we had the most awesome and most charitable adventures ever. That was where we cleaned up the entire planet for a massive special project for Lincoln's Class to get really awesome trophy. And we got awesome medals from the E.P.A.

Tsuyu: That is so cool!

Sirius: Wow you guys are really awesome caretakers of the Earth.

Qin: That was awesome from what I heard.

Earth: Oh it was.

Then Rainbow Dash and Pinkie Pie pulled up a big pirate chest.

Me: Whoa!

We pulled it in and opened it and it was full of BEAUTIFUL 24K Gold and jeweled Chalices.

Me: Wow these chalices are from the 14th Century.

Nicole: These are beautiful.

Rainbow Dash: Now this is an awesome find.

Nico: Good thing Kazu didn't literally stab Katsumi in the back through his vital parts. Otherwise, he wouldn't be alive.

Me: No kidding there.

Kaito: But at least he's gonna be all right. Now he and all of NEVER are in the M.O.E.

Qin: They sure are.

Earth: Yeah.

Aylene C.: But I'm really excited for today's Kamen Rider mission too.

Me: So is Will. She has been looking forward to this mission ever since she got finished.

Lola: I am looking forward to this one too.

Nico: Our target is Kiyoto Maki.

Me: And he and I have a really old score to settle.

Eli: Do you have a history with him bro?

Me: Yes I do bro. Years ago before I formed the team, I helped destroy his research and his work. I even found out that he killed his own sister and was going to destroy the world and I then left my mark on him.

Eli: How?

Me: I blasted his arm off. It was after Eiji and his team defeated him. He really survived that explosion. And I left my mark on him by blasting his left arm off. I vowed that when I got my own team and recruited the Eiji Kamen Riders, that we would finish some unfinished business and that I would kill him.

Nico: Wow!

Qin: That's amazing.

Camie: What can you tell us about Maki?

Me: You would not like this guy one bit.

I went over his history.

Kiyoto Maki (真木 清人 Maki Kiyoto) is a researcher for the Kougami Foundation who leads the Greeed in the present day and the main antagonist of the Kamen Rider OOO series.

He was portrayed by Yu Kamio as an adult and Hayato Watanabe as a child.

As a young boy, Maki greatly loved his older sister Hitomi despite her abuse towards him. Hitomi told Kiyoto that the true value of something is only known when it ends, which became Maki's personal philosophy. Before the day of her wedding, Hitomi gave Maki a doll named Kiyo-chan so that he could have someone to talk to as a surrogate for her due to his difficulty of talking to others. However, jealous of his sister spending time with someone else, Maki set a fire in Hitomi's bedroom that killed her and burned Kiyo-chan's hair off. Some time after, Maki suppressed all memories of the event and Hitomi's cruelness, instead believing the fire was an accident and that Hitomi was kind.

Maki was later employed into the Kougami Foundation by Kougami. In the foundation, Maki studied the Cell Medals and developed many of the Candroids along with the Birth Driver. Maki first appeared to Eiji, Kamen Rider OOO, and Ankh when one of his assistants, a bomber named Tadano, was targeted by Mezool to use his desire to blow things up to nuture her Yummies. When Eiji learned that he knew, Maki finds himself leaving in panic after Eiji caused the puppet on Kiyoto's shoulder to fall off. Maki then continues his work and research on OOO before changing his study to the Greeed the effects of Core Medals on them, forming a partnership with Kazari to achieve what seemed to be a mutual agreement to evolve Kazari through the other Greeeds' Core Medals. When Akira Date became Kamen Rider Birth, Maki finds himself in a situation when Akira moves into his lab that further worsened when he learned that Kougami knew of his partnership with Kazari and threatened him to end it.

However, while protecting Chiyoko from the Shachi-Panda Yummy, the embodiment of his unfulfilled desire for maternal affection, Maki's repressed memories of Hitomi resurfaced as he reaffirmed his belief that the world should be ended, while it could still be remembered as something good and pure. Destroying all traces of his research, Maki left the Kougami Foundation to work with the Greed while he also stole the ten purple Core Medals that destroy desire. Placing half of the purple Core Medals in his body, Maki gains the ability to create Yummies while eventually transforming into a Greeed. Wanting to complete the Greeedification, Maki needs the rest of the purple Core Medals that are inside Eiji.

After making a deal with Ankh to make him house all the Core Medals, willing to follow his plan if it means completing his own, Maki steals the Core Medals in Kazari's body after he is heavily injured by OOO and leaves him to die. He then gives the pilfered Medals to Ankh, and is disappointed when the bird Greeed expresses more ambition than just the desire to be complete. Eventually, Maki mortally wounds Ankh and decides to make the last other remaining Greeed, Uva, the vessel of the Core Medals. As Maki leaves Kiyo-Chan to Chiyoko, no longer needing it for mental support, he oversees Uva's transformation into the Medal Vessel as his orchestrated apocalypse begins. However, the Kyoryu Greeed finds himself facing Ankh and Kamen Rider OOO in his PuToTyra Combo. Surviving OOO's attempt to destroy him, the Kyouryu Greeed finds himself fighting OOO in his Tajador Combo as they take their fight into Medal Vessel. Dealt the deathblow as a black hole manifests on his chest, the Kyouryu Greeed delights in his demise as he collapses on himself.

However, Maki did not truly die, ironically. The pieces of his body, and possibly the sinister pieces of his mind that drove him to kill his sister and try to destroy the world, found their way to the future alongside the rest of the Cores and Cell Medals, and into the body of Michal Minato. Because of the Medals he was equipped with, Maki's body and mind formed a new Greeed around these Cores; Poseidon.

---

When I was done everyone was shocked!

Lola: WHOA! He's pure evil!

Nico: Yeah he sure is.

Me: Yeah.

Nico: He's also known as the Kyouryu Greeed.

Me: I know. And I will personally make sure that he gets the black gates for everything he did.

May: He is a monster and he will definitely get that.

Me: And I sense that he has been hellbent on getting revenge on me ever since I took his arm.

Laney: Wow! Just like Captain Ahab.

Earth: That is a massive revenge.

Twilight Sparkle: But he will definitely get what's coming to him.

Me: Yeah but he has no idea that I have gotten so powerful over the years.

Nico: We all have gotten that way.

Zocks: And with our combined power he is not gonna be a match for any of us.

Lola: No he isn't.

Nico: Our second target is Kamen Rider Gara.

Me: And we'll kill him too.

Qin: What does it say about him?

Me: You won't like it.

I pulled up his info.

---

Gara is one of the four alchemists that created the Core Medals along with the Greeed for the First Kamen Rider OOO eight centuries ago and the main antagonist of Kamen Rider OOO:

WONDERFUL Shogun and 21 Core Medals.

Gara is voiced by Ryuzaburō Ōtomō. His host Satsuki Wakaba is portrayed by Japanese actress Miki Sakai.

Gara and three other alchemists were ordered by the first OOO to help him achieve godhood. Taking an interest in this request, Gara accepted hoping to gain some of the power. However, after the time the orange Core Medals were completed, the king betrayed the alchemists and had them turned into Cell Medals.

Reawakened eight centuries later due to Kosei Kougami (the king's descendant) unearthing his tomb in Germany, Gara flips his tower over from Germany to a part of Tokyo while taking Satsuki Wakaba's body to replace his old one. Appearing before Kamen Riders OOO and Birth and the Greeed, he takes the Core Medals and then causes three more time distortions, one of which leads into the past to the city of Edo. By using the Cell Medals his Bells gather from humans, Gara plans in using the accumulated human desire to destroy the world and become the King of the World that raises from its ashes. But to become the "true OOO", Gara sends his knights and the Nue Yummy to Edo to obtain both Ankh's Core Medals and the purple Core Medals to complete his plan.

After his plan to use human desire fails, Gara reveals his Greeed form as he personally fights against OOO when they start to become a nuisance. During the fight, OOO manages to free Satsuki from Gara's body before Kamen Rider Fourze arrives to help, the Kamen Riders defeating Gara with their respective signature weaponry. However, Gara takes this chance to take three of the purple Core Medals from Eiji completing his collection of Core Medals and absorbing them to access his true Mega Greeed form called Gara Dragon. However, with the Greeed and Maki giving their Core Medals to him, OOO destroys Gara by accessing all of his Combos through Gatakiriba Combo's copy ability and using all their Scanning Charges in conjunction with Birth's Breast Cannon.

---

When I was finished everyone was shocked at that one!

Eli: Whoa!

Me: Yeah he's an 800 year old alchemist that wants power to destroy the world.

Nico: Yeah. We're not going to let the Greeeds hurt anymore people.

Me: No way no how.

Nico: You definitely should use your Gaia Memory Sword on him, dude. I'm not kidding. It really was awesome yesterday.

Me: It sure was. Lisa did a great job inventing it for me.

Lisa Loud: Your compliment on that is very much appreciated J.D.

Me: No problem.

Earth: Yeah that is awesome.

Me: It was. But lets not forget that Gara is also the inventor of the 21 Original Core Medals. But also I'm worried about how the entire OOO Team will react to how we destroyed Another OOO and Another Birth.

Lola: Yeah.

Nico: A chair will probably be thrown out the window.

Me: Yeah Swartz has been REALLY pissing tons of people off. Including me the most. But also many Kamen Rider teams.

Kaito: Boy you're not kidding there.

Me: Yeah.

Nico: Maki can be described as the evil counterpart of Dr. Connors. The reason? Both are scientists who have had their arm lost. The difference is that Dr. Connors lost his in one of the Wars. You cut off Maki's arm. And they both turn into monsters. Well, Dr. Connors used to, anyway.

Me: That's true but I always thought that it was an accident that took Dr. Connors arm. At least that's what he told me.

Nico: Yeah but it was actually what the comics said.

Me: Yeah. But that is an awesome way to describe it Nico.

Nico: Thanks.

Earth: So like in the movie The Amazing Spiderman we're going after Maki who is a Greeed instead of a lizard.

Me: Yep.

Jared then saw something on the sea radar.

Jared: Uh oh! Dad we got something coming at us really fast. It's a human size blip moving at us at 100 knots.

Nico: At 100 knots!?

Me: That's impossible! Nothing can swim at that speed.

Albedo: Weird.

Negative Omnitrix: Corrupted Piscciss Volann DNA Detected.

Lola: Oh no!

Nico: Another Omnitrix Alien coming!

Albedo turned into Negative Ripjaws.

Negative Ripjaws: I'll hold our unexpected guest off.

Me: Okay!

He dove in and we got to walking on the water.

Me: Here we go.

Then out came a black version of Ripjaws! It was ANOTHER RIPJAWS!

Me: Whoa! A Black Version of Ripjaws.

Lola: This one is scary.

Lana: Yeah.

Negative Ripjaws: Who are you?!

Me: Yeah!

Another Ripjaws: (In a girls voice) J.D. knows me.

Me: (GASP) Caitlyn Valiant!

Another Ripjaws: Been a long time J.D. You've changed so much.

Me: I get that all the time.

Nico: You know her?

Me: I sure do. Caitlyn is a Martial Artist that has amazing and incredible powers of water and is a deadly 9th Degree Black Belt.

Nico: Wow! She must be really lethal.

Qin: Yeah.

Another Ripjaws: I sure am. And J.D. I'm sorry that we have to fight.

Me: I know. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Did Swartz promise you anything?

Another Ripjaws: Just to live and breath and fight underwater.

Me: We could easily do that for you.

Another Ripjaws: I now realize that he lied to me! (GROWLS)!

She went at me and then…

CHOMP!

SHE BIT MY FOOT OFF!

I held in my pain!

Camie: (GASP) J.D.!

Me: (STRAINING) DON'T WORRY!

I regenerated my foot!

Me: WHEW!

Another Ripjaws: Sorry J.D. BLECH! That tasted awful.

Me: At least I can regenerate my limbs.

Nico: (takes out Hydro Man's Ridewatch) Do you want the water to be filled with blood?!

Me: Uh the water will get rid of that anyway.

Nico: Oh right.

He activated Hydro Man's Ridewatch

(ROCK YOU LIKE A HURRICANE BY THE SCORPIONS PLAYS)

Nico: (SINGING DIVINELY AS WATER SWIRLED AROUND HIM)

It's early morning, the sun comes out

Last night was shaking and pretty loud

My cat is purring, it scratches my skin

So what is wrong with another sin?

The bitch is hungry, she needs to tell

So give her inches and feed her well
More days to come, new places to go
I've got to leave, it's time for a show
Here I am
Rock you like a hurricane
Here I am
Rock you like a hurricane
My body is burning, it starts to shout
Desire is coming, it breaks out loud
Lust is in cages 'til storm breaks loose
Just have to make it with someone I choose
The night is calling, I have to go
The wolf is hungry, he runs the show
He's licking his lips, he's ready to win
On the hunt tonight for love at first sting
Here I am
Rock you like a hurricane
(Are you ready, baby?)
Here I am
Rock you like a hurricane
Here I am
Rock you like a hurricane

Here I am

Rock you like a hurricane

Rock you like a hurricane

It's early morning, the sun comes out

Last night was shaking and pretty loud

My cat is purring, it scratched my skin

So what is wrong with another sin?

The night is calling, I have to go

The wolf is hungry, he runs the show

He's licking his lips, he's ready to win

On the hunt tonight for love at first sting

Here I am

Rock you like a hurricane

(Are you ready, baby?)

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane

(Come on, come on, come on, come on)

Here I am

Rock you like a hurricane

Here I am

He fired waves of water and smashed her all over.

Me: YEAH! Love that song. Here's this.

I pulled out my sword and used the Gaia Memories for Demyx, Hydro Man, Man Ray, Dirty Bubble, Ice Demon, New Wave, Brain Freezer, Hydros, Chillyfish and Merman and I activated them and put them in the sword and got a water blade!

Me: YEAH!

Nico: WATER POWER!

I fired waves of water and smashed Another Ripjaws all over.

Me: And this too! (Activates Demyx's Ridewatch)

(THE BEAST AT OUR DOOR BY THE GROOVE ADDICTS PLAYS)

I danced as water swirled around me and I slashed Another Ripjaws all over the place.

Zarya: Try this on! (Activate's Knightbrace's Ridewatch)

(HUNGRY LIKE THE WOLF BY DURAN DURAN PLAYS)

Zarya Moonwolf: (SINGS DIVINELY AS MOONS AND WOLVES SWIRL AROUND HER)

Darken the city, night is a wire

Steam in the subway, earth is a afire

* * *

Woman, you want me, give me a sign

And catch my breathing even closer behind

* * *

In touch with the ground

I'm on the hunt I'm after you

Smell like I sound, I'm lost in a crowd

And I'm hungry like the wolf

Straddle the line in discord and rhyme

I'm on the hunt I'm after you

Mouth is alive, with juices like wine

And I'm hungry like the wolf

Stalked in the forest, too close to hide

I'll be upon you by the moonlight side

---

High blood drumming on your skin, it's so tight

You feel my heat, I'm just a moment behind

---

In touch with the ground

I'm on the hunt I'm after you

A scent and a sound, I'm lost and I'm found

And I'm hungry like the wolf

Strut on a line, it's discord and rhyme

I howl and I whine, I'm after you

Mouth is alive, all running inside

And I'm hungry like the wolf

Burning the ground, I break from the crowd

I'm on the hunt, I'm after you

I smell like I sound, I'm lost and I'm found

And I'm hungry like the wolf

Strut on a line, it's discord and rhyme

I'm on the hunt, I'm after you

Mouth is alive, with juices like wine

And I'm hungry like the wolf

Burning the ground, I break from the crowd

I'm on the hunt, I'm after you

Scent and a sound, I'm lost and I'm found

And I'm hungry like the wolf

Strut on a line, it's discord and rhyme

I'm on the hunt, I'm after you

Mouth is alive all running inside

She danced and fired arrows and moon blasts and they hit Another Ripjaws all over.

Me: Nice one. Love that song by Duran Duran.

Nico: It's not every day we have an underwater fight.

Me: Or one that's ON the water.

Nico: That too.

Another Ripjaws swam and jumped out of the water thousands of feet into the air.

Starlight Glimmer: I got this one.

She flew at her.

Starlight Glimmer: Top this one. (Activate's Control Freak's Ridewatch)

(I FEEL AGAIN BY ONEREPUBLIC PLAYS)

Starlight Glimmer: (SINGS DIVINELY AS STARS AND ENERGY SWIRLED AROUND HER)

It's been a long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I had till my feet went numb

Praying like a fool that's been on the run

Heart's still beating, but it's not working

It's like a million-dollar phone that you just can't ring

I reached out trying to love, but I feel nothing

Yeah, my heart is numb

But with you, I feel again

Yeah, with you, I can feel again (yeah)

Ooh, ooh

Ooh, ooh (feel again)

I'm feeling better ever since you know me

I was a lonely soul, but that's the old me

A long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I broke till my feet went numb

Praying like a fool who just shot a gun
Heart still beating, but it's not working
It's like a hundred thousand voices that just can't sing
I reached out trying to love, but I feel nothing
Oh, my heart is numb
But with you, I feel again
Yeah, with you, I can feel again (yeah)
But with you (I'm feeling better ever since you know me)
I feel again (I was a lonely soul, but that's the old me)
Yeah, with you (I'm feeling better ever since you know me)
I can feel again (I was a lonely soul)
(Woo-hoo)
Ooh, ooh
Ooh, ooh
I'm feeling better ever since you know me
I was a lonely soul, but that's the old me
I'm feeling better ever since you know me
I was a lonely soul, but that's the old me
I'm feeling better ever since you know me
I was a lonely soul, but that's the old me
I'm feeling better ever since you know me
I was a lonely soul, but that's the old me

A little wiser now from what you've shown me

Yeah, I feel again, feel again (ooh)

She summoned Jade Knight, Gradius, Falchionβ, Turbo British Space Fighter, Victory Viper XX, Flint Lock, Delta Tri and Blue Thunder T-45! And she fired and blasted her all over the place and smashed her into the sea!

Nico: WOW!

Nicole: Awesome job Starlight!

Starlight gave her the Victory finger.

Negative Ripjaws: I'll dive after her.

He did so and there was a huge chase. Then she jumped into the air again.

Sunset Shimmer: My turn!

She flew after her.

Sunset Shimmer: (Activate's Pyros Ridewatch)

(STARHON'S PASSAGE BY THE BARLEYSHAKES PLAYS)

Sunset Shimmer: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Part of me is gone…

part of me is gone…

Take my heart and hold me tight

take my heart and hold me tonight

now that you have gone.

Raiders of the sun

have come for everyone

plague of sadness pass me by

plague of sadness passes me by

And all that's dark is gone…

and all that's dark is gone…

And i don't know baby if i can leave to night

and i don't know baby if i can leave tonight

Music for my song

golden gifts of love

tiny patterns of your light

tiny patterns touch me inside

And all that's dark is gone..

and all that's dark is gone…

And i don't know baby if i'm living right

and i don't know baby if i'm living right

if i'm living right

if i'm living right

She fired waves of fire and smashed her all over the place.

Me: Awesome Sunset!

Qin: YEAH!

Earth Chan: Now for this one. (ACTIVATE'S LYTHOS'S RIDEWATCH)

(CAN YOU HEAR ME BY MIKE AND THE MECHANICS PLAYS)

Earth: (SINGING DIVINELY AS ROCK SWIRLS AROUND HER)

Take the children and yourself

And hide out in the cellar

By now the fighting will be close at hand

Don't believe the church and state

And everything they tell you

Believe in me, I'm with the high command

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

There's a gun and ammunition

Just inside the doorway

Use it only in emergency

Better you should pray to God

The Father and the Spirit

Will guide you and protect from up here

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Swear allegiance to the flag

Whatever flag they offer

Never hint at what you really feel

Teach the children quietly

For some day sons and daughters

Will rise up and fight while we stood still

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Can you hear me running (can you hear me calling you?)

(Can you hear me) hear me calling you?

(Can you hear me running) hear me running babe?

(Can you hear me running) hear me running?

Calling you, calling you

She caused Mercurian Mountains to rise up out of the water and it had NUMEROUS Treasure Chests on it as well as numerous old ship wrecks as it was forming a huge island in the middle of the Caspian Sea!

Nico: WHOA!

Qin: That was awesome!

Laney: And look at all those old shipwrecks. They were here for hundreds maybe thousands of years.

Lola: Yeah!

Qin: And more treasures!

We went over and got them.

Another Ripjaws landed on the island.

Nico: Now, where were we?

Me: Yeah!

Fluttershy: Um I think that new island could use some life. (Activates Marluxia's Ridewatch)

Nico: WHOA!

Me: (SINGING DIVINELY AS DARKNESS AND GREEN FIRE SWIRLS AROUND ME)

Lost in the darkness, hoping for a sign

Instead there is only silence

Can't you hear my screams?

Never stop hoping
Need to know where you are
But one thing is for sure
You're always in my heart
I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul
Lost in the darkness, try to find your way home
I want to embrace you and never let you go
Almost hope you're in heaven
so no one can hurt your soul
Living in agony cause I just do not know
Where you are
I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul
Wherever you are, I won't stop searching
Whatever it takes, I need to know
I'll find you somewhere
I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

I fired waves of darkness and green fire and it hit Another Ripjaws and smashed her all over.

Nico: You think she'll dry out on land?

Me: She just might.

Eli: I sense her getting slower.

?: NICO! GET ON!

We then looked up and we saw A GIANT ALBATROSS!

Nico: WHOA! That is a huge Albatross!

Qin: WOW!

Giant Albatross: (In a girls voice) Been a long time Nico!

Nico: Nikki Terrance!? Wow!

Me: Wow!

She also had a Roachcutter with her.

Roachcutter: (In a younger girls voice) Don't forget about me.

Nico: Nadiron too!? Wow!

Nico flew up and got into a seat on the Giant Albatross's back.

We flew up to him.

Me: Wow! This is awesome!

Eli: Yeah it is!

Giant Albatross: You guys did awesome making this island.

Qin: We sure did.

Qin fired a wave of fire and blasted the Another Ripjaws and she reverted back. Caitlyn was a girl with purple hair and she had blue clothes and I caught the Ridewatch and purified it. I went over and picked her up and we went back and landed on the ship and the 2 bird gene-slammers reverted back. Nikki was a blond hair girl with purple clothes and Nadiron was a purple hair girl with red and pink clothes. Nikki was the oldest girl at 18 years old and Nadiron was the youngest at 10 years old.

Me: That was so awesome!

Qin: Yeah it was.

Caitlyn Valiant: (GROANS) What a terrible headache! BLECH! (SPITS) I'm gonna be tasting blood in my mouth for a week. Sorry I bit your foot off J.D.

Me: It's okay Caitlyn. But you're back to normal now.

Qin: That's true.

Nico: But you girls were awesome.

Me: And the Albatross is one of my favorite birds.

Qin: Same with me. Awesome to see you girls again.

Nikki Terrance: You too Qin.

Nadiron Terrance: You look awesome.

Qin: Thanks.

Earth: What's your favorite memories of Nico?

Nikki Terrance: My favorite is where me and Nico busted a massive bank robbery at Fort Knox and got those buttfaces sent to death row for their crimes.

Nadiron Terrance: My favorite is where me and Nico were in science class and we stopped a bully from hurting Qin and I kicked him right in the crotch with spiked shoes.

Me: (WINCES) OOH! Ouch!

Qin: Yeah that was so brave of Nadiron.

Lola: Wow that was awesome!

Nico hugged them both.

Nico: I missed you both.

Nikki and Nadiron: We missed you too Nico.

Earth: (to Caitlyn) Wait. You remember what happened?

Caitlyn Valiant: Yeah I do.

Eli: The Another Ridewatches Swartz made left their minds intact.

Earth: Oh right.

Lola: Wow.

Nico: But this was a really eventful rescue here. Lets head home.

We went back home and we unloaded all the treasures and kept the jewels and donated the ships to museums and even put the Green Crane's plane in the Smithsonian. We refurbished and made the ships look like new again.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish

Ancestors, The L-ementals, The Demon Slayer Corps, and Kole are heading to Kalamazoo, Michigan, and not only is Lincoln going to rescue the six girls here, but we got word that Pablo and Anderson have busted out of prison, and they want revenge on us for humiliating and throwing them in prison for their crimes.

Lincoln: Wow, we're here in Kalamazoo, Michigan, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word that Pablo and Anderson have busted out of prison, and they want revenge on us for humiliating and throwing them in prison for their crimes.

Nico: That's right, and we're going to take them down.

Me: I can't believe those two assholes have broken out of prison.

Lincoln: But, like I said, this has to be the work of one of the Kamen Rider villains we're going after today.

TLPS Mr. Wolf: And that's why you put your plan into action today, and Shinobu and Tamayo made the truth serum yesterday, right?

Lincoln: That's right, and this serum has the same potency and effects as Tamayo's Blood Demon Art: Magical Aroma of Daylight.

Tamayo: Yes, and with this serum, this'll get those two to tell us who broke them out of jail.

Lincoln: And it'll wear off in an hour, but by then, they'll be chained up to posts at Dad's restaurant, and they'll be subjected to our humiliation sessions. And thanks for joining us, Kole.

Kole: You're welcome, Lincoln.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Pablo and Anderson, and they're going to kill them.

Lincoln: Guys, I found the six girls, but they've been cornered by Pablo and Anderson, and they're going to kill them.

?: Those heartless buttface assholes, let's get them!

Suddenly, we saw Earthbound Immortal Rorccon, appear before us.

Nico: Whoa, that's the Spiral Earthbound Immortal Rorccon, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Simone Yukimira, but we'll talk later, let's get those heartless buttface psychopaths!

We rush on over and Lincoln fired powerful rainbow energy balls and elemental forces at Pablo and Anderson and it allowed the six girls to get away. When Pablo and Anderson saw us, they were madder than Hell.

Anderson: You stupid dorks are going pay for what you did in throwing us in prison!

Pablo: And the same goes with Taylor, because when we kill you all, she's next!

Me: Ain't happening, you heartless psychopaths!

Lincoln: That's right, you both had this coming for a very long time, and Taylor's doing better now that her mom's back and she's free from not only her evil ex-father, but from you two as well. Now, to put you both in back in your place: prison.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Kole, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Pablo and Anderson, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, elemental forces, and mythological animals, and they exploded with incredible power as they hit them. We holstered our weapons and powered down, and then, Lincoln chained them up with rainbow energy chains and onto posts, so they can't escape, and we administered the serum into them, and they were under the truth serum's influence.

Lincoln: Now, talk, who was it that busted you both from prison?

Pablo: (Under the truth serum's influence) It was Kamen Rider Gama.

Anderson: (Under the truth serum's influence) and Kiyoto Maki, the Kyouryo Greed.

Nico: And on the day of Will's big mission with the OOO Kamen Riders.

Lincoln: Just as I thought, and it proves what I said yesterday: the

Kamen Rider baddies that we're going to kill on our big adventure are going to try to bust out the villains we've sent to prison, so they can get their own revenge on us.

Me: But, now we're aware of what their plans are, thanks to you, Lincoln.

Nico: Now, to send those two buttface psychopaths to Lynn's Table for their upgraded sentences: not only Life In Prison Without Possibility of Parole, but now, they'll also be humiliated by us.

Nico sent Pablo and Anderson still chained to posts to Lynn's Table, and an hour later, the serum had worn out and when they saw what happened to them, they bellowed in rage at us.

Lincoln: That'll teach those two heartless psychopaths. (To Simone Yukimira) And it's so good to see you again, Simone Yukimira.

Simone Yukimira reverted back to normal, and she's a beautiful girl with long flowing magenta hair, magenta eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with magenta tips, and she reigned in the power of Earthbound Immortal Rorccon, and she's dressed in a magenta sleeveless blouse, short-sleeved magenta top, magenta skirt with the Spiral Nazca Line on it, magenta pants, purple legwarmers, purple shoes, and long sleeveless black trenchcoat with magenta flames and spirals on the coattails, and Earthbound Immortal Rorccon on the back, and holstered on her back a large Earthbound Immortal Rorccon-themed greatsword with Earthbound Immortal Rorccon etched on the 7'0" massive, wide, double-edged black blade, black angel wings for the crossguard, large magenta gem embedded in the rainguard, longer black handle, and a large magenta gem surrounded by black angel wings for the pommel.

Simone Yukimira: You too, Lincoln, it's been a long time.

Lincoln went up to Simone Yukimira and they hugged, and Simone Yukimira is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Simone Yukimira: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Simone Yukimira, she's one of my Guardian Angels, and she's one of the girls who taught me how to be one of the most awesome dancers ever.

Me: Wait, that's the reason why you danced so well?!

Nico: Whoa, she sure knows how to move to the music.

Lincoln: She sure does, Nico, Simone's an amazing dancer and has a massive and amazing variety of dance styles and she taught me how to dance to them.

Nico: If there were a dance competition, you'd light up the dance floor and show the competitors how to really dance.

Lincoln: Now, Nico, don't try to give me a swollen head. Anyways, along with being an amazing and awesome dancer and with a massive and amazing variety of dance styles, she's also a master of Magenta Fire and knows how to beat down bad guys.

Me: Sweet.

Simone Yukimira: And I also hate and loathe Flip with a merciless vengeance and I want nothing more than to send him off to Hell personally for everything he's done. And I've got 20 revelations about Flip that you guys were never told about.

Eli: And I've got a feeling I'm not going to like them one bit.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Simone Yukimira's neck with magenta gems on the gold thunderbolt links and magenta crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Simone Yukimira: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Simone.

Simone Yukimira had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Simone Yukimira's waist and Simone Yukimira wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Simone Yukimira's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Jupiter Rasa from Birth: A War of Two Worlds, Sonson from Marvel VS Capcom 2, Neru from Dragon Goes House-Hunting, Equa, Feles, and Martes from Estab Life: Great Escape.

Lincoln: Oh wow, it's Jupiter Rasa from Birth: A War of Two Worlds, Sonson from Marvel VS Capcom 2, Neru from Dragon Goes House-Hunting, Equa, Feles, and Martes from Estab Life: Great Escape.

Me: Awesome.

Nicole: And Sonson is the granddaughter of the original Sonson from the Capcom game, Sonson, that's really awesome.

Lincoln: Nice. Are you girls okay?

Jupiter Rasa: Yes, we're okay, thanks to you.

Then, when Jupiter Rasa and the other five girls saw who it was that saved them from Pablo and Anderson, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope,

Jupiter Rasa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Jupiter Rasa: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Jupiter Rasa, Sonson, Neru, Equa, Feles, and Martes with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villains we went after were Pablo and Anderson, who busted out of prison and still wanted revenge on us, and it was at the hands of Kamen Rider Gara and Kiyoto Maki the Kyouryo Greed.

But, when Lincoln showed what we did in beating them into a pulp and using the new truth serum that Shinobu and Tamayo created and finding out that it was Kamen Rider Gara and Kiyoto Maki the Kyouryo Greed who busted them out, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Simone Yukimira have a lot of catching up to do now that she's back in town, and Pablo and Anderson were now condemned to endure our humiliation sessions forever and Kamen Rider Gara and Kiyoto Maki the Kyouryo Greed are both going to pay for what they did later on today on Will Vandom's mission.

---

After laying the beatdown on Pablo and Anderson, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Simone Yukimira saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Simone Yukimira: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Simone, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Simone Yukimira: That's incredible.

Nico: It sure is. So, Simone, what are the 20 revelations about that fat, smelly, ugly, stupid, mutated cheapskate, Flip, that we haven't heard about?

Simone Yukimira: Oh, you guys are so not going to like them one bit, and he's tried to do these crimes even with being chained to the post at Lynn's Table.

Simone Yukimira got out a list and on them were 20 revelations about Flip and they were EVIL TO THE 200,000,000,000,000,000TH POWER!

1. Flip tried to hire a couple of hitmen to kill Albert Loud, the Loud Kids' grandfather.

2. Flip tried to hire a terrorist to throw bombs at Lynn's Table and The World Tree Estate to kill us all.

3. Flip tried to hire a gunman to kill Lincoln and his Guardian Angels for the beatdown in the Bermuda Triangle.

4. Flip tried to hire a hitman to kill Nico and his wives.

5. Flip tried to hire his cousin, Ernesto Fillipini to break him out of Lynn's Table.

6. Flip tried to hire a local criminal gang to kill us all.

7. Flip tried to hire a group of thugs to kill me and my wives and children.

8. Flip tried to hire a gang of thugs to kill Princess Celestia and her family.

9. Flip tried to hire a hitman to kill Lynn Sr. and Rita for the beatdown they gave him.

10. Flip tried to hire a hitman to kill Judge Katie Rockell.

11. Flip tried to hire a terrorist to destroy the dam and flood Gotham Royal York.

12. Flip tried to hire a professional thug to kill us all.

13. Flip tried to hire a local criminal gang to kill The Masters of Evil and us.

14. Flip tried to hire a criminal gang to cause havoc in Gotham Royal York.

15. Flip tried to hire a professional terrorist to bomb everything in Gotham Royal York.

16. Flip tried to hire a terrorist to destroy all of Gotham Royal York.

17. Flip tried to hire a thug to kill all of the Louds' friends.

18. Flip tried to hire a group of thugs to break him, Scoots, NO MA'AM, The Bundy Family, Marcy D'Arcy, Amy, and Trina out.

19. Flip tried to hire a group of thugs to kill all of Lincoln's children.

20. Flip tried to hire a hitman to kill Nunnally and her friends.

When we were finished, we were extremely horrified: Flip's now gone off the deep end and has tried to kill us and The Masters of Evil numerous times.

Lincoln: That stupid good-for-nothing cheapskate!

Me: As if Flip couldn't get anymore lower than that.

Nico: That fat smelly mutant cheapskate, if we didn't have him being humiliated forever, I swear I'd kill him here and now.

But, then, we saw Eli's eyes turn blazing red with extreme hatred and fury at Flip, and his teeth had turned into razor sharp fangs.

Me, Nico, Lincoln, and Everyone: Uh oh.

Eli: (COMPLETELY PISSED OFF) FLLLLLLLIIIIIIIIIPPPPPPP!

Eli flew out of the World Tree Estate in a completely out-of-control rage and he went to Lynn's Table, with us following him, and he unleashed the full extent of his wrath on Flip and he viciously and very brutally beat up Flip so badly, and he even ripped Flip's mustache off his face, and shoved it up his nose, and Flip was screaming in excruciating pain, and it caused Flip to sneeze, belch, and fart out tons of coins and precious jewels from his nose, mouth, and three butts, thanks to Lincoln's curse still on Flip, and we winced at the pain Eli's unleashing on Flip.

Me: HOLY CRAP!

Nico: JEEZ, THAT'S GOING TO LEAVE A MARK!

When Eli was done 95 minutes later, Flip was really badly mangled and Eli had Flip's blood on his hand, and Lincoln went over to Eli and he covered Eli's hands in water, which washed off Flip's blood, and then, he hugged Eli, and he hugged him back.

Nico: This just proves what kind of a lowlife Flip truly is, and even imprisoned here, he still wants to kill us.

Flip: (Groaning In Pain) I HATE ALL OF YOU!

Our energy auras flared up extremely and we gained a massive power boost, thanks to Flip's hatred, and Lincoln threw bombs at Flip, Trina, Icky Vicky, The Bundys, The D'Arcys, NO MA'AM, Bubble Bass, Scoots, Evil Chris, Pablo, Anderson, and Amy, and they exploded and tons of gold came out of them, and then, we all came home to The World Tree Estate.

Lincoln: Now, we know that Flip's now gotten even more worse than ever.

Simone Yukimira: Yeah, but, I stopped Flip's schemes and sent those he hired to prison for good, and it now pissed him off even more.

Nico: When the next humiliation session starts, that fat smelly mutant's going to get far more worse.

Me: Same with Pablo and Anderson, and Lincoln put the same curse on them as well.

Lincoln: We're going to get a ton of gold and jewels from those two, along with some well-deserved payback on those two.

Me: Save some for Taylor, Linc.

Nico: Yeah, she also wants to beat those two up badly.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered it, it was Dr. Vega and Queen Tia from Mega Man Star Force.

Nicole: (Gasps) It's Dr. Vega and Queen Tia. What are they doing here?!

Lincoln: I don't know, but I can tell I'm not going to kill them, instead, I want to give them a chance at love after everything that happened to them.

Me: Ooh, it looks like you got two new members of your harem to join you.

Lincoln: That's right, so it looks like we're going to destroy their dark sides. Come on, guys, let's go.

We flew out of the World Tree Estate, and Lincoln fired two blasts of light and freed Dr. Vega and Queen Tia from their dark sides, and Varie got them to safety.

Dark Dr. Vega: Finally, we're free.

Lincoln: But, not for long.

Sonson: Yeah, it's time for you two to be destroyed.

Princess Devilotte de Deathsatan IX: And this time, you're never coming back.

Suddenly, the eyes of Sonson and Princess Devilotte de Deathsatan IX turned neon brown and neon blue and they're surrounded by colored energy auras, elemental forces, and mythological animals, and as they approach Dark Dr. Vega and Dark Queen Tia, they left colored energy, elemental forces, and mythological animals with every step. Suddenly, Sonson and Princess Devilotte de Deathsatan IX were surrounded by massive vortexes of colored energy with elemental forces surrounding them, there are mythological animals flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Sonson and Princess Devilotte de Deathsatan IX emerge, but they were changed forever.

Princess Devilotte de Deathsatan IX has transformed into SUPER ANGEL ETERNITY INFINITY SOLAR AND LUNAR FIRESTORM PHOENIX ANGEL OF DIVINE SUNLIGHT AND MOONLIGHT JUSTICE AND DIVINE SOLAR LUNAR LOVE!

We're amazed by the Super Angel Eternity Infinity transformations of Sonson and Princess Devilotte de Deathsatan IX, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Dark Dr. Vega and Dark Queen Tia saw it, they fell into a rage and tried to attack, but they fired energy blasts at the two dark sides and sent them into a wall, and they got out and they're pissed off big time.

Lincoln: Wow, Sonson, Devilotte, you girls look beautiful. How do you feel?

Sonson: (Divine Echoing Cosmic Voice of The Hurricane Inferno Monkey and Divine Firewind Love) We feel incredible, Linky.

Devilotte: (Divine Echoing Cosmic Voice of The Sunlight and Moonlight Phoenix and Divine Solar Lunar Love) Now, shall we deal with the dark sides of Dr. Vega and Queen Tia for good?

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Sonson and Devilotte.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time to put those two dark sides down for good.

Sonson, Devilotte, and Lincoln went after Dark Dr. Vega and Dark Queen Tia, and they fired powerful blasts of rainbow energy, vermillion red and blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Monkeys, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Dark Dr. Vega and Dark Queen Tia, and they exploded with incredible power as they hit them. Then, the three of them attacked the dark sides with their weapons and left scars on their bodies and lumps on their heads, and they fired powerful energy beams, which hits Dark Dr. Vega and Dark Queen Tia and exploded with incredible power and it killed them and sent them to The Black Gates forever. We cheered wildly for what Lincoln, Sonson, and Devilotte did as they holster their weapons and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Devilotte and Sonson are permanent.

Then, Sonson and Devilotte glomped on Lincoln and they kissed him all over, and Lincoln had lipstick marks all over his massive muscular body and face, and he returned their kisses and hugs as well. Then, we head back to the World Tree Estate and head to the infirmary and we saw Dr. Vega and Queen Tia awake.

Lincoln: Are you two okay?

Dr. Vega: Yes, we're okay, but it feels like we got ran over by a truck.

Queen Tia: Thank you for saving us, Lincoln Loud.

Lincoln: You're welcome, Your Majesty.

Dr. Vega: For what you did to save us, we wish to join your harem.

Lincoln: Of course, after everything you two have been through, you both deserve a chance at love.

Then, we saw Thunderbird Necklaces of Eternal Love appear on the necks of Dr. Vega and Queen Tia with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too, and they shared a kiss and hug with Lincoln, and we cheered wildly for them.

Nico: Wow, not only did Lincoln separate Dr. Vega and Queen Tia from their Dark Sides, they're now in Lincoln's harem after he, Sonson, and Devilotte trashed them, awesome two-for-one!

Me: And Lincoln's right, those two have been through so much, they deserve a chance at love.

Nicole: You got that right, Dad.

Eli: You said it.

---

Later in the forest we were there for some bonding time.

Nico: Hey, Maria. Guess who's up for bonding time?

Maria: You and me next?

Nico: Yep!

Maria: Awesome!

Nico: We're going to have some bonding time in the forest.

Me: Awesome.

Qin: I think this is gonna be perfect for you two.

William: It sure is. You guys earned it.

Lana: I'll say.

We got to relaxing.

Lily was playing Somewhere Over The Rainbow by Israel "IZ' Kamakawaiwo'ole on a ukelele.

Nico: Remember when I met you guys?

Me: Boy that was a day like no other! You moved in shortly after I thrashed some bank robbers.

May: And you fell in love with me right at first sight.

Qin: (Laughs) That was awesome. And I heard you guys took down The Condiment King, Pack Rat, Mighty Mom and the Mad Hatter that day after an awesome date.

Nico: Yep. That was so fun.

Alicia Chan: Boy it sure was bro. You told May everything about your dark past and more.

May: He sure did and I learned so much about his Saiyan Heritage.

Nico: And you hugged Poliwag.

Maria: I sure did.

Qin: So adorable.

Poliwag: Yeah that was great.

Maria: So awesome.

Me: That was a great date too and I sensed Nico's power all the way from the humiliation session with Peter Griffin there too.

May: Yeah that was awesome. Nico's power is really strong.

Nikiya: That's Bokrua for you May.

Vegeta: Yeah Bokrua is a Saiyan of a good kind.

Me: He was born with a power level of 100,000 which was completely unheard of for a Saiyan. Am I right Master Vegeta?

Vegeta: You are right J.D. Having a power level at that magnitude is totally unheard of for a Saiyan.

Eli: Wow.

Nico: Us being siblings is good since Poliwag and Horsea are boyfriend and girlfriend.

Maria: You got that right Nico. That is so awesome.

Me: I agree there.

But then my ultrasonic hearing heard something. I heard something coming from a tunnel 500 yards away from us.

Me: (In my head) I hear something. I better check it out. (Out loud.) (Whispers) Qin.

Qin came over.

Me: I hear something in that tunnel there. We better check it out.

Qin nodded.

Me: We'll be right back Nico.

Nico: Okay.

Me and Qin went to the tunnel.

Kairi: Guys, I'm going to be dressing in my badass outfit later.

Maria: Why?

Kairi: I thought it would be awesome if I dressed up like that for the missions.

Rarity: Oh I think that's great darling. And me and Fluttershy will do the same just for the OOO mission.

Fluttershy: I think it will be great.

Nico: Nice. Want to be tough huh?

Fluttershy: (Giggles) Yes we do.

Laney: I like it.

In the tunnel me and Qin were walking through it with flashlights on and we saw that it was a dark tunnel that went on a long ways.

Me: Wow it sure is creepy.

Qin: Yeah. But what is that noise?

Me: Sounds like two people crying.

Qin: They are getting closer though.

We then got closer and closer and we saw 2 girls. One was a girl dressed in all black and she had black hair and blue eyes and she was crying hard. And the other was a girl with yellow hair and yellow clothes that was trying to cheer her up.

Me: Are you two okay?

Girl 1: Wow are you J.D. Knudson?

Me: That's me.

Girl 1: Wow it's an honor. My name is Sima Gallagher and I'm a gene-slammer for The Soul of Purity and Light.

Girl 2: (Crying) And I'm her sister Luna and I'm the Penumbral Soldier Lady Gene-slammer.

Me: 2 more Gene-Slammers.

Qin: Were you looking for anyone in particular?

Sima Gallagher: We were trying to find our friend Nico.

Luna Gallagher: (Crying) We looked everywhere.

Me: You girls are in luck. He's right outside this tunnel.

Nico: Kairi, if you want to dress like that, then do you want me to shoot you with Porcupongo's quills?

Kairi: Hit me Nico and I want to have it turned off and on at will.

Nico: Fair enough. Here goes. This is gonna hurt.

Kairi: Okay.

Nico fired a quill and it hit her.

POINK!

Kairi: YEOWCH!

Nico: Sorry.

Kairi: Now THAT is what I'm talking about! Thanks big boy.

Me and Qin came back out with the girls.

Nico: (GASP) Sima and Luna!?

Sima: NICO!

They went and hugged him!

Sima: I thought we would never see you again.

Luna Gallagher: We missed you.

Nico: Same here girls.

Me: We found them in that tunnel over there. Sima is the Soul of Purity And Light Gene-Slammer and Luna is the Penumbral Soldier Lady Gene-slammer.

Nico: You two are gene-slammers too?

Qin: They sure are.

Maria: Can we see your Gene Slammed forms?

Sima: Sure.

Luna Gallagher: Sure.

Sima turned into her SOUL OF PURITY AND LIGHT FORM!

Luna turned into PENUMBRAL SOLDIER LADY!

Nico: WHOA!

Lola: Awesome!

Me: The Twilight Sisters of The Eclipse.

Soul of Purity and Light: I like the sound of that.

They reverted back.

Luna Gallagher: It has an awesome ring to it.

Me: I heard crying and went to investigate. Qin was with me and we went down that tunnel and we found them.

Nico: Wow.

Me: Yeah.

Nico: You girls missed me THAT much?

Sima Gallagher: We sure did Nico.

Luna Gallagher: Yeah we tried to find you. We looked all over for you all over the country but we couldn't find you. So we almost gave up hope. But thanks to J.D. and Qin we found you.

Qin: I remember the Gallagher twins back when I was in St. Louis. It was before I met Nico. They are childhood friends.

Nico: Right! I remember them as well. Awesome.

Me: Whoa! Kairi you're back into the badass attitude!? (GULPS)

Kairi: You gonna have Eli try to bonk my head?

Me: (Gulps) No.

Qin: Oh boy.

Eli: (Senses something) We got company!

We then saw a scary figure come out and it was a scary version of Dino Fury Red! It was ANOTHER DINO FURY RED!

Me: Another Dino Fury Red!

Cornelia: Whoa! If Zayto saw this he would be pissed!

Kairi: Whoever you are, you just entered Paintown! Population: You!

Me: OOH! I like that!

Another Dino Fury Red: (In A boys voice) Then come a get me girly!

Nico: I didn't expect it to be him!

He reverted back and it was a boy that Nico HATES WITH A VENGEANCE! It was a kid with black hair and blue eyes and he was dressed in black clothes and he had a shirt that said "Fuck You

Asshole" on it. And he had a tattoo on his right arm that said "Guns don't Kill people, I do!" He had black leather pants and black spiked shoes on.

Nico: Harold Butcherson!

Harold Butcherson: You remember me. I'm flattered you do.

Me: You know him Nico?

Nico: And I wish I didn't. He's an old enemy of mine. Me and Qin hated this thug with a vengeance. He was always trying to come at me to kill me but I always came out on top because I was always better than he is. Until he reached the breaking point and me and Qin sent him to prison forever.

Qin: Yeah he was a heartless monster!

Harold Butcherson: And now I'm here for revenge!

Nico: (reads his shirt) Fuck YOU, asshole!

POW!

Kairi punched him right in his face and kicked him in his crotch and he sung in a high note as he was in pain!

Me: (WINCES) OOH!

Nico: Yikes!

Eli: You made her TOO badass Nico!

Laney: Porcupongo did the same thing.

Me: Deja-vu all over again.

Nico: (takes out Toon Patrol's Ridewatch) Let's start things off!

He activated it.

Nico was dancing stupidly.

Nico: (Singing)

Now Roger is his name

Laughter is his game

C'mon you dope, untie his rope

And watch him go insane

(He hit himself with a rake and Harold was laughing hysterically)

This singing ain't my line

It's tough to make a rhyme.

If I get stuck I'm… I'm out of luck and.

Me: I'm running out of time!

Nico: Thanks.

Sideshow Bob: (Laughs) That was funny.

He juggled cannonballs and they hit him on his head and slipped on a banana peel and then hit a tree and knocked it down.

He jumped on a pogo-stick and hit a light and smashed it and screamed as he was electrocuted! Harold was laughing hysterically!

That was so funny!

Nico: I'm through with taking falls

I'm bouncing off the walls

If I had that gun I'd have some fun

I'd kick you in the nose!

Harold: Hey that doesn't rhyme with walls!

Me: No but this does!

CRUNCH!

I kicked him right in the crotch and he screamed!

Harold turned back into Another Dino Fury Red!

Another Dino Fury Red: YOU MADE ME INTO A LAUGHINGSTOCK!

Me: FUCK YOU ASSHOLE!

William: He's using a Legend Item!

He pulled out a Dino Fury Sword with the powers of Dr. Light and he fired beams of light from it and I deflected the blasts back and they hit him and smashed him all over!

Me: So he has Dino Fury Weapons imbued with the powers of the Core and Non-Core members of the M.O.E. All right then. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kairi: THAT'S MY ARCHENEMY, DUMBASS!

Me: Uh oh! I would start praying douchebag!

Another Dino Fury Red: Oh yeah!? What are you gonna do about it bitch!?

We gasped!

UH OH!

Kairi grabbed Another Dino Fury's manhood and started squeezing it!

HE SCREAMED LIKE A LITTLE GIRL!

Nico: OOH! THAT'S GONNA HURT!

Nami: GEEZ! And I thought Frankie had it rough when Robin did that!

Nico Robin: Go Kairi! Give him the worst castration ever!

Me: (Imitating Rob Schneider) YOU CAN DO IT! CUT HIS FREAKING BALLS OFF!

Sora: NO ONE INSULTS MY WIFE! (Starts punching his face)

BAM BIFF BLAM BAM SMASH WHAM SMASH!

Nico: WOO! YEAH!

Lola: TAKE THAT!

Volcana: Brutal!

Kairi and Sora came back

Nico: Had enough?

Another Dino Fury Red: NEVER!

Me: Well then how about this? (Activates Sumoto's Ridewatch)

Then Sumoto appeared out of nowhere from above him and then…

KRASMAAAAAAAAAASSSSSSHHH!

He landed Another Dino Fury Red with a massive and tremendous BELLY FLOP! Then…

BOOM!

There was a muffled explosion from under Sumoto and he rolled over and we saw Harold battered and broken because Sumoto's massive girth had broken EVERY SINGLE BONE in his body!

Me: That's what happens when you get squished by a 1.4 million pound Sumo Wrestler. Great job Sumoto.

We high five.

I caught his ridewatch and purified it and we saw Dino Fury Weapons all over the ground and picked them up. We beamed Harold to the infirmary in the Neptune Prison.

---

We were then walking with Calvin.

Simion: So, what are we doing right now, Calvin?

Calvin: We're gonna introduce you guys and Hobbes to Rosalyn, Susie, Moe, and Ms. Wormwood!

Me: Sweet! It's gonna be awesome to meet your friends. I've read about Moe though. He is a bully.

Qin: Yeah what a jerk.

Kairi: If he tries anything funny I'll rip his throat open.

Lola: Nice Kairi.

Kairi was dressed in badass clothes. All black with spikes on some of them.

Calvin: Oh, and the Sinister 12 are with us too.

Me: Nice!

Aqua: Awesome you're with us.

Skulker: It's my pleasure.

Lola: This is gonna be awesome.

Yost Crimson Dynamo: (Russian Accent) Hi. Are you Rosalyn?

Rosalyn: Yes. Why?

Yost Crimson Dynamo: (aims missiles at her) Give me one reason why I shouldn't blast you open!

Nico: Anton stand down. She is not a threat.

Calvin: Everyone this is Rosalyn. She is my babysitter.

Me: Awesome to meet you Rosalyn.

Rosalyn: Same to you J.D.

Nico: Sorry about that. We were told about everything that happened to Calvin and some of us are upset.

Me: Mostly at his mom and dad.

Zenyatta: And we DID hear that you and Calvin have had conflicts with each other in the past.

Rosalyn: Yes and I'm sorry about that but Calvin is such a great kid.

Calvin: It's true. Rosalyn is a great babysitter.

Lane Loud: We're glad she took care of you Calvin.

Qin: We sure are.

We later went to find the next friend.

Offroad: Who are we paying a visit too next?

Me: I think he found us.

We saw Moe!

Me: Moe I presume?

Moe (C&H): Yeah?

Moe: (grabs Calvin by the shirt) Hey, twinkie? Wanna know if there's an afterlife?

Unknown to him, Yost Electro was ready to zap him.

POW!

Kairi punched Moe in his face and gave him a black eye!

Kairi: YOU STAY AWAY FROM HIM!

Nico: You repulsive little jerk!

Me: You're just a big fat chicken Moe!

Moe: ARE YOU CALLING ME CHICKEN!?

Me: YEAH! And I eat chickens like you for breakfast!

Moe: I'll make you suffer for that!

Me: Bring it on tubby!

Yost Electro: Fuck it! (zaps Moe)

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

He was electrocuted all over with billions of volts of electricity!

Me: Shocking.

Ed: Zappity Zap Zap!

Moe was burned to a crisp.

We then went to meet Calvin's teacher.

Hobbes: Hi, Ms. Wormwood!

Ms. Wormwood: (Gasp) Hobbes is real!?

Me: He sure is.

Ms. Wormwood: Team Loud Phoenix Storm! It's an honor.

Me: You too Ms. Wormwood.

Matilda Honey: She has the same last name as my former family.

Me: Coincidental.

Ms. Wormwood: Before you say anything, I would like to bring up that Calvin goes into his fantasies while trying to ditch my class.

Me: (Chuckles) Reminds me of a bunch of cartoons I remember from my past. I saw this Looney Tunes Cartoon kid that daydreams a lot.

Nico: Oh yeah. Ralph Phillips. Good memories.

Qin: Yeah those were awesome.

Ms. Wormwood: Very coincidental.

Nico: Calvin, anything to say in your defense?

Calvin: Yes. I'm sorry I daydream like that. I can't help it. It's because my mom and dad were always doing stuff.

Me: It's a long story.

Qin: We found out that his dad would take him to deserted islands to build character as he calls it and his mom would feed him inedible food.

Eli: It's not a pleasant sight.

Nico: Yeah.

We walked out of the classroom to see Susie Derkins clapping sarcastically.

Susie: Well, Calvin. I hope you're proud of yourself today.

Me: Susie I take it?

Susie: That's right.

Calvin: Yes I am proud Susie.

Qin: We all are of him.

Susie: Calvin, you pretty much brought along Team Loud Phoenix Storm and the Sinister 12 to terrorize Rosalyn, Ms. Wormwood, and Moe!

Me: No it's the opposite really. It's just to hurt Moe. He was a bully and he needed to be put in his place.

Diamond Tiara: And you Susie are no better than how I was.

Susie: Oh yeah?

Diamond Tiara: I once thought like you because I came from a high class life and I thought I was so superior that I didn't need friends. But I realized that wasn't the case. Calvin works really hard to get accepted in life and he has a lot of challenges that make it difficult for him. You need to help him with conquering those challenges instead of making them more difficult for him. Because he needs something that everyone can use: Friends.

Qin: That's right Susie. It's time for you to be there for him instead of always dragging him through the mud.

Evil Clayface: (towers over Susie) Besides, do you have a problem with what we do?

Nico: Matt stand down. We need to resolve this peacefully.

Evil Clayface: Sorry.

Qin: The point is Susie, you need to help Calvin and be there for him instead of being a total jerk.

Lola: Yeah!

Susie realized that we were right and then she knew that Calvin was a goofy kid but she had no idea that he was going through hard times.

Susie: In my defense, Calvin DOES throw water balloons at me.

Me: You know kids will be kids. Besides you're only a kid once.

Susie: Easy for you to say. You guys will live forever.

Me: Touche. But kids want to play and have fun.

Calvin: But Susie, I'm sorry I did all that. I was just venting.

Susie: Venting?

Me: He has a lot of issues with Moe and his parents.

Calvin: I've renamed G.R.O.S.S anyway.

Sideswipe: At Nico's suggestion, it now stands for **G** et **R** id **O** f **S** limy **S** cumbags.

Me: Ooh! Clever!

Nico: Thanks. It was my idea.

Me: Yeah! From **G** et **R** id **O** f **S** limy girl **S** to **G** et **R** id **O** f **S** limy **S** cumbags. Clever.

Nico: Yeah!

---

We were back at the estate.

Hotlink: That actually went pretty well.

Fracture: Okay, so there wasn't too much beating up. But at least Moe's black and blue now!

Me: Better him than anyone else.

Nico: That's true.

Qin: But Diamond Tiara that was really heartfelt and very good advice there.

Diamond Tiara: Thanks. Twilight has been teaching me about all that in her book.

Lola: That's cool she has.

Nico: Yeah. Now it's time for Will's big mission

Will Vandom: This is gonna be so awesome!

Qin: I can't wait to kill Maki.

Lola: We all can't wait.

Then Hank Scorpion, Trickster, Box Ghost, Ssserpent, Onyx, Juggernaut, Count Vertigo, Chillyfish, Pied Piper, and Cantwell appeared.

Hank Scorpio: Can me, Trickster, Box Ghost, Ssserpent, Onyx, Juggernaut, Count Vertigo, Chillyfish, Pied Piper, and Cantwell go with you guys?

Nico: Yes you guys can.

Eli: I got the Medal Tank all ready to go.

Qin: Awesome.

Me: I have a feeling we're going to be really up against a lot of Greeeds today.

Guts Man: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm hoping to go for one that's a Tempest Drake next.

Me: Ooh! Want to do one for the key next.

Nico: Yep.

Kameo: This will be awesome to hear about.

Varie: It sure will.

Nico: Lets head out!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Mirage, and she wants revenge on Aladdin for ruining all of her schemes to spread plagues, misery, and suffering all around the world. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Aladdin, you and the others aren't going to like this one bit: the dark energy I sensed belongs to your old enemy, Mirage, and she wants revenge on you for ruining all of her schemes to spread plagues, misery, and suffering all around the world.

Aladdin and the others gasped in shock.

Iago: Oh no, not her. She's mean! She's beyond mean! She invented the word 'mean'!

Nico: Whoa, sounds like you guys have a bit of a nasty history with her.

Genie: Oh, you have no idea. She enjoys the physical pain of others and relishing in their mental anguish and despair, she's one sick kitty!

Me: Sheesh.

Nico: What a sadist!

Aladdin: She has the power to create illusions, along with many other dark magic abilities, but there's one thing that she hates: goodness and love.

Will Vandom: And a dark deity such as her despises seeing displays of love and goodness, which is exactly what we'll use on her.

Lincoln: That's right, and I've got something to dispell her illusions.

Suddenly, we saw Lincoln's eyes turn red and the tomoe appear.

Nico: That's the Sharingan. (Realizes something) Wait a second, on your rescue, you sucked out the chakra and jutsu of the Evil Sasuke we sent to the Vostok Blood Prison, and in the process, you also gained the use of his Sharingan.

Lincoln: Yep, and with it, I'll help dispell Mirage's illusions, and then, Will can send that bag of litter to The Black Gates forever.

Nico: Yeah, you guys will teach that destructive cat deity a lesson she'll never forget. Alright, gang, let's go, it's time to meet the OOO Kamen Rangers.

Will Vandom: And take down Kamen Rider Gara and Kiyoto Maki the Kyouryo Greed.

Lincoln: We'll make those two monsters pay, along with you, Mirage, when you show up here, you evil, destruction-causing bad cat!

We were off to Japan.

---

We arrived and we saw the OOO team fighting Muchiri Greeed and massive numbers of Greeed footsoldiers!

Trickster: There they are!

Me: And they are fighting Muchiru Greeed!

Laney: Whoa she is a bad bee.

Qin: Yeah.

Me: Lets get her.

We flew at her.

Eiji ducked under a swipe from her.

Eiji: This is getting rough!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then fireballs rained down and they hit the footsoldiers and numerous medals fell out!

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Eiji: That's Zocks!

We came out!

Nico: Looks like we got here just in time!

Eiji: You sure did!

Shintaro: Thank goodness!

Eli: Wait I sense that this Greeed is familiar to you J.D.

Me: Lets take a look then. HOLY STYLE NINJA ART: PURIFYING SCAN BEAM!

I fired a beam of light and it hit the Greeed and revealed the person inside it to be an orange hair girl with green shorts and she had a green shirt and blue eyes!

Me: (GASP) Simone Melbourne!

Nico: You know her?

Me: I'll tell you all as soon as we destroy this Greeed!

I cut the Greeed open with my scythe and Nico and Eli pulled on both sides and I reached in and pulled her out!

Simone Melbourne: (Australian Accent) Oh thank you mates.

Me: You're welcome Simone.

I fired an energy blast and destroyed the Greeed in an instant and we sucked up all the medals.

Nico: YEAH! Muchiru Greeed you have failed this world.

Me: Yeah!

Simone Melbourne: Thank goodness.

Me: Simone and I knew each other from school. She was with us on an awesome Foreign Exchange Program.

Allie Wilde: I remember Simone too. She is an awesome adventurer and loves to go see and explore awesome and dangerous places.

Eli: That is cool.

Me: She came from Australia and she knows so many awesome places.

Nicole: She and I would get along great.

Simone Melbourne: But thank you guys for saving me.

Qin: It was our pleasure.

Grimace made video game sounds, happy to see the OOO team.

Eiji: We're really happy to see you too Grinade.

Will Vandom: Same here Eiji.

Philip: Awesome to see you again Eiji.

Eiji: Philip and Shotaro. Wow! It's great to see you too.

Shotaro: We owe you big time for helping us against Katsumi the last time.

Eiji: It was no problem.

Me: That was so awesome that you helped them.

Eiji: That was really fun.

Shintaro: Yeah.

Nico: Can we discuss this at your base? We have so much to talk about.

Eiji: Sure thing.

We went to their base.

Ssserpent: We want to thank you guys for helping out in Monster High.

Eiji: Aw it was nothing.

Me: And you missed out on an awesome adventure for Nico's Birthday.

Eiji: That must've been a great one.

Qin: Too bad Shaggy and Scooby didn't like it. They were total cowards the whole way.

Erica Haddock: Yeah they sure were.

Nico: Yeah.

Bruiser Cruiser: Is the Tatoba Combo really your default form?

Eiji: It sure is.

We arrived.

Eiji: Here we are.

Me: Just as awesome as we remember.

Nico: So awesome.

Will Vandom: So many fun times.

Taranee: Those were awesome too.

Juggernaut: You never told us that you fought Maki before.

Eiji: It was a brutal battle back then.

Me: He and I have a really massive score to settle. I blasted off his arm after you guys defeated him.

Eiji: I didn't know about that.

Lola: It's a huge story.

Poromon got out 3 beer bottles.

Eiji: Don't tell me those are-

Poromon: 3 bottles of beer!

Manterror: Why am I not surprised?

Ankh: I've never tasted beer before. Does it taste good?

Poromon: Oh it does!

Ankh took some and drank it.

Me: Uh oh.

Jamesdean5842: (SIGHS) It's gonna be one of those days.

Eiji: So, Ankh. Your thoughts on the beer?

Ankh: (BARNEY GUMBLE BELCH) (Slurred Speech) Where have you been all my life!?

Me: Oh boy.

Barney Gumble: Welcome to the party pal! (BELCH)

We laughed!

Qin: That is funny.

Me: Okay I think you had enough Ankh..

I snapped my fingers and he was back to normal.

Me: Besides we're here on a mission.

Nico: Right we have a lot ot tell you.

Me: We're here to kill Maki and Gara.

Eiji: Right we gathered that.

Me: Okay. Also we have this to show you.

I pulled out a massive coin book and it was heavy.

Me: (GROANS)

I put it on the table and opened it and in it was the core medals we got.

Me: These are Core Medals of our frenemies in the Masters of Evil, core and non-core.

Eiji: Is that a Core Medal of Abomination?

Me: It sure is.

Nico: You're not gonna believe how we got them.

Me: We actually had to defeat Another Riders of you and Shintaro.

Eiji: An Another Rider of me I can believe. But Shintaro?!

Barricade: It's all true.

Me: And you have Swartz to blame for that.

Qin: Yeah he has been pissing us off all over.

Me: But mostly with me because it's many of my friends that were made Another Riders, Another Rangers and Another Omnitrix Aliens.

Nico: Just earlier it was one of my enemies.

Kairi: I hope we kill that asshole soon!

Chillyfish: Oh, and Kairi's badass right now.

Nico: Yep.

Kairi: Yeah you got a problem with that!?

Nico: No.

Kairi: Good.

Shintaro then grabbed a chair and threw it out the window in rage at what we told them about Swartz!

CRASH!

Man: OUCH!

Shintaro: THAT ASSHOLE! How can he make another version of me!?

Me: Believe me Shintaro, I hate Swartz as much as anyone else. But he will meet his end on August 12th.

Nico: Yeah.

Cantwell: (sees Michal staring out into space) Michal. You okay?

Spidey's spider sense went off.

Spiderman: He's under the control of Maki!

He binded him with his webs.

I went over to him.

Me: Hmm.

I looked him over and saw a mind control chip on his neck.

Me: Aha!

I pulled it out.

Me: Whew! Thank goodness we stopped that.

But then, Michal became Kamen Rider Poseidon all of a sudden and broke out of the webs.

RD Lynn: Fuck me! Poseidon took him over!

Me: Lets take this outside.

We went outside.

I fired a beam of light and it separated Poseidon from Michal!

Michal: (GROANS) That was awful.

Kamen Rider Poseidon: Free!

Me: Not for long!

I fired a wave of energy and it hit him and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed!

Pied Piper: Michal, how long ago did that mind control device get on you?

Michal: I don't remember. I think it was 2 days ago.

Me: Just recently.

Qin: Hmm.

Camie: We're gonna be really killing Maki and Gara now.

Lola: Yeah he will pay!

Jindrax: Think we should call Mezool?

Megan Kiraton: I think that's a good idea.

Jindrax: Yeah.

Laney: It sure is.

Nico: We're going to need all the help we can get.

Lily: Yeah. And if we face Gamel he will die too.

Count Vertigo: Actually, I don't think we're going to face Gamel.

Me: Well good.

Qin: Yeah.

Shred Naught: Eiji, in the future, after Ridewatches and Eyecons, we're doing Fullbottles and Core Medals.

Eiji: Looking forward to it.

Qin: This is gonna be fun.

Lola: It sure will be fun.

Nico: Yep. All right lets get ready for the usual battles.

Me: Right.

Nico: But first, Ridewatches.

Nico got out Ridewatches for Five Red, Red Hawk, Mighty Morphin Red, Ryuuranger, Alien Red and their copies.

Nico: I'm also assigning the Japanese Turbo Ridewatch and its' copy for when we get it in the future.

Me: Nice.

I decided on Aurico, Tommy Oliver, T.J. Leo and Carter getting the Originals and Nikki Terrance, Nadiron Terrance, Sima & Luna Gallagher and Simone Melbourne for the copies.

Maria: Wait. Who gets the Japanese Turbo Ridewatch and its' copy when we get it?

Me: Hmm. Andros for the Original and Spitfire?

Nico: That works.

Eiji: I came prepared for the battle too. I got a collection of coins and underwear.

Onyx: Why would you bring underwear?

Eiji: I was taught by my grandfather that all a man needs is a pair of underwear for tomorrow.

Nico: I think Lincoln can respect that.

Lincoln: You bet I can.

Qin: That is true.

Lola: Yeah.

Nico: Yep. Now we can get the usual battles going.

We went outside and got ready.

Then Jack O Lantern, Number 7, Billy Numerous, Captain Boomerang, Spymaster, Turtle, Stonedozer, Crimson Dynamo, Absorbing Man and Puff appeared.

Nico: Jack O Lantern, Number 7, Billy Numerous, Captain Boomerang, Spymaster, Turtle, Stonedozer, Crimson Dynamo, Absorbing Man and Puff.

Jack O Lantern: You ok, Kairi?

Kairi: Relax, Pumpkin Head. I'm fine.

Number 7: I believe she is badass again.

Me: Yep she sure is.

Billy Numerous: Long as we get her back to normal afterwards.

Nico: She will.

Captain Boomerang: (to Nico) Heard you found some treasure.

Nico: We sure did. In the Caspian Sea.

Spymaster: What was it?

Me: Lots of awesome things.

Qin: Yeah it was awesome.

Nico: It was fun too.

?: It sounds like it.

A figure came out and it was EVIL NINJA IGA from the Abaranger VS Hurricanger Japanese Movie!

---

Iga arrived on Dino Earth centuries ago and fought the Saurians, delighting in the destruction in his wake cased by his Evil Ninpou (邪忍法 Janinpō) but was eventually sealed in an orb by three Dino Earth sages.

A year after the Evil Will's end, Apostle of Creation Mikela of the Wicked Lifeforms Evolian finds an orb containing Iga and sees a chance to kill the Abarangers. Mikela modifies its contents with Evolian influence before handing it to Fourth Spear, Wendinu and First Spear, Furabiijo as they possess the power to free him. Whilst using his three shadow clones to fight the Rangers, Iga absorbs Dino Guts from the masses in order to become the strongest ninja of all and grows giant in the process. Iga meets his end due to the combined might of the Hurricanegers, Gouraigers teams and the Abarangers empowering AbarenOh using the Sword Slasher and a variation of the Copy Illusion Slash called the Spin Drill Slasher.

---

Eli: Evil Ninja Iga. I remember you! You were sealed by the 3 Dino Earth Sages and then you returned to kill the Abarangers.

Evil Ninja Iga: That's right Eli. Good memory.

William: Too bad you weren't in the Ninja Storm and Dino Thunder teamup.

Iga: I know! I could've adapted there in some way!

Me: What a ripoff! So many awesome monsters.

Nico: Yeah.

## Green Arrow, Starlight Glimmer, Cozy Glow, Undead Skylanders, Horri Bull and Hotlink VS Jack O Lantern - Nico's rescue

Jack O Lantern was first.

Jack O Lantern: (to Green Arrow) Nico must've gotten lots of treasure in his rescue. Can you name what he found?

Green Arrow: Well I can try. They found lots of ancient relics in the Caspian Sea. They found jewels, coins, gold, diamonds, even a bunch of old planes and ships that were lost for many years. The most interesting of them all was the plane of the Green Crane. She was the greatest female pilot of World War I.

Jack O Lantern: Wow! That is amazing! I didn't know she existed back then.

Starlight Glimmer: Few people ever do. After over 100 years have passed many people hardly even remember it.

Cozy Glow: And there are no more World War I Veterans left at all.

Hex: Yeah it would have been awesome to learn all about it.

Jack O Lantern: It sure would have been cool. Lets do it!

Green Arrow activated his Eyecon and Ridewatch.

ROBIN HOOD AND JACK O LANTERN!

Jack O Lantern: Ah the great Medieval Outlaw hero.

Green Arrow: Yep.

(MONTEZUMA BY CUZCO PLAYS)

---

Ed/Edzilla, Pinkie Pie, Featherweight, Tech Skylanders, Stone Man and Guts Man VS Number 7 - Us battling Another Ripjaws

---

Number 7 was next.

Number 7: (to Ed) Nico, Earth, and the others did good battling Another Ripjaws. It is not every day that the Another Omnitrix Alien is fought underwater.

Ed: No it sure isn't.

Pinkie Pie: But it was really amazing!

Featherweight: We had a lot of fun on that one too.

Sprocket: We sure did.

Number 7: I'm glad. Lets do it!

Ed activated his Eyecon and Ridewatch.

JOHN HENRY AND NUMBER 7!

Number 7: Ah the great hero of American Folklore.

Ed: Yep!

(ED EDD N EDDY THEME SONG PLAYS)

Billy: (to Ben) Heard Lincoln's rescue was in Kalamazoo, Michigan. And which Alien's gonna be used this time?

Ben: How about this one?

He turned into CRASHHOPPER!

Ben: CRASHHOPPER!

Billy: Good choice!

Crashhopper: Thanks. And yes it was in Kalamazoo and took down Pablo and Anderson.

Billy: Those rotten bullies! They don't know when to quit!

Naruto: No they sure don't. What a couple of dirtbags.

Rainbow Dash: They have no respect or love.

Scootaloo: They sure don't.

Whirlwind: They are now part of the Humiliation ranks too

Billy: That's awesome that they will be humiliated now. Lets do it! (FORMS 310 Clones)

Naruto formed 620 Shadow Clones.

Crashhopper activated his eyecon and ridewatch.

ALBERT EINSTEIN AND BILLY NUMEROUS!

Billy: Ah the great Albert Einstein. Awesome choice.

Crashhopper: Thanks.

(NIGHTINGALE BY YANNI PLAYS)

Julie Yamamoto, Rarity, Sweetie Belle, Water Skylanders, Smoke Scream and Bruiser Cruiser VS Captain Boomerang - Meeting a gene-slammer for Earthbound Immortal Rorccon

---

Captain Boomerang was next.

Captain Boomerang: (to Julie) Heard you guys met a gene-slammer for Earthbound Immortal Rorccon. What's her name?

Julie Yamamoto: Her name is Simone Yukimira and we found out some things that you are not going to like about Flip.

Captain Boomerang: What did he do this time?

Rarity: We found out a lot of terrible things.

Sweetie Belle: Yeah he did all kinds of things.

---

Simone Yukimira: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Simone, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Simone Yukimira: That's incredible.

Nico: It sure is. So, Simone, what are the 20 revelations about that fat, smelly, ugly, stupid, mutated cheapskate, Flip, that we haven't heard about?

Simone Yukimira: Oh, you guys are so not going to like them one bit, and he's tried to do these crimes even with being chained to the post at Lynn's Table.

Simone Yukimira got out a list and on them were 20 revelations about Flip and they were EVIL TO THE 200,000,000,000,000,000TH POWER!

1. Flip tried to hire a couple of hitmen to kill Albert Loud, the Loud Kids' grandfather.

2. Flip tried to hire a terrorist to throw bombs at Lynn's Table and The World Tree Estate to kill us all.

3. Flip tried to hire a gunman to kill Lincoln and his Guardian Angels for the beatdown in the Bermuda Triangle.

4. Flip tried to hire a hitman to kill Nico and his wives.

5. Flip tried to hire his cousin, Ernesto Fillipini to break him out of Lynn's Table.

6. Flip tried to hire a local criminal gang to kill us all.

7. Flip tried to hire a group of thugs to kill me and my wives and children.

8. Flip tried to hire a gang of thugs to kill Princess Celestia and her family.

9. Flip tried to hire a hitman to kill Lynn Sr. and Rita for the beatdown they gave him.

10. Flip tried to hire a hitman to kill Judge Katie Rockell.

11. Flip tried to hire a terrorist to destroy the dam and flood Gotham

Royal York.

12. Flip tried to hire a professional thug to kill us all.

13. Flip tried to hire a local criminal gang to kill The Masters of Evil and us.

14. Flip tried to hire a criminal gang to cause havoc in Gotham Royal York.

15. Flip tried to hire a professional terrorist to bomb everything in Gotham Royal York.

16. Flip tried to hire a terrorist to destroy all of Gotham Royal York.

17. Flip tried to hire a thug to kill all of the Louds' friends.

18. Flip tried to hire a group of thugs to break him, Scoots, NO MA'AM, The Bundy Family, Marcy D'Arcy, Amy, and Trina out.

19. Flip tried to hire a group of thugs to kill all of Lincoln's children.

20. Flip tried to hire a hitman to kill Nunnally and her friends.

When we were finished, we were extremely horrified: Flip's now gone off the deep end and has tried to kill us and The Masters of Evil numerous times.

Lincoln: That stupid good-for-nothing cheapskate!

Me: As if Flip couldn't get anymore lower than that.

Nico: That fat smelly mutant cheapskate, if we didn't have him being humiliated forever, I swear I'd kill him here and now.

But, then, we saw Eli's eyes turn blazing red with extreme hatred and fury at Flip, and his teeth had turned into razor sharp fangs.

Me, Nico, Lincoln, and Everyone: Uh oh.

Eli: (COMPLETELY PISSED OFF) FLLLLLLLIIIIIIIIIPPPPPPP!

Eli flew out of the World Tree Estate in a completely out-of-control rage and he went to Lynn's Table, with us following him, and he unleashed the full extent of his wrath on Flip and he viciously and very brutally beat up Flip so badly, and he even ripped Flip's mustache off his face, and shoved it up his nose, and Flip was screaming in excruciating pain, and it caused Flip to sneeze, belch, and fart out tons of coins and precious jewels from his nose, mouth, and three butts, thanks to Lincoln's curse still on Flip, and we winced at the pain Eli's unleashing on Flip.

Me: HOLY CRAP!

Nico: JEEZ, THAT'S GOING TO LEAVE A MARK!

When Eli was done 95 minutes later, Flip was really badly mangled and Eli had Flip's blood on his hand, and Lincoln went over to Eli and he covered Eli's hands in water, which washed off Flip's blood, and then, he hugged Eli, and he hugged him back.

Nico: This just proves what kind of a lowlife Flip truly is, and even imprisoned here, he still wants to kill us.

Flip: (Groaning In Pain) I HATE ALL OF YOU!

Our energy auras flared up extremely and we gained a massive power boost, thanks to Flip's hatred, and Lincoln threw bombs at Flip, Trina, Icky Vicky, The Bundys, The D'Arcys, NO MA'AM, Bubble Bass, Scoots, Evil Chris, Pablo, Anderson, and Amy, and they exploded and tons of gold came out of them, and then, we all came home to The World Tree Estate.

Lincoln: Now, we know that Flip's now gotten even more worse than ever.

Simone Yukimira: Yeah, but, I stopped Flip's schemes and sent those he hired to prison for good, and it now pissed him off even more.

Nico: When the next humiliation session starts, that fat smelly mutant's going to get far more worse.

Me: Same with Pablo and Anderson, and Lincoln put the same curse on them as well.

Lincoln: We're going to get a ton of gold and jewels from those two, along with some well-deserved payback on those two.

Me: Save some for Taylor, Linc.

Nico: Yeah, she also wants to beat those two up badly.

I've never seen you look like this without a reason

Another promise fallen through

Another season passes by you

I never took the smile away from anybody's face

And that's a desperate way to look

For someone who is still a child

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive, here we go

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

So take that look out of here it doesn't fit you

Because it's happened doesn't mean you've been discarded

Pull up your head off the floor, come up screaming

Cry out for everything you ever might have wanted

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered, see ya

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

Ha, ha

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Jumped outta bed, and I ran outside

Feeling so extra ecstatified

It's the best day ever (best day ever)

It's the best day ever (best day ever)

I'm so busy got nothing to do

Spent the last two hours just tying my shoe

Every flower, every grain of sand

Is reaching out to shake my hand

It's the best day ever (best day ever)

It's the best day ever (best day ever)

Sometimes the little things

Start closing in on me

When I'm feeling down

I wanna lose that frown

I stick my head out the window

And I look around

Those clouds don't scare me

They can't disguise

This magic that's happening

Right before my eyes

Soon Mr. Moon will be shining bright

So the best day ever can last all night

Yeah, the best day ever's gonna last all night now

It's the best day ever (best day ever)

So take my hand, my heart, my soul forever

And give to me your burden and your fear

Let us wander through this world together

And we will find our way to Inisheer

Streets of gold and pockets full of diamonds

It's a road that leads us to dispair

Oh, to see the morning rise before us

that chase the clouds that hide the cliffs of Claire

So take my hand my heart my soul forever

And give to me your burden and your fear

Let us wander through this world together

And we will find our way to Inisheer

Rainbow eyes shining like the ocean

In different skies we could set our sail

Might be a lie, just a dreams notion

But if we try then we can never fail

So take my hand my heart my soul forever

Let us wander through this world together

And we will find our way to Inisheer

Dino Thunder Rangers, Megaforce Rangers, Nico, May, Eli, Nunnally, C.C., Laney, Lana, Lola, Lisa and Lily VS Evil Ninja Iga.

Evil Ninja Iga was next.

Nico: This is gonna be good.

Nico teleported and opened his safe and in it was a bunch of weapons. They were called the Destroyers of The Greeed, they're a collection of broadswords with the OOO Kamen Riders symbol etched on the 7'0 massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguards, longer black handles, and large gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase, and there's also blasters included with the swords as well.

Nico teleported back with them.

Dino Thunder Rangers: DINO THUNDER! POWER UP! HA!

Trent: WHITE RANGER! DINO THUNDER!

They transformed and were ready!

Troy Burrows: LEGENDARY RANGER MODE! DINO THUNDER!

They transformed into the Dino Thunder Rangers too!

Nico: Yep.

Box Ghost: Where is he right now?

Eli: He's over in the park.

Nico: Then lets head over there.

Me: Get ready Maki. (EYES GLOW RED) You and I have some unfinished business to take care of!

We were off to the park.

We arrived at the park and Dr. Viktor showed up.

Maria: Thanks for coming, Dr. Viktor.

Dr. Viktor: No problem Maria. It's gonna be awesome to help you guys on Will's big mission.

Me: It sure is.

We saw them and Dr. Viktor went up to Maki and Gara.

Dr. Viktor: You must be Maki and Gara. (notices Lost Ankh) Who's this?

Maki: Oh, him? This is the rest of Ankh's body, that eventually got animated with a mind of its own. He's actually a good pawn then the rest of him.

Dr. Viktor: So I see. You really messed with my friends. You know that right?

Maki: And who are your friends?

Then massive numbers of coins and core medals appeared and swirled around them and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and massive numbers of gold, jewels, coins and precious gems rained down and everyone all over Tokyo got them and then a phoenix cry was heard and we came out.

Me: Hello Maki.

Maki: YOU!

Me: That's right! You and I have some unfinished business. This time I'm going to finish what I started 8 years ago and kill you.

Maki: If you think I'm going down without a fight, you're mistaken!

Maki turned into Kyouryu Greeed, which helped him regenerate his arm, and roared.

Me: All right then…

I went SUPER ANGEL XELNAGA!

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE OF HOPE, FRIENDSHIP, LOVE AND JUSTICE!) **I'm not the same as I was when we fought the first time. I've gotten far more powerful ever since then. You're going to pay for your crimes.**

I teleported and punched him in the stomach with devastating force and numerous cell medals exploded out of him!

Eli had the vacuum on and they got sucked in and we already got 500,000 cell medals from that one! WHOA!

I slashed him with my sword and kicked and punched him in the face and we got 10.2 million medals from him!

Nico: WHOA!

Kyouryu Greeed: Swabbies, attack!

An army of Swabbies appeared.

Nico: Swabbies!

Eli: So the Lost Galaxy Rangers are getting their chance to shine now.

Lola: Cool!

Lola fired massive blasts of fire and incinerated them and numerous explosions of coins and cell medals came out and Eli sucked them in.

Nico: They are infused with Cell Medals!

Eli: Wow! That is a first.

Qin: Yeah!

I kicked Maki and fired waves of energy and fire blasts and they hit Kyouryu Greeed and exploded!

MASSIVE FIERY EXPLOSIONS!

Massive numbers of cell medals and coins blasted out and the vacuum sucked them all in. We already had 632,329,434 medals already!

The Swabbies then jumped the OOO team and they laid defeated at the hands of the Swabbies.

Kyouryu Greeed: (laughs) Oh, I'll be with you in a minute, Knudson. First, I have to kill Eiji Hino for ruining my plans the first time.

POW!

I punched him in the face!

Yost Johnny: (throws fireball at Swabbie) Crap! What do we do?!

Will then got an idea.

Will: (to everyone watching) Everyone out there! Lend the OOO

Team your strength! They get stronger with your support! When I go "1,2", shout "Seiya"! Okay? 1,2…

All: SEIYA!

Will: One more time! 1,2…

All: SEIYA!

Will: Louder! 1,2…

All: SEIYA!

Jamesdean5842: SEIYA!

At this, Eiji found the strength to get up.

Eiji: You want desire, Maki? How about the desire to protect innocents from people like you?!

Eiji grabbed a Swabbie and slammed it to the ground.

SMASH!

I slashed Maki 3 times with my sword and he screamed in pain and we got 2,212,324,563 Cell Medals!

Nico: Whoa! We're really piling on the Cell Medals.

Eiji: Thanks for the help, everyone.

Shintaro: Looks like everyone in Japan's cheering for us.

Michal: At least I'm fighting with you guys this time.

Will: You sure are.

Nico: J.D., how about we finish this old grudge match for good?

Me: **I couldn't agree more on that Nico. I can never forgive this monster for everything he has done. Now it's personal.**

Qin: This is gonna be retribution of the highest caliber.

Nico: Yeah!

Will: Let me transform with you guys.

Leo: Sure thing, Will.

Lost Galaxy Rangers: Go! Galactic!

Mike: MAGNA POWER!

Eiji pulls out a belt with a black and blue device with silver accents and three slots on the front and places it on his waist before removing three medal resembling items, one red with a hawk on it, one yellow with a tiger on it, and the last green with a grasshopper on it. Eiji then places the red and green medals into the end slots of his belt before placing the yellow one into the center slot, causing the item to become offset on a diagonal, before pulling a separate black and gold device from the side of his belt)

Eiji: Henshin!

With his battle cry known, Eiji runs the black and gold device over the three medals in his belt, causing three red lights to appear on it as images of medals start swirling around him

OOO Driver: Taka! Tora! Batta! Ta-To-Ba! Tatoba! Ta-To-Ba!

While this pronouncement is made, the swirling medals settle on the three Eiji placed into the OOO Driver, merge into one with their emblems combined and place themselves on Eiji's's chest, from which black armor spreads before adding details from the three medals: a red feather patterned head with green eyes, a yellow torso with claws folded back on the arms, and green patterned legs.

Aqua: (Slinging a silver and blue belt resembling a turbine onto his waist) Henshin!

With his battle cry, the turbine starts spinning, pulling water from the atmosphere and forming a nice aquamarine and silver armor with black accents, a silver mask-like piece and yellow eyes.

Shintaro: (slinging on his belt) Henshin!

Shintaro places the silver coin into a slot on the side opposing the golden knob, which he then twists twice, causing the white and green orb to split open. As it does, nine smaller similar orbs exit in a burst of energy before opening themselves into armor forming on Shintaro, creating a black suit with silver and green accents including the very orbs that formed it, while unseen parts of the armor itself form over Shintaro's head, creating a helmet similar to the orbs with a silver and gold mouthpiece and a black half circle visor, which briefly glows red as the transformation finishes, with Shintaro brandishing his familiar weapon.

They were ready for action!

Will Vandom: You two monsters really make me sick, it's bad enough that you've antagonized Eiji and the OOO Kamen Riders, but you've also caused so much havoc to innocent people and all for your own sick amusement and desire to cause destruction. As Guardian of The Heart of Kandrakar and member of Team Loud Phoenix Storm, I will make you both pay for the suffering that you've caused.

Suddenly, Will Vandom was surrounded by a massive vortex of pink energy with quintessence, life energy, and angels surrounding it, there's an angel flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Will Vandom emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Hay Lin has on a Ring of The Phoenix with bright red gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Will Vandom's massive Sword of Kandrakar and the other swords she's gotten throughout the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink energy, quintessence, life energy, and angels, and when it emerged, it was transformed into Kandrakar's Quintessence Greatsword of Magical Justice, it's a brand-new greatsword with the symbol of Quintessence and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large fairy wings for the crossguard, large bright red gem embedded in the rainguard, longer black handle, and large bright red gem surrounded by angel wings for the pommel, she has on her new Bracelets of the Champions of The Universe with large bright red gems on her wrists, Belt of

Mirage (Aladdin): But, this'll be the last time you ever humiliate me. Servants, destroy them and play for me their wonderful screams of pain and despair!

Mirage summoned illusions of Prince Phobos and Dark Nerissa, but Lincoln activated the Sharingan and he dispelled the illusions, causing them to vanish, and it pissed off Mirage even more. But, she was sprayed with water by Iago.

Iago: That's for all the trouble you've caused us for a long time, flea bag!

Will Vandom: Nice shot, Iago. Sorry, Mirage, but your desire for revenge is about to end here and now.

Suddenly, Will Vandom's brown eyes turned neon brown, and she was surrounded by a pink energy aura with quintessence, life energy, phoenixes, magic, and angels, she unholsters her massive Kandrakar's Quintessence Greatsword of Magical Justice from her back, and as she approached Mirage, she left pink energy, quintessence, life energy, phoenixes, magic, and angels with every step.

As Guardian of The Heart of Kandrakar and member of Team Loud Phoenix Storm, prepare to face your punishment.

Suddenly, Will Vandom was surrounded by a massive vortex of pink energy with quintessence, life energy, magic, and angels surrounding it, there's an angel flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Will Vandom emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Will Vandom grew from 6'5" to 6'11" in height, she has the body of a goddess, she has brown highlights in the bangs of her bob cut bright red short hair, she has neon brown eyes and a pink energy aura with quintessence, life energy, phoenixes, magic, and angels surrounding her, she has a phoenix with the Quintessence Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with bright red gems for eyes and the Quintessence and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with bright red gems on the gold star links and bright red crystal links and bright red angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with bright red gems for eyes and holding the Quintessence Kanji in its claws for the pendant, she has on a long-sleeved pink blouse with bright red phoenix on it, pink skirt with life energy on them, pink pants, pink high heels, and a pink long sleeveless trenchcoat with phoenixes and quintessence on the coattails and on the back is a phoenix with winds surrounding it. Will Vandom has on a Ring of The Phoenix with bright red gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

We were amazed by Will Vandom's Super Angel Eternity Infinity transformation, and when Matt Olsen saw her, he had an atomic red blush on his face, hearts in his eyes, steam coming out of his ears, and blood coming out of his nose. But, when Mirage saw it, the destruction-causing cat went flying into a rage and fired a blast of energy at Matt Olsen to kill him, but Will Vandom came in between and she blocked it, and she fired a pink energy blast with quintessence, life energy, angels, magic, and phoenixes, and it hits Mirage and sent her flying into a wall and it pissed her off badly.

Matt Olsen: (Smiles) You got it.

Lincoln: Let's get her.

Matt Olsen turned into Shagon and Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and they joined Will Vandom.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to Mirage's sick games for good.**

Shagon, Will Vandom, and Lincoln went after Mirage, who continued firing blasts of dark magic at them, but they dodged them all, and they fired powerful blasts of rainbow energy, pink and red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Monkeys, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Mirage, and they exploded with incredible power as they hit her. Then, Lincoln and Shagon grabbed Mirage and they were sucking out all of her hatred and their energy auras flared up like crazy.

Shagon: Jeez, that cat's got a ton of hatred on her.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Matt, you ready to play a little music of love and weaken her?**

Will Vandom: (Divine Echoing Cosmic Voice of The Quintessence Life Angel and Divine Quintessence Love) **That's right, Mirage despises love really badly.**

Shagon: I like the way you think, Lincoln. Alright, I think it's time we taught Mirage a lesson on what happens when she messes with love.

Shagon changed back to Matt Olsen, and he began playing a beautiful love ballad on his guitar, but what Mirage didn't know was that earlier on, Lincoln gave Matt's guitar some awesome abilities, and the love ballad he began to play was really weakening Mirage, as she began tearing her hair out, and he also fired a powerful pink energy blast and since it was filled with love, it was really hurting her and we also saw singe marks on her fur.

Hay Lin: Whoa!

Nerissa: That was really clever of Lincoln to give Matt's guitar some powerful abilities.

Me: And since the guitar playing is filled with the love he has for Will, it's basically acid to a spiteful and evil monster like Mirage.

Nico: But, Lincoln and Will are not done yet.

Then, with Mirage being weakened even more by Matt's guitar playing, Lincoln, Matt Olsen, and Will Vandom made a binding circle below her feet and she was bound to it, and then, they began sucking out and absorbing Mirage's dark magic and sorcery, and they made them their own, and weakened Mirage to such an extent, she couldn't even stand.

Will Vandom: (Divine Echoing Cosmic Voice of The Quintessence Life Angel and Divine Quintessence Love) **Let's use a combo and send her to The Black Gates for good.**

Matt Olsen: Let's do it.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your time's up, Mirage, time to say goodbye.**

Will Vandom, Matt Olsen, and Lincoln: **KANDRAKAR QUINTESSENCE ELEMENTAL KAMEHAMEHA!**

Will Vandom, Matt Olsen, and Lincoln fired three massive Kamehameha waves with quintessence and elemental forces surrounding them, and as they hit Mirage, they exploded with incredible power and they killed her, and her spirit was forever erased by The Black Gates forever. We cheered wildly for what Will Vandom, Matt Olsen, and Lincoln did as they holstered their massive broad-bladed broadswords on their backs and power down and Lincoln deactivated the Sharingan, and Will Vandom's new body, clothes, weapons, jewelry, and massive bright red angel wings are permanent.

Then, Matt Olsen scooped Will Vandom up in his arms and they shared a passionate kiss and we all cheered wildly for them.

Will Vandom: Now, that was really bold of you, Matt.

Matt Olsen: Trust me, I've been wanting to do that for a very long time since I first met you, Will.

Eiji: Now, that was truly amazing. Plus, that was some awesome guitar playing, Matt.

Matt Olsen: Thanks, Eiji, and I also have to thank Lincoln for using his magic and giving my guitar some awesome abilities, and they were perfect with dealing with Mirage.

Lincoln: Since Mirage is a deity of hatred, evil, and destruction, there's only one thing that's stronger than hatred: love, and when Matt played the ballad of love on his guitar, the feelings of love weakened Mirage and it made her sick to her stomach.

Will Vandom: Which gave us the opportunity to put that binding circle on her, and we sucked out and absorbed all her powers, magic, and sorcery and weakened her to the point to where she's on her last legs, and that allowed us to deliver the killing blow.

Nico: You said it.

Me: And now, we're finally rid of Kamen Rider Gara and Kiyoto Maki.

Eli: Those monsters have bit the dust.

Lincoln: That's right, and now tomorrow, we're going to meet the Fourze Kamen Riders.

Whenua: I can't wait to see them again.

Nico: Same here, Whenua.

Woz: Rejoice! Another of the Malefic Villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider Allies: Kamen Riders OOO, Birth, and Aqua! May their alliance last until no living being holds desire!

Me: That is for sure but this was so awesome!

Turtle: It's fighting that Maki became the Dinosaur Greeed. Because he just became extinct!

Me: Yep.

Stonedozer: You said it!

Nico: And he got the black gates forever.

Crimson Dynamo: The Dino Fury Weapons Nico and the others got really came in handy.

Qin: They sure did.

Simone Yukimira: I'm really going to love it here with you guys.

Nikki Terrance: Same with me and sis.

Absorbing Man: You girls won't regret it.

Puff: Let's celebrate at Calvin's house!

We cheered.

Eiji: (To the viewers) Now we've seen the last of Maki and his evil plans. He will never terrorize the world again.

Qin: That's for sure.

Nico: But great job today everyone. This is number 3 of the Kamen Rider Missions done. Now it's time for Number 4 tomorrow.

Me: Yep. 3 down and 10 to go.

Nico: Lets go home.

We went back home and celebrated at Calvin's home and had pizza. Then we later went back home and enjoyed the rest of the day and went to sleep.

Meanwhile back in Japan, the Fourze Team was getting ready for our arrival.

Gentaro: I'm so excited about seeing our friends again!

Ryusei: Same here! It's gonna be awesome to see Whenua again.

Gentaro: It sure will. Lets get ready!

They flicked their switches.

Gentaro, Nadeshiko and Ryusei: HENSHIN!

They transformed and went at the screen.

TO BE CONTINUED!

# 13 Days of Kamen Riders 04 - Fourze

Walking down a tunnel in the Akihabara District of Tokyo was Nico, The Ripping Friends, Vinyl Scratch, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, Sailor Saturn, The 1983 D&D Gang, Nalanie Nanthavong The Vorash Gene-Slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth Chan, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading to the laboratory of Sailor Saturn's father Dr. Souichi Tomoe, a mad scientist who is possessed by the evil entity from the Tau Nebula, Pharaoh 90. It was time to put Sailor Saturn's dark past behind her. I was in my Super Angel Xelnaga form at full power and I was going to personally make sure that Pharaoh 90 never returns to harm anyone ever again.

Me: (Divine Echoing Cosmic Elemental Voice of Justice, Hope, Friendship and Love) **I'm sorry we have to do this to your own dad Hotaru. I know how much he means to you and with all the trauma you went through as the Sovereign of Silence it must be hard to face your dad like this.**

Sailor Saturn: It will be all right. As long as we get to save him.

Laney: We already have the Witches 5 in the Masters of Evil. But when we destroy Pharaoh 90 we'll officially destroyed all traces of Chaos from the universe forever.

Nico: Yes we sure will.

Vinyl Scratch: This is gonna be so awesome.

Nico: Thanks for coming with me, Vinyl.

Vinyl Scratch: Not a problem bro. It's gonna be awesome to hang with Linky and everyone.

Lincoln: Awesome having you with us Vinyl.

Lily: Yeah.

Nico: Vinyl, when we first met you, you couldn't talk.

Vinyl Scratch: I know and it was because I drank Ghost Chili hot sauce.

Qin: That was not a very smart thing to do.

Lola: No it sure wasn't.

Lana: Yeah.

Me: **It destroyed her vocal cords. But thanks to Lisa's awesome new Voice Box Choker she got her talking.**

Vinyl Scratch: It sure is awesome. And for the first time in years I can finally talk.

Varie: Yeah you sure can.

Lincoln: Rockin dudes.

Vinyl Scratch: Rockin.

Nico: Before that, you communicated through sign language.

Vinyl Scratch: I sure did and it was fun for a while.

Eli: It sure was.

Varie: I thought so too.

Sailor Saturn: I thought it was cool too.

Camie: Same here. Vinyl is also an amazing DJ. She knows how to put on an amazing Rave Party and dance groove.

Nico: Yeah that is so awesome.

Fluttershy: Those lasers and the music she has is amazing.

Me: **She sure knows how to get down and funky. Me and the Brave 12 found a Rave Party that was the work of Aku and it was both funky and awesome and hardcore.**

Fu: Boy I remember that. That was a hardcore day. We had to save hundreds of kids from an evil man that gave Rave Party masters everywhere a bad name.

Lily: That was so awesome.

Me: **It sure was.**

Nico: I can't believe so many medals came out of Maki.

Me: **That was the most we've ever collected.**

Lisa Loud: Indeed it was.

Me: But our entrance gave a lot of gold, jewels and coins to the people of Japan.

Eli: Lets not forget that I got tons and tons of gold, jewels, gems and coins when I beat the living crap out of Flip yesterday.

Me: **You sure did bro.**

Nico: Geez! I don't think I've EVER seen you that pissed off Eli.

Eli: Sorry about that Nico.

Nico: But he had it coming.

Lola: That was for sure.

Fu: Yeah he sure did.

Me: **Hotaru what can you tell everyone about your father as well as Pharaoh 90?**

Sailor Saturn: Well it's not a good sight. I had to endure a lot of hardships before I was purified.

Sailor Saturn told us all about what happened when she was going through with what her father did under the influence of Pharaoh 90 and more.

Pharaoh 90

**Pharaoh 90** is the main antagonist of *Sailor Moon S* . He is the supreme leader of the Death Busters.

Hailing from the Tau Nebula system as the source of the Daimons, his form amorphous in nature, Pharaoh 90 sought a new world to survive as his home world is dying due to the Tairon Crystal losing power. He sent the first of various Daimon Eggs to possess the human who becomes Magus Kaorinite, who gathers souls from Mugen Academy's student body with Doctor Tomoe's help to prolong the Tairon Crystal's life. Pharaoh 90 also sent a Daimon egg containing his partner Mistress 9 to Earth, though she remained in a comatose state within Hotaru's body until she stirs from being in contact with Chibi-Usa's Legendary Silver Crystal. After Mistress 9 eventually takes Chibi-Usa's soul and the Silver Crystal to serve as their new power source, Pharaoh 90 proceeds to force his way into Earth with the intention of the assimilating the planet. But Hotaru awakens as Sailor Saturn when Sailor Moon seemingly died in an attempt to stop him, with Pharaoh 90 recognizing her as the doom from his vision and is critically wounded as he attempts to escape back to the Tau System. But Sailor Saturn pursues him while having Sailor Pluto close the portal behind them, ensuring he could never return to Earth again.

Pharaoh 90 had Germatoid possess Doctor Tomoe, and his most powerful servant, Mistress 9, the Sovereign of Silence, possess

Tomoe's daughter Hotaru. Mistress 9 and the Bureau of Bad Behavior wanted the Holy Grail to awaken him, but Sailor Moon got it first.

Eventually Mistress 9 was able to get the Purity Chalice and awaken Pharaoh 90, who came to Earth. Sailor Moon attacked him, but he was unaffected and blasted her with a red energy wave. He also shot an energy wave at Mistress 9, but Sailor ;Moon protected her, as killing Mistress 9 would kill Hotaru as well. Pharaoh 90 began to bring the Silence about the world to destroy it. Hotaru was able to overpower Mistress 9 from within, destroying her, and awaken as Sailor Saturn. She attempted to destroy Pharaoh 90 from within by destroying his core, but was unable to. Sailor Moon received power from the other Sailor Scouts, transformed into Super Sailor Moon without the Purity Chalice, entered Pharaoh 90, and destroyed his core, completely destroying him.

Dr. Tomoe

**Professor Souichi Tomoe**, also called **Doctor Tomoe**, is one of the two central antagonists (alongside Mistress 9) in Infinity Arc of the manga series *Sailor Moon* and season three of its anime adaptation *Sailor Moon Crystal* . He is the acting leader of the Death Busters.

In Japanese, he was voiced by Akira Kamiya in Takuya Kirimoto in *Pretty Guardian Sailor Moon Crystal* . In English, he was voiced by Keith Silverstein and Jeff Lumby.

Tomoe was a good scientist who was forced out of the scientific community for inappropriate experiments, selling some of these findings to purchase property that served as the basis for Infinity Academy where he continued his research. But a Tomoe was horrified when his wife Keiko and Hotaru were caught in a lab explosion caused by a bolt of lightning that contained the Daimon Eggs of Pharaoh 90. His wife already dead, Tomoe attempted to save Hotaru's life by converting her into a cyborg, selling his soul to Pharaoh 90 to give his daughter new life. Tomoe became a Daimon's vessel from here, attempting to create "Superior Beings" from hybridizing human and Daimons. He eventually assumed his monstrous form Germatoid before was put to rest by Sailor Moon's

Rainbow Moon Heart Ache.

Germatoid

**Germatoid** otherwise known by his stolen identity **Doctor Souichi Tomoe** is one of the two central antagonists (alongside Mistress 9) of *Sailor Moon S*, the third season of the *Sailor Moon* anime based on the manga series of the same name.

Following a lab explosion which greatly wounded both him and his daughter Hotaru Germatoid offered Dr. Souichi Tomoe a second chance at life and protection for both he and his daughter under select conditions, desperate and uncaring of the conditions Tomoe accepted his deal instantly for Hotaru's sake, as such Germatoid possessed his body. From here he acted as the leader of the Death Busters and was tasked with searching for the Purity Chalice so he could awaken Pharaoh 90. To do this, he would need to find three treasures located inside the Pure Hearts of three people. He sent his assistant Kaorinite to find them, but she never did, and was killed by Sailor Uranus.

From here, he began creating more powerful Daimons inside a Heart Snatcher oven, and sent Eugeal of the Witches 5 to search for the three Pure Hearts. Soon she found them inside Sailor Neptune and Sailor Uranus, with Sailor Pluto's crystal ball being the third, and the Purity Chalice appeared. However, Sailor Moon got this, and Eugeal was killed by Mimet, the second of the Witches 5, who then took over for her to extract Pure Hearts to feed to Mistress 9, who was possessing Hotaru, whom Germatoid had chosen to be Mistress 9's host.

Soon, Mimet and the other witches were killed, but Kaorinite captured Rini and Mistress 9 took her Pure Heart to awaken in her true form. She sent Tomoe over to fight Sailor Uranus and Sailor Neptune, where Germatoid left him and was later killed by Sailor Uranus.

Mistress 9

Mistress 9, also known as the Sovereign of Silence, is one of two central antagonists (alongside Doctor Tomoe/Germatoid) in Sailor

Moon S. She is also known as the Dark Messiah and the Messiah of Silence. She is Sailor Saturn's arch-nemesis.

In Japanese version, she was voiced by Yūko Minaguchi and Yukiyo Fujii. In English, she was voiced by Jen Gould and Christine Marie Cabanos.

Originating from the "Tau Ceti Star System", spawned from the essence of Pharaoh 90, the Daimon Egg containing Mistress 9 was implanted by Professor Tomoe in the cybernetically modified body of his revived daughter Hotaru. As a result, Hotaru's body was frail and prone to seizures due to Mistress 9 momentarily taking over her host to relay orders to her subordinates.

But once ready to fulfill her mission, Mistress 9 takes complete control and altered Hotaru's body structure to an adult-like appearance while taking Chibiusa's Legendary Silver Crystal for her use in summoning Pharaoh 90 to Earth.

But as she needed to leave her host body to rejoin her creator to complete the ritual, Mistress 9 found Hotaru keeping her from leaving her body. But ultimately, Mistress 9 succeeds in ripping out of her host and melting back into Pharaoh 90's being when he begins to flood into Earth. But Hotaru resurrects as Sailor Saturn, driving Pharaoh 90 back to his galaxy white Sailor Pluto sealing the portal behind him.

*Sailor Moon S*

Tomoe's daughter Hotaru was chosen to be the one possessed by Mistress 9, who then commanded him to extract Pure Hearts to find the Purity Chalice so she could awaken her master, Pharaoh 90. Once Sailor Moon got the Purity Chalice, Mistress 9 commanded Tomoe to extract Pure Hearts to feed to her. Eventually, Kaorinite brought her Rini, and she ate her Pure Heart and awakened in her true form. She then killed Kaorinite with a lightning bolt, as she did not need her anymore. She sent Tomoe after Sailor Neptune and Sailor Uranus when they entered, resulting in Germatoid leaving Tomoe and being killed by Sailor Uranus.

Mistress 9 tricked Sailor Moon and the un-possessed Doctor Tomoe into giving her the Purity Chalice, and she used it to summon Pharaoh 90, destroying the Purity Chalice. However, Hotaru was able to fight her from within, and overpowered her with her memories of her father and Rini, destroying her completely.

When she was done we were all shocked and extremely HORRIFIED!

Me: **My god. Pharaoh 90 is pure evil.**

Laney: That us awful!

Nico: Yeah. But we got to save him.

Me: **Pharaoh 90 is making him do all this against his will. No more.**

Qin: Yeah he must be stopped and fast.

Me: **Big time. This is the final remnant of Sailor Chaos that we have to take down.**

Lola: Yeah.

Me: **We sure can.**

Nico: Our next target is Mitsuaki Gamou. He's honestly my only favorite among the villains in Dai Shocker.

Me: **If he's one of your favorites then he will be perfect for the M.O.E.**

Qin: I agree there.

Rarity: Oh Nico will love having that one put in with our frenemies darlings.

Sailor Saturn: He sure will.

Vinyl Scratch: Yeah.

Nico: But what's your opinion of him, J.D.?

Me: **Well let me see here.**

I pulled up his info.

---

Mitsuaki Gamou, also known as the Sagittarius Zodiarts, is the chairman of the Amanogawa High School School Board and the main antagonist of Kamen Rider Fourze. He is the leader of the Horoscopes and the one who is responsible for the distribution of the Zodiarts Switches in order to find users for all twelve Horoscope Switches. Once all twelve Horoscope Switches have users, Gamou will be able to complete the Day of the Awakening and make contact with the Presenters.

He was portrayed by Shingo Tsurumi.

During the summer of 1969, in conjunction with Apollo 11 beginning its exploration, Gamou made contact with a mysterious alien race called the Presenters and promised to meet them someday. Gamou later became an astronaut in OTSO and researched the powers of Cosmic Energy with his colleagues Rokuro Utahoshi and Kuniteru Emoto.

20 years prior to the series, Gamou and Rokuro discovered the Core Switch created by the Presenters and began working to reverse engineering the Core Switch. However, the two undertook very different routes from each other in this process, with Gamou creating the Cosmic Switch as the basis for a system that would forcefully evolve the human body in seconds to be able to withstand space while Rokuro researched a safe transwarp system which would take years after he was dead to be complete. Their differing ideas would lead to their friendship withering and eventually, three years after finishing the Switches, Gamou had Emoto steal the Zodiarts Switches from Utahoshi before the OSTO Space Station exploded.

10 years prior to the series, with funding from Foundation X, Gamou built Amanogawa High School directly under an atmospheric vortex known as The Hole, using the conditions to create the twelve

Horoscopes switches so he could execute the Day of Awakening to reach the Presenters at the cost of the Earth's destruction.

Gamou observed from the background as Libra Zodiarts, Kouhei Hayami and Scorpio Zodiarts distributed Zodiarts Switches to the students of AGHS. After Sarina Sonoda, the Scorpio Zodiarts, failed to defeat Fourze as Scorpio Nova, Gamou confiscated her Zodiarts Switch, but gave it back to her after she convinced him to give her a second chance. However, after Sonoda was defeated again by Kamen Rider Meteor and almost had her identity uncovered, Gamou tells her she is of no more use to him and has Virgo Zodiarts banish her to the Dark Nebula. Gamou later has her disappearance covered up saying she had to leave due to health problems.

After Kouhei Hayami/Libra Zodiarts was defeated by Fourze, Gamou was prepared to have Virgo banish him to the Dark Nebula, but stayed his hand when the principal manifested the Eye of Laplace ability. Gamou ordered him to seek out the remaining Horoscopes so the timetable for their further plans could be accelerated.

After Tomoko was sent into the Dark Nebula, Emoto told Gamou he would deal with the rest of the Kamen Rider Club once they had served their purpose. Gamou then transformed into the Sagittarius Zodiarts to the awe of his subordinates and proclaimed he would eliminate the group should they fail. After discovering that Emoto had been providing assistance to the Kamen Rider Club as Tachibana, Gamou transforms into Sagittarius and fatally wounds him as well as overpowering Fourze and Meteor. Returning to his lair, Gamou laments losing his last true friend.

Gamou later recruited Dark Yuki as the Gemini Zodiarts, sensing a kindred spirit within her as Yuki had also heard the Presenters calling to her. Following Dark Yuki's destruction, Gamou began to suspect that Kengo was the holder of the Core Switch.

After Ran Kuroki was identified by Hayami as the final Horoscope, Gamou revealed himself to the Kamen Rider Club and formulated a plan with Hayami to get Ran to use to Horoscopes Switch by having Hayami fake a defection. The plan succeeded and with all twelve Horoscopes found, Gamou prepares to execute the Day of Awakening. However, Gamou discovers that while it is happening he is open to attack. Fourze attempts to defeat Gamou with a Super Galaxy Finish, but Hayami blocks the attack and is killed instead.

However, Kengo's Core Child powers fully manifest and render Gamou unable to use the Horoscopes Switches. After having Leo to attack the Rabbit Hatch to lure out Kengo, Gamou destroys the Core Switch sustaining Kengo's life, resulting in the death of the Core Child.

After announcing the end to the entire school on the first day of the spring semester, Sagittarius Nova has a final confrontation with Kamen Rider Fourze. Sagittarius Nova fights Fourze in his various forms before their fight leads them to the school gym where the Kamen Rider Club members hold a "graduation ceremony". Sagittarius Nova is finally defeated by Fourze's Youthful Galaxy Great Great Great Drill Kick attack. As Gamou's body begins to dissolve into stardust, Gamou finally accepts Gentaro's friendship and asks Gentaro to take his place in meeting the Presenters. Gamou then uses the Aquarius Switch to recreate the Core Switch and revive Kengo. Gamou apologizes to the Presenters that he could not keep his promise but tells them that his students will come to them in his stead before evaporating in a plume of red Cosmic Energy.

The Sagittarius Zodiarts was one of the revived monsters in the Space Shocker army. During the battle against the combined army of Kamen Riders, Super Sentai teams and Space Sheriffs as they approached the Genmu Castle, Sagittarius was seen fighting Gokai Red.

In the alternate timeline caused by by Shocker rewriting history with their History Modifying Machine, Sagittarius Nova was among the many monsters that served the evil organization after it achieved global dominion. During the final battle against the Kamen Riders, Sagittarius Nova initially faces Fourze. However, after he is erased by the Rider Robo, Sagittarius fights Zeronos instead and is destroyed by Zeronos Zero Form's Full Charge.

When it was done we were shocked!

Me: **Whoa! Well at least he showed some remorse. But I did not expect the Gokaigers to help out. That is awesome.**

Eli: It sure is. The Japanese Super Megaforce Rangers helped out.

Qin: They sure did. That is cool.

Me: **But my opinion is this. He may have done some terrible things in the past but he is definitely worthy of joining our frenemies later on when we face him.**

Nico: Good call.

Vinyl Scratch: Yeah he was awful at first but at least he realized what he was doing was wrong.

Nico: In fact, I got a feeling he might meet with me before the usual battles.

Me: **I got that feeling too. But I better go with you just to back you up.**

Nico: Okay.

Me: **And since we're doing a space theme battle I know just the place for the battles with Sagittarius and whoever else is with him.**

Nico: I have a feeling it's gonna be good.

Me: **Yep.**

Sailor Saturn: This is it.

We went over to a wall and she went over and pressed a button and activated a door and it opened.

Me: **Very genius.**

We went through a hall.

Nico: Gentaro will be happy to be in space either way.

Me: **So will Ryusei and Nadeshiko.**

Qin: Yeah.

Sailor Saturn: Father's lab is down this hall.

Me: **Okay. I wish Spymaster was here so he can disable the security systems.**

Nico: Yeah.

But little did we know that Spymaster WAS actually there and hiding in the shadows as he disabled the security systems.

We arrived at a door and it had a black star on it.

Nico: This it?

Sailor Saturn: Yep.

Me: **All right then. Lets get ready.**

Qin: Here we go.

Dr. Tomoe was working on his latest project for trying to bring forth Pharaoh 90 when suddenly…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and fireballs rained down and destroyed all his papers and work! Then a phoenix cry was heard and we came out!

Me: **Dr. Souichi Tomoe, I presume?**

Dr. Tomoe: Team Loud Phoenix Storm!? What are you doing here!?

Me: **What else? To stop you from destroying the world.**

Sailor Saturn: Father you have to stop this madness right now!

Dr. Tomoe: And why would I do that Hotaru?

Sailor Saturn: Because this is not something that I would want. Think about what you are doing! Would mom want this from you?

Dr. Tomoe was then thinking about what Sailor Saturn said.

Me: **Dr. Tomoe you have to realize what you are doing. Pharaoh 90 is using you! You are nothing but a pawn all for Pharaoh 90's own sick game to destroy the world. Once he is done with you after getting what he wants, he will destroy you. This is not what Hotaru would want. You are a good man doctor. Think about what you're doing doctor. Before that explosion killed your wife and hurt Hotaru you were a really good man. But then Pharaoh 90 came and then that lightning strike caused your lab to explode. And then everything changed after that. Pharaoh 90 poisoned your mind with lies and you were killing hundreds of innocent people all for his own sick game!**

Laney: That's right doctor! Pharaoh 90 is using you to do his dirty work!

Nico: Just like how Dartz did!

Qin: You have to stop this madness now!

Lola: Before it's too late!

Dr. Tomoe then realized what he was doing and then he clutched his head in pain as he was fighting Pharaoh 90's influence!

Spymaster: Hey, guys.

Nico: Spymaster! We were just talking about you!

Spymaster: (laughs) You didn't think I'd pass up the chance to hack into complex security systems like this?

Nico: Not at all.

Me: **Fight it doctor!**

Sailor Saturn: You can do it father!

He was screaming.

Spymaster: What's happening to him!?

Me: **He's trying to get rid of Pharaoh 90. But he's not going down without a fight!**

Qin: We got to help him!

Nico: I got this.

Nico fired a beam of light and it hit Dr. Tomoe and expelled the evil of Pharaoh 90 inside of him!

Varie: That did it!

Dr. Tomoe was back to normal but he was really hurt and Varie went over and brought him over to us.

Me: **It's not over yet!**

We saw Pharaoh 90 take form and he looked like a pitch black man with black tentacles all over him and he had evil glowing green eyes and a sinister wicked grin!

Me: **Now that is ugly!**

Qin: Yeah!

Nico: His power is unreal! Now I see what Sailor Moon and the others were up against when they faced him.

Me: **He's pure evil! Lets take this fight to another planet before someone gets hurt.**

Nico: Good idea.

I snapped my fingers and we were on the canyon planet YARLUNG!

Located in the Antennae Galaxies approximately 45 million lightyears away from Earth, it orbits around Twin Red Dwarf Stars. Yarlung is home to the longest and deepest canyons in the universe.

Pharaoh 90: (Demonic Voice) **So this is where you have chosen for your final resting place.**

Me: **It's not gonna be our resting place. It's gonna be YOURS!**

Nico: We will never forgive you for everything you have done!

Me: **You are going to pay for all your crimes!**

Kaito: (Gets out OOO Gear) Time to start things off!

Zocks: (gets out Fourze gear) I think this Gear's appropriate for today.

Zocks got a planet sword and Kaito got a Core Medal Sword!

Pharaoh 90: **Time to die!**

Me: **GO TO HELL!**

I teleported and kicked him in the face and smashed him into the ground! I fired waves of energy and blasted him all over the place with incredible power and massive fiery explosions blasted out all over as he was hit by them.

He got up and went at us and I kicked him in the face and he sent his tentacles at us and I slashed them and burned them off!

Nico: With those tentacles, you'd make a living on a hentai site!

Nicole: Nico don't make me hurt you.

Nico: (Sheepishly) Sorry.

Me: **FIST OF THE MORTAL FLAME!** 邪王炎殺黒龍波

I fired a powerful blast of fire from my fist like a Flamethrower and it hit Pharaoh 90 and burned him all over the place.

Nico: YEAH!

Me: **Take that!**

Nico: J.D., wanna use your Gaia Sword now?

Me: **You bet I do.**

I pulled out my Gaia Memory Sword and used the Gaia Memories of Cyclone Dopant, Xiao Fung, Xaldin, Stratos, Kite Man, Whirlwind, Vulture, Windfall, Whirlin and Storm Eagle and I got a blade made of pure wind!

Spymaster: Oh that is amazing!

Nico: It sure is! Typhoon Sword power!

Nico used his scythe and he used the core medals for the same M.O.E. Members and got a scythe blade made of pure wind!

Nico: Awesome! Hurricane Scythe.

I slashed Pharaoh 90 and cut him all over and Nico slashed him and blew him all over.

Nico: Did that blow you away?

Pharaoh 90: **No one makes a mockery of me!**

Me: **Then this will make sure you pay for everything you did!** (Cups hands) **KAAAAAAAAAAA MEEEEEEEEEEEE HAAAAAAAAAAAAA MEEEEEEEEEEEEEE!**

I formed a massively huge Rainbow Kamehameha Wave and then…

Me: **HAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired it and it completely enveloped Pharaoh 90 and obliterated him in an instant and destroyed him and banished him to the Black Gates for all eternity! The blast went up into space and vanished harmlessly!

Nico: That did it! His energy signal completely vanished!

I powered down.

Me: Good riddance.

Sailor Saturn: It's finally over. My dark past is gone.

Nico: We should get back to Earth. The Next Another Omnitrix Alien is probably waiting for us.

Me: Agreed.

We teleported back and we were in Dr. Tomoe's lab.

Me: First lets gather Dr. Tomoe's research. The Masters of Evil can use this to have the monsters he made serve them.

Spymaster: That's not a bad idea.

We picked up all his documents and files.

Nico: Wow look at all this. He was really messing with fire big time.

Me: No kidding.

I read some of the files.

Me: These are all creatures that even Shanan would know about.

Nicole: Yeah this is amazing.

Eli: Wow. Dr. Tomoe was really messing around with the laws of nature big time.

Qin: Yeah he sure was.

Me: It all may have been unforgivable but it was all against his will.

We gathered up all his research and even test tubes and more.

Eli: (Senses Something) Here it comes.

Albedo: Uh oh.

Negative Omnitrix: Corrupted Celestialsapien DNA Detected.

Me: Uh oh.

Nico: Oh crap!

Out came a blue version of a Celestialsapien and it was a female Celestialsapien!

Me: WHOA! Another Alien X!

Albedo turned into Negative Alien X.

Maria: How are you in control of that form?

Negative Alien X: (sheepishly) Obadiah and Evil Jimmy might have pulled some strings to help me gain full control.

Me: Interesting.

Nico: But who is our Celestialsapien friend?

Another Alien X: (Cosmic Voice) J.D. would know as he knows my sister.

Me: That voice. Celeste Shirayuki?

Another Alien X: It's good to see you again J.D.

Me: You too Celeste.

Nico: You know her?

Me: I sure do. Celeste is Mizore's half sister. She is half fire elemental and half snow woman. She is also a Ninja. She doesn't come from a Hidden Village. She likes being a ninja and she has all sorts of amazing powers over fire and ice.

Girl Jordan: Wow! That is amazing!

Nico: It sure is!

Lola: Yeah!

Me: I take it you heard about everything your sister went through.

Another Alien X: I sure did J.D. and what happened to her was horrible.

Me: It was.

Nico: What did Swartz promise you?

Another Alien X: I was promised to be reunited with my sister.

Me: We have your sister with us. She joined the team 5 years ago.

Another Alien X: Wow. I now see that Swartz lied to me.

Me: He lied to everyone. He is a heartless manipulator.

Qin: Yeah. We're going to kill him on August 12th.

Lola: Yeah we sure are.

Another Alien X: I see. Well then lets get it on.

Me: Sorry about this Celeste. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Another Alien X just flicked her hand and Nico was sent back into a wall.

Nico: (groans) So, this is what it's like to be on the receiving end of omnipotent power.

Me: Celestialsapiens have that level of power.

May: You okay Nico?

Nico: Nothing I can't handle.

Me: Good.

Another Alien X: Sorry Nico.

Nico: It's all right.

Me: But you are the strongest Another Omnitrix Alien we have encountered.

Vinyl Scratch: You sure are. (Activate's Metal Sonic's Ridewatch)

(SANDSTORM BY DARUDE PLAYS)

Vinyl Scratch spun like a sawblade and smashed into Another Alien X and smashed her down.

Qin: YEAH!

Me: That was cool!

Another Alien X got up, raised 1 finger, and I went flying through the roof.

Nico: We are not going to react badly to this, FYI.

Me then appeared behind her and slashed her back and kicked her down.

Nico: Whoa!

I showed a log that went through the roof.

Nico: Praise the log!

Fu: Amen!

Another Alien X: Amen!

Nico: (takes out Living Laser's Ridewatch) Alright, Laughing Girl. Try to stop this!

Nico danced and fired waves of blue lightning and smashed Another Alien X down.

Me: And try this one. (ACTIVATES RAINBOW RAIDER'S RIDEWATCH)

(WALKING IN THE AIR BY CELTIC WOMAN PLAYS)

Me: (SINGING DIVINELY AS RAINBOWS SWIRLED AROUND ME)

Walking in the air, floating the sky

Floating in the air

We're walking in the air

We're floating in the moonlit sky

The people far below are sleeping as we fly

We're holding very tight

I'm riding in the midnight blue

I'm finding I can fly so high above with you

Far across the world

The villages go by like trees

The rivers and the hills

The forest and the streams

Children gaze open mouth

Taken by surprise

Nobody down below believes their eyes

We're surfing in the air

We're swimming in the frozen sky

We're drifting over icy

Mountains floating by

Suddenly swooping low on an ocean deep

Arousing of a mighty monster from its sleep

We're walking in the air

We're dancing in the midnight sky

And everyone who sees us greets us as we fly

I fired waves of rainbows and they hit Another Alien X and smashed her all over.

But then a storm flew in and then a dragon came in! It was a TEMPEST DRAKE!

Nico: A Tempest Drake!

Tempest Drake then blasted Another Alien X down and I got the ridewatch and purified it and Celeste was back to normal and she was a girl with purple hair and had red and blue clothes and had one angel wing made of fire and another wing made of ice and I picked her up and then we ALL GOT Alien X's power!

Nico: WHOA! So that's what it's like to be imbued with the powers of a god.

Qin: Incredible!

Me: Celeste are you okay?

Celeste Shirayuki: (GROANS) What a huge headache. But I think I'm okay.

Me: Good.

Tempest Drake: (in a girls voice) Thank goodness for that.

Nico: Aria Seleneia! Wow!

She reverted back and Aria was a girl dressed in all purple clothes and had purple hair and purple eyes.

Aria Seleneia: That was awesome and it's awesome to see you again Nico.

Nico: You too Aria.

Qin: You are looking awesome.

Aria: Thanks Qin.

Vinyl Scratch: What's your favorite memory of Nico?

Aria: I have tons of them but my favorite is when me and Nico were in science class and we were making an artificial tornado potion. We perfected it and then we found a bully punching a nerd and then we tested it by pouring one drop of it down his pants with an eyedropper and then he spun around so fast that he was made really dizzy and then he threw up on his girlfriend and she pulverized him into a brutal pulp. They were both expelled.

We laughed hysterically at that.

Me: Whoa that is funny.

Vinyl Scratch: That is really funny.

Laney: It sure was.

Nico: A great experiment.

Nico and Aria hugged.

Nico: I've missed you.

Aria: Me too Nico.

We later went back home and we got Dr. Tomoe to the infirmary and Celeste was reunited with her sister Mizore.

Lincoln: That's right, Nico. And thanks for joining us, Sam.

Sam Sharp Loud: You're welcome, Lincoln.

Luna: I was surprised you asked Sam to join, dude. Plus, I don't think Majora is asked by our next Kamen Rider targets to cause havoc.

Lincoln: I was about to say, Luna. But, either way, he's still going down.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Majora who's taken on the form of Majora's Wrath, and he's going to kill them.

Lincoln: Guys, I found the four girls, but they've been cornered by Majora who's taken on the form of Majora's Wrath, and he's going to kill them.

?: Let's put an end to that dark being once and for all!

Suddenly, we saw Earthbound Immortal Xolotl, appear before us.

Nico: Whoa, that's the Dragon Earthbound Immortal Xolotl, wicked.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Demona Wendollstein, but we'll have to talk later, we've got to deal with Majora.

We rush on over and Lincoln fired powerful rainbow energy balls and elemental forces at Majora, and it allowed the four girls to get away. When Majora saw us, he was enraged.

Lincoln: Time to put an end to your reign of evil once and for all, Majora.

Then, Lincoln fired blades of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and as they hit and pierce Majora in his black heart, they exploded with incredible power and it killed him, and Majora's evil spirit was erased by The Black Gates for good. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that monster, Majora. (To Demona Wendollstein) And it's so good to see you again, Demona Wendollstein.

Demona Wendollstein reverted back to normal, and she's a beautiful girl with long flowing black hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with red tips, and she reigned in the power of Earthbound Immortal Xolotl, and she's dressed in a black sleeveless open blouse, sleeveless black midriff top, black jewel-studded skirt, black stockings with black lace, black knee-high boots, and long sleeveless black trenchcoat with black flames and dragons on the coattails, and Earthbound Immortal Xolotl on the back, and holstered on her back a large Earthbound Immortal Xolotl-themed greatsword with Earthbound Immortal Xolotl etched on the 7'0" massive, wide, double-edged black blade, black angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by black angel wings for the pommel.

Demona Wendollstein: You too, Lincoln, it's been a long time.

Lincoln went up to Demona Wendollstein and they hugged, and Demona Wendollstein's very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Demona Wendollstein: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Demona Wendollstein, she's one of my Guardian Angels from Michigan, she has the power to use black fire and she has an amazing power that causes her enemies' worst fears to be brought to life, and because of that, she's been given the moniker: Demona, The Empress of Nightmares.

My jaw and Nico's hit the floor when Lincoln told us that.

Nico: Whoa, now that's a really scary moniker, and that power she has to cause someone's worst fears to be brought to life, that's even scarier.

Demona Wendollstein: That's right, and this one time, I brought the fears of one of Lincoln's worst enemies to life and it scared her so badly that she was traumatized forever and sent to a nuthouse for the rest of her days.

We gasped.

Me: Oh, this is something we're going to love hearing.

Nico: Same here.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Demona Wendollstein's neck with red gems on the gold thunderbolt links and black crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Demona Wendollstein: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Demona.

Demona Wendollstein had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Demona Wendollstein's waist and Demona Wendollstein wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Demona Wendollstein's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Li Meifon, Valeria Vertone, and Elizabeth Aihara Chang from Angel Links, and Valerie Blaylock from the Trauma Center video game.

Lincoln: Oh wow, it's Li Meifon, Valeria Vertone, and Elizabeth Aihara Chang from Angel Links, and Valerie Blaylock from the Trauma Center video game.

Me: Awesome.

Lincoln: Are you girls okay?

Li Meifon: Yes, we're okay, thanks to you.

Then, when Li Meifon and the other three girls saw who it was that saved them from Majora, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Li Meifon: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Li Meifon: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Li Meifon, Valeria Vertone, Elizabeth Aihara Chang, and Valerie Blaylock with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after in Hyrule was Majora.

But, when Lincoln showed what we did to Majora, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Demona Wendollstein have a lot of catching up to do now that she's back in town. But, Majora still has one last trick up his sleeve, but we'll be ready.

---

After destroying Majora in Hyrule, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Demona Wendollstein saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Demona Wendollstein: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Demona, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Demona Wendollstein: That's incredible.

Nico: It sure is. So, Demona, what's the whole story on what you did in bringing the fears of one of Lincoln's worst enemies to life which scared her so badly that she was traumatized forever and sent to a nuthouse for the rest of her days?

Demona Wendollstein: You're going to laugh your head off for this one, Nico. You thought Chandler, Pablo, Anderson, and Dustin Keystone were some of Lincoln's worst enemies, you may want to add this bitch onto the list of Lincoln's worst enemies: there was a girl in our school who was really bad to the bone and enjoyed making Lincoln's life and the lives of others a living Hell, her name is Narcissa Belladonna. She was the meanest, sadistic, bloodthirsty, and psychopathic bitch that anyone has ever known, and even worse, she's the older sister of Jocasta Belladonna of The Church of Necrom.

We gasped in pure shock, especially the Dark World Goth Girls.

Clara St. Clarice: So, that fucked-up bitch, Jocasta Belladonna, had an older sister. I thought Jocasta murdered everyone in her family when Damian Alaister and those other fucked-up bastards killed their families during their dark ritual years ago.

Demona Wendollstein: Not exactly, Clara. You see, I was getting really tired of Narcissa tormenting and trying to kill Lincoln to slake her bloodlust and appetite for cruelty and chaos, so I decided to step in and I used my power to make her worst nightmare come to life: and her worst nightmare was that no one was quaking in fear before her anymore and they were all standing up to her, and even worse, her own parents have disowned her and they had her arrested and thrown in jail. Those fears got to Narcissa and she was completely traumatized forever, and because of it, she was then sent to a nuthouse for the rest of her days, thus I earned the moniker: Demona, The Empress of Nightmares. And it scared Chandler and Dustin Keystone, who wanted to kill Lincoln to slake his thirst for blood, so badly, they backed off, but those idiots won't learn.

We cheered wildly for what Demona Wendollstein did to Narcissa Belladonna.

Nico: That was really awesome, Demona. You sure are The Empress of Nightmares.

Brittney Knudson: I wonder what'll happen if the both of us teamed up.

Lincoln: Whoa, The Empress of Darkness and The Empress of Nightmares, bastards beware!

Me: You said it, and your enemies better watch it, Linc, now that Demona's back, The Empress of Nightmares is coming for them!

Eli: Awesome.

Nicholette Torrington: We saw what Demona did to Narcissa, and it was awesome. Plus, when that witch, Jocasta Belladonna, found out that her sister was traumatized forever by Demona and sent to a nuthouse for the rest of her days, it pissed her off really badly and she wanted revenge. But, that witch knows what'll happen if she crosses Demona Wendollstein.

Clara St. Clarice: Yeah, but in the end, she and the rest of The Church of Necrom paid the price for all their crimes.

Nico: With The Black Gates, but we still got The Return of The

Doomsday 23 to deal with, along with Evil Starlight Glimmer.

Ken Knudson: Thanks to those Satanic demon Goths from Hell, no doubt, but their contingency plans were brought to an end thanks to Lincoln.

We then got a shower afterwards, and then, Lincoln, his harem, and his kids were off to Western Land in the world of Mario for an awesome family time western style. Lincoln, his harem, and his kids were on horses for this adventure.

Applejack: Hoowee! What is this place, Linky?

Lincoln: This, Applejack, is Western Land in the World of Mario. I figured it'd be perfect for our family outing. Shall we mosey on into town?

Lincoln, his harem, and his kids arrive in Western Land, and it was an amazing western-style town, and they had a lot of fun there, plus they also heard of a rotten varmint robbing the bank, so they were deputized, and they rode to confront him. Lincoln heard the sound of rustling, and he fired a rainbow energy lasso and captured the varmint in question: it was Yosemite Sam, and he was robbing the Koopa Bank. They rode back into town with the captured Yosemite Sam, and he was then handed off to Vypra, who had him thrown back into The Masters of Evil's prison, if he was to get control of his bad habits. Then, as the sun was about to set, Lincoln made clones of himself, and they went up to the girls in his harem and they wrapped their abnormally massive and powerful muscular arms around the girls' waists and they wrapped their arms around the thick muscular necks of Lincoln and his clones, and they kissed passionately as the kids cheered for them all. Then, they came back home to the World Tree Estate.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was so awesome, Nico, we went to Western Land in the world of Mario, and we not only had a lot of fun there.

Applejack: But, we also stopped a nasty varmint who was robbing the Koopa Bank, and we saw who it was robbing it: Yosemite Sam

again.

Me: Should've known that mustachioed, pint-sized, bad-tempered varmint was at it again.

Lincoln: Yep, but we not only stopped him, but we also returned all the money he stole to the bank, and we also handed Yosemite Sam back to Vypra who tossed him back into The Masters of Evil's prison and we got him steaming mad again.

Nico: Yeah, we heard his yells from here in the World Tree Estate, and he's really steamed at you guys for stopping him again.

Lincoln: Whenever Yosemite Sam tries to rob a bank, we'll be there to stop him.

---

Later in the park we were there for an awesome Bonding Time.

Nico: Bonnie, you and Fi are up for bonding time.

Bonnie Terrez: Awesome! This will be a good time for us to tell you about what all my friends went through.

Fi: I can't wait to hear it.

Me: You'll love it Fi. We actually met lots of legendary creatures.

Fi: Wow!

Bonnie Terrez: Yeah they sure have.

Nico: Fi, how did you and Bonnie first meet?

Me: That's what I was wondering myself.

Fi: Well we met on an internet chat room. It was about 3 years ago. We met and became good friends and then we upgraded to video chat. We became awesome friends and told everyone about what we went through. But then the connections stopped until J.D. found her and we resumed talking 3 days after that.

Bonnie Terrez: Like Cornelia and Megan, me and Fi have been best friends long before we joined the team.

Fi: That's right.

Bonnie Terrez: And now that I have the powers of a Dragonair I can control the weather too.

Nico: Yep.

Fi: That is so awesome.

Bonnie saw 2 people baking in the heat.

She formed a small raincloud over them and it rained and they sighed in relief.

Nico: That is awesome.

Me: It sure is. I think it's awesome.

Nico: Bonnie helped you and your friends on many of your adventures, right?

Fi: She sure did and we saw many awesome things. We saw demons, angels, spirits, ghosts, werewolves, and many things.

Laney: Wow that is scary.

Me: It sure is. But like I told you and your friends, me and my team are all no stranger to the worlds of the Supernatural, Paranormal, Mystical, mythological, spiritual and demonic.

Fi: That's true you guys have been to so many places including Hell.

Me: That's right.

Qin: It was all an amazing adventure.

Me: One of these days I should introduce you to the Halliwell Sisters and their friends.

Nico: The Good Witches of Charmed?

Me: Yep. They taught me a lot about magic.

Brittney: I know the Halliwell Sisters. They are awesome with their skills of magic and like Fi and Bonnie and friends they have done all sorts of things and saw it all over the years.

Bonnie Terrez: That's right.

Nico: Fi, when you and your friends turned into dogs, what sensations did you girls feel?

Fi: I started feeling itchy and then I felt hairy and then turned into a dog but that's it.

Me: Good thing we saved you guys.

Nico: Yeah.

Fi: But that happened to us two times now.

Nico: Yeah. It sure did.

Bonnie Terrez: But to be honest Fi, you looked so cute as a dog.

Me: All your friends looked so adorable as dogs.

Nico: Yeah.

Fi: (LAUGHS) I'm glad you liked that.

Maria: What sensations did you girls feel when you turned back into humans?

Fi: The same things.

Me: But at least you're all cured now.

Sunny Starscout: I just can't believe that Dr. Daily did all that to you.

Nico: No kidding there.

Qin: Yeah she was a heartless monster.

Eli: Makes me sick.

Fi: The first time, I thought me and Tim would have something going on. But after he got cured, he didn't remember a thing.

Me: Weird.

Nico: Like everything that happened with him and you was erased.

Bonnie Terrez: Yeah I don't know how that happened but somehow it did.

Sunny came up to them.

Sunny Starscout: Want some smoothies?

Bonnie Terrez: Oh thank you Sunny.

They took the smoothies and drank them.

Bonnie Terrez: (SLURPS) Mmm! These are really good.

Me: Sunny makes the best smoothies in Maretime Bay.

Izzy Moonbow: Boy she sure does. It's really awesome.

Zipp Storm: I think they are awesome too.

Twilight Sparkle: They are delicious.

Nico: I've got a feeling more of your enemies might show up.

Fi: And we'll be ready for them if they do.

Me: Yeah. But Whenua I'm really excited for the mission for you today.

Whenua: Me too J.D. It's gonna be so awesome seeing Gentaro and everyone again.

Twilight Sparkle: It sure will be awesome. Gentaro's views on Friendship are so inspirational.

Nico: They sure are.

Me: But I'm worried how Ryusei will react when we show him the Non-Core Astroswitches we got. We showed Gentaro the Core Astroswitches but not Ryusei for the Non-Core.

Nico: Boy I have a feeling it's gonna be infuriating.

Nico then got the feeling that we were being spied on.

Nico: You guys get the feeling we're being watched?

Me: Hmm.

Eli: (Senses Something) Uh oh. We got company.

Eli fired a blast of Force Lightning and it hit a bush and electrocuted a figure and out came a scary version of Donbrothers Red! It was ANOTHER DONBROTHERS RED!

Me: I had a feeling this one would show up eventually!

Nico: Another Donbrothers Red!

Me: If Taro Mamoi saw this one he would be mondo pissed!

Another Donbrothers Red: (In a girls voice) How would you know? After all, he and his team are still in the middle of their business.

Me: (GASP) That voice!

She reverted back and it was a girl I had not seen in ages. She had blond hair and blue eyes and dressed up in really nice clothes that were really sparkling and had beautiful blue sparkling angel wings.

Me: Celine Zenningway!

Celine Zenningway: Good to see you again J.D.

Me: You too Celine. You are just as beautiful as ever.

Celine Zenningway: Thank you.

Nico: You know her J.D.?

Me: I sure do. She went to our school once and she came from a super rich family in Colorado. She was a queen bee back then and she was headed down a dark path if she didn't stop. So I saved her from herself by showing her that having all the money in the world and coming from a high class lifestyle isn't the best way to win friends and it comes from your heart and show that you care instead of being a total heartless jerk.

Celine Zenningway: That's right.

Nico: Wow! That is really awesome that you were able to reform a Queen Bee.

Eli: It sure is.

Rarity: Oh and your dress on your is absolutely magnificent darling.

Celine Zenningway: Thank you Rarity and I love all your clothes. This is one of yours that I ordered off the internet. It's so beautiful.

Rarity: Oh I'm so glad you like it.

Nico: Did Swartz promise you anything?

Celine Zenningway: Just to become the greatest fashion designer ever like Rarity. She is my hero and I love all her outfits she makes.

Me: Looks like Rarity has a lot of hero worship.

Rarity: Oh I am so honored that you view me as a hero.

Celine Zenningway: I am too.

Me: And to answer your previous question I was talking hypothetically. It's a force of habit question. We have encountered numerous Another Rangers and Riders that made a lot of our team mad.

Celine Zenningway: That makes sense. Sorry we have to fight like this.

Me: I know. But lets do it. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Celine changed into Another Donbrothers Red!

Another Donbrothers Red: Avatar Change!

She activated the Avataro Gear for Dr. Light and got a powerful lightsaber!

Me: She has Avataro Gears for the Core and Non-Core members of the M.O.E.

Qin: Wow!

Me: We're still new to this one and we still have another year before we meet the Donbrothers so you're gonna have to walk us through what they do.

Another Donbrothers Red: Sure thing.

She went at me and I clashed with her.

I jumped back.

Eli then clashed at her with his lightsaber.

Another Donbrothers Red: Wow! You are a really skilled master of the lightsaber.

Eli: I was taught by the great Jedi Masters on Coruscant.

Me: That's my bro.

Nico: (gets out Ranger Key of Dr. Light) Two can play at the Dr. Light game!

Nico activated it and fired beams of light and Another Donbrothers Red dodged them.

Me: If Kairi saw that she would beat the crap out of you like she did with Another Dino Fury Red.

Another Donbrothers Red: I'm sure she would.

Nico: And FYI, Kairi's not badass anymore.

Me: But she has the power to change into that form at will.

Nico: Yes she does.

Qin: Yep.

Me: Time for me to show you some awesome moves I know.

I pulled out a special Ridewatch.

Me: Lisa made this one. It's a Special Ridewatch she made for a made up ranger called AoiBlue - The Blue Millennium Ranger. AkaRed is called that: The Red Millennium Ranger. AoiBlue is called The Blue Millennium Ranger and this one is the Embodiment of all the Blue Rangers from over the Course of 46+ Years.

Nico: NICE! Darn shame there isn't anymore like that.

Me: I know. What a ripoff! That would have been so awesome to see ones like that for every color.

I activated it.

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

Me: (SINGING DIVINELY AS THE SKY DARKENS WITH AN ECLIPSE AND BLUE ENERGY SWIRLS AROUND ME)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine
The night begins to shine
When we're dancing
The night begins to shine
The night begins to shine
(Night begins to shine)
The night begins to shine
Had my mind made up
I wanna feel your touch
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
The night begins to shine
The night begins to shine
When we're dancing
The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

I danced and fired waves of blue energy and they formed into all the blue rangers from over the course of 46+ Years and they hit Another Donbrothers Blue and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

She was down but not out.

Kaito: I agree. There should be Rangers like that!

Nico: I do too.

Me: And Legend Items for that would be cool too.

Eli: It would be awesome if we met AkaRed in person too.

Nico: It sure would.

Another Donbrothers Red: But that was really cool using a Ridewatch like that.

Me: Thanks.

Nico: What else you got?

She activated the Avataro Gear for Potty Mouth!? UH OH!

Another Donbrothers Red: Sorry about this J.D. Hey J.D. your fighting is so bad that it makes men look like bad bowls of prunes!

WHOA CRUEL!

Me: So you're using Potty Mouth's Avataro Gear. Okay then. Your Another Ranger look makes you look like someone pulled out your heart and ate it.

Nico: CRUEL.

Another Donbrothers Red: How about you go flush yourself down a poopoo hole you toilet paper covered poophead.

Me: How about you go jump into a toxic waste dump you biohazardous landfill dump.

Nico: (activates Potty Mouth's Ranger Key) Two can play at that game!

Me: Uh oh.

Nico: Do you kiss your mother with that mouth or use it to lick her fucking ass!?

WHOA CRUEL!

Nico: And I've heard pigs swear and fart at the same time and even Icky Vicky has a much better mouth than yours you fucking meatball!

WHOA BRUTALLY CRUEL!

Me: YEAH!

Another Donbrother Red: I can't believe Potty Mouth has that big of a cruel attitude.

Me: Well he's a bad guy that has a literal toilet for a head and has a really rotten mouth and foul disposition. What did you expect?

Tayuya: Look at me. I'm a fucking swearpot and I think it's good for me to insult fucking shitfuckers.

Nico: Yeah.

Another Donbrother Red: Wow.

Me: But I think it's time we wrap this up.

I fired a wave of blue fire and it hit Another Donbrother Red and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it.

Me: Now we can give the copy and original to the ones we assigned them to.

I went over to Celine and picked her up. She had a nasty headache.

Celine Zenningway: (GROANS) What a headache.

Me: You're back to normal though.

We picked up the Avataro Gears and the Donbrothers weapons for each M.O.E. Member.

Nico: That was a mouthful.

Me: You're telling me. BLECH! Those words tasted terrible.

Sunny gave me a smoothie.

Me: Oh thanks Sunny.

I took it and drank it.

Me: Ahh much better.

Nico: Yeah.

Me: Sorry you had to hear all that Celine.

Celine Zenningway: No worries. I'm just glad to be back. And with you J.D.

Me: Yeah.

We later went back home.

---

Later I was reading a manual and everyone came.

Weather Vane: What are you looking at, J.D.?

Me: Oh I have something awesome to show you all.

I put the manual down and then clapped my hands and did a little dance and then the lights went out and then computer opened up and in its place was a holographic globe and it had much of the entire universe!

Nico: WHOA!

Eli: That is amazing!

Nico: What is it?

Me: This is the Holographic Universal Planet Finder. It's a special universal holographic telescope that Lisa built and it shows us perfectly detailed images of all the planets, stars, galaxies, nebulae and objects in the universe.

Nico: WHOA!

Eli: That is cool!

Varie: So awesome!

Me: Watch.

I pressed the galaxy of The Milky Way and it zoomed in to our Solar System.

Nico: Wow there's the Solar System.

Me: Yep.

Chicken: Is this because of the mission today?

Me: Well yes. But with this we can find many kinds of planets we haven't seen yet and this will also show us how far they are and what they look like on the surface.

Nico: Neat!

Ii pressed a star and it zoomed in to a star located 23,123 light years from Earth and pressed a planet and it was a rainforest planet with 3 moons and it showed the surface and the sky was green and the trees covered every single square inch of the planet.

Nico: Wow! That is so detailed and accurate!

Lola: Incredible!

Qin: It's like we're there but we're not.

Varie: So awesome too.

Drag Strip: What's it called?

Me: It's called the planet Ferna IV.

Qin: Beautiful.

Lola: It sure is.

Lola pressed a button and it zoomed in on a planet located 12,311 lightyears from Earth and it was a red planet and then it zoomed in and showed that it was a planet made of HOT SAUCE! There were hot sauce rivers, hot sauce bottles full of hot sauce growing on the trees and even volcanoes erupting hot sauce!

Nico: WHOA! A planet made of hot sauce!

Lincoln: We would like that one.

Me: Boy we sure would.

Hound: What's this one called?

Me: It's called planet Capsicora.

Nico: Neat.

Hound: Cool.

Me: One more.

I zoomed in on a planet located 5,211 lightyears away and it showed that the surface was made entirely out of Marshmallows, Graham Crackers and Chocolate! It was a S'Mores Planet!

Eli: Wow! A S'Mores Planet!

Lana: Now that is my kind of planet.

Nico: (DROOLS) Oh boy! I would love to go to that planet.

Kairi: Boy me too.

Eli: Are you okay Kairi?

Kairi: Don't worry, guys. I'm completely normal now.

Bugly: Thank goodness.

Me: Good.

Kairi: But this is so amazing. This map is incredible.

Lola: Boy it sure is.

Me: Hmm.

I then zoomed in on a planet in the Andromeda Galaxy and it was a planet made entirely out of CHEDDAR CHEESE! The surface was all cheese and cheese as far as the eye can see!

Nico: (DROOLING) CHEESE!

Then Spymaster, Jack O Lantern, Number 7, Billy Numerous, Captain Boomerang, Turtle, Stonedozer, Crimson Dynamo, Absorbing Man and Puff appeared.

Number 7: Wow! What is that?

Lola: This is J.D.'s new Holographic Universe Map. Lisa made it and J.D. was showing it to us.

Me: Yep.

I showed them how it works and it was amazing.

Stonedozer: Wow! This is incredible! Now we can see every planet in the universe without being there to find them.

Me: But we still have to go there whenever missions arise.

Nico: That is true.

Spymaster: Can me, Jack O Lantern, Number 7, Billy Numerous, Captain Boomerang, Turtle, Stonedozer, Crimson Dynamo, Absorbing Man and Puff go with you guys? Especially since I helped out this morning?

Nico: Yes you all sure can. It's time for Whenua's big day mission.

Captain Boomerang: (Australian Accent) Right the Fourze Riders. This is gonna be awesome mates.

Lola: Yeah it will!

Me: I've been looking forward to this one. And I have just the planet for us to battle the Sagittarius Zodiart and whoever is with him too.

I used the Universe map and showed a planet that was a huge planet made of ROCK CANDY! It was a crystal candy planet made of pure rock candy located 81,222 light years away from Earth.

Spymaster: Wow! A Rock Candy Planet!

Absorbing Man: Wow! That's perfect!

Puff: I love Rock Candy. It's awesome.

Turtle: How is it able to show what the surface of the planet looks like? Not even our most powerful telescopes that we built can do that.

Me: It uses the cosmic energy, Dark Matter and Dark Energy of the entire universe and scans the planets and objects and shows us what they look like from here.

Nico: Very complex but cool.

Bludgeon: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet a gene-slammer for The Walking Mountain from MTG.

Me: Whoa! That's a gonna be a big one there.

Qin: Yeah!

Laney: So we're going to be in for a massive one too.

Lola: Yep.

Nico: All right then, lets head on out for an out of this world adventure!

We cheered!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Skull Kid, and he's coming after us, and worse still, he's still under Majora's influence, even after we sent him to The Black Gates. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like it one bit: the dark energy signal I sensed belongs to Skull Kid, and he's coming after us, and worse still, he's still under Majora's influence, even after we sent him to The Black Gates.

We gasped in shock.

Me: But, how was that even possible?!

Nico: Yeah, we made sure that Majora was sent to The Black Gates for good during Lincoln's rescue today.

Link: I think I know how it was possible: Skull Kid has on Majora's Mask, and that's why he's still under Majora's influence.

Lincoln: That's not good, we need to get that mask off him and destroy it before that monster forces Skull Kid to do any damage.

Whenua: That's right.

Nico: If there's one thing I can't stand, it's an evil mask, and we've had to deal with The Haunted Mask more than once.

Carly Beth Caldwell: You said it.

Nico: Alright, gang, let's go, it's time to meet the Fourze Kamen Riders.

Lincoln: And take down the evil Zodiart monsters.

We were off!

---

We arrived in Japan and we saw the Fourze Team and they were fighting a Zodiart we never saw before and it had amazing water powers.

Jack O Lantern: There they are!

Cheese: Doggies! (runs over)

We grabbed Cheese.

CHEESE YOU ARE AN IDIOT!

Me: But that is a new Zodiart we haven't faced yet.

Nico: Yeah!

I saw a familiar constellation on his chest.

Me: That's the Constellation of Eridanus the River in the Southern Hemisphere.

Eli: Wow!

Me: We haven't faced him yet. But I'm sensing something familiar about this one.

Nico: Lets go find out.

We went at the group.

Gentaro: This guy is tough!

Ryusei: Yeah.

But then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above the group and a phoenix cry was heard!

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Then we landed.

Me: Looks like the party just got started.

Whenua: It sure did.

Gentaro: You made it just in time guys.

Ryusei: Yeah!

Nadeshiko: But this is gonna be awesome.

I went up to the Eridanus Zodiart.

Me: I know you. Do you know me?

She reverted back and I saw that it was a friend of mine that I remember! It was a girl with aqua blue hair and she had a beautiful shirt with her midriff exposed and she had a magnificent blue skirt and it had the symbol of Eridanus on it and she didn't have shoes on.

Me: (Gasp) Aqua Eridanus!

Aqua Eridanus: Awesome to see you again J.D.

Me: You too and I did not expect you to be the new Eridanus Zodiarts.

Nico: You know her J.D.?

Me: I sure do. She is one of the most amazing dancers I've known since I was in kindergarten. She like me was born under the constellation of Eridanus the River when she was in Egypt. And she has a blue birthmark in the shape of Eridanus on her neck too. She taught me how to dance and it was so awesome.

Nico: That's cool!

Gentaro: I didn't know you knew each other J.D.

Me: I have a huge history. But Aqua you can use the power of your Zodiart for good. Just let me purify it and then you can get a new weapon that will be in its place.

Aqua Eridanus: Okay.

She held out the switch and I put my hand on it and purified it and then it formed into an awesome blue blade sword with the constellation of Eridanus the River on it!

Nicole: Awesome!

Billy Numerous: I didn't even have to clone myself.

Cheese: Okay, bye bunny!

Gentaro: Is he okay?

Me: You'll have to forgive Cheese. He's a total idiot.

Gentaro: Oh. But it's great to see you guys here.

Ryusei: Yeah it sure is.

Qin: Awesome to see you guys too.

Nico: Yeah how have you all been?

Nadeshiko: Very busy.

Me: We got a lot to talk about. Can we talk over in your clubhouse?

Gentaro: Sure thing.

Mason Brown: We want to thank you guys for helping us in Oa.

Avior: The Lego version, that is.

Ryusei: That was awesome helping you guys out.

Me: Yeah it sure was.

Gentaro: But it was our pleasure.

Laney: And it was really awesome seeing the Lego Versions of each of the Lantern Planets too.

Qin: That sure was cool.

Ryusei: Yep.

Stonedozer: Gentaro, is Basestates really your default form?

Gentaro: It sure is. I think it's awesome too.

Me: It sure is.

We later arrived.

Gentaro: Here we are.

Me: Wow! Looks like we're on the International Space Station.

Eli: Look where we are!

We saw that we were on the moon and the view of the Earth was amazing!

Me: Wow! We're on the moon!

Nico: So awesome!

Thunderblast: Listen, we got some things to show you.

Gentaro: (laughs) You already showed me the M.O.E. Astroswitches, remember?

Me: Well yes we showed you the Core M.O.E. But not these.

I revealed my device and showed the Non-Core Astroswitches of the M.O.E.

Me: These are the Non-Core Astroswitches. We got them after we defeated Another Meteor.

Ryusei: SAY WHAT!?

Me: Yeah. Swartz made Another Meteor and we encountered that one on a Planet made entirely out of Chum.

Nico: J.D. was hurling his guts out that whole battle with that one.

Me: You just had to bring that up didn't you Nico.

Ryusei: Oh, Swartz is going down.

Absorbing Man: Trust me, buddy. He is.

Nico: J.D. already called dibs on wanting to kill Swartz.

Me: Yeah. He really pissed me off.

Qin: Many of us actually.

Laney: What he has done makes me mad.

Nico: I actually DO want to deliver the killing blow on Swartz though.

May: What do you have in mind?

Nico: Just promise you won't lose your lunch.

May: I won't.

Nico: Good.

Gentaro: What do you intend to do?

Me: You'll find out later.

Nico then got a call on his communicator.

Sid Arkale: Um, isn't everyone here?

Rubanoid: How strange.

Nico: (picks up) Hello?

Patrick: I love you.

Me: Patrick!

SpongeBob: I think you might have laid it on a teensy bit thick there old pall.

?: Mr. Chan! Hello! Or do you prefer Nico?

Nico: Gamou. I had a feeling it was you.

Me: I knew he was gonna call us.

Gamou: Listen, I'm not calling to make threats. I'm calling because I want to talk. Just you and me.

Nico: If this is a trap…

Gamou: Nico, honestly, Swartz doesn't even know I'm making this call.

Nico: Where do you want to meet?

Gamou: The park.

Nico: I'll be there.

Gamou: Good.

Nico hung up.

Me: I better go with you Nico. Just like I said. Just for leverage.

Nico: Okay.

Me: We'll be right back.

We teleported to the park.

---

We arrived and we saw GAMOU!

Gamou: Nico! I see you brought J.D. with you.

Nico: Just as a precaution. Did you come alone?

Me: Mitsuaki Gamou the Sagittarius Zodiart. So we finally meet. We didn't see you the last time we were here on Whenua's final ambassador mission.

Gamou: That's because I was busy.

Nico: So we see. So what's all this about?

Gamou: It must really burn you up knowing that several of your friends are forced to fight you beause of Swartz.

Nico: Of course it does. What's worse is that they know he's lying!

Me: And he's really starting to make my blood boil!

Gamou: Oh, trust me. I completely understand. In fact, I think him making Another Alien X was probably very concerning for me. What if that girl went berserk because of that Another Ridewatch?

Me: Celestialsapiens are one of the most powerful beings in the entire universe. They are said to be the very beings that made the entire universe what it is 13.7 billion years ago.

Nico: Yeah.

Gamou: That is definitely true.

Me: It is.

Nico: We're already considering on making you part of the our frenemies. Don't push your luck by playing mind games with us.

Me: Yeah we've had that happen to us many times before.

Gamou: I didn't call you for that. I called you because if we take down Swartz together, this whole war with him is over. I get my position at the school back. And you and all your friends get your normal lives back.

Nico: As tempting as that sounds we prefer to deal with Swartz on our own accord when the time comes. But you are still more than welcome to join our frenemies.

Me: That's right.

Nico: Thanks for the offer though. But Zi O doesn't come after OOO. Fourze does.

Nico and me turned to leave.

Gamou: I'm making you this offer to help you all! With no villain being able to get out of the Black Gates, scumbags like Joker and Luthor are close to extinction! This alliance is the only way you guys will ever get your normal lives back!

Nico: What normal lives? Even if the battle between good and evil isn't eternal, there's still Agito, Dragon Knight, Faiz, Blade, and

Revice next year!

Gamou: Oh, that's right. Everyone except both of your groups doesn't remember Ryuki.

Me: That may be so but his legacy lives on. But the battle with good and evil will ALWAYS be eternal. And that's why we're always there to stop it.

We teleported back.

We arrived.

Puff: How'd it go?

Nico: It wasn't a trap.

Me: It was really an offer to help us stop Swartz faster. But we rejected it and told him that Zi-O doesn't come after OOO. Fourze does.

Lola: Awesome.

Me: Also we told him that Ryuki's legacy lives on. And that the battle with Good and Evil will always be an eternal one and that we're always gonna be there to stop it.

Supernova Zap: Why don't we eat at the cafeteria before the usual battles?

Me: Good idea S.Z. Watch this.

I used my imagination power and made an awesome meal for us.

Gentaro: Wow! That was awesome!

Right Suzuki: We helped teach him how to do that.

Poromon got out 4 beer bottles.

Gentaro: What are those?

Poromon: 4 bottles of beer!

Crimson Dynamo: (sighs) I knew this was gonna happen!

Gentaro: Digimon that drink?

Me: Don't. Fucking. Ask.

Qin: It's crazy.

Dirt Boss: No one start a food fight this time.

Me: That was really funny. But we're not gonna do that. We have much bigger fish to fry.

Leni: We don't have any fish here.

Me: No Leni it's a figure of speech. It means that we're going after Gamou and whatever secondary enemies he has.

Leni: Oh.

Nadeshiko: Leni not very sharp is she?

Me: I've known Leni for 6 and a half years. She may not be the sharpest tool in the shed but she makes really awesome clothes.

Nadeshiko: Oh.

Turtle: Did a food fight really happen in this cafeteria?

Me: It sure did and it was awesome.

Whenua: Yeah it sure was.

Nico: Because of Yuki throwing food at Gentaro. Then it escalated.

Qin: That is really crazy.

Gentaro: It was.

Crankcase: Leni, don't take it personally. But it's just that Gene Slammers barely end up naked anymore.

Leni: I know.

Eli: Yeah.

Qin: Besides it's for the best though. To avoid perverts.

Octopunch: But yeah. Back in the day, Leni made awesome clothes for Gene Slammers.

Nico: Yep.

Lola: Yeah.

Gentaro: I see.

Nicole: Yeah I hate Perverts with a vengeance and it's part of my job to enforce the safety and dignity of women.

Gentaro: Nice.

Captain Boomerang: Got any Ridewatches for us, Nico?

Nico: Yeah. The last Ranger ones.

Nico revealed Ridewatches for Zeo Red, American Red Turbo, In Space Red, Lost Galaxy Red, Lightspeed Rescue Red, and Time Force Red.

Nico: After this, I'm working on ones for Ben 10 aliens.

Me: Cool!

I picked Jessica Albert, Jasmine, Mindy, Blair, Luna (5Ds) and Leo for the copies and Tea, Chazz, Omi, Clay, Fluttershy and Pinkie Pie got the originals.

We then went to the courtyard for the usual battles.

Then Firebrand, Trapster, Mole Man, LaGrange, Swordsman, Dr. Destiny, Dr. Polaris, Roxy Rocket, Marionette Shadow and Top appeared.

Nico: Firebrand, Trapster, Mole Man, LaGrange, Swordsman, Dr. Destiny, Dr. Polaris, Roxy Rocket, Marionette Shadow and Top.

Firebrand: As much as we want Swartz taken care of, we'll have to wait a little while longer to end him.

Trapster: Plus, his Another Omnitrix Aliens are very interesting.

Nico: Yes they sure are.

Mole Man: Even though we still have many of them to go.

Nico: Yeah.

LeGrange: (to Nico) We heard you faced Hotaru's dad.

Nico: We sure did.

Swordsman: Is he alright?

Me: He's all right. He's back at the Infirmary resting. He doesn't remember anything about what happened when he was under the control of Pharaoh 90.

Swordsman: Wow.

Nico: Yeah.

?: That is crazy.

Then a figure came out and it was GINGIFUAN KAZAK from the Dekaranger VS Abaranger movie!

---

Snake-like Alienizer from the Planet Ginjifu, Kazak is the former director of the Minos from the Cosmic Violence Group. He attempted to resurrect Wicked Life God Dezumozorlya and use its power to rule the world. This would also grant him enough leverage to take control of said criminal syndicate and become a major player in the intergalactic black market. To this end, he attacked the restaurant of a friend of the Abarangers and his Dino House as he had an artifact that could resurrect Dezumozorlya only for the Trinoid to call his friends and force Kazak to flee. The Abarangers tracked him to Tokyo only to run into the Dekarangers and escape as the

Abarangers were arrested for assault and terrorism. He later resurrected the sealed away Trinoid 0: Saunaginnan to aid him in his goals.

Kazak resurrected Speckionian Genio and Reversian Succubus Hells to draw power which they succeeded in doing but his attempts to draw out Dezumozorlya from Hell failed since Mikoto Nakadai (AbareKiller) was the strongest in hell. He later resurrected Barigean Milibar, Reversian Bon-Goblin Hells, and Kajimerian Ben G to aid him but they were all easily destroyed by the Dekarangers and Abarangers. Kazak and Saunaginnan were then cornered and he was found guilty of one hundred and seventy nine counts of murder and various other crimes and seemingly destroyed by the combined Super Dino Bomber and D-Bazooka. However, he survived managed to escape into Heavy Industrial Machine PalletteView which he had obtained through his connection to the Cosmic Violence Group with the intent of conquering Earth with this robot instead whilst Saunaginnan enlarged using his Life Berry. Deleted by the combined efforts of Super Dekaranger Robo and Killer Abarenoh in their Killer Drill Spin whilst being launched forward by Super Dekaranger Robo's Puncher Gatling. Kazak tried to use Saunaginnan as a "human" shield but it penetrated through him and destroyed his robot with him going down with it.

---

Eli: Ginjufuan Kazak! I remember you! You were going to resurrect the Wicked Life God Dezumozorlya and use its power to rule the world.

Ginjufuan Kazak: That's right Eli. Good memory.

William: In my opinion, you should've appeared in the first SPD and Dino Thudner teamup

Ginjufuan Kazak: I agree! It would've made things more interesting.

Me: Yeah what a ripoff! But it's always fun to face movie villains.

Qin: It sure is.

We got the usual battles underway.

Kevin Reynolds, Sunset Shimmer, Pipsqueak, Fire Skylanders, Bugly and Iguanus VS Gary Gilbert A.K.A. Firebrand (Marvel) - Nico's Rescue

---

Firebrand was first.

Firebrand: (to Kevin) Nico did a good deed in his rescue. Now, Hotaru has her father back.

Kevin Reynolds: She sure does and he is really proud that she is Sailor Saturn too.

Pipsqueak: (British Accent) Yeah it was awful.

Vert, Rainbow Dash, Scootaloo, Air Skylanders, Thunderblast and Lugnutz VS LaGrange - Us meeting Earthbound Immortal Xolotl Gene-Slammer

---

LaGrange was next.

LaGrange: (to Vert) I heard you guys met an Earthbound Immortal Xolotl Gene-Slammer. What's her name?

Vert: Her name is Demona Wendollstein and she is the most powerful Earthbound Immortal ever. She has the power to bring your worst nightmares to life.

LaGrange: Whoa! I've never heard of that kind of power.

Rainbow Dash: It's really awesome!

Scootaloo: Yeah it sure is but it's really cool! She got the moniker Demona, The Empress of Nightmares. Her story is awesome.

---

Demona Wendollstein: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Demona, and now, I can also

defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Demona Wendollstein: That's incredible.

Nico: It sure is. So, Demona, what's the whole story on what you did in bringing the fears of one of Lincoln's worst enemies to life which scared her so badly that she was traumatized forever and sent to a nuthouse for the rest of her days?

Demona Wendollstein: You're going to laugh your head off for this one, Nico. You thought Chandler, Pablo, Anderson, and Dustin Keystone were some of Lincoln's worst enemies, you may want to add this bitch onto the list of Lincoln's worst enemies: there was a girl in our school who was really bad to the bone and enjoyed making Lincoln's life and the lives of others a living Hell, her name is Narcissa Belladonna. She was the meanest, sadistic, bloodthirsty, and psychopathic bitch that anyone has ever known, and even worse, she's the older sister of Jocasta Belladonna of The Church of Necrom.

We gasped in pure shock, especially the Dark World Goth Girls.

Clara St. Clarice: So, that fucked-up bitch, Jocasta Belladonna, had an older sister. I thought Jocasta murdered everyone in her family when Damian Alaister and those other fucked-up bastards killed their families during their dark ritual years ago.

Demona Wendollstein: Not exactly, Clara. You see, I was getting really tired of Narcissa tormenting and trying to kill Lincoln to slake her bloodlust and appetite for cruelty and chaos, so I decided to step in and I used my power to make her worst nightmare come to life: and her worst nightmare was that no one was quaking in fear before her anymore and they were all standing up to her, and even worse, her own parents have disowned her and they had her arrested and thrown in jail. Those fears got to Narcissa and she was completely traumatized forever, and because of it, she was then sent to a nuthouse for the rest of her days, thus I earned the moniker: Demona, The Empress of Nightmares. And it scared Chandler and Dustin Keystone, who wanted to kill Lincoln to slake his thirst for blood, so badly, they backed off, but those idiots won't learn.

We cheered wildly for what Demona Wendollstein did to Narcissa Belladonna.

Nico: That was really awesome, Demona. You sure are The Empress of Nightmares.

Brittney Knudson: I wonder what'll happen if the both of us teamed up.

Lincoln: Whoa, The Empress of Darkness and The Empress of Nightmares, bastards beware!

Me: You said it, and your enemies better watch it, Linc, now that Demona's back, The Empress of Nightmares is coming for them!

Eli: Awesome.

Nicholette Torrington: We saw what Demona did to Narcissa, and it was awesome. Plus, when that witch, Jocasta Belladonna, found out that her sister was traumatized forever by Demona and sent to a nuthouse for the rest of her days, it pissed her off really badly and she wanted revenge. But, that witch knows what'll happen if she crosses Demona Wendollstein.

Clara St. Clarice: Yeah, but in the end, she and the rest of The Church of Necrom paid the price for all their crimes.

Nico: With The Black Gates, but we still got The Return of The Doomsday 23 to deal with, along with Evil Starlight Glimmer.

Ken Knudson: Thanks to those Satanic demon Goths from Hell, no doubt, but their contingency plans were brought to an end thanks to Lincoln.

FLASHBACK ENDS

LaGrange: WOW! She has an amazing power! Remind me never to cross her.

Whirlwind: Noted.

LaGrange: But Lincoln's enemies are gonna have a hard time coming near him with Demona around. Lets do it!

Dr. Polaris: WOW! That is amazing! Not even our most powerful telescopes are capable of doing that.

In the base of my spine, sweet like a chica cherry cola

I don't need to try and explain, I just hold on tight

And if it happens again, I might move so slightly

To the arms and the lips and the face and the human cannonball

I need to, I want to come stand a little bit closer

Breathe in and get a bit higher

You'll never know what hit you when I get to you

Oh, I want you, I don't know if I need you

But oh, I would die to find out

Oh, I want you, I don't know if I need you

But oh, I would die to find out

I'm the kind of person who endorses a deep commitment

Getting comfy, getting perfect is what I live for

But I'm looking and the smell perfume, it's like I'm down

On the floor and I don't know what I'm in for
Conversation is time and place of the interaction of a lover
And the nick of time over talkin using signals, using words
Can be likened to a deep sea diver who is swimming
With a raincoat, come stand a little bit closer
Breathe in and get a bit higher
You'll never know what hit you when I get to you
Oh, I want you, I don't know if I need you
But oh, I would die to find out
Oh, I want you, I don't know if I need you

And the human cannonball, I need to I want to
Oh, I want you, I don't know if I need you
But oh, I would die to find out
Oh, I want you I don't know if I need you

But oh, I would die to find out, so can we find out

Oh, I want you, I don't know if I need you

But oh, I would die to find out

Oh, I want you, I don't know if I need you

But oh, I would die to find out

Oh, I want you, I don't know if I need you

But oh, I would die to find out

Oh, I want you I don't know if I need you

But oh, I would die to find out, die to find out

Oh, I want you, I don't know if I need you

When you find yourself still living in the past

Fault Zone: (Russian Accent) That's right Gentaro. Honor to meet you.

Gentaro: You too.

Fault Zone punched the ground and it upheaved and lifted and crumbled and then Gentaro jumped and blasted her with stars and smashed her down.

Kamen Rider Meteor VS Nina Williams

---

Ryusei was looking for his archenemy. Then out came NINA WILLIAMS!

Nina Williams: (Irish Accent) Awesome to meet you lad. I'm Nina Williams, Irish Assassin.

Ryusei: Pleasure to meet you Ms. Williams.

Nina Williams: Call me Nina. I think it's fitting.

Ryusei: Okay then.

Nina went at him and kicked and smashed at him and he dodged her strikes and then flew into the air and smashed her down with a star blast.

# SPD Rangers, Megaforce Rangers, Nico, May, Eli, Nunnally, C.C., Lana, Lola, Laney, Lisa and Lily VS Ginjifuan Kazak

---

Ginjifuan Kazak was next.

Nico: This is gonna be fun.

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyers of the Evil Zodiarts, they're a collection of broadswords with the Fourze Kamen Riders symbol etched on the 7'0 massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguards, longer black handles, and large gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase, and there's also blasters included with the swords as well.

Nico teeported back with them.

SPD Rangers: READY! SPD EMERGENCY!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! SPD!

They turned into the SPD Rangers too!

Nico: YEAH!

Ginjifuan Kazak: This will be fun.

Nico: Yep. But first this one. SPD MORPHER JUDGEMENT MODE!

He pressed a button and a timer came on. 30 seconds later the red X Lit up.

Nico: GUILTY!

SPD Rangers: DELTA ENFORCERS!

Nico: FIRE!

They fired waves of elements and energy and the blasts all hit him and he exploded and he was locked in a containment card!

SPD Rangers: SHUTDOWN!

Nico went up and picked up the card.

Nico: Ginjifuan Kazak you have failed this city.

Troy Burrows: Rangers that's a Super Mega Win!

---

We regrouped and cheered.

Ryusei: Wow! Your singing is all amazing!

Me: We do a lot of karaoke sessions.

Eli: It's really fun.

Lois Griffin: Gentaro, before we go find Gamou, who are our secondary targets?

Gentaro: The Space Ironmen.

Me: I remember them! They were bad news siblings.

I went over their history.

---

The Space Ironmen Kyodain siblings from space who plan on attacking the Earth and the main antagonists of the movie Kamen Rider Fourze the Movie: Everyone, Space is Here!

History

The Space Ironmen Kyodain were created by Professor Blink. However, after exposure to Cosmic Energy made them aware and see themselves as superior beings, Groundain and Skydain attacked the professor. Near death, professor activates a fail-safe that locks the Kyodain in human form. In order to get their powers back and start their plan, Groundain posed as the general manager Harumi Saeba of OSTO Legacy and recruited the Kamen Rider Club to deal with Black Knight and Inga Blink and power down XVII. With the Space Core powered down, the Kyodain regained their forms and attacked the Club before going on with their plan to use XVII to destroy humanity.

Kamen Rider Fourze in Cosmic States managed to stop their plan by warping the orbital laser back at XVII, ceasing its functions. The Kyodain then attack the powered down Fourze and Meteor. When it seemed hopeless, Fourze gained the power of the Fusion Switch and Fusion States. The Kyodain assumed their vehicle forms as Fourze rode on his Machine Massigler, before Fourze made the finishing blow with Fusion States' Limit Break, destroying the Kyodain.

During the events of Super Taisen Z, Groundain and Skydain are rebuilt as members of Space Shocker. However, finding themselves in debt to Gai Ikari and Gavan Type-G, the two act on their own sense of honor which eventually lead to their deaths.

---

When I was done they were shocked!

Nico: Whoa! Bad news!

Laney: Yeah!

Number 7: Allow me to scan for his location.

Nico: Okay.

She scanned and then found them over in an abandoned warehouse.

Number 7: Found them. In an abandoned warehouse near the docks by Tokyo Bay.

Me: Then that's where we're heading.

Nico: Yep. Get ready Gamou.

Nicole: (EYES GLOW RED) YOU AND THE SPACE IRONMEN ARE GOING TO WISH YOU WERE NEVER BORN!

We went to the warehouse.

---

We were flying to the warehouse and Goliath came.

Maria: Thanks for coming, Goliath.

Goliath: Anytime. It's gonna be awesome to help out during my archenemies big day.

Nico: It sure is.

We flew down and we went into the warehouse and hid. Then Goliath went up to them.

Gamou: You must be Goliath.

Goliath: That's right. I see you have the Space Ironmen and Ritsuko Usaka the Alter Zodiarts with you.

Ritsuko: That's right.

Gamou: So what brings you here to us?

Goliath: Just to have my friends take you all down.

Then the symbols of the planets all appeared and swirled around them and then converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted out and the area turned into the Hot Sauce planet we saw earlier and then The X-Files Theme played and we landed.

Me: Hello Gamou.

Nico: Nice to see you and the Space Ironmen how awesome to meet you. For the last time.

Harumi Saeba: You can cut the bullshit, Chan. We know you, Knudson, and Gamou were plotting together to take Swartz down!

Shizuka Shirayama: (to Gamou) But this fight is still going to continue! So afterwards, we can bring you to Swartz so he can personally punish you for your treachery!

Maria: Okay, I think you three want to discuss things and we're just getting in the way.

Me: Yeah. We're just passing by and pissing you off at the same time.

Harumi turned into Groundain, Shizuka turned into Skydain, Ritsuko Usaka turned into the Alter Zodiarts, and Gammou turned into Sagittarius Zodiarts.

Sagittarius Zodiarts: Might as well get this over with. Tronics!

An army of Tronics appeared.

Me: Tronics! WHOA!

Eli: If Robo-Roxy and Robo-Blaze saw this they would be pissed!

Nico: Yep!

We blasted the Tronics all over the place.

Then The Fourze team got jumped and they laid defeated at the hands of the Tronics.

Sagittarius Zodiarts: For what it's worth, Gentaro, I truly am sorry.

Gentaro: (chuckles weakly) No need to be sorry, teach.

Me: At least you regret this!

Groundain: (pushes Sagittarius Zodiarts away) Step aside, fool. If you won't kill Fourze, I will!

POW!

I punched Groundain and knocked him down!

Me: You lay a fucking hand on him and it'll be the last thing you ever do you motherfucker!

Groundain: THEN I'LL KILL YOU FIRST KNUDSON!

Me: BRING IT ON SHIT FOR BRAINS!

He went at me and I kicked him in the face and kicked him in the stomach.

Yost Iceman: (freezes a Tronic) Fuck! What do we do?!

Whenua got an idea.

Whenua: (to everyone watching) Everyone out there! Lend the Fourze Team your strength! They get stronger with your support! When I go "1,2", shout "Space is here"! Okay? 1,2…

All: SPACE IS HERE!

Whenua: One more time! 1,2…

All: SPACE IS HERE!

Whenua: Louder! 1,2…

All: SPACE IS HERE!

Jamesdean5842: SPACE IS HERE!

At this, Gentaro found the strength to get up.

Gentaro: I can feel the friendships of everyone flowing through me. I can't let them down!

Gentaro grabbed a Tronic and slammed it to the ground.

Twilight Sparkle: That is the spirit Gentaro!

Nico: Told you all his Friendship was that powerful.

Gentaro: Thanks for the help, everyone.

Ryusei: I can't believe we're actually on another planet.

Nadashiko: Neither can I.

Whenua: Impressive, isn't it?

Nico: What do we say we give everyone a show, J.D.?

Me: You read my mind Nico. Lets give them an Out of This World Experience!

Whenua: Can I transform with you guys?

Ryusei. Nadeshiko and Gentaro: Henshin!

With that, Gentaro pulls the lever and is surrounded by some sort of construction field resembling a Stargate almost while Ryusei is surrounded by cosmic energy, causing him to take the form of a meteor and fly into several Tronics before returning back to the point he originated from, at which point the suits are revealed. Ryusei is shown in a black suit resembling a star map and decorated with a blue shoulder pad and sash connector and blue comet looking helmet with red eyes atop a silver base, with a strange device on his right wrist and an odd blue point on his left thumb. Meanwhile, Gentaro appears clad in white and black with huge orange eyes and accents of the same orange, and four unique points on his wrists and ankles: an orange circle on his right wrist, a blue X on his right ankle, a yellow triangle on his left ankle, and a black square on the left wrist.

Whenua: That's it, I've had it up to hear with you two lowlives to last an eternity.

Suddenly, Whenua's grey eyes turned neon grey, and he was surrounded by a brown energy aura with Earth, rocks, Earth Toa, and phoenixes, and as he approached Space Ironmen and Sagittarius Zodiart, he left brown energy, Earth, rocks, Earth Toa, and phoenixes with every step.

Whenua: You monsters really make me sick, it's bad enough that you tormented so many innocent people, but what you've done in trying to destroy the Earth is one thing that I can't stand any longer, and now, the both of you will pay with your lives!

Suddenly, Whenua was surrounded by a massive vortex of brown energy with Earth and rocks surrounding the vortex, there's an Earth Toa and phoenix flying around the vortex, and in the vortex is a grey phoenix. Then, as the vortex faded, Whenua emerged, but he was changed forever.

Whenua grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and black chin hair, he has long black hair going down to the bottom of his neck with light grey highlights in the bangs of his hair, he has neon grey eyes and a brown energy aura with Earth, rocks, Earth Toa, and phoenixes surrounding him, he has a Toa Mata of Earth with the Earth Kanji in its hands emblazoned on his forehead, he has phoenix earrings with grey gems for eyes and the Earth Kanji in its claws, and he has on his Crystal Necklace of The Buddha with brown crystal links and a phoenix with grey gems for eyes and holding the Earth Kanji in its claws for the pendant on his bare chest, and tattooed on Whenua's now wider and more muscular back is a phoenix and a Toa Mata of Earth, and they're surrounded by Earth. Suddenly, Whenua felt a sharp pain on his now wider and more muscular back, and then, massive black angel wings with grey tips on the feathers, sprouted out of his now wider and more muscular back. Whenua has on a pair of large black pants with rocks on the legs, grey ankle-high leather combat boots, large grey weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large grey orbs.

Suddenly, Whenua's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of white energy with Earth, Rocks, Earth Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Whenua's Earthquake Earth Toa Greatsword of Earth Justice, it's a brand-new large greatsword with the symbol of the Earth Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged grey blade, grey Toa heads for the crossguard, large black gem embedded in the rainguard, longer black handle, and massive grey gem with surrounding angel wings for the pommel. Whenua has on his new large gold cuff Bracelets of the Champions of The Universe with grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Earth Toa head with grey gems for eyes and a grey gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Whenua, Toa Mata of Earth, Brother and Teammate of Tahu, Vakama, Onewa, Nuju, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, and Kopaka, Loving Brother of The Fourze Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Earth Toa, and Phoenixes"

時雨、地球の とあまた、タフ、ヴァカマ、オネワ、ヌジュ、マタウ、ノカマ、タカヌバ、ポハツ、オヌア、レワ、ガリ、および コパカ の兄弟およびチームメイト、フォーゼ仮面ライダー および多くの愛する兄弟、テトリダックス の破壊者およびボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、そして地球、地球トア、フェニックスのマスター

Whenua has transformed into SUPER ANGEL INFINITY SMASHING EARTHQUAKE TOA MATA ANGEL OF EARTHQUAKE JUSTICE AND BROTHERHOOD WILL!

We were amazed by Whenua's Super Angel Infinity transformation, but when the Space Ironmen and Sagittarius Zodiart saw it, they fell into a rage and tried to attack, but Whenua fired two brown energy blasts with Rocks, Earth, Earth Toa, and phoenixes, and it slammed into them, and smashed them into a wall, and it really angered them badly.

Sagittarius Zodiarts grew to giant size.

Groundain: Forget Swartz's punishment! As soon as Gamou's defeated, we'll just kill him ourselves!

Nico: Sorry. You won't get that chance!

Nico painted Kanji's both of their foreheads and they were given The Black Gates! They were found guilty and were fading.

Nico: You brought all this on yourselves. Give my regards to Kazu motherfuckers!

Groundain: DAMN YOU TO FUCKING HELL TEAM LOUD PHOENIX STORM! (FADES)

They were dead!

Me: Now lets summon the Megazords!

Kyurangers: Lets do it!

They summoned the Voyagers!

And the Beast Morpher Rangers summoned their Zords!

Beast Morphers: Beast X Megazord!

Nate and Steel: Striker Megazord!

Kyurangers: KYURAMA GETTAI GIGANT HOUOU!

Nico: YEAH!

Tsurugi: Lets make this Legendary!

Me: AWESOME!

I summoned the Beast Morpher and Kyutama Super Omega Ultrazord and they were ready!

Nico: LETS DO IT!

OMEGA SUPER GALAXY!

Me: FIRE!

They fired a massive wave of energy and the blasts hit Sagittarius Zodiart and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

He was down!

Devon: VIRUS ELIMINATED!

Me: Sagittarius Zodiart you have failed this universe!

Kyurangers: We will take back the Galaxy!

Nico went over and picked up Gamou and I picked up the Sagittarius Switch and purified it.

Nico: Don't worry, Gamou. The Space Ironmen have been destroyed before they could think about eliminating you.

Gamou: Thank you Nico. Thank you.

Me: We gave them the black gates.

Qin: Good riddance. But at least you're okay now.

Nico: That's for sure.

Eli: Yeah but this was awesome.

Gentaro: It sure was! We had a lot of fun on this one.

Me: We're not done yet.

?: I must destroy you all for what you did in killing Majora!

Link: I knew there's no mistaking that voice from anywhere. You can come out now, Skull Kid.

A figure came out, and it was none other than Skull Kid, and on his face is Majora's Mask, and we felt Majora's evil still there.

Me: So, that's Majora's Mask, huh?

Nicole: Yep.

Lincoln: We can feel Majora's evil presence still there, I should've known he'd have one last trick up his sleeve.

Skull Kid: And now, I shall kill you all and avenge Majora!

Whenua: No, Skull Kid, that mask is making you do this, and I need to get that thing off of you for good.

Suddenly, Whenua's grey eyes turned neon grey, and he was surrounded by a brown energy aura with Earth, rocks, Earth Toa, and phoenixes, and as he approached Skull Kid, he left brown energy, Earth, rocks, Earth Toa, and phoenixes with every step.

Whenua: Listen to me, Skull Kid, that mask that you have on your face has poisoned your mind and your heart with evil and it's making you do things that you don't want to do. But, I'm going to put an end to that evil mask you have on your face, and we're going to free you from Majora's evil for good.

Suddenly, Whenua was surrounded by a massive vortex of brown energy with Earth and rocks surrounding the vortex, there's an Earth Toa and phoenix flying around the vortex, and in the vortex is a grey phoenix. Then, as the vortex faded, Whenua emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Whenua grew from 7'0" 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retains his eight-pack abs, tanned skin and black-colored chin hair, he has long black hair going down to the bottom of his neck with grey highlights in the bangs of his hair, he has neon grey eyes and a brown energy aura with Earth, rocks, Earth Toa, and phoenixes surrounding him, he has a Toa Mata of Earth with the Earth Kanji in its hands emblazoned on his forehead, he has phoenix earrings with grey gems for eyes and the Earth and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with grey gems on the boulder-shaped gold links and grey crystal links and a grey Earth Toa-shaped Element of Harmony and on the bottom is a phoenix with grey gems for eyes and holding the Earth and Eternity Kanjis in its hands for the pendant on his bare chest, and tattooed on Whenua's now wider and more muscular back is a phoenix and a Toa Mata of Earth, and they're surrounded by rocks. Suddenly, Whenua felt a sharp pain on his now wider and more muscular back, and then, his massive black angel wings with grey tips on the feathers grew much bigger for his new body. Whenua has on a pair of large black pants with rocks on the legs, grey ankle-high leather combat boots, large grey weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large grey orbs.

Suddenly, Whenua's massive Whenua's Earthquake Earth Toa Greatsword of Earth Justice began merging with the other swords he'd gotten in the treasure battles, and they're suddenly surrounded by a massive kaleidoscope of brown energy with rocks, Earth, Earth Toa, and phoenixes, and when it emerged, it's transformed into Whenua's Earth Toa Broadsword of Smashing Earth Justice, it's a brand-new large broadsword with the symbol of the Earth Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged grey blade, grey Toa heads for the crossguard, large black gem embedded in the rainguard, longer black handle, and massive grey gem with surrounding angel wings for the pommel. Whenua has on his new large gold cuff Bracelets of the Champions of The Universe with grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Earth Toa head with grey gems for eyes and a grey gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Whenua, Toa Mata of Earth, Brother and Teammate of Tahu, Vakama, Onewa, Nuju, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, and Kopaka, Loving Brother of The Fourze Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Earth Toa, and Phoenixes"

時雨、地球の とあまた、タフ、ヴァカマ、オネワ、ヌジュ、マタウ、ノカマ、タカヌバ、ポハツ、オヌア、レワ、ガリ、および コパカ の兄弟およびチームメイト、フォーゼ仮面ライダー および多くの愛する兄弟、テトリダックス の破壊者およびボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、そして地球、地球トア、フェニックスのマスター

Whenua has transformed into SUPER ANGEL ETERNITY INFINITY SMASHING EARTHQUAKE TOA MATA ANGEL OF EARTHQUAKE JUSTICE AND BROTHERHOOD WILL!

We were amazed by Whenua's Super Angel Eternity Infinity transformation, but when Skull Kid saw it, he was about to attack, but Whenua fired a grey energy blast with rocks, Earth, Earth Toa, and phoenixes, and it knocks Majora's Mask off Skull Kid's face, and we got Skull Kid to safety.

Nico: Whoa, Whenua's transformed into his Super Angel Eternity Infinity form, awesome!

Me: And he's freed Skull Kid from Majora's Mask, but now, we got to deal with that evil mask before the mission's complete.

Lincoln: And we'll finally be rid of Majora for good.

Whenua: (Divine Echoing Cosmic Voice of The Earthquake Earth Toa and Brotherhood Earthquake Will) That's right, Lincoln. Now, to put an end to Majora's Mask for good.

Whenua went after Majora's Mask, and he fired powerful blasts of grey energy, rocks, Earth, Earth Toa, and phoenixes, and they exploded with incredible power as they hit Majora's Mask. Then, Whenua attacked Majora's Mask with his massive large broadsword and he left scars on it, and then, he fired a grey energy beam and it hits Majora's Mask, destroying it for good and it sent the last bit of Majora to The Black Gates for good, and he was finally erased for good. We cheered wildly for what Whenua did as he holstered his massive large broadsword on his now wider and more muscular back and powered down, and Whenua's new body, clothes, weapons, jewelry, and massive black angel wings are permanent.

Lincoln: Nice one, Whenua.

Whenua: Thanks, Lincoln. Is Skull Kid…?

Lincoln: He's going to be okay, we need to get him to the infirmary to recover and rest after being freed from Majora's Mask.

Me: Now, we're finally rid of Majora for good.

Nico: That evil mask caused us enough trouble for the last time, but now, it's over.

Gentaro: And we're also rid of The Space Ironmen and Sagittarius Zodiart.

Nico: And Gamou has been recruited into the Masters of Evil.

Lincoln: He'll fit in perfectly with them, along with the Zodiart Monsters we recruited from Whenua's previous Ambassador missions.

Eli: You said it.

Woz: Rejoice! Another of the Dai Shocker Villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider Allies: Kamen Riders Fourze and Meteor! May their alliance last until the final frontier is no longer boundless!

Me: That is a fact!

Nico: So awesome!

Gamou: So, I'll be safe from Swartz in your base?

Dr. Destiny: Of course you will.

Nico: The Masters of Evil will make sure that no one touches you.

Eli: That's right.

Dr. Polaris: And you should be very proud of how Gentaro has grown.

Gamou: Oh I am. I'm proud he has come a long way.

Twilight Sparkle: And we're really proud of his views and speeches on Friendship.

Me: We all are.

Roxy Rocket: The Avataro Gears that Nico and the others got sure came in handy.

Aria Seleneia: I'm gonna love it here with you guys.

Demona Wendollstein: Same with me.

Top: You girls won't regret it.

Me: That's for sure.

Marionette Shadow: Gentaro, when we get home, you can see our new Planet Finder.

Gentaro: I have a feeling that this is gonna be so awesome.

Nico: Oh it is. Now we go meet the Wizard Riders tomorrow.

Elyon Brown: I'm really looking forward to that one.

Nico: It sure was. Lets head home.

We went back home and showed Gentaro and team our Planet Finder and more and then we enjoyed the rest of the day and went to sleep.

Nico: It sure is awesome.

Camie: I think it's so awesome that we can do that.

Xenia: You got that right.

Jeri: It sure is fun and awesome.

Lola: It always is.

Nico: Thanks for coming, Jeri.

Jeri: It's a great honor to go with you Nico.

Nico: You're going to have fun on this one.

Qin: You sure are.

Nico: Jeri, are you happy to have Leomon back?

Jeri: I sure am and I am happy more to be with Takato.

Nico: So happy for you.

Camie: Did something happen to Jeri?

Me: It's a really scary story. Jeri has a very dark past.

Tsuyu: Oh man. What happened?

Varie: Well it's a very complicated situation. But it went like this. She went through a very traumatic and terrible past.

Varie told them everything about what she learned when she helped Jeri.

FLASHBACK - CHAPTER 60

Varie is in the Simulator.

Me, Aylene, Jessie, Anastasia, Woody, Naruto, Sakura, Fu, Ino, Rin, Hinata, Lincoln, Laney, Lana & Lola, Penny and Lisa are in the Control Room.

The Simulator activated and Varie found herself in the Shinjuku District of Tokyo, Japan. She saw half of the Shinjuku City Hall Tower engulfed in a weird red mass.

Varie: Oh man. I'm in the battle against the D-Reaper.

Me: The D-Reaper? This is terrible.

Lana: What is the D-Reaper?

Me: It was a program created to control the growth of Artificial Intelligence. The D-Reaper was created and programmed to delete programs that exceeded their original perameters. It was based on the Reaper Program that was designed to destroy the Morris Worm Virus back in the 80's by the United States Department of Defense.

Lisa: Exactly. The Reaper Program was designed for that purpose. But this D-Reaper sounds like it poses a serious threat to the world.

Lola: Technology is not my strongsuit, no offense Lisa. It's interesting but not for me.

Lisa: None taken Lola.

Aylene: Technology was never my strongsuit. It's too complicated for me.

Laney: I know how you feel Aylene.

Lana: This is really weird.

Penny: This is really fascinating for me. Computers are neat.

Jessie: I find all this interesting. But why would the D-Reaper want to attack the world?

Me: I don't remember the full story but we'll find out in time. Let's watch and see.

Varie walked up to the red mass of the D-Reaper.

Varie: This is bad. I got to destroy this thing.

?: Human beings are insignificant creatures and don't deserve to live.

Varie: Who said that?

Out of a bush came Jeri Katou but there was something wrong with

her.

Varie: Jeri? Wait a minute. You're not Jeri. You're one of the Agents of the D-Reaper.

ADR 001: Correct, subject Varie Knudson.

Varie: What have you done with the real Jeri?

ADR 001: Your concern is illogical. The D-Reaper has therefore concluded that all humans only desire destruction. Emotions such as love, sadness, anger and happiness do nothing more than make you weak.

Varie: I don't believe that. Love makes you stronger.

Varie dashed and punched the clone in the face and sent her crashing into a building.

She arose from the rubble and was in her true form.

Varie: So this is your true form. You sure are ugly.

ADR 001: Yes. Human beings do not deserve to exist. Humans are worthless creatures that only cause destruction. They created Digimon to fight battles and load data so that they'll get stronger in strength in ability. Humans and Digimon must be deleted immediately.

Varie: Shut up! You have no right to decide that! We have a right to live and to protect the people we care about! That's something a warped freak like you can never understand!

ADR 001: Human beings wage war, destroy other human beings and therefore their existence is pointless.

Varie: SHUT UP!

The Agent continued to talk its head off and Varie got angrier and her hair flashed Aqua Blue and back to Aqua Green. Her eyes were flashing to purple and back to blue. The ground started shaking violently and lightning was striking the ground around her.

She then unleashed a new transformation in a massive explosion of Aqua Blue light and Varie became a Super Angel. She had Aqua Blue Hair, Purple Eyes and an Aqua Blue Aura that was emitting extreme power and her energy levels had skyrocketed dramatically and her Wings were spread.

---

In the Control room we were flabbergasted.

Me: [Gasp] Varie became a Super Angel!

Lana: Whoa! Varie looks awesome!

Anastasia: She looks amazing.

Lola: How did she unlock this power?

Me: It must've been the constant babbling done by the agent about how the D-Reaper will wipe out Humanity. It triggered something in Varie. Her power is incredible. She can win now.

Hinata had her Byakugan active and she looked away.

Fu: What do you see Hinata?

Hinata: Her energy is so strong that it's like looking at the Sun.

Rin: Wow! Varie's power increased dramatically.

Ino: Incredible.

Sakura: Yeah. Incredible. We've seen J.D.'s Super Angel transformation and he overwhelmed Kakashi-Sensei without any problems.

Naruto: Yeah.

Jessie: This is unbelievable.

---

Back in the battle.

Varie: I won't let you destroy the planet you monster!

Varie fired a Ki blast and it hit the Agent in the head and the Agent was destroyed.

Varie: That takes care of that. Now to find Jeri.

Varie looked around and sensed something in between the two towers of Shinjuku City Hall and flew out to it.

As she flew, she saw a big fight going on. Lots of explosions destroyed numerous agents and more.

Varie: Looks like the Tamers have their hands full. I hope they pull through.

Varie felt something invisible.

Varie: There's something here.

Beelzemon and Calumon show up.

Varie: Beelzemon and Calumon? What are you doing here?

Beelzemon: Same thing you are. Calumon thinks he knows where Jeri is.

Calumon jumps onto the invisible field.

Calumon: Can you break this open?

Varie: We'll try. Get on me quick.

Calumon did so and Varie fired a Ki ball and Beelzemon fired his guns and they saw a giant red sphere appear and it was suspended in mid air between the towers of the Shinjuku City Hall building.

Varie looked into a crack and couldn't see anything.

Varie: Beelzemon can you widen this crack big enough for me and Calumon to get through?

Beelzemon: I can try.

Beelzemon widened it big enough with his strength.

Beelzemon: There. Varie, bring Jeri back safely. I did a horrible thing to her and I want to redeem myself. I can't change the past. But I can try to help her.

Varie: I will try to help her.

Varie and Calumon got through and swam down and they saw another orb and inside it was Jeri Katou.

Varie: Jeri. Thank goodness.

They got into the orb and landed by her.

Varie: Jeri, thank goodness you're alright.

Jeri didn't look up.

Varie: Jeri what's wrong?

She didn't answer.

Calumon: Jeri it's me Calumon. Aren't you glad to see me?

Varie: She's sad for some reason.

Varie then decided to go into her mind and see what's wrong.

Varie used her psychic powers and entered her mind. She saw a horrific and dark past. Her mother died of a terminal disease when she was 5 and it devastated her. Her father Tadashi tried his very hardest to look after her, but it was never enough for her and he remarried and Jeri never got along with her stepmother or her stepbrother. She wore a mask to hide her pain and made Lots of Friends. Takato Matsuki has a crush on her and she became a tamer and her partner was Leomon. But a tragic day befell her in the Digital World. Beelzemon destroyed Leomon and it devastated her a lot. She blamed herself for what happened and thought her destiny was to always be alone.

Varie snapped out of it.

Calumon: Varie, what's wrong?

Varie: Jeri, are you sad because of what happened to your mother and Leomon?

Jeri got up and looked at her.

Jeri: How did you know all that?

Varie: Because like you I too have a dark past. When I was 5 years old, My parents were killed by Evil Mermaids from the Dark Side of the Legend.

Jeri: But mermaids aren't real.

Varie: Mermaids are real. But I have special powers that enable me to do all sorts of things. But I saw your past and I can tell that you've been through a lot.

Jeri: You've never had your Digimon Partner destroyed by an evil Digimon! How would you know!?

Varie: You're right. I don't have a Digimon Partner but I can tell that you and Leomon were very close. I also can tell that you and your mother were close too. I know how hard it is to lose a member of your family and I know how much it hurts. The pain never goes away. I can tell. But your destiny is to never be alone. That's not how it works. Everyone has the power to change their destiny and it lies within your heart. Everyones destiny is never set in stone.

Jeri: Maybe my destiny was to always to be alone.

Varie: No. That's not true. You have a lot of friends and you made them apart of your life. Takato loves you more than life itself. Hes always been there for you. Takato has strong feelings for you. He just never showed it. You can't let the past haunt you like this. Losing my parents was rough but I know that they will always be with me in my heart and in spirit. I have learned how to let go of the past and move on towards the future.

Jeri: How can I?

Varie: You can start by being with your friends and let go of your sadness, guilt and regret. You can't live your life in sadness. You can't blame yourself for what happened to your mom and Leomon. It wasn't your fault. Beelzemon is on the path to redemption. He feels so terrible about what happened and he wants to save you. I know how much Leomon meant to you but he will always be with you in heart and in spirit as long as you remember everything he and your mother taught you. You'll never be apart as long as you believe in yourself and keep them in your memories and your heart and spirit.

Jeri then started to realize everything Varie said and she broke down crying and hugged Varie.

Varie: Just let it all out Jeri. Let it all out.

Jeri: I hate being alone! [Crying hard] I want to be with everyone!

Varie: I know Jeri. It's okay.

---

In the control room.

Sakura: Oh poor Jeri.

Fu: She's been through a dark life too.

Hinata: That's sad.

Ino: Poor girl.

Rin: Oh man.

Naruto: I feel her pain. She's had dark past too. Like most of us.

Me: I know little bro. Her past was a tragic one.

Lola, Lana, and Penny were crying and Aylene was comforting them.

---

Varie was comforting Jeri as she cried for 30 minutes. She began to feel better.

Jeri: Thank you for helping me get over my grief Varie.

Varie: It's no problem Jeri.

Calumon floated over to Jeri.

Calumon: Jeri you're back!

Jeri: Calumon. It's so good that you're okay.

Calumon: Thanks to Takato and my friends. You too Jeri.

Varie: Jeri, Calumon, lets get out of here shall we?

Jeri: Lets.

Varie: Stay close to me.

Varie and Jeri held hands and Varie flared up her aura and outside, aqua blue beams of light ripped through the red orb and it exploded with incredible power. When the smoke cleared Beelzemon saw that Varie, Jeri and Calumon were okay.

Beelzemon: Thank goodness you're all okay. Jeri, I'm so sorry. What I did is beyond forgiveness. I don't need anyone to tell me that. But I can't change the past.

Jeri: I forgive you Beelzemon.

Beelzemon felt grateful.

Varie: Lets go.

Varie, Jeri, Calumon and Beelzemon flew to the Building where the Monster Makers are at.

They arrived and went into the office and everyone was shocked to see Jeri okay.

Beelzemon reverted back to Impmon and Varie explained everything.

Everyone was horrified.

Mr. Yamaki: That's terrible. Jeri I'm very sorry about what happened to you. Losing a family member is really tough. Take it from me.

Riley: I know how you feel Jeri.

Tally: Me too.

Takato, Henry, Rika, Ryo, Kazu and Kenta came in and Jeri was reunited with them.

Henry: Jeri, thank goodness you're back.

Rika: Wait a minute. Didn't we see Jeri go home?

Varie: No Rika. That was not Jeri. It was one of the D-Reapers Agents that was made to look like her. She was planted as a spy to gather information and learn how humans work.

Suddenly a massive earthquake rattled the area and the D-Reaper changed into it's true form: The Mother D-Reaper.

Varie: That must be it's main core. It's power is unreal. I don't think we've ever faced a monstrosity this powerful before.

Takato: What to we do?

Varie: What else? We fight.

Then a golden light shined down on Jeri and a sword appeared. It had a golden yellow blade with a lion etched into it and the runes were in a strange language that were in the word Lionheart.

Leomon's voice was heard.

Leomon: Jeri, can you hear me?

Jeri: [Gasp] Leomon? Is that you?

Leomon: Yes Jeri. It's good to hear your voice again.

Jeri: Me too.

Leomon: Jeri take the sword. It belongs to you.

Jeri: But I don't know anything on how to fight with a sword.

Leomon: Trust me and remember, you have a lions heart.

Jeri took the sword and she suddenly sprouted yellow angel wings and on her forehead was a lion symbol. She was imbued with all of Leomon's strength and power as well as the knowledge on how to fight with and without a sword.

Jeri: I'm ready.

Varie: Lets go!

Suzie & Lopmon: **CHERUBIMON!**

Varie: Humans and Digimon working together. Perfect. Lets go!

The Battle that will decide the Fate of Humanity and Digimon has begun and they went out and fought with incredible power.

MegaGargomon: **MEGA BARRAGE!**

Numerous green energy missiles were fired and they hit numerous agents with lots of explosions.

Sakuyamon flew up.

Sakuyamon: **AMETHYST WIND!**

Sakuyamon released a purple energy flower petal wind and it obliterated some more agents.

HiAndromon: **ATOMIC RAY!**

A blue energy beam went through numerous agents and destroyed them. A huge explosion followed afterward when it hit the D-Reaper mass.

Cherubimon: **STORM OF JUDGEMENT!**

A huge lightning storm appeared and numerous lightning bolts struck the D-Reaper mass and lots of agents. The Mother D-Reaper was hit lots of times.

Gallentmon: **SHIELD OF THE JUST!**

A huge blast of red energy fired from the Shield and hit the Mother D-Reaper in the face head on with a huge explosion.

Varie, Jeri and Beelzemon were flying over the mass.

Varie: Let's attack it together with our strongest attacks.

Beelzemon: You got it!

Jeri: Right.

Varie: **KA! ME! HA! ME!**

Beelzemon formed a pentagram with his blaster.

Beelzemon: **CORONA DESTROYER!**

Jeri: **FIST OF THE BEAST KING!**

Varie: **HA!**

They fired at the same time and the attacks combined and when they hit the Mother D-Reaper the powerful attack exploded with incredible power.

The Explosion was so powerful that the Mushroom Cloud covered 1 tenth of the area.

Jeri: Did it work?

When the smoke cleared, the Mother D-Reaper had been 75%

blasted apart.

Varie: That did it.

Mother D-Reaper: **Negative, subject Varie Knudson.**

A figure emerges from the remaining structure of the Mother D-Reaper and it was the Jeri Agent. But this time it was faceless.

Varie: This one again? Wait a minute. It's different and it's more powerful than when I faced it. Let me face it.

Varie went out and she and the Agent clasped hands.

Mother D-Reaper: [Through the Agent] **Humans and Digimon exist only to destroy or be destroyed. An exercise in futility. Humans desire total annihilation therefore their existence is pointless.**

Varie: Like I said before. You have no right to decide that.

Varie punched the agent in the face and a vicious and ferocious fight began.

Varie punched it in the stomach and the agent punched Varie in the face and Varie kicked it in the mouth. The Agent punched Varie in the face again.

Mother D-Reaper: **You are persistent.** [Punches Varie in the head] **But you're only delaying the inevitable!**

The Agent kicked Varie in the stomach and kicked her in the head.

Varie belched out a small amount of blood.

Jeri: Varie!

Jeri flew in.

The Agent punched Varie in the face and kicked her into the D-Reaper Mass.

Mother D-Reaper: **YOU DO NOT DESERVE TO EXIST!**

Varie exploded out of the mass and Jeri slashed the agents cable.

Varie: We do deserve to exist!

Varie punched the agent in the stomach with devastating force.

Varie: You don't!

The agent disintegrated.

Varie: Thanks Jeri. Now. [turns to the rest of the D-Reaper] I've had enough of this.

Varie raised her hands into the air.

Varie: People of the Earth and Digimon of the Digital World, share your energy with me.

---

In the Control Room.

Me: Varie's using the Spirit Bomb.

Aylene: Spirit Bomb?

Me: It's the ultimate attack. I saw it on Dragonball Z. It draws energy from every living thing around. The trees, water, all life and even the Sun and the Moon. When it's strong enough, It's released as one massive ball of energy.

Aylene: Incredible.

Lana: But will it be strong enough to take out the D-Reaper for good?

Me: Yes it will Lana.

---

Everyone on Earth raised their hands and everyone in the Digital World channeled their energy and the energy from both worlds poured into Varie at an accelerated rate.

A massive energy ball the size of the Moon formed and Varie condensed it to the size of her hand. Making it more concentrated and more powerful.

Varie: D-Reaper, this is the power of Humans and Digimon working together. Now perish! **SPIRIT BOMB!**

She threw it into the heart of the D-Reaper Mass and it exploded with enormous power.

The explosion was so powerful and so devastating that it completely obliterated the entire D-Reaper on Earth. The explosion also went down to the Digital World and obliterated it completely there. The explosion traveled throughout the network and erased all traces of the D-Reaper from it completely.

When the smoke cleared, a huge crater with a tube hole was where the mass was. It was a hole that led to the Digital World.

Varie powered down and she was a little tired.

Varie: At last, it's finally over. The D-Reapers energy signal has completely disappeared.

Luckily, the building everyone was in was protected by a heart bubble created by one of MarineAngemon's heart bubbles.

The merged Digimon changed back and they all cheered.

The city was under repair and Varie, Takato, Henry, Rika, Jeri, Kazu and Suzie were heroes.

---

In the control room, we were cheering wildly.

Me: She did it!

Aylene: Way to go Varie!

Anastasia: You rock girl!

Jessie: She is awesome!

Lisa: Affirmative. She is awesome.

Varie, Takato, Henry, Rika, Jeri, Kazu, Kenta, Susie, the Monster Makers and the Digimon were heroes.

Varie offered to have the Tamers, the Digimon and their families move to Detroit and they accepted.

The exercise ended.

Jeri now lives in my mansion. Turns out she, her stepmom and stepbrother now have a close bond. The Digimon Sovereign Zhuqiaomon, Azulongmon, Baihumon and Ebonwumon now live in castles at the Cardinal Points on the Detroit and Royal Woods City Perimeter. Takato and Jeri are now boyfriend and girlfriend after Jeri revealed her feelings for him.

FLASHBACK ENDS

Everyone that hadn't heard about it was shocked and horrified but felt really bad for Jeri.

Tsuyu: Oh man that is awful.

Himiko: That's terrible that happened to you Jeri.

Jeri: Yeah but J.D. resurrected Leomon and brought my mom back to me.

Me: I resurrected her when we met Jeri's Dad when we were heading out to meet Kameo.

FLASHBACK 2 - CHAPTER 1428)

In Japan we were on the outskirts of Tokyo and we were walking to Jeri's house.

Jinx: Jeri, please tell me your dad never abused you!

Jeri: No my dad never abused me. He tried his hardest to take care of me after my mother died.

Sena: What happened to your mom Jeri?

Me: Right you don't know about this Sena. Jeri has a really dark past. Her mother died of a terminal disease when she was young.

I went over everything that happened to her and how she lost Leomon the first time and how the D-Reaper used her to nearly destroy the entire planet. When I was done everyone that hasn't heard about her past was sad and horrified.

Rai: Whoa!

Right Suzuki: I remember seeing that. That was horrible!

Kairi Yano: Jeri we didn't know you were going through all that.

Umika: That's awful.

Jeri: It was.

Varie: I saw it and it was terrible. I went into her mind when I first met her and it was horrible that she went through all that.

Laney: Yeah.

Jeri: But thanks for coming with me guys.

Éclair: You're welcome.

We arrived at the home of the Katou family.

Me: This it?

Jeri: Yeah.

We went up and I knocked on the door and answering it was Jeri's dad Tadashi Katou.

Tadashi: Team Loud Phoenix Storm it's an honor to meet you.

Me: Pleasure to meet you too Mr. Katou. Sorry to come like this but we would like to talk to you about Jeri. She's not in trouble or anything.

Tadashi: Sure come on in.

We went inside.

Luna grabbed Jeri's dad by the throat.

Luna: (starts choking him) Any last words, asshole?!

Dora the Dragon Ghost: Luna, calm down!

Lola: Yeah! Violence is me, Lynn, and Lori's thing, remember?

Sam S.L.: Luna calm down! Let him go.

Me: We're only here to talk to him and not hurt him.

Luna let him go.

Me: Sorry about that Mr. Katou, Luna gets really pissed off about anyone being abused by family. And so do I.

Tadashi: No worries.

Octopunch: Jeri has been an important member of our team. Heck, she even has Duskmon as her archenemy.

Tadashi Katou: Duskmon? You mean one of those Evil Digimon?!

Lori: (facepalms) It'll literally be a miracle if this ends up resolved peacefully.

Me: Tadashi, Duskmon is not an evil Digimon anymore. He's now part of our frenemies in the Masters of Evil. It's a long story. But yeah.

Nico: We understand your concern about Jeri and everything that happened to her after her mom died and all that.

Varie: Jeri and I know the same pain that Jeri went through.

Naruto: And so do I.

Sasuke: As well as me.

Me: Most of us come from incredibly dark backgrounds and all that. It's not good.

I told him everything that has happened with Jeri and us and all that and everything that went down because of the D-Reaper and everything that Jeri went through. Tadashi Katou was horrified. He had no idea that his own daughter was going through such incredible emotional pain from the loss of her mother and it was horrible that she would be subjected to such darkness.

Tadashi Katou: (Voice Breaking) Jeri why didn't you tell me you were going through all this?

Jeri: Because I didn't want to worry you or make you upset. Mom's death really devastated me and I always thought that it was my destiny to always be alone.

Varie: But it wasn't the case. Jeri went through so much because of the D-Reaper and losing Leomon. She blamed herself for not being able to help him. But the D-Reaper used her as a pawn to destroy the entire planet. I reminded Jeri that there are others that went through the exact kind of pain she did.

Nico: Jeri was hiding her pain with a mask. The death of her own mother and Leomon devastated her very badly.

Me: Yeah. Varie and Takato did really good helping her out.

Takato: I have been there for Jeri since.

Tadashi: I will always be grateful to you both.

Me: Also Tadashi, I know you did your best to help her and that Jeri was mad at you for not trying hard enough but I think it's time for you to bury the hatchet and forgive each other.

Seaspray: Yeah. So, why don't you two hug and make up?

Lynn: Before Luna tries to strangle you again.

Me: Lynn you can't rush these things. Jeri went through a dark and traumatic past and her losing Leomon, not befriending her stepmother and stepbrother and the D-Reaper nearly destroying the entire planet really scarred her not just emotionally but psychologically.

Lynn: Oh. Sorry.

Jeri: But daddy?

She went and hugged him.

Jeri: I forgive you for everything. I know you did your best and I will always love you for it.

Tadashi then cried in happiness and hugged his daughter.

Nico: Aww.

Laney: So happy for them.

I then saw a picture of Jeri's mom and she was a beautiful red-hair woman and Jeri loved her more than anything. I picked up the frame with the photo of her mom in it.

Me: This must be Shizue Katou.

Vince: Wow she is pretty.

Laney: Yeah she sure is.

Me: Mmm.

Nico: I have a feeling I know what you are going to do J.D.

Me: Yep. It's time for Jeri to be healed. (Snaps fingers)

Then a pillar of white light shined down onto the Katou house and then the divine singing of angels was heard as an angel came down and it was Jeri's mom Shizue and she landed and opened her eyes.

Jeri saw her and gasped.

Jeri: (Voice Breaking) Mommy?

Shizue: Hello my sweet Jeri.

Jeri: MOMMY!

She went and hugged her mom for the first time in 9 years and then she cried hard.

Jeri: (Crying hard) MOM! I MISSED YOU SO MUCH!

Shizue: I missed you too Jeri.

Tadashi: Shizue.

Shizue: Its good to see you again Tadashi.

Tadashi: You are as beautiful as ever. But how did you get here?

I put my hand on his shoulder.

Me: I did it. I resurrected her for you and Jeri. After everything that happened to you and your family it's time for you to start healing. After everything you and Jeri went through it's time for you to be back together and start rebuilding.

Tadashi: You did this for us?

Me: I sure did. Just like I did with so many.

Tadashi then surprised me and he hugged me and cried happily and I smiled.

I hugged him and pat his back.

Eli: That's my bro for you guys. Always giving to people.

Éclair: J.D. is truly an amazing guy.

We had the Katou family move into the estate.

FLASHBACK 2 ENDS

Camie: Wow!

Nico: That was a really awesome reunion. Luna went through some overprotectiveness because she was going to transform.

Me: Yeah.

Zocks: Jeri, no kid like you should have needed to go through any of that!

Jeri: I know. But I didn't know how to tell anyone.

Varie: But I helped Jeri feel more open and more friendly with everyone. Jeri's destiny was never to be alone. She is a true angel sent from Heaven and she hid her true pain under a mask. I know how Jeri feels too.

Nico: That was terrible that happened to her.

Lola: Yeah it was.

Me: But now Jeri has Takato as her awesome boyfriend and has Leomon again. And Calumon loves her too because of the bread from Takato's family's bakery.

Qin: That's true.

Nico: Come to think of it we have never been to Takato's family's bakery before.

Me: No we sure haven't. Maybe when we meet the Wizard Team we can go check it out.

Nico: What does Takato's bakery have to do with the Wizard team?

Me: Well it's located right in the Shinjuku district and Hataru and his team live there too. It's located 500 yards down the street from the Antique Store.

Qin: Very Coincidental that it's there.

Jeri: It sure is.

Varie: Besides we haven't met Takato's mom and dad yet especially after everything that happened.

Nico: Yeah you're right we haven't.

Laney: Yeah and I want to try some of their bread too. I heard so much about their bakery from Takato and I want to see it for myself.

Jeri: Oh it will be so awesome Laney.

Zocks: Wow.

Philip: But Jeri we're so sorry you had to go through all that.

Camie: Yeah like Zocks said, no one in your age group should ever have to go through that.

Jeri: I know but thank you guys.

Me: You're welcome Jeri. Takato is so lucky to have an awesome girlfriend like you.

Jeri: (Giggles) He sure is.

Gentaro: The adventure we had with you guys yesterday was so awesome.

Lana: It was one of the best ever.

Nico: I'm just glad we got Gamou to Masters of Evil HQ before the Space Ironmen had a chance to do anything bad to him!

Me: Boy talk about arriving just in the nick of time. And we sent the Space Ironmen to the Black Gates forever.

Lola: We sure did.

Nico: Thank goodness.

Me: By the way Nico how will the Wizard Team react to us getting Rings for all our frenemies?

Nico: They'd gladly join the fight against Swartz.

Juran: Speaking of Swartz, maybe you should've accepted Gamou's offer to take him out quickly together.

Nico: Juran, you really think it's a wise decision when there are still powerful villains left in Dai Shocker?

Me: I agree there Juran. We already told Gamou that we would ALL take down Swartz one at a time. Besides we just got to wait a little longer. Patience is a virtue.

Earth: He's right on that.

Eli: All of us will take him down together.

Eiji: We all will.

Me: Besides I feel a new power rising in me that is stronger than my Xelnaga form.

Nico: I don't think any power is stronger than that one J.D.

Me: Well this one is and it's going to surface when we face Swartz.

Eli: Bro is right. I sense it and it's immensely powerful.

Sheila (D&D): Wonder how strong it is?

Aylene C.: We'll find out soon.

We arrived at the planet.

Nico: We're here.

Me: Here we go.

We went down to the planet and we then smelled a really awesome and familiar smell.

Me: Oh I know that smell anywhere. (DROOLS) (Imitating Homer) Mmm Smoked Meat.

Nico: Just leave the killing blow to me when we face Swartz.

Me: I plan to as long as we all get some shots in on him.

Nico: Fair enough.

We landed and we saw that it was a planet made ENTIRELY OUT OF SMOKED MEATS! There was tons and tons of smoked meats of massive numbers of kinds that covered the landscape as far as the eye can see. The smell of hickory, mesquite, apple, peach, cherry and oak wood flavors permeated the air all around us!

Me: WHOA! A planet made entirely out of Smoked Meats!

Nico was drooling uncontrollably.

Me: Oh boy!

Nico: So delicious and beautiful!

Eli: (Drools) Wow!

Nico: Now, before I start digging in, I just want to say that I may have to take drastic measures when it's time to take out Swartz. The kind of measures that involve something from the comics.

Gaon: What's that?

May: (knows what I'm talking about) Just wait until August 12.

Nico: Okay.

Me: What is this drastic measure?

Nico: Me and May are getting Black Suits from Venom just temporarily.

We gasped in shock!

Me: Nico that's crazy!

Eli: Yeah we don't know how it will affect you!

Maria: To be fair, I tried it. And I turned out fine.

Me: Wait I remember that now.

Carol: That was awesome seeing that and it worked great.

Laney: Yeah it sure did.

Lola: No kidding.

Nico: Don't tell Woz and the others about this though.

Me: We won't. But knowing Leni she will spill the beans.

Qin: Yeah.

Lincoln: Leni can't keep a secret.

Nico: You're right. But lets dig in!

We jumped and ate smoked meats all over. We had ham, chicken, sausages, steaks, pork and ribs and more.

Nico: MMM! But I'm serious guys!

Me: Okay man!

Jeri: So yummy!

Eli: Delicious!

Lola: Yeah!

Me: Homer would drool at the sight of this place.

Kaito: He sure would!

Varie: Yeah he would!

Nico: Let's bring some home with us to him then!

We agreed on that.

Camie: Boy this meat is awesome.

Tsuyu: Yeah it sure is!

Himiko: Best planet of all!

Lola then pulled out a meat and then..

CRUNCH!

She bit into a piece of meat that was frozen in a block of ice! She lost her last baby tooth!

Lola: OUCH!

Me: Whoa!

Nico: Geez! You all right Lola?

Lola: Yeah.

Nico: The tooth fairy's gonna give you money now!

Me: Better hold on to that Lola. The last baby tooth is worth much more than the others.

Lola: Wow!

She put her tooth in her pocket.

Me: But how in the world did this meat get frozen in a block of ice like this?

Lana: It wasn't my doing.

Magine: I feel cold all of a sudden.

Eli: Wait I sense something. I sense Another Omnitrix Alien here. It's over in that direction!

He pointed to the west.

Me: I see something!

We saw a glowing blue figure coming. It had intense cold! It was a black Necrofriggian!

Me: Whoa! It's Another Big Chill!

Qin: This one is really cold!

Eiji: Yeah!

Nico: A cold one here too.

Jeri: Who are you?!

Me: Yeah Mr. Freeze Pants!

Another Big Chill: (In a girls voice) (Norwegian Accent) I think J.D. knows about that.

Me: (Gasp) That voice. Edith Johannessen!

Another Big Chill: Been a long time J.D.

Nico: You know her?

Me: I sure do. Edith is from Norway and she is a movie director and she makes nature documentaries around volcanoes.

Nico: Cool!

Qin: Yeah that is awesome.

Me: Edith and I went all over the world and filmed all about every known volcano there is for many high school movie projects. We were the best directors in all of the school. We even got Pulitzer Awards for best documentaries about some of the worlds most amazing erupting volcanoes to understand how they work.

Nico: That's awesome.

Nicole: I didn't know about that dad. You and Edith are like my heroes Maurice and Katia Krafft reborn.

Laney: That is awesome.

Another Big Chill: It sure is.

Eli: Yeah. Wait I sense another figure.

We saw another figure come out and it was an orange figure and it had the constellation of Camelopardalis The Giraffe on its chest and had a staff. It was THE CAMELOPARDALIS ZODIARTS!

Me: The Camelopardalis Zodiarts!? WHOA!

Nico: We never faced this one before.

Varie: First one for Eridanus the River and now this one.

Camelopardalis Zodiart: (In a girls voice) Been a long time J.D.

Me: That voice!

She reverted back and it was another figure. It was a girl with orange hair and green eyes and she had orange clothes and the constellation of Camelopardalis the Giraffe on her skirt and the symbol of Camelopardalis on her arm.

Me: Camillia Exator!

Camillia: Been a while.

Me: It sure has.

Nico: How do you know her J.D.?

Me: She and I were awesome jungle explorers and we did all kinds of awesome jungle expeditions in rainforests all over the planet. We did it all and helped tons of people in the jungles of Africa, South America, Asia and Australia.

Nico: That's cool!

Eli: It sure is.

Camillia: Good times.

Me: So we have new Zodiarts running around too.

Gentaro: We haven't seen any of these ones yet.

Nico: What did Swartz promise you?

Another Big Chill: That I could be the greatest documentary master ever.

Me: Well obviously he was lying.

Nico: Yeah.

Another Big Chill: Yes I realize that now.

Me: Good. Sorry to do this girls but we have to fight.

Camillia: I know.

She turned back into Camelopardalis Zodiart.

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

Hitoshi: Lets do it guys!

The Kamen Riders all got ready!

Riders: HENSHIN!

They transformed and were ready for action!

Me: Time to kick some butt!

Nico: (takes out Ice Demon's Ridewatch) I'll show you ice of my own!

Nico activated it.

(INTO THE UNKNOWN - FROZEN II PLAYS)

Nico: (SINGING DIVINELY AS ICE AND BLUE FIRE SWIRLS

AROUND HIM)

Ah-ah, oh-oh

Ah-ah, oh-oh

Ah-ah, oh-oh-oh-oh

I can hear you, but I won't

Some look for trouble

While others don't

There's a thousand reasons

I should go about my day

And ignore your whispers

Which I wish would go away, oh, oh-oh

Oh

(Ah-ah, oh-oh)

You're not a voice

You're just ringing in my ear

And if I heard you, which I don't

I'm spoken for, I fear

Everyone I've ever loved is here within these walls

I'm sorry, secret siren, but I'm blocking out your calls

I've had my adventure, I don't need something new

I'm afraid of what I'm risking if I follow you

Into the unknown

Into the unknown

Into the unknown

What do you want?

'Cause you've been keeping me awake

Are you here to distract me

So I make a big mistake?

Or are you someone out there

Who's a little bit like me?

Who knows deep down

I'm not where I'm meant to be?

Every day's a little harder

As I feel my power grow

Don't you know there's part of me

That longs to go

Into the unknown?

Into the unknown

Into the unknown (ah-ah, ah-ah, ah-ah, ah-ah)

Oh, oh, oh

Are you out there? Do you know me?

Can you feel me? Can you show me?

Ah-ah, ah-ah (ah-ah, ah-ah)

Ah-ah, ah-ah (ah-ah, ah-ah)

Ah-ah, ah-ah (ah-ah, ah-ah)

Ah-ah, ah-ah (ah-ah, ah-ah)

Ah-ah, ah-ah (ah-ah, ah-ah)

Ah-ah, ah-ah-ah (ah-ah, ah-ah)

Where are you going?

Don't leave me alone

How do I follow you

Into the unknown?

Nico danced and fired waves of ice and blue fire and blasted them both down.

Jeri: YEAH! Try this on! (ACTIVATES DUSKMON'S RIDEWATCH)

(VARGSÅNGEN BY RONJA RÖVARDOTTER PLAYS)

Me: (SINGING DIVINELY IN SWEDISH AS BLUE FIRE AND WOLVES HOWL)

Vargen ylar i nattens skog,

I fired waves of blue fire and they smashed Another Big Chill down.

Albedo became Negative Big Chill.

Negative Big Chill: Time to chill out!

Another Big Chill then fired a blast of Endothermic Fire and we jumped out of the way and we saw ice form on the meat instantly!

Nico: WHOA!

Eiji: That is really cold!

Me: It's Endothermic Fire. It's fire that absorbs heat and freezes everything on contact.

Eiji: Cold!

Camelopardalis Zodiart: Your voice is really divine.

Another Big Chill: All of yours are.

Me: We get that all the time. We've been having a lot of Karaoke Sessions and we got amazing singing talents.

Qin: We sure do. Here's one Mata Hari would know. (ACTIVATE'S DIABLO'S RIDEWATCH)

(SKYFALL BY ADELE PLAYS)

Qin: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

This is the end

Hold your breath and count to ten

Feel the Earth move and then

Hear my heart burst again

For this is the end

I've drowned and dreamt this moment

So overdue, I owe them

Swept away, I'm stolen

Let the sky fall

When it crumbles

We will stand tall

Face it all together

Let the sky fall

When it crumbles

We will stand tall

Face it all together

At Skyfall

At Skyfall

Skyfall is where we start

A thousand miles and poles apart

Where worlds collide and days are dark

You may have my number, you can take my name

But you'll never have my heart

Let the sky fall (let the sky fall)

When it crumbles (when it crumbles)

We will stand tall (we will stand tall)

Face it all together

Let the sky fall (let the sky fall)

When it crumbles (when it crumbles)

We will stand tall (we will stand tall)

Face it all together

At Skyfall

Where you go, I go

What you see, I see

I know I'd never be me

Without the security

Of your loving arms

Keeping me from harm

Put your hand in my hand

And we'll stand

Let the sky fall (let the sky fall)

When it crumbles (when it crumbles)

We will stand tall (we will stand tall)

Face it all together

Let the sky fall (let the sky fall)

When it crumbles (when it crumbles)

We will stand tall (we will stand tall)

Face it all together

At Skyfall

Let the sky fall

We'll stand tall

At Skyfall

She danced and fired massive blasts of fire and blasted Another Big Chill all over!

Qin: YEAH!

Kaito: (gets out Gaim Gear) Save some for us!

Zocks: (takes out Wizard Gear) This gear is suitable for today.

Kaito got a Gaim Sword and Zocks got a Wizard Sword.

Nico: YEAH!

Me: How about this one. (ACTIVATE'S U.A. CARNAGE'S RIDEWATCH)

(LIFE IN MONO BY MONO PLAYS)

Me: (SINGING DIVINELY AS BLOOD AND FIRE SWIRLS AROUND ME)

The stranger sang a theme

From someone else's dream

The leaves began to fall

And no one spoke at all

But I can't seem to recall

When you came along

Ingenue, ingenue

I just don't know what to do

The tree-lined avenue

Begins to fade from view

Drowning past regrets

In tea and cigarettes

But I can't seem to forget

When you came along

Ingenue, ingenue

I just don't know what to do

Ingenue

I just don't know what to do

Ingenue

I just don't know what to do

Ingenue

I just don't know what to do

Ingenue

I just don't know what to do

Ingenue

I just don't know what to do

I danced divinely and amazingly and fired waves of blood and fire and smashed Camelopardalis Zodiart down.

Lola: WOW! That was awesome!

Nico: It was.

Eli danced and fired waves of rock and earth and smashed them both down.

Nico: Nice one!

Qin: That was great Eli!

Another Big Chill breathed ice at Vroon only for it to hit the top of a snow cone he was holding.

Vroon: Really!?

Me: Okay that's unusual.

Sirius: This will be fun. (ACTIVATES SHIBOLENA'S RIDEWATCH)

Give me release

Witness me

I am outside

Give me peace

Heaven holds a sense of wonder

That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking

In this silence

In this white wave

In this silence

I believe

Passion chokes the flower

Till she cries no more

Possesing all the beauty

Hungry still for more

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking

In this silence

In this white wave

In this silence

I believe

I can't help this loning

Comfort me

I can't hold it all in

If you won't let me

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking

In this silence

She floated into the air and fired waves of water and they formed into angels and they hit Another Big Chill and Camelopardalis Zodiart all over the place.

Carol: This will be awesome. (ACTIVATES SAIX'S RIDEWATCH)

Carol: (SINGS DIVINELY AS LIGHT AND FIREFLIES SWIRL AROUND HER)

And how I've loved

And I have served

And I have sinned

But I have learned

As long as you are true to the life that you live

This is the time to feel love

I feel a stirring deep within

Slowly picking up momentum

Like the tide coming into shore

Over and under in it's course

This feeling emblazed inside

Every nerve like a firefly

Hovering above me

Glow glow glowing divine

Every nerve like a firefly

Every nerve like firefly

This feeling emblazed inside

Every nerve like a firefly

I never want to loose

What I have finally found

There's a requiem

A new congregation

And it's telling me go forward

And walk under a brighter sky

Every nerve glowing like a firefly

She fired waves of energy and light and they hit Camelopardalis Zodiart and knocked her down.

Me: Awesome Carol!

Nico: Had enough?

Another Big Chill: This is so fun hearing you all sing.

Me: We get that all the time. It's fun.

Eli: Here's one for Kida. (ACTIVATES DARTZ'S RIDEWATCH)

(THE CRYSTAL CHAMBER - ATLANTIS THE LOST EMPIRE PLAYS)

Eli formed a powerful ball of energy and it looked exactly like the Great Crystal of Atlantis and its power was incredible! Eli chanted a powerful incantation and then a beam of light hit Another Big Chil and it reverted her back to normal! She was a girl with blue hair and blue eyes and she had blue beautiful butterfly wings and had blue clothes and she had a sword for Big Chill with her and I caught her Big Chill ridewatch and purified it,

Edith Johannesson: I'm back to normal!

Qin: Wow! Eli that was amazing!

Me: Way to go bro!

Edith came over and hugged me!

Edith Johannesson: Thank you J.D.! And thank you Eli.

Eli: It was no problem. First time I ever did that.

Me: That was so awesome bro. Kida is gonna be amazed to hear about this.

Nico: This is usually the end!

Camelopardalis Zodiart: But that was so amazing! J.D. you taught your bro well.

Me: So I keep being told.

But then…

LOUD CRASH!

We felt tremendously loud footfalls!

Nico: What is that!?

LOUD CRASH!

Qin: Something is coming this way!

Eli: It's right behind us!

We looked and we saw a towering and massive and huge colossus! It was THE WALKING MOUNTAIN!

Camie: WHOA! IS THAT!?

Me: THE WALKING MOUNTAIN!

Eli: IT'S MASSIVE!

It fired a blast of earth and it hit the Camelopardalis Zodiart and she exploded and then I caught the switch and purified it and turned it into a sword! It was called The Sword of Camelopardalis!

Me: COOL!

I went over to Camillia and picked her up.

Me: Camillia are you all right?

Camillia: (GROANS) What a headache! But I'm okay.

Me: That's a relief.

The Walking Mountain reverted back and it was a girl with orange hair and orange clothes.

Nico: Halinor Rollington!

Halinor Rollington: Awesome to see you again Nico.

Me: That was so awesome!

I picked up Halinor and brought her over.

Jeri: That was an awesome battle.

Halinor Rollington: It sure was.

Jeri: What's your favorite memory of Nico?

Halinor Rollington: I have a lot of them. But my favorite is when me and Nico were climbing K2 in the Himalayas and we found a hidden crystal cave in it filled with blue sapphires and they were worth a fortune. Me and Nico brought them back and we called them The K2 Sapphires.

Maria: Wow that is amazing!

Jeri: Boy it sure is.

Me: Yeah!

Nico and Halinor hugged.

Nico: I missed you.

Halinor Rollington: Me too Nico.

Nico: But this was a great rescue.

Qin: And we found a mouthwatering planet.

Nico: Lets gather some meat for us and head home.

We went and did so and got TONS of it and then headed back home.

Back at the estate, Homer was watching TV. Then we came in.

Nico: Hey, Homer. Look what we got!

Homer: What is it?

We showed him smoked meats.

Homer: (Gasp) Mmm Smoked Meat. (DROOLS)

Nico: All yours.

Qin: You must be hungry.

Homer got to eating and boy was he loving it!

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Penny (Rescuers) are heading to The Hidden Leaf Village in the Simulator, and not only is Lincoln going to rescue the four girls here, but we're also going to destroy Evil Sasuke, and Lincoln's going to use my standard Evil Sasuke Rant on him. The Simulator activated, and we're in the Final Valley in The Hidden Leaf Village.

Lincoln: Whoa, we're here in the Final Valley in the Hidden Leaf Village, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy another Evil Sasuke, and I'm going to use our standard Evil Sasuke Rant on him.

Nico: That's right, Linc. J.D., Bai Tza, and I already had our fun with using that rant on him, now it's your turn.

Me: And I have this to say, big guy: make that bastard pay with his life!

Lincoln: (Smirks) Oh, I intend to do more than just kill him, especially with what I've got in store for him. And thanks for joining us, Penny.

Penny (Rescuers): You're welcome, Lincoln, this is going to be one amazing rescue.

Sima Shi: We've heard about all those times you've dealt with the evil versions of Sasuke, and I got to say, all of you have shown no mercy on him.

Lincoln: That's right, Sima Shi. You see, Sasuke was just like the Evil Sasukes that we've killed, that was until J.D. and all of us turned him away from all that, and ever since then, he's been on the side of good.

Ronnie Anne: Too bad we didn't invite the Hidden Leaf Shinobi to join us too, Lincoln.

Just then, the Hidden Leaf Shinobi also arrived in The Simulator and joined us.

Sasuke: Don't count us out of this one, Ronnie Anne. When we found out about Lincoln's rescue and he's going to use J.D.'s Evil Sasuke Rant on another Evil Sasuke, we had to join.

Naruto: Yeah, it's going to be really awesome. Hope we're not too late.

Lincoln: No, actually, you guys arrived early, and the call for help is about to come… right now!

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, along with Naruto's Simulator Counterpart, but they've been cornered by Evil Sasuke, and he's going to kill them all!

Lincoln: And right on time, guys, I found the four girls, along with Naruto's Simulator Counterpart, but they've been cornered by Evil Sasuke, and he's going to kill them all!

?: Let's get that black-hearted bastard and make him suffer!

Suddenly, we saw the Dog Earthbound Immortal Ccoshobar, appear before us.

Naruto: That's the Dog Earthbound Immortal Ccoshobar, way awesome!

Lincoln: It sure is, but I'd recognize that voice from anywhere, I knew it was you, Connie Sellingron, but we'll have to talk later. Let's hightail it and stop that disgraceful thief!

We rushed on over, and right before Evil Sasuke was about to kill Simulator Naruto, Lincoln punched Evil Sasuke so hard in the face with his immense brute superhuman strength, he sent him flying into a mountain of rock, and it allowed the four girls to get to safety, and we healed Simulator Naruto. When Evil Sasuke came out, his clothes were torn and bloody, and he was really pissed off now, especially when he saw me.

Evil Sasuke: YOU MOTHERFUCKING CUR!

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Hmm, yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to J.D. in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When that bastard made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha, all they did was seal their fate. Your father poisoned his own son with his own hatred and he turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness? But, it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. Just like J.D., I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me, and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the Devil known as Madara Uchiha, a monster and a planet destroyer, it's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that, I fucking hate your style above all others, you ruthless**

**fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why J.D. killed them all. YOU ALL FUCKING DISGUST ME!**

We all really cheered extremely wildly for Lincoln using the Evil Sasuke Rant on him, and this drove Evil Sasuke completely insane with wild uncontrollable rage and fury.

Me: Alright, that's telling him, Lincoln!

Nico: Yeah, take that, Evil Sasuke!

Evil Sasuke made a Chidori in his left arm and he was about to run at and attack Lincoln, but Lincoln fired a Destructo Disk made of molten lava at Evil Sasuke, and it hit him and it sliced off his left arm and burned him really badly and he screamed in excruciating pain and rage.

Me: Whoa, now that's new!

Nico: You can also create a Destructo Disk made of the elemental forces?! Now, that's way cool!

Naruto: Talk about creative, nice one, Lincoln.

Sasuke: But, he's not done yet, that bastard's still kicking and Lincoln's really pissed him off now.

TLPS Mr. Wolf: Should we jump in to help?

Me: No, let him have his fun first, besides, Lincoln's just getting started.

Evil Sasuke went at Lincoln and tried to punch and kick him, but Lincoln dodged all of them with ease and with swift flexibility. Then, Lincoln punched Evil Sasuke really hard in the stomach, and it caused him to belch out massive amounts of blood, and we saw Lincoln leave a really nasty black and blue bruise on Evil Sasuke's stomach.

Nico: Dang!

Me: What?! Wait, he said he didn't need to use Venom Slappers.

Lori: Yep, it's all Lincoln's immense and brute superhuman strength, and don't forget that he's also sucked out and absorbed the strength and muscle masses of some musclebound villains and he's added it to his own.

Nico: Holy crap!

Evil Sasuke: (Glaring at Lincoln) WHAT IS IT WITH YOU! WHY ARE YOU SO STRONG?! THAT POWER SHOULD BE MINE!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) This power will never be yours, not in a trillion lifetimes!

This sent Evil Sasuke really over the edge and he continued trying to attack Lincoln, but Lincoln kept dodging him and he fired powerful blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Evil Sasuke, and they exploded with incredible power as they hit him, and Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and he left painful and bloody scars and slashes on Evil Sasuke and spilled his blood.

Lincoln even grabbed Evil Sasuke's hand wings and he ripped them clean off and he screamed even more in pain, and he spreads his eight massive deep sapphire blue angel wings and he released a powerful rainbow energy wave, which removed Evil Sasuke's Curse Mark and cured him, and it spread throughout the Five Great Nations and it hits Orochimaru and Evil Kabuto Yakushi and killed them and sent them to The Black Gates, cured all those who were affected by Orochimaru's Curse Mark, and it also killed the Akatsuki and Madara Uchiha and it sent all of them to The Black Gates. When Evil Sasuke recovered, he saw that his power was gone for good, and it pissed him off even more.

Evil Sasuke: YOU CUR! WHY CAN'T I KILL YOU?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Because, my power didn't come to me by stealing it, I earned it. Power is earned and never given, you will always be weak and a worthless pathetic piece of dirt, just like your clan when they died. The Uchiha paid the ultimate price for their crimes just like you will. They had their chance, just like you did. We wanted to be your friends, Sasuke, but you just threw us aside. That shows you will never understand that true power comes from good things like Friendship, Hope, Love, and Wisdom.**

Evil Sasuke: Those are all meaningless things!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) (Rainbow Energy Aura Flares Up Even More) **That's where you're dead wrong, those are things that can help you, and it's clear that you don't want any of that: you would rather make enemies and use fear to get what you want, you're just like all of the other villains we've killed. There's a very clear difference between you and me: I worked hard to earn my power and I fight to protect those I hold dear to my heart, and there are many things that I hold dear to my heart, along with my moral code: and that's friendship, hope, love, wisdom, honor, forgiveness, and compassion, and it's those things that make me even more of a man that you, you wretched cur!**

We were really stunned at what Lincoln just said to Evil Sasuke, and that got the girls in his harem blushing even more.

Nico: Whoa.

Me: Was that really Lincoln?

Lori: It sure is, but that confidence and presence he displayed, it's like he's a whole different person.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **I have no more words to even say to you, you pathetic wretch. It's time for you to die and this time, you are never coming back.**

Evil Sasuke made another Chidori in his right arm and he was about to kill Lincoln, but Lincoln fired a massive rainbow Kamehameha energy wave and it hits Evil Sasuke and nothing was left of him, and he was erased forever by The Black Gates. We cheered wildly for what Lincoln did to Evil Sasuke, as he holstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds on his wider and muscular back and powered down. We then ran over to Lincoln and we hugged him.

Me: Lincoln, that was really really awesome of what you did to Evil Sasuke, you sure laid down the law on him and made him pay for it. (Voice Breaking) And what you did in using the Evil Sasuke rant on him and what you also said to him, I'm so proud of you.

Nico: We all are, and what you said to him, we felt that really powerful air of confidence and presence of power coming from you, it's as if you've become a whole different person.

Lincoln: I decided to do the very same thing that J.D. always did whenever he faces off against Evil Sasuke, but what I also said to that monster, that was all me, and that bastard paid the price for all of his crimes. Now, to make sure my mark is permanent.

Lincoln grabbed the headband Evil Sasuke had, and he took out a dagger and slashed it, which was proof that Evil Sasuke was a traitor and he always will be. Lincoln merged the counterparts in The Simulator with the real ones, and we all exited the Simulator.

Lincoln: Well, that's another Evil Sasuke finally dead and gone for good. (To Connie Sellingron) And it's so good to see you again, Connie Sellingron.

Connie Sellingron reverted back to normal, and she's a beautiful girl with long flowing orange hair, orange eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with orange tips, and she reigned in the power of Earthbound Immortal Ccoshobar, and she's dressed in a sleeveless orange midriff top, orange skirt with the Dog Nazca Line on it, camoflage pants, fishnet stockings, orange sneakers, and long sleeveless black trenchcoat with dark orange flames and dogs on the coattails, and Earthbound Immortal Ccoshobar on the back, and holstered on her back a large Earthbound Immortal Ccoshobar-themed greatsword with Earthbound Immortal Ccoshobar etched on the 7'0" massive, wide, double-edged black blade, black angel wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and a large orange gem surrounded by black angel wings for the pommel.

Connie Sellingron: You too, Lincoln, it's been a long time.

Lincoln went up to Connie Sellingron and they hugged, and Connie Sellingron's very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Connie Sellingron: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Connie Sellingron, she's one of my Guardian Angels from Michigan, and she's a master of Dark Orange Fire, she's also one of the keenest and sharpest of all my Guardian Angels, in fact, she can see anything from over 500 miles away and has the power to hear things that no human even could and she can hear anything that's as small as 1/1000th of an inch, and she also has the power to see things with microscopic vision.

We were really amazed.

Nico: Whoa.

Me: Now, that's incredible.

Lincoln: And there's a story of how she used her power to stop Lisa who concocted another scheme to get revenge on me and kill me again.

Eli: This should be something to hear.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Connie Sellingron's neck with orange gems on the gold thunderbolt links and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Connie Sellingron: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Connie.

Connie Sellingron had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Connie Sellingron's waist and Connie Sellingron wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Connie Sellingron's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Gena from Crazy Taxi, Thyra the Valkyrie from the Gauntlet series, Pudding from Space Channel 5, and Claris Sinclair from Nights Into Dreams.

Lincoln: Oh wow, it's Gena from Crazy Taxi, Thyra the Valkyrie from the Gauntlet series, Pudding from Space Channel 5, and Claris Sinclair from Nights Into Dreams.

Me: Awesome.

Ulala: Wait, among the girls you rescued, Pudding was among them? Awesome.

Lincoln: It sure is. Are you girls okay?

Gena: Yes, we're okay, thanks to you.

Then, when Gena and the other three girls saw who it was that saved them from Evil Sasuke, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man

With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Gena: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Gena: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Gena, Thyra the Valkyrie, Pudding, and Claris Sinclair with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too, and everyone saw what Lincoln did to Evil Sasuke and they also heard his Evil Sasuke rant, and everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Connie Sellingron have a lot of catching up to do now that she's back in town.

Maria: And we heard your Evil Sasuke rant, Lincoln, that was really awesome!

William: Yeah, you put that monster in his place!

Eli: And you should've heard what Lincoln also said to that monster, it was so awesome!

Rita: We already heard it, and I admit: even we were stunned at what Lincoln also said to that monster.

Lynn Sr.: That's just proof that Lincoln's growing up even more. (Voice Breaking) And I'm just so proud of him!

Lynn Sr. cried in happiness and Lincoln went over to his dad and they hugged.

Lynn: And it's also a good thing Lincoln didn't bring Lisa along, I bet Connie's still mad at what Lisa tried to do to him.

Me: Which we'll hear about later on.

Just then, Lisa came in, and when she saw Connie Sellingron, her blood ran cold and her face went pale.

Connie Sellingron: Lisa, I can never forget what you tried to do to Lincoln long ago, but I'm going to look past it, after Lincoln told me that the cold-hearted emotionless monster in you is gone.

Lisa breathed a sigh of relief, but this was really something we needed to hear later on.

---

After destroying Evil Sasuke in The Simulator, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Connie Sellingron saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Connie Sellingron: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Connie, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Connie Sellingron: That's incredible.

Nico: It sure is. So, Connie, what's the story on how you saved Lincoln from Lisa who tried to kill him in another attempt to get revenge?

Me: Yeah, when Lisa came in and saw you, her face literally turned white as a ghost and her blood ran cold.

Connie Sellingron: That's a story I'll never forget. Me and Lincoln were having some fun watching TV in The Loud House. But, then, I sensed something and I saw something heading for Lincoln: it looked like a microscopic submarine and I saw who it was piloting it: it was Lisa, and she had yet another evil plan to kill Lincoln. I grabbed a playing card and cup and put the microscopic submarine inside it, and then, using Lisa's shrink ray, I got it back to normal size along with Lisa, and then, I tied her up in nylon rope, and as soon as everyone gathered, I got her to really spill the beans and she said she planned on tearing Lincoln's genetic structure from the inside and see him die a horrible death, and she still replied that he was nothing but a test subject who's meant to be abused and disposed of, and she meant it in a cold-blooded manner. Everyone was really furious with her, but none more so than Lincoln, and when I saw his eyes turn from black to blood red with rage and his vampire fangs had elongated, I knew he was going to attack her, which he did by summoning shadow demons to attack her in a whirlwind of darkness and when it was done, Lisa was all mangled up, and then, he tossed her in an isolation cube in the basement, along with being grounded for nine months. Lincoln then fired a massive fireball at the shrink ray and submarine and melted them both down until they were nothing but melted metal. But, then, Lincoln broke down and cried: it seems Lisa's cold-hearted words really got to him and I stayed to comfort him, but I wasn't alone.

Lori: We all went up to Lincoln and comforted him. What Lisa tried to do and what she said after the jig was up really got to him, and he literally questioned whether Lisa truly loved him or she was just faking it.

Lynn: Based on the numerous times she's tried to kill him, that really got to him, and we were that close to calling the cops and getting Lisa sent to a nuthouse for life and disowning her. But, she was grounded for nine months for the attack, and she got beaten up by Lincoln when he went full vampire on her.

Tanjiro Kamado: I can't believe she did something like that, but Connie, your sight and hearing have saved Lincoln from getting killed by Lisa.

Nezuko Kamado: That's right, you weren't going to let the mean sisters do whatever they wanted to Linky.

Connie Sellingron: That's right, you two. But, tell me, if you saw what the five mean Loud Sisters were about to do to Lincoln, what would you both do?

Tanjiro Kamado: Knowing just how violent they were because of their dark sides, I'd find a way to take them down without resorting to lethal force.

Nezuko Kamado: Same here, but that would've been difficult if I were still under Muzan's influence, and what'll happen when I go berserk.

Nico: (Winces) Ooh, yeah, they'll get claw marks on them, and it'll be really bad if you used your Blood Demon Art: Exploding Blood because of Muzan's influence. But, Lincoln cured you and Tamayo of Muzan's influence, but you both still retained the powers you were given by him.

We then got a shower afterwards, and then, Leo and Elyon Brown were getting ready to head for Lake Lamode, but it was all thanks to a blind date organized by Nico. When they arrived in Lake Lamode separately, Leo was dressed in green swim trunks with his Signer Mark on them, sandals, and he has his weapons holstered in case of trouble, and Elyon Brown was dressed in a green two-piece bikini with clocks, sandals, and she had her weapons holstered in case of trouble.

When Leo saw Elyon here, and Elyon saw Leo here, they were both surprised

Elyon Brown: Leo, you're…

Leo: My blind date. Ooh, Nico, you're going to get such a tickling when we get back. But, to tell you the truth, I've had feelings for you for a long time, Elyon.

Elyon Brown: Same with you, Leo. Shall we?

Leo and Elyon Brown began swimming in the waters of Lake Lamode and they were enjoying seeing the sights there as well. Then, they went into the buildings in the glass domes and they explored the places there as well, and they also had lunch in there as well. Then, as the sun was about to set, Leo went over to Elyon Brown and he wrapped his arms around her, and Elyon wrapped her arms around his neck, and as the sun turned orange, they shared a passionate kiss. Then, they came back to The World Tree Estate, and Nico had a nervous smile on his face.

Nico: Uh, hey, Leo, Elyon, how was your date?

Leo: It was awesome, Nico, we went to Lake Lamode and had fun there. Now, if I were you, I'd start running as fast as you can, monkey boy!

Nico: Uh oh.

Nico ran fast, but Leo and Elyon caught him and they began tickling him, and he was laughing hysterically. Then, they ceased and helped him up.

Nico: Okay, I admit I deserved it, big time.

Elyon Brown: You sure did, but it wasn't bad, it turns out we both had feelings for each other for quite a long time.

Leo: We sure did, and you guys were getting ready for when we meet the Wizard Kamen Riders.

Me: Yep.

Lincoln: It's going to be really awesome meeting them and seeing them in action.

Me: Say, you could also show them some of your magic, Lincoln.

Lincoln: Good idea, J.D.

---

We were over on the planet Urth in the world of Primal Rage and we were in the Hollows. It was the cave of Armadon and it was a scary cave.

Me: The Hollows of Urth.

Qin: Wow!

Laney: Just as amazing as ever.

Nico: Ben, you and Leslie are up for bonding time.

Ben: Awesome!

Leslie Gesneria: This is gonna be awesome.

Armadon: And as long as you guys are all here I will gladly make sure you are safe under my watch.

Qin: Thanks Armadon.

Camie: This came is really amazing though.

Tsuyu: It sure is. It goes on forever.

Lola: Yeah.

Ben: Are you happy that your mom's back?

Leslie: I sure am Ben. And me and my sister Ashleigh are so happy.

Qin: That's good.

Camie: We're glad.

Me: What your so-called father did to you and her was horrible.

Lola: Yeah.

Ben: My parents aren't like that at all.

Leslie Gesneria: Thank goodness for that.

Agony: Yeah your parents are so awesome Ben.

Ben: They sure are.

Lola: I agree.

Qin: Yeah.

Me: But it's really awesome that your mom and dad now trust you to save the universe Ben.

Eli: It's a massive responsibility.

Camie: Boy it sure is.

Armadon: I'm glad they do. I just wish that everything here on our world was like your world everyone.

Me: I wish that too.

Maria: Now that you mention it, we've never met your parents at all.

Me: Yeah we haven't met them.

Ben: Yeah my mom and dad are good people.

Gwen T.: Uncle Carl and Aunt Sandra are really nice people. But they were very overprotective of Ben when they saw us fighting a Highbreed Rampage.

Kevin Levin: That was crazy.

Me: Well I don't blame them for protecting Ben like that. They were just doing what they were doing as parents.

Nico: Yeah.

Kevin Levin: Just saying. But that Highbreed would've iced me if Ben hadn't followed us during his grounding.

Nico: Boy no kidding.

Qin: Yeah.

Lola: But at least you guys are all okay.

Me: Yeah.

Julie: No offense, Ben. But you DID lie to your parents about the Omnitrix. This isn't like a one way street here.

Ben: I agree and I'm sorry I did that.

Me: I guess Ben was following the Superhero Rules back then before we all came along.

Qin: Yeah that's probably the reason.

Ben: That's probably it.

Lana: Yeah that was hard though.

Sunny Starscout: But at least your mom and dad understand now.

Camie: Thank goodness.

Ben: But I still feel guilty for lying to them like that though.

Julie: It's okay Ben.

Ben's Omnitrix: Unknown Alien DNA Detected.

Me: Uh oh. We got company.

But then we saw a strange eerie green glow in the distance and it was coming towards us slowly.

(THE X-FILES THEME PLAYS)

We saw it get closer and closer and it was a strange green alien with big eyes and it was emitting a strange and ominous green glow. It looked like what Mr. Burns looked like when he was under the influence. (Season 8 Episode 10)

Homer was shaking in fear!

Alien: Don't be afraid.

Lincoln: (growls) Haven't you made our blood boil enough, Burns?! JUST FUCKING DIE ALREADY!

Shanan: Wait Lincoln this isn't Burns! This is a Radionian. They come from the planet Radon XII in the galaxy M87.

Lincoln: Whoa.

Shanan: They are aliens that have this intense glowing green glow and they are really benevolent aliens that bring good and love.

Lincoln: Wow.

Ben scanned it and got its DNA. So did Bella, Lincoln, me and Eli.

Armadon: Amazing.

Nico: Thank goodness you aren't Burns.

Alien: I bring you peace.

I went up to the alien.

Me: Thank goodness you are not Burns.

I held out my hand and he put his hand on mine and it showed that it was a sign of interstellar friendship.

Twilight Sparkle: That is so awesome.

Eli: It sure is. (Senses Something) Whoa I feel a massive energy signal.

We saw a figure coming and the Alien got behind us and then we saw that the figure was REALLY a scary version of AKARED! It was ANOTHER AKARED!

Me: WHOA! Another AkaRed!

Qin: I did not expect this!

Nico: So Swartz made Another AbaRed after all!

Ben: Well, this isn't good.

Me: This must be Swartz's secret weapon! Okay buddy who are you!?

Another AKaRed: (In a girls voice) You know me J.D.

Me: (GASP) That voice.

She reverted back and we saw that it was a girl with red hair and red eyes and she had all red clothes and in the middle of her forehead was the kanji for red and she had ruby red Angel Wings and a Sword that had a Blood Red Blade. It looked like the sword that

Eragon has.

Me: Vina Murakami!

Vina Murakami: Good to see you again J.D.

Me: You too Red Storm.

Nico: Red Storm?

Me: It's a nickname I gave her. She has the kanji for Red in the middle of her forehead and she loves dressing up in all red and has red hair and red eyes. I gave her the nickname Red Storm because she strikes with the fury of red lightning.

Vina Murakami: That's right.

Nico: That is a clever nickname. How do you know her?

Me: Me and Vina were big heroes over in Colorado and we busted some of the states most dangerous criminals. We brought them down and cashed them in on big bounties. We went after ones worth millions.

Vina Murakami: Good times there.

Nico: That is so cool.

Eli: Boy it sure is.

Nico: Did Swartz promise you anything?

Vina Murakami: He made me into his secret weapon. He gave me this power in exchange for nothing. It was a secret weapon plan to get back at you guys for destroying some of his plans.

Me: I had a feeling he was gonna launch an attack one day against us.

Qin: Yeah.

Me: I'm sorry we have to fight Vina but you aren't yourself. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: This fight's gonna be tough.

Me: Yep. We're facing Another Ranger with 46+ Years of Red Rangers on her. But we can do it.

Vina changed into Another AbaRed.

Me: I have a feeling she is going to have all the weapons of all the red rangers from over the course of 46+ years imbued with all the core and non-core members of the M.O.E.

Another AkaRed: Nope. Just this.

She pulled out a sword and it was a powerful sword that was imbued with all the core and non-core members powers!

Me: WHOA! One weapon imbued with all those powers!

Nico: Mommy.

She fired blasts of fire with all the Fire Element Users of the M.O.E. and I absorbed the fire and it made me stronger! I had a massively powerful fire aura that was more powerful than anything I've ever felt!

Me: Wow! That fire from that sword is 100 billion googolplex times more powerful than anything we know!

Nico: WHOA! That sword enhanced all the powers of the M.O.E. Members that powerfully!? Incredible!

Another AkaRed: Cool huh?

Me: Well then. (Reverts back) We're going to need to kick it to the extreme.

I went Super Angel Xelnaga!

Me: (Divine Echoing Cosmic Elemental Voice of Love, Hope, Friendship and Love) **Now that's more like it!**

Another AkaRed: This form is Awesome J.D.!

Me: **Thanks Red Storm.**

She then fired a massive blast of lightning with all the Lightning users of the M.O.E. and it hit Lincoln and he absorbed all the lightning and his lightning aura was immensely powerful!

Nico: WHOA! That is awesome!

Stewie threw a grenade at her and pulled Brian down.

Me: **Fire in the hole!**

We ducked and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and when the smoke cleared she was encased in a water ball to protect her.

Me: **Wow! Red Storm this sword is awesome.**

Another AkaRed: It sure is. Lets see how you like this.

She fired a blast of light and it hit Camie, Himiko and Miku and it had them in smoking hot bikini swimsuits. Camie's was black. Himiko's was red and Miku's was purple.

Miku Yuuki: Wow! (STRIKES A POSE) Like what you see J.D.?

Camie: (Strikes a Pose) How do we look?

Himiko: (Strikes a pose) I think I look sexy.

Me: **You look awesome girls. (PURRS)**

Suddenly we heard laughing and then we saw Master Jiraiya and he got launched by a powerful nosebleed and then he crashed into Another AbaRed and she exploded!

EXTREMELY MASSIVE EXPLOSION!

It was more powerful than any explosion the Rangers caused! I caught the Ridewatch and purified it and I caught the Sword! Then I went over to Vina and picked her up and she had a massive headache.

Me: **Vina are you okay?**

Vina: (GROANS) What a tremendous headache.

Me: **At least you're okay. Thanks to Jiraiya-sensei.**

Nico: His perverse antics really helped us out this time.

We laughed.

Swartz was watching us.

Swartz: NO! J.D. YOU RUINED MY SECRET WEAPON! (ENRAGED WITH INTENSE FURY!) I WILL KILL YOU FOR THIS J.D. KNUDSON! YOU WILL PAY DEARLY FOR THIS! I WILL HAVE MY REVENGE!

He punched a screen and it exploded!

---

Back at the estate we were getting ready for watching a Robot Chicken Sketch.

Taiga: Thanks for letting me visit, guys.

Me: No problem Taiga. You are the next mission in 4 days.

Taiga: Looking forward to that.

Kopaka: How have Emu and everyone been?

Taiga: Great Kopaka.

Me: Nicole is really excited to help out with you guys.

Nicole: Boy I sure am.

Taiga: I'm really glad.

Hobbes: I am too.

Susie: Personally, Hobbes, I'm glad I can see you now!

Nico: (laughs) You always did adore Hobbes!

Me: She sure did. I think that's so awesome.

Taiga: Me too.

Me: Okay are we ready?

Taiga: I hope the Robot Chicken Sketches live up to their funny reputation.

Me: Some do and some don't. But we did face the Robot Chicken version of the Great Pumpkin on Kendra's big day mission.

Kendra: We sure did.

Me: Yep. And we made an awesome pizza firing tank.

2012 Leo: That was cool.

Me: Okay. Calvin, Hobbes, Susie, the sketch I'm going to show you all might give you nightmares. So you have been warned.

Calvin: Okay.

I played the sketch.

Mother: Happy birthday, Calvin.

(Calvin opens up the gift which is revealed to be a stuffed animal)

Calvin: Wow! A real tiger! I can't believe you got me a real, live tiger!

(Hobbes jumps out of the gift package and playfully chases Calvin around the living room, however, in the parents' perspective, Calvin is simply running around the living room alone while Hobbes is in the couch, not moving at all)

Father: Oookay…?

(Cut to Calvin dressed as a cowboy and Hobbes dressed as an Indian at the backyard. Calvin's parents can be seen observing them in the background.)

Calvin: Native-Americans would be more plentiful if they hadn't traded their land for casinos.

Hobbes: Well, cowboys never even existed. They're just a masculine image campaign purported by Marlboro.

(As Hobbes starts playing tag with Calvin, we cut to Calvin's parents watching Calvin from inside the house)

Father: I think something's wrong with our son.

(Cut to Calvin and Hobbes inside a therapist's office)

Calvin: This is some bullshit!

Hobbes: Yeah!

Therapist: Who are you talking to?

Calvin: To Hobbes: my pet tiger. (Hobbes smiles and points to himself.) Can't you see him?

(Back in the therapist's perspective, Hobbes is back to looking like a normal plush toy.)

Therapist: Hm… that's just a stuffed animal.

Calvin: No, it's not. He's real! Get him, Hobbes!

(Hobbes hisses and mauls the therapist as the latter screams and blood splatters against the wall. It is then revealed that Calvin is simply narrating the gory scenario, out loud. Back to the the therapist's perspective, everything's normal.)

Calvin: Blood is everywhere! The vicious tiger shows no mercy!

Therapist: (writing notes) I see…

(In a hospital, the mother and father are witnessing their son receive shock therapy. As Calvin screams in pain, Calvin's parents can only hug each other)

Therapist: This is for the best. (holding up a bottle of pills) Give him these pills every two hours. (Calvin winces and moans.)

(cut to Calvin talking with the now stuffed Hobbes)

Calvin: Hobbes… Hobbes? (looks down) Hmm…

Hobbes: Psst… Calvin.

Calvin: Hobbes!

Hobbes: Calvin, your parents don't believe. We have to kill them. (takes out a chainsaw and smiles evilly as the camera goes black)

(cut to the blood-covered living room with Hobbes next to the blood-covered chainsaw, Calvin stands at the door with a police officer)

Policeman: Son, did you do this?

Calvin: Me? No, my tiger did! He's a bloodthirsty monster!

Policeman: Okay, you're coming with us!

(Calvin grabs Hobbes and narrowly escapes the officer and lock a door. They hide in a nearby trash can. The policeman holds his gun up to the can. Inside the can, it resembles the inside of a rocket.)

Calvin: Fasten your seatbelt, Hobbes! We're going to Mars!

(Calvin imagines their 'spaceship' landing in Mars, Calvin and Hobbes jump out and dance around)

Calvin: Wow! Mars is amazing!

(cut to Calvin in a straitjacket, inside a solitary confinement room, with the plush Hobbes toy by his side)

Calvin: (with huge eyes, grinning creepily) Mars is amazing… Mars is amaaaaaazing…

(cut to static, sketch ends)

When it was done everyone was shocked.

Me: So what do you think of that?

Calvin had his mouth hanging open and I closed it.

Poromon: Who thought that was funny?

Tory: Poromon, do you want our honest opinion?

Poromon: Yes. That was a crazy sketch!

Nico: It was.

Taiga: So Calvin in this one had mental problems!?

Lola: That was NOT FUNNY!

Qin: That was a clear example of imagination gone bad.

Calvin: I would NEVER want to kill my parents!

Breakdown: Even if they aren't always good to you.

Calvin: NO WAY!

Me: You are a good hearted kid Calvin.

Qin: That was just a sketch though. It's not real.

Eli: Just like the one I saw with the Disney Princesses.

Varie: That was a bad one.

Lola: Yeah that was awful.

Nico: Or the one with that Toy Story Sketch with that bad toy.

Me: I think we get the idea.

Hobbes: I would never use a chainsaw. My claws are good enough!

Mirage: I was unsettled by that evil grin of yours.

Hobbes: I know.

Me: Boy that was scary though. But yeah. Sorry you guys had to see that though.

Calvin: I'll be okay.

Hobbes: Same here.

Taiga: Yeah.

Nico: Well now that that's done lets get ready for Elyon's big day mission.

Calvin: You guys believe me, right? I'm not a bad person like Gremlin is!

Lady Deathstrike: (Japanese Accent) Calvin, Gremlin deserves the Black Gates! You don't! You are a child with a brilliant imagination!

Nico: Who's touched the hearts of all young kids out there. Including me when I was your age?

Me: You have been a massive inspiration to many people and you don't have one mean bone in you.

Hobbes: That's right Calvin. You are a good person.

Me: Yeah and also it's just a sketch. It never happened.

Calvin: Oh. Good.

Lola: Yeah.

Then The Top, Firebrand, Trapster, Mole Man, LaGrange, Swordsman, Dr. Destiny, Dr. Polaris, Roxy Rocket, and Marionette Shadow appeared.

Top: Can me, Firebrand, Trapster, Mole Man, LaGrange, Swordsman, Dr. Destiny, Dr. Polaris, Roxy Rocket, and Marionette Shadow go with you guys?

Nico: Yes you sure can.

Qin: This is gonna be a really awesome adventure.

Me: Yep.

Dive Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. One for a Storm Elemental from the world of Dungeons & Dragons.

Me: Very interesting.

Lola: Yeah. So we're going for a weather monster.

Nico: Yeah. Lets head out guys!

King Kai: (Telepathically) Nico, can you hear me?

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I bring grave news: Elyon's evil brother, Phobos, has returned from the dead, and he still wants revenge on all of you for killing him long ago.

We gasped in shock.

Me: That heartless bastard, doesn't he know when to stay dead?!

Lincoln: I thought we were rid of him for good when Liru the Werewolf and you and I ripped him to shreds last year and sent him to Oblivion.

Nico: Yeah, that's right. But, it looks like that bastard refuses to stay dead for good, this time, he's getting The Black Gates, and he's never ever coming back.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Oberon, an old enemy of the Manhattan Clan, and he's coming to get revenge on them for ruining his plans long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Goliath, you and the Manhattan Clan aren't going to like this one bit: the dark energy signal I sensed belongs to your old enemy, Oberon, and he's coming to get revenge on you all for ruining his plans long ago.

The Manhattan Clan gasped in shock.

Goliath (Gargoyles) : I thought we'd never have to deal with Oberon again. But, he refuses to learn his lesson.

Nico: Goliath, what can you tell us about Oberon? I sense he can be a potential member of The Masters of Evil.

Goliath (Gargoyles): Of course, Nico.

Goliath proceeded to tell us of their old enemy, Oberon.

---

Oberon

Oberon, also known as Lord Oberon, is the leader of the Children of Oberon. He currently resides on Avalon with his wife, Queen Titania and the Avalon Clan.

Personality

Unlike all human magic-users and most of the Third Race, he doesn't need targets of his magic to see or hear him for it to be effective. Even with reduced power, or while physically weakened, he is still a very forceful and formidable opponent. Because of such power, he tends to be very prideful, discourteous, and very ill-tempered, although he has shown a selfless and noble side to himself and is prepared to compromise.

History

Oberon was the son of Queen Mab. He eventually overthrew his supposedly insane mother, but no details of their power struggle are known, although Mab did supposedly not die. Oberon was once married to Lady Titania, but her frivolous actions caused them to separate for many centuries. As a means of her and the rest of the Third Race to "learn humility", Oberon passed an edict expelling all of his people from Avalon until the time of "The Gathering", a time when they all would return to Avalon, and then left himself. What he did during this time is unknown. Oberon has two children with Titania, one male and one female, and fathered at least two sons with mortal women: Merlin and an unknown changeling boy. When Oberon returned to Avalon as a prelude to the Gathering and at the behest of the Weird Sisters, he discovered that "his island" had been occupied by the Avalon Clan of Gargoyles. Disturbed by this, he attempted to remove them, but was thwarted by his wife Titania, the gargoyle Goliath and an iron bell forged by Elisa Maza, Tom the Guardian and Princess Katharine. Following this, he remarried Titania (now much matured) and proclaimed that the Avalon Clan were his new palace guards and that the magic of his children would not affect any of their clan.

His motives and behavior are often amoral and hypocritical at best. While he was generous enough in sparing the Avalon Clan their lives and allowed them to stay on Avalon, his impudence and short temper contradicted his own edict of staying out of human affairs such as when he assisted his wife Titania in attempting to kidnap David Xanatos' son, Alexander, to Avalon. In the process, he battled Goliath for the second time violating another edict of his that his magic would not affect him or his clan. Upon returning to Avalon following the battle, he made a thinly veiled threat at the Manhattan Clan, leaving his relationship with him and Goliath and his clans open to question in the future as to whether or not he is a friend or foe.

## Characteristics

Oberon is the most powerful of the Third Race, except for his mother Queen Mab, and even then, he was still able to overthrow her. He possesses considerable authority over Avalon, and can order its trees and rocks to attack intruders; he had this ability even when temporarily weakened by Titania during his battle with Goliath, Angela, and Gabriel. He also possesses many other great powers, too numerous to mention. Like all of the Third Race, however, he is vulnerable to iron; when struck in the chest by Petros Xanatos' iron-tipped harpoon, he was temporarily withered into a gaunt, elderly figure. Oberon is an arrogant figure, who does whatever he pleases and will not tolerate interference with his plans. But he is not a complete tyrant. He forbade his subjects to meddle in the lives of mortals out of comparative maturity, and although he himself does not always live up to such standards himself, he still takes them fairly seriously. He can be generous to his adversaries (as when he not only permitted the Avalon Clan to remain on his island in the end, but even made it his guard of honor), and does abide by the letter of his law, if not always the spirit of it. His attitude towards mortals is one of fully aware superiority; he responds to their behavior often with a sense of fascinated (and detached) curiosity, although if they defy him, he quickly loses his temper. While Oberon, like all of the Third Race, can alter his appearance at will, his "regular form" is that of a tall, haughty, aristocratic figure in royal garb, with white hair, blue skin, and "elvish" features.

Alongside being Merlin's father by a human woman, Oberon has also become the father of a son and daughter by Titania. We know nothing more about them than that at present, however. He also fathered another child upon a human woman: the little Indian boy over whom he and Titania quarreled in A Midsummer Night's Dream, though we do not know at present how accurate Shakespeare's portrayal of this quarrel was in the Gargoyles Universe.

## Powers and abilities

Oberon is one of the most powerful individuals in the Gargoyle series. Only Queen Mab's power is greater than his. But still he was able to overthrow her. (And maybe Titania is as powerful as he is, although she usually stays in the background.) He has displayed a vast repertoire of magical powers, such as: Flying, Shape-shifting, Conjuration, Telekinesis, Teleportation, Super-strength, Spellcasting, Hypnosis, Energy Blasts, Power-stripping, Reality-bending, Animating inanimate objects, Enchanting, Casting Illusions, Moving at lightning-speed (maybe only over short distances), Energy absorption (lightning to grow to immense size), Fast regeneration, To let others falling into sleep with a look

Conjuring objects, Control over the forces of Avalon, Creating strong gusts of wind (through hand moving and blow), Sensing Titania (and maybe other fairies), Penetrating through solid matter, Turn someone into glass by touch, Freezing, Re-changing others, Melting objects, Reflecting energy shield, High resistance to physically injury, Reflecting energy blasts by hand

Oberon can do anything he can imagine. The only limits to his powers are the common weakness of all fairies to iron and the laws Oberon made.

Spells: "Branch and root, twig and vine, strike with your master's wrath divine!", "Lake of fire heed my say! Seize, with hands of flame, my prey!", "Let frozen rain be your bane!"

When Goliath was finished, we were shocked.

Nico: So, he may be an honorable villain, but he's also a hypocrite as well.

Me: So, he needs to spend some time in The Masters of Evil's prison before he can be fully put into The Masters of Evil.

Lincoln: Yep, but I also need to strip him of his powers with my power-stripping curse.

Nico: Awesome idea, Linc, that way, Vypra can give him back his powers, once he's done some time in prison. Alright, gang, let's go, it's time to meet the Wizard Kamen Riders.

Me: And we're going to make sure Gremlin dies a horrible painful death.

Lincoln: Along with one of the Wizard Kamen Riders' main enemies and that monster, Phobos.

Elyon Brown: This'll be the last time you ever come back to terrorize Meridian and Kandrakar, Phobos, and this time, I'll see to it that you never rise again.

We were off to Japan.

---

We arrived and we saw them batting Khepri!

Firebrand: There they are!

Me: And they are battling Khepri!

Nico: Nice! Lets go!

We flew at them.

Khepri: You guys are going to die.

Harutu: We'll see about that.

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and fireballs rained down and they hit Khepri and exploded all over and a phoenix cry was heard.

Zocks: Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Haruto: You're in for it now!

Khepri: What do you mean!

We arrived.

Me: You are not turning anyone into phantoms today you douchebag!

I fired a blast of energy and it hit him and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed!

Nitoh: YEAH!

Rinka: Take that!

Hataru: YEAH!

Elyon: Looks like we got here just in time bro.

Haruto: You sure did sis. Awesome to see you all here.

Me: Same here Hataru.

Flamefeather: We want to thank you guys for helping us out at Lego Odym.

Haruto: It was no problem.

Rinka: That was so awesome going to that world.

Me: It sure was. We got so much to talk about. Also we're sorry you had to meet the team early because of Dark Danny.

Hataru: No worries.

Nitoh: No worries. That was an emergency situation.

Jared: But it was awesome meeting you all.

Hitoshi: That was cool.

Haruto: That was great though.

Rinka: How is Medusa doing?

Daphne Andreas: She's doing really good.

Top: She's an awesome member of the M.O.E. now.

Lola: Yeah.

Mole Man: But at least you get to meet new additions. More or less.

Nico: Yep.

Haruto: Lets head over to the Antique store.

Nico: Great.

We walked over there.

Me: How has Koyomi been doing?

Haruto: Really good J.D. thank you.

Me: Awesome.

Beastbox: I like how Fire Style is your default form. Reminds me of Nick.

Haruto: I'm glad it does.

We arrived.

Haruto: Here we are.

Lola: Nice place.

Starlight Glimmer: It sure is nice.

Twilight Sparkle: I think this is awesome here.

Me: Yeah.

Sou Fueki: Hello guys!

Me: Hello Sou.

Sou Fueki: Glad you all could make it.

Koyomi: Yeah you guys came just in time.

Me: We sure did.

Swordsman: Now we know that we can kill your White Wizard self without consequences.

Sou: That's for sure.

Qin: Yeah.

Haruto: Thank goodness.

Me: Gremlin is gonna be given the black gates for his crimes.

Haruto: You really hate him don't you?

Me: Hate is an understatement. But here is what we came here to tell you.

I pulled out my bag and unzipped it and in it was numerous Wizard Rings and they were for the Frenemies we have of the M.O.E.

Rinka: Are those Wizard Rings?

Me: Yep. These are Wizard Rings imbued with the powers of our Frenemies in the M.O.E.

Poromon got out 1 beer bottle.

Haruto: What's that?

Poromon: 1 bottle of beer!

G1 Venom: At least it's just one.

Rinka: Digimon and Pokemon that drink?

Me: Don't Fucking Ask.

Haruto: How did you get these rings?

Me: We defeated Another Version of you and Nitoh that was made by Swartz. He is the enemy of the Zi-O Kamen Riders.

Haruto: SAY WHAT!?

Nico: Yeah it's really crazy.

Olivia Houou: And they defeated another version of Phoenix. That was me. Sorry my name is Olivia Houou and I was Another Phoenix.

Haruto: Pleasure to meet you and you look awesome with his sword. You must have his powers now.

Olivia Houou: I sure do.

Haruto: Tell us everything.

We did so and it was terrible that Swartz did what he did.

Haruto: Swartz is going to pay for this.

Me: Save most of him for us. We already called dibs on killing him. He really pissed us off.

Qin: Big time. Mostly with Nico and J.D.

Me: Yep.

Dr. Polaris: (looks on the TV) Guys, I think we need to get out there right away.

Nico: Why?

Dr. Polaris: Some people are falling to Despair!

Me: Time to show you how we absorb Negative Energy.

We went to help out.

Takato, Jeri and my Shadow Clone were heading over to Takato's family bakery in the mean time.

We saw lots of people enveloped in auras of darkness and were crying.

Tornado Man: Alright. Just absorbing the Negative Energy isn't enough. We have to make sure they don't fall into despair again.

Haruto: Leave that to me.

DRIVE ON!

Haruto: HENSHIN!

He transformed!

He and Nico and Elyon put rings on them.

Me: Now for this.

I held out my hands and sucked in all the darkness that was turning them into Phantoms and my rainbow fire aura exploded out and it was immensely powerful and overflowing with intense life energy and it made lots of plants all over grow wildly! They were cured and saved from Despair!

Haruto: WHOA!

Koyomi: That was incredible!

Nitoh: Wow! They weren't kidding when they said they can absorb Negative Energy.

Nico: Yep.

Marionette Shadow: That's a lot down.

Poliwag: And a lot more to go.

Nico: Yep.

Nico and Elyon made shadow clones and they did the same thing and I was REALLY SUCKING IN all their Negative Energy!

Qin: WHOA!

But it was affecting many of us we all did so to help.

Our rainbow fire auras exploded out and made us more powerful.

Rinka: Wow! Let me help out!

Rinka concentrated and she sucked in Negative Energy and she felt her power increase too!

Rinka: Wow! This is amazing!

Eli: It's one of our most amazing powers!

She was getting stronger and stronger.

All the people were cured.

Nico: That's that.

Qin: Whoa! That was intense!

Koyomi: That was incredible!

My Clone, Takato and Jeri came back.

Me 2: We're back.

Jeri: We got some food from Takato's bakery.

Takato: And it was good to see my parents again.

Molly Hale: I didn't know Takato's bakery was in this area.

Me: It's 500 yards from here. Takato was starting to feel a little homesick.

Qin: Wow.

We got to having some of their food.

Takato: We saw what happened. Are you guys all right?

Me: We are. (Eats a cream puff) Mmm! Delicious.

Nico: (Eats a bread) Mmm! Man Takato your mom and dad make awesome breads.

Roxy Rocket: What did you get for us?

Me: Plenty of cream puffs and breads.

Roxy Rocket: Cool.

We got to eating.

Roxy Rocket: (Eating a Cream Puff) Mmm! Yummy.

Laney: Delicious.

Rika Nonaka: How has your mom and dad been?

Takato: Great Rika.

Nico: Awesome.

Acid Storm: Did you tell your folks about the crap that's about to go down in the next several hours?

Takato: We sure did and they understood.

Me: Yeah we told them everything and we told them to be safe.

Acid Storm: Good.

Me: They gave Jeri and Takato their blessings.

Qin: Awesome.

Lola: We're glad they respect Takato and Jeri being a couple too.

Nico: Yeah.

Me: They actually knew that Takato and Jeri were a thing and that Takato has had a crush on Jeri since school.

Takato: Yeah. (Blushes) It's part of my feelings for her.

Jeri: Aww.

Me: Yeah.

Haruto: That's awesome.

Me: Yeah it sure is.

Dr. Destiny: Do you know what I just realized?

Nico: What?

Dr. Destiny: The Wizard team and their history is similar to Harry's history. Think about it. Harry and Haruto are the main heroes. Nitoh and Ron are both the best friends. Koyomi and Hermione are the girls of the trios. Rinko and Ginni are the secondary girls. Even Gremlin is the Bellatrix to White Wizard's Voldemort.

Harry Potter: (British Accent) Now that you mention it yes they are.

Rinka: Very coincidental.

Me: And very similar. Except Voldemort and his followers were genocidal racists.

Eli: They were going to wipe out most of the entire human race so that Pureblood Wizards can rule the world.

Haruto: That is pure evil but that is exactly right.

Julio Santana: Any place around here similar to Hogwarts you can think of?

Dr. Destiny: Actually, no.

Me: Darn. But one of these days we'll have to show you guys Hogwarts and Diagon Alley.

Qin: Yeah that place is awesome and so is the Weasley Brothers Fireworks Shop.

Lana: And these are really tasty too.

Lana pulled out some Bertie Bott's Every Flavor Beans.

Ron Weasley: (British Accent) Bertie Bott made EVERY flavor those beans. Chocolate, peppermint, spinach, liver, tripe, earwax, vomit and more.

Me: It's LITERALLY every flavor.

Olivia Houou: I like the Cinnamon Flavor ones.

Daphne Andrea: Yeah they are cool.

LaGrange: Why don't we have the usual battles now?

Me: Good idea. You guys are in for an awesome show.

Haruto: Do we get our archenemies too?

Me: You sure do.

Daphne Andrea: And Medusa is my archenemy now. It's awesome.

Lola: Yeah it's gonna be fun.

Maria: I'll call them in.

Maria did so.

Then Taskmaster, King Shark, Cluemaster, Girder, Gearhead, Vortex, Madame Masque, Batroc the Leaper, Abra Kadabra and Merman appeared.

Nico: Taskmaster, King Shark, Cluemaster, Girder, Gearhead, Vortex, Madame Masque, Batroc the Leaper, Abra Kadabra and Merman.

Taskmaster: I didn't expect Takato's family to live around here either.

King Shark: Neither did I.

Cluemaster: But now, we know.

Me: Takato was feeling a little homesick. But I wanted to actually see his bakery too. It was awesome.

King Shark: Did he have good food?

Roxy Rocket: Some of the best ever.

Nico: Yep.

Girder: (to Nico) Heard you went to another planet this morning.

Nico: We sure did.

Gearhead: What was it?

Nico: It was a planet made entirely out of Smoked Meats.

Me: You guys should have seen it. It was amazing.

Qin: Yeah and it was more than enough to make Nico drool waterfalls.

Nico: Yeah it was so delicious too.

Lola: Yep.

Jeri: It was so awesome.

?: Boy it must've been.

A figure came out and it was AGENT X from the Magiranger VS Dekaranger Movie!

---

Apollos the Demon was originally a Hades Beastman who left Infershia to become an Alienizer and renamed himself Agent X (エージェントX Ējento Ekkusu), returning to Earth in the events of Magiranger vs. Dekaranger. He wielded two swords and could shoot lightning from his eyes. His goal was to obtain the Flower of Heaven in order to power up Heavy Industrial Machine Abretrex II so that it could extract all the love from the world so it could become a hellish wasteland filled with only misery, hatred, and slaughter.

He learned the merchant teachings of Rainian Agent Abrella and aspired to follow in his footsteps as his apprentice and successor, using Abrella's connections to commit horrible yet unexplained crimes, one of which involved the death of a Chanbenarian family. His catchphrase seems to be "I make no mistakes" as he keeps saying that line. He was working with Algolian Baurbon to fulfil his conquest and held Urara Ozu and Jasmine Reimon hostage in the Kedomono Realm, until he got the Flower of Heaven. in order to power up Heavy Industrial Machine Abretrex II so that it could extract all the love from the world so it could become a hellish wasteland filled with only misery, hatred, and slaughter. When the Rangers came to rescue Urara and Jasmine at the Mountain of Screams in the Marudeyouna Worlds, Agent X defeated the Rangers and stole the Flower of Heaven. Agent X and Babon then powered up Abretrex II, and were about to destroy all love on the planet with it, when the Rangers destroyed it with a combined mecha attack. Legend MagiRed and the Deka Battlizer beat him with the Double Red Fire Finish. Agent X and Babon were soon killed when the Flower of Heaven endowed the Rangers with the magical power of its Blizzard of Light needed to destroy the duo with the Fantastic Strike Out.

---

Eli: Agent X! I remember you! You were get the Flower of Heaven to power up the Abretrex II machine and turn Earth into a hellish world!

Agent X: That's right. Good memory.

Me: That would not be a good sight.

Agent X: Too bad I wasn't adapted in America.

William: I know! There wasn't a full team up between SPD and Mystic Force either.

Me: Man what a ripoff!

Qin: That would have been awesome to see.

Lola: Yeah it sure would have been awesome.

Vypra then came.

Me: Hey Vypra.

Vypra: Hey guys. I have 2 new archenemies for Haruto and Nitoh. But Ruby and her friends might not like what I have in mind.

2 figures came out and one was KOYO OZAKI from Bungo Stray Dogs and our old enemy LEONARDO LIONHEART!

---

Koyo Ozaki

**Kouyou Ozaki** (In Japanese: 尾崎 紅葉, *Ozaki Kōyō* ) is a member of the Port Mafia and a minor antagonist in the manga and anime series *Bungou Stray Dogs* . She acts as the mother figure of Kyouka Izumi and is one of the major mafiosi that tries to stop Kyouka's abduction. She is a direct reference to the Japanese author with the same pen name (who was actually a male in real life).

She is voiced by Ami Koshimizu in the Japanese version, who also voiced Ibuki Mioda, and by Cindy Robinson in the English dubbed version.

Kouyou Ozaki has been in the Port Mafia since she was a teenager. When she was young, she tried to run away from the mafia with a man she admired. The mafia, however, captured them and killed the man. Kouyou held a grudge against the current leader of the mafia but was willing to comply with Ougai Moriwhen he took the position as the leader of the mafia.

She eventually became an executive of the mafia. When Kyouka Izumi, a girl with a nearly identical quirk to Kouyou, was taken in, Kouyou took the job as being her acting guardian and mentor. Kouyou related to Kyouka, having the same powers and having a similarly tragic past, and started caring for her deeply.

When Kyouka defected, Kouyou eventually tracked her down while she was hanging out with Atsushi. Kouyou brought a set of minor mafia agents and planned on taking in Kyouka forcefully, threatening the life of Atsushi. The fight was going relatively well when the Armed Detective Agency members, Kenji and Kunikada intercepted the fight. They had a standoff when yet another faction showed up: The Guild. The Guild badly wounded everyone in both the Port Mafia and the Armed Detective agency instantly. The Armed Detective Agency backup arrived before the Port Mafia's backup, so they abducted Kouyou as a prisoner of war.

## Leonardo Lionheart

**Professor Leonardo Lionheart** (simply known as **Leonardo Lionheart** ) is a major antagonist in *RWBY* . He was the headmaster of Haven Academy and a turncoat member of Ozpin's Group. He served as an informant in Mistral for Salemand her organization. He served as one of the main antagonists of Volume 5.

He was voiced by Daman Mills.

### Background

Lionheart was one of Ozpin's associates, but at some point he was confronted and coerced into working for Salem and her organization. He would then provide Salem with information that allowed her to kill several Huntsmen and Huntresses and give Cinder and her team entrance into the Vytal Festival under the guise of being students from Haven, which ultimately resulted in the Fall of Beacon.

### Volume 4

In "No Safe Haven", after Ruby finishes her letter, Qrow jokes that he is normally the one saving her. Despite their plan to soon meet Leonardo Lionheart, Arthur Watts has already arrived in his office, suggesting that Lionheart is the informant that Salem ordered Watts to meet with in "The Next Step".

### Volume 5

In "Welcome to Haven", The academy is emptied out, its remaining staff having been given leave after fighting Grimm on the borders of the kingdom. Qrow is unhappy that the Relic is not being protected. It comes out that each Relic is locked in a chamber that only a designated Maiden can open. Qrow reveals that he believes the Spring Maiden is with Raven Branwen, but Lionheart delays going after her. After Qrow and the students leave, Watts,who had been listening, has his emblem appear on the desk and chides Lionheart for his poor improvisation skill. Arthur Watts who was listening to the whole conversation, contacts him and tells Lionheart he needs to work on improvisation.

In "Dread in the Air", Watts appears and takes Lionheart to a Seer, which establishes connection between them and Salem. Lionheart then gives his report about the location of the Spring Maiden and implores her to hurry because he is at odds with Qrow. He is suddenly choked by the Seer, and Salem warns him not to overstep his boundaries before she has the Grimm let him go.

In "True Colors", It is then revealed that Lionheart made the call at Raven Branwen's behest. She asks him why he would work for Salem, to which Lionheart answers that he's afraid of her, and could tell that Raven is too. Raven, however, denies his claims, despite how she actually feels deep down.

In "The More the Merrier", Lionheart waits at Haven to meet with Qrow and co. for the ambush. He is concerned, however, when he sees that they brought their weapons. Raven arrives and reveals they both arranged an ambush, allowing Cinder's Faction, along with Vernal, to get inside Haven just as Hazel Rainartarrives with Adam Taurus and the White Fang. It is subsequently revealed that not only was Lionheart contacting Salem for years, but that he was also responsible for getting Cinder's Faction inside the Vytal Festival, thus being indirectly responsible for the Fall of Beacon. Qrow then becomes angry at Lionheart, particularly when figuring out the reason he couldn't find any Huntsmen or Huntresses was that Lionheart sent them all to die. While the fighting breaks out, Oscar confronts Lionheart, and the latter soon figures out Ozpin has already reincarnated inside Oscar. During their battle, Lionheart contemplates bringing Oscar to Salem, reasoning that if he brings

Ozpin directly to her, he can be free of her influence.

In "Vault of the Spring Maiden", Oscar swiftly defeats Lionheart, sending him tumbling down. But Lionheart reveals to Hazel that Ozpin has already reincarnated inside Oscar, sending Hazel into a blind rage. Lionheart assists Hazel by shooting at Oscar from long distance, and continues to do so throughout "Downfall".

In "Haven's Fate", upon realizing the Mistral authorities have arrived and they stop the White Fang, Lionheart flees the battle into his office. Salem contacts Lionheart one more time through a Seer, demanding to know why he's running and if there's something he should tell her. He attempts to blame Cinder Fall for deviating from the original plan. He pleads with her at first for mercy, stating he can still be useful, only to fire at the Seer upon not receiving an answer. She quickly disarms him, and as he attempts to run away, the Seer drags him away while he desperately begs for mercy once more, only to be gruesomely murdered by her.

Volume 6

In "Argus Limited", Qrow reveals a cover story for the Battle of Haven; in order to preserve the public's image of the academies and Huntsmen, Lionheart is told to have died defending his school from the White Fang. Ozpin, who had ordered this, later reveals he did this because he still respected everything that Leonardo had did for the people before he succumbed to his cowardice: Although he still felt betrayed, which only makes Ozpin more determined to try, albeit in vain, to keep his secrets from the group, Ozpin believed that Leonardo should best be remembered for his lifetime of service than the condemning actions he did in his last moments.

---

Me: (GASP) Leonardo Lionheart!?

Ruby: That fucking sellout!?

Haruto: I can tell you guys have a lot of history with him.

Ruby: We don't want to talk about it.

Nico: Are you sure having him is a good idea?

Vypra: He only did it because his life was threatened.

Nico: I see.

Qin: Whoa.

Koyo: So I get Wizard as my archenemy.

Haruto: Yep.

We got the usual battles underway.

## Brody Romero, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Lady Deathstrike and Mystique VS Taskmaster - Nico's Rescue on a Smoked Meat Planet

Taskmaster was first.

Taskmaster: (to Brody) This time, Nico's Rescue was on a Smoked Meat Planet. How much did he eat?

Brody: Lots of it. It was an awesome and really tasty planet.

Twilight Sparkle: It sure was and it was so awesome to see a world like that.

Starshine Sparkle. Even Homer loved it. It was as good as a smoked meat buffet from his Hive Barbecue.

Spyro: That is so cool.

Taskmaster: Sounds like my kind of planet. Lets do it!

Brody activated his eyecon and ridewatch.

GEORGE STEPHEN AND TASKMASTER!

Taskmaster: Ah the inventor of the Barbecue Grill back in 1952. Good choice and perfect for what we talked about.

Brody: Yeah it was awesome.

(FAR FROM ANY ROAD BY THE HANDSOME FAMILY PLAYS)

Brody: (SINGING DIVINELY AS FIRE AND MAGIC SWIRLS AROUND HIM)

From the dusty mesa

Her looming shadow grows

Hidden in the branches of the poison creosote

She twines her spines up slowly

Towards the boiling sun

And when I touched her skin

My fingers ran with blood

In the hushing dusk under a swollen silver moon

I came walking with the wind to watch the cactus bloom

And strange hands halted me, the looming shadows danced

I fell down to the thorny brush and felt the trembling hands

When the last light warms the rocks

And the rattlesnakes unfold

Mountain cats will come to drag away your bones

And rise with me forever

Across the silent sand

And the stars will be your eyes

And the wind will be my hands

They danced and fired waves of magic and fire and smashed him down.

Peyton, Rarity, Sweetie Belle, Water Skylanders, Dive Man and Splash Woman VS King Shark - Us battling Another Big Chill and the Camelopardalis Zodiarts

---

King Shark was next.

King Shark: (to Peyton) Not only did Nico, Jeri, and the others fight Another Big Chill. But they also fought the Camelopardalis Zodiarts.

Peyton: They sure did and it was cool hearing about that.

Rarity: Oh it most sure was darlings.

Sweetie Belle: I thought it was cool too.

Gill Grunt: It sure was fun hearing about it. But it was more tasting the smoked meat from the planet.

King Shark: That is awesome. Lets do it!

Peyton activated his eyecon and ridewatch.

LOUIS AGASSIZ AND KING SHARK!

King Shark: Louis Agassiz?

Peyton: Hey discovered the first ever Megalodon Fossil back in 1835. He was from Switzerland and discovered the first fossil for that.

King Shark: Wow that is interesting.

(NAUTILUS BY 2002 PLAYS)

Water swirled around them and so did ice and jewels and they smashed him down.

Aang, Rainbow Dash, Scootaloo, Air Skylanders, Flamefeather and Cindersaur VS Arthur Brown A.K.A. Cluemaster - Lincoln's Rescue

---

Cluemaster was next.

Cluemaster: (to Aang) Lincoln's rescue was in the Hidden Leaf Village. I suspect he ranted at Evil Sasuke as well.

Aang: Oh he sure did. And it was really cool.

Rainbow Dash: And so awesome. We put the whole thing on Social Media.

Scootaloo: Yeah it was awesome.

Scootaloo showed what happened and it was awesome.

---

We rushed on over, and right before Evil Sasuke was about to kill Simulator Naruto, Lincoln punched Evil Sasuke so hard in the face with his immense brute superhuman strength, he sent him flying into a mountain of rock, and it allowed the four girls to get to safety, and we healed Simulator Naruto. When Evil Sasuke came out, his clothes were torn and bloody, and he was really pissed off now, especially when he saw me.

Evil Sasuke: YOU MOTHERFUCKING CUR!

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Hmm, yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to J.D. in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When that bastard made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha, all they did was seal their fate. Your father poisoned his own son with his own hatred and he turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness? But, it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. Just like J.D., I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me, and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the Devil known as Madara Uchiha, a monster and a planet destroyer, it's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that, I fucking hate your style above all others, you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck**

**about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why J.D. killed them all. YOU ALL FUCKING DISGUST ME!**

We all really cheered extremely wildly for Lincoln using the Evil Sasuke Rant on him, and this drove Evil Sasuke completely insane with wild uncontrollable rage and fury.

Me: Alright, that's telling him, Lincoln!

Nico: Yeah, take that, Evil Sasuke!

Evil Sasuke made a Chidori in his left arm and he was about to run at and attack Lincoln, but Lincoln fired a Destructo Disk made of molten lava at Evil Sasuke, and it hit him and it sliced off his left arm and burned him really badly and he screamed in excruciating pain and rage.

Me: Whoa, now that's new!

Nico: You can also create a Destructo Disk made of the elemental forces?! Now, that's way cool!

Naruto: Talk about creative, nice one, Lincoln.

Sasuke: But, he's not done yet, that bastard's still kicking and Lincoln's really pissed him off now.

TLPS Mr. Wolf: Should we jump in to help?

Me: No, let him have his fun first, besides, Lincoln's just getting started.

Evil Sasuke went at Lincoln and tried to punch and kick him, but Lincoln dodged all of them with ease and with swift flexibility. Then, Lincoln punched Evil Sasuke really hard in the stomach, and it caused him to belch out massive amounts of blood, and we saw Lincoln leave a really nasty black and blue bruise on Evil Sasuke's stomach.

Nico: Dang!

Me: What?! Wait, he said he didn't need to use Venom Slappers.

Lori: Yep, it's all Lincoln's immense and brute superhuman strength, and don't forget that he's also sucked out and absorbed the strength and muscle masses of some musclebound villains and he's added it to his own.

Nico: Holy crap!

Evil Sasuke: (Glaring at Lincoln) WHAT IS IT WITH YOU! WHY ARE YOU SO STRONG?! THAT POWER SHOULD BE MINE!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) This power will never be yours, not in a trillion lifetimes!

This sent Evil Sasuke really over the edge and he continued trying to attack Lincoln, but Lincoln kept dodging him and he fired powerful blasts of rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Evil Sasuke, and they exploded with incredible power as they hit him, and Lincoln attacked him with his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and he left painful and bloody scars and slashes on Evil Sasuke and spilled his blood.

Lincoln even grabbed Evil Sasuke's hand wings and he ripped them clean off and he screamed even more in pain, and he spreads his eight massive deep sapphire blue angel wings and he released a powerful rainbow energy wave, which removed Evil Sasuke's Curse Mark and cured him, and it spread throughout the Five Great Nations and it hits Orochimaru and Evil Kabuto Yakushi and killed them and sent them to The Black Gates, cured all those who were affected by Orochimaru's Curse Mark, and it also killed the Akatsuki and Madara Uchiha and it sent all of them to The Black Gates. When Evil Sasuke recovered, he saw that his power was gone for good, and it pissed him off even more.

Evil Sasuke: YOU CUR! WHY CAN'T I KILL YOU?!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Because, my power didn't come to me by stealing it, I earned it. Power is earned and never given, you will always be weak and a worthless pathetic piece of dirt, just like your clan when they died. The Uchiha paid the ultimate price for their crimes just like you will. They had their chance, just like you did. We wanted to be your friends, Sasuke, but you just threw us aside. That shows you will never understand that true power comes from good things like Friendship, Hope, Love, and Wisdom.**

Evil Sasuke: Those are all meaningless things!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) (Rainbow Energy Aura Flares Up Even More) **That's where you're dead wrong, those are things that can help you, and it's clear that you don't want any of that: you would rather make enemies and use fear to get what you want, you're just like all of the other villains we've killed. There's a very clear difference between you and me: I worked hard to earn my power and I fight to protect those I hold dear to my heart, and there are many things that I hold dear to my heart, along with my moral code: and that's friendship, hope, love, wisdom, honor, forgiveness, and compassion, and it's those things that make me even more of a man that you, you wretched cur!**

We were really stunned at what Lincoln just said to Evil Sasuke, and that got the girls in his harem blushing even more.

Nico: Whoa.

Me: Was that really Lincoln?

Lori: It sure is, but that confidence and presence he displayed, it's like he's a whole different person.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **I have no more words to even say to you, you pathetic wretch. It's time for you to die and this time, you are never coming back.**

Evil Sasuke made another Chidori in his right arm and he was about to kill Lincoln, but Lincoln fired a massive rainbow Kamehameha energy wave and it hits Evil Sasuke and nothing was left of him, and he was erased forever by The Black Gates. We cheered wildly for what Lincoln did to Evil Sasuke, as he holstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds on his wider and muscular back and powered down. We then ran over to Lincoln and we hugged him.

Me: Lincoln, that was really really awesome of what you did to Evil Sasuke, you sure laid down the law on him and made him pay for it. (Voice Breaking) And what you did in using the Evil Sasuke rant on him and what you also said to him, I'm so proud of you.

Nico: We all are, and what you said to him, we felt that really powerful air of confidence and presence of power coming from you, it's as if you've become a whole different person.

Lincoln: I decided to do the very same thing that J.D. always did whenever he faces off against Evil Sasuke, but what I also said to that monster, that was all me, and that bastard paid the price for all of his crimes. Now, to make sure my mark is permanent.

Lincoln grabbed the headband Evil Sasuke had, and he took out a dagger and slashed it, which was proof that Evil Sasuke was a traitor and he always will be. Lincoln merged the counterparts in The Simulator with the real ones, and we all exited the Simulator.

---

Cluemaster: Wow! You guys are doing good taking turns saying the rant J.D. made.

Whirlwind: It's really awesome and therapeutic.

Cluemaster: It sure is. LETS DO IT!

Aang activated his Eyecon and Ridewatch.

ELI WHITNEY AND CLUEMASTER!

Cluemaster: Ah the great inventor of the Cotton Gin back in 1793. Good choice.

Aang: Thanks.

# Roach (Supernoobs), Applejack, Apple Bloom, Earth Skylanders, Squawktalk and Beastbox VS Tony Woodward A.K.A. Girder - Meeting a gene-slammer for Earthbound Immortal Ccoshobar

---

Girder was next.

Girder: (to Roach) I heard you guys met a gene-slammer for Earthbound Immortal Ccoshobar. What's her name?

Roach: Her name is Connie Sellingron and she has amazing powers that enable her to see from 500 miles away and can even see things at 1/1000 of an inch.

Girder: Wow! That is amazing sight!

Applejack: It sure is. She even saw Lisa about to head into Lincoln's body.

Apple Bloom: Her vision is just that amazing.

---

Connie Sellingron: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Connie, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Connie Sellingron: That's incredible.

Nico: It sure is. So, Connie, what's the story on how you saved Lincoln from Lisa who tried to kill him in another attempt to get revenge?

Me: Yeah, when Lisa came in and saw you, her face literally turned white as a ghost and her blood ran cold.

Connie Sellingron: That's a story I'll never forget. Me and Lincoln were having some fun watching TV in The Loud House. But, then, I sensed something and I saw something heading for Lincoln: it looked like a microscopic submarine and I saw who it was piloting it: it was Lisa, and she had yet another evil plan to kill Lincoln. I grabbed a playing card and cup and put the microscopic submarine inside it, and then, using Lisa's shrink ray, I got it back to normal size along with Lisa, and then, I tied her up in nylon rope, and as soon as everyone gathered, I got her to really spill the beans and she said she planned on tearing Lincoln's genetic structure from the inside and see him die a horrible death, and she still replied that he was nothing but a test subject who's meant to be abused and disposed of, and she meant it in a cold-blooded manner. Everyone was really furious with her, but none more so than Lincoln, and when I saw his eyes turn from black to blood red with rage and his vampire fangs had elongated, I knew he was going to attack her, which he did by summoning shadow demons to attack her in a whirlwind of darkness and when it was done, Lisa was all mangled up, and then, he tossed her in an isolation cube in the basement, along with being grounded for nine months. Lincoln then fired a massive fireball at the shrink ray and submarine and melted them both down until they were nothing but melted metal. But, then, Lincoln broke down and cried: it seems Lisa's cold-hearted words really got to him and I stayed to comfort him, but I wasn't alone.

Lori: We all went up to Lincoln and comforted him. What Lisa tried to do and what she said after the jig was up really got to him, and he literally questioned whether Lisa truly loved him or she was just faking it.

Lynn: Based on the numerous times she's tried to kill him, that really got to him, and we were that close to calling the cops and getting Lisa sent to a nuthouse for life and disowning her. But, she was grounded for nine months for the attack, and she got beaten up by Lincoln when he went full vampire on her.

Tanjiro Kamado: I can't believe she did something like that, but Connie, your sight and hearing have saved Lincoln from getting killed by Lisa.

Nezuko Kamado: That's right, you weren't going to let the mean sisters do whatever they wanted to Linky.

Connie Sellingron: That's right, you two. But, tell me, if you saw what the five mean Loud Sisters were about to do to Lincoln, what would you both do?

Tanjiro Kamado: Knowing just how violent they were because of their dark sides, I'd find a way to take them down without resorting to lethal force.

Nezuko Kamado: Same here, but that would've been difficult if I were still under Muzan's influence, and what'll happen when I go berserk.

Nico: (Winces) Ooh, yeah, they'll get claw marks on them, and it'll be really bad if you used your Blood Demon Art: Exploding Blood because of Muzan's influence. But, Lincoln cured you and Tamayo of Muzan's influence, but you both still retained the powers you were given by him.

FLASHBACK ENDS

Girder: GOODNESS! That is really amazing that she is able to see things that small and far away. But thank goodness she stopped Lisa before she could cause so much damage.

Flashwing: That is really incredible how Connie is able to see things that small.

Girder: No kidding. So amazing. Lets do it!

Roach activated his Eyecon and Ridewatch.

We were off.

We were flying and then the 1984 Terminator came.

Maria: Thanks for coming, Terminator.

1984 Terminator: (Arnold Schwarzenegger Accent) It was my pleasure. It'll be good to stop the White Wizard.

Nico: It sure will.

We arrived and then the Terminator went up to them.

White Wizard: So, you must be the Terminator.

1984 Terminator: That I am. You will not be able to send me into despair since I am a machine. And I see you brought Orma with you.

Gremlin: Well, if we can't send you into despair, I can feel free to kill you.

1984 Terminator: You will be the one to die. You should have gotten the electric chair a long time ago.

Then the spirits of magic and elements appeared and swirled around them and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and then we came out.

Me: White Wizard and Gremlin. Nice to see you again for the last time.

Gremlin: You made a fucking fool of me J.D.!

Me: This time we have a score to settle! I'm going to finish what I started with you.

Phoenix: (to Gremlin) I never did like working with you, Gremlin. Now, there's nothing stopping me from ending you!

Gremlin: (laughs) Well, we managed to recruit one more guest to our cause!

Elyon: And who would that be?

?: Who do you think, Dear Sister?

We recognized that voice! Out came PHOBOS!

Nico: Phobos! I knew it was only a matter of time before we faced you again.

Elyon: I have had enough of you to last a million eternities!

Phobos: Is that any way to greet your brother? After all, I DID show you Meridian.

Elyon: Yeah, Meridian when it was enslaved. You don't care about anyone but yourself. It's no wonder that Raythor, Gargoyle, Sandpit, and Miranda ditched you!

Raythor: That's right you honorless snake!

Gargoyle: You only used us as tools!

Miranda: Well no more!

White Wizaard: Vivix, come!

An army of Vivix appeared.

Gremlin: That's not all we have!

An army of Styxoids appeared as well.

Nico: Styxoids too!

White Wizard: And these.

A massive army of Hidiacs came too!

Me: Hidiacs as well!

Nico: Now you're talking!

Eli: We already faced them last month when we met Hitoshi and his team but they will work just fine as well as the Vivix's.

Nico: Lets get them!

We went at the foot soldiers and we fought and kicked and blasted them all over the place. I kicked and punched a bunch of them and Charlie did the same and we sent them flying all over the place.

We were all blasting them!

Nico: WOOHOO! YEAH!

Charlie Thorn: ALL RIGHT!

We flew back and clashed violently. And blasted them all over the place and blasted them back in a massive shockwave of stars and lightning and then spun and blasted and slashed them all over in blades of energy. The foot soldiers blasted us again and we jumped back and massive fiery explosions went off all over!

Rarity and Camie blasted them all over with jewels and energy.

Nico: YEAH!

Madison fired a blast of water.

And she drenched numerous Hidiacs and Katara and Shoto froze them in blocks of ice and Nico shattered them into millions of pieces. Himiko blasted them all over with fire and lightning blasts and incinerated them all over.

Fluttershy: Oh, Harry!

Nitoh: Who's Harry?

A bear then appeared.

Nitoh: Oh. THAT'S Harry.

He roared and mauled and mutilated numerous Hidiacs.

Kenai: YEAH! Nice work fellow bear!

Qin: Awesome!

Jay: My turn!

He fired waves of magic and blasted numerous Hidiacs all over the place.

Qin: YEAH BABY!

Lucy Loud: Try this on.

She fired waves of darkness and blasted them all over.

Princess Celestia: Time to use my Disk Animal

She summoned her Disk Animal and it was a Phoenix!

Nico: Cool!

Me: That is awesome!

The Disk Animal Phoenix fired waves of fire and destroyed the Hidiacs.

Varie: Yeah! Watch this one.

She sang in a divine voice and summoned mermaids from the dark side of the legend and they destroyed numerous Hidiacs.

All Might stepped forward and threw a powerful punch, generating a blast of wind pressure that blew several Hidiacs backwards.

He smashed them to pulp.

Bakugo then punched a Hidiac and then…

MASSIVE AND POWERFUL EXPLOSION!

His explosion destroyed numerous Hidiacs in a powerful punch!

Lola: YEAH!

The Footsoldiers all jumped the team and The Wizard team lay defeated at the hands of the Vivix.

White Wizard: Your fighting is most very impressive team.

Gremlin: Can I kill them now?

White Wizard: No. They are needed to sink into despair. But you CAN kill any of the robotic members.

POW!

I punched Gremlin down.

Me: Your fight is with me Sora. I am going to finished what I started!

Dino Tyranno: (punches a Vivix) Crap! What do we do?!

Elyon got an idea.

Whenua got an idea.

Elyon: (to everyone watching) Everyone out there! Lend the Wizard Team your strength! They get stronger with your support! When I go "1,2", shout "It's Showtime"! Okay? 1,2…

All: IT'S SHOWTIME!

Elyon: One more time! 1,2…

All: IT'S SHOWTIME!

Elyon: Louder! 1,2…

All: IT'S SHOWTIME!

Jamesdean5842: IT'S SHOWTIME!

At this, Haruto found the strength to get up.

Haruto: Everyone out there is giving me Hope. I can't let them down!

Haruto then grabbed a Vivix and punched it, knocking it to the ground.

White Wizard: IMPOSSIBLE!

Nico: Take this!

He fired waves of energy and elements and blasted White Wizard all over.

Haruto: Thanks for the help, everyone.

Nitoh: I'm gonna need LOTS of Mayonaise after this.

Ron Weasley: Thanks for including me and my friends as well.

Rinko: It was no problem.

Medusa: (to Phoenix) Who would've thought that you and I would be apart of the good guys.

Phoenix: Well, life's just full of surprises.

Me: Yes it sure is.

Nico: Time to make all three of you pay the ultimate price for your crimes!

Nitoh holds his ring on his right hand over his belt buckle, causing it to become a black based belt with two projections on the side

Beast Driver: Driver ON!

Haruto flips what looks like a visor down on his left hand ring, while Nitoh readies his left hand ring. Haruto then uses the switches on the WizarDriver once, switching

the hand sigil so it appears left handed.

WizarDriver: Shabadoobi Touch Henshin! Shabadoobi Touch Henshin!

Haruto and Nitoh: Henshin!

With that, Haruto scans his ring over the WizarDriver, while Nitoh plugs his left hand ring into the left hand portion of his Driver and twists counterclockwise, revealing a

golden lion face inside and golden decorations on the now open panels

WizarDriver: Flame! Please. Hi, Hi, Hi, Hi, Hi!

Beast Driver: Set! Open! L-I-O-N! Lion!

After completing their respective actions, Haruto and Nitoh are hit by a circle of sigils in red and gold respectively, transforming them into their Kamen Rider forms, with Haruto being a primarily black suit almost like a trenchcoat, save silver accents and red gem-like plates on his chest and helmet, and Nitoh being a black and gold lion themed warrior, with a face very much akin to his transformation ring, save a silver mouthpiece!

White Wizard: Yes. A very short one.

We pulled out our Zenkai Cannons!

All of us: (TURNS DIALS) MYSTERIOUS MIRACLE POWER!

We summoned the Goggle V, Ohranger, Magiranger, Goseiger and ToQger and the Wizard, Zi-O and Decade Riders!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) GHOSTS OF FURY!

She summoned Zs'Skayr, Skulker, Technus, Ghost Ember, Box Ghost, Lunch Lady Ghost and Ghost.

Nico: Yeah!

Elyon Brown: I've had it up to hear with you and The White Wizard for the last time, Gremlin, and the same goes with you as well, Phobos.

Suddenly, Elyon Brown's grey blue eyes turned neon grey blue, and she was surrounded by a pink energy aura with light, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels, she unholstered her massive Sword of Kandrakar from her back, and as she approached The White Wizard, Gremlin, and Phobos, she left pink energy, light, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels with every step.

Elyon Brown: You and the White Wizard really make me sick, Gremlin, you've tormented so many innocent people and have tried to destroy the world along with the Wizard Kamen Riders, and I can never forget about all of the crimes that you've committed against Meridian and Kandrakar, Phobos, and we were right about you: you are a heartless, mad, powerhungry, immoral, dishonorable demon, who's tormented me for the last time, and you three don't deserve to live a single second further.

Suddenly, Elyon Brown was surrounded surrounded by a massive vortex of pink energy with light, quintessence, fire, water, earth, air, nether, darkness, and life energy surrounding it, there's an angel flying around the vortex, and in the vortex is a grey-blue phoenix. Then, as the vortex faded, Elyon Brown emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elyon Brown grew to 6'5" in height, she has the body of a goddess, she has grey-blue highlights in the bangs of her strawberry blonde hair, she has neon grey-blue eyes and a pink energy aura with light, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels surrounding her, she has a phoenix with the Quintessence Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with grey blue gems for eyes and the Quintessence Kanji in its claws and her Crystal Necklace of the Buddha with grey blue crystal links and a phoenix with grey blue gems for eyes and holding the Quintessence Kanji in its claws for the pendant, she has on a long-sleeved pink blouse with bright red phoenix on it, pink skirt with life energy on them, pink pants, pink high heels, and a pink long sleeveless trenchcoat with phoenixes and quintessence on the coattails and on the back is a phoenix with winds surrounding it. Suddenly, Elyon Brown felt a sharp pain on her back, and then, massive bright strawberry blonde angel wings with grey-blue tips on the large strawberry blonde feathers, sprouted out from her back. Elyon Brown has on a Ring of The Phoenix with grey-blue gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Elyon Brown's massive Sword of Kandrakar and the other swords she's gotten throughout the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink energy, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels, and when it emerged, it was transformed into Kandrakar's Elemental Quintessence Greatsword of Magical Justice, it's a brand-new greatsword with the symbols of Quintessence, Fire, Water, Earth, Air, Nether, Darkness, Time, and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large fairy wings for the crossguard, large grey-blue gem embedded in the rainguard, longer black handle, and large grey-blue gem surrounded by angel wings for the pommel, she has on her new Bracelets of the Champions of The Universe with large grey blue gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with grey blue gems for eyes and large grey blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and her Eater of Sins revolver holstered on her left hip. There's a grey blue kanji below the phoenix that said, "Elyon Brown, Princess and Guardian of Meridian and Kandrakar, Loving Daughter of Queen Weira and High Consort Zayden, Friend of Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, Hay Lin and Many, Destroyer of Dark Nerissa and Phobos, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, Guardian of the Heart of Meridian, and Master of Quintessence, Fire, Water, Earth, Air, Nether, Time, and Life Energy"

エリオン・ブラウン、メリディアンとカンドラカールの王女であり守護者、ワイラ女王とハイ・コンソート・ザイデンの愛情深い娘、ウィル・ヴァンダムの友人、イルマ・レア、タラニー・クック、コーネリア・ヘイル、ヘイ・リンとメニー、ダーク・ネリッサとフォボスの破壊者、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、多くの友人、驚くほど強力な教師の驚くべき強力な学生、チームラウドフェニックスストームの驚くべきメンバー、メリディアンの心の守護者、そして真髄、火、水、地球のマスター、空気、ネザー、時間、生命エネルギー

Elyon Brown has transformed into SUPER ANGEL INFINITY KANDRAKAR ELEMENTAL QUINTESSANCE HEAVENLY PHOENIX ANGEL OF ELEMENTAL QUINTESSENCE LIFE AND MERIDIAN JUSTICE!

We were amazed by Elyon Brown's Super Angel Infinity transformation, and when Leo saw her, he had an atomic red blush on his face, hearts in his eyes, and blood leaking from his nose, but when The White Wizard, Gremlin, and Phobos saw her, they fell into a rage, and Phobos fired an energy blast to kill her first, but Elyon dodged it, and she fired three pink energy blasts with elemental forces, quintessence, life energy, and angels, and two of them hit Gremlin and The White Wizard and sent them flying into a wall, and the other hit Phobos and he was badly injured by it, but he was still pissed off.

Phobos: YOU MISERABLE LITTLE BRAT! ONCE I KILL YOU, YOUR BOYFRIEND, ALONG WITH THOSE ACCURSED GUARDIANS AND ALL OF TEAM LOUD PHOENIX STORM ARE NEXT! KANDRAKAR WILL BE MINE!

Elyon Brown: (Divine Echoing Cosmic Voice of Meridian Justice and Quintessence Life) **That's never going to happen, Phobos, your miserable life is about to come to a permanent end here and now, and this time, you're never ever coming back.**

We went at them and smashed them all over the place!

Elyon went after Phobos, who continued firing energy and elemental blasts at her in a fit of rage, but she dodged them all, and she fired powerful pink energy blasts, fire, air, water, earth, time, nether, and light at Phobos, and they exploded with incredible power as they hit him. Then, Elyon attacked her evil brother with her massive greatsword leaving tears and scars on him, and it further angered him.

Haruto: You are no brother at all, Phobos. All you ever did to Elyon was use her for your own ends.

Phobos: Well, we all can't be goody two shoes Kamen Rider of the year!

Haruto: For you, I'm using a form I haven't used in a while!

All Dragon, Please!

He turned into his All Dragon form!

Nico: You will pay for everything you've done! (GOES SUPER SAIYAN 5)

POW BLAM SMASH BIFF!

Me: You make me sick Gremlin!

Chase smashed and pulverized numerous Vivix and Hidiacs.

Chase: The hotshot does it again!

Dino Stego charged at several Vivix.

He smashed them all over!

Eli then fired waves of Force Lightning and electrocuted them all over!

I kicked Gremlin in the face and he went behind me and I bashed him in the face with my head and kicked him in the crotch and kneed him in the stomach!

I fired a blast of energy and it hit him in his chest and blasted him all over.

Vida Rocca: Time to use one of the MOE Rings!

Me: Yeah!

I put on the ring for MetalSeadramon.

METALSEADRAMON! PLEASE!

Me: (ECHOING) RIVER OF POWER!

I fired a massive energy blast and it hit White Wizard and Exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Nice shot!

Vida put on Dark Himiko's ring and then bit into Phobos's neck and sucked out a lot of his blood and made him weak and she got his powers and used them against him and fired a wave of energy.

Eli: Nice one Vida!

Madison: You still have those vampire traits in you.

Vida: Sorry.

Cornelia: EARTH!

She fired a wave of leaves and rock and smashed Gremlin and a bunch of Hidiacs and Vivix all over.

Taranee: FIRE!

She fired numerous blasts of fire and burned them all over!

Me: LIGHTNING!

I fired a massive blast of lightning and it hit Gremlin and electrocuted him!

Gremlin: (GROWLS IN INSANE RAGE) I WILL KILL YOU J.D.!

Me: Bite my big fat fucking ass!

Tyler Nevarro: T Rex Super Charge Morpher, activate!

Nitoh: (Readying his blue ring) Let's take things to the next level!

With that, Nitoh places the lion face of the ring into the right hand slot on his belt and twists clockwise.

Beast Driver: Hyper! Go! Hy-Hy-Hy-Hyper!

At this command, a spectral form of a lion looking beast emerges from the Beast Driver, and once it circles back around to Nitoh, turns his suit primarily blue with gold and red accents, particularly the lion head chestplate, and summons forth a blue and gold gun with a lion on the sides and some sort of mirror on the back.

Haruto: (Showing the ring on his left hand, which looks like a diamond version of his head but with a crown and collar on it) My turn now!

With that, Haruto switches his WizarDriver into transformation mode, and scans the new ring against it.

WizarDriver: Infinity! Please! Hi-Sui-Fu-Do-Bou-Zaba-Byu-Dogon!

With this ring scanned, Haruto is encircled by a diamond-colored circle of sigils, which rises over him, turning the Wizard suit silver with diamond armor, and changing his helmet into a more crown-looking diamond form.

Nico: AWESOME!

Rarity: Oh that form is so dazzling darlings!

Haruto: Yeah it is!

Lola: So cool!

Jared: Awesome!

We fired waves of elements and energy and blasted the rest of the Vivix, Hidiacs and Styxoids all over and destroyed them.

Me: Now it's just you and us! Starting with you Gremlin!

I teleported and kicked him in the face and then I plunged my hand into his chest and grabbed his heart!

Gremlin: (COUGHS UP BLOOD) You can't kill me! I'm immortal!

Me: What a coincidence. So am I. But this is your last day alive. Give my regards to King Tut ASSHOLE!

Then…

SQUELCH!

I ripped out his beating heart and ate it in front of him!

Me: (GULPS) BLECH! Your heart tastes like raw sewage and rotten meat!

We were punching and pulverizing Phobos and the White Wizard all over.

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL AND UNFATHOMABLE EXPLOSION!

The explosion was so massive and so powerful and so devastating that it shook the land all over and they were down.

Then, Elyon bound Phobos in a binding circle below his feet and he was also bound with chains, and then, Elyon chanted a powerful incantation, and she fired beams of red energy, and as they hit her evil brother, she began sucking out and absorbing all of Phobos' powers, magic, and abilities, and she and the rest of us were assimilating them and making them our own. Then, as soon as she was done, her evil brother was reduced to a desiccated corpse drained of every bit of life, and as soon as his spirit appeared, Elyon marked him with a kanji and he was given The Black Gates and was fading away.

Phobos: DAMN YOU, ELYON, GUARDIANS, AND TEAM LOUD PHOENIX STORM, I DESPISE ALL OF YOU MORE THAN LIFE ITSELF! (Fades Away)

We gained a massive power boost from Phobos' last bit of hatred as he faded away forever erased by The Black Gates.

Elyon Brown: (Divine Echoing Cosmic Voice of Meridian Justice and Quintessence Life) **Goodbye forever, "brother".**

We went up to White Wizard.

Me: It's over White Wizard. Your days of poisoning people with lies and despair end now!

White Wizard: You think you've won? This is only the beginning!

White Wizard grew to giant size.

Me: Time to summon the zords!

Nick Russell: You guys go. We had our fun last month.

Me: Okay.

They summoned the zords!

Dino Charge Rangers: Dino Charge Megazord!

Sir Ivan: Ptera Charge Megazord!

I then summoned the Dino Charge Super Omega Super Zord! It was ready!

Me: Time for you to pay! DINO SUPERCHARGE SABER!

I charged it up to full power!

All: DINO CHARGE ULTRA BLAST!

We fired a massive and powerful blast of energy and it hit White Wizard and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and defeated!

We went up to White Wizard and Gremlin.

Me: You two are finished.

I gave them the Black Gates and they were found guilty and banished to the Black Gates forever!

Dino Charge Rangers: Monster Extinct!

Me: And good fucking riddance!

Qin: Yeah!

Elyon: Thank you guys for helping me get rid of Phobos.

Nico: No problem Elyon. But we're not done yet.

?: I will have my revenge on you for ruining my plans, Manhattan Clan!

Goliath (Gargoyles): I knew there was no mistaking that voice from anywhere. You can come out now, Oberon.

A blue-skinned figure dressed in medieval clothes came out, and it was none other than Oberon, another enemy of the Manhattan Clan.

Goliath (Gargoyles): It's been a long time since last we met in combat, Oberon.

Oberon (Gargoyles): And it will soon be the last when we kill you all!

Elyon Brown: That's not going to happen, Oberon, I hope you're ready to pay the price for your crimes.

Suddenly, Elyon Brown's grey blue eyes turned neon grey blue, and she was surrounded by a pink energy aura with light, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels, she unholstered her massive Sword of Kandrakar from her back, and as she approached The White Wizard, Gremlin, and Phobos, she left pink energy, light, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels with every step.

Elyon Brown: Oberon, the crimes that you've committed against mankind can never be forgiven, and now, I will see to it that you are brought to justice here and now.

Suddenly, Elyon Brown was surrounded surrounded by a massive vortex of pink energy with light, quintessence, fire, water, earth, air, nether, darkness, and life energy surrounding it, there's an angel flying around the vortex, and in the vortex is a grey-blue phoenix. Then, as the vortex faded, Elyon Brown emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elyon Brown grew from 6'5" to 6'11" in height, she has the body of a goddess, she has grey-blue highlights in the bangs of her strawberry blonde hair, she has neon grey-blue eyes and a pink energy aura with light, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels surrounding her, she has a phoenix with the Quintessence Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with grey blue gems for eyes and the Quintessence and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with grey blue gems with gold elemental symbol links and grey blue crystal links and a grey-blue angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with grey blue gems for eyes and holding the

Quintessence and Eternity Kanjis in its claws for the pendant, she has on a long-sleeved pink blouse with bright red phoenix on it, pink skirt with life energy on them, pink pants, pink high heels, and a pink long sleeveless trenchcoat with phoenixes and quintessence on the coattails and on the back is a phoenix with winds surrounding it. Suddenly, Elyon Brown felt a sharp pain on her back, and then, massive bright strawberry blonde angel wings with grey-blue tips on the large strawberry blonde feathers, sprouted out from her back. Elyon Brown has on a Ring of The Phoenix with grey-blue gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Elyon Brown's massive Kandrakar's Elemental Quintessence Greatsword of Magical Justice and the other swords she's gotten throughout the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink energy, quintessence, fire, water, earth, air, nether, darkness, life energy, and angels, and when it emerged, it was transformed into Kandrakar's Elemental Quintessence Broadsword of Magical Justice, it's a brand-new large broadsword with the symbols of Quintessence, Fire, Water, Earth, Air, Nether, Darkness, Time, and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large fairy wings for the crossguard, large grey-blue gem embedded in the rainguard, longer black handle, and large grey-blue gem surrounded by angel wings for the pommel, she has on her new Bracelets of the Champions of The Universe with large grey blue gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with grey blue gems for eyes and large grey blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and her Eater of Sins revolver holstered on her left hip. There's a grey blue kanji below the phoenix that said, "Elyon Brown, Princess and Guardian of Meridian and Kandrakar, Loving Daughter of Queen Weira and High Consort Zayden, Friend of Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, Hay Lin and Many, Destroyer of Dark Nerissa and Phobos, Loving Girlfriend of Leo, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud

Elyon Brown has transformed into SUPER ANGEL ETERNITY INFINITY KANDRAKAR ELEMENTAL QUINTESSANCE HEAVENLY PHOENIX ANGEL OF ELEMENTAL QUINTESSENCE LIFE AND MERIDIAN JUSTICE!

We were amazed by Elyon Brown's Super Angel Infinity transformation, and when Leo saw her, he had an atomic red blush on his face, hearts in his eyes, and blood leaking from his nose, but when Oberon saw it, the magic user fired an energy blast at her, but Elyon dodged it, and she fired a powerful pink energy blast with elemental forces, quintessence, life energy, and angels, and it hits Oberon and sent him flying into a wall.

Nico: Whoa, Elyon's transformed, that's so awesome.

Me: Now, she's going to teach Oberon a painful lesson for his crimes.

Elyon Brown: (Divine Echoing Cosmic Voice of The Elemental Quintessence Life Angel and Divine Meridian Love) **That's right, J.D. Now, to put a stop to you, Oberon.**

Elyon Brown went after Oberon, who continued firing blasts of energy at her, but she dodged them all, and she fired powerful pink energy blasts, fire, air, water, earth, time, nether, and light at Oberon, and they exploded with incredible power as they hit him.

Then, she attacked Oberon with her new massive large broadsword and she left scars on him. Then, Lincoln assisted by forming a binding circle on the ground below Oberon's feet, and it kept him from using his powers. Then, Lincoln used his power-stripping curse, and he stripped Oberon of all his magic and powers and he and the rest of us made them our own. Then, Elyon Brown sent Oberon to The Masters of Evil's prison where he'll be recruited into The Masters of Evil once he's spent time there. We cheered wildly for what Elyon Brown did as she holstered her massive broad-bladed large broadsword on her back and powered down and Elyon Brown's new body, clothes, weapons, jewelry, and massive strawberry blonde angel wings are permanent.

Then, Leo went up to Elyon Brown, and he scooped her up in his arms and they shared a passionate kiss and we all cheered wildly for them.

Haruto: Wait, none of us didn't know that Elyon and Leo have gotten together.

Lincoln: They've had feelings for each other for some time now, and they admitted it when they were sent to Lake Lamode.

Leo: And we had fun there as well. Still, I can't believe Phobos returned from the dead, I thought we were finally rid of him since last year.

Me: He wasn't that easy to get rid of, Leo.

Nico: Yeah, he's a pain in the ass monster who doesn't know when to quit, but Elyon transformed and she made her evil ex-brother pay with his life.

Elyon Brown: And he was sent to The Black Gates for good, along with The White Wizard and Gremlin.

Me: Yeah, and I was waiting for the chance to send Gremlin to The Black Gates.

Lincoln: Yeah, what a monster. And now, tomorrow, we're going to meet the Gaim Kamen Riders.

Lillian Hale: I can't wait to see them again.

Woz: Rejoice! Another Dai Shocker Villain has fallen, and Team Loyd Phoenix Storm have claimed their new Rider allies, Kamen Riders Wizard and Beast! May this alliance last well past the conflict, until the last drop of magic has left this world!

Vortex: This was a nice way to end the Wizard mission.

Madame Masque: With Elyon finally ending Phobos

Me: And Thank goodness.

Batroc: The sword that Nico and the others got really came in handy.

Me: It sure did. That was so awesome!

Halinor Rollington: I'm really gonna love it here with you guys.

Connie Sellingron: Same with me.

Abra Kadabra: You girls won't regret it.

Merman: (to Calvin) See, Calvin? You're not like Gremlin at all

Calvin: Thank goodness! At least that sketch was not true.

Laney: No it's never true.

Nico: But this was awesome. Great job everyone! Now we have Lillian's mission tomorrow with the Gaim Riders.

Taiga: Thanks for having me, guys. But now, I need to go back to my team. The Nico that I know must be worried sick.

Me: It was awesome having you help us out Taiga. We'll see you in 4 days.

Taiga: Looking forward to it.

We shook hands and he went back with the Ex-Aid team.

Haruto: (to the viewers) This was a great adventure of magic. Hope you liked it as much as we did.

Me: We all did. This makes number 5 of the Riders recruited.

Nico: Yep. Lets go home. But first…

Nico teleported and grabbed Orma!

Nico: Orma. Nice to see you here.

Orma: I have no use now.

Nico: You can still join the M.O.E. After a rehab session in their prison.

Orma: Deal.

Nico teleported Orma to the M.O.E. Prison.

We went back home and enjoyed the rest of the day and went to sleep.

Meanwhile back in Japan, the Gaim Team was getting ready for our arrival.

Kouta: This is gonna be so awesome.

Kaito Kumon: It sure is! I can't wait have Team Loud Phoenix Storm help us.

Kouta: And it'll be awesome to see Lillian again.

Kaito: Same here.

Kouta: Lets get ready!

They activated their Lockseeds.

Gaim Team: HENSHIN!

They transformed and went at the screen.

TO BE CONTINUED!

Kingdom Hearts Birth by Sleep begins in the Land of Departure, where three Keyblade wielders and close friends-Terra, Aqua, and Ventus (more commonly known as Ven)-train to become Keyblade Masters under Master Eraqus. To achieve this rank, Keyblade Apprentices must take the Mark of Mastery exam once they come of age. Terra and Aqua take this test together and in the first round Master Xehanort sabotages the exam, forcing Ventus to intervene. In the second round Terra and Aqua fight each other, but while Aqua passes the test, Terra is deemed unfit to become a Keyblade Master due to the abundant darkness in his heart.

Afterward, a group of mysterious creatures called the Unversed begin to surface in other worlds, and another Keyblade Master, Xehanort, disappears without a trace. Terra is sent to destroy the Unversed and find Master Xehanort, who had earlier encouraged him to embrace the darkness in his heart if he desires the strength to become a Keyblade master. Ven, meanwhile, is goaded into following Terra by Xehanort's mysterious apprentice Vanitas, against Eraqus's wishes. Aqua is dispatched by Eraqus to survey Terra and keep him from falling into darkness, as well as to bring

Ventus back to the Land of Departure.

Upon arriving in other worlds, Terra, Aqua, and Ventus encounter various Disney characters, new and old, fighting off hordes of Unversed along the way. Among the characters they meet is Mickey Mouse, apprentice of the sorcerer Yen Sid, who is also on a mission to destroy the Unversed. Terra ends up attracting the attention of several Disney villains, who offer him the whereabouts of Master Xehanort in exchange of assistance for their own dark agendas. Terra reasons that Master Xehanort is after the seven Princesses of Heart-maidens who lack darkness in their hearts-and encourages Aqua to help them strengthen the light in their hearts, hoping it will draw Master Xehanort out.

However, Aqua and Ven grow increasingly concerned for Terra when they hear rumors of him committing sinister deeds throughout other worlds. The three briefly reunite at Radiant Garden, where Aqua meets Kairi, a young girl containing a strong and pure light in her heart, and helps strengthen her light. Aqua and Ven also confront Terra, who distances himself from them to keep them out of the way of his increasingly dangerous dark powers. Terra and Aqua try to convince Ven to return to the Land of Departure, but he refuses until he is certain Terra won't fall into darkness.

Terra and Aqua eventually find themselves at Destiny Islands, where they encounter two young boys, Sora and Riku. Terra sees potential within Riku and deems him worthy of one day wielding the Keyblade, while Aqua senses strong ties with Sora and Riku to Ven and Terra, respectively. Ven, meanwhile, comes across Master Xehanort, who reveals his intentions to use Ven's heart to create a final Keyblade known as the χ-blade, something Master Xehanort says Master Eraqus had known all along. Ven returns to the Land of Departure to confront Eraqus, who tries to erase Ven to prevent Master Xehanort's plans from succeeding.

However, Terra, who had been sent there by Xehanort, misinterprets the situation and attacks Eraqus, teleporting Ven to safety. As soon as Terra realizes his error, Master Xehanort arrives and cruelly kills Eraqus and tells Terra to go to the Keyblade Graveyard, leaving the Land of Departure to be consumed by darkness. At Destiny Islands, Ven once again encounters Vanitas and learns of his hazy past: Ventus was once Master Xehanort's apprentice, but his heart was deemed too frail for Master Xehanort to use him as he intended, so he extracted the darkness in Ven's heart and used it to create Vanitas. As with Terra before him, Ven is instructed by Vanitas to go to the Keyblade Graveyard. Aqua, in the meantime, learns of Eraqus's death from Yen Sid, who tells her to go to the Keyblade Graveyard as well.

Terra, Aqua, and Ventus gather at the Keyblade Graveyard, where the remains of the mysterious Keyblade War are found. Master Xehanort appears with Vanitas and reveals his plan to use the χ-blade to unlock Kingdom Hearts and unleash the forbidden secrets of the Keyblade War onto the various worlds, as well as to use Terra's body as a new vessel for his own heart so that he may survive long enough to see his plans come to fruition. An epic battle ensues, with Xehanort freezing Ven, and Vanitas knocking Aqua unconscious. In his rage, Terra unleashes the darkness in his heart, inadvertently allowing Xehanort to unlock his own heart and successfully transfer it into Terra's body, which results in the birth of a new, younger Xehanort.

However, Terra's mind continues to linger in his discarded suit of Armor, which comes to life and defeats Xehanort. Ven, meanwhile, manages to thaw himself before Vanitas can kill Aqua, and discovers his dark counterpart to be the source of all Unversed. Vanitas merges with Ven, possessing him and creating the χ-blade. Aqua awakens under Mickey's care, and the two fight the possessed Ventus while he battles Vanitas from within. Aqua shatters the χ-blade as Ven destroys Vanitas, bringing an end to the Unversed, though Ven's heart is lost in the process. The destroyed χ-blade unleashes a burst of light, which consumes everyone present and scatters them to the corridors of space, save for Terra's Lingering Will, which remains in the Keyblade Graveyard.

Mickey saves Aqua and Ventus and brings them to the Mysterious Tower, where Aqua learns that Ven has fallen into a deep sleep and will not awaken until his heart returns. Aqua brings Ven back to the ruins of the Land of Departure, where she discovers Master Eraqus's Keyblade, and uses it to unlock the Chamber of Waking and recreates the world as Castle Oblivion from the ruins. After leaving Ven within the chamber, Aqua goes to Radiant Garden where she encounters Master Xehanort still in Terra's body, but having lost some of his memories. Aqua then battles Xehanort who after the fight attempts to unlock his heart, losing his memories completely in the process.

Soon after, Terra's body starts sinking into darkness, but Aqua dives into the darkness and saves Terra from disappearing. Realizing her glider won't be able to make it back through the portal in time, Aqua sacrifices herself by discarding her armor and using it to guide her glider, Terra-Xehanort in tow, back through the portal leaving herself behind and lost in the Realm of Darkness. Xehanort is discovered by Ansem the Wise, ruler of Radiant Garden, and goes on to become his apprentice. Ventus's wandering heart finds its way to young Sora, merging with the young boy's heart.

Blank Points

An unlockable secret ending shows the hearts of Terra and Master Xehanort lying dormant in Xehanort's body, waiting to see which will control it in the end, with Eraqus's heart revealed to be sealed within Terra's. It also shows a recovered Xehanort walking with Braig as Ansem the Wise and Ienzo pass by.

Shortly after the end of Kingdom Hearts II, Aqua encounters Ansem the Wise in the Dark Margin. Ansem, who had survived the explosion of his Kingdom Hearts Encoder with few of his memories remaining, reveals to Aqua that while darkness threatens to swallow the worlds again, hope lies in the form of Sora, who prepares to set out on another journey to help all of those whose hearts are connected to his.

As the Keyblade War concludes and the hearts of the fallen ascend to Kingdom Hearts, Luxu watches from afar in silence with the Black Box at his side as he uses the Gazing Eye to relay the events to the Master of Masters.

At the Mysterious Tower not long after Master Xehanort's resurrection, Riku, Kairi, and King Mickey are having an audience with Master Yen Sid. Yen Sid explains that in order to confront Xehanort, they will need to gather the Seven Lights, among those which include the three Keyblade Wielders who befell a terrible fate over a decade ago. At Yen Sid's request, Mickey tells Riku and Kairi of the time he came across Aqua in the Realm of Darkness.

The story begins where Kingdom Hearts: Birth by Sleep Final Mix's Secret Episode ended, with Aqua discovering the Castle of Dreams within the Realm of Darkness. Sensing something suspicious, Aqua makes haste towards the castle, fending off repeated Heartless attacks along the way. However, upon approaching the castle grounds, the clock on the castle's tower advances, causing the land to crumble.

Aqua enters the nearby town to find five Gears that will turn back the clock and restore the grounds. As she locates the Gears and activates them, Aqua experiences flashbacks to her time in the Realm of Light. After reviving the path to the castle, Aqua makes her way forward, but is accosted by a large swarm of Shadows conglomerating into a Demon Tower, which she successfully repels. Entering the castle, she spots what appears to be Terra. When she approaches him, though, the apparition disappears into light. Aqua solemnly recalls her past with her friends before proceeding.

Moving beyond the castle, Aqua next finds herself in the remains of Dwarf Woodlands, with only a single casket before her. Approaching the casket, she sees Ventus within, and desperately calls out to him. However, as with Terra, Ventus too vanishes, leaving Aqua alone. As Aqua searches for her resolve, she notices a large mirror floating near her, and reaches out to it. As she does. her apparent reflection suddenly grabs her arm and pulls her into the mirror, taking her to The World Within. Discovering that the path back is blocked, Aqua approaches the central chamber before being surrounded by three shadowy mirrors that appear to taunt her before flying off into the central chamber.

Aqua, realizing that the shadowy mirrors must be some sort of clue, begins to investigate the mirrors, while being seemingly haunted by her own self-doubt. Upon finding the first mirror, Aqua hesitantly approaches it and stares at her own reflection. In moments, the reflection suddenly comes to life, stepping out of the mirror and summoning a Keyblade while taunting her. It then engages Aqua in a fight, in which Aqua successfully dispels the phantom. Aqua proceeds to seek out the other two Phantom Aquas and defeat them, then returns to the mirror from which she came. She reflects on what the Phantoms have been telling her, painfully admitting that they are the manifestations of her own doubt and self-loathing that are trying to kill her, and that she is starting to let the darkness into her heart. Regardless, Aqua accesses the mirror and pushes on.

Exiting the mirror, Aqua ends up in the remains of the Enchanted Dominion, where she once again spots the apparitions of Terra and Ventus. Declaring her intent to find them, she chases the illusions across the forest, encountering numerous Darkside in the process. Upon exiting the forest, Aqua finds herself in a vast landscape haunted by countless Darkside, all of which appear to be feeding a large orb of darkness in the sky. Aqua takes it upon herself to vanquish the Darkside protecting the orb, eliminating it and causing the orb to dissipate feebly and escape.

Aqua finally manages to catch up to the illusions of Terra and Ventus; calling out to them, she is surprised when Terra responds to her. Terra reveals that he is unable to see anything within the Realm of Darkness, and that both he and Ventus are illusions conjured by Aqua. He explains to Aqua that he is no longer in control of his body, but while Aqua reflects on Ven's comatose state, Xehanort suddenly takes over and nearly tricks Aqua into revealing Ven's hiding place in Castle Oblivion. Before she can do so, Terra reappears and grapples Terra-Xehanort from behind, restricting him and summoning binding chains. From behind Aqua and Ven, a dark portal manifests and a Darkside's hands grab Aqua and Ven, strangling them while dragging them through the portal. Aqua blacks out as she watches Terra confront Terra-Xehanort.

Aqua is later seen drifting into the darkness. As she lets go of her Wayfinder, Mickey appears and grabs onto her, putting her Wayfinder back into her hand. The two of them find solid ground, where Mickey explains that it has been ten years since they last met, and that he entered the Realm of Darkness to seek the Keyblade of the dark realm so that he and Sora can seal Kingdom Hearts. He managed to find Aqua through her Wayfinder, which emitted a "warm, familiar light". After they fight back another Demon Tower, Mickey and Aqua decide to proceed together.

Travelling further, the two of them manage to arrive at Destiny Islands, having been absorbed by the End of the World. Aqua recognizes the islands as the place where she first met Sora and Riku, and where Terra bestowed the power of the Keyblade to the latter. Mickey deduces that this must mean that they are close to the location of the dark realm's Keyblade, and thus approach the Secret Place. When they are about to enter, however, the Demon Tower, now in the form of the Demon Tide, returns and attacks, forcing Aqua and Mickey to defeat it for seemingly good. Having vanquished it, Aqua and Mickey enter the Secret Place and find the wooden door within; opening it, the two find a glowing Kingdom Key D inside, which Mickey claims. Moments later, Destiny Islands vanishes, leaving the two in the Realm of Darkness.

From the distance, Mickey spots the door to Kingdom Hearts, and points out to Aqua that it looks different than what she's used to. Upon approach, Mickey also notices Riku in the Realm of Darkness attempting to close the door. Before he can get close, the Demon Tide surprises Mickey and damages him, stripping him of his clothes. Aqua decides to buy time for Mickey by fighting back, but the Demon Tide takes hold of her and drags her back to Destiny Islands, the door behind them sealing shut. Mickey goes to help Riku and Sora seal Kingdom Hearts while Aqua, finding her will to live, finishes the battle against the Demon Tide.

Aqua is later seen lying on the seaside shore, gazing up into the sky, which turns to night. As she stares into the stars, she notices droplets of light raining down, indicating that Kingdom Hearts has been successfully sealed and that Destiny Islands is being restored. Unable to leave the Realm of Darkness, Aqua falls off the disintegrating shore and drifts into the darkness once more.

In a subsequent cutscene, Aqua approaches the Dark Margin, where Ansem the Wise sits in wait.

Kingdom Hearts begins with Sora's Dive to the Heart, which foreshadows the events that will soon take place, but soon progresses to Destiny Islands, where Sora lives with his two best friends, Riku and Kairi. The three friends seek to leave the islands to explore new worlds and have prepared a raft for this purpose. One night, the islands are attacked by darkness and shadow creatures.

Sora seeks out his friends, finding Riku first; Riku disappears into darkness, curious about what it contains. Soon after, Sora obtains a mysterious weapon, the Keyblade, to defend himself. Using it to fend off the creatures, he heads for a secret cave, where he finds Kairi near a door. She turns to him, saying his name as the door behind her blows open. The ensuing blast of darkness sends Sora and Kairi both out of the cave. The islands are soon destroyed, and Sora is left adrift, Riku and Kairi's whereabouts unknown.

Meanwhile, King Mickey has left his world to deal with the increasing power of darkness and left instructions for mage Donald Duck and knight Goofy to find the "key". Donald and Goofy use a Gummi Ship to travel to Traverse Town, where it happens Sora has also drifted to. Sora encounters the creatures again in the town, and eventually meets Leon, a mysterious swordsman who explains they are Heartless, creatures that consume hearts, and that the Keyblade is the only weapon capable of defeating them. The king of Leon's home world, a man named Ansem, is said to have studied the Heartless. Donald and Goofy are approached by Leon's ally Aerith, who also tells them what they may be looking for. Soon after, Sora meets Donald and Goofy rather hastily, and the three work together to take down a large Heartless. From there, they decide to travel together: Donald and Goofy to find Mickey, and Sora to find Kairi and Riku.

The three travel to various worlds based on Disney films, finding that the Keyblade also locks "Keyholes", passages that the Heartless use to take the hearts of the worlds. A group of villains, led by Maleficent, seek out the seven Princesses of Heart to unlock the Keyhole that leads to Kingdom Hearts, a repository of knowledge and power and the source of all hearts. This group now includes Riku, who is swayed by Maleficent's promises that she will help find Kairi. At the same time, Maleficent breeds distrust in Riku, telling him that Sora has abandoned him and Kairi for new friends and the Keyblade. An increasingly antagonistic Riku manages to find Kairi's body, but her heart is missing.

Sora and his friends eventually arrive at Hollow Bastion, the home world of Ansem and the headquarters of Maleficent. Riku takes the Keyblade from Sora, claiming that he was fated to have it all along and Sora was simply the "delivery boy". Donald and Goofy, taking their order to follow the "key" seriously, reluctantly leave with Riku. Sora calls on his courage and enters the Bastion anyway, then challenges Riku again, stating that his heart derives strength from his friends. His friends return to him, as does the Keyblade. Shamed, Riku flees and meets a cloaked man who goads him to give into the darkness.

Sora, Donald, and Goofy, meanwhile, engage and destroy Maleficent. They soon after meet a strangely-behaving Riku with a new Keyblade that unlocks hearts. He leads them to Kairi's living but unfeeling body; Riku then reveals himself as completely possessed by Ansem. The newly reformed Ansem explains that Kairi is the last Princess of Heart, and that her missing heart has been trapped within Sora's body since the destruction of Destiny Islands. Spurred to action, Sora defeats Ansem; however, he cannot seal Hollow Bastion's keyhole because Kairi's heart is still in his body, thus the keyhole remains incomplete. Sora uses Ansem's Keyblade to unlock his heart, releasing both his and Kairi's heart, but turning him into a Heartless. Kairi's heart returns to her body, in turn completing the final Keyhole; she then returns Sora to human form by the strength of her heart. The group resolves to follow and end Ansem's plan.

Ansem retreats to the End of the World, the combined fragments of worlds taken by the Heartless. Upon being found and finally beaten, he explains his belief that darkness is the heart's true essence, and he seeks Kingdom Hearts, the source of all hearts, and therefore the ultimate source of darkness. However, upon opening the door to Kingdom Hearts, it reveals Light, killing Ansem. Beyond the door are Mickey and Riku, back in control of his own body. They help Sora and the others close the door, as there are many Heartless beyond it, but Riku and Mickey must remain inside to help seal it; when Sora seems concerned, Mickey assures him that "there will always be a door to the light" and then, when Goofy tells Sora that he can "trust King Mickey", Mickey thanks his friends: "Donald, Goofy, thank you." - it's a heartfelt goodbye from the Mouse King who may never see them again. Mickey and Sora then use their Keyblades to lock the door. The destroyed worlds reconstruct themselves; Kairi is pulled back to the Destiny Islands, but Sora promises before separating they will all reunite some day. Sora, Donald, and Goofy resolve to find Riku and Mickey, though they are unsure of where to start. Luckily, Pluto appears, clutching a letter from Mickey in his mouth; he runs off with Sora, Donald, and Goofy in tow, ready for a new set of adventures. The silent narrator from the beginning of the game states in the final scene that Sora's destiny is to open the door to light.

One year later, in a secret ending, a mysterious boy wielding two Keyblades finds Riku in a new world demanding to know where Sora is.

Sora, Donald and Goofy walk down a long path that seemingly goes nowhere. They see Pluto and start to follow him. He leads them to a crossroads. While deciding which path to take, a mysterious man in a black cloak approaches Sora and speaks to him, but at that moment his words are incomprehensible. The path becomes one and it leads them to Castle Oblivion. The cloaked man appears as they enter the castle and gives them a card.

They use the card to proceed through the castle. The first world they go to is Traverse Town, where they discover that Leon, Aerith, Yuffie, and Cid have forgotten all about them, yet they strangely remember Sora's, Donald's, and Goofy's names, where Yuffie comments, "You're not in my memory, but my heart remembers you." After Leon gives Sora a tutorial on fighting and gives Sora a Simba summon card, they leave Traverse Town.

The man appears once more after they arrive on the next floor. Another cloaked man appears and introduces himself as Axel. Sora battles him, and when Axel is defeated, he gives him more cards, disappearing soon after. Sora, Donald, and Goofy go through each floor, experiencing their memories, all of which are somehow distorted, each in a different way. They start to lose their memories. A Nobody named Naminé begins to replace memories of Kairi with fake ones of herself. It turns out she is good and is manipulating his memories under the orders of the head of the castle, Marluxia. This escalates to a final battle in the end, for Sora's life, and Naminé's freedom.

Meanwhile, Riku awakens down in the castle, and as he goes up the basement levels of Castle Oblivion, he must take control of the inner darkness inside of him, dealing with Ansem, the Riku Replica, and three members of Organization XIII; Vexen, Lexaeus, and Zexion, along the way.

### Sora's Story

Sora's Tale I

Our friends may be here…

It was that thought that led us to Castle Oblivion, where cards rule over all.

A mysterious man gave Sora a card, using it took us to Traverse Town-of all places!

It turned out the town was just a figment of our own remembrances, the first world of many that lie in Sora's heart.

And so our journey through these worlds begins.

Sora's Tale II

It seems we're slowly losing our memories of what happened before the castle. And all my notes about the last journey have vanished!

But in exchange, Sora is remembering other things he must have forgotten until now-like a girl he knew when he was little.

While fighting Larxene, Sora finally remembered the girl's name…

Naminé.

Sora's Tale III

Sora pressed on in his search for Naminé, and can you believe it? He found Riku, his best friend whom we thought was lost.

Sora was so happy, but Riku attacked him just like that, saying, "I'll protect Naminé!"

What could he mean? Will something happen if Sora finds Naminé?

Sora is chasing after Riku… and the answers.

**Reverse/Rebirth**

Riku's Tale I

Bored with his secluded island life, Riku dreamt of seeing other worlds.

He got his wish when darkness devoured Destiny Islands and he was thrust into the outside world.

While looking for his lost friend Kairi, he met Maleficent, and accepted her help.

But Maleficent had her eyes on Riku's strength and was working to make him her underling. She gave Riku the power of darkness, but as he used it, it gained power over him.

This is why Riku fought his best friend, Sora, and how his heart fell to Ansem, pursuer of darkness.

But Riku was freed by Sora's light. Riku, Sora, and the king worked together to close the door to darkness, but Riku was trapped inside, in the realm of darkness.

Will he see the realm of light again?

Riku's Tale II

Led by a mysterious voice, Riku made his way through the card-worlds, but met only dark beings within.

Riku was told that because he rejected the other things in his life to claim darkness, his heart is now devoid of anything but the darkness he sought.

Unable to accept this, Riku encountered Ansem, who tried yet again to conquer him.

The king intervened to save Riku, but Ansem had not let go of his heart.

And so Riku must fight the darkness within.

Riku's Tale III

Embattled with the darkness in his heart, Riku met someone who looked just like him, a replica crafted by Vexen, a member of the Organization.

The replica commanded darkness freely, and called Riku cowardly for shunning the dark.

Meanwhile, agents of the Organization laid their rivalry bare. Sora and Riku seem to be the reason they control the castle-but why?

Riku's Tale IV

Vexen took his replica of Riku and headed for the surface, but finally fell at Sora's hands.

Lexaeus confronted Riku, intending to bring him to submission using all force necessary.

It was then that the powerful darkness in Riku's heart awakened. The darkness defeated Lexaeus, then dragged Riku into the realm of darkness.

There, Ansem's shadow loomed large, but Riku was again saved by the king's light.

Sora and his companions have been asleep for about a year, regaining their memories. When Sora awakens, he eventually arrives in Twilight Town, the place where a mysterious boy, Roxas, lived before he suddenly left.

Gaining new clothes and powers, Sora began his journey anew, unaware of the events that have taken place in Chain of Memories. Sora continues his quest by unlocking paths to new worlds, learning of Nobodies and fighting the Heartless, as well as facing the remaining members of the mysterious Organization XIII. As the game progresses, Sora learns about Roxas and how much they have in common.

The story begins with the player in control of Roxas in Twilight Town. Roxas has dreams of Sora's adventures while increasingly mysterious activities begin taking place in Twilight Town during Roxas's summer vacation. After obtaining the Keyblade to defend himself from the Nobodies, Roxas comes in contact with a young man in black named Axel. Axel appears to know Roxas, though Roxas has no recollection of him. Roxas eventually makes his way into an abandoned mansion where a girl named Naminé informs him that he is a Nobody, although he did not quite know what a Nobody was at that time.

Finally, confronted by a mysterious, red-cloaked man called DiZ, Roxas discovers Sora, Donald, and Goofy sleeping in the hidden basement of the mansion. Roxas seems to merge with Sora. As Sora, Donald, and Goofy awake from their year-long slumber. Jiminy Cricket, who had previously chronicled the trio's adventures, finds that his journal is now completely blank, save for the note: "Thank Naminé" (which was written by Jiminy himself during Chain of Memories).

After meeting Pete, a new villain, and speaking with Yen Sid, the party is informed that they must once again visit many worlds to protect them from both the Heartless and the Nobodies in an attempt to stop Organization XIII. These include both old but greatly changed places, like Hollow Bastion, and brand new worlds the party has never encountered before.

In the course of their travels, the Heartless, headed by a revived Maleficent and the Organization, regain power, eventually forcing Sora to battle a massive army of Heartless that are attacking Hollow Bastion. Along the way, they learn that the Ansem they fought a year ago was actually the Heartless of Xehanort, and that the Nobody of Xehanort, Xemnas, is the leader of Organization XIII. They also learn that Xehanort was an apprentice of the real Ansem, who is missing.

After the battle, Xemnas appears and reveals their ultimate goal: the Nobodies plan to create another Kingdom Hearts, a doorway to the heart of all worlds that will presumably allow the Nobodies to get their hearts back. After confronting and defeating more members of the Organization, Sora goes to the World That Never Was to settle the score with the Organization for good; he also finally reunites with his friends Riku and Kairi. Sora learns the truth about Roxas as well; he and Naminé are, respectively, Sora and Kairi's Nobodies, created when they lost their hearts in the original Kingdom Hearts game.

In the end, only Xemnas is left of the original thirteen members. Sora and Riku unite to defeat him, and his new Kingdom Hearts is closed. Sora and the others are returned to their homeworld of Destiny Islands. Although Sora has to say goodbye to Donald and Goofy, he knows in his heart that true friends are never gone. However, sometime later, Sora, Riku, and Kairi receive a letter from King Mickey after the credits. They proceed to read the letter, but the contents are left unrevealed until Kingdom Hearts coded.

---

Tsuki was shocked and floored at the same time. She couldn't believe that Organization XIII was gonna create another Kingdom Hearts. But she was so proud that they were stopped by us. Next they went over everything that happened in Kingdom Hearts Coded.

---

While organizing the records in Jiminy's journal from his travels with Sora and his friends, Jiminy Cricket's curiosity about the line "Thank Naminé" results in him finding a message that he did not write: "We must return to free them from their torment." To investigate this message, King Mickey digitizes the contents of the journal and goes into the simulated world to investigate; awakening a virtual Data-Sora on the virtual Destiny Islands to carry out the contents of the journal to uncover the identity of "them".

As Data-Sora awakens on Destiny Islands, he encounters numerous "bugs", which take the form of red and black blocks, covering the whole world. Upon eliminating the Heartless and destroying the bugs, Sora traverses to other worlds infected with bugs to return them to normal, following the cloaked figure upon orders from King Mickey.

Meanwhile, Heartless begin appearing within Disney Castle, and everyone finds themselves trapped in the room. To their surprise, they are saved by Data-Sora. Suddenly, the cloaked figure reveals himself to be Jiminy's Journal taking the form of Riku, and explains that they are no longer in the real world, but the data world. Sora is sent off by the Journal to discover his true identity, only to encounter Maleficent and Pete from the real world. Maleficent destroys Data-Sora's Keyblade and summons Heartless to attack him. Mickey and the Journal arrive to save Sora, but the Journal is abducted by Maleficent, with Mickey giving chase. Sora makes his way through Hollow Bastion, aided by Donald and Goofy. They encounter Pete, who summons the Journal and takes control of him with the bugs to fight them, but Sora still manages to defeat the Journal, who falls unconscious.

Mickey arrives and informs Sora that unless the bugs are destroyed, the Journal will never awaken. Sora decides to find a way to awaken the Journal, and enters Riku's data world, losing his abilities in the process. The two visit various worlds from the Data-Riku's memory and find their way back to Hollow Bastion, where they fight and defeat Maleficent. Meanwhile, King Mickey discovers that he will be returning soon to the real world, but the Journal, once completed, will have to be erased, which will mean the end of Data-Sora's memories. When the time comes, Sora requests more time in order to save Pete and Maleficent, who are still in the data world. Sora finds them fighting Sora's Heartless, but Pete and Maleficent are seemingly erased before he can intervene.

Sora defeats Sora's Heartless, and finds that Pete and Maleficent were rescued by the Journal through a "rift in the data". They leave the Data world shortly before Mickey returns to the real world, erasing the Journal. A new message appears claiming that a new door to a new world has been opened, which is the data of the data world added into the Journal. Mickey, realizing that this quest may be too dangerous for Data-Sora as he has no memory of it, requests to be taken into the Data World once again.

Finding Data-Sora in Traverse Town, Mickey takes him to Castle Oblivion where Data-Sora is confronted by a young man wearing a black coat. He tells Sora that if he wants to know the truth, he must move forward on his own through the previous worlds he visited destroying bugs. During this time, he realizes that even if he doesn't remember someone he's met, there's still the sadness of having forgotten them which the figure attempts to warn not to let it consume him. Sora disregards this message and fights the figure, revealed to be Data Roxas. After losing to Sora, Roxas gives him a card as Mickey appears.

Sora opens the next door to find Naminé, who reveals the bugs to have been an unintentional side effect of her attempt to restore Sora's memories. She then reveals Sora's nature as the "Key that connects everything" through his ties with herself, Roxas, and Xion. Furthermore, Naminé tells Data-Sora about three figures (Terra, Ventus, and Aqua) also tied to Sora's heart who are the ones referred to in the message and need his help. Mickey bids farewell to the Data-Sora and promises Naminé that he will inform the real Sora of this.

In the final scene, Mickey sends Sora a bottled letter (the same one sent by Mickey at the end of Kingdom Hearts II), which Sora reads with Riku and Kairi.

Following the destruction of Ansem and Xemnas at the hands of Sora and Riku, Xehanort is revived. In response, Yen Sid puts Sora and Riku through a Mark of Mastery exam in order for them to become full-fledged Keyblade Masters and counter the coming return of Master Xehanort. As part of this trial, the two are separated from each other and sent to worlds previously destroyed by the Heartless that have since been restored, though now in a state of "deep sleep" which disconnects them from the other worlds.

These seven worlds are plagued by Dream Eaters - creatures born from darkness that seek out the sleeping worlds' Keyholes. Sora and Riku's given task is to reawaken the sleeping worlds by unlocking the seven Keyholes they find there and then return to the realm of light, recruiting benevolent "Spirit" Dream Eaters to guide them and battle the malevolent "Nightmare" Dream Eaters, after which they will be deemed Keyblade Masters.

During the exam, Sora and Riku cross paths with the resurrected "Ansem" and Xemnas, as well as a younger incarnation of Master Xehanort from an alternate past. The three bring Sora to the World That Never Was, where he learns of Organization XIII's true purpose-to serve as vessels for Master Xehanort to place pieces of his heart inside, thereby transforming them into clones of Xehanort. Sora is forced into a comatose state by the young Xehanort and his heart is swallowed by darkness, though it is protected by Ventus's suit of armor residing within him.

Riku goes to rescue Sora, only to be confronted by the young Xehanort, who unveils a new Organization XIII composed of the newly revived Master Xehanort and his eleven vessels, whom Xehanort plans to pit against seven Keyblade wielders and recreate the χ-blade. Master Xehanort tries to turn Sora into his last needed vessel, but Sora is rescued by Riku, Mickey, Donald, Goofy, and Lea-the revived human form of the original Organization's Axel-after which Xehanort and his other vessels retreat.

Sora's body is brought back to Yen Sid's tower, where Riku enters his body and releases Sora's heart from Ventus' armor, now possessed by a Nightmare. After Sora reawakens, only Riku is declared a Keyblade Master by Yen Sid, and Lea reveals himself to have become a Keyblade wielder. Undaunted by his failure, Sora embarks on a new journey by himself to train. While Sora travels to Traverse Town in order to meet all his Dream Eater friends, Ventus is shown still being at Castle Oblivion, but suddenly starts smiling a bit.

## Another Guardian of Light

The unlockable secret ending for Kingdom Hearts 3D: Dream Drop Distance is comprised of three scenes. In the first scene, Young Xehanort is seen standing alone on the beach in Destiny Islands. The second shows Aqua staring into the distance at the Dark Margin whilst smiling.

In the final segment, Donald and Goofy sit outside the Mysterious Tower and are met by Riku and a visitor whom they had not expected. Inside the tower, Yen Sid outlines to Mickey the history of the Keyblade War and the χ-blade, and the two speak about the seven lights, the Princesses of Heart. Yen Sid explains that there is no avoiding the gathering of the seven guardians of light to protect the seven pure lights, and thus a clash with the thirteen seekers of darkness is inevitable. Mickey arrives at the conclusion that only one more guardian of light is required to complete the total. At this point, Riku enters the tower with Kairi close behind.

Mickey finishes his retelling of his tale, at which point Riku lashes out at Mickey for not telling him that Aqua was there at the time and that she gave herself up to save him. Yen Sid intervenes and explains that neither Mickey nor Riku had the power to save Aqua, and that he had personally forbade Mickey from telling them, lest Riku, or in higher probability Sora, stage a potentially suicidal rescue attempt. However, as Riku had recently become a Keyblade Master, they now possess the means to rescue Aqua. Mickey invites Riku to assist in his rescue mission, to which he agrees. Kairi, wishing to help, is told by Yen Sid that she will need to train as a Keyblade Master alongside Lea, much to her surprise. Yen Sid bestows upon Mickey and Riku a new set of clothes that will protect them from the darkness before they leave.

Sora later returns with Donald and Goofy, having left at the end of 3D to take care of business, which he refuses to divulge to his friends. When he enters the Mysterious Tower, however, he finds that everyone already left, much to his dismay. Yen Sid calls the trio to attention, and explains that while Sora failed his Mark of Mastery Exam and lost most of his powers in the process, he is still the most important link to defeating Xehanort. He then states that Sora must obtain the power of waking, which he failed to master in the Sleeping Worlds, and directs him to a certain hero who once lost his power and reclaimed it. He also tasks Donald and Goofy with protecting Sora, to which they happily agree.

The scene later cuts to the trio in the Gummi Ship, with Sora lost as to how to get to Olympus Coliseum. As the result of Kingdom Hearts II, many of the gateways that they had previously unlocked had shut, preventing them from freely travelling across worlds. As Sora ponders a way to get there, Goofy recites the phrase "Let your heart be your guiding key", which he claims Yen Sid said to them before they left on important missions. Sora, now inspired, summons his Keyblade and points it into space, which subsequently opens a path before them. The three of them proceed to fly through the portal, disappearing.

Through countless adventures across many worlds in his long battle against the darkness, Sora, once a little boy who only dreamed worlds beyond his island even existed, has grown up to a dashing young man. Now he is realizing that that battle has played out exactly as Master Xehanort had planned, and the second Keyblade War, the final struggle between light and dark, looms ahead. To counter the overwhelming darkness, Sora and his friends must gather the seven guardians of light. His best friend Riku and King Mickey seek out a battle-scarred Keyblade wielder, while Sora, Donald, and Goofy set off on a journey to find "the Key to Return Hearts." Never-before-featured Disney worlds set the stage for another daring adventure to save the universe!

Chosen by the Keyblade, he is the one whose heart's light never fails to shine as a beacon of hope.

Sora, the brave hero chosen by the Keyblade, has always had a strong sense of justice. Through his many battles against darkness, he has grown and learned about the world immensely. Drawn to his light, many friends have lent him their support and granted him their powers to counter the darkness: Riku, the childhood friend he grew up with on Destiny Islands; Donald and Goofy, the two comrades with whom he has shared his adventures from the very beginning; and King Mickey, who unfailingly supports Sora with his own mighty strength. As the world becomes enveloped in another battle against darkness, the Keyblade wielder and his friends must rise up against Master Xehanort and thwart his plot to incite another Keyblade War.

## Plot

Following Master Xehanort's return, Yen Sid begins preparing for seven Keyblade wielders to counteract Xehanort's plan to forge the χ-blade using a reconstituted Organization XIII. Sora, who was nearly taken over by Xehanort, (As depicted in the 2012 game Kingdom Hearts 3D: Dream Drop Distance.) discovers that he has lost much of his own strength as a result. Accompanied by Donald Duck and Goofy, Sora resumes his travels across other worlds to regain his "power of waking", the ability to restore lost hearts. Meanwhile, Riku and King Mickey search the realm of darkness for Aqua, while Kairi and Lea train to properly wield their newly obtained Keyblades.

During their travels, Sora and Riku are contacted by Ienzo, who discovers via Ansem the Wise's research data that Sora's body contains the hearts of Roxas, Ventus, and Xion. Riku surmises that the Organization's members from the past are using artificial human replicas created by Vexen as vessels that enable their existence in the present, which inspires Sora to restore Roxas by transferring his heart into a replica body. Meanwhile, the Heartless Ansem enters the realm of darkness and kidnaps Ansem the Wise, corrupting Aqua's heart in the process. However, Vexen reveals himself to be a double agent loyal to Ansem the Wise, whom he helps rescue before sending a spare replica to Ienzo for Roxas to inhabit.

Riku and Mickey eventually locate and battle the corrupted Aqua in the realm of darkness. At the same time, Sora discovers Master Eraqus's Keyblade on the Destiny Islands and uses it to enter the dark realm, where he exorcises the darkness from Aqua and returns her to the realm of light. Sora, Donald, and Goofy then follow Aqua to Castle Oblivion, which she transforms back into the Land of Departure to awaken Ventus. When she is attacked by Vanitas, Sora rediscovers his power of waking and revives Ventus, who fends Vanitas off.

The seven Keyblade wielders depart for the Keyblade Graveyard to battle the Organization, only to be quickly consumed by a swarm of Heartless summoned by the possessed Terra. Awakening in a limbo realm called the Final World, Sora is guided back to the realm of light by Kairi and uses the power of waking to revive his friends. Returning moments before their initial defeat, the guardians of light successfully destroy most of the Organization's members; in the process, Terra regains control of his body and reunites with Aqua and Ventus, while Lea reunites with Xion, whom Vexen recreated for the Organization, and Roxas, who regains his own heart to protect Lea and Xion.

Once Xehanort remains the last Organization member, he provokes Sora into attacking him by destroying Kairi's body, allowing Xehanort to acquire the χ-blade and summon Kingdom Hearts. Using Xehanort's power of time travel against him, Sora, Donald, and Goofy transport him to his boyhood training grounds of Scala ad Caelum, where they defeat him. After the other Keyblade wielders rejoin them, Eraqus's heart emerges from Terra and convinces Xehanort to surrender. Xehanort dies shortly after, his heart ascending to Kingdom Hearts with Eraqus, while Sora and his friends use the χ-blade to close it and return to the Keyblade Graveyard. Sora decides to use the power of waking to revive Kairi; despite warnings that his repeated misuse of this power could result in him losing his heart, Sora promises to return. Afterwards, Sora's friends gather at the Destiny Islands for a celebration, where Kairi stays beside Sora before he fades away.

In a post-credits scene, Xigbar, who survived the Keyblade War, retrieves Xehanort's Keyblade and summons four of the five Foretellers, revealing himself to be an incarnation of their fellow Keyblade apprentice, Luxu. He begins to recount his actions to the Foretellers, with Maleficent and Pete watching from afar. In a flashback to their youth, Eraqus and Xehanort begin a new game of chess that predicts a battle between Sora and the Foretellers.

Assuming an incorporeal form, Sora travels back in time to the battle between the guardians of light and the Organization, traveling through the guardians' hearts to reach Kairi.

After passing through the hearts of Ventus, Aqua, Terra, and Roxas, Sora enters his past self's heart and tries to avert Kairi's fate, but fails. However, Mickey reveals to Sora that Xehanort has hidden the crystal fragments of Kairi's heart as a last resort.

Sora finds five fragments in Scala ad Caelum before his past self's final battle with Xehanort, and then traces the remaining two through Riku and Mickey's hearts during the guardians' battle against Xehanort's replicas, restoring Kairi.

After defeating Xehanort's merged replicas, Sora and Kairi travel to the Final World to meet Chirithy, whom Sora persuades to return to the realm of light. Sora and Kairi then visit their friends' worlds-reuniting Chirithy with its owner, Ventus, and restoring Naminé's heart-before returning to the Destiny Islands, where Sora vanishes.

The "Limitcut Episode" is set one year after Sora's disappearance; his allies have since lead an ongoing search for him, while Kairi has entered stasis after volunteering as Ansem the Wise's test subject to help Sora. During a visit to Radiant Garden, Riku analyzes digital copies of Sora and the Organization's members programmed into Cid Highwind's computer, hoping to uncover clues to Sora's whereabouts through their battles.

After the Organization's copies are defeated and the analysis proves inconclusive, Riku is approached by the Fairy Godmother to meet Yen Sid, who suspects that they may be able to find Sora through the dreams of Riku, Kairi, and a nameless girl Sora encountered in the Final World.

The "Secret Episode" focuses on Sora, who has become trapped in the Final World since his disappearance. There, Sora encounters Yozora, whom he recognizes as a character from the video game Verum Rex in Toy Box, and whom he learned about from the nameless girl.

Yozora claims that he has been requested to save Sora, but questions his identity and battles him in Shibuya. If Sora wins, Yozora fades away before Sora returns to the Final World; if Sora loses, Yozora crystallizes him and goes to the Final World instead. Afterward, regardless of who wins, Yozora awakens in a car while a closing narration ensues in his and Sora's voices, with the battle's victor saying, "None of this makes sense to me."

---

When I was done everyone that hadn't heard about it were shocked and amazed beyond all words.

Tsuyu: Wow! That is incredible!

Lola: Yeah it was awesome.

Nico: Before the team was formed, none of us have gone on an adventure that massive.

Me: No we sure haven't. But Sora you had no idea that this whole adventure you went on was a battle that would decide the fate of the entire universe.

Sora: No kidding there. It was amazing.

Qin: Yeah that was so awesome.

Camie: Geez! Sora you went through an amazing adventure.

Sirius: That is so amazing.

Kaina Tsutsumi: Yeah that is so cool!

Sora: It sure was.

Me: No kidding.

Nico: Yesterday was pretty much a good day for Elyon.

Me: Yeah it sure was. Cornelia is so happy for her best friend and so is Leo.

Nico: I'm happy for them too.

Me: Now it's Cornelia's little sister Lillian's turn. But what really has me worried is what Kougane is planning with the rest of the Vengeful 6. I talked to King Kai earlier this morning and he told me some very startling and horrible information.

---

In the early morning hours, I couldn't sleep as I was worried about what the Kougane and the rest of the Vengeful 6 was planning. I decided to contact King Kai.

Me: (Telepathically to King Kai) King Kai can you hear me?

King Kai: I hear you loud and clear J.D.

Me: King Kai I'm really worried about what is going to transpire on the big day mission for Lillian. The rest of the Vengeful 6: Paul, Draco Malfoy and Numbuh 363, are still at large and I have this feeling they are up to something big in the Helheim Forest.

King Kai: I have a feeling it is. Let me see here.

He looked and saw something on the Helheim Forest planet that was shocking!

King Kai: You were right to call me J.D. and your suspicions are spot on. Kougane and the rest of the Vengeful 6 are building a massive and powerful Tachyon Super Growth Terraforming Laser. They are going to fire it right at Earth and bring the entirety of the Helheim Forest right to Earth.

I gasped in shock!

Me: That's insane! That will destroy all life on the planet as we know it!

King Kai: Yes and it's very dangerous! You and everyone have to stop them at all costs or human life on Earth will cease to exist!

Me: Right! At least I know what they are planning. I got to tell everyone in the morning.

King Kai: Okay. Be careful J.D. They have something planned for you guys.

Me: Will do. Thank you King Kai.

I then went to sleep.

FLASHBACK ENDS

Nico: WHOA! So that's what they are planning!

Lincoln: THAT'S INSANE!

Eli: They can't do that!

Nico: Wait. Isn't that similar to Sentinel's plan to bring Cybertron to Earth before?

Me: Yes that's very similar!

Laney: We got to stop them and fast.

Me: Well I found out that the ray is not completed yet and it'll be a few hours before that happens.

I turned on my timer. It showed that there was 10:01:21 before it's complete.

Me: It says we have 10 hours before it fires

Nico: Good so that gives us plenty of time to stop it.

Eli: Yep.

Maria: The countdown's stopped at the moment though.

It was stopped at 10 hours exactly.

Nico: They're probably making sure there aren't any flaws. Which REALLY gives us time.

Me: But it's good I contacted King Kai.

Nico: It sure is. Now we know what they are planning.

Qin: Yeah and they must be stopped and fast.

Lisa Loud: But a Tachyon Laser Cannon would get the laser to Earth in over a split second.

Me: Become Tachyon Particles always travel faster than the speed of light.

Nico: Yep.

Twilight Sparkle: That is amazing. And that weapon they built is awful.

Me: Yeah. Kouta called me while I was out on my jog and he told us that he has something to show us.

Nico: I wonder what it is.

Me: He said it was blueprints that he and his team took from Kougane.

Qin: Awesome.

Nico: Ryoma Sengoku will be there as well. He's one of the main targets today.

Me: That's Kamen Rider Duke. He'll be a great addition to the M.O.E.

Qin: Not a bad idea.

Sora: Yeah we just have to find a good archenemy for him.

Nico: Ryoma might be a villain. But he's going in the Book of Vile Darkness. Because I've got a feeling that Paul will be showing him no respect.

Nicole: If that's the case then Ryoma is definitely going into the Book of Vile Darkness.

Eli: But Paul and Numbuh 363 will go to prison for their crimes. Well maybe a reformatory school for Numbuh 363.

Me: Yeah.

Nico: Not a bad idea.

Me: Paul has never been one that shows anyone respect.

Laney: Yeah what a jerkball!

Lola: He is a big time monster!

Nico: Oh we're here.

We arrived at Kaizeph the City of The Elements. It was an amazing city for the elemental forces of Earth, Wind, Fire and Water and it was incredible.

Me: WOW!

Eli: So this is Kaizeph! It's beautiful!

Nico: Tom's gonna be so jealous.

Me: I don't think Tom or any of his friends have ever been here before.

Qin: This is amazing!

We were in amazing awe at it too. It had 4 corners governing each of the 4 elements.

Twilight Sparkle: This is so amazing!

Maria: They probably didn't have time to explore this city.

Me: I don't think they did. They were so busy battling their major enemies that they forgot about it.

Qin: Yeah that's probably it.

Nico: Yeah.

Sora: But this is so amazing.

Me: It sure is.

In the Water zone of the City, Eli sensed something.

Eli: Uh oh.

Albedo: What is it?

Negative Omnitrix: CORRUPTED POLYMORPH DNA DETECTED!

Me: Uh oh.

Out came a Black Version of Goop!

Me: Another Goop!

Another Goop: (In a girls voice) (Gurgling voice) Do you guys want to taste some of me. I won't mind.

Me: That voice. Violet Verde?

Another Goop: Yep. Good to see you J.D.

Me: You too. But you look like a walking glob of tar like this.

Another Goop: I know.

Nico: You know her?

Me: I sure do. Violet is a girl who's likes learning about history, including the constitution of every country.

Nicole: She and Jessie have so much in common. She likes learning about history too and you would get along great with her.

Another Goop: I'm sure I would.

Me: Awesome. To answer your question it depends. I hope you don't taste like Brussels Sprouts.

Another Goop threw a glob and it hit me in the face and I licked it and it actually tasted like BLACK LICORICE!

Me: (SPITS) YUCK! BLECH! You taste like Black Licorice.

Another Goop: Yeah I forgot you hate Black Licorice. Sorry about that.

Me: No worries. But you would really leave a bad taste in your mouth like that on villains. Sorry about this Violet. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Did Swartz promise you anything?

Another Goop: First, you should know that when I'm studying, I really don't like it when people disturb me.

Twilight Sparkle: You and I have so much in common too. I don't like it when people disturb me either.

Another Goop: Wow. Also to answer your question I was promised all the infinite knowledge on the history of the world.

Nicole: My sister Jessie can gladly teach you all of that.

Me: Yeah she sure would.

Another Goop: I see now that I was lied to.

Me: He lies to everyone.

Sora: Yeah he sure does.

Qin: Swartz will pay for everything.

Me: Yep.

Nico: (gets out Rojo's Ridewatch) Also, how are you similar to Goop before you became this?

Another Goop: I liked to get down and dirty and loved playing in the mud back in my childhood.

Qin: That fits.

Me: Cool though.

Nico: (Activate's Rojo's Ridewatch)

(ANIMAL I HAVE BECOME BY THREE DAYS GRACE PLAYS)

Nico danced and fired waves of energy and blasted her all over the place.

Me: Awesome! Now this one too. (Activates Sun King's Ridewatch)

I danced and fired waves of suns and smashed her all over.

Another Goop: Wow you guys have amazing voices in singing.

Me: We did a lot of awesome karaoke sessions and got a lot of practice in.

Qin: We sure did and it's so awesome to sing.

Kaito: (takes out Wizard gear) Don't forget us!

Zocks: (takes out Gaim gear) This one's for Kouta!

Kaito got a Wizard Sword and Zocks got an awesome Gaim Blaster!

Nico: COOL!

But then in a flash of Light, I saw an amazing sight appear before me. It was a totally new Grand Zi-O Ridewatch and it was for Kamen Rider Saber and it had all the Kamen Rider Saber Powers inside it!

Nico: WHOA!

Me: Wow! This is awesome!

Then a new sword appeared before me and it was called THE UNIVERSE WONDER OF ETERNAL JOY SWORD!

Me: WHOA!

I took the sword and put the Ridewatch and my Wonder Ride Book on it.

Me: Lets see what it can do.

"Thus Did the almighty hero receive the powerful gift from the gods in a moment of power to conquer the evil in the battle of light and dark. The hero now has a powerful force of love in his heart filled with hope and he was bestowed the Sword of Love and Joy and will use it to conquer darkness and hate."

Me: BRAVE DRAGON FIRESTORM SLASH!

I fired waves of fire and it hit Another Goop and the fire was 100,000 times more powerful than anything Touma knows!

Me: WHOA! Touma is not gonna believe this!

Nico: Yeah! That was awesome!

Sora: My turn!

He summoned his keyblade and fired blasts of fire and smashed Another Goop all over.

Nico: YEAH!

Another Goop fired slime at Magine, which hit her.

SPLAT!

Magine: EWW!

Me: What a mess!

Varie washed her off.

Vroon: Welcome to my world!

Nico: Yeah.

But then another light appeared in front of Nico and he saw that it was another Grand Zi-O Ridewatch. But this one was for Lillian. It was for the Gaim Riders! It had all the powers of all the riders and lockseeds of the Gaim team.

Qin: WHOA! That's for Lillian!

Nico: Wow! Woz is gonna be amazed to see this.

Lola: He sure is.

Me: Yeah! Lets see here.

I used the power of Eternal Phoenix and spread wings of pure fire and a Phoenix Cry was heard and I flew at Another Goop and she threw globs of black slime and they evaporated as they got near me!

Me: WOW! That is intense heat!

Nico: Awesome!

I fired fireballs and they hit Another Goop all over the place!

Another Goop threw slime at Juran but he ducked.

Juran: Ha! You missed!

Nico: But she hit me!

Nico licked the slime and spit it out.

Nico: (SPITS) BLECH!

Me: This is usually the part where a gene-slammer appears.

But then we heard powerful lightning strikes and then…

THUNDERCLAP!

We saw a bolt of lightning hit Another Goop and knocked her down and I caught the ridewatch and purified it.

She was back to normal and she was a girl with green hair and green clothes.

I picked her up.

Me: Violet are you okay?

Violet Verde: (Groans) What a huge headache. BLECH! Why does my mouth taste like Brussels Sprouts?

Me: Aftertaste of being Another Goop.

But then a STORM ELEMENTAL APPEARED!

Sheila (D&D): A Storm Elemental!

It reverted back a nd it was a girl with neon purple hair and she had a red shirt with blue shorts.

Storm Crow Littlefield: Now that was a cool attack.

Nico: Storm Crow Littlefield!? Whoa!

Storm Crow: Awesome to see you Nico.

Nico: You too.

Storm Crow: The Iroquois Spirits have been grateful to lead me right to you.

Lincoln: Wow! Are you Iroquois?

Storm Crow: I sure am Lincoln. I am a pureblood Iroquois.

Laney: That is amazing! Me and my family have Iroquois in our ancestral blood.

Lana: Yeah it's amazing.

Storm Crow: I'm glad you all have been blessed by my peoples spirits.

Sora: What's your favorite memory of Nico?

Storm Crow: I have a lot of them but my favorite is when I showed Nico how to make beautiful Indian Pottery and he made some of the most beautiful pottery ever.

Nico: I made those pots and they put them on display in the Iroquois Art Museum.

Laney: That is awesome.

Me: I've always had a really amazing fascination with the Iroquois Indians for a long time. They are full of amazing history and spiritualistic majesty.

Storm Crow: That is true.

Nico and Storm Crow hugged.

Nico: I've missed you Storm Crow.

Storm Crow: Me too Nico.

Maria: That sounds more like a code name.

Me: It's how the people of the Iroquois are called. I've read about their history for a long time and it's how it went.

Qin: That is cool.

Storm Crow: I know it's odd but it's the way of my people. Been a big tradition for a long time.

Lola: That is amazing.

Nico: It sure is. Lets go home.

We went back home.

* * *

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Takanuva are heading to New Mexico, and not only is Lincoln going to rescue the seven girls here, but we're going to face Kokushibo, a former Demon Slayer turned demon who's also one of the Twelve Kizuki, and the archenemy of his younger twin brother, the Demon Slayer Yoriichi Tsugikuni, and even worse, he's also brought back the other Twelve Kizuki members, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai, and they're all out for revenge on us for what we did to The Twelve Kizuki and Muzan Kibutsuji.

Lincoln: Wow, we're here in New Mexico, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to face Kokushibo, a former Demon Slayer turned demon who's also one of the Twelve Kizuki, and the archenemy of his younger twin brother, the Demon Slayer Yoriichi Tsugikuni.

Nico: That's right, big guy, and it's been a long time since we've last been in New Mexico.

Me: You said it, but we also got even worse news: it seems that Kokushibo has also brought back the other Twelve Kizuki members, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai.

Eli: That's not good, and now, they're all out for revenge.

Lincoln: Yes, but this time, I'm going to make sure that they rest in peace for good. I remembered that some of the Twelve Kizuki members were once human, but they also had some tragic moments of their lives, even before Muzan Kibutsuji had turned them into demons, so I intend to give Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, Kamanue, and Kyogai a painless death and forgive them, but as for Doma, Kamanue, Rokuro, Wakuraba, Mukago, Gyokko, and Enmu, because of their rather darker natures and personalities, I'm going to give them a painful death via Rui's Blood Demon Art, and they're going to see that I'm a vampire.

Nico: Too bad you didn't show them that when we first fought them.

Lincoln: True, but now, they're going to. And thanks for joining us, Takanuva.

Takanuva: You're welcome, Lincoln.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Kokushibo, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai, and they're going to kill them.

Lincoln: Guys, I found the seven girls, but they've been cornered by Kokushibo, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai, and they're going to kill them.

?: (Two female voices) Let's put a permanent end to The Twelve Kizuki for good!

Suddenly, we saw the Hands Earthbound Immortal Ukupacha and the Llama Earthbound Immortal Llamaca Pacuilla appear before us.

Nico: Whoa, that's the Hands Earthbound Immortal Ukupacha and the Llama Earthbound Immortal Llamaca Pacuilla!

Lincoln: And I'd recognize that voices from anywhere, I knew it was you, Denise Uxi and Maya Santiago, but we'll talk later. Let's put a stop to Kokushibo and the other demons for good.

We rushed on over, and Lincoln used the Water Breathing Style - Eleventh Form - Dead Calm, to cut down all of Rui's razor-sharp threads that he laid out, and he fired powerful rainbow energy balls and elemental forces at Kokushibo, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai, and it allowed the seven girls to get away. When Kokushibo, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai saw us, they were furious.

Kokushibo: So, the killers of The Twelve Kizuki and Lord Muzan have arrived, now you will all pay! Doma, Kamanue, Rokuro, Wakuraba, Mukago, Gyokko, and Enmu, kill them!

Doma, Kamanue, Rokuro, Wakuraba, Mukago, Gyokko, and Enmu came after us with murder in their eyes, and Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he sent them back with a couple of swings of his sword. Then, he sent razor-sharp threads infused with his poisonous and acidic blood at them and trapped them in a blood red cage, which caught Rui's attention. Then, Lincoln made a wheel of blood-red razor sharp threads.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) This is the end for you seven psychopaths. Blood Demon Art: Cutting Thread Rotation!

Lincoln sent the large wheel of blood-red razor sharp threads at Doma, Kamanue, Rokuro, Wakuraba, Mukago, Gyokko, and Enmu, and all of them were cut to shreds and their evil spirits were erased by The Black Gates.

Rui: That was my…

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Yes, Rui, and when I killed all of you the first time, I not only assimilated all of your powers and abilities, but I also gained the mastery of each of your Blood Demon Arts. Now, I must put a stop to the rest of you.

Suddenly, we saw Lincoln's eight massive deep sapphire blue angel wings change from deep sapphire blue to light amber and the stars turned from white to red and yellow, and this stunned us.

Sunset Shimmer: He's used both Princess Celestia and Princess Luna's powers, now he's moved on to me. That's really awesome!

Nico: He did say he's going to give Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, Kamanue, and Kyogai a painless death and forgive them, but how he's going to give them a painless death is the real question.

Tanjiro Kamado remained silent, because he knew just how Lincoln's going to give Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, Kamanue, and Kyogai a painless death.

Tanjiro Kamado: (Thinking) Lincoln, make sure their memories in life are never forgotten. They do deserve to die peacefully and reunite with their loved ones in the afterlife.

Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai then went after Lincoln, but he remained calm, and he took a deep breath. Suddenly, we saw water surrounding the 7'0" massive, wide, double-edged, broad gold blade, and we knew Lincoln was going to use some Water Breathing Style techniques on them.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Water Breathing - Fourth Form: Striking Tide!

Lincoln then made multiple consecutive slashes while twisting their body and massive broad-bladed broadsword in a flowing fashion and he delivered multiple blows simultaneously to Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai, and Kokushibo watched the fight.

Akaza: You're much tougher than you look. Come, entertain us some more!

Rui: Enough of this, it's time for you to die.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) No, Rui, it's time for me to put an end to all of your suffering for good.

Suddenly, more water was surrounding the 7'0" massive, wide, double-edged, broad gold blade, and we knew Lincoln was going to use another Water Breathing Style technique.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Water Breathing - Fifth Form: Blessed Rain After the Drought!

Lincoln charged at Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai, and by changes the grip on his massive large broadsword, Lincoln then decapitates Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai in a single flowing strike that causes little to no pain.

Rui: That strike… , it's like we each felt no pain. But, why…?

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Because, I understand the pain that all of you have gone through.

This stunned Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai, and Lincoln spoke to each of them.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) (To Akaza) Akaza, what'd happened to you and your family was truly horrible, and I know you hated yourself for all of the times you weren't there to save or protect those you loved, but I don't want you to keep blaming yourself anymore. (To Hantengu) Hantengu, despite the crimes you committed as a human, I'm going to forgive you, but you need to stop living in fear and projecting false innocence. You have to own up to your crimes. (To Nakime) Nakime, what happened to you because of what your husband did long ago was horrible, and you were treated like you were nothing. If I were there, I would've taught him a lesson. You didn't deserve that kind of treatment from him (To Daki and Gyutaro) Daki, Gyutaro, I understand what you both went through: treated like trash and looked down on by others, and you had each other to rely on. But, when fate had snatched one of you from this world, it allowed Doma to prey on you both. (To Kaigaku) Kaigaku, although you were once a demon slayer, you let your own desires take over, and it corrupted you up to the point where you were turned into a demon by Kokushibo, and I can hope that death will give you a chance to reflect on what you've done. (To Rui) Rui, I understand the pain of not having a family, I've met many who'd lost theirs either to death or to evil, and you desired the close bonds that a family has, but your parents loved you with all their hearts. But, you should know, wherever you are, your parents will always be with you, and they will always love you. (To Kyogai) And Kyogai, I understand you wanted to be recognized for your talent, and you wanted people to love your writing, but you were devastated when he was told to give up on it. People can be cruel at times, but you have to remember to never give up on something that you enjoyed, especially at the hands of critics. But, your techniques were indeed powerful, and I do respect them, and I always will.

Lincoln's kind words reached Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai, and when they saw the kindness, honesty, and gentle forgiveness in his eyes, it touched their souls, and their memories of being human came back, and then, they remembered their pasts and they prayed for forgiveness from their loved ones. Eventually, Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai were met by their loved ones in the afterlife, and it was a touching reunion as they were reunited and went on, but not before giving their thanks to Lincoln, and he forgave them all.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) And now, it's down to you, Kokushibo.

Kokushibo: Yes.

Kokushibo unsheathed his Flesh Katana and readied himself, and so did Lincoln. Then, they charged at each other and clashed with their weapons, and Lincoln was keeping up with Kokushibo, and he anticipated each of the demon's attacks one after another. Then, Lincoln broke Kokushibo's Flesh Katana and he fired magnetic blasts which removed the many katana blades in Kokushibo's flesh and then, Lincoln sliced off Kokushibo's head using the Water Breathing - Fifth Form: Blessed Rain After the Drought, and Kokushibo's memories of being human were suddenly returned, and he prayed for forgiveness from his brother, Yoriichi Tsugikuni, and the two brothers were reunited and Kokushibo was forgiven for what he's done. We cheered wildly for what what Lincoln did, as he holstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds on his wider and muscular back and powered down.

Lincoln: And now, it's finally over. (To Denise Uxi and Maya Santiago) And it's so good to see you two again, Denise Uxi and Maya Santiago.

Denise Uxi reverted back to normal, and she's a beautiful girl with long flowing dark purple hair, dark purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with dark purple tips, and she reigned in the power of Earthbound Immortal Ukupacha Callao, and she's dressed in a sleeveless purple open blouse with the Hands Nazca Line, sleeveless purple top, purple skirt, purple pants, purple legwarmers, purple sneakers, and long sleeveless black trenchcoat with dark purple flames and hands on the coattails, and Earthbound Immortal Ukupacha Callao on the back, and holstered on her back a large Earthbound Immortal Ukupacha Callao-themed greatsword with Earthbound Immortal Ukupacha Callao etched on the 7'0" massive, wide, double-edged black blade, black angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and a large dark purple gem surrounded by black angel wings for the pommel.

And Maya Santiago reverted back to normal, and she's a beautiful girl with long flowing yellow hair, yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with yellow tips, and she reigned in the power of Earthbound Immortal Llamaca Pacuilla, and she's dressed in a sleeveless yellow midriff top with the Llama Nazca Line, yellow shorts, yellow legwarmers, yellow sneakers, and long sleeveless black trenchcoat with yellow flames and llamas on the coattails, and Earthbound Immortal Llamaca Pacuilla on the back, and holstered on her back a large Earthbound Immortal Llamaca Pacuilla-themed greatsword with Earthbound Immortal Llamaca Pacuilla etched on the 7'0" massive, wide, double-edged black blade, black angel wings for the crossguard, large yellow gem embedded in the rainguard, longer black handle, and a large yellow gem surrounded by black angel wings for the pommel.

Denise Uxi: You too, Lincoln.

Maya Santiago: (Spanish Accent) Si, it's been a long time since we last met.

Lincoln went up to Denise Uxi and Maya Santiago, and they hugged, and Denise Uxi and Maya Santiago were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces went even deeper when they saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you two when you were twelve, and as you both can see, I really grew a lot since then.

Denise Uxi: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Maya Santiago: (Spanish Accent) Indeed, you can land an airplane on that wider and more muscular back, and you look like you now outmuscle any of the world's top bodybuilders.

Nico: Whoa, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Earthbound Immortal Ukupacha Callaco Gene-Slammer is Denise Uxi and the Earthbound Immortal Llamaca Pacuilla Gene-Slammer is Maya Santiago. Denise Uxi is one of my Guardian Angels from Michigan, she has the powers of dark purple fire and she has the power to expand her hands and use them for anything and they're stronger in size too, and she also packs a devastating punch, and Maya Santiago is one of my Guardian Angels from Peru, she's from a Llama farm in Peru and she moved to Royal Woods to have a llama farm there. She has awesome yellow fire powers and she stood up to Chandler at his worst.

Denise Uxi made her right hand grow and she punched a rock formation and it shattered into rubble, and we were amazed.

Nico: Whoa, now that's really awesome.

Lincoln: It sure is, and you're also in for this type of news: Denise Uxi even has a horrible revelation about Peter Griffin and what he did to Meg, and Maya Santiago has one nasty revelation about

Chandler.

We gasped in shock.

Nico: What?! What did that drunk abusive moron do to Meg this time?!

Me: And I can guess that there's another worse revelation about Chandler.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Denise Uxi's neck with dark purple gems on the gold thunderbolt links and dark purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love and a Thunderbird Necklace of Eternal Love appeared around Maya Santiago's neck with yellow gems on the gold thunderbolt links and yellow crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Denise Uxi and Maya Santiago: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you two are now part of my harem and one of my many future wives, Denise and Maya.

Denise Uxi and Maya Santiago had a smile on their face and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls waist and Denise Uxi and Maya Santiago wrapped their arms around Lincoln's thick muscular neck, and he leaned down to the faces of Denise Uxi and Maya Santiago and he kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Sally Inohara from Contra Evolution, Sia from Lady Sia, Krystal from Contra Hard Corps: Uprising, Hiromi Tengenji from Burning Force, Yoko Kono and Lisa Kusanami from Last Bronx, and Sonnya the Half-Demon from Langrisser.

Lincoln: Oh wow, it's Sally Inohara from Contra Evolution, Sia from Lady Sia, Krystal from Contra Hard Corps: Uprising, Hiromi Tengenji from Burning Force, Yoko Kono and Lisa Kusanami from Last Bronx, and Sonnya the Half-Demon from Langrisser.

Nico: Awesome.

Sheena Entrazi: Whoa, so among the group are Sally Inohara and Krystal, I haven't seen them in a while.

Lincoln: You sure haven't, and you also have a lot of catching up to do. Are you girls okay?

Sally Inohara: Yes, we're okay, thanks to you.

Then, when Sally Inohara and the other six girls saw who it was that saved them from Kokushibo, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-

Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and

Sally Inohara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sally Inohara: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Sally Inohara, Sia, Krystal, Hiromi Tengenji, Yoko Kono, Lisa Kusanami, and Sonnya the Half-Demon with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate, and they were shocked when they found out the villains we went after were Kokushibo, a former Demon Slayer turned demon who's also one of the Twelve Kizuki, and the archenemy of his younger twin brother, the Demon Slayer Yoriichi Tsugikuni, and even worse, he also brought back the other Twelve Kizuki members, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai, and they're all out for revenge on us for what we did to The Twelve Kizuki and Muzan Kibutsuji.

But, when Lincoln showed what he did in giving Kokushibo, Akaza, Hantengu, Nakime, Daki, Gyutaro, Kaigaku, Rui, and Kyogai a merciful death with the Water Breathing - Fifth Form: Blessed Rain After the Drought, and using Rui's Blood Demon Art: Cutting Thread Rotation and killed Doma, Gyokko, Enmu, Rokuro, Wakuraba, Mukago, and Kamanue and then sent their evil souls to The Black Gates, everyone cheered wildly for what Lincoln did and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln, Denise Uxi, and Maya Santiago have a lot of catching up to do now that they're back in town.

---

After finally putting an end to Kokushibo, Doma, Akaza, Hantengu, Nakime, Gyokko, Daki, Gyutaro, Kaigaku, Enmu, Rokuro, Wakuraba, Mukago, Rui, Kamanue, and Kyogai, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Denise Uxi and Maya Santiago saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Denise Uxi: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Maya Santiago: (Spanish Accent) Si, he sure has.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Denise and Maya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Denise Uxi: That's incredible.

Nico: It sure is. So, Denise, what's this horrible revelation about Peter Griffin and what he did to Meg, and Maya, what's this helluva revelation about Chandler?

Denise Uxi: Oh, you're not going to like this one. I found out that before you guys went after The Griffins, Peter Griffin hired a hitman to kill Meg, Brian, and Stewie, along with his former friends who've seen Quahog's corruption and cut their ties with Peter forever. I decided to go down there, and I made my right hand so big, I squashed the hitman like a bug, and then, I threw him into the Sing-Sing Correctional Facility in New York.

We gasped in shock.

Nico: Why, that testicle-chinned, fat, abusive, drunk bastard!

Nico made the call and he told Vypra of Denise Uxi's revelation about Peter Griffin and what he did to Meg, and when she hung up, Peter was going to be in really big trouble.

Me: I've got a feeling Peter Griffin's in major trouble now that you told Vypra about it.

Eli: He sure is.

Maya Santiago: (Spanish Accent) Indeed. Now, for my revelation about Chandler, and I got to warn you: it's not good. One day, Lincoln and I were heading for class, but then, Chandler appeared from nowhere and he stabbed Lincoln in the stomach, and right in front of everyone who was out there, the students and the teachers and Principal Huggins, and he was about to kill Lincoln, but I fired a powerful blast of yellow fire and sent him flying into the lockers. Then, I saw the blood from Lincoln's wound flow right back into him and his wound healed up, thank you, Adriana Ardelean Dracula. After the shock was over, Chandler got arrested and his mom left him in jail for two months, and this left the miserable sewage rat wanting more revenge on Lincoln and if anyone gets in his way, he'll kill them!

We gasped in even more shock.

Me: That little monster!

Nico: I can't believe it, you know, it's bad enough Lori, Lynn, Lola, Lisa, and Luan stabbed Lincoln in the stomach at home, but when Chandler did it and it was in front of everyone in the school, that's the point where Chandler descended into darkness because of Dark Chandler.

Lori: Thank goodness Lily the Mermaid and Lincoln sent Dark Chandler to The Black Gates for his little spree of havoc in Chang An.

Lynn: That guy was a monster who was thirsty for blood, what a demon.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was causing havoc: it was Omega from Mega Man Zero.

Zero (Mega Man Zero): It's Omega.

Lincoln: Wait a second, isn't he your archenemy?

Zero (Mega Man Zero): Yes, that's correct, Lincoln, Omega is an insane Reploid with a god complex and a bloodthirsty tool in Dr. Weil's ambitions, after returning to Earth after spending a century of exile in space, he developed a grudge against me, because I defeated him, despite the latter no longer being in possession of his original body. But, we can't let him run free anymore, we need to stop him.

Leo: Right, let's go.

We rushed out of the World Tree Estate, and Lincoln fired rainbow energy blasts and elemental blasts at Omega, and when the insane Reploid saw Zero, his hatred went through the roof.

Omega (Mega Man Zero): I will make you pay for what you did to me, Zero.

Leo: That's not going to happen, you insane Reploid.

Suddenly, Leo's gold eyes turned neon gold, and he was surrounded by a blue green energy aura with dragons, Earth, and tools, he unholstered his massive Sword of The Signer from his back, and as he approached Omega, he left blue green energy, dragons, Earth, and tools with every step.

Leo: Omega, I will never forgive you for the crimes that you've committed against mankind and for your personal grudge against Zero, the suffering that you've caused in Dr. Weil's name can never be forgiven, and now, you will pay for what you've done.

Suddenly, Leo was surrounded by a massive vortex of blue green energy with plants and leaves surrounding it, there's Life Stream Dragon flying around the vortex, and in the vortex was a gold phoenix and the Heart Mark of The Dragon. Then, as the vortex faded, Leo emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Leo grew to to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has gold highlights in the bangs of his now longer blue green hair that reached the bottom of his neck, he has neon gold eyes and a blue green energy aura with dragons, plants, and leaves surrounding him, he has Life Stream Dragon with plants emblazoned on his forehead, he has on dragon earrings with blue green gems for eyes and the Life and Eternity Kanjis in its paws, he has on his Crystal

Necklace of The Buddha with blue green on the gold leaf links and blue green crystal links and a blue-green dragon-shaped Element of Harmony and on the bottom of the dragon-shaped Element of Harmony is a dragon with blue green gems for eyes and the Life and Eternity Kanjis in its claws for the pendant. Leo has on a pair of gold metal bands on his massive biceps, dark blue sleeveless tank top with gold markings, long white shorts with plants and leaves on them, black knee-high combat boots, long white sleeveless trenchcoat with dragons, plants, and leaves on the coattails, and on the back is Life Stream Dragon with plants and leaves surrounding it. Suddenly, Leo felt a sharp pain on his now wider and more muscular back, and then, massive blue green angel wing with red tips on the feathers, grew and sprouted out from his now wider and more muscular back, and his Signer mark was glowing. Leo has on a Ring of The Phoenix with blue-green gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern corps ring on his left ring finger.

Suddenly, Leo's massive Sword of The Signer and and all of the swords he'd gotten in the treasure battles began merging together and they were surrounded by a kaleidoscope of blue-green energy, plants, leaves, and dragons, and when it emerged, it was then transformed into Life Stream Dragon's Life Nature Broadsword of Life Signer Justice, it's a brand-new large broadsword with Life Stream Dragon and the Heart Signer mark etched on the 7'0" massive, wide, double-edged blue-green blade, large brown dragon heads for the crossguard, large blue-green gem embedded in the rainguard, longer black handle, four large brown dragon heads with red gems for the eyes and in their open mouths and on the bottom of the brown dragon heads is a large blue-green gem for the pommel, he has on his new large gold cuff Bracelets of The Champions of The Universe with large rainbow gems on his wrists, new gold Belt of Elemental Bravery with a gold wolf head with rainbow gems for eyes and a large rainbow gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a blue-green kanji below Life Stream Dragon that said, "Leo, Older

Twin Brother of Luna, Bearer of The Heart Signer Mark, Partner of Life Stream Dragon, Student of Duel Academy, Friend of Alexis Rhodes and Many, Skilled Duelist, Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Life, Plants, Earth, and Dragons"

レオ、ルナの双子の兄、ハート・シグナー・マークの持ち主、ライフ・ストリーム・ドラゴンのパートナー、デュエル・アカデミーの学生、アレクシス・ロードスと多くの友人、熟練したデュエリスト、極悪、混乱、殺人、冷酷、サディスティック野郎のスレイヤー、驚くべき強力な教師の驚くべき強力な学生、そして生命、植物、地球、およびドラゴンのマスター

Leo has transformed into SUPER ANGEL ETERNITY INFINITY LIFE STREAM SIGNER DRAGON ANGEL OF DIVINE LIFE JUSTICE AND DIVINE PLANT HOPE!

We were amazed by Leo's Super Angel Eternity Infinity transformation, and when Elyon Brown saw him, she had an atomic red blush on her face, hearts in her eyes, steam whistling out of her ears, and blood dripping from her nose. But, when Omega saw it, the insane Reploid fell into an insane rage and tried to kill Leo with an energy blast, but Leo struck first and he fired a powerful blue-green energy blast with plants, leaves, Earth, and dragons at Omega and sent him flying into a wall, and it pissed him off even more.

Yusei: Incredible, Leo's transformed.

Nico: Making him one of the first of The Signers to get a Super Angel Eternity Infinity transformation, and his transformation's got Elyon Brown drooling like crazy when she saw her man.

Elyon: Whoa, Leo, you look incredibly awesome and ripped. How do you feel?

Leo: (Divine Echoing Cosmic Voice of The Earth Life Stream Dragon and Divine Signer Dragon Hope) **I feel incredible, Elyon. Now, shall we deal with this insane Reploid for good?**

Elyon: (Smiles) I thought you'd never ask.

Elyon unholstered her massive Kandrakar's Elemental Quintessence Broadsword of Magical Justice from her back and transformed into Super Angel Eternity Infinity Kandrakar Elemental Quintessence Heavenly Phoenix Angel of Elemental Quintessence Life and Meridian Justice.

Elyon: (Divine Echoing Cosmic Voice of The Elemental Quintessence Life Angel and Divine Meridian Love) **Let's put an end to that monster.**

Leo and Elyon went after Omega, and they powerful blue green and pink energy blasts, fire, air, water, earth, time, nether, light, Earth, rocks, plants, leaves, dragons, phoenixes, and angels at Omega, and they exploded with incredible power as they hit him. Then, they attacked him with their massive large broadswords leaving scars on him, and it angered him even more. But, before he could attack again, Leo and Elyon fired powerful energy beams at Omega, and not only was he destroyed and erased by The Black Gates, but we also assimilated all of his powers and abilities, and we also got his weapons. We cheered wildly for what Leo and Elyon did to Omega, as they holster their massive broad-bladed broadswords on their backs and power down, and Leo's new body, clothes, weapons, jewelry, and massive blue-green angel wings are permanent.

Then, the two of them shared a passionate and romantic kiss and we cheered wildly.

Nico: Awesome, not only did Leo transform, but he and Elyon got rid of Omega and sent him to The Black Gates.

Zero (Mega Man Zero): Finally, Omega is gone for good.

Lincoln: He sure is. Leo and Elyon made sure nothing was left of that monster.

Nicole: He was a menace to everything and everyone, but now, it's finally over.

We returned to The World Tree Estate, and we got rid of Omega for good, and he's never coming back to hurt anyone ever again.

* * *

Over in the world of The Little Mermaid on the surface we were on the beach right by Eric's Castle.

Nico: Sora, you're in for another surprise.

Sora: Me and Aqua doing bonding?

Nico: Bingo.

Aqua: This is gonna be fun!

Ariel: I really missed this place.

Melody: Me too mother.

Eric: It's awesome to be back home.

Me: Boy it sure is.

Eli: Yeah.

Me: I'll never forget coming here the first time for that. That was so awesome.

Nico: Yep. But we're taking this bonding time underwater.

Me: I know what's coming.

We dove in and then Aqua, Sora, Kairi and the Mane 10 turned into MERMAIDS!

Aqua: WOW!

Kairi: So awesome!

Twilight Sparkle: This is amazing!

Sunset Shimmer: I always wondered what it was like to be a mermaid!

Horsea: This is so fun!

Manaphy: Boy it sure is!

Poliwag: Yeah it is!

Tentacool: Love the water!

Nico: Yeah it sure is fun.

Varie: Especially for the Neptune Crusaders.

Eli: And I like the water too because I can breathe in it too.

Lola: That is so awesome.

Ariel: How do you guys like being mermaids?

Aqua: It's incredible!

Kairi: It sure is!

Fluttershy: Oh I think it's beautiful.

Me: And with no Ursula and her family to terrorize the world, it's now a much better and safer place.

Eric came in holding his breath.

Me: Oh sorry Eric.

I went over and put an air helmet on his head.

Eric: Ahh! Thanks guys.

Me: No problem.

We were swimming and we were over in Atlantica.

Me: Wow!

Maria: Atlantica is beautiful as always.

Nico: It sure is!

Eli: So awesome!

Qin: It sure is.

Lola: Yeah.

We swam and looked around.

Arista: It's always awesome to be home.

Sebastian: Oh it sure is mon.

Flounder: I am always glad to be home.

Nico: Remember Glut?

Flounder: That shark that came after us?

Nico: Yeah?

Flounder: I sure do.

Ariel: He was hungry.

Me: Boy that shark was trouble.

Qin: He sure was.

Lola: Yeah.

Camie: But that was awesome that you guys came here many times before.

Himiko: It sure is.

Miku Yuuki: Yeah it sure is.

Ariel: Yeah and there are times where I feel homesick though.

Sora: It'll be all right Ariel. We're here now.

We then came into the throne room and saw King Triton.

King Triton: Well hello everyone.

We knelt before him.

Me: Hello Your Majesty. Good to see you again.

Nico: Same here sire.

Eli: Yeah.

Nico: You'll be happy to know that Ursula has been disposed of.

Me: As well as the monster that killed Athena.

Eli: Yes sir. We found out during the days leading up to the War with Xehanort that it was actually Davy Jones that killed Athena.

Athena: It's true my love.

Me: We gave that monster the Black Gates.

King Triton: Black Gates?

Me: It's the deadliest technique we have. It judges the most evil villains ever by the souls they cursed or killed and they cease to exist for all eternity. They get erased as if they were never born at all.

King Triton: I see. Wow that is incredible.

Himiko: Yes it is.

King Triton: I'm glad that Morgana and Ursula and Davy Jones are all dealt with. Thank you.

Me: You're welcome your majesty.

Nico: Though Ursula and the ones with her nearly caused J.D. to alter the timeline.

Me: Almost. But I rejected their offer by putting on an act.

I told him all about it and it was amazing.

King Triton: Amazing. But at least you didn't give in.

Me: I had to think fast to not cause everyone to think I wasn't giving into a terrible mistake.

Qin: That's for sure. It was genius.

King Triton: It was. Good work everyone.

Nico: Thank you your majesty.

Me: It was our pleasure.

Nico: We're actually here for Aqua and Sora's bonding time.

Eli: They developed a huge brother sister bond over the years since they met a long time ago.

King Triton: Ah I see. I'm glad you two are here to have some quality time together.

Sora: Yes sir.

Aqua: We're glad we can do that.

King Triton: But have fun you two.

Sora: We will.

We left and then we went to an island and we were sitting on it and resting and enjoying the beauty of the ocean.

Qin: So beautiful.

Poromon: It sure is.

Me: And the view of Eric's castle from here is amazing.

Varie: It sure is.

Aqua and Sora were sitting by a palm tree and they were basking in the sun.

Aqua: Ahh. This is the life.

Sora: It sure is beautiful.

Kairi: Yeah.

Aqua: How are you feeling, bro?

Sora: So awesome sis.

Aqua: It's so awesome that we get to spend time together like this.

Sora: I think it's great.

Kairi: Boy me too.

Sora: I wish this moment can last forever.

Aqua: Me too bro.

Me: Boy it sure is awesome.

Eli: Yeah. This spot would be perfect for the beach.

Qin: I agree Eli.

Nunnally: Me too. So beautiful.

Nico: Don't get too comfortable. Only a matter of time before an Another Ranger shows up.

Me: Yeah.

Eli: (Gasp) Whoa! I'm sensing a huge presence.

Me: Uh oh.

Eli: Wait! There's 5 of them all together!

Qin: Five of them!?

Lola: Whoa!

Eli: They are right behind us!

We looked and we saw 5 figures walking on the water and they were 5 ANOTHER RANGERS! But they were Another AoiBlue, KiiroYellow, MidoriGreen, PinkuPink and KuroBlack!

We gasped in shock!

Me: WHOA! Another versions of the other colors of AkaRed!

Nico: Another AoiBlue, KiiroYellow, MidoriGreen, PinkuPink and KuroBlack!

Laney: These are the Embodiments of all the Blue, Black, Yellow, Green and Pink Rangers from over the course of 46+ Years!

Vina Murakami: And I have a strong feeling I know who they are too.

Another Aoi Blue: (In a girls voice) That's right sis.

They reverted back and we saw that they were girls with hair colors that correspond to their Another Ranger Forms and they have the kanjis of their colors on their foreheads! And their eyes and clothes matched their colors.

Vina Murakami: Azure, Sunny, Midori, Sakura and Noir!

Me: Wow! It's awesome to see you girls again.

Azure Murakami: It sure is good to see you too J.D.

Sunny Murakami: You have grown into an amazing young man.

Midori Murakami: And a handsome one too.

Sakura Murakami: You sure are.

Noir Murakami: I think you look awesome too.

Lola: Wow! The Murakami Sextuplets! That is so awesome!

Me: But this is amazing that you girls are all the Strongest Rangers of All. Too bad those rangers weren't introduce in the series in America. What a rip. I'm guessing that Swartz made you girls more of his secret weapons?

Azure Murakami: He sure did.

Sunny Murakami: Yeah.

Nico: I don't think they came alone.

Another figure came and it was a scary version of Akaranger! The First Red Ranger from 1975! It was ANOTHER AKARANGER!

Me: Whoa! Another Akaranger!

Eli: The first Red Ranger from 1975.

Lola: Yeah!

Me: Okay buddy! Who are you?

Another Akaranger reverted back and it was to our shock, HERBERT THE PERVERT!

Me: Herbert the Pervert! I didn't expect you to be the Another Akaranger!

Herbert: You will pay for killing the one I love!

Me: You mean Chris? That testicle-chinned moron got what was coming.

Herbert: It doesn't matter.

I went up to Herbert and slapped the cuffs on him and got the Another Akaranger Ridewatch out of him and we got weapons for the Akarangers imbued with the M.O.E. Powers.

Me: I'm not going to fight you Herbert. You are far too passed your prime for me to fight and I have to respect my elders. Like I told the Ministry of Pain, if I were to fight you in your state you would be pulverized into dust. So we're sending you to a nursing home.

I snapped my fingers and beamed him to the Saturn Insane Asylum.

Me: Sorry about that girls. I didn't want to hurt him because I was taught how to respect my elders and I decided to send him to a new home.

Azure Murakami: Such a gentleman.

Sunny Murakami: You still have us to deal with either way.

Me: Wouldn't have it any other way.

Sakura Murakami: Indeed.

Juran: You'll never take us alive!

Me: This is gonna be awesome. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

The girls were enveloped in auras of their respective colors and they turned into their ANOTHER RANGER FORMS!

Me: Nice!

They unsheathed their swords!

Me: Are those swords also imbued with the powers of the Masters of Evil?

Another KiiroYellow: Actually these are swords imbued with the powers of the 6 Attributes of the Duel Monsters.

Another AoiBlue: The one you have J.D. not only has the Powers of All the members of the Masters of Evil but also has all the Fire Attribute monsters powers.

Me: That is amazing! So Swartz gave you girls the 6 swords of Fire, Water, Earth, Wind, Light and Dark.

Another KuroBlack: That's right.

Me: Interesting.

I unsheathed my sword.

Me: Lets see what it can do.

I activated the power of Uria, Lord of Searing Flames.

Me: (ECHOING) HYPER BLAZE!

I fired a massive blast of fire and smashed them all down!

Me: WHOA! What power!

Another MidoriGreen: Yeah. And Herbert had Bute Weapons imbued with the powers of the Core and Non-Core Members of the M.O.E.

Me: Very interesting.

Nico: So we have weapons from the first rangers.

Me: Yep. If Tsuyoshi Kaijo saw Herbert like that he would be pissed.

Sakura Murakami: He sure would.

Edzilla: ED SMASH!

He went at them and they dodged them.

Lillian: Time to see what this new Gaim Grand Zi-O Ridewatch can do.

She activated it!

Lillian: HENSHIN!

She had ALL THE KAMEN RIDERS OF GAIM appear and the lockseeds all appeared and they all formed into an awesome and powerful new golden and rainbow color Kamen Rider Armor! It had all the powers of the Gaim Riders all in one! Even some that were never seen before! It was a new Grand Zi-O Version of Gaim called DAME GAIM GRAND KNIGHT!

Nico: OH WOW!

Me: Wow! Lillian you look incredible!

Woz: REJOICE! The ultimate Knight of Fruit who reaches over nature and life and reigns over the beauty and love of nature. Her name is Dame Grand Gaim Zi-O! We are entering a new age of history itself!

Me: Wow!

Eli: That is SO COOL!

Cornelia: My little sister is now the ultimate knight of Gaim.

Lola: So awesome.

Woz: My demon king is going to be VERY envious.

Nico: He sure is. But it's Kouta that is gonna be most amazed.

Me: Yeah.

Lillian: Lets see what it can do.

She then formed a Rhubarb whip and lashed all 5 Another Color Rangers! And smashed them down!

Me: What power!

She used Grapes and blasted them with a powerful grape gun!

Lola: WOW! That is cool!

Then she formed a Chili Pepper Bazooka and fired and the blasts hit all 5 of them and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded in massive explosions of colored fire and they were back to normal!

I caught their ridewatches and purified them and then I went over to the girls and brought them over.

Me: Are you okay?

Sunny Murakami: (Groans) What a headache!

Midori Murakami: (GROAN) I'm gonna be feeling that.

Vina Murakami: Oh thank goodness you girls are back to normal.

Trixie Lulamoon: (sees the timer increase) Are the bad guys fooling around or what? The timer just increased to 12 hours!

Me: Hmm. They must've found some bugs on the cannon.

Nico: Yeah.

Leni: Bugs? Are they roaches!? EW!

Lisa Loud: No Leni that means that there are a few faults in their systems.

Me: But Nico, I bet you that Swartz is gonna be super massively pissed at us for ruining his plans.

Nico: I have that same feeling too.

In Swartz's base he was REALLY INFURIATED! NO THAT IS A MASSIVE UNDERSTATEMENT! HE WAS SO ENRAGED THAT HIS SECRET WEAPONS WERE ALL TAKEN FROM HIM THAT IT MADE THE ENTIRETY OF HIS HIDEOUT SHAKE! Even his two henchmen were hiding in fear at his rage as he was destroying everything in his path!

---

Later back at the estate we were getting ready.

Lillian then came in.

Lillian: Guys I have something for you all to see.

Fluttershy: What is it?

Lillian: You'll love it.

We went into Lillian's room and she pressed a button on her wall and then a wall opened up and we then saw a HUGE GREENHOUSE! It was full of Lockseed Plants! They were all plants from the Helheim Forest that make Lockseeds for numerous kinds of fruits!

Me: WHOA! It's a Lockseed Greenhouse!

Laney: Me and Lillian have been making Lockseeds for Everyone on the team.

Rainbow Dash: This is so awesome!

Sunny Starscout: Wow! This is amazing!

Nico: Wow! This is a perfect way to help everyone become part of the Gaim team.

Lillian: Thanks. And it's to help us use the powers of fruits at their most powerful too.

Nico: Wow! At least it's not like what Yggdrasill was doing.

Eli: No kidding.

Qin: But this is amazing that you guys are doing all this.

Lillian: It sure is. After what happened during our Ambassador Missions with the Gaim Team, I figured why not have us all become part of the Gaim Team.

Nico: That is awesome.

Pounce: Look at all this!

Nico: It's amazing too.

Lillian: I think it's awesome too.

Qin: It sure is.

Aylene C.: I think it's awesome that you made all this.

Bluestreak: How long did it take?

Lillian: It doesn't take long for the plants to grow. And they are actually amazing to see.

Laney: Me and Lisa brought a lockseed plant back with us and we cultivated it and made our own lockseed greenhouse. It's to help us all get ready for the Gaim Team.

Qin: Very cool.

Lola: Yeah it sure is.

Varie: And it's perfect for Lillian's big mission.

Lillian: That's right! Lets get ready for this.

Nico: Right we have to get ready.

Agitos: But when we face Harvey, let's let Numbuh One get his share of hits in.

Me: Oh we plan to do so. Yost Wolverine got some shots in him already and he slashed his eyes out.

Yost Wolverine: Yeah it was good,

Nico: Yep. Malfoy doesn't have his magic anymore.

Eli: And Paul doesn't have his Pokemon anymore.

Me: But I sense that they will become Another Rider versions of some of the Gaim team.

Nico: Really?

Me: Call it a hunch.

Nico: I have a feeling you're right. Lets get ready everyone.

We went and got ready.

Me: Wait I've got an idea.

I went to the vault and then I pulled out the Memory Stone Box.

Wallflower Blush: You're going to use the Memory Stone?

Me: Yep on Numbuh 363. This way we can make sure he doesn't remember ANYTHING about being in the Kids Next Door. I'm going to erase EVERYTHING he knows.

Nico: Nice! I like it.

Qin: That's perfect!

Me: I knew one day this stone would come in handy and now we can use it on one of our most hated enemies.

Then Batroc, Taskmaster, King Shark, Cluemaster, Girder, Gearhead, Vortex, Madame Masque, Abra Kadabra and Merman appeared.

Batroc: Can me, Taskmaster, King Shark, Cluemaster, Girder, Gearhead, Vortex, Madame Masque, Abra Kadabra and Merman go with you guys?

Nico: Yes you sure can.

King Shark: I'm so excited for this.

Me: Boy you and me both.

Girder: Are you gonna use the Memory Stone?

Me: On Numbuh 363. Figured it would be perfect to make sure he never gets back into the Kids Next Door. I'm going to turn him into a total braindead monkey without memories. Our code won't let us kill him so we'll consider this the next best thing.

Nico: Smart thinking.

Chaor: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. I'm hoping to do one for a Faerie Dragon from Dungeons and Dragons next.

Me: Ooh that's interesting.

Qin: Yeah. That will be cool to see.

Lola: It sure will be.

Nico: All right lets head out!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Nightmare, the demon lord of the Nightmare World and an enemy of Dr. Strange and many other Marvel heroes, and he's here to cause destruction yet again. When When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Stephen, you're not going to like this one bit: the dark energy signal I sensed belongs to your old enemy, Nightmare, The Demon Lord of The Nightmare Realm, and he's here to cause chaos and destruction yet again.

The Marvel heroes gasped in shock.

Dr. Strange: I never thought I'd have to deal with Nightmare yet again. But, how did he break out of The Nightmare World?

Lincoln: Somehow, a Dark Orb got into The Nightmare World and it gave him the power to leave The Nightmare World.

Nico: That's not good.

Lincoln: No, it isn't. But, I should've known it was only a matter of time before that nightmare demon tries to come into our world, and I've got a plan to deal with that monster for good.

Lillian Hale: And by deal with, you mean send him to The Black Gates for good, after you suck out and absorb all of his powers and abilities.

Lincoln: Yep.

Me: That guy's an evil demon who enjoys feeding on the dreams of others.

Nico: Yeah, and we're not going to let him get away with his crimes. Alright, gang, let's go, it's time to meet the Gaim Kamen Riders and destroy Yggdrasill for good and kill their enemies.

Lincoln: Along with beating the tar out of Paul and finally getting rid of Draco Malfoy for good, and later on, Nightmare will be the next one to die and his days of trying to torturing others will soon be brought to an end.

We were off!

---

We arrived! And we saw them fighting a scary version of Kamen Rider Zangetsu! It was ANOTHER ZANGETSU!

Nico: There they are!

Me: Oh man! Is that Another Version of Zangetsu!?

Nico: Swartz must've done this!

Eli: No I sense that this is not Swartz's work.

Another Zangetsu: (In a kids voice) Time for you guys to die!

Nico: Numbuh 363!

Numbuh 1: He's mine!

He went at him and faced him!

Another Zangetsu: What a treat, Uno! You and me! Alone!

Another Zangetsu tried slashing at Numbuh One but the British kid dodged it each time.

Another Zangetsu: You can't keep dodging forever! (tries to slash him but misses again) Turning coward? No wonder you got turned older that one time!

Okay, that was it. He wasn't going to get away with that statement. Just because the Delightful Dorks made him into an adult did not mean anyone could say something like that. He wasn't like that idiot him; he would never willing work for Evil Adults. If he had any weapon at all, he'd make that asshole take back that comment. He pulled out a weapon without looking, expecting for a grenade launcher… only to get a grapple hook. Fortunately, it hit Another Zangetsu's helmet. UNfortunately, he flailed around screaming, dragging the KND Operative with him.

Another Zangetsu: GET OFF ME! GET OFF ME!

Numbuh 4: We gotta help Numbuh One!

Nico: Let's wait and let me handle this on his own for a few minutes. In the meantime, one of us should activate the Saber Grand Zi-O Ridewatch.

Me: Right!

I gave it to Megan.

Me: Since it's your Ambassador Mission you should get the honors.

Megan McCallister: I'm honored. Lets do it!

She activated it.

Megan McCallister: HENSHIN!

All the Kamen Riders of Saber and all the Wonder Ride Books we have including some that were never seen before appeared and they merged with her and became an awesome new armor for all the Saber Kamen Riders and she had an awesome and Powerful Sword and the power of the sword is amazing! She became SABER

GRAND ZI-O!

Me: WHOA!

Nico: Oh that is awesome!

Cornelia: Wow!

Woz: REJOICE! The ultimate Knight of Books and Fantasies who reaches over Thought and Imagination and reigns over the beauty and love of literature and fantasy. Her name is Dame Grand Saber Zi-O! We are entering a new age of history itself!

Me: Wow!

Nico: WOW!

Megan: Someone get Numbuh One loose. I'll take care of the asshole!

I went and got Numbuh 1 loose.

Eli: Go get that buttface Megan!

Megan: With pleasure.

Megan used the powers of Kento and his Lightning Wonder Ride Books and they electrocuted Another Zangetsu all over!

Another Zangetsu dropped a grenade launcher!

Takatora: (picks up grenade launcher) Megan, get clear!

Megan: Right! (Gets out of the way)

Takatora: I'll teach you to impersonate me! (fires it)

Another Zangetsu: I'M GONNA KILL-

The grenade exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He exploded and was back to normal and I caught the ridewatch and purified it and then Numbuh 83 got a Morpho Knight Sword imbued with all the powers of the M.O.E. In fire form!

Numbuh 83: WOW! This sword is cool!

Kirby: Wow! That's Morpho Knight's sword! It looks awesome for you Sonnya.

Numbuh 83: Thanks.

Me: This ridewatch is not one of Swartz's.

Nico: It must be the Vengeful 6's work.

Sam Witwicky: Just pointing it out. But Starscream wound up dead when I did that on him the first time.

Nico: That was awesome.

I went up to Numbuh 363.

Me: Well well if it isn't the escaped rat.

Numbuh 363: You took my eyes from me J.D.!

Me: And now this!

I used the Memory Stone on him and it glowed and out came a huge stream of all his memories and they went into the stone and he was now a totally memory-less moron!

Nico: Did it work?

Harvey: Where am I? Who am I? Who are you?

Nico: Yep.

Yost Wolverine: Actually, I slashed his eyes out.

Me: He was just looking for someone to pin the blame on.

Yost Wolverine: Oh.

I put the stone back in the box.

Nico: That was great.

Then Sonnya and Numbuh 84 went up to him and then…

POW!

They punched him right in his face and knocked him out!

Nico: Ouch.

The Gaim team all came over to us.

Kouta: That was awesome!

Kaito Kumon: Yeah that was amazing! You guys all arrived just in time.

Lillian: We sure did guys. Awesome to see you all again.

Me: Thanks again for helping us out in our treasure hunts in the Helheim Forest.

Kouta: Anytime J.D.

Dr. Ghastly: And we want to thank you guys for helping to fend off Cavendish's men.

Yoko Minato: That was really fun too.

Me: It sure was.

Nico: Can we go talk at your base?

Kouta: Sure thing.

Me: First.

I picked up Numbuh 363 and tied him up and gagged him and blindfolded him.

We went to the Gaim Riders base.

King Shark: What do we do with Harvey?

Me: We'll send him to his home. Now that he has amnesia thanks to the Memory Stone we can remold him into a better person.

Nico: Good idea.

Numbuh 83: Good idea.

Qin: Yeah.

I snapped my fingers and beamed him back to his home.

Me: Rachel I'm sorry your brother turned out like this.

Numbuh 362: It's all right J.D. I can't believe he was that big of a jerk.

Me: Yeah but at least he'll get the proper parental guidance this time.

Numbuh 362: Yeah.

Girder: I thought we told you guys-

Kaito Kumon: We DID show him no mercy. But he showed no mercy right back.

Me: I had a feeling he wouldn't show any mercy.

Qin: Yeah.

We arrived at the base.

Me: Awesome to see it again.

Lillian: It sure is.

Megan McCallister: I think it's so awesome.

Fu: I do too.

Kaito Kumon: It's home.

?: At least you guys are here.

We saw a woman and it was Touka Akatsuki.

Kouta: Oh everyone this is Touka Akatsuki. She just joined the team along with Lapis.

Me: Oh pleasure to meet you.

Nico: Same here.

Touka: Thank you guys for taking care of that monster Alfred and destroying Yggdrasill.

Me: It was no problem.

Eli: Besides I hated that monster.

Me: Now he is a cursed tree in the park for all eternity.

Numbuh 274: Kouta, moving on from my disgraced former teammate, is Orange Arms really your default form?

Kouta: Yes it sure is. I think it's cool.

Me: It sure is. Oh. We have lots of things to talk about. Firstly you already know about the lockseeds we got from Another Gaim and Another Baron right?

Kouta: Yes we do.

Me: Good. But we found out what Kougane and the rest of the Vengeful 6 are planning. We found out that they are building a super powerful Tachyon Terraforming Laser Cannon and they are going to use it to bring the entirety of the Helheim Forest to Earth.

The riders gasped!

Yoko Minato: Is that what Kougane is planning to do!?

Mitsuzane: That's insane!

Touka Akatsuki: I can't believe they are that crazy!

Nico: Yeah me neither

Vortex: Your old pal Ryoma is with them too.

Nicole: But he's getting the Book of Vile Darkness for this.

Kouta: Good. Oh and here are the blueprints for the laser.

We were shown the blueprints for the Laser Cannon. It was a very amazingly well designed superlaser tachyon particle cannon that was a terraforming beam.

Me: Wow this is a very sophisticated cannon.

Nico: Very ingeniously well built.

Lisa Loud: And very well crafted if I must say so myself.

Lola: It sure is.

Lillian: I think this is amazing.

Me: It's amazing.

Kouta: We're trying to find the weakness for it so we can shut it down.

Me: Well you're in luck. It's right here.

I pointed to the power dynamos for it.

Me: The power dynamos are the power source for this. They are 1,000,000,000,000 gigawatt power dynamos and they possess enough power to get a city powered up for eternity. If we destroy those the entire thing will be destroyed.

Nico: Nice!

Poromon got out 2 beer bottles.

Kouta: Oh, don't tell me those are-

Poromon: 2 bottles of beer!

Gus Grav: You think that's appropriate right now?

Poliwag: It's to celebrate us taking down another Vengeful 6 member.

Vulcan: I see your point.

Me: This is also the halfway point of our adventures in destroying Swartz's minions.

Kouta: Wow. But I don't drink.

Yoko Minato: Digimon and Pokemon that drink?

Me: Don't fucking ask.

Merman: But that's not all we got! Show em, Lillian!

Lillian showed her awesome new Gaim Grand Zi-O Ridewatch.

Kouta: What's that?

Lillian: I got a new Gaim Grand Zi-O Ridewatch. I have the ability to turn into a Grand Zi-O Rider.

Me: Yep. Show them.

She activated it.

Lillian: HENSHIN!

She transformed into her Gaim Grand Zi-O form!

Kouta was flabbergasted! ALL OF THE GAIM TEAM WAS!

Klaus Von Herzon: You okay, Oren?

Oren fainted.

FWOMP!

Sirenoid: I think Lillian broke him.

Nico: Looks like it.

Laney used Smelling Salts on him and woke him up.

Oren: Whoa! Lillian this is incredible!

Me: Long story too. But it's gonna be so awesome.

Abra Kadabra: And this is the one of the two Grand Ridewatches we got today.

Me: Yep. Megan got a Saber Grand Zi-O Ridewatch too.

Laney: She sure did and it was awesome.

Nico: We should get some food first before we have the usual battles.

Our stomachs growled.

Me: Yeah we're starving. Luckily I thought ahead.

I used my imagination powers and made a good meal for us.

Wingspan: Let's dig in.

We got to eating and it was good food. We had burgers, fries, everything.

Me: Mmm!

Nico: So good.

Naruto: It sure is.

We were having a good meal too.

Madame Masque: There are only 2 Vengeful 6 members remaining.

Me: Yep. Draco Malfoy and Paul.

Qin: Those two evil monsters are going down.

Eli: Malfoy is definitely getting the Black Gates.

Qin: Yes he is.

Harry Potter: (British Accent) Leave Malfoy to me.

Brawlrus: No argument here.

Me: And it's obvious that Ash and Pikachu want Paul.

Ash: That's right.

Pikachu: Pika!

Qin: Those monsters are going to pay for everything they did.

Nico: They sure will.

Cluemaster: My guess is that the laser cannon will be placed in the perfect spot to bring the Helheim Forest here.

Me: I got that same feeling myself.

Nico: And according to the blueprints, it needs to be placed on a high mountain.

Eli: Hmm.

Mushi: Any new Ridewatches, Nico?

Nico just smirked and revealed a Ridewatch for Frankenstrike and its copy.

Nico: I also have blueprints planned for the Ridewatches of Cannonbolt, Wildvine, Blitzwolfer, Snare Oh, Upchuck, Eye Guy, Way Big, Spitter, and Ditto as well as their copies.

Me: Ooh cool. Lets see.

I assigned the Ridewatch copies to Armada Starscream, Armada Red Alert, Armada Hot Shot, Armada Blurr, Armada Hoist, RD Girl Jordan, and the minicon team Jetstorm, Runway and Sonar for the copies. Optimus, Squirrel Girl, Silverstream, Shanan Knudson, Kevin Reynolds, Shope, Roach, Tracer, Syd Chang, and CatDog for the originals.

Gearhead: I'm gonna find a vehicle to control while you guys are having the usual battles.

Nico: Okay.

Me: Man Malfoy is stupid and Ug-Ly!

Ed the Hyena laughed.

Lola: He's stupid, ugly and stupid.

Ed the Hyena laughed hysterically!

We went outside and got ready and then Bizarro, Fireor, Six Gum Gang, Griffin, Ragdoll, Dumbbelltron, Touch & Go, Johnny 13, Melter, and Black Spider appeared.

Nico: Bizarro, Fireor, Six Gum Gang, Griffin, Ragdoll, Dumbbelltron, Touch & Go, Johnny 13, Melter, and Black Spider..

Bizarro: You guys made bad progress.

Me: No we didn't.

Fireor: Now, there's only 2 more Vengeful 6 members left.

Dumbbelltron: Unfortunately, the two left are the most hardest of all.

Nico: That's for sure.

Runt: (to Nico) We heard you went to Perim.

Nico: Yep.

Lunk: Hope you had fun there.

Me: We sure did.

Melter: Even though it's been a long time.

Me: Yeah it has been a while.

?: Boy no kidding.

A figure came out and it was TIME DEMON GOD CHRONOS from the Boukenger VS Super Sentai movie!

---

Chronos allied with Gajah, who supplied Chronos with three Gordom Engines, which he used to revive Sorcery Priest Meemy, Duchess Org Tsuetsue, and Spear One, Furabiijo to assist in his plan. In the end, he used the three sorcerers to create a new Precious, the Staff of the Three Philosophers, to make himself stronger and grow giant. He could execute stronger versions of the attacks of the Boukengers' mecha, including a technique called the Triple Screw which was a varient of DaiVoyager's Double Screw.

He had the upper hand until AkaRed harnessed the power of Sentai teams of the past and gave it to DaiVoyager to turn it into Burning Legend DaiVoyager. He was completely helpless against it and they destroyed Chronos and the Precious he wielded with the 30 Super Sentai Attack.

---

Eli: Time Demon God Chronos! I remember you! You revived Sorcery Priest Meemy, Duchess Org Tsuetsue, and Spear One, Furabiijo and overwhelmed the rangers.

Time Demon God Chronos: That's right Eli.

Me: That was awesome.

Time Demon God Chronos: I may not have been adapted in America. But the Operation Overdrive Rangers still had that awesome teamup.

William: Too bad there was never a teamup between them and the Mystic Force Rangers. Or a teamup between Magiranger and Boukenger.

Me: Yeah what a ripoff! That would have been amazing!

Qin: It sure would!

We got the usual battles underway.

## Princess What's-Her-Name, Pinkie Pie, Featherweight, Tech Skylanders, Agitos and Nivenna VS Bizarro - Nico's rescue

Bizarro was first.

Bizarro: (to Princess What's Her Name) Nico did bad in his rescue. Bizarro doesn't hope he had fun there.

Princess What's Her Name: He didn't have fun but it was not great.

Pinkie Pie: No it wasn't!

Featherweight: No it wasn't but it wasn't good.

Sprocket: Nope.

Bizarro: Bizarro sad for Nico. Lets not do it!

Princess What's Her Name activated her Eyecon and Ridewatch.

TONY ANDREASON AND BIZARRO!

Bizarro: Lead Singer of Trashmen. Bad choice!

Princess What's Her Name: (SINGING DIVINELY AS GEARS, METAL, LIGHTNING AND GOOFY FACE EMOJIS SWIRL AROUND HER)

Right Suzuki (ToQger), Rarity, Sweetie Belle, Water Skylanders, Akira Nijino and Numbuh 274 VS The Six Gum Gang - Meeting a gene-slammers for Earthbound Immortal Ukupacha Callao and Llamaca Pacuilla

---

The Six Gum Gang was next.

Wilbur (to Right): We heard you guys met 2 gene-slammers for Earthbound Immortal Ukupacha Callao and Earthbound Immortal Llamaca Pacuilla.

Goof: What's are their name?

Right: Their names are Denise Uxi and Maya Santiago. They have a huge and awesome story for all of us.

Rarity: Oh it was amazing darlings.

Sweetie Belle: Yeah it sure was.

---

Denise Uxi: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Maya Santiago: (Spanish Accent) Si, he sure has.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Denise and Maya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Denise Uxi: That's incredible.

Nico: It sure is. So, Denise, what's this horrible revelation about Peter Griffin and what he did to Meg, and Maya, what's this helluva revelation about Chandler?

Denise Uxi: Oh, you're not going to like this one. I found out that before you guys went after The Griffins, Peter Griffin hired a hitman to kill Meg, Brian, and Stewie, along with his former friends who've seen Quahog's corruption and cut their ties with Peter forever. I decided to go down there, and I made my right hand so big, I squashed the hitman like a bug, and then, I threw him into the Sing-Sing Correctional Facility in New York.

We gasped in shock.

Nico: Why, that testicle-chinned, fat, abusive, drunk bastard!

Nico made the call and he told Vypra of Denise Uxi's revelation about Peter Griffin and what he did to Meg, and when she hung up, Peter was going to be in really big trouble.

Me: I've got a feeling Peter Griffin's in major trouble now that you told Vypra about it.

Eli: He sure is.

Maya Santiago: (Spanish Accent) Indeed. Now, for my revelation about Chandler, and I got to warn you: it's not good. One day, Lincoln and I were heading for class, but then, Chandler appeared from nowhere and he stabbed Lincoln in the stomach, and right in front of everyone who was out there, the students and the teachers and Principal Huggins, and he was about to kill Lincoln, but I fired a powerful blast of yellow fire and sent him flying into the lockers. Then, I saw the blood from Lincoln's wound flow right back into him and his wound healed up, thank you, Adriana Ardelean Dracula. After the shock was over, Chandler got arrested and his mom left him in jail for two months, and this left the miserable sewage rat wanting more revenge on Lincoln and if anyone gets in his way, he'll kill them!

We gasped in even more shock.

Me: That little monster!

Nico: I can't believe it, you know, it's bad enough Lori, Lynn, Lola, Lisa, and Luan stabbed Lincoln in the stomach at home, but when Chandler did it and it was in front of everyone in the school, that's the point where Chandler descended into darkness because of Dark Chandler.

Lori: Thank goodness Lily the Mermaid and Lincoln sent Dark Chandler to The Black Gates for his little spree of havoc in Chang An.

Lynn: That guy was a monster who was thirsty for blood, what a demon.

FLASHBACK ENDS

Dixie: MY GOODNESS!

Lunk: Why those ornery no good sidewinders!

Wilbur: Yeah!

Gill Grunt: I know. What a couple of dirtballs!

Runt: Yeah no kidding! Lets do it!

Right activated his Eyecon and ridewatch.

RICHARD TREVITHICK AND THE SIX GUM GANG!

Wilbur: Richard Trevithick?

Right: He was the inventor of the first train.

Goof: Very interesting.

(WALKING IN THE AIR BY CHLOE AGNEW PLAYS)

Right: (SINGING DIVINELY AS WATER AND RED LIGHT SWIRLS AROUND HIM)

We're walking in the air

We're floating in the moonlit sky

The people far below are sleeping as we fly

We're holding very tight

I'm riding in the midnight blue

I'm finding I can fly so high above with you

Far across the world

The villages go by like trees

The rivers and the hills

The forest and the streams

Children gaze open mouth

Taken by surprise

Nobody down below believes their eyes

We're surfing in the air

We're swimming in the frozen sky

We're drifting over icy

Mountains floating by

Suddenly swooping low on an ocean deep

Arousing of a mighty monster from its sleep

We're walking in the air

We're dancing in the midnight sky

And everyone who sees us greets us as we fly

They danced and floated and then fired waves of red light, jewels, water and ice and smashed them down.

I feel that I am losing the struggle within.

I can no longer restrain it,

my strength it is fading,

I have to give in.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

Hold down your head now,

just let me pass by.

Don't feed my fear,

if you don't want it out.

I fear who I am becoming,

I feel that I am losing all beauty within.

I can no longer restrain it,

my strength is fading.

I have to give in.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

and ever since that day,

infected with its rage

but it ends today.

Fear of the dark

It's growing inside of me,

I have failed you

But you have failed me too

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

It's so easy to destroy and condemn

The ones you do not understand
In your life, why didn't you ever try?
I close my eyes as I walk the thin line
Between love and hate
For the person with the same blood
In his veins
You show no regrets
About all the things you did or said
I have failed you
But believe me you failed me too
It's so easy to destroy and condemn
The ones you do not understand
Do you ever wonder if it's justified?

Ghost Rider: Lets Ride! (TRANSFORMS AND REVS ENGINE)

An old cowboy went riding out one dark and windy day

Upon a ridge he rested as he went along his way

When all at once a mighty herd of red-eyed cows he saw

A-plowing through the ragged sky

And up the cloudy draw

Their brands were still on fire and their hooves were made of steel

Their horns were black and shiny and their hot breath he could feel

A bolt of fear went through him as they thundered through the sky

For he saw the Riders coming hard

And he heard their mournful cry

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Their faces gaunt, their eyes were blurred, their shirts all soaked with sweat

He's riding hard to catch that herd, but he ain't caught 'em yet

'Cause they've got to ride forever on that range up in the sky

On horses snorting fire

As they ride on, hear their cry

As the riders loped on by him he heard one call his name

"If you want to save your soul from Hell a-riding on our range

Then cowboy change your ways today or with us you will ride

Trying to catch the Devil's herd

Across these endless skies"

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

Ghost riders in the sky

Yippie-yi-yaaaaay

Yippie-yi-ohhhhh

See how I'll leave with every piece of you

Don't underestimate the things that I will do

There's a fire starting in my heart

The scars of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love they leave me breathless

I can't help feeling

But you played it with a beating

Throw your soul through every open door (whoa)

Count your blessings to find what you look for (whoa)

Operation Overdrive Rangers: OVERDRIVE ACCELERATE!

The Operation Overdrive Rangers transformed and they were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! OPERATION OVERDRIVE!

The Megaforce Rangers turned into the Operation Overdrive Rangers too!

All: DRILL CANNON!

They fired waves of elements and energy and the blasts all hit him and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Time Demon God Chronos you have failed this city!

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and everyone cheered!

Nico: Yeah!

Kouta: Your singing is so awesome!

Laney: We have had a lot of karaoke sessions and lots of practice.

Nico: Yep.

Retrax: Now, let's find Paul and the rest of his gang.

Nico: Yep. Lets head to the Helheim Forest.

With that we were off to the Helheim Forest.

---

We arrived.

Griffin: Wow! So this is the Helheim Forest.

Mr. Touch: It's beautiful.

Eli: Wait look up there!

We saw the huge and powerful laser cannon on top of a really huge mountain!

Taskmaster: They're just where Cluemaster said they would be.

Eli: Yeah!

Nico: Well then. Now it's personal. Get ready Kougane and Vengeful 6, (EYES GLOW RED) We have an old score to settle!

Me: (EYES GLOW RED) And you all will pay dearly for it all.

We were off.

Dr. Facilier came.

Maria: Thanks for coming, Facilier.

Facilier: Hey it's not a problem. It's gonna be really fun helping you guys.

Lillian: Thanks doctor.

We went to the mountain and we arrived. We saw them and Dr. Facilier went up to them.

Ryoma: You must be Facilier.

Facilier: Of course I am. I see you have Rosyuo with you guys as well.

Rosyuo: I was the previous Man of the Beginning. I wasn't going to be left out.

Facilier: You guys have done impressive work on the device of yours.

Paul: It's all worth it to see you losers fall.

Ryoma: This is the victory I've promised you, Paul. Where we advance the success of the Helheim Forest together.

Paul then grabbed Ryoma's shoulder and brought him close to his face.

Paul: Let's make one thing clear. I agreed to work with you. Not

FOR you. You'd be wise to remember the difference

With that, Paul released Ryoma, ignoring the glare he gave him.

Facilier: (Sarcastically) Geez what a nice kid. Lets see what my friends think about you.

Then fruit, vegetables and nuts appeared and swirled around them and then they converged and then a massive tree grew in seconds and then fruits and pods came out and then we popped out of them.

Me: Now that one was fruity!

Paul: YOU!

Ash: It's over Paul!

Harry Potter: And you too Malfoy!

Paul: How did you find us!?

Me: Oh we just looked in the phone book. But we really found you guys in a place called None of Your Fucking Business!

Paul: I hate you fuckers!

Our auras flared up!

Me: Thanks for the power boost Paul!

Paul: (to Kaito Kumon) I never thought you'd believe in that friendship garbage.

Kaito Kumon: That isn't garbage at all. Lillian and the others have shown me that's what makes true strength. And even in the old days, I would never abuse Pokemon and animals like you do!

Paul: Here's a newsflash for you. I don't give a fuck! (gets out a Helheim fruit)

Me: PAUL ARE YOU OUT OF YOUR FUCKING MIND!?

Kaito Kumon: You fool! You don't know what you're about to do!

Paul: All I know that I'm about to be more powerful then any of you losers! (Eats the fruit)

Nico: Oh fuck.

Me: Not good!

He turned INTO ANOTHER LORD BARON! It was a scary version of Kamen Rider Lord Baron!

Kouta: Do you have any idea what you've done, Paul?!

Malfoy turned into Another Ryugen.

Another Ryugen: He's just evened the playing field.

Ryoma: And now, here's some more helpers! Kelzaks!

An army of Kelzaks appeared.

Me: Kelzaks! Now you're talking!

I fired waves of energy and elements and blasted them all over the place!

I kicked Malfoy in the stomach and smashed him all over.

The Kelzaks jumped the Gaim Team.

The Gaim team lay defeated at the hands of the Kelzaks.

Ryoma: Paul might still be in charge. But at least I still have time to end at least one of you.

2012 Mikey: (punches a Kelzak) Guys, any ideas?

Lillian just got one.

Lillian: (to everyone watching) Everyone out there! Lend the Gaim Team your strength! They get stronger with your support! When I go "1,2", shout "Soiya"! Okay? 1,2…

All: SOIYA!

Lillian: One more time! 1,2…

All: SOIYA!

Lillian: Louder! 1,2…

All: SOIYA!

Jamesdean5842: SOIYA!

At these words, Kouta found the strength to get up.

Kouta: Sorry, Ryoma. But you shouldn't count me out just yet!

Kouta punched a Kelzak, knocking it to the ground.

Me: And you 3 are all going to be destroyed!

I fired waves of energy and the blasts destroyed numerous Kelzaks!

Paul: You make me sick J.D.!

Me: Kiss my fucking ass!

Kouta: Thanks for you help, everyone.

Kaito: This truly is a more united battle then the last time.

Yoko: Of course it is.

Takatora: And with few casualties.

Hideyasu: Along with more people cheering for us.

Touka: What do you guys say we give everyone a show?

Me: I couldn't agree more.

Qin: Lets get them!

Lola: Yeah!

Nico: Time to kick these fuckers asses!

Lillian: Can I transform with you guys?

Shane Clarke: Sure thing, Lillian.

Dan: Me and my team will send out our Bakugan too!

Ninja Storm Rangers: NINJA/THUNDER/SAMURAI STORM! RANGER FORM! HA!

Bakugan Brawlers: BAKUGAN BRAWL!

The Ninja Storm Rangers transformed!

With that, Kouta uses his almost godly power to summon forth a strange blue belt with a latch on the top and what looks like a knife on the right, and a lock with an orange on it labeled "LS-07". Standing up slowly, Kouta places the belt on his waist, generating what looks like a side-image of a samurai warrior on the far left of the belt, then holds the lock out in front of him.)

Kouta: Henshin!

With his battle cry known, Kouta presses a black button on the side of the lock, causing it to unlock)

Orange Lockseed: Orange!

After unlocking the Lockseed, Kouta places it in the belt, below the latch, and closes the Lockseed again, looping it through the latch.

Sengoku Driver: Lock On!

With the Lockseed secured, a zipper in reality opens up over Kouta, revealing a giant orange. With the fruit in place, Kouta pulls the knife-like portion of his belt down, causing the orange on the Lockseed to fall, revealing a design of an orange-slice looking sword on it, and showing the interior of an orange on the rest of it as the knife-looking portion restores to it's normal position.

Sengoku Driver: Suiya! Orange Arms! Hanamichi, On Stage!

As the Sengoku Driver makes it's announcement, the giant orange lands on Kouta's head, generating blue and gold armor around his body before the orange unfolds to create chest and shoulder armor, while revealing a blue head with a large gold crest resembling a long crescent of some sort with a red front portion, with the back of the helmet being orange with a green dot on top of it with a silver mouthpiece an a visor resembling an orange slice, as a long sword with a gun barrel materializes on his hip, and the orange slice looking sword from the Lockseed appearing in his hand.

Mitsuzane: Henshin!

With that, Mitsuzane pushes a button on the side of the Lockseed, unlocking it)

Budou Lockseed: Budou!

Upon activation of the Lockseed, Mitsuzane places it into the slot on the Sengoku Driver and relocks it, causing a strange grape bunch like construct to materialize above his head)

Sengoku Driver: Lock on!

With the Lockseed secured, Mitsuzane pushes forces the knife section of the Sengoku Driver down, flipping the front panel of the Budou Lockseed down, revealing what looks like a cross section of grapes on one side and a grape gun on the now inverted panel

Sengoku Driver: Hai! Budou Arms! Ryu! Hou! Ha, Ha, Ha!

At this seeming battle cry, the grape bunch descends onto Mitsuzane, generating a green undersuit with gold accents before the grape bunch unfolds much like Kouta's orange did, revealing a Chinese warrior styled armor with helmet with a grape styled back and straight violet visor, a gun similar to the one on the Lockseed's flipped down panel materializes in his hand.

Takatora: Henshin.

With his battle cry known, Takatora opens the Lockseed he has with him)

Melon Energy Lockseed: Melon Energy!

At this pronouncement, a strange techno-melon materializes above Takatora as he places the Melon Energy Lockseed into the Genesis Driver and locking it in place.

Genesis Driver: Lock on!

After locking in the Lockseed, Takatora forces a silver panel on the Genesis Driver across a track to hit the Melon Energy Lockseed, splitting the front panel into three pieces revealing the melon cross section beneath it, all the while funneling a strange orange liquid into a reservoir at the bottom of the Genesis Driver

Genesis Driver: Soda! Melon Energy Arms!

With that, the techno-melon descends onto Takatora, generating a white and black battle suit with gold accents as the melon splits open, the left side armor folding to the right to create more armor on the right shoulder, before revealing a helmet reminiscent of a samurai helmet mixed with a melon rind, and a straight orange visor, with a bow similar to Ryoma's in his hand.

Kaito Kumon: Henshin

With his battle cry known, Kaito presses the button on the side of his Lockseed, unlocking it)

Banana Lockseed: Banana!

After opening the Banana Lockseed, a giant banana appears over Kaito's head as he places the Sengoku Driver on his waist before placing the Lockseed into the Driver and locking it in.

Sengoku Driver: Lock On!

As fanfare starts to play, Kaito pulls the knife part down, flipping down the panel on the Banana Lockseed, revealing a cross section of the three bananas on the body of the Lockseed, and a picture of a lance on the panel

Sengoku Driver: Come On! Banana Arms! Knight of Spear!

As this happens, the armor banana lands on Kaito's head generating red and silver armor before splitting open forming the oddly off-balance shoulder pads, revealing the knight-looking helmet, with a yellow eyepiece behind the visor, marked with ends of a banana on either side of his head, and generating a lance that resembles a peeled banana, with the peel serving as a hand guard, in his hand.

Lilian Hale: That's it, I've had it up to hear with you three monsters for the last time.

Suddenly, Lilian Hale's blue eyes turned neon blue, and she was surrounded by a pink energy aura with light, quintessence, life energy, angels, and phoenixes, she unholstered her massive Sword of Kandrakar from her back, and as she approached Ryoma Sengoku A.K.A. Kamen Rider Duke, Kohgane A.K.A. Kamen Rider Jam, Paul, and King Goobot, she left pink energy, quintessence, life energy, angels, and phoenixes with every step.

Lilian Hale: You two monsters really make me sick, you've caused nothing but madness and suffering to so many innocent people for the last time, and don't think I left you and Goobot out, Paul, you two have tormented us for the very last time, and now, I'm going to see to it that all four of you pay the price for your crimes with your lives.

Suddenly, Lilian Hale was surrounded by a massive vortex of pink energy with light, quintessence, and life energy surrounding it, there's an angel and phoenix flying around the vortex, and in the vortex is a blonde phoenix. Then, as the vortex faded, Lilian Hale emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lilian Hale grew to 6'5" in height, she has the body of a goddess, she has blue highlights in the bangs of her blonde hair, she has neon blue eyes and a pink energy aura with light, life energy, phoenixes, and angels surrounding her, she has a phoenix with the Light Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with blue gems for eyes and the Life Kanji in its claws and her Crystal Necklace of the Buddha with blue crystal links and a phoenix with blue gems for eyes and holding the Life Kanji in its claws for the pendant, she has on a long-sleeved pink blouse with bright red phoenix on it, pink skirt with life energy on them, pink pants, pink high heels, and a pink long sleeveless trenchcoat with phoenixes and quintessence on the coattails and on the back is a phoenix with light surrounding it. Suddenly, Lilian Hale felt a sharp pain on her back, and then, massive blonde angel wings with grey-blue tips on the large strawberry blonde feathers, sprouted out from her back. Lilian Hale has on a Ring of The Phoenix with blue gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Lilian Hale's massive Sword of Kandrakar and the other swords she's gotten throughout the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink energy, quintessence, light, life energy, phoenixes, and angels, and when it emerged, it was transformed into Kandrakar's Light Quintessence Greatsword of Magical Justice, it's a brand-new greatsword with the symbol of Light and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large fairy wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and large blue gem surrounded by angel wings for the pommel, she has on her new Bracelets of the Champions of The Universe with large grey blue gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with grey blue gems for eyes and large grey blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and her Eater of Sins revolver holstered on her left hip. There's a blonde kanji below the phoenix that said, "Lilian Hale, Little Sister of Cornelia Hale, Friend of Will Vandom, Irma Lair, Taranee Cook, Hay Lin and Many, Destroyer of Dark Nerissa and Phobos, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and Master of Quintessence, Life Energy, and Life"

リリアン・ヘイル、コーネリア・ヘイルの妹、ウィル・ヴァンダムの友、イルマ・レア、タラニー・クック、ヘイ・リンと多く、ダーク・ネリッサとフォボスの破壊者、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、たくさんの友達、驚くほど強力な教師の驚くべき強力な学生、チーム ラウド フェニックス ストームの素晴らしいメンバー、そして真髄、生命エネルギー、生命のマスター

Lilian Hale has transformed into SUPER ANGEL INFINITY KANDRAKAR CELESTIAL QUINTESSANCE HEAVENLY PHOENIX ANGEL OF LIGHT QUINTESSENCE LIFE AND KANDRAKAR JUSTICE!

We were amazed by Lilian Hale's Super Angel Infinity transformation, but when Ryoma Sengoku A.K.A. Kamen Rider Duke, Kohgane A.K.A. Kamen Rider Jam, Draco, and Paul saw it, they all fell into a demonic rage, Paul and Malfoy especially, and they all went after her to kill her, but Lilian Hale fired four powerful pink energy blasts with magic, light, quintessence, life energy, angels, and phoenixes at them, and two of them sent Kamen Rider Duke and Kamen Rider Jam into a tree and the other two hit Paul and blinded them and really blinded and hurt them, and it pissed all four of them off.

Paul: You miserable little brat! I HATE EVERY LAST ONE OF YOU LOSERS!

Our energy auras flared up extremely because of Paul's hatred.

Draco Malfoy: Paul, you moron!

Kouta: This is our stage now.

Another Lord Baron: Then I'll just take it!

Me: Over my dead body!

Another Lord Baron: That can be arranged!

Ryoma: How dare him! Let us destroy him together, Paul! Together we can-

Another Lord Baron: I do not need you to get rid of these losers. I will dispose of him myself.

Ryoma: No! I will not sit by again! Not this time! I must be the one to kill Kouta and his friends, ME! And I might need your help to-

Another Lord Baron: You useless piece of shit! You weren't even able to prevent destroy them the first time! You will never kill them. Never! And this, is for your presumptuousness, YOU NOTHING! Be grateful I do not kill you right here!

Another Lord Baron pushed Ryoma aside, knocking him to the ground.

Tsukasa: Now that's just cruel.

Me: It is!

Kamen Ride: Kiwami Arms.

Daiki: It's also why Ryoma's going into the Book of Vile Darkness.

Kamen Ride: Gaim!

Maria: And this.

She pulled out the M.O.E. Zenkai Cannon.

Maria: (TURNS DIAL) BADASS BIKER FURY!

Kouta: Let's get rid of Jam and Rosyuo first.

Soiya! Kachidoki Arms! Iza shutsujin! Ei! Ei! Oh!

Another Lord Baron: I WILL activate that laser!

Ash: Then you'll have to go through us! Pikachu, Volt Tackle!

He ran fast and flared up a powerful lightning aura and ran and smashed Paul with devastating force all over!

I punched and kicked Kougane in the face!

Me: Kougane you make me fucking sick! Your crimes nearly drove the entire planet to extinction!

Kougane: Humanity must pay for its sins!

Me: Shut your fucking mouth! You have no right to decide that! Our lives are never pointless and neither are any of our friends! We have a right to live and to protect the very people we care about! Something a fucked up WARPED FREAK LIKE YOU CAN NEVER UNDERSTAND!

I went Super Angel Xelnaga and punched him in the gut with devastating force!

Dustin: Let's rock! (gets out Lion hammer)

Meanwhile, Kaito just grabbed Kamen Rider Jam by the throat.

Kaito Kumon: You die!

He punched him in the face and slashed him all over.

Marucho: Ability activate! Blue Stealth!

While this was going on, Another Ryugen confonted Harry.

Another Ryugen: You choose sides, Potter? You choose wrong!

Harry: Your side's the only one that's wrong!

Eli: And you will pay for your racist crimes you genocidal maniac!

I punched Kougane in the back and kicked him in the head and smashed him all over!

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE OF HOPE, FRIENDSHIP, LOVE AND JUSTICE) **This is for Yoko Minato!**

I kicked him in the face!

Me: **And this is for Kaito!**

I punched him in the stomach and sent him crashing into a bunch of trees and they smashed onto him! He got up and he was infuriated!

Kougane: (SCREAMING IN RAGE) I HATE YOU!

HE WAS OUT OF HIS MIND!

My aura flared up with incredible force!

Me: **You hate the fact that you are powerless to stop me. That you are completely outmatched. Well imagine feeling the way you do now all of the time like the people of the Helheim Forest did as well as the people of Japan! You asshole! How do you think all those people felt when you fed them fruits and turned into Inves and invented a game to kill them! Well this time, I'm going to make sure you never try so again!**

Zane charged at several Kelzaks.

Ryoma: The Helheim Forest. You're saved at last.

But now was not the time to celebrate. He saw that Kougane and Rosyuo were just killed, were no longer active, leaving only him and Malfoy as the only capable people to command their forces to push back Team Loud Phoenix Storm until the laser was charged.

Then there was Paul, a tool which was slowly losing its usefulness. He was no fool he could tell that Paul was beginning to take command of his forces. Soon he would be nothing and Paul would rule.

Well not on his watch.

Ryoma: Time to show them that I'm still in charge. Henshin.

He transformed into KAMEN RIDER DUKE!

Blake Bradley: Time to see what my Lockseed does.

Blake activated his Lockseed for Trawler of Dino Fury and fired cannons and they hit a bunch of Kelzaks!

Another Lord Baron had Ash at his mercy.

Another Lord Baron: We were strong once. But here? There can be only one!

Another Lord Baron was about to strike Ash down when he cried out in pain. He then saw that it was Ryoma who attacked him.

Ryoma: THIS IS MY WORLD! If you think that I would let you command me and finish off Kouta, then you are mistaken.

Another Lord Baron: You traitor! You'd doom our plans for your own purposes?!

Ryoma: I don't need purposes!

Paul: Shut up!

Paul then sent Draco flying into a tree, and we knew his treachery has finally reached its peak, and we knew there's no hope for redemption for him, only prison or death awaited him.

Ash: (groans weakly) Are you really that surprised, Paul? You betrayed your own World and brother. And now, you just got betrayed by the one you called an ally.

Another Lord Baron: (growls) I do this so the strong Pokemon and their trainers can survive. Ryoma fight for his own reasons! And you'd keep Pokemon and Trainers alike weak with that garbage about friendship!

Ryoma: Enough! I shall now rid me of two annoyances, starting with you, Paul!

With that, the two former comrades charged at each other.

I kicked Kougane in the face and smashed him and knocked his teeth out!

2012 Splinter was actually doing well against several Kelzaks.

Harry and Mitsuzane watched in horror as the laser was almost charged.

Another Ryugen: (laughs) I just saved a whole other world. You think you're a hero, Potter? Huh? YOU THINK YOU'RE A HERO?!

Harry: (glares) No. I'm just the Boy Who Lived!

With a shout, he swung his fist into the former Howarts Student. The impact knocked Malfoy right into the laser. As the electricity surged throughout the jerk's body, both Harry and Mitsuzane, who had gotten back up watched as it fried him in a rather uncomfortable manner. Though Mitsuzane did it, Harry couldn't look away as his long time bully was being electrocuted to death.

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP

He was electrocuted into ash and then the laser exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was destroyed!

Kougane: NOOOOOOOOOOOOOOOO!

Me: **It's over Kougane!**

Kougane: YOU MONSTER FUCKERS! YOU RUINED EVERYTHING!

Harry Potter got a new wand and it was imbued with the M.O.E. Powers.

Harry Potter got a new wand and it was imbued with the M.O.E. Powers.

As Another Lord Baron and Ryoma fought each other, Ash was forced to lay back and watch, knowing full well that the winner would likely finish him off. He just couldn't believe that this was how it would end, being killed without a single way to fight. His last thoughts were his friends, people he considered family, those who have died, and Serena.

Kaito Kumon: (comes up to him) Ash, get up. We have a battle to finish.

Ash: (weakly) What's the point? Regardless of who wins, I'll just be finished off anyway.

Kaito Kumon: But regardless of who wins, people will still be put in danger. You've fought very hard to protect everyone and Serena. Do you really want to throw that all away?

Ash realized that he was right!

Ash then got up!

Another Lord Baron: WHAT!?

Ash: I will NEVER GIVE UP PAUL! YOU ARE A WORTHLESS STAIN ON OUR WORLD!

We regrouped!

Shane: Battlizer Mode, Engage!

Shane donned his Red Wind Ninja Battleizer!

Kouta presses a button on the Lockseed, not causing the lock on the top to open, but rather causing a small key to emerge from the point on the bottom

Kiwami Lockseed: Fruits Basket!

At the sound of this, a whole lot of fruit armors emerge. Of course present are the Orange, Banana, and Grapes used by Kouta, Takatora, and Mitsuzane, but there is also a Melon similar to what Zangetsu's armor is made from as well as Acorn, Pinecone, Durian, Pineapple, Strawberry, Watermelon, Lemon, Cherry, Peach, Walnut, Mango, and Kiwi armors as well. As the armors finish materializing, a port forms where the faceplate on Gaim's Sengoku Driver once was, which allows him to turn the Kiwami Lockseed on it's side, insert it into the port and turn it, revealing a second panel on the Kachidoki Lockseed, which bears a series of fruit half-cross sections on top and a portrait of Kachidoki Arms' head on the panel, as well as opening the panel on the Kiwami Lockseed, revealing the other half of the cross sections on the body and a silver variant of Kouta's head with a pointed helmet and large version of his crest over a rainbow visor on the panel

Sengoku Driver: Lock Open! Kiwami Arms! Dai, Dai, Dai, Dai, Dai Shogun!

As this announcement goes off, the fruit armors converge in a circle around Kouta, and fly into him, breaking off the Kachidoki Arms, revealing silver armor, with a red cape attached to his back, and a chestplate consisting of several fruits on a black background.

Me: **It's over Kougane! You're finished!**

We went at him!

**EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF UNFATHOMABLE POWER!**

It was a massive explosion that ignited much of the area into a huge and massive inferno!

Me: **It's over for you guys!**

Ryoma: Paul might have been the one in charge. But this fight ends with me!

Ryoma then grew giant.

Nico: Time for the Megazords!

Me: You guys take care of things with Ryoma. I'll face Paul and finish of Kougane.

Nico: Right!

I went at them both and slashed Paul and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught his ridewatch and purified it and Ash got an awesome sword imbued with the powers of the M.O.E.

I put my foot on Paul's back and pinned him down.

Me: Don't even think about it.

Ryoma: I wonder how it's gonna be. With several of my enemies dead!

Shane: Time to find out!

They summoned the Megazords and they were ready!

Ninja Storm Rangers: Storm Megazord!

Nico then summoned the Ninja Storm Super Omega Ultrazord and they were ready!

Nico: Lets get him guys!

They fired a massive rainbow energy blast and the blasts all hit Ryoma and he exploded!

EXTREMELY MASSIVE EXPLOSION!

He was dead!

Paul: Ash, all I ever wanted was the good of all Pokemon and trainers alike. You have to understand why I had to betray you.

Me: Like right! Like we'll ever believe that!

Ash: (not believing it) No, you didn't betray me. Because we were never friends to begin with. No, you betrayed your world, your brother, and in the end, you betrayed yourself. Pikachu, Thunderbolt!

Paul: NO, ASH!

But it was too late. Pikachu launched a Thunderbolt at Paul, which hit him.

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

He screamed in pain as he was electrocuted all over!

I was unaffected!

Me: How does it feel Paul!?

I then grabbed him!

Me: Now you will feel the full extent of their pain! Look into my eyes. Your soul is stained by the blood of the innocent. Feel their pain times 1000!

He looked into my eyes as I used the Penance Stare on him and his own sins were turned against him! He was locked in an eternal nightmare!

Preyas: What about Rosyuo?

Nicole: He's in here.

Nicole showed that he was locked into the Book of Vile Darkness.

Preyas: Nice.

Me: One last thing.

I went up to Kougane.

Me: You will pay for everything you did.

I painted a kanji on his forehead and used the Black Gates and they found him Guilty! He was fading.

Kougane: No! What's happening to me!

Me: You are being erased from existence! Give my regards to Kazu, Asshole! Yggdrasill is now a forgotten memory!

Kougane: DAMN YOU TO HELL TEAM LOUD PHOENIX (FADES)

He was gone.

Me: What a fucking loser.

Then Draco Malfoy's spirit appeared.

Me: Harry?

Harry went up to Malfoy and painted a Kanji on his Forehead and gave him the Black Gates. All the people he and his family have hurt found him guilty and he was fading!

Malfoy: NO! Harry you can't do this to me! I'm your rival!

Harry: Yep a rival that I will never need again! Goodbye and good riddance Malfoy!

Malfoy: DAMN YOU TO FUCKING HELL TEAM LOUD PHOENIX (FADES)

He was gone forever!

?: (Demonic Voice) Soon, I will plunge every last one of you fools into an eternal nightmare!

Dr. Strange: I knew there was no mistaking that voice from anywhere. You can come out now, Nightmare.

A pale black-haired figure with green eyes and dressed in green clothes came out, and it was none other than Nightmare, The Demon Lord of The Nightmare World.

Dr. Strange: You just don't even know when to quit, do you, Nightmare? And now, you've freed yourself from your realm, thanks to a Dark Orb of Xehanort's darkness.

Nightmare (Marvel): (Demonic Voice) And now, I shall plunge every last one of you into an eternal nightmare, and none of you will ever escape!

Lilian Hale: That's never going to happen, Nightmare, and now, your days of torturing people are all over.

Suddenly, Lilian Hale's blue eyes turned neon blue, and she was surrounded by a pink energy aura with light, quintessence, life energy, angels, and phoenixes, she unholstered her massive Kandrakar's Light Quintessence Greatsword of Magical Justice from her back, and as she approached Nightmare, she left pink energy, quintessence, life energy, angels, and phoenixes with every step.

Lilian Hale: I will never forgive you for the nightmares that you've caused and the tortures that you've inflicted on so many innocent people in their dreams over the eons, Nightmare. And now, I shall see to it that you will never return to hurt anyone ever again.

Suddenly, Lilian Hale was surrounded by a massive vortex of pink energy with light, quintessence, and life energy surrounding it, there's an angel and phoenix flying around the vortex, and in the vortex is a blonde phoenix. Then, as the vortex faded, Lilian Hale emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS 1:45 TO 2:14)

Lilian Hale grew from 6'5" to 6'11" in height, she has the body of a goddess, she has blue highlights in the bangs of her blonde hair, she has neon blue eyes and a pink energy aura with light, life energy, phoenixes, and angels surrounding her, she has a phoenix with the Light Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with blue gems for eyes and the Light and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with blue gems on the golden sun links and blue crystal links and a blue angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with blue gems for eyes and holding the Light and Eternity Kanjis in its claws for the pendant, she has on a long-sleeved pink blouse with bright red phoenix on it, pink skirt with life energy on them, pink pants, pink high heels, and a pink long sleeveless trenchcoat with phoenixes and quintessence on the coattails and on the back is a phoenix with light surrounding it. Suddenly, Lilian Hale felt a sharp pain on her back, and then, massive blonde angel wings with grey-blue tips on the large strawberry blonde feathers, sprouted out from her back. Lilian Hale has on a Ring of The Phoenix with blue gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Lilian Hale's massive Kandrakar's Light Quintessence Greatsword of Magical Justice was surrounded by a kaleidoscope of pink energy, quintessence, light, life energy, phoenixes, and angels, and when it emerged, it was transformed into Kandrakar's Light Quintessence Broadsword of Magical Light Justice, it's a brand-new large broadsword with the symbols of Light and Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large fairy wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and large blue gem surrounded by angel wings for the pommel, she has on her new Bracelets of the

Champions of The Universe with large grey blue gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with grey blue gems for eyes and large grey blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and her Eater of Sins revolver holstered on her left hip. There's a blonde kanji below the phoenix that said, "Lilian Hale, Little Sister of Cornelia Hale, Friend of Will Vandom, Irma Lair, Taranee Cook, Hay Lin and Many, Destroyer of Dark Nerissa and Phobos, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and Master of Quintessence, Life Energy, and Light"

リリアン・ヘイル、コーネリア・ヘイルの妹、ウィル・ヴァンダムの友、イルマ・レア、タラニー・クック、ヘイ・リンと多く、ダーク・ネリッサとフォボスの破壊者、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、たくさんの友達、驚くほど強力な教師の驚くべき強力な学生、チーム ラウド フェニックス ストームの素晴らしいメンバー、そして真髄、生命エネルギー、光のマスター

Lilian Hale has transformed into SUPER ANGEL ETERNITY INFINITY KANDRAKAR CELESTIAL QUINTESSANCE HEAVENLY PHOENIX ANGEL OF LIGHT QUINTESSENCE LIFE AND KANDRAKAR JUSTICE!

We were amazed by Lilian Hale's Super Angel Infinity transformation, but when Nightmare saw it, the demon lord of nightmares fell into a demonic rage and fired an energy blast to kill her, but Lilian Hale dodged it, and she fired a powerful pink energy blast with light, quintessence, life energy, angels, and phoenixes, and it hits Nightmare and burned him badly, and it really angered him.

Nico: Whoa, Lilian's transformed into her Super Angel Eternity Infinity form, awesome.

Me: And that energy blast she fired left some pretty nasty burns on Nightmare, awesome.

Lilian Hale: (Divine Echoing Cosmic Voice of The Celestial Quintessence Life Angel and Divine Kandrakar Love) And now, to put an end to one last nightmare.

Lilian Hale went after Nightmare, who continued firing blasts of energy at her, but she dodged them all, and she fired powerful pink energy blasts, life energy, quintessence, light, angels, and phoenixes at Nightmare and they exploded with incredible power as they hit him. Then, she attacked Nightmare with her new massive large broadsword and she left scars on him. Then, Lincoln assisted by forming a binding circle on the ground below Nightmare's feet, and it kept him from using his powers. Then, Lincoln sucked out and absorbed all of Nightmare's powers and dark magic and he and the rest of us made them our own. Then, as soon as Lincoln was done, Nightmare was now rendered powerless, and it allowed Lilian Hale to finish him off by driving her massive large broadsword into Nightmare's black heart, and then, as she removed it, she drew a kanji on his forehead, and he was erased by The Black Gates after being found guilty for the crimes he'd committed against so many for eons. We all cheered wildly for what Lilian Hale did as she she holstered her massive broad-bladed large broadsword on her back and powered down and Lilian Hale's new body, clothes, weapons, jewelry, and massive blonde angel wings are permanent. We then went up to her and we hugged her.

Nico: Now, that's what I call one awesome fight you put up, Lilian, and thanks to you, Nightmare is now gone forever.

Lilian Hale: Thanks, Nico, and I also had some help from Lincoln too.

Me: He was really prepared for someone like Nightmare.

Lincoln: Yeah, when you've read as many comic books as I have, you pick up a lot of information about the heroes and villains from them.

Nico: You got that right, big guy.

Suddenly, we saw a powerful giant sword with a 7'0" very massive, wide, double-edged blade, a large gold ornately decorated crossguard with jewels embedded in it, longer black handle, and large gold weight with gold fangs for the pommel, it was The Twilight Sword.

Me: Whoa, what is that sword?!

Thor: That's The Twilight Sword, this powerful weapon was once in Surtur's hands, but it deemed him unworthy of it, and it was left waiting for a warrior to prove his worthiness to the sword. This sword was forged in the Burning Galaxy, and this sword has the life force of the planets in it. Surtur wanted to use it to bring about Rangarok.

Nico: Whoa.

Suddenly, Lincoln walked up to it, and the sword somehow deemed Lincoln worthy of wielding it and it saw him as a warrior who's proved his worthiness to it, and he grabbed the sword and he pulled it out. Then, Lincoln felt all of the power and knowledge of the universe and all of the life forces of the planets flood into him, and his infinite energy and power and abilities were rising like crazy and he was gaining a massive power boost, as we saw his rainbow energy aura with elemental forces and mythological animals flare up extremely, and the Twilight Sword had merged with his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds.

Me: HOLY CRAP!

Nico: That's incredible! Lincoln, The Twilight Sword deemed you worthy of wielding it.

Lincoln: Whoa.

Lori: How do you feel, bro?

Lincoln: I feel like the power and knowledge of the universe has flooded into me, and I also saw into Surtur's mind, and I know he'll come after me now that I have The Twilight Sword, but I won't let that fire demon get away with his crimes. And it'll be for tomorrow, that's when we meet the Drive Kamen Riders.

Onewa: I can't wait to meet them again, and if Surtur shows up, Lincoln, would you like to help me freeze that monster and end his life forever?

Lincoln: You got it, Onewa.

Me: Looks like we'll be ready for tomorrow.

Nico: Yep.

AT LONG LAST! THE TERROR OF THE VENGEFUL SIX AND THE TERRORS OF YGGDRASILL HAD BEEN SILENCED FOREVER AND THE HORRORS OF EVIL LYNN LOUD ARE NOW A FORGOTTEN MEMORY!

Woz: Rejoice! Another of the Dai Shocker Villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider allies, Kamen Riders Gaim, Baron, Ryugen, and Zangetsu! May their alliance last until the fruit of life no longer blossoms!

Me: That is for sure!

Dixie: Well, that's that.

Nico: Yep.

Ragdoll: And so ends the Vengeful 6.

Nico: Thank goodness.

Black Spider: This was a good way to close out the mission.

Me: Yeah.

Johnny 13: The Bute Weapons Nico and the others got really came in handy.

Qin: They sure did.

Maya Santiago: I'm really gonna love it here with you guys.

Storm Crow: Same with me.

Mr. Go: You girls won't regret it.

Griffin: (to the Gaim team) Wanna see our garden now?

Kouta: You bet we do. I have a feeling it will be good.

Nico: Yeah!

Me: But lets get out of here.

We went back home.

Kouta: (To the viewers) This was an awesome adventure and it was so fun to battle it out with numerous bad guys.

Me: And we've seen the last of Yggdrasill and the Vengeful 6.

Nico: Yep. Great job today everyone! Lets head home.

We went back home and it was an awesome battle and adventure. We got the Gaim Team Settled in and we showed Lillian's garden. We then enjoyed the rest of the day and went to sleep. Numbuh 363 was permanently decommissioned and was sent to a strict boarding school for his attitude. Paul was put in a solitary confinement cell in the Neptune Prison. As promised, I gave the Gaim Riders the bounties and they used that money to build their own awesome base and it was a big treehouse fortress that looked like a miniature version of our estate.

Meanwhile in Japan, The Drive Kamen Riders were getting ready for some action with us as we help them take down some of their enemies.

Shinnosuke: I'm so excited for this one.

Go: Me too Partner! We're really looking forward to helping Team Loud Phoenix Storm out.

Shinnosuke: Me too. All right lets get ready!

They got ready!

Drive Riders! HENSHIN!

They transformed and ran at the screen.

TO BE CONTINUED!

Me: To the end of Yggdrasill and the Vengeful 6 as well as closing out the halfway mark of the Kamen Riders missions.

Nico: You got that right.

Qin: That was such an awesome and fun mission!

Rainbow Dash: Yeah it sure was!

Kaito (Zenkaigers): That was so much fun.

Kouta: And it's an honor to be part of your team too.

Yoko Minato: Now we are all officially members of the team.

Nico: You sure are.

Crag: It's gonna be so awesome having you guys all with us.

Zoe: It's gonna be so awesome having you with us too.

Nico: Thanks for coming with me, Zoe.

Zoe: Not a problem Nico. It's so awesome that I get to go with you.

Varie: You're going to love it with us.

Nico: Zoe, when are you gonna marry Takuya?

Zoe: (BLUSHES) We haven't thought that far yet.

Me: Nico don't rush these things. We need to give them a chance for it to blossom.

Nico: Sorry. Just being curious.

Me: I know.

Camie: I think it's so awesome that you and Takuya are dating too.

Zoe: We started dating less than a week ago but it's awesome.

Chunk: (Eating steak) That's really awesome Zoe.

Lola: Yeah it sure is. Wind and Fire are 2 matches in heaven.

Me: Lets not forget that Zoe is learning how to be an awesome chef and Mary took her on as her apprentice.

Nico: That is so cool!

Qin: It sure is.

Zoe: I'm learning so much I can from her. Your daughter is such an amazing chef.

Me: Mary is one of the best there is next to Lynn Sr.

Lynn Sr.: Thanks J.D.!

Me: You're welcome Mr. Lynn!

Nico: Are you also glad Ranamon's with us?

Zoe: I sure am and when we first met we did not like each other at all. She was always trying to prove that she was much prettier than all of us.

Me: The Spirit of Water must've been really vain and loved herself.

Zoe: You have no idea.

Rarity: That sounds very much like me Zoe.

Zoe: But a thousand times worse Rarity. She was always showing off her beauty. (Imitating Ranamon) (Valley Girl Talk) I think it would be great if I could show y'all my beautiful self and how beautiful I would be when I show you that water is great.

We laughed.

Nico: Yeah that is definitely Ranamon.

Varie: Don't let her hear you say that.

Nico: Yesterday was one of the best big missions yet!

Kouta: Yeah it sure was! You guys really helped us out. Now Yggdrasill is gone for good.

Me: And the Vengeful 6 are now gone for good too. We killed 2 birds with one stone that day.

Fluttershy: Oh please don't say that.

Me: Sorry Fluttershy. I don't mean that literally. It's just a figure of speech. It means we did 2 jobs at the same time.

Fluttershy: Oh thank goodness.

Me: Sorry to scare you like that.

Fluttershy: Oh no worries. I just am sensitive to stuff like that.

Me: I'll have to watch what I say when it comes to your love for animals.

Qin: But that is true. We did get a lot done that day.

May: Boy we sure did and it was so awesome.

Me: Yeah it was.

Nico: All the Eyecons for the usual battles are done. The Ridewatches can stay. But next are Core Medal combos and Fullbottles.

Zoe: Wow! I'm looking forward to this one.

Me: Me too. I have a lot of awesome combinations for us to try out. And when the next Another Alien comes in I think it will be awesome to try it out.

Nico: Yep.

Eli: Mind if I give it a test run?

Nico: Go for it Eli.

Eli went up to Amy.

Eli unsheathed his sword.

Amy: So you're finally going to kill me brat!?

Eli: No.

He put in the core medals for Lord Drakkon and The Tiki Tak Tribe!

THE ROAD TO EL DORADO BY ELTON JOHN PLAYS!

Eli: (SINGING DIVINELY AS LEAVES AND JUNGLE DRAGONS SWIRLED AROUND HIM)

Our glorious city

Was build by the divinities by Gods

Who saw fit to bestow

The gift of a pardise

Peaceful and harmonious upon

Us mere mortals below

And made El Dorado

The magnificent and golden

One thousand years ago

El Dorado, El Dorado, El Dorado

But all this was granted

For only one millennium

I know my legacy is to fulfill

My promise to all my people

Who have trusted me, the Gods

Will approve of us still

Preserve El Dorado

The magnificent and golden

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

The mountains so high and waters deep

Are her disguise

Her secrets are safe from foreign hands

And eyes forever

Preserve El Dorado

The magnificent and goldent

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

He danced and slashed Amy all over and she grew poison ivy plants around her and was itching like crazy!

We cheered wildly and some of us even laughed!

Eli: Like that?

Nico: That's exactly right! Good test run!

Kaito Kumon: I don't even mind that I have a whole team as an archenemy. I like the challenge.

Nico: And the best part is that it's all Aqueduct's team the Forces of Nature.

Lola: That is so awesome.

Qin: It sure is.

Eli came back and had a great steak.

Laney: That was a good test run.

Kouta: Not even Ryoma deserved to be mistreated by Paul.

Nico: You got that right.

Nicole: But he'll be treated much better when he's in the M.O.E.

Nico: Yeah.

Lana: But that was so awesome.

Zoe: It sure was. Can I give it a go too?

Me: Go for it.

Zoe went over over to Flip.

Flip: You make me sick!

Zoe: Up yours you mutant!

ORGAN GRINDOR AND PIZZA TERROR SIX! BEST MATCH!

She danced to Tarantella Napoletana and she danced awesomely to it and then fired waves of wind and pizza sauce and splattered him all over the place with it!

Flip: (SLURPS) Yummy!

But then….

Flip: (SCREAMS IN PAIN!)

We laughed as he got torched by GHOST PEPPER PIZZA SAUCE!

Me: Perfect Italian theme for that one!

Nico: (LAUGHS) It fits perfectly in the Non-Core field but that was great and funny.

Flip belched out gold bars instead of fire and they were given to Zoe.

Zoe came back and sat down.

Kaito Kumon: Even during the old days, I would never mistreat ANY animal or Pokémon.

Me: I agree there. Paul is an absolute disgrace to Pokemon Trainers everywhere.

Nico: And that was a good call using the Penance Stare on him.

Lola: Yeah no kidding.

May: Ash told me what he did to Infernape when he was a Chimchar.

Me: Yeah I remember hearing about that. What a heartless bully! But I put a curse on him with the penance stare.

Nico: What kind of curse?

Me: To be forever haunted by the nightmares of all the people and Pokemon he hurt.

Lincoln: Whoa! Like the Nightmare Demon's Vengeance Curse on steroids.

Me: Yep and it will destroy his mind physically and psychologically. In 3 months he will be dead.

Nico: Whoa! That is deadly!

Me: Yep. I call it the Hellish Nightmare of Penance Curse. It can only be used thru the Penance Stare. You are haunted by the very sins you have committed amplified 1000-fold and also it has the magic of the Curse of The Cobra inside it. In 3 months the curse will kill him and banish him to the black gates for all eternity.

Everyone gasped.

Nico: WHOA! That is deadly!

Lincoln: So on November 7th he will be dead and destroyed.

Me: Yep.

Nico: Wow.

Me: The curse will kill him at exactly 3:19 in the afternoon. So he has 90 days to live.

Qin: Geez!

Laney: That is brutal.

Nico: Ash said he was hoping that Pikachu's Thunderbolt would end up killing Paul.

Me: Well you know how many times Ash was electrocuted by Pikachu and he survived?

Nico: No.

Me: Too many.

Nico: GEEZ!

Lincoln: Pikachu packs 100,000 volts of electricity. So it's not a surprise.

Me: No kidding.

Eli: Yeah. But that's amazing that Ash survives that.

May: So did Dawn with Pachirisu.

Qin: Yeah.

Gaon: As a lover of animals, I don't blame Ash for hoping that the Thunderbolt would've ended up killing that jerk!

Nico: I don't blame ash one bit.

Maria: What's really interesting are the new Grand Ridewatches.

Nico: Yeah that was awesome!

Qin: It sure was.

Me: Woz did 2 awesome Rejoice Speeches.

Nico: Yeah and the funny part was that we broke Oren.

We laughed!

Qin: That was funny!

Aylene C.: Yeah it sure was!

Zoe: Yeah it sure was funny. His face was priceless.

Lola: Yeah it was.

Nico: I hope we find more.

Me: Only Time will tell. But that was so awesome. But I can't wait to see what is gonna happen when we meet Shinnosuke and his team.

Nico: I know. We have a lot to tell them about the Shift Cars for the M.O.E. that we got.

Laney: And I have a feeling we're going to use our cars in battle like we did with Maggie and Herbie.

Me: A race and a battle. I like it. And you'll like the modifications that Lisa and I made to our cars.

Maria: I think the Drive team already know about the Shift Cars that we got. Heck, Go even helped us get the other half of them in one of Onewa's missions.

Me: I wasn't sure if we showed them or not.

Qin: That's all right. We fought so many Another Riders that it's hard to keep track.

Nico: Yeah it sure is.

Eli: (Senses something) Uh oh. I sense something.

Nico: What is it?

Eli: Small signal.

Albedo: Where is it?

Negative Omnitrix: Corrupted Galvin DNA Detected!

Me: Galvin DNA? Oh man.

Albedo turned into Negative Grey Matter.

Negative Grey Matter: Good to be my natural form.

Me: You are part of the Galvin.

Qin: But where is it? It's so small.

I looked around. I then saw something poking through the valley of Shizuka Marikawa's breasts.

Me: Shizuka don't look now but you got something right in the middle of your breasts.

She looked.

Another Grey Matter: (In a girls voice) Hello!

Then she screamed!

Shizuka: (SCREAMS) GET IT OUT!

She threw the Another Galvin and we saw that it was a black version of Grey Matter!

Me: It's Another Grey Matter!

Nico: This is probably one of the tiniest Another Omnitrix Aliens.

Me: Yeah!

I knelt down.

Me: Thank goodness it was a girl one. If it had been a boy that did that Nicole would have murdered you.

Nicole: Yeah no kidding.

Another Grey Matter: Yeah you're right.

Me: Wait a second. Sakura Ichiraku?

Another Grey Matter: That's right.

Me: Awesome to see you again! And man have I missed your ramen.

Sakura Ichiraku: I missed cooking you those big bowls for you.

Nico: You know her?

Me: I sure do. Her name is Sakura Ichiraku, No relation to Teuchi or Ayame and she is a great ramen chef and makes the largest bowls of ramen ever. They are 100 ounce bowls of ramen.

Nico: Boy Naruto would REALLY love her.

Me: She sure would and she makes some of the best ramen ever.

Eli: That sounds awesome.

Rarity: I think that would be most delicious to try.

Nico: Did Swartz promise you anything?

Another Grey Matter: He did. But even he was unsure about how this one would turn out.

Me: He obviously must have not realized the Galvin are only one and a half feet tall. No offense Albedo.

Negative Grey Matter: None taken.

Another Grey Matter: He promised to make me the best ramen chef ever in the world.

Me: Well you are the best in my opinion. And you would make a great addition to the staff at Ichiraku Ramen. Coincidentally they too share the same last name that you do.

Another Grey Matter: That is amazing. But thank you for the compliment J.D.

Me: You're welcome. But I think it's best if we even the playing field. Attacking something as small as you at our current height would be devastating.

Another Grey Matter: You're right.

Me: Mr. Lynn make sure no one steps on us while we do this.

Lynn Sr.: (Salutes) I'm on it!

He watched over us.

I snapped my fingers and now we were the same size as a Galvin.

Negative Grey Matter: Welcome to the size of the Galvin guys.

Me: Awesome! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (activates Calamitous' Ridewatch) One last thing. Is any of your backstory similar to Grey Matter?

Another Grey Matter: I am smart when it comes to cooking and I make many kinds of ramen and more.

Nico: Good enough for me.

Me: Yep. But Another Grey Matter is not the smallest one ever. There is still the Hive Nanite Aliens and those are smaller.

Nico: Good point.

He got a mechsuit like the one that Calamitous has.

(FORGIVE AND FORGET BY BLONDIE PLAYS)

Nico: (SINGS DIVINELY AS WATER AND WIND SWIRLS AROUND HIM)

In the beginning, in the days before time,

The light was alive with the essence of power.

And from that power were born beings who lived on the edge of eternity.

And they spread their wings and soared through the ancient air.

And the beating of their wings made the winds.

And from the winds came the seas.

And from the sea came the life of the earth.

Nature's cast upon the sea the winds of past, of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Gratify my head with curses.

Night recalls tranquility.

A curtain falls and sets it free.

Darkness calls eternity.

Down silent halls the shadows flee.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Satisfy my head with curses.

Forgive and forget.

Forgive and forget.

Forgive and forget.

Fates are cast upon the sea.

The winds of past of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

Forgive and forget.

Forgive and forget.

He danced and fired waves of water and missiles and smashed her down.

The Mascots came.

Poromon: Wow you guys are our size now!

Nico: Poromon, Poliwag?

Manaphy: Mama? You look awesome my size.

May: I sure do Manaphy.

Horsea: And Maria you look awesome my size.

Maria: Thanks. Lets go get them!

Poromon: Lets do it!

Mascots: CUTIE RUSH!

They jumped Another Grey Matter and tickled her all over.

Me: Sakura is extremely ticklish.

Nico: Boy she is really ticklish. Okay guys that's enough.

Poromon: Sorry.

They came back.

Kaito: (takes out Ghost gear) We're going full small power non stop!

Zocks: (takes out Drive gear) This is for Shinnosuke!

Kaito got a ghost sword and Zocks got a Drive Blaster!

Me: Lets see how she likes this one.

I activated Vypra's Shift Car.

Me: Time to burn rubber!

I turned my feet into roller skates and skated as Vypra's sword appeared in my hands and I fired waves of light and darkness at Another Grey Matter and smashed her all over.

Qin: Yeah!

Nico: Nice one!

Aylene: YEAH! Now lets see how she likes this. Medic would love this one! (Activate's Medic's Ridewatch)

(ARABIAN DANCE OF THE NUTCRACKER SUITE BY TCHAIKOVSKY PLAYS)

She danced gracefully like a swan and fired waves of darkness and fire and smashed Another Grey Matter all over.

Me: Bravo! Bravo!

Nico: Medic would be proud!

We cheered for Aylene!

Camie: That was so graceful.

Lola: Yeah it was.

Another Grey Matter: Albedo you look like a nerd.

Negative Grey Matter: When I left you, I was but a nerd. Now I am the master!

Negative Grey Matter charged at Another Grey Matter

They clasped hands and then they beat each other up like how Billy and Mandy did in that Karate tournament and did the most brutal things to each other!

Nico: HOLY CRAP!

Me: SWEET FUCKING BANANAS!

Qin: That is brutal!

Lola: YEAH!

Negative Grey Matter: And actually, I AM still a nerd!

Me: YEAH!

Lily: This is gonna be awesome! Now watch this one. RAVEN SPIRIT POWER!

She flared up a pitch black aura of the Raven Spirit from Alaskan Inuit Myth!

Twilight Sparkle: Wow! What are you doing?

Lily: I am shedding light where darkness lies. When Every Creature in the world is born, a spirit stands beside them.

Twilight Sparkle: Why?

Lily: To light their way through the long dark night and sing them songs to guide them.

Twilight Sparkle: Why?

Lily: Because each of us has a destiny that sets us all apart. The path is different for you and me but the journey begins in the heart.

(WHO YOU REALLY ARE - BALTO 2 PLAYS)

Lily: (SINGING DIVINELY AS THE SPIRITS OF THE ANIMAL TOTEMS APPEAR AND SWIRL AROUND HER)

You must go to the east, go to the west

The road is rocky and the way is far

It's a dangerous trail, a difficult quest

If you want know who you really are?

There are voices all around you

To comfort and to guide you

Fathers and teachers

Powerful creatures

And a voice that sings inside you

Or you can turn back around

Run along home

Back to the place where your friends are

Perhaps that is best

You need the rest

Who wants to go on a ridiculous quest?

Unless you want to know

You truly want to know

Unless you want to know

Who you really are?

Chorus:

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Who are you?

Lily fired waves of rainbow energy and they smashed Another Grey Mater all over.

Another Grey Matter: That was very heartwarming.

Me: It sure was. All of us has a spirit animal.

We flared up our auras and it showed our Animal Spirits.

Me: I am the spirit of the Wolf.

Nico: We are all born with spirits and they guide us and we learn from them.

Laney: That is right.

Isabel then appeared.

Isabel: That's right guys. All of us has a spirit that is always with us and they will guide us in times of great need and to teach us that our paths are never set in stone. They are always changing.

Camie: That is true Isabel.

Another Grey Matter: I always wondered what my Spirit is.

Isabel: Your spirit is the Eagle. Because it symbolizes ambition, duty, fortitude, and willpower. People who have the eagle as their spirit animal are unperturbed by life's many obstacles. They strive to achieve great heights and are rarely satisfied with anything less than the best that life has to offer.

Another Grey Mater: Wow!

Qin: That is amazing.

Sheila (D&D): Yeah! It sure is.

Zoe: I think it's awesome too.

Then a Faerie Dragon appeared. And it was twice our current size and then it sprinkled dust on Another Grey Matter and she reverted back to normal size! Sakura was a pink hair girl with blue eyes and blue clothes.

Sakura Ichiraku: Wow! I'm back to normal!

We grew back to normal size and then the Faerie dragon reverted back and it was a girl with Blue hair and blue eyes and blue clothes and had the most beautiful blue butterfly wings.

Nico: Catarina Henrickson! Wow!

Catarina: Looks like I got here just in time.

I picked up the ridewatch and purified it.

Sakura Ichiraku: That song really speaks to me.

Nico: Really?

Sakura Ichiraku: Yeah and I decided that I will work at Ichiraku Ramen in the Leaf.

Me: Teuchi and Ayame are always willing to have you.

Zoe: Yeah!

Isabel: You'll do great.

Sakura Ichiraku: Yeah. But Isabel how did you know what my spirit animal was?

Isabel: I'm the chief shaman of the team and I have the ability to see what Spirit Animals everyone has. It's a long story. But it's mostly because of how I got this ugly scar here on my back.

She showed the scar.

Sakura Ichiraku: Ouch! How did that happen!?

Isabel: It's a really long story.

Catarina: But that is really awesome that you have that power.

Isabel: It sure is.

Zoe: What's your favorite memory of Nico?

Catarina: I have a lot of them but my favorites are when me and Nico were in science class. We solved a huge and massively powerful math equation called the Summing of three cubes.

Lisa Loud: (GASP) Gadzooks! That is a really immensely complex and dangerously notorious math equation.

Catarina: It sure is. It's x3+y3+z3=k.

She told us how it went and my head was sparking and my eyes had red crash screens on them and I was drooling.

Eli kicked me in my butt and I was back to normal!

Me: OW! What a headache. But man that is really complex!

Nico: No kidding! That math equation has stumped many scientists for years.

Lisa Loud: Indeed. But that is most impressive that you were able to solve that one.

Twilight Sparkle: Boy it sure is.

Nico and Catarina hugged.

Nico: I've missed you.

Catarina: Me too Nico.

Laney: I really like your butterfly wings. They are really beautiful.

Catarina: Thanks Laney.

Poromon: Aww. Now you guys are big again.

Me: Yeah but we had to shrink down to even the playing field. Galvin are a foot and a half in size.

Poromon: Good point.

Albedo: That was cool though.

Sakura Ichiraku: But it was awesome facing you guys.

Then a teal light appeared on Sakura's finger and it revealed an Animal Spirit Ring with the Eagle on it.

Nico: Whoa the Teal Eagle Spirit. That is cool.

And then a Teal light appeared and it landed in Sakura's hands and it was the Teal Eagle Zord!

Sakura Ichiraku: My own Wild Force Animal Crystal!

Me: Awesome! The Teal Eagle Zord chose you. That is awesome.

Isabel: It sure is. Perfect for you Sakura.

Sakura got her own Crystal Saber too.

Nico: That's right, big guy.

Me: And according to that list Icy gave me, Acheron is among the list of the Winx Club's enemies that we haven't faced.

Crash Bandicoot: And what a break we got that he's been sighted here in the Undead Sensei Realm, but we're going to show him he's not the only one who knows about magic.

Lincoln: You got that right, Crash, plus, I also want to try out The Twilight Sword since it's merged with my Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and what better target than Acheron. And thanks for joining us, Skyla.

Skyla: You're welcome, Lincoln.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Acheron, and he's going to kill them.

Lincoln: Guys, I found the four girls, but they've been cornered by Acheron, and he's going to kill them.

?: (Romanian Accent) That evil sorcerer, let's put an end to him for good.

Suddenly, we saw the Duel Monster, Vampire Fascinator, appear before us.

Nico: Wow, that's the Duel Monster, Vampire Fascinator, awesome.

Lincoln: And I recognize that Romanian accent from anywhere, I knew it's you, Lisa Vampirdinumbră, but we'll talk later, we've got a dark sorcerer to deal with.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Acheron, and it allowed the four girls to get away. When Acheron saw us, he was enraged.

Acheron: Team Loud Phoenix Storm?! But, how…?!

Lincoln: Sadly, you're not going to get the answer, Acheron. Now, let's tear him to shreds!

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Skyla, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Acheron, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Acheron made a barrier of magic and protected himself, but this provided Lincoln with the very opportunity to test out the Twilight Sword's abilities as he swung his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and fires powerful blades of energy, which pierced the magical barrier Acheron put up and Lincoln drove his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds into Acheron's black heart, and he not only sucked out and absorbed all of Acheron's powers and magical abilities and killed him for good, but it also purified Acheron's book, The Legendarium, and it was now made Lincoln's. Then, Lincoln fired a black energy blade and it hits Acheron's spirit, and banished him to The Black Gates forever. We cheered wildly for what Lincoln did, as we holster our weapons and power down.

Nico: Whoa, so that was one of The Twilight Sword's abilities?

Lincoln: Yep, it has the power to cut through metals and barriers, whether manmade or magical. But, there are more abilities, which I'm going to find out.

Me: And we'll see what they are.

Lincoln: And not only did I destroy Acheron and also suck out all his powers and abilities, but I also purified his Legendarium. (Lisa Vampirdinumbră) And it's so good to see you again, Lisa Vampirdinumbră.

Lisa Vampirdinumbră reverted back to normal, and she's a beautiful girl with long flowing black hair, blood red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with red tips, and she reigned in the power of Vampire Fascinator, and she's dressed in a sleeveless black midriff top, black shorts with studs, black knee-high boots, and long sleeveless black trenchcoat with black flames and vampires on the coattails, and Vampire Fascinator on the back, and holstered on her back a large Vampire Fascinator-themed greatsword with Vampire Fascinator etched on the 7'0" massive, wide, double-edged black blade, black vampire wings for the crossguard, large blood red gem embedded in the rainguard, longer black handle, and a large blood red gem surrounded by black angel wings for the pommel.

Lisa Vampirdinumbră: (Romanian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Lisa Vampirdinumbră and they hugged, and Lisa Vampirdinumbră's very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Lisa Vampirdinumbră: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Lisa Vampirdinumbră, she's my Guardian Angel from Romania, and she's my classmate in Science class and loves science with a passion, and like the Goths of Darkness, she too loves the Occult as well. And her last name Vampirdinumbră means Shadow Vampire in Romanian.

Nico: A Guardian Angel with a love of The Occult and science, that's really awesome.

Lincoln: You said it, and this one time in science class, we developed a special coating that when applied to me and the girls in my harem, it adapts to the Super Angel transformations.

My jaw and Nico's jaw dropped.

Nico: A coating that when applied only to you and the girls in your harem, it'll adapt to your Super Angel transformations?!

Me: That's both a scientific breakthrough and really awesome!

Lincoln: You said it, and we're also in for a huge surprise: she happens to be the cousin of Alucard from Castlevania.

Nicole: (Surprised and Shocked) Wait, what?!

Lisa Vampirdinumbră: (Romanian Accent) I know it sounds too good to be true, but it is, and I've also helped my cousin in putting a stop to his evil father, Dracula.

Lincoln: And we also found out the truth that your cousin's evil father was none other than Mathias Cronqvist, an 11th century knight who lost his wife, Elisabetha, to illness, and it drove him mad and he swore to hate and curse God for all eternity, and he used the Crimson Stone to make Walter Bernhard's soul his, and because of the curse of the vampires, Mathias was transformed into Dracula, and he waged a bloody campaign of revenge against humanity.

Adriana Ardelean Dracula: (Romanian Accent) And I've also helped Lisa with dealing with her cousin's evil father and his minions, namely Death and Carmilla.

Lori: And just last year, we brought an end to Dracula for good, and we sent him to Oblivion, along with his minions, and then, Lincoln sent them all to The Black Gates, in order to prevent them from coming back.

Lincoln: That's right, and like many of my Guardian Angels, Lisa really loathes Scoots with a passion.

Nicole: So do we, and your Guardian Angel was named after Dracula's wife and Alucard's mother.

Lincoln: I was about to point it out.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Lisa Vampirdinumbră's neck with blood red gems on the gold thunderbolt links and black crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Lisa Vampirdinumbră: (Romanian Accent)(Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Lisa.

Lisa Vampirdinumbră had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Lisa Vampirdinumbră's waist and Lisa Vampirdinumbră wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Lisa Vampirdinumbră's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Kahori Harukawa, Natsuki Suzuura, and Yuriko Yamagiwa from Psychic School Wars and Nagi from Tenchi Universe.

Lincoln: Oh wow, it's Kahori Harukawa, Natsuki Suzuura, and Yuriko Yamagiwa from Psychic School Wars and Nagi from Tenchi Universe.

Nico: Awesome.

Lincoln: Are you girls okay?

Kahori Harukawa: Yes, we're okay, thanks to you.

Then, when Kahori Harukawa and the other three girls saw who it was that saved them from Acheron, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Kahori Harukawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kahori Harukawa: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Kahori Harukawa, Natsuki Suzuura, Yuriko Yamagiwa, and Nagi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after in the Undead Sensei Realm was Acheron.

But, when Lincoln showed what he did in showing the new abilities from the merging of The Twilight Sword and with them killed Acheron and purified the Legendarium, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Lisa Vampirdinumbră have a lot of catching up to do now that she's back in town. And when Lincoln told everyone else of Lisa Vampirdinumbră, and what she did in making a coating that when applied to Lincoln and the girls in his harem, it adapted to the Super Angel transformations and she's the cousin of Alucard from Castlevania, they were stunned and amazed.

Maria: Whoa.

William: You said it, babe, not only is Lisa a lover of the occult and a science lover who created that special coating for Lincoln and his harem, but she's also the cousin of Alucard from Castlevania, and I think this new batch of Lincoln's Guardian Angels may be related to members of the team.

Nico: Related to some members of the team, this should be interesting to see.

---

After destroying Acheron, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Lisa Vampirdinumbră saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lisa Vampirdinumbră: (Romanian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lisa, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lisa Vampirdinumbră: (Romanian Accent) That's incredible.

Nico: It sure is. So, Lisa, what other memories did you have with Lincoln?

Lisa Vampirdinumbră: (Romanian Accent) I remembered this one time in Science Class, other than making that special coating, Lincoln and I also created a powerful sticky slime that once it hits the target, it'll keep them immobilized for 48 hours. Then, we saw Chandler about to attack and kill Lincoln again, so I used the slime I made and he was stuck for 48 hours, just enough time for Lincoln and I to tell the teacher, and he personally called the cops and that brat was dragged off to jail yet again.

We cheered wildly for what they did to Chandler.

Nico: Whoa, so you guys also created a powerful sticky slime that immobilizes targets for 48 hours, that's awesome!

Me: You said it.

Lincoln: Thanks, guys. Say, Lisa, maybe we can make more of the slime and load it into bazookas, and we can use them to immobilize villains.

Lisa Vampirdinumbră: (Romanian Accent) Good idea, Lincoln, and we'll make sure it's only used on evil villains. Plus, I'm also glad I didn't have to use that slime on any of your bad sisters, otherwise, they'd be in trouble.

Nicholette Torrington: Especially with all of us.

We got a shower afterwards, and then, Taro (Stitch!) and Lillian Hale are heading to Dolphin Shoals in the world of Mario, but it was all thanks to a blind date organized by Nico. When they arrived in Dolphin Shoals separately, Taro was dressed in blue swim trunks with butterflies on them, sandals, and he has his weapons holstered in case of trouble, and Lilian Hale was dressed in a pink two-piece bikini with lights, sandals, and she had her weapons holstered in case of trouble.

Lilian Hale: Taro, you're…

Taro (Stitch!): My blind date. Ooh, Nico, you're going to get such a tickling when we get back. But, to tell you the truth, I've had feelings for you for a long time, Lilian.

Lilian Hale: Same with you, Taro. Shall we?

Taro and Lilian Hale began swimming in the waters of Dolphin Shoals and they were enjoying seeing the sights there as well. Then, they also had lunch when they got to the surface. Then, as the sun was about to set, Taro went over to Lilian Hale and he wrapped his arms around her, and Lilian Hale wrapped her arms around his neck, and as the sun turned orange, they shared a passionate kiss. Then, they came back to The World Tree Estate, and Nico had a nervous smile on his face.

Nico: Uh, hey, Taro, Lilian, how was your date?

Taro (Stitch!): It was awesome, Nico, we went to Lake Lamode and had fun there. Now, if I were you, I'd start running as fast as you can, monkey boy!

Nico: Uh oh.

Nico ran fast, but Taro and Lilian Hale caught him and they began tickling him, and he was laughing hysterically. Then, they ceased and helped him up.

Nico: Okay, I admit I deserved it, big time.

Lilian Hale: You sure did, mister, but it wasn't bad, it turns out we both had feelings for each other for quite a long time.

Cornelia Hale: Wait, you mean…? (Squeals in happiness) My little sister's not only all grown up, but she now has a boyfriend!

Yuna Kamihara: We're happy for you both.

Sasha (Stitch!): Same here.

Cornelia Hale: And while you two were at Dolphin Shoals, we've been getting ready to meet the Drive Kamen Riders today.

Onewa: That's right, and we're going to help destroy one of their big enemies and give him The Black Gates for good.

Nico: You said it.

---

Meanwhile at the park we were having some awesome relaxing.

Nico: Jaden, you and Alexis are up for bonding time.

Jaden: Sweet!

Alexis: This will be awesome.

Me: In fact lets have all the Duel Academy Alumni for the bonding.

Jasmine (GX): That's an awesome idea.

Mindy (GX): I agree there.

Bastian: I agree too.

We got to talking and Sakura made me a huge bowl of Ramen.

Nico: Whoa! Sakura wasn't kidding about making huge bowls of ramen like that.

Naruto: (Slurping noodles) It's so awesome!

Fu: No kidding Naruto.

Jaden: That looks awesome.

Me: (Slurping noodles) Mmm! So good.

Alexis: Remember how we met?

Jaden: Boy I sure do. I was starting out as an ordinary kid and I beat Dr. Crowler.

Me: I remember hearing about that from Charlie. He was really steamed at you for loser.

Syrus: Yes that's right. He wanted to expel Jaden really bad.

Dark Magician Girl: That is bad sportsmanship there.

Jasmine: You got that right.

Zane: But it's awesome that you guys outsmarted his plans.

Me: I can't believe he didn't take losing to Jaden like a man. He should have accepted it and moved on.

Alexis: He also tried to lure Jaden into the girl dorm with a fake love letter.

Syrus: But I ended up reading it instead!

Me: That was by accident. Thank goodness Charlie was able to use his computer and forensic science skills to prove that was all fake. But then there was that one incident where Crowler hired Titan to kidnap Alexis.

Syrus: I remember that one!

Chumley: Yeah that was in the Abandoned dorm.

Jasmine: Wait that was all Crowler!?

Mindy: How can he frame Jaden like that!?

Me: He was just that steamed. But the awesome part of that was where he had the Paradox Brothers duel them.

Nico: That was awesome and the Gate Guardian they use is awesome.

Eli: And the rhymes they use are as awesome.

Chazz: If I had read that note, I would've rushed right to the Girls dorm.

Me: Yeah only to get slugged by a bunch of angry girls.

We laughed.

Hannah Fairchild: He's right on that.

Nicole: Yeah.

Me: But the scariest part came when the Shadow Riders appeared.

Bastian: That was awful.

Me: The first rider was a shocker for Alexis.

Eli: How so?

Me: His name was Nightshroud and he was the wielder of a Red-Eyes Darkness Dragon deck.

Jaden: I almost died fighting him.

Me: Yeah. But no one even expected that one to be Alexis's long lost brother Atticus.

Zane: That was a huge shock for us to see him back.

Blair: Wow no kidding.

Me: Yeah.

Blair: What were the Shadow Riders after?

Me: The 3 Sacred Beast Cards.

Hannah Fairchild: They wanted to use the powers of these cards for their own sinister agendas.

Nico: Yeah. Really nasty story.

Fiona Hernandez: And they are also the very cards me, Maria and Nicole here are slammed with.

Maria Hernandez: Yeah it's crazy.

Nicole Hernandez: Yeah.

Alexis: That's right.

Me: But the scariest Shadow Rider of them all was Camula. She was a true vampire from 1500 years ago.

Blair: A real vampire!? That is wicked.

Me: The Goths of Darkness didn't mind her.

Nico: We should have brought holy water and garlic too.

Me: Yeah. Camula wields a horror monster deck. You know like werewolves, bats, vampires, those.

Blair: Wow.

Tania: I was among their numbers. But I wasn't looking for someone's soul. I was looking for love.

Me: I remember that.

Bastian: It's true. And she and I are in love now.

Me: I remember that one too. That is so awesome.

Jaden: It sure is Bastian.

Qin: Yeah.

Eli: The coolest one I heard about was Pharaoh Abidos III.

Me: He was from 3,400 years ago.

Camie: That is cool!

Nico: Yeah and Eli is the son of Pharaoh Atem and he knows all about Egypt.

Eli: It's true.

Dark Magician Girl: That is really amazing.

Me: It sure was.

Jaden: The Dark Scorpions were among them as well. But they wanted to unlock the Sacred Beasts the easy way.

Me: Yep.

Camie: Who are the Dark Scorpions?

Me: They are called The Dark Scorpion Burglars, they are the most notorious thieves in all the of the Duel Monster World. They are called the Dark Scorpions because of the Black Scorpion Tattoo on their arms. They are Don Zaloog, Maenae the Thorn, Chick the Yellow, Cliff the Trap Remover and Gorg the Strong.

Chazz: That's right. Good thing the keys couldn't be taken.

Me: No thank goodness they didn't activate through the easy way. But their awesome thieving skills are just about as on par with the Cooper Clan.

Sly: They sure are and they would really give us some awesome competition.

Nico: No kidding there.

Eli: Yeah. But the 6th one from what I heard was Titan.

Me: Yep. He was back for round 2.

Alexis: And I beat him.

Me: You sure did.

Hannah Fairchild: And when the Dark Scorpions met you guys again, they wanted me to hand the Sacred Beasts over to them.

Me: Thank goodness that didn't happen. Because they chose you as their master.

Hannah Fairchild: That's right.

Me: But the biggest shocker for Jaden and me was the 7th Shadow Rider and who he was. His name was Amnael. But his real name was Professor Banner

They gasped!

Chumley: It's true guys. We were floored when we heard about this.

Syrus: Yeah we sure were.

Me: But we found out that Professor Banner was dying.

Alexis: Dying?

Me: He went into a cursed tomb to find the most powerful Duel Monster Cards. But the tomb was guarded by a powerful magic and it cursed him with a rapid aging spell. It was killing him at an accelerated rate and he only had years to live if not months. So he used Alchemy to make an artificial lifeform called a homonculous. But it didn't last long.

Jaden: It's true.

Me: But I used my power to cure him.

Nico: He might've been a Shadow Rider. But he grew close to you guys.

Professor Banner: That's right and I was trying to find a way to live. I didn't mean any harm.

Me: I know Professor. But at least you're around for good. And so is Pharaoh.

Lola: Yeah he is a cute kitty.

Me: Yeah. But then we faced the Leader of the Shadow Riders, Kagemaru.

Nico: Yeah he was brutal.

Me: He wanted the power of the Sacred Beast Cards to gain Eternal Youth.

Nico: But we beat him.

Me: Yes we did. But then after that came the battles that would threaten to tear the entire universe apart. The Society of Light.

Alexis: I remember them.

Nico: Yeah those were brutal.

Me: We were just absolutely shocked that Sartorius was like that.

Camie: Who was Sartorius and the Society of Light?

Tsuyu: Sounds like some kind of cult.

Me: It was a cult. It was a cult that worshiped a malevolent entity called the Light of Destruction. It was a cosmic entity that has been around ever since the beginning of time and its goal was to destroy all life in the entire universe.

Nico: Yeah it was awful. And it even was responsible for making some of the duelists turn bad.

Me: But I will say this. Chazz you looked really good dressed in white and Bastian you looked great with white hair.

Bastian: I'm glad you liked that evil me.

Chazz: Me too.

Alexis: No compliment for my white self?

Me: I'm sorry Alexis but I don't have anything. Your white self was pure evil. She had a heart of ice.

Camie: Really?

Me: Oh yeah. It was awful. Alexis's white self was as cruel as anyone I've known. Sartorius made her heart as black as night. But her deck was cool. It was based on the White Nights.

Camie: White Nights?

Me: It's a weather phenomenon in which the sun doesn't set until 10:00 PM.

Camie: That's late.

Me: It's usually up in places like Alaska, Russia, Iceland, Scandinavia, Greenland, those places.

Came: Oh.

Me: Yeah I did not like that version of Alexis. It's a total insult to the Alexis that Jaden knows and loves.

Alexis: Well it's good that you respect that J.D.

Me: Thanks. But the one that I was really amazed about was Dr. Eisenstein. Lisa likes him because his deck is all based on quantum physics around Einstein's Theory of Relativity.

Lisa Loud: Indeed.

Bastion: (growls) And Sartorious had the nerve to use him against us!

Me: He turned a lot of your friends against you. But the most infuriating to Fat Tony was him hurting Lorenzo. His father is a friend of his.

Nicole: Yeah! But I liked Lorenzo's Deck. It's based on the great starships and bosses of the game Gradius.

Me: And that was so awesome flying in one of those.

Nico: Yeah that sure was cool.

Me: But the most infuriating part was how he killed his own minions! (GROWLS IN FURY!) What a heartless monster!

Nico: Yeah he killed Blaze! All because he lost to us.

Carly Spencer: But you guys got him back on the day you met me and Mikaela.

Me: That's right we sure did. And he is walking around the Earth trying to find out more about himself. He calls it his Spiritual Center Search. He still sends me postcards.

I pulled out one and it showed that he was over at a Duelist convention in India.

Jaden: He's in India! Wow!

Me: Yeah.

Nico: At least he's keeping us up to date on his progress and travels.

Me: Yeah. But then after we faced his minions we then faced Sartorius with everything we got. His deck was a Tarot Card deck.

Felicia Terrington: It's true. It's what me and my friends are as gene-slammers.

Sylvia Starron: We have the ability to see into the future and it's very fitting for all of us.

Sophia Starron: I agree there.

Lola: That is awesome.

Yubel: I think it's awesome too.

Nico: That was after the Royal Defenders war.

Me: Yeah it sure was. I'll never forget that.

Carly Atlas: Boy none of us will.

Me: Yeah.

Alexis: Yeah those were all something.

Me: Yeah.

Camie: Wow! You guys went on lots of amazing adventures!

Jaden: Yeah we sure did.

Lola: Many of them were all absolutely unforgettable.

Yubel: Good thing I didn't go insane.

Me: Yeah. Who knows what would have happened.

Eli: I don't want to think about that. (Senses something) Uh oh. We got company.

We then saw a figure come out and it was a scary version of the CARRANGER RED! It was ANOTHER CARRANGER RED!

Me: Whoa man! This is the Japanese Turbo this time.

Nico: The one before Fiveman right?

Me: Yeah.

Nico: Can we just call it Japanese Turbo?

Me: That fits.

Nico: Good.

Me: Okay you Japanese Turbo nutjob, who are you!?

Another Japanese Turbo: (In a boys voice) You should know that

J.D.!

Me: Oh great! I didn't expect it to be him.

He reverted back and it was a black hair kid dressed in black Kung Fu clothes and he had blue eyes.

Me: Kyodai Lawrence!

Kyodai: I'm impressed you remember me my friend.

Me: Been a long time since we saw each other.

Nico: You know him?

Me: Me and Kyodai went to the same Kung Fu Dojo and we trained under the same Kung Fu master. We were both very skilled in numerous forms of the Kung Fu arts. But then came the day that Kyodai developed his hatred over me for. Our sensei Master Yen, had us fight each other and I won. He gave me the highest ever belt, the 9th Degree Dragon Belt, and it pissed off Kyodai so bad that he developed a massive hatred towards me and he vowed to get stronger so that one day he would regain the honor that I "Took" from him.

Nico: Wow! I didn't know you went to the same dojo he did.

Me: Yeah.

Kyodai: And I swore that I would get my revenge!

Nico: J.D. beat you fair and square!

Me: Yeah! And you should remember that Kung Fu should never be used to get Vengeance! It's only for honor.

Eli: Yeah!

Nico: And don't call us hypocrites because of what happened with 2012 Shredder. That couldn't be helped!

Me: Yeah! It won't work!

Kyodai: You and I still have a score to settle J.D.!

Me: I accept your challenge old friend. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kyodai turned into ANOTHER JAPANESE TURBO!

We bowed in respect and then we went at each other and then punched and kicked and pulverized each other all over the place with incredible brutality and more and I punched Another Japanese Turbo in the face and kicked him in the stomach and kicked him in the face again and sent him crashing into the ground.

Nico: Save some for us!

Me: No guys! This is my fight. It's me he wants and no one else. I know all of us together would win but this is a matter of settling some old scores.

Nico: Well okay. We will respect your wish for this.

Me: Thank you.

He went at me some more and I recognized the techniques he was using and I deflected them all over.

Me: You have gotten stronger Kyodai. You learned tons of new techniques that not even Master Yen would have even dream of.

Another Japanese Turbo: So have you J.D. But top this one!

He held his hands out and formed a deadly energy blast and he threw it at me and I deflected it high into the sky!

Me: Whoa! You learned how to use the Thundering Fury Blast! That's a Technique not even Master Yen would do!

Another Japanese Turbo: Yes. I learned it from another master.

Me: All right then. Try this on.

I formed an energy disk and it was made of lightning!

Me: LIGHTNING INFINITY DISK!

I threw it and it hit Another Japanese Turbo and electrocuted him all over!

Another Japanese Turbo: Not bad!

Me: I'm just getting started.

Another Japanese Turbo: So am I.

He went at me again and I kicked him into the air and flew at him and he fired more energy blasts at me and I dodged them all and the blasts hit the ground and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! What power!

Eli: Unbelievable!

I teleported and kicked him in the face and then grabbed him and threw him into the lake.

I landed.

He then got up.

Me: That blast has as much power as a Kamehameha Wave. Very impressive!

Another Japanese Turbo: You like that huh.

He went at me again and I dodged his strike and then kneed him in the stomach and then smashed him into the ground and then he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught his Ridewatch and purified it. The Japanese and American Turbo Rangers were the same and he had no weapons on him.

Nico: Well, we got the kind of weapons the Japanese Turbo Rangers have.

Me: Yeah.

I went up to Kyodai and I held out my hand.

Me: Kyodai listen. I didn't steal your honor that day. It was part of the code of Kung Fu. And it was all a test to see who was worthy to get the belt. I didn't mean to hurt you like that. I was trying to show you that you can be the same like me too. You trained really hard to get where you are at and I'm really proud of you for it. You were a great Kung Fu partner and I will always have a place in my heart for you. But the path that you are walking down is one that you can't turn away from. So please, don't follow the path that so many villains have fallen down towards. I don't want the same thing to happen to you my friend.

Kyodai: But you hurt me that day.

Me: It was because it was a test. It was not the real fight. It was a test. He wanted to see if we were ready for the next level.

Kyodai: I didn't understand back then. I'm so sorry J.D. my brother.

Me: It's all right Kyodai.

I helped him up.

Me: But I'm really proud of how far you have come.

Kyodai: (Smiles as tears stream down his face) Me too brother.

We hugged.

---

Later at the mall, we were there for some lunch after a great day of shopping. When suddenly we saw a photo booth.

Gulper: A photo booth!

Me: Awesome! Want to have some pictures taken Camie, Misty?

Camie: Sure!

Misty Tredwell: Lets have some fun.

Poromon: Cool!

Poliwag: We'll go first!

Akiza: (to the mascots) Have fun, guys!

The Mascots went first and they took some awesome pictures! They did ones with funny faces, the mascots kissing and more and even some funny poses and more and it was awesome. Their photos came out and there were four of them.

Kickback: Nice photos!

Poromon: Thanks.

Poliwag: These are awesome too.

Me, Misty and Camie went next and we did the same things and it was awesome.

Our photos came out and it was cool.

Nico: Nice!

Nico and May went next and they took amazing photos!

All of us went and done awesome photos.

Cliffjumper: That was a nice photo booth.

Nico: It sure was.

Qin: Yeah it was. These photos are going into our albums.

Nico: Yes they are.

Onewa: Yeah those are awesome.

Lola: Yep.

Onewa: Lets get ready for my mission next.

Nico: Good idea. Lets go.

We went back home and got ready for an awesome adrenaline rush mission.

We arrived and we were getting ready.

Shego: I wonder how the Drive team are doing.

Me: We'll find out when we get there.

Nico: And we're going to drive our cars there.

Me: Awesome! I have a feeling this is gonna be a driving battle. And it'll be perfect for demonstrating our new mods we made.

Nico: Cool! What are they?

Me: Me and Lisa modified our cars to use the legend items.

Nico: Awesome!

Eli: Oh this is gonna be cool!

Qin: Yeah!

Laney: I can't wait to see what we can do in our cars.

Then Johnny 13, Bizarro, Fireor, Six Gum Gang, Griffin, Ragdoll, Dumbbelltron, Touch & Go, Melter, and Black Spider appeared.

Johnny 13: Can me Bizarro, Fireor, Six Gum Gang, Griffin, Ragdoll, Dumbbelltron, Touch & Go, Melter, and Black Spider go with you guys? I'll even ride my bike the whole way.

Nico: Yes you all can.

Qin: We're going to take our cars to Japan and we're going to battle with them and test new mods for them too.

Ragdoll: Cool!

Eli: Yep. We put in Legend Item Weapons for them.

Lola: It's gonna be awesome!

Nico: It sure is.

Tso Lan: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet a gene-slammer for the Lightning Elemental next.

Eli: Ooh! A shocking one.

Me: Yeah that will be awesome.

Nico: Yep! Lets head to the garage.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Surtur, and he's coming after Lincoln after finding out that The Twilight Sword has chosen him yesterday, and he's incredibly pissed off. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Surtur coming after us?

Lincoln: You got that right, Nico, and it's just like I predicted yesterday. I knew that fire demon would get that mad as soon as he found out that his Twilight Sword has rejected him, and has chosen me to be its' chosen wielder, but like I said, I refuse to let that monster get away with his crimes.

Onewa: And like I said, it'll be me and Lincoln against the Fire Demon, Surtur, and we'll see to it that he pays for his crimes against the Asgardian Gods, along with trying to start Ragnarok.

Nico: You said it, Onewa, that Fire Demon's looking at getting frozen and destroyed, and his evil soul along with his wretched followers will be sent to The Black Gates forever. Alright, gang, let's go, it's time to meet the Drive Kamen Riders, and put an end to one of their big enemies.

Lincoln: Let's put the pedal to the metal and gun it! And you better be ready for later, Surtur. Your crimes against Asgard and the entire universe have gone unpunished for far too long, and we will see to it that you and your entire Fire Demon army are extinguished for all eternity.

We went to the garage and got in our cars and we were off.

Kia: Japan here we come!

Me: Yeah!

We went down a rainbow highway to Japan.

* * *

We arrived.

At the station we pulled in.

LA CUCARACHA HORN HONKS!

We pulled up.

Me: Hey guys!

Onewa: Nice to see you all.

Genpachiro: Awesome you guys are here!

Onewa: Same here.

Genpachiro: May! Manaphy! Glad you're back!

May: Thanks, Gen! How have Shinnosuke and the others been?

Runt: (sees Genpachiro's face get serious) Did something happen?

Genpachiro: (sighs and gets out Wanted poster) It's best if you guys see for yourselves.

Lunk: I'm sure it's not that bad.

We saw that he was a wanted fugitive!

Manaphy: WHAT?! CHASE IS A WANTED FUGITIVE?!

Me: "Wanted by the City for Crimes against Public Property!?" What the fuck!?

Nico: I don't buy it!

Me: Chase did work for the Roidmudes before he was redeemed.

Onewa: There's no way Chase would do this!

Genpachiro: Trust me. I don't believe it either.

Wilbur: Where are Shinnosuke and the others?

Genpachiro: They're fighting Another Roidmude. Chase is with them. But you guys better hurry before the other officers gun him down.

Goof: Somehow, I don't think that's the worst thing that could happen!

Me: No I sense something big coming.

Nico: Lets roll!

We went into our cars and we were off.

We saw them fighting ROIDMUDE 096!

Me: That's Roidmude 096!

Nico: Here we go!

Me: Watch this!

I put Firepower's Ridewatch into a slot and then numerous missile and laser blasters popped out.

Nico: WHOA! Firepower's Ridewatch!

Me: Yep. Watch.

I fired lasers and missiles and they all hit 096 and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

We pulled up.

Me: Hey guys!

Onewa: Nice to see you all.

Shinnosuke: Awesome you guys are here!

Go: Yeah!

Chase: Thank goodness you arrived. I didn't…

Me: We know that wasn't you Chase. Hurry hop in!

He did so and we went back to the station.

We arrived back.

Manaphy: (hugs Mr. Belt) I missed you, Mr. Belt!

Dumbbeltron: (laughs) Manaphy really missed you.

Nico: (Laughs) We can see that.

Mr. Belt: I missed you too Manaphy. Awesome to see you again.

Manaphy: Yeah!

Me: Chase we're so sorry this is happening to you.

Lynn: Believe me Chase, I know how you feel.

Chase: Really?

Lynn: Yeah it's an ugly story.

She told him what happened to her in the events of chapter 1131 and it was not pretty.

Chase: Oh my god.

Nico: Yeah. That was awful.

Babs Seed: We want to thank you guys for helping out against Yobuko.

Hitoshi: Yeah we owe you guys big time.

Shinnosuke: No problem Hitoshi.

Me: And we've been really busy over the last few weeks since we last saw each other.

Qin: Yeah we sure have. You guys are number 6 on our 13 Kamen Rider Days.

Me: And this makes you Number 10 over all.

Go: Wow! That is awesome! You guys have 9 Rider Teams on the team now!

Lola: We sure do. And we closed out the halfway mark with the Gaim Team.

Eiji: That was awesome.

Kouta: It sure was.

Me: Yep.

Go: How have Medic and Heart been doing?

Me: Really awesome and they are loving being in our frenemies.

Wait. (Realizes something) Oh shit! I knew it was him! I knew Banno was up to something!

Go: My so called Dad's up to no good again?!

Dixie: You got a terrible daddy, Go!

Me: That is the understatement of the day.

Izuku: Who is Banno?

Me: His name is Tenjuro Banno and I hate this guy with EVERY FIBER of my being. He goes by Kamen Rider Gold Drive.

I went over his history and it was horrible.

---

Tenjuro Banno is the creator of the Roidmudes and the main antagonist of Kamen Rider Drive. He was a scientist who was Go and Kiriko Shijima's birth father and a friend of Krim Steinbelt.

He originally worked with Krim Steinbelt to design the Roidmudes, which he envisioned as robots capable of "evolving" to become more humanlike by experiencing human emotions. However, Banno soon began mistreating his creations, and after Krim discovered Banno was torturing them, he ended their partnership and the two split up. Banno's abuse of the Roidmudes eventually led to them rising up and killing him, before attempting to take over the world in an event known as the "Global Freeze".

Secretly, Banno survived by preserving his consciousness in a tablet and later tricked his son Go into releasing him, allowing him to go forward with his plans. After kidnapping Mr. Belt, Banno created a knockoff of the Drive Driver to download his consciousness into, dubbed the Banno Driver and used it to transform into Gold Drive after possessing Roidmude 006. His ultimate goal is to use Sigma Circular to become god by digitizing the entire world and force everyone to bow down to him.

He was portrayed by Masakazu Morita, the voice actor who is famous for the voices of characters like Ichigo Kurosaki from Bleach, Marco from One Piece, Ri Shin from Kingdom, Tidus from Final Fantasy X, Auel Neider from Mobile Suit Gundam SEED Destiny and Pegasus Seiya from Saint Seiya Hades: Chapter Inferno. Past

Banno was once the lab partner and close colleague of Krim Steinbelt. He originally conceived of the Roidmudes as robots with the capacity to develop into being humans through experiencing human emotions, but while he was working on them their development became stunted. Banno asked Krim Steinbelt for help with completing the Roidmudes, so Krim provided Banno with the prototype Core Driviars to use for them, granting them the capacity for evolution.

At some point, Banno dated Sumiko Shijima and fathered two children with her, Kiriko and Go. It is unknown if the two ever got married, but they eventually split up, likely due to Banno's abusive nature.

Banno later met with a young entrepreneur to persuade him to fund the Roidmudes, but when the young man, a furious Banno activated Roidmude 002 and forced to assume the investor's appearance so he could torture 002 as if he was the real businessman. Krim later walked in on Banno torturing 002 with an electric cattle prod and rescued him, shocked at what Banno was doing. Banno told Krim that he was just testing out the Roidmudes' pain receptors, but a disturbed Krim refused to hear it and, after saving 002, criticized Banno for committing such a malicious act and ended both their friendship and partnership. Seeking to get back at Krim, Banno implanted an evil chip in all of the Roidmudes containing negative emotions.

As a result of Banno's actions, the Roidmudes rose up in revolution against their creators. Banno was killed by Roidmudes 001, 002 and 003, who went on to murder Krim as well. However, Banno also secretly stole Krim's technology for uploading minds and, while his body was destroyed, he was able to upload his consciousness into a tablet computer that 003 had taken.

Go later found out that the Roidmudes were in possession of his father's mind and decided to go undercover to save his father. He joined up with Freeze and Brain to get close enough to them to steal the tablet and, with help from Chase, he took Banno from Brain and escaped. Banno at first proved helpful to the Riders, assisting them in ways such as providing them with information and healing the infection Yukari had gotten from the Thief Roidmude. Upon discovering that Banno was back however, Mr. Belt immediately expressed his distaste for Banno and refused to work with him, surprising the Riders and the Special Investigation Unit.

Despite Go and the others' trust in Banno, it soon turned out that he was actually manipulating them to achieve his own ends. After gaining control of one of the Ride Boosters, he uses it to attack the Riders and trash the Drive Pit. Once Shinnosuke was kncoked off a cliff, Banno had his secret agent, Roidmude 004, steal the Drive Driver from him. Banno and 004 brought Mr. Belt to a secret hideout, where they used a makeshift lab to copy the Drive Driver's schematics. With the stolen data from Drive Driver, Banno was able to successfully transfer his will into a brand new Driver he called the Banno Driver.

Banno later approached Medic as she was trying to reach her Super Evolution and offered his help. When the Riders showed up, Banno possessed her to fight them but was torn off by Heart. Before Heart could do anything though, Banno shot out energy tentacles before slipping away. Roidmude 006 went after him with six other Roidmudes, but Banno tore out his core before possessing his body and using it to transform into the powerful "Gold Drive", demonstrating his power against the other Roidmudes and Mach. Faced by Go, Banno confessed that he never loved him and always saw him as a tool before departing.

As Medic was still seeking a way to Super Evolve, Gold Drive approached her again and offered to reset her back to before she healed the other Roidmudes so she could experience again the emotion that allowed her to evolve the first time. Medic agreed and allowed Banno to operate on her, but Banno secretly lobotomized Medic as part of his reprogramming in addition to giving her the ability to Super Evolve. With Medic as his puppet, Banno blackmailed Heart into submitting to him and became leader of the Roidmudes. In exchange for their obedience, Banno stated he would restore Medic and help Heart with his plans, noting that as Gold

Drive he was the only other being capable of joining with them to complete the Promised Number. However, Heart worked to thwart Banno's plans by ordering Brain to go on the run so Banno couldn't use him to complete the Promised Number. Eventually though, Gold Drive and 004 were able to track Brain down. Brain voluntarily submitted to Banno and agreed to help him complete the Promised Number. The four Super Evolved Roidmudes all gathered beside a lake, guarded by Low-Class Roidmudes and Reaper Legionnaires. Gold Drive also sent out a tip to the SIU in order to lure them there so he could take out all his enemies at once. As the Riders fought the Low-Class Roidmudes and Reaper Units, Gold Drive joined with the other Roidmude executives to begin the Promised Number, using a device he devised purportedly as a stabilizer to ensure the Promised Number would go more safely. During the ritual however, Banno attempted to use Medic as a countercurrent for the excess energy, but Brain sacrifices himself to take her place and be destroyed instead. After the Promised Number was completed, Banno revealed that the "stabilizer" he used was actually his ultimate creation, Sigma Circular, and that the true purpose of the Promised Number was simply to power it up. With that, Banno exits the scene while 004 self-destructs to cover his escape.

Gold Drive and the remaining six members of Reaper Legion then took over the SDCC building, planning to use it as the point to stage a second, worldwide Global Freeze. The Kamen Riders stormed the building to stop Sigma, soon joined by Heart and Medic. After destroying the three Reaper Units guarding the path to Sigma, the Riders and Roidmudes are confronted by Gold Drive. While Drive, Heart and Medic went on to stop Sigma, Gold Drive faced off against Mach and Chaser. Despite the best efforts of the Riders, they were unable to stand up to the power of Gold Drive and were defeated. After knocking Chase into a wall, Gold Drive moved to finish off Go, but Chase got in the way and took the brunt of the attack instead. Fatally wounded, Chase attempts to self-destruct in order to finally defeat Banno, but Banno survives.

As Gold Drive mocked Go and Chase's sacrifice, a furious Go used the Signal Bike Chaser to become Kamen Rider Chaser Mach. Shocked that his son was able to obtain such a form, Gold Drive was unable to hold his own against Mach's onslaught. He attempted to paralyze Mach, but Chase's Chaser Viral Cores undid the paralysis by merging with the Rider's armor. After being beaten down, Gold Drive/006 was defeated by Chaser Mach with a Rider Kick, destroying 006's body and knocking the Banno Driver off him. Despite being damaged, the Banno Driver remained intact and Banno still existed within it. As Sigma began the process of converting every human being on Earth into data, Banno attempted to transfer his data to Sigma only for Go to go to finish him off. Banno pleaded with Go to spare him, saying that his genius was needed for humanity, but Go refused to listen. Unable to preserve his data in time, Banno was finally killed by Go using Shingou-Ax's Full Throttle to shatter the Driver.

When I was done everyone that hadn't heard about it was shocked, horrified and infuriated at what he was gonna do!

Aylene C.: He's pure evil!

Lola: If we let him live he will cause more problems!

Me: That's why we're going to kill him and give him the Black Gates.

Cozy Glow: But how did he turn into Chase?

May: He probably used a Dark Orb to amplify the shapeshifting powers most Roidmudes have.

Me: Hmm.

I turned on my radar and it showed the Dark Orb in the middle of the city moving really fast.

Me: Yep he's moving really quick. He's located 10 miles north northwest.

Nico: Wow.

Eli: No way he can be in 2 places at once.

Qin: So he's framing Chase to make him look like a criminal.

Xenia: What a monster.

Go: That's why he is a devil.

Ragdoll: Who else might be with him?

Shinnosuke: Probably the Paradox Roidmude

Me: Then that must be our secondary target.

Nico: Yeah.

Me: I have just the place for the battle we can have.

Overload: We can battle on my home planet Velocitron.

Nico: The Speed Planet is perfect for it.

Qin: Yeah.

Poromon got out 3 beer bottles.

Shinnosuke: What are those?

Poromon: 3 bottles of beer!

Strut: To be fair, some of your team are adults.

Me: He's right on that.

Shinnosuke: That's true. But I don't drink. But Digimon and Pokemon that drink?

Me: Don't fucking ask.

Qin: We're sorry this is happening to Chase. But we're not going to let Banno get away with his crimes.

Laney: And he will pay for it big time.

Me: That's for sure.

Go: Ok, Poromon. Why don't you save those for later and-

Poromon: No! This is my beer!

Nico: Poromon share.

Poromon: Oh fine.

Me: Good.

He put them in the fridge.

Me: Besides we got more important things to worry about.

Eli: Yeah.

Kiriko: You know what? I'll take a sip. With what's going on, I could use one.

Me: Don't say we didn't warn you.

Kiriko: What's the worst that can happen?

Nico: Don't ask that question.

She drank some and then she drank the whole bottle and then she was drunk.

Kiriko: (Slurred Speech) I am so worthy of being the Plow Queen. (BARNEY BELCH)

Barney: Welcome to the party Kiriko! (BELCH)

Qin: Jeez! If this keeps up we're going to have a team FULL of drunks.

Homer: You got that right. (BELCH)

Me: I think you've had enough Kiriko.

I snapped my fingers and she was back to normal.

Kiriko: (GROANS) What a headache.

Me: Hangover.

Griffin: Shinnosuke, can you explain who the Paradox Roidmude is?

Shinnosuke: I sure can.

He told us that he was the scariest and most powerful of the Roidmudes. He was #108. A Beyond 100 Roidmude as I call it. He went over his history.

---

Paradox Roidmude, formerly known as Roidmude 108, is the main antagonist of Kamen Rider Drive: Surprise Future, the a summer movie of Kamen Rider Drive, and a minor antagonist in Kamen Rider Zi-O as Another Drive.

Technically, there are two Roidmude 108s; one is from the present timeline of Kamen Rider Drive who is imprisoned by other fellow Roidmudes because of his behavior, and the other one is from a future timeline. The Future Roidmude 108 is the main villain of the film, who merged with his past counterpart and became the Paradox Roidmude in order to start a new Global Freeze out of time paradox.

He disguised as Eiji after killing him to take his Rider Driver, which he used to transform into Kamen Rider Dark Drive. Under the disguise, 108 made facade that he was going to ask for help from his father, Shinnosuke, while keeping his Dark Drive form separated from him but still activating, as if Dark Drive was chasing after him.

As the present day 108 and Paradox, he is voiced by Rikiya Koyama, who also voiced Kamen Rider Bujin Gaim, Oma Zi-O, Kagetane Hiruko and Kiritsugu Emiya. As Eiji, he is portrayed by Mackenyu. As Krim and Dark Drive's autopilot, he is portrayed and voiced by Chris Peppler, who also portrayed the real Krim and Roidmude 004. While disguised as Ora, he was portrayed by Ayaka Konno.

Kamen Rider Drive: Surprise Future

The Future 108 was revived due to the results of Krim's berserk. He escaped and murdered Eiji Tomari, who is Shinnosuke's son and the future's Kamen Rider Drive, to steal his Rider Driver to become

Kamen Rider Dark Drive. While pretending to be Eiji, 108 also disguised as Krim Steinbelt to make an announcement, pinning everything on Krim and painted his motivation as impure, before declaring that the era where Roidmudes rules shall come. Then, disguising as Eiji, he lied to his friends and managed to get back to the present timeline, where he could proceed with his plans.

After meeting Shinnosuke while disguising as Eiji, the future 108 began his move, starting by taking his minions, the number-less Future Roidmudes, to the present timeline. By exploiting Mr. Belt/ Krim's berserk state, which was formed after Tenjuro Banno and Roidmude 004 rigged his system, 108 successfully framed Shinnosuke and destroyed Krim via his hands.

After faking his death and making Shinnosuke to begrudgingly smash Mr. Belt with Chase's Signal Ax. However, after the death of Krim, "Eiji" revealed his true idenity as Roidmude 108 and Kamen Rider Dark Drive at the same time. 108 fused with his Dark Drive armor once more and attacked Shinnosuke and Chase. Chase managed to cover Shinnosuke to escape, before lending him his Mach Driver.

Shinnosuke later followed the note written by Mr. Belt and arrived in a place with an amazing collection of cars. There, he reunited with Kiriko, who desperately tried to prove his innoncence but to no avail. However, they were attacked by Dark Drive and were forced to escape from Future Roidmudes. Shinnosuke tried to transform using Chaser's Signal Bike, but he can't, forcing him to using the Tridoron Key for transforming in Super Deadheat and fighting the Roidmudes, destroying one of them. Kiriko later persuaded the police to believe in and help Shinnosuke.

Shinnosuke went on chasing the escaped Dark Drive to where the latter's present day counterpart were lie dormant, while the remaining Future Roidmudes were destroyed by Gou, Chase… and later Takeru Tenkuji/Kamen Rider Ghost, who arrived all of a sudden to destroy a Future Roidmude before disappeared suddenly.

Dark Drive arrived in the factory where the present Roidmude 108 lied in dormant, but Shinnosuke appeared to stop him and fought against him in his Kamen Rider Drive transformation. However, without Krim's assistance, Shinnosuke was defeated by the Dark Drive, and the present Roidmude 108 was awakened. Abandoning his Dark Drive Shift Car, the Future 108 introduced himself to his present counterpart, and they quickly work together. The two counterparts of 108s began to fuse together and become Paradox Roidmude, in order to start a new Global Freeze. Shinnosuke was defeated but was saved by Gou.

At that moment, Shinnosuke remembers about the Tridoron Key, which was use to revive him and Mr. Belt to defeat Freeze Roidmude. He recovered the Future Drive Driver, and, alongside the Tridoron Key, he got success in reviving Mr. Belt, who actually had this plan on mind. Later, Shinnosuke proceeded to transforming in Drive to fight with Paradox, but he gets the effect of the Heavy Acceleration.

Thankfully, Kiriko - while possessed by the real Eiji's subconcious - throws him the Dark Drive's Shift Car, saving Shinnosuke. After an encounter with his son's hologram, Shinnosuke proceeds to transformating in Drive Type Special, which combined his Drive armor and his son's Drive form. Using this fusion form, Shinnosuke fought against Paradox and destroyed him with a Rider Kick, ending the threat of Roidmude 108 and the dystopia future he created forever.

With the demise of 108, the dystopian future caused by him no longer existed. It was implied, and finally revealed, that Eiji's mother is Kiriko, whom Shinnosuke married at the finale of the series and gave birth to Eiji later.

---

When he was done we were shocked!

Me: WHOA! Eiji you are Kiriko and Shinnosuke's son!?

Nico: WHAT THE FUCK!?

Me: Wait a second! I remember that! That was a very shocking revelation when I saw that.

Eiji: Wow no kidding!

Lola: Yeah!

Leozack: There has to be some way to prove Chase's innocence.

Shinnosuke hummed as he rubbed his chin.

Eddy: Dude, something wrong?

Manaphy: Shh. Shinnosuke's thinking.

Me: It's his think face. I call it the Drive Version of Dr. House.

Nico: Ooh. Nice.

Shinnosuke had a mental connection, seeing all the clues and connected them in his mind.

Shinnosuke: My brain is in Top Gear. (to Sunset) Sunset, you can read memories, right?

Sunset Shimmer: I sure can.

Mr. Touch: I get it. After Sunset reads his memories of the last week-

Mr. Go: -we can find a way to broadcast those memories to the world!

Me: Awesome! Good thinking.

Lisa Loud: Luckily I came prepared for that.

Lisa pulled out a Memory Projection broadcasting device.

Qin: Wow what's that?

Lisa Loud: My latest invention. Behold the Memory Broadcaster.

Nico: Ooh. Cool.

Eli: Awesome.

Carly Atlas: I always thought that we needed a device to broadcast memories.

Nico: Well luckily Lisa thought ahead.

Me: She sure did.

Shinnosuke: Lisa sure is a smart kid.

Me: I've known her for over six and a half years and she has an amazing gifted mind.

Qin: Yeah she sure does.

Nico: Lisa proceed.

Sunset went over to Chase and Lisa put the broadcaster on Sunset's head and activated it and Sunset touched him and we saw The Real Chase out destroying Roidmude #42 and then Banno disguised as Chase was destroying jewelry shops and banks!

Black Spider: We need to get this to the entire world right away!

Me: Way ahead of you.

I pulled out a camera and showed the memory we saw to the world and the people of Japan were shocked! Not only confirming Chase's alibi but also clearing his name and implicating Banno as the TRUE CULPRIT!

Nico: Banno's goose is cooked!

Fluttershy: Oh I don't like that saying.

Me: Fluttershy it's another figure of speech. It means that he is in big time trouble.

Squidward: Shinnosuke, before we discuss anything else, is Type Speed really your default form?

Shinnosuke: You know I haven't really thought about it.

Qin: Good question.

Me: They all are really cool though.

Lola: I think so too.

Mr. Belt: Yes, Drive Type Speed is Shinnosuke's default form. But he can use others as well.

Melter: Including Type Dead Heat.

Me: That answers that.

Lola: Yes it does.

Viceroy: (Randy Cunningham) The best part is that we brought the Batmobile.

Batman: It already was capable of firing weapons even before today.

Me: We brought all our cars and we modified them to use all the Legend Items we got.

Lola: Yep we sure did.

Qin: That is so awesome.

Camie: I think it sure is cool.

Fireor: What do you guys say we start the usual battles?

Me: Good idea.

Nico: Yep and it'll give us a chance to show our power.

Qin: I always get a thrill out of this.

Me: But first this, Nico what Ridewatches do you have for us?

Nico: Oh right. But first, here are some Ridewatches!

Nico revealed Ridewatches for Swampfire, Humungousaur, Jetray, Big Chill, Goop, Alien X, and their copies.

Nico: I also have Blueprints planned for the Ridewatches of Echo

Echo, Chromastone, Brainstorm, Spidermonkey, and their copies.

Me: Ben's second group of Alien's from his DNAlien hunting time. Awesome!

Laney: And Alien X is the most powerful one.

Qin: Yep.

Dustin the plane, Lindsey Hollywood, Sona - Littlefoot's mother, Emma (ELGVTWD), Maureen Connor A.K.A. Permafrost, Edith Norris and Carla Wong III for the copies. Dante Vale, Ghost Rider, Koji, Ulrich, Stacy Bolton, Julie Yamamoto, Jake Long, Raiden, Zoe, and Ace Bunny For the core members.

We went outside and then Vypra, Dai Gui, Evil Seed, Aqueduct, Mirror Master, Zavok, General Schwarz, 10,000 Volt Ghost, Ryugu Tamatebacco, and Pterodactyl Ghost appeared.

Nico: Vypra, Dai Gui, Evil Seed, Aqueduct, Mirror Master, Zavok, General Schwarz, 10,000 Volt Ghost, Ryugu Tamatebacco, and Pterodactyl Ghost.

Shinnosuke: So, you're the leader of the Masters of Evil.

Vypra: That's right.

Dai Gui: She's a damn good boss as well.

Evil Seed: I also think Brain should be included in the Masters of Evil as well.

Me: I agree there too.

Aqueduct: (to Nico) We heard you went to Lynn's Table.

Nico: Yep.

Mirror Master: How was it?

Me: Awesome breakfast.

Nico: It sure was.

?: That's cool.

A figure came out and it was Baka from the Gekiranger VS Boukenger movie!

---

Baka was first seen when DaiVoyager arrived at the Confrontation Beast Hall and Mele asked if there was anyone around to stop it. They had come to find a Precious, one of Pacacamac I's ultra-powerful jewels. According to Mele, he was renowned amongst those in the Rinjuken for getting unwell the least often. He instantly grew giant and tried to finish it with a tickle attack to no effect. Whilst Sakura infiltrated the Beast Hall, DaiVoyager blasted Baka with it's cannons whilst Bae narrated. However, he was mostly unfazed and used his halving attack to entrap DaiVoyager and force it to shut down. He then shrunk down and retreated.

Baka later re-appeared when both the Boukengers and Gekirangers teamed up and confronted Mele and Rio in the quarry, stopping them from going after the two when they left. Eji transformed ton distract him whilst they pursued but Gou and Ken arrived in GekiWolf, allowing the others to pursue the other villains as they took on Baka. Ken gained the upper hand against Baka with his Knife-Hand SaiBlade and Eji hit him with a Sagaslash but he was unfazed (apparently having only being put to sleep by it). He then produced a comically sized hammer and demorphed the trio and pursued the others. He arrived shortly after Pachacamac XII was released by accident by Sakura and tried to follow Mele and Rio (who went after him for his jewels) and followed them into the statue which then closed. However, Pachacamak brainwashed him and showed them off before going on a rampage and forcing him and his masters to fight the Gekirangers and Boukengers. After Mele took down the girl Rangers, Ken tried to blast Baka with his missiles but the monster was unfazed and even fire from Sota's Survi-Buster and Eji's Sagasniper had no effect. He then rammed all three down and took them down with a blast of snot when they recovered.

Luckily, the entire team rallied so Ken changed his Sai-Blade into Cutter Mode whilst Souta raced in with his Survi-Sniper blade mode and Eji with his Sagasniper, all striking at once and wiping out the monster. Pachacamac soon joined him, having been defeated by Satoru and Jan and Mele and Rio having fled as thier defeats released the mind control. Satoru then summoned the Dual Crusher, the main three Gekirangers summoned the GekiBazooka, Gou powered up his Brace GongChanger, Ken produced some missiles from his Knife-Hand SaiBlade, Eji charged up his Sagasniper, and the remaining four Boukengers summoned thier Survi-Busters in Sniper Mode before combining thier finishers to take down Pachacamac and Baka. Although Pacacamak survived it with basically little more than a scratch, Baka was destroyed instantly, just barely being able to complain about dying before exploding.

---

Eli: Baka! I remember you! You were sent to find a Precious, one of Pacacamac I's ultra-powerful jewels.

Baka: That's right. Good memory Eli.

Eli: Thanks.

Baka: Too bad I wasn't adapted in America.

William: I know! There's nothing wrong with Hippos.

Camille: Dai Shi actually was considering on a Rinshi with the spirit of the Hippo. But those plans were scrapped when Jellica tried to dispose of him with the Phantom Beasts

Me: I remember that! That was crazy,

We got the usual battles underway.

---

Luan Loud, Princess Celestia, Amber Morning, Light Skylanders, Selia, Natilee, Shego and William VS Vypra - Nico's rescue was breakfast

Core Medals: Vypra, Gypsy Moth and Magma Gloom

Fullbottles: Vypra and Gypsy Moth

---

Vypra was first.

Vypra: (to Luan) Nico's rescue was breakfast. I hope he enjoyed it.

Luan: He sure did and it was an awesome steak and eggs and pancake buffet. It was really EGG-ceptional! (LAUGHS) Get it?

They laughed!

Vypra: (LAUGHS) That was a good one.

Princess Celestia: (LAUGHS) That was funny. But it sure was tasty too.

Amber Morning: Yeah it sure was. It was delicious. Even the pancakes were just as good as moms.

Spotlight: The Ripping Friends loved the steaks too.

Selia: (Irish Accent) Those were really good too lads.

Natilee: They sure were awesome.

Vypra: Glad you guys had a good time. Awesome way to celebrate the halfway mark. Lets do it!

Luan: Okay! We're doing Fullbottles and Core Medals for this series of battles next. Here we go.

She put in the Core Medals for Vypra, Gypsy Moth and Magma Gloom!

The sword she had glowed a powerful volcanic hot red and she grew beautiful moth wings!

Vypra: That is beautiful!

Luan: It sure is!

They flew into the air and Luan and Vypra clashed powerfully and sparks and flames and lava globs flew all over. They slashed at each other and broke away.

They laughed some more!

Vypra: Good one! But that was cool!

Luan: Yeah it was! Lets see here.

(HIDE AND SEEK BY WEST OF EDEN PLAYS)

Luan: (SINGING DIVINELY AS LIGHT SWIRLS AROUND HER)

Down in the fisherman′s garden

Down in the fisherman′s garden

We used to play hide and seek

I can still hear my voice counting to ten by the tree
You were the boy with the fast feet
Always the last to be found
I was the girl who could run without making a sound
And though it was long ago
It seems I still look for you
Though it's so long ago
I’m still searching
The lingering feeling of magic
That always surrounded us there
And then a fragrance of violets and rain in the air
The sound of your steps in the gravel
Smoke from the fisherman's pipe
These are the memories that keep me awake in the night
And though it was long ago
It seems I still look for you
Though it's so long ago
I’m still searching
Last night I found myself sitting in the attic
Going through the pockets of my old clothes
I found a piece of bark from the fisherman’s tree
And thought of you and me

And though it was long ago

It seems I still look for you

Though it's so long ago

I′m still searching…

She danced and fired waves of light and smashed her down.

Apple Bloom: It sure was cool.

Flashwing: I thought it was fun too.

Seto Kaiba: It was but none of us were expecting to face a small alien like that.

Priestess with Eyes of Blue: It was a cool one to see though and the gene-slammer that we met had a math problem she figured out that was so complex that it made J.D. crash.

They laughed!

Kisara: It was really funny to hear about.

Cornelia: WHOA! That was strong!

Flashwing: WOW! Good thing that earthquake was only here in this area or it would have caused massive damage.

Dai Gui: But that was amazing.

Cornelia: It sure was! That was awesome! Now for this.

DAI GUI! QUAKEMON! BEST MATCH!

So much for your eternal vows

Well it does not matter anyway

Why can't you stay

Here awhile

Stay here awhile

Stay with me

Mallow: (SINGING DIVINELY AS LEAVES AND GRASS AND FRUIT SWIRLS AROUND HER)

Lost in the darkness, hoping for a sign

Instead there is only silence

Can't you hear my screams?

Never stop hoping

Need to know where you are

But one thing is for sure

You're always in my heart

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Lost in the darkness, try to find your way home

I want to embrace you and never let you go

Almost hope you're in heaven

so no one can hurt your soul

Living in agony cause I just do not know

Where you are

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Wherever you are, I won't stop searching

Whatever it takes, I need to know

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

She danced and blasted Evilseed all over.

Raiden, Rarity, Sweetie Belle, Water Skylanders, Sea, Anya Rodriguez, Popeye, Cozy Glow and Ty Lee VS Aqueduct - Meeting a Gene-slammer for Vampire Fascinator

Core Medals: Aqueduct, Evil Ice Man and Trigger Dopont

Fullbottles: Aqueduct and Evil Ice Man

Aqueduct: (to Raiden) I heard you guys met a Gene-slammer for Vampire Fascinator. What's her name?

Raiden: Her name is Lisa Vampirdinumbră and she is from Romania.

Rarity: She is a vampire that is part of Alucard's family.

Sweetie Belle: And she is a great scientist.

---

Lisa Vampirdinumbră: (Romanian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lisa, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lisa Vampirdinumbră: (Romanian Accent) That's incredible.

Nico: It sure is. So, Lisa, what other memories did you have with Lincoln?

Lisa Vampirdinumbră: (Romanian Accent) I remembered this one time in Science Class, other than making that special coating, Lincoln and I also created a powerful sticky slime that once it hits the target, it'll keep them immobilized for 48 hours. Then, we saw Chandler about to attack and kill Lincoln again, so I used the slime I made and he was stuck for 48 hours, just enough time for Lincoln and I to tell the teacher, and he personally called the cops and that brat was dragged off to jail yet again.

We cheered wildly for what they did to Chandler.

Nico: Whoa, so you guys also created a powerful sticky slime that immobilizes targets for 48 hours, that's awesome!

Me: You said it.

Lincoln: Thanks, guys. Say, Lisa, maybe we can make more of the slime and load it into bazookas, and we can use them to immobilize villains.

Lisa Vampirdinumbră: (Romanian Accent) Good idea, Lincoln, and we'll make sure it's only used on evil villains. Plus, I'm also glad I didn't have to use that slime on any of your bad sisters, otherwise, they'd be in trouble.

Nicholette Torrington: Especially with all of us.

FLASHBACK ENDS

Aqueduct: WOW! That is cool! And that was really awesome that they made an immobilizing slime.

Gill Grunt: It sure is! Very quick thinking on that one.

Maximum Ride: (SINGING DIVINELY AS WIND AND ANGELS SWIRL AROUND HER)

The world seems not the same

Though I know nothing has changed

It's all my state of mind

I can't leave it all behind

I have to stand up to be stronger

I have to try

To break free from the thoughts in my mind

Use the time that I have I can't say

Goodbye, have to make it right

I have to fight

'Cause I know in the end it's worthwhile

That the pain that I feel slowly fades

Away, it will be alright

I know should realize

Time is precious it is worthwhile

Despite how I feel inside

Have to trust it will be alright

Have to stand up to be stronger

I have to try

To break free from the thoughts in my mind

Use the time that I have I can't say

Goodbye, have to make it right

I have to fight

'Cause I know in the end it's worthwhile

That the pain that I feel slowly fades

Away, it will be alright

Oh, this night is too long

Have no strength to go on

No more pain, I'm floating away

Through the mist I see the face

Of an Angel, who calls my name

I remember you're the reason I have to stay

I have to try to break free

From the thoughts in my mind

Use the time that I have I can say

Goodbye, have to make it right

I have to fight

Cause I know in the end it's worthwhile

That the pain that I feel slowly fades

Away, it will be alright

She fired waves of wind and angels and they smashed him down.

You better hide for her freezing hell

On cold wings, she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on, just feel it

Don't you see it?

You better believe

When she embraces your heart turns to stone

She comes at night when you are all alone

And when she whispers your blood shall run cold

You better hide before she finds you

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

She covers the earth with a breathtaking cloak

The sun awakes and melts it away

The world now opens its eyes and sees

The dawning of a new day

On cold wings she's coming

Ace Bunny: That was cooll.

ZAVOK! KUROTO DAN! BEST MATCH!

He got Video Game Blasters and fired lasers and the blasts all hit Zavok and the group fired waves of energy, skulls, bones, lightning, stars and magic and smashed him down. He got up.

Ace Bunny activated his ridewatch.

Ace Bunny: (SINGING DIVINELY AS LIGHT AND ENERGY SWIRLED AROUND HIM)

Can you feel life moving through your mind

Looks like it came back for more - yeah

Can you feel time slipping down your spine

You try and try to ignore, yeah

But you can hardly swallow

Your fears and pain

When you can't help but follow

It puts you right back where you came

Live and learn

Hangin' on to the edge of tomorrow

Live and learn

From the works of yesterday

Live and learn

If you beg or if you borrow

Live and learn

You may never find your way

Can you feel life tangle you up inside (yeah!)

And now your face down on the floor, oh

But you can't save your sorrow

You've paid in trade

When you can't help but follow

It puts you right back where you came

Live and learn

Hangin' on to the edge of tomorrow

Live and learn

From the works of yesterday

Live and learn

If you beg or if you borrow

Live and learn

You may never find your way

There's a face searching far, so far and wide

There's a place where you dreamed you'd never find

Hold on to what if…

Hold on to what if…

Live and learn

Hangin' on to the edge of tomorrow

Live and learn

From the works of yesterday

Live and learn

If you beg or if you borrow

Live and learn

You may never find your way

Live and learn

Hangin' on to the edge of tomorrow

Live and learn

From the works of yesterday

Live and learn

If you beg or if you borrow

Live and learn

You may never find your way

Live and learn

Yeah, yeah, yeah, yeah, yeah

Live and learn

Yeah, yeah, yeah, yeah, yeah

He fired waves of light and smashed him down.

# Jungle Fury Rangers, Megaforce Rangers, Nico, May, Eli, Nunnally, C.C. Applejack, Laney, Lana, Lola, Lisa and Lily VS Baka

---

Baka was next.

Nico: Time for some action!

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyers of Kamen Rider Gold Drive, they're a collection of giant broadswords with the Drive Kamen Riders symbol etched on the 7'0 massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguards, longer black handles, and large gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase, and there's also blasters included with the swords as well.

Nico teleported back with them.

Jungle Fury Rangers: JUNGLE BEAST! SPIRIT UNLEASHED!

They transformed and they were ready!

They powered it up!

Dominic: RHINO SHOOTER!

Nico: FIRE!

They fired waves of energy and elements and the blasts all hit Baka and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Baka you have failed this city!

Applejack: YEEHAW! That was amazing!

Then a purple light appeared on Applejack's finger and it formed into the Purple Hippopotamus Spirit Animal Ring!

Applejack: The Hippopotamus Spirit chose me?

Isabel: It sure did Applejack. The Hippopotamus is perfect for you. People with the Hippo totem have an innate ability to know what lies beneath the surface of any situation. They see and speak the truth. Plus, they will also demand that others respect that truth.

Applejack: Well fancy that. And it goes perfect for me because I am the element of Honesty.

Nico: That is awesome.

Then a purple light appeared and it landed in Applejack's hands and it revealed itself to be the Purple Hippopotamus Zord Crystal!

Applejack: The Hippopotamus Zord!

Nico: Cool!

Eli: That is awesome!

Troy Burrows: Rangers that's a Super Mega Win.

---

We regrouped and everyone cheered wildly!

Shinnosuke: Wow! Those Core Medals turned your weapons into awesome elemental themed weapons. And the Fullbottles themed your powers too!

Nico: That was really cool!

Me: Yeah it sure was! I hope mine with Lord Drakkon will be

awesome!

Eli: Yeah!

Disk Wars Silver Samurai: Now, let us go put an end to Banno!

Me: I couldn't agree more there.

Shinnosuke: It's time to end this madness!

Bizarro: Banno in for happy time!

Nico: No he is not. Time to fight cars with cars. Get ready Banno. (Eyes Glow Red) We're coming for you and we're going to make sure you pay for your crimes in blood!

We got into our cars.

Me: Lets roll!

We put the pedals to the metal and gunned it!

We were off to face Banno!

---

We were driving to where Banno was and then KGBeast appeared.

Maria: Thanks for coming, KGBeast.

KGBeast: (Russian Accent) Anytime comrades. And this is gonna be an awesome big day mission for us all.

Me: It sure is. We're going to use our cars for this one.

Nico: This is gonna be so awesome and fun.

Eli: I'm so ready for this!

At the Japan Olympic Stadium, KGBeast drove up to BANNO!

KGBeast: You must be Banno.

Banno: Oh, please. I prefer Gold Drive. You're very foolish to come here alone

?: Who said he's alone.

Brain of the Roidmudes finally appeared.

Banno: Brain?!

KGBeast: Comrades, can you guys come here? Someone just arrived.

Then car engine reving was heard and the spirits of cars drove in and then they converged onto the entrance of the stadium and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and a phoenix cry was heard and then…

ZOOOOOMMM!

We all rushed in with our cars and then the area turned into the speed planet VELOCITRON!

Banno: What the!?

Overload: Ah it's good to be home.

We got out.

Me: Banno your reign of evil is over!

Nico: It's time for us to finish you for good!

Me: Brain! Awesome to see you again.

Brain: Same to you J.D. And Shinnosuke it's good to see you too.

Shinnosuke: Same here.

Qin: Nice that you are with our frenemies.

Brain: Indeed.

Banno: Doesn't matter. I'll still kill you all.

Me: Not if we kill you first fucker!

Banno: Teaming up with your sworn enemies, Shinnosuke?

Shinnosuke: The Roidmudes weren't the true enemy, Banno. You were all along. They only became evil because of YOUR mistreatment of them!

Brain: To be fair, we did our fair share of crimes. One of which Banno did help you all to stop

Mr. Belt: You three would never do what Banno has done. He only helped cure that girl for his own benefit and to gain our trust.

May: I knew he couldn't be trusted the whole time!

Me: I actually knew that too! This man fucked around with the wrong people!

Nico: I agree there!

Banno: You want me then come and get me!

He went into his car and drove off!

Me: AFTER HIM!

We got in our cars and drove after him!

Nico: YEAH!

We were really driving after him!

Me: You are not getting away that easy Banno!

We were driving after him.

Gold Drive: So, you fools cornered me. Or is it the other way around? Kudabots! Paradox Roidmude! Revenger Roidmude!

Paradox Roidmude and Revenger Roidmude appeared with an army of Kudabots.

Me: Kudabots and Revenger and Paradox Roidmudes! I remember you 2!

Paradox Roidmude: Now you will die!

Nico: Kudabots that drive cars!? Now I've seen everything!

Me: Try this on! (ACTIVATES GENERAL SCHWARZ'S RIDEWATCH)

(IT'S CALLED A HEART BY DEPECHE MODE PLAYS)

Me: (SINGING DIVINELY AS DARKNESS CANNONS FORM ON MY CAR)

There's something beating here inside my body

And it's called a heart

You know how easy it is

To tear it apart

If I lend it to you

Will you keep it safe for me

I'll lend it to you

If you treat it tenderly

There's something beating here inside my body

And it's called a heart

There's a sun shining in the sky

But that's not the reason why

I'm feeling warm inside

The answer isn't classified, it's my heart
From the moment I started
I tried to be goodhearted
Yes I tried my best
And more or less
I spoke from my heart
There's a lot to be learnt
And you learn when you heart gets burnt
There's something beating here inside my body
And it's called a heart
You know how easy it is
To tear it apart
If I lend it to you
Will you keep it safe for me
I'll lend it to you
If you treat it tenderly
There's something beating here inside my body
And it's called a heart
Hearts could never be owned
Hearts only come on loan
If I want it back
I will take it back, I'll take my heart

But I will try my best and more or less

I will speak from my heart

Yes I will speak from my heart

Speak from my heart

There's a lot to be learnt

And you learn when you heart gets burnt

There's a lot to be learnt

And you learn when you heart gets burnt

There's a lot to be learnt

And you learn when you heart gets burnt

There's something beating here inside my body

And it's called a heart

You know how easy it is

To tear it apart

If I lend it to you

Will you keep it safe for me

I'll lend it to you

If you treat it tenderly

There's something beating here inside my body

And it's called a heart

You know how easy it is

To tear it apart

I fired darkness cannons and blasted the Kudabots all over and fiery explosions blasted all over the place and destroyed them.

Qin: YEAH! Nice shooting! And I love Depeche Mode!

General Schwarz: Nice job with my Ridewatch.

The Kudabots all trapped the Drive Team.

The Drive team were all cornered at the hands of the Kudabots in their cars.

Gold Drive: Now, I'll do what that imbecile Nira can't and get rid of you, Shinnosuke Tomari. But look at the bright side. At least you'll finally be reunited with your father!

I fired a laser blast from my car and it hit Banno!

Yost Wasp: (zaps a Kudabot from the air) Crap! What do we do?!

Onewa got an idea.

Onewa: (to everyone watching) Everyone out there! Lend the Drive Team your strength! They get stronger with your support! When I go "1,2", shout "Start your Engines"! Okay? 1,2..

All: START YOUR ENGINES!

Onewa: One more time! 1,2…

All: START YOUR ENGINES!

Onewa: Louder! 1,2…

All: START YOUR ENGINES!

Jamesdean5842: START YOUR ENGINES!

At this, Shinnosuke found the strength to start his car!

Shinnosuke: Sorry, Banno. But my dad would be ashamed if I just gave up now!

Shinosuke then pressed a button and got a bulldozer plow and rammed through numerous Kudabots, turning them into roadkill!

Shinnosuke: Thanks for the help, everyone.

Go: I knew I had some adoring fans out there.

Chase: Keep telling yourself that.

Onewa: We should get out of your cars when we transform.

Nico: Ready to finish this, J.D.?

Me: You bet I am! But good idea on getting out of our cars.

We then got out of our cars.

Onewa: Let me transform with you guys!

Brody: It'll be our pleasure, Onewa

Ninja Steel Rangers: IT'S MORPHIN TIME! POWER STARS, LOCK IN! READY! NINJA SPIN!

They transformed!

Shinnosuke pulls out a small red car-like device, twists the back of it around 180 degrees and places it into the brace

Shinnosuke: Henshin!

At his battle cry, Shinnosuke forces the small car upwards, acting like a lever before slamming it back down.

Mr. Belt: Drive! Type: Speed!

As Mr. Belt announces the transformation, a column of energy in weird tire-like segments forms around Shinnosuke, consolidating into a black undersuit topped with red and silver armor resembling a sports car, concluding with a tire generated on Tridoron's front left wheel shooting off and landing across Shinnosuke's torso.

Chase Pulls out a device resembling a large knuckle guard with a gun muzzle and some sort of wing piece on it He holds the device to his chest and presses the gun barrel into the device, causing some sort of standby music to play, before releasing it

Break Gunner: Break Up!

As this call is emitted, Chase is surrounded by shadowy energy and electricity which consolidates into a strange set of purple and black armor with some silver bits primarily resembling pipes of some kind and glowing orange eyes, all in all looking kind of Frankensteined together or like it was in a wreck of some kind)

Go: (Seeing the Mach Driver in hand) Alright then!

Go pulls out what looks like a small white motorcycle, as he pulls up the slot in the Mach Driver and places the motorcycle in it)

Mach Driver: Signal Bike!

Go: Let's… Henshin!

After letting his battle cry be known, Go slams the Mach Driver slot down, beginning his transformation.

Mach Driver: Rider! Mach!

With that, what appear to be energy rings swirl around Go, before splitting apart and consolidating onto him as his armor, a primarily white armor with a pair of red stripes down one side, black and light blue accents all over it, silver antennae on the helmet, and the strangest addition, a small tire-looking device pasted onto his right shoulder

Go: Tracking… terminating… all done at Mach speed! Kamen Rider… Mach!

Brody: "Power of the Ninja! Ninja Steel Red!"

Another massive fiery explosion went off behind them and they were ready!

Onewa: That's it, I've had it up to hear with you to last an eternity, Banno.

Suddenly, Onewa's blue eyes turned neon blue, and he was surrounded by an orange energy aura with stones, rocks, Stone Toa, and phoenixes, and as he approached Banno, he left orange energy, stones, rocks, Stone Toa, and phoenixes with every step.

Onewa: You really make me sick, Banno. It's bad enough that you have tormented so many innocent people, but what you've done in trying to destroy the Earth is one thing that I can't stand any longer, and now, the both of you will pay with your lives!

Suddenly, Onewa was surrounded by a massive vortex of orange energy with stones surrounding the vortex, there's a Stone Toa and phoenix flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Onewa emerged, but he was changed forever.

Onewa grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and black chin hair, he has long black hair going down to the bottom of his neck with orange highlights in the bangs of his hair, he has neon blue eyes and an orange energy aura with stones, rocks, Stone Toa, and phoenixes surrounding him, he has a Toa Mata of Stone with the Stone Kanji in its hands emblazoned on his forehead, he has phoenix earrings with blue gems for eyes and the Stone Kanji in its claws, and he has on his Crystal Necklace of The Buddha with orange crystal links and a phoenix with blue gems for eyes and holding the Stone Kanji in its claws for the pendant on his bare chest, and tattooed on Onewa's now wider and more muscular back is a phoenix and a Toa Mata of Stone, and they're surrounded by stones. Suddenly, Onewa felt a sharp pain on his now wider and more muscular back, and then, massive black angel wings with orange tips on the feathers, sprouted out of his now wider and more muscular back. Onewa has on a pair of large black pants with stones on the legs, grey ankle-high leather combat boots, large orange weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large blue orbs.

Suddenly, Onewa's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of white energy with stones, Stone Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Onewa's Earthquake Stone Toa Greatsword of Stone Justice, it's a brand-new large greatsword with the symbol of the Stone Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged orange blade, orange Toa heads for the crossguard, large blue gem embedded in the rainguard, longer black handle, and massive blue gem with surrounding angel wings for the pommel. Onewa has on his new large gold cuff Bracelets of the Champions of The Universe with grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden stone Toa head with blue gems for eyes and a blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Onewa, Toa Mata of Stone, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, and Kopaka, Loving Brother of The Drive Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stone, Stone Toa, and Phoenixes"

オネワ、ストーンのトア・マタ、タフ、ヴァカマ、ウェヌア、ヌジュ、マタウ、ノカマ、タカヌバ、ポハツ、オヌア、レワ、ガリ、コパカの兄弟でチームメイト、ドライブ仮面ライダーの愛する兄弟、そしてテトリダックスの破壊者とボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、石、石トーア、フェニックスの達人

Onewa has transformed into SUPER ANGEL INFINITY SMASHING STONEQUAKE TOA MATA ANGEL OF STONE JUSTICE AND BROTHERHOOD WILL!

We were amazed by Onewa's Super Angel Infinity transformation, but when Kamen Rider Gold Drive saw it, he tried to run him over, but Onewa fired a powerful orange energy blast with stones, Stone Toa, and phoenixes, and it hit and smashed into Kamen Rider Gold Drive and he was sent flying into a wall.

Nico: Ooh, now that's what I call one nasty car crash!

Me: That's not going to look good.

Lana: That's one nasty fender bender, but don't worry, he's heading for the scrap heap soon.

Lincoln: You said it.

He got back up and his car was fixed thanks to the dark orb on him.

(FIGHT SONG BY RACHEL PLATTEN PLAYS)

Laney: (SINGS DIVINELY AS HER CAR GREW)

Like a small boat

On the ocean

Sending big waves

Into motion

Like how a single word

Can make a heart open

I might only have one match

But I can make an explosion

And all those things I didn't say

Wrecking balls inside my brain

I will scream them loud tonight

Can you hear my voice this time?

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

Losing friends and I'm chasing sleep

Everybody's worried about me

In too deep

Say I'm in too deep (in too deep)

And it's been two years I miss my home

But there's a fire burning in my bones

Still believe

Yeah, I still believe

And all those things I didn't say

Wrecking balls inside my brain

I will scream them loud tonight

Can you hear my voice this time?

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

A lot of fight left in me

Like a small boat

On the ocean

Sending big waves

Into motion

Like how a single word

Can make a heart open

I might only have one match

But I can make an explosion

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now I'll be strong (I'll be strong)

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

Know I've still got a lot of fight left in me

Her car grew to a monster truck! And then.

CRUSH SMASH SMASH CRUSH!

She crushed numerous Kudabots with her huge tires!

Nico: NICE!

Shinnosuke: Time to go from red to blue!

Drive Type Formula! (Dramatic music, followed by a Formula One car passing by)

Nico: YEAH!

Me: AWESOME! You will like this one.

I used the Ridewatch of Animated Starscream.

(TAKE MY BREATH AWAY BY BERLIN PLAYS)

Me: (SINGING DIVINELY AS MY CAR TRANSFORMS)

Watching every motion in my foolish lover's game

On this endless ocean, finally lovers know no shame

Turning and returning to some secret place inside

Watching in slow motion as you turn around and say

Take my breath away

Take my breath away

Watching, I keep waiting, still anticipating love

Never hesitating to become the fated ones

Turning and returning to some secret place to hide

Watching in slow motion as you turn to me and say

My love, take my breath away

Through the hourglass, I saw you

In time, you slipped away

When the mirror crashed, I called you

And turned to hear you say

If only for today, I am unafraid

Take my breath away

Take my breath away

Watching every motion in this foolish lover's game

Haunted by the notion somewhere there's a love in flames

Turning and returning to some secret place inside

Watching in slow motion as you turn my way and say

Take my breath away

My love, take my breath away

My love, take my breath away

My love, take my breath away

I had my car turn into an awesome F-35 Fighter Jet! I fired waves of missiles and they hit Banno all over and exploded!

KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!

Nico: That is so cool!

Qin: Time to have the Kudabots come at us!

She pressed a button and deployed the hover arena and then some of us got out with our cars on Autopilot and the rangers and Medic, Brain and Heart were slashing and blasting numerous Kudabots.

Calvin stood back to back with Heart, Brain, and Medic.

Calvin: (slashes Kudabot) How do you 3 feel to be on the side of good?

Medic: (Blasts numerous Kudabots) It feels really amazing!

Heart: (Blasts numerous Kudabots) Yeah it sure does!

Brain: (Smashed the Kudabots all over) And we're loving it.

Luan: Lets see how they like this! (ACTIVATE'S VYPRA'S RIDEWATCH)

(READY FOR THE STORM BY DEANTA PLAYS)

Luan: (SINGING DIVINELY AS HER CAR TRANSFORMED)

The waves crash in and the tide pulls out

It's an angry sea but there is no doubt

That the lighthouse will keep shining in the night

To warn the lonely sailor.

The lightning strikes and the moon cuts cold

Through the sailor's bones, to the sailor's soul

'Till there's nothing left that he can hold

Except the roaring ocean.

But I am ready for the storm, yes oh ready I..

I'm ready for the storm, I'm ready for the storm.

Give me mercy for my dreams, 'cause every confrontaion

Seems to tell me what it really means to be a lonely sailor

But when the sky begins to clear and the sun it melts away my fear

/w/ts02

I cry a silent, weary tear at those that mean to love me.

And I am ready for the storm, yes oh ready I'm

I'm ready for the storm, I'm ready for the storm…

Distance it is no real friend, and time will take its time

And you will find that in the end it brings you near a lonely sailor

But when you take me by your side, you love me warm, you love me

And I should've realized I had no reason to be frightened.

And I am ready for the storm, yes oh ready I'm

I'm ready for the storm, I'm ready for the storm (x2)

Her car turned into another version of Vypra's Vyprari!

Luan: YEAH!

Vypra pulled up.

Vypra: Nice wheels Luan!

Luan: Thanks! They sure Burn Rubber! (LAUGHS) Get it?

Vypra: (LAUGHS) Good one!

Vypra and Luan pressed buttons and fired blasters and they hit Banno all over and blasted him all over the place.

The Kudabots fired lasers and the cars of Luan and Vypra used their energy shields to deflect the blasts back and destroy them.

Emerald Goldenbraid: Battle Unicorn, Charge!

She fired an energy unicorn and it blasted them all over.

Me: I forgot to mention that we aren't the only ones with cars! SKYLANDERS SUPERCHARGERS! ACCELERATE!

The Skylanders Supercharger Team came and their cars were summoned and they fired waves of energy and elements and blasted Banno all over!

Coop charged at several Kudabots.

He smashed them all over the place!

Coop: WOO! YEAH!

Nico: Take that!

Onewa: Time to use more Shift Cars.

Lightning McQueen: Leave some for us too!

Lightning McQueen activated Pyros's Shift Car and pooped out lava and the Kudabots melted in the street!

Lightning McQueen: (GROANS) Geez! Talk about having a nasty case of hemorrhoids!

Nico: Nice one Lightning! Lets see here.

Nico activated Myotismon's Shift Car and fired Crimson Lightning Gears and they smashed numerous Kudabots and destroyed them!

Yost Hawkeye fired arrows at several Kudabots.

They skewered them all over the place!

Nico: YEAH!

Eli: How about this! (ACTIVATE'S DARTH TYRANNUS'S RIDEWATCH!)

(BATTLE OF THE HEROES FROM STAR WARS III PLAYS)

He fired waves of Force Lightning and electrocuted the rest of the Kudabots all over the place!

Nico: That's it for them! One last thing! (ACTIVATE'S MACHINEDRAMON'S SHIFT CAR) (Echoing) GIGA CANNON!

Nico had his car fire energy cannon blasts and they hit Bannos's car and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Now we got him right where we want him!

We got out of our cars!

Me: It's time to pay Banno!

I punched and kicked him all over the place and smashed him into dust and kicked him in the crotch and he screamed like a little girl!

Nico kicked him in the face and smashed him down!

Shinnosuke: (pulls out the Tridoron looking mini car) Now for the finishing touches.

Go: (Pulling out a small black motorcycle) I couldn't agree more.

With that, Shinnosuke pushes a button on the back of his little car, causing the top of it to light up, revealing several other mini cars in the display.

Shift Tridoron: Fire All Engines!

With the announcement known, Shinnosuke places the Shift Tridoron into his brace, and flips it up like a lever before slamming it down, summoning the actual Tridoron, which runs into Gold Drive from behind before parking itself behind Shinnosuke

Mr. Belt: Drive! Type: Tridoron!

As soon as the transformation call is out, Tridoron splits into different components, each one reappearing over Shinnosuke before being consolidated by a fleet of smaller cars, forming new armor, with the chestpiece made to look like Tridoron's front bumper, the headpiece resembling the whole car really, and the armor going down the body mirroring the back of the car, complete with wheels on the legs, as the armor tire settles in parallel to his neck on the left.

Go: My turn.

With that, Go replaces the white motorcycle in his Mach Driver with the black one he's been carrying.

Mach Driver: Signal Bike! (As Go closes the slot where the motorcycle is placed) Rider! Chaser!

As the cry reverberates, Go is surrounded by violet energy projections not unlike the tire-like construct on his right shoulder, but instead of attaching their, they turn Go's armor from below his chestplate down silver and violet, including his arms below the elbows, in a color scheme matching Chase in a way

Brody: Out of the fire and into the fight! Lion Fire Red!

He donned his awesome Red Ninja Steel Lion Battlizer!

Nico: YEAH!

I then kicked Banno and smashed his helmet off and revealed his face and to our shock and everyone's disgust we saw that it was ugly and horribly scarred and disfigured with burns and melted skin!

Nico: OH GOOD GOD!

Eli: YEESH! What happened!

Me: Excellent! Nice to know that I still have my mark on you after all these years.

Everyone: Huh?

Me: It was years ago. You see, I'M the one that left that mark. It was before the team was formed. I took down Banno and fired a powerful blast of fire and it burned him and horribly scarred him and disfigured him. He was thought to have been dead. But he survived.

Nico: WHOA!

Banno: Yes and now you will pay for everything you did to me J.D.!

Me: I'm just going to finish what I started!

I fired waves of energy and blasted both Paradox and Revenger Roidmude into oblivion!

Qwun blasted and pulverized Banno all over.

Nico: Take that!

Eli: Yeah!

We fired massive elemental blasts and the blasts from the combos, final smashes, techniques and finishers all hit Banno and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

He was down and badly mangled up.

Me: It's over Banno. Time for you to pay for crimes.

Gold Drive: I still have one more trick up my sleeve!

Shinnosuke: Yep. Of when I first saw the Ninninger's giant robo.

Nico: Yep.

I went up to Banno.

Me: You will never torment everyone again.

I painted a Kanji on him and gave him the Black Gates. He was found guilty and he was fading.

Banno: NO! THIS CAN'T BE HAPPENING!

Me: Oh it is. Give my regards to Kazu fucker.

I walked away.

Banno: DAMN YOU HELL TEAM LOUD PHOENIX STOR… (FADES)

He was now a forgotten memory!

Brody: Show's over, ninjas win!

Eli: Yes they do!

Shinnosuke: Finally, we're through with Banno for good.

Nico: But, we're not done yet, Shinnosuke, there's a malevolent Fire Giant that we need to deal with, and he should arrive in 3… 2… 1!

Thor: I knew there's no mistaking that voice. You can come out from your infernal hiding place, Surtur.

A massive Fire Giant came out in a tornado of superhot blazing flames, and it was none other than the malevolent Fire Giant, Surtur.

Thor: Surtur, I should've known you'd be here.

Surtur: **And soon, all of you will be reduced to ashes, along with the pest who has stolen my sword!**

Onewa: Sorry, Surtur, but your days of trying to bring Ragnarok to Asgard are about to end here and now.

Lincoln: And by our hands. Plus, you were unworthy to wield the Twilight Sword, because in its eyes, you are no warrior, you are a malevolent monster who desires only destruction, and we don't take kindly to monsters like you.

Suddenly, Onewa's blue eyes turned neon blue, and he was surrounded by an orange energy aura with stones, rocks, Stone Toa, and phoenixes, he unholstered his massive Onewa's Earthquake Stone Toa Greatsword of Stone Justice from his back, and as he approached Surtur, he left orange energy, stones, rocks, Stone Toa, and phoenixes with every step.

Onewa: I can never forgive you for the crimes that you've committed against mankind and Asgard for many eons, Surtur, so many innocent souls have died because of you, and now, I'll see to it that all of their souls are avenged here and now.

Suddenly, Onewa was surrounded by a massive vortex of orange energy with stones surrounding the vortex, there's a Stone Toa and phoenix flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Onewa emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Onewa grew from 7'0" to 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retains his eight-pack abs, tanned skin and black-colored chin hair, he has long black hair going down to the bottom of his neck with orange highlights in the bangs of his hair, he has neon blue eyes and an orange energy aura with stones, rocks, Stone Toa, and phoenixes surrounding him, he has a Toa Mata of Stone with the Stone Kanji in its hands emblazoned on his forehead, he has phoenix earrings with blue gems for eyes and the Stone and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with orange gems in the gold stone links and orange crystal links and an orange Stone Toa-shaped Element of Harmony and below the Element of Harmony is a phoenix with blue gems for eyes and holding the Stone and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Onewa's now wider and more muscular back is a phoenix and a Toa Mata of Stone, and they're surrounded by stones. Suddenly, Onewa felt a sharp pain on his now wider and more muscular back, and then, massive black angel wings with orange tips on the feathers, sprouted out of his now wider and more muscular back. Onewa has on a pair of large black pants with stones on the legs, grey ankle-high leather combat boots, large orange weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large blue orbs.

Suddenly, Onewa's massive Onewa's Earthquake Stone Toa Greatsword of Stone Justicesword was surrounded by a massive kaleidoscope of orange energy with stones, Stone Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Onewa's Earthquake Stone Toa Broadsword of Stone Justice, it's a brand-new massive large broadsword with the symbol of the Stone Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged orange blade, orange Toa heads for the crossguard, large blue gem embedded in the rainguard, longer black handle, and massive blue gem with surrounding angel wings for the pommel. Onewa has on his new large gold cuff Bracelets of the Champions of The Universe with grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden stone Toa head with blue gems for eyes and a blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Onewa, Toa Mata of Stone, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, and Kopaka, Loving Brother of The Drive Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stone, Stone Toa, and Phoenixes"

オネワ、ストーンのトア・マタ、タフ、ヴァカマ、ウェヌア、ヌジュ、マタウ、ノカマ、タカヌバ、ポハツ、オヌア、レワ、ガリ、コパカの兄弟でチームメイト、ドライブ仮面ライダーの愛する兄弟、そしてテトリダックスの破壊者とボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、石、石トーア、フェニックスの達人

Onewa has transformed into SUPER ANGEL ETERNIT INFINITY SMASHING STONEQUAKE TOA MATA ANGEL OF STONE JUSTICE AND BROTHERHOOD WILL!

We were amazed by Onewa's Super Angel Infinity transformation, but when Surtur saw it, the Fire Giant fell into a demonic rage and summoned an army of Fire Demons to kill him and Lincoln, but Lincoln fired beams of ice from his massive large Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and it hit and froze the Fire Demons and it killed them. Then, he fired a massive ball of ice at Surtur and it hurt him badly, since he's a Fire Giant.

Nico: Whoa, Onewa's transformed, awesome!

Me: And Lincoln got rid of Surtur's Fire Demon army by firing ice at them, and he fired a blast of ice at Surtur and it really got him feeling the chills.

Onewa: (Divine Echoing Cosmic Voice of The Smashing Stone Toa and Divine Stone Brotherhood Will) **But, we're just getting started.**

**Lincoln, are you ready, brother?**

Lincoln already had his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Onewa.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **I'm ready, Onewa. Time to put an end to your reign of destruction and fiery death, Surtur.**

Onewa and Lincoln went after Surtur, who fired blasts of fire at them, but they absorbed the fire blasts and it made them even stronger than ever, and they fired powerful blasts of rainbow energy, orange energy, stones, Stone Toa, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Surtur, and they exploded with incredible power as they hit him, and they attacked Surtur with their massive large broadswords and left scars on him.

Then, Lincoln fired two blasts of ice which hits Surtur on his legs, and he fell to his knees, and Lincoln kicked Surtur in the stomach by encasing his feet in ice and he fell onto his back. Then, Lincoln kept his ice-encased feet pinned onto Surtur's back, and then, we saw Lincoln's rainbow energy aura with elemental forces and mythological animals flared up extremely, as he then began sucking in and absorbing and assimilating all of Surtur's powers and abilities. Then, Onewa and Lincoln brought their massive large broadswords down onto Surtur's neck and beheaded him, and his evil spirit was sent to The Black Gates forever. We cheered wildly for what Onewa and Lincoln did to Surtur as they holster their massive large broadswords on their wider and muscular backs and power down, and Onewa's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Nico: Whoa, now that was one awesome battle you guys waged against Surtur.

Onewa: And Lincoln did awesome using ice against that Fire Giant.

Lincoln: Yep, and since ice is the one thing Surtur is weak against, I used it to my advantage.

Me: And you even encased your feet in ice and dealt some powerful blows on him, that was really awesome!

Nico: You said it, and with your ice-encased feet keeping him pinned to the ground, you sucked out and absorbed and assimilated all of Surtur's powers over fire and abilities, and you both delivered the final blow by beheading that beast.

Lincoln: Thanks, guys. Now, to take care of Surtur's body for good.

Lincoln sprouted out his eleven massive, long, and powerful white werewolf tails with Cell's suction stingers, and he stabbed them onto Surtur's headless body, and he began absorbing him into his body, and when Lincoln was done, nothing was left and the tails went back into him.

Nico: Awesome, and now, Surtur the Malevolent Fire Giant is finally destroyed for good, and he'll never plague Asgard or Earth ever again.

Lincoln: You said it, and now, we need to prepare for tomorrow is Onua's mission with the Ghost Kamen Riders.

Onua: You said it, this is going to be awesome seeing them again.

Lincoln: And of course, they're already going to be pissed when they find out Swartz had Eyecons of the 310 Core and Non-Core members of The Masters of Evil.

Shinnosuke: You said it, and we were pissed at what that liar did, I hope we make him suffer dearly for this.

Lincoln: It won't be long, Shinnosuke, the clock's already ticking for Swartz, and we've been doing an awesome job in stopping Swartz' schemes and pissing him off even more.

Me: You got that right. Turn our friends into Another Riders, Another Rangers, and Another Omnitrix Aliens and lie to them, will he?! I'm so looking forward to the day we rid the world of him.

Nico: Same here, J.D.

We were back on Earth.

Woz: Rejoice! Another of the Dai Shocker Villains has fallen, and Team Loud Phoenix Storm have claimed their newest Rider allies, Kamen Riders Drive, Mach, and Chaser! May their alliance last until justice is a concept foreign to all.

Me: That is for sure!

Pterodactyl Ghost: Looks like it's the end of the road for Banno!

General Schwarz: Indeed it is.

Me: 4 words for him in the Black Gates: Kiss my Fucking Ass!

Ryugu Tamatebacco: The Japanese Turbo Weapons that Nico and the others got really came in handy.

Nico: They sure did.

Lisa Vampirdinumbră: I'm gonna love it here with you guys

Catarina: Same with me.

10,000 Volt Ghost: You girls won't regret it.

Zavok: Now, let's celebrate by going back to that Photo Booth and taking victory photos.

Nico: Now you're talking!

Shinnosuke: Guys thank you for helping us.

Me: It was our pleasure Shinnosuke.

Shinnosuke: (To the viewers) Just remember guys, you mess with the law and you will answer to me and the almighty Team Loud

Phoenix Storm.

Me: That's for sure.

Nico: Yep and now it's number 7 done. Great job everyone. Tomorrow we go meet the Ghost team. So get ready for more awesome ghost hunting.

Danny Phantom: Aw yeah!

Qin: This is gonna be fun.

Nico: Lets go home.

We went back home and went to the mall and had more photo ops and then we went back home and enjoyed the rest of the day and went to sleep.

Meanwhile back in Japan the Ghost Kamen Rider Team was getting ready for our arrival.

Takeru: This is gonna be so awesome and I can't wait to kick some Gamma butt.

Mikoto; Me too Takeru. And we'll make Adel pay for his crimes.

Takeru: We sure will. Lets go!

They activated their Eyecons!

Ghost Team: HENSHIN!

They transformed and went at the screen..

TO BE CONTINUED!

Me: I have a feeling this planet is gonna be interesting to see.

Arrietty: Me too.

Qin: Yeah same with me.

Fu: I have a feeling it will.

Tracer: (British Accent) I'm looking forward to this one too.

Kaoruko: Me too.

Nico: Thanks for coming with me, Tracer.

Tracer: Anytime Nico but when I'm not with Overwatch you can call me Lena.

Nico: Okay then. But it's gonna be awesome having you with us.

Tracer: It sure is. And it's an honor to go with you.

Me: Always awesome to have you with us.

Tracer: Nico, before you say anything, I'm sorry for what the Talon Agents pulled on J.D. and the Loud Kids.

Nico: I'm okay. I can't believe that Sombra was able to get passed our security like that.

Me: You got to admire her skills in thievery.

Qin: Yeah that was something.

Camie: What happened?

Me: Well it's a really ugly story. It was when we first met Overwatch.

I went over what happened in the events of Chapter 1237 and it was not pretty. When I was done everyone that hadn't heard about it was shocked.

Camie: WHOA! So they thought Nico was a traitor!?

Lola: Yeah we were completely judgmental back then.

Lana: We were total idiots.

Lily: Me, Laney and Lincoln stood by Nico.

Me: It took some hard reprimanding.

Nico: Sombra actually is pretty cool once you get to know her.

Me: She sure is.

Tracer: Yeah she is a great master of Espionage. Her real name is Olivia Colomar and she is a really amazing and great spy and hacker from Mexico.

Me: She would get along great with Ronnie Anne and the

Casagrandes.

Lola: Yeah she sure would.

Laney: But to be able to get inside our security like that is very impressive.

Me: And Sombra used the moment we were out fighting Bill Cipher as the perfect opportunity.

Laney: She sure did.

Qin: Yeah that was really impressive.

Camie: That is amazing. She, Mata Hari and the Cooper Gang would have a huge level of competition.

Nico: No arguments there.

Go: No resurrections for my former dad this time:

Me: No thank goodness.

Nico: The Black Gates will make sure that he never returns.

Varie: That's for sure.

Me: We're here.

We arrived and we saw that we were at a storm planet with a huge and massive perpetual hurricane in the middle of the southern hemisphere and there was a small island in the middle of the eye.

Nico: WOW! This planet looks scary.

Eli: It's not a food planet this time though.

Tsuyu: Lets go see.

We went to the surface and we landed in the middle of the storm and we were on the island and we saw that it was in the middle of the hurricane and it was the only spec of land in the middle of an incredible endless ocean!

Qin: WHOA!

Nico: Wow! This planet is scary!

Lola: It's a single island in the middle of a massive storm!

Lisa Loud: Gadzooks! This is incredible!

Maria: Wow! This storm looks incredibly mean! And the ocean just goes on forever!

Eli: It sure does!

Aylene C.: Not the best place to call home.

Eiji: Yeah.

Nico: This planet is really wicked though.

Me: Yeah. Hey Ebonwu Me, what is this planet?

J.D. 2: This planet is one that I remember going to ages ago. It's called Hurricala.

Nico: Hurricala? Wow.

J.D. 2: Yeah.

Hurricala is a Storm Super Earth Planet located 12,500 lightyears away from Earth and is constantly enshrouded in perpetual storms that never die.

Qin: Wow!

Haiku: I like this planet.

Brittney: Me too.

Nico: Yesterday was a perfect test run for our cars.

Me: Boy it sure was. We really dominated the tracks and tried out our Legend Item devices in our cars.

Tracer: That was so fun.

Lola: Yeah.

Shinnosuke: That was so awesome that you guys made those.

Lana: It sure was.

We walked around the island.

Shinnosuke: Although to transform, we had to exit our cars.

Me: That was a good call there.

Qin: It sure was.

Kaoruko: Yeah it sure was.

Sirius: Wow. This island is amazing. It's a jungle island in the middle of a massive perpetual hurricane.

The clouds of the hurricane eye wall were massive. They were 15 miles high and the lightning in the storm was incredible. The waves the storm was making all over the place was absolutely phenomenal.

Nico: Wow! The only safe place here on land is this island.

Eli: Yeah. I hope there are people that live in the oceans.

Nico: Some of those people might not be friendly.

Me: They might not be. But if they aren't we'll be ready for them.

Eli: Wait what's that on the ground?

We went over and saw that it was a woman but what we saw REALLY WAS DISGUSTING! She was a mermaid that had her entire abdominal cavity ripped open and she was really busted apart as her organs were strewn all over the place in a bloody and gross fashion!

Nico closed her eyes.

May: Poor girl. (Sees something) Wait look.

We saw bloody footprints walking away from the corpse?

I went over to them and saw that they were baby footprints? What the?

Me: Baby footprints?

Qin: What the? How can that be?

Me: (Realizes something) Wait a second!

I scanned for any foreign DNA inside her and then it found a DNA signature that I thought I would NEVER see again!

Me: (GASP) Oh shit on my tombstone and fuck my corpse! I thought I was rid of that monster for good!

Nico: What is it?

Me: Our old enemy Patrick Ross is here!

Most of us gasped!

Lincoln: That Xenosian nightmare is back!?

Laney: I thought he was gone for good!?

Nico: I can't believe that bastard, Patrick Ross, is back yet again.

Lincoln: I thought I put him down last year with that poison blood attack on my rescue, well, it looks like he's going to learn the hard way.

Me: And through the Black Gates.

Xenia: And I'm going to transform to destroy him.

Lincoln: This is going to be interesting to see you transform, Xenia.

Nico: You said it, Lincoln, and this time, we'll be rid of that bastard for good.

Camie: Who is Patrick Ross?

Me: Right you guys don't know about him. He was an old enemy of ours that we faced during the teams old days and it's also on the day we got our lantern rings for the first time. He was the son of a senator and he became the first ever man to go to Mars while it was still a dead world.

I went over his history and it was NOT PRETTY!

---

Patrick Ross is the main antagonist in the 1998 film Species II. He was originally an astronaut but while on a mission on Mars he was infected with alien DNA that turned him into a monstrous being.

He was portrayed by Justin Lazard.

Patrick Ross and his three-person space crew arrive to Mars within 6 months. They first collect soil samples (and unknowingly find dormant alien DNA, which infects them by coming on board) and place the flag of the United States of America to symbolize that the human race has crossed the vast ocean of stars from Earth to Mars. A seven-minute time gap occurs at NASA, after which Patrick comes to and tells them there is no problem at all, looking forward to returning home to Earth, unaware that he and his crew have been exposed to the alien DNA contained within the soil samples.

Upon returning to Earth 6 months later, he and his crew are under strict quarantine in which they must not engage in sexual activity for ten days. However, Patrick begins to disregard the advice, as during the night of a fundraiser, he is seen making out with a woman known as the Debutante in a lounge room. When he is called to give a speech, the Debutante invites him to her hotel suite upstairs when he's done. After the fundraiser, he goes up to the hotel suite to find the Debutante accompanied by another woman she says is her sister. Later, he is seen having unprotected sex with the Debutante and then her sister, which results in both women undergoing accelerated pregnancies with his alien hybrid children, killing them in the process.

The next day after he takes his sons conceived through the Debutante and her sister to his family barn to hide them, he tries to consult with his father, unable to remember what happened after the fundraiser, but his father ignores his problems, believing his son will one day be the President of the United States, advising him to keep his priorities straight.

On the night of the final day of the quarantine, he is with his fiancée, Melissa, at his country lodge, and Melissa begins to try and have sex with him, but he doesn't feel up to it. She tells him to relax, that she will do all the work, and the next day, he awakes to find her dead and another hybrid child born. He decides to commit suicide and dresses in his military uniform, takes a shotgun, and blows his head off, just as his friend, Dennis Gamble watches. Seconds later, his head regenerates and the alien side of him takes control, with the drive to mate with as many women as possible and produce as much offspring as possible. His victims and the mothers of his children are mostly prostitutes and strippers, whom he either buries or leaves behind after they give birth to his children, taking the said children back to his family barn.

He later attempts to mate with another woman he finds at a supermarket and discovers that he is being watched through a telepathic link with Eve, who was bombarded with radiation to awaken her dormant alien genes to initiate telepathic contact with Patrick. He releases the woman and makes an attempt to get away, but is apprehended by Press and Dennis, who were looking for him. Unable to reach Eve when brought to the facility she's kept in, he escapes and heads back to the barn.

Burgess then confronts Senator Ross with irrefutable evidence of Patrick's infection and demands that he'll help bring Patrick in. Afraid that the military will kill Patrick instead, Ross deduces he is at the barn, which is on property listed in Patrick's late mother's maiden name. When Ross apologizes to his son for treating him so coldly and tells him they will seek treatment for Patrick's infection together, Patrick's human side returns and he tearfully embraces his father. Suddenly, the alien side violently reasserts itself, killing Ross. Completely broken to his alien instincts, Patrick helps his hybrid children to cocoon, awaiting their rebirth as adults so that they can mate with humans, hoping to eventually destroy mankind.

Meanwhile, Laura finds out that Dennis had resisted infection from the alien DNA due to his carrying a genetic flaw, and makes plans to infect the alien species with Dennis' DNA, as the species lacks immunity to human genetic diseases. As the team prepares, Eve breaks free from the lab to find Patrick. The team tails her, finds the barn and kills Patrick's brood. Eve and Patrick finally encounter each other, undress and amorously perform a mating ritual in which they quickly transform into their alien forms, but are interrupted by Press, who tries to get Eve to get away from Patrick. Patrick then transforms into an even more monstrous alien form and quickly overpowers Press and Dennis. Then Laura begs Eve for help, appealing to her human side. Eve impales Patrick with her back fins by extending them. But Patrick then turns on her and seemingly kills her. Press then stabs Patrick in the back with a pitchfork coated with Dennis' blood, causing Patrick to die and disintegrate, putting an end to his reign of terror against mankind.

Patrick is later given a funeral to remember the human that he was and not the alien beast that he became after going to Mars.

---

When I was done everyone was shocked and horrified!

Nico: WHOA!

Qin: That is horrifying!

Sirius: And disgusting too!

Tsuyu: Yeah!

I then went over the events of Chapter 124 and how we killed him the first time.

---

(X-Files Theme Plays)

It starts out in my room. I was looking up stuff on my computer when

I found a strange news report.

Me: What's this? "Series of unexplained murders have been petrifying Columbia, Maryland. Government facility believes that the murders are because of alien DNA that is inside astronaut hero Patrick Ross, son of United States Senator Judson Ross who made the first ever successful manned trip to Mars. Ross is impregnating women like crazy and is believed to be making children that will do the same and destroy the Earth." That's horrible! We have to stop him.

A mysterious blue light appeared out of nowhere and I heard a voice.

?: J.D. Knudson of sector 2814.

Me: Who said that?

?: Up here.

I saw where the blue light was coming from. It was from a Blue Lantern Power Ring. But this one was different.

Me: (Gasp) A Blue Lantern Ring.

Ring: Yes J.D. You have the capacity for great hope and the ability to instill hope into others. Should you choose to accept, you will be enrolled into the Blue Lantern Corps as the last Blue Lantern.

Me: Last Blue Lantern? What happened?

Ring: The Blue Lanterns were wiped out by the Red Lanterns in the dimension where this ring came from. As a last resort, it was created as an experiment to provide it with unlimited power and will never need recharging.

Me: That's terrible. I'm so sorry. I will carry on the Blue Lantern legacy and rebuild the Blue Lantern Corps.

I held out my hand and the ring went onto my right middle finger.

Me: IN FEARFUL DAY, IN RAGING NIGHT; WITH STRONG

HEARTS FULL OUR SOULS IGNITE; WHEN ALL SEEMS LOST IN THE WAR OF LIGHT, LOOK TO THE STARS FOR HOPE BURNS BRIGHT!

I now had a Blue and black sleeveless body suit and it had a sash that had the Blue Lantern emblem on it and the symbol of the Blue Lantern Corps was emblazened on my forehead.

I look at myself in the mirror and I saw that my eyes were ocean blue instead of green.

Me: Wow look at me. I look awesome as a Blue Lantern. Now I got to get a team together and if there are anymore Lantern Rings around then I have a feeling I know who they are for.

I slide down a the orange slide.

Lincoln was reading comics when I came in.

Me: Hey Lincoln.

Lincoln: Hey J.D. whoa! You're now a Blue Lantern!? This is amazing.

Me: I was shocked myself. Blue was never really my color but I look great.

Linka: I believe it.

Me: I have a story to tell. Lincoln can you get the girls, Naruto, Sasuke and team? I've got quite a story to tell.

Lincoln: Sure.

10 minutes later, everyone was gathered.

Lynn: J.D. you look incredible.

Me: I know. I'm actually the last Blue Lantern.

Linka: There are no more Blue Lanterns at all?

Me: No. The ring I have came from a another dimension. The Blue

Lanterns were wiped out by the Red Lanterns.

Lori: Where does the Blue Lantern Corp come from?

Me: They were based on the Planet Odym. A beautiful jungle planet that has lush jungles, beautiful oceans and is considered a very peaceful world.

Luna: That sounds amazing dudes.

Starfire: The planet Odym is a very beautiful planet. It's considered a vacation paradise for the people of Tamaran.

Raven: I've heard alot about Odym. It's beautiful and is considered as one of the most peaceful planets in the Universe.

Terra: That's amazing.

Luan: What does the Blue Lantern Corps do?

Me: Well that is a long story. Ever since the beginning of time, 7 rainbow lights that embody certain emotions were spread throughout the vast distances of the cosmos. These lights became known as the Emotion Spectrum. From Red to Violet. Red represents Rage, Orange represents Avarice, Yellow represents Fear, Green represents Will, Blue represents Hope, Indigo represents Compassion and Violet represents Love. Blue is what I am. I am a Blue Lantern of Hope.

Varie: That's incredible honey.

Jessie: Yeah. I never even knew such a power even existed.

Lynn: None of us have.

Lola: I wish I could be a Lantern.

Me: It doesn't work that way Lola. You have to emit a very strong emotion on the spectrum on the emotions I've said. Naruto, you have alot of hope in you. Would you like to become a Blue Lantern?

Naruto: I would be honored big bro.

Me: Ring, can you replicate yourself so that other members can join?

Ring: Yes I can.

Me: Great. Please replicate.

The ring became another Blue Lantern ring like mine.

Naruto held out his hand and the ring went on to Naruto's middle finger. Naruto recited the oath and his clothes were now blue and black.

Naruto: I look awesome.

Sakura: You sure do Naruto.

Then a violet light shined in.

?: Sakura Haruno of Sector 2814.

Sakura: Who's there?

Me: Sakura look above you.

I pointed above her and she saw a Violet Lantern Power Ring.

Sakura: Are you a Violet Lantern Ring?

Ring: Yes Sakura. You have great love and have felt great loss in your heart.

Sakura: Yes. But I love Naruto as much as we all do.

Ring: Yes. You can help him. Take our ring and recite our oath.

The ring went onto Sakura's middle finger and she recited the Violet Lantern oath.

Sakura: FOR THOSE WHOSE HEARTS ARE FULL OF FRIGHT, FOR THOSE ALONE IN BLACKEST NIGHT, ACCEPT OUR RING AND JOIN OUR FIGHT, LOVE CONQUERS ALL WITH VIOLET LIGHT!

Sakura now had a violet sleeveless battle suit and skirt and she had purple boots and her headband had the Star Sapphire Symbol on it. Sakura looked in the mirror.

Sakura: I look incredible.

Naruto: Sakura you do look amazing.

Sakura: Thank you Naruto.

Me: Star Sapphire's have the same function to replicate their rings. Star Sapphires come from the planet Zamaron. It's a crystal planet home to a warrior race.

Starfire: Zamaron is widely feared on Tamaran. My people and the Zamarons have been in an endless verbal war with eachother.

Laney: A interstellar cold war. I've seen these in science fiction novels.

Starfire: Yes. They are very powerful people and they have immortality and cosmic level energy manipulation powers.

Naruto: Wow. That's incredible.

Fu: No kidding.

Sakura replicated her ring and made one for each of Naruto's future wives.

Everyone received a power ring from each of the Lantern Corps. Lynn, Flame Princess, Kiba, Moka, Volcana, Ronnie Anne, and Sasuke received Red Lantern Rings. They came from the Planet Ysmault.

Lola, Lori, Lady Tsunade (Young), and Lisa received Orange Lantern Rings. They came from Planet Ookara.

Rock Lee, Laney, Leni, Jessie, Clyde, Woody, Beast Boy, Robin, Liam, Cyborg, Zach, Gabrielle, and Penny got Green Lantern Rings.

Lana, Jeri, Aylene, Kushina (Young), Terra, Riley, Boruto, Lily, Kole, Lincoln, Edd, Ed, Linka, and Luna were now Blue Lanterns.

Lucy, Luan, Shino, Itachi, Sasuko, Argent, Raven, Choji, Eddy, Bumblebee and Tabby were now Yellow Lanterns.

Sansho, Kushina (Adult), Hinata, Sarada, Himawari, Varie, Max, Nudge and Angel received Indigo Lantern Rings.

Me: All right now that we're all Lanterns we have a new mission. An alien presense has been terrorizing Columbia, Maryland and the culprit is Patrick Ross.

Laney: Patrick Ross? Didn't he just get back from Mars?

Lisa: Affirmative Laney. He became the 1st ever man to land on Mars and collect samples of the soil and dust.

Me: That's right. He was infected by alien DNA and his humanity was destroyed. He wants to bare children that will replace humanity as the dominent species of this planet.

Starfire: That's horrible!

Terra: Yeah. We have to stop him.

Linka: And we will.

Me: All right. We are now known as Team Rainbow Emotion! Lets roll!

We all fly to Columbia, Maryland and in 2 hours we arrive at a government research facility.

Lincoln: What are we doing here J.D.?

Me: Patrick is here. I can sense it.

We all run in and we saw Patrick attacking the crew in order to get to a woman named Eve.

Patrick: Open the door! NOW!

I fire a blue beam at Patrick and it analyzed him.

Ring: Analysis confirmed. Patrick Ross has been contaminated with DNA from the Xenosian Species. Xenosians are a predatory hybridized race that have been notoriously feared throughout the Universe. Their goal is to replace all life in the Universe with their kind and make it all populated by only their kind.

Me: That's crazy! That's intergalactic bigotry! Ring what planet do the Xenosian's come from?

Ring: The planet they come from is located in the Andromeda Galaxy. It's name is Xenos IX.

Me: The Andromeda Galaxy? That far away? That's amazing.

Lincoln: We have a lifeform from the Andromeda Galaxy? Incredible!

Lola: How can these creatures be that evil?

Laney: They just are and they need to be wiped out.

Moka: Agreed.

Me: Ring can you cure Patrick and make him human again?

Ring: Negative. Patrick is too far infected to be cured. Termination is highly recommended.

Me: Well then lets blast him.

I fire a stream of fire at him and it burned him bad. But he regenerated and revealed his true form.

Varie: [To Patrick] You're one ugly freak of nature.

Laney: Whoa! He is ugly!

Me: He is really ugly. And I thought Orochimaru was hideous.

Lana: Me too. He is worse.

Me: Varie you go help the woman over there. We'll hold him off.

Varie: Okay.

Varie ran to her and I fired lightning at Patrick.

Laney entangled Patrick in bramble vines and he was trying to break out of them.

Laney: He's really strong.

Me: You can do it Laney!

Press and Dr. Laura came and helped us.

Press: Eat this you freak! [fires his gun at Patrick's head]

But the bullets weren't having any effect on him.

Lola: Bullets can't stop him! Lets see how he likes fire. [Throws a fireball and it hits Patrick and his head explodes] Gotcha!

But Patrick regenerates his head.

Lana: He grew his head back. How about some ice? Mizore?

Mizore: Don't mind if I do.

Lana and Mizore fired a stream of blue wind and it froze Patrick's arms and they shattered off and he roared in pain. But he regenerated his arms.

Lana: Ice won't work either.

Me: What will it take to kill this monster?

Ring: Xenosians absolutely dislike diseased human blood and any small amount of it will kill them.

Me: That's interesting. Diseased blood.

Dr. Laura: We have blood samples in storage.

Me: Go get them quick!

Dr. Laura ran and went to get the blood. Lisa went with her.

Varie was talking to the woman.

Varie: So you were crafted by Xenosian DNA infused into an embryo Eve?

Eve: Yes.

Varie: That's very interesting. But I want to tell you. Patrick is a monster that wants to destroy all of mankind.

Eve: Yes. I realize that now. I don't want to reproduce and mate anymore. I want to help humanity out and make the world a better place. But I can't fight my mating urges.

Varie: I might be able to help you with that.

Eve: Okay. Go for it.

Varie: Here goes.

Varie fired a blue ring beam and it made her sterile.

Varie: It worked.

Eve: Now get me out of here. I want to help you all.

Hinata appeared and she gave Eve an Indigo Lantern Ring.

Hinata: You can help us all out with this.

Eve: Okay. Thank you.

Eve put the ring on her right middle finger and recited the Indigo Lantern Oath.

Eve: TOR LOREK SAN BOR NAKKA MUR, NATROMO FAAN TORNEK WAT UR, TER LANTERN KER LO ABINSUR, TAAN LEK LEK NOK FORMORROW SUR!

Eve now has an indigo staff and animal hide clothes and tattoos of the Indigo Tribe on her body.

Eve: Thank you for helping me Hinata.

Hinata: Nok. Your welcome Eve. Now lets get Patrick.

Eve: Lets.

Varie: Come on.

Varie, Eve and Hinata went back to the fight and hit Patrick with light beams.

Lisa and Dr. Laura arrived with the blood.

Lisa: Okay I hope this is enough to destroy him.

Dr. Laura: Yes Lisa. This blood has HIV in it.

Naruto took out a kunai and handed it to me.

Me: Thanks bro.

I take the blood and coat the kunai in it.

Me: Lets see you taste this Patrick!

I throw the kunai and it impaled him in the back and it was burning him like acid.

Varie: Whoa! Diseased blood burns Xenosians like acid!

Eve: That is very potent.

Hinata: Nok. It'll be the end of him in a few seconds.

Lola: Nonetheless at least we won't have to see Patrick's ugly face ever again.

Lucy: Agreed. He really was a monster. A true monster that needed to be destroyed.

Aylene: Yeah. I don't like aliens. No offense Starfire.

Starfire: None taken Aylene.

Me: Lets finish him off. Lisa can I have the rest of the blood?

Lisa: Certainly J.D.

She hands me the blood pouch.

Me: Hope you're thirsty.

I threw the blood and it splashed all over Patrick and completely dissolved him into green slime.

Lola: Gross!

Penny: That was yucky!

Lily: No kidding. It's hard to imagine that he went from hero of man to a ruthless and remorseless alien killer.

Leni: I'm glad he totes got what he deserved.

Luna: No kidding dude.

Luan: He sure was Alienated! [Rimshot] [Laughs] Get it?

Me, Varie, Aylene, Eddy, Jeri, Jessie, Naruto and Sakura laughed.

Me: (Laughs) Good one Luan.

Lincoln: But how did this facility get alien DNA all the way from the Andromeda Galaxy?

Me: Yeah. That's what we would like to know. The Andromeda Galaxy is 2.3 million lightyears away from Earth.

Press: Well it was back when we sent a message into space with SETI.

Dr. Laura: It was with the Arecibo Message.

Lisa: Fascinating and yes I am familiar with the Arecibo Message. It's an interstellar radio message that was sent into space.

Me: I've read about that. It's a radio dot code message that shows information by color. It was created in 1974. White is the numbers 1 through 10, purple is the atomic formulas of Hydrogen, carbon, nitrogen, oxygen and phosphorus, Green is the nucleotides sugars and bases, Blue & White is the DNA double helix structure, Red, Blue/White & White respectively is a human, the physical height and dimensions of a human and the number of people on Earth, Yellow is the Sun and our Solar System's 9 planets and Purple, White and Blue is the Arecibo Radio Telescope where it was sent from in Puerto Rico.

Dr. Laura: That's right. We received a message back and it was a genetic code and we replicated it and experimented with it.

Varie: That's dangerous. You guys were playing with fire.

Press: Yes. We had an encounter with this alien before. It was 3 years ago. We almost got ourselves killed because of it.

Laney: It sounds like the Xenosians have been nothing but trouble to you all.

Dr. Laura: Yeah.

Eve: I can't believe that I'm a hybrid of a race that wants to destroy the Universe.

Varie: Not destroy. Replace. The Xenosians want to replace all life in the Universe with only their kind.

Lucy: That is just despicable. I may be a girl of darkness but that is going way too far.

Gabrielle: (British Accent) I agree Lucy.

Press: Well hopefully we've seen the last of the Xenosians.

Me: Not quite. Patrick has children at his home and they're coming here.

We turn toward the exit and we all see lots of young boys turning a corner in a hall.

Me: Whoa. Patrick sure was busy all by himself. I can't believe he killed so many people and all these boys are the result.

Lincoln: How many are there?

Sakura counted them.

Sakura: There's 30 of them.

Linka: Patrick sure has moved fast.

Eve: They have to be destroyed.

Aylene: I agree. There's only one place for them: The Sun.

Varie: Go to it Aylene.

Aylene had a blue aura around her and she entombed all the boys in a blue bubble and she took off.

She went into space and approached the Sun.

Aylene: Wow! I didn't know the Sun was this big up close.

She released the bubble and the alien boys were vaporized instantly.

Aylene: That's that.

She went back and landed.

Later we decided that the Xenosian DNA was too dangerous to use for all of Humanity and it all had to be destroyed immediately. We all gathered up everything from the experiments and DNA and Lola, Flame Princess and Sasuke incinerated everything related to it. Eve decided to help everyone in Team Rainbow Emotion. We had a press conference in Washington D.C. and explained everything. Everyone all over the world was shocked and horrified. But we saved the entire Universe from a horrible and disgusting fate.

---

When I was done everyone was amazed!

Nico: Wow! So that's how you guys got your lantern rings!

Eli: That is amazing! But Patrick is a monster!

Laney: Yeah. He went from human to alien abomination in an instant.

Magine: This is turning out to be a horror filled day. And it's getting my blood pumping!

Nico: Yeah and wew meet the Ghost Riders soon.

Eli: This is perfect for this.

Lola: We got to find the baby that did this though.

Me: Xenosians grow really fast so it won't be too hard to find. Especially with this blood trail.

Eli: Lets burn this body first.

Aylene C.: Good idea.

I fired a blast of fire and incinerated the body into ashes.

Nico: Rest in peace.

Me: Yeah.

We went and followed the tracks and then we saw something on a rock.

Me: What's that?

We saw a baby.

Me: There's the baby.

Nico: Look how fast he grew. He looks like he's 3 years old now.

Me: Xenosians have an accelerated growth span.

Lola: Yep.

He saw us.

I looked at it with demonic red eyes.

He then transformed into a HIDEOUS FREAK OF NATURE AND SNARLED FEROCIOUSLY!

Nico: WHAT THE FUCK!?

Eli: HORRIFYING!

Qin: Yeah!

Me: But he doesn't like Fire!

Nico: NUOVA STAR!

The 4-Star Dragonball on Nico's bracelet glowed and Nico threw a ball of fire and it hit the alien baby and he exploded into a massive pillar of flames and was incinerated in an instant!

Me: That's it for that horrible offspring.

Nico: Now to find Ross.

Eli: He's close. I can feel it.

Qin: He can't be too far behind.

Nico: Stay alert everyone.

We walked around some more and then we heard crying.

Me: Crying?

Eli: Look there.

We saw a little girl and she was a mermaid with angel wings and she had black hair.

Qin: Oh no.

She went up to her.

Qin: Are you okay?

Winged Mermaid: (Crying) A monster! He killed my mother!

Qin: (Gasp) Oh man.

Qin put her hand on her shoulder.

Qin: It's gonna be okay. You're safe now. You're among friends.

Winged Mermaid: Who are you?

Qin: My name is Qin Chen. I'm one of the members of Team Loud Phoenix Storm.

Mara: Oh wow! You guys are legends all over. My name is Mara.

Qin: Pleasure to meet you. Was that mermaid we saw earlier that was killed your mother?

Mara: Yes. (Crying!) She told me to run as he killed her!

Qin hugged her.

Qin: It's okay Mara. It's okay. I'll take care of you.

Mara: You will?

Qin: I sure will.

She hugged her and Qin had officially adopted Mara.

Nico: Congrats, sis.

Qin: Thanks Nico.

Eli: (Senses something) Uh oh. We got company.

We saw a figure coming towards us and it was a man in a blue bloody shirt and black pants and it was PATRICK ROSS AND HE WAS BEYOND PISSED!

Me: Patrick Ross!

Patrick Ross: You took everything from me!

Me: We had to Patrick! You are a danger to the entirety of the human race!

Patrick Ross: Humanity is a menace to my people!

Me: That's a lie Patrick! You were going to kill them all! You killed 30 people that day!

Patrick Ross: And I will continue to kill!

Nico: And killing someone's mother today isn't enough for you?!

Qin: You took an innocent little girls mother away from her and made her an orphan!

Me: I can't believe this monster made you into a ruthless killing machine Patrick! Not only that but you killed your own father! You assassinated your own father in cold blood! This monster made you this way! Is there one single shred of humanity still left in you!? Any at all!?

Patrick Ross: That side of me is gone for good!

Me: You really are lost! This monster robbed you of the very man that you once were! You were a hero that went to mars and you became a man that inspired many people for many years to come. Now you are nothing but a savage and remorseless killing machine hellbent on destroying life in the entire universe! In fact Patrick, I feel sorry for you.

Patrick Ross: Why?

Me: Because you were human once and look at you now. You let this monster take over your body and kill your humanity.

Nico: In fact J.D. did the right thing by killing you. Otherwise the body count would have been much higher.

Varie: Yeah!

Me: You killed your own father, the man that once thought you were going to become the President of The United States. But now that you are this monster, there is no hope for you.

Maria: Yeah! You are a former shell of the man you once were.

Kaito: (gets out Drive gear) Now, all that's left is to put you out of your misery!

Zocks: (gets out Ghost gear) This is for Takeru.

Kaito got a Drive Sword and Zocks got a Ghost Sword!

Me: You really went beyond the Moral Event Horizon, Patrick. The man you once were deserves a proper burial.

But then I sensed a tiny spark of his humanity still there.

Me: There is hope left!

I fired a beam of light and it hit him and separated him! His human side was now outside and his alien side in its human form was there too!

Patrick Ross: I'm free! I'm Free!

He went over to me! He hugged me.

Patrick Ross: Thank you J.D.!

Me: You're welcome Patrick.

Patrick Ross: And I'm ready to face the consequences.

Me: I understand. But we still have your alien half to deal with.

His Alien Side turned into a HORRIFYING AND SCARY NIGHTMARISH QUADRUPEDAL MONSTROSITY! IT ROARED INCREDIBLY FEROCIOUSLY!

Nico: WHAT THE FUCKING HELL!?

Me: WHAT THE FUCKING HELL!?

Eli: YOU ARE ONE UGLY MOTHERFUCKER!

Patrick Ross: THAT'S MY ALIEN HALF!? (CRYING) WHAT HAVE I TURNED INTO!?

He dropped to the ground in guilt and cried hard!

Nico: Time to kill this monster!

Me: It hates Diseased blood!

I took out a dagger and slashed my wrist and coated the dagger in my poisonous blood!

Nico fired fireballs at the creature and it roared in pain as it was being burned by the explosions!

KRABBBOOOOOOMMM! KRABBBBOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMMM! KRABBBBBOOOOOOOMMMM!

It was roaring in agony!

Lola: Take that!

Xenia the Xerenas: That's right, and I've had it up to hear with you to last an eternity.

Suddenly, Xenia the Xerneas' blue eyes turn neon blue, and she was surrounded by a rainbow energy aura with elemental forces, deer, trees, and crystals, and as she approached Patrick Ross, she left rainbow energy, elemental forces, deer, trees, and crystals with every step.

Xenia the Xerneas: Patrick Ross, I will never forgive you for what you've done in killing so many innocent people and trying to wipe out humanity with your alien spawn. This time, I will make sure that you stay dead for good, and you will never come back.

Suddenly, Xenia the Xerneas was surrounded by a massive vortex of rainbow energy with elemental forces, trees, and colorful crystals surrounding it, there's Xerneas running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Xenia the Xerneas emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Xenia the Xerneas grew to 6'11" in height, she has the body of a goddess, she has rainbow highlights in the bangs of her long flowing blonde hair, she has neon blue eyes and a rainbow energy aura with elemental forces, deer, trees, and crystals surrounding her, she has Xerneas with the Sun in its antlers emblazoned on her forehead, she has Xerneas earrings with rainbow gems for eyes and the Element and Eternity Kanjis in its antlers and her Elemental Phoenix Necklace of Eternal Love with rainbow gems in the gold flame links and rainbow crystal links when her Crystal Necklace of The Buddha merged with her Elemental Phoenix Necklace of Eternal Love and a rainbow deer-shaped Element of Harmony and on the bottom of the Element of Harmony is Xerneas with rainbow gems for eyes and the Element and Eternity Kanjis in its antlers, she has on a sleeveless dark blue midriff top, blue skirt with Xerneas on it, blue pants, dark blue knee-high high-heeled boots, and a long white sleeveless trenchcoat with elemental forces, deer, and trees on the coattails and on the back is Xerneas with elemental forces surrounding her. Suddenly, Xenia the Xerneas felt a sharp pain on her back, and then, massive blonde angel wings with multi-colored tips on the feathers, grew and sprouted out from her back, she has on a Ring of The Phoenix with rainbow gem and heart-shaped gem embedded in it on her right ring finger and White Lantern Ring on her left ring finger. Xenia the Xerneas has a brand-new large broadsword in her right hand called Xerneas' Elemental Life Broadsword of Eternal Life Justice, it's a brand-new large broadsword with Xerneas etched on the 7'0" massive, wide, double-edged gold blade, large gold deer heads for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, four large gold deer heads with rainbow gems for eyes and on the bottom of the deer heads is a large rainbow gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with rainbow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Xerneas' head with rainbow gems for eyes and a large rainbow gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a rainbow kanji below Xerneas that said, "Xenia the Xerneas, the Legendary Pokémon, Sister of Yvetal, Giver of Life, Loving Future Wife of James Dean Knudson, Despiser of Bullies, Destroyer of The Villain Teams of The Many Regions, Destroyer and Slayer of of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Friend of Many, and Master of Elemental Forces, Life, Fairy Aura, and Deers"

ゼニア・ザ・ゼルネアス、伝説のポケモン、イヴェタルの妹、生命の贈り主、ジェームス・ディーン・クヌードソンの愛する未来の妻、いじめっ子の軽蔑者、多くの地域の悪党チームの破壊者、悪の破壊者とスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、多くの友人、エレメンタルフォース、生命、妖精のオーラ、鹿のマスター

Xenia the Xerneas has transformed into SUPER ANGEL ETERNITY INFINITY LEGENDARY XERNEAS LIFE FAIRY AURA ANGEL OF DIVINE FAIRY LIFE AND DIVINE AURA LOVE!

We were amazed by Xenia the Xerneas' Super Angel Eternity Infinity transformation, and when I saw Xenia the Xerneas, I had an atomic red blush on my face and hearts in my eyes, and my nose was bleeding. But, when Patrick Ross saw it, he went mad and transformed into his ugly alien form and he tried to kill her, but Xenia the Xerneas threw a bag of sickle cell blood which splashed on him and it burned him like acid, and she fired a powerful rainbow energy blast with fairy aura, elemental forces, deer, colored crystals, and trees, which hits Patrick Ross and it hurt him really badly, and it pissed him off badly.

Me: Whoa, Xenia, you look beautiful. How do you feel?

Xenia the Xerneas: (Divine Echoing Cosmic Voice of The Legendary Xerneas and Divine Fairy Life) **I feel incredible, J.D. Now, to take care of this ugly monster.**

Xenia the Xerneas went after Patrick Ross, and she fired powerful blasts of rainbow energy, elemental forces, colored crystals, deer, fairy aura, and trees, which exploded with incredible power as they hit him. Then, she attacked him with her brand-new large broadsword and she left painful bleeding scars on him as he screamed in excruciating pain and I also transformed into Super Angel Infinity Xelnaga and unholstered my massive sword from my wider and muscular back and went to help Xenia, and I also attacked the ugly bastard with my massive sword, and left painful scars on him, and he was also burned because the blade was also coated with sickle cell blood from a bag I took out. and as his spirit appeared, I drew a kanji on his forehead, and he was found guilty by the many people he's killed on his rampage, and he was being erased by The Black Gates.

I then threw my dagger and it stabbed him right in his black heart!

FEROCIOUS ROAR OF AGONY!

Nico: That has to hurt!

Mara: Nice throw!

Qin: YEAH!

The blood was dissolving him and he died in an instant as he turned into a pile of green slime!

Qin: GEEZ!

Mara: Yuck!

His spirit appeared, I drew a kanji on his forehead, and he was found guilty by the many people he's killed on his rampage, and he was being erased by The Black Gates.

Alien Patrick Ross: DAMN YOU, J.D. KNUDSON! (Fades Away)

Nico: Good riddance.

Eli: Yeah!

Patrick was crying hard. But he knew that he had to face the consequences of his crimes. So he was ready to go to jail.

Me: Are you sure you want to go to prison for everything Patrick?

Patrick Ross: (Crying) It's what I have to do to atone for everything I did. I hurt so many lives and I don't deserve to walk the world again.

Qin: (Sympathetically) Patrick.

Patrick Ross: (reaches for Shinnosuke's door gun) In fact-

Shinnosuke: (pulls it away) Oh no! You're not committing suicide!

Me: Patrick you tried to kill yourself before and it didn't work. That's what lead to your alien half taking over.

Patrick Ross: You're right. I'm ready to go to jail.

Me: Okay.

I snapped my fingers and beamed him to the Uranus Prison. He will be cared for by the guards after I tell them everything when we get back.

Me: We still have the Another Omnitrix Alien to find.

We then saw a figure in the sky and it looked like a bird.

Nico: What's that?

Fluttershy: Is that a bird?

Me: No I think it's…

It was a Black Evolved Necrofriggian!

Me: It's an Another Ultimate Big Chill!

It landed in front of us!

Qin: WHOA!

Mara: Wow! That is cool!

Nico: This is gonna be a cold one.

Another Ultimate Big Chill: (In a girls voice) It sure will be.

Me: (Gasp) That voice! Anastasia Tremaine XXIII!?

Another Ultimate Big Chill: That's right. Awesome to see you again J.D.

Nico: Wait. Tremaine? Are you related to…

Another Ultimate Big Chill: Yes. I am the descendant of Lady Tremaine.

Me: That's Cinderella's evil wicked stepmother. I didn't know she and Drisella and Anastasia were your ancestors.

Albedo turned into Negative Big Chill and then into Negative Ultimate Big Chill.

Negative Ultimate Big Chill: I have a feeling she's based more on Anastasia.

Me: Yeah. Anastasia never talked about her ancestry.

Another Ultimate Big Chill: Yes. The reason is because I hated my ancestor Lady Tremaine.

Nico: Join the club. We hate her and Drisella just as bad. The reason is because they killed Cinderella's father.

Qin: We found out that they poisoned him just to get his money and power.

Eli: What a heartless fiend!

Earth: Yeah no kidding there!

Another Ultimate Big Chill: Yeah.

Nico: But how do you know her J.D.?

Me: Anastasia is a Pizza Delivery girl and I helped her deliver pizzas to the most impossible of places. I helped her deliver a pizza to the Arctic and got her a huge tip.

Another Ultimate Big Chill: I didn't have powers back then but now I do. I got beautiful red, orange and yellow butterfly wings. And endothermic fire powers.

Qin: That is cool.

Mara: Yeah!

Lola: Wow!

Me: Also I take it you heard about your ancestor being exiled?

Another Ultimate Big Chill: I sure did. I still don't see why you keep Lady Tremaine alive on that planet.

Nico: (activates Trumbipular's Ridewatch) Because she's nothing compared to the likes of Maleficent. She's even one of the classic Disney villains not affliated with Maleficent.

Another Ultimate Big Chill: Good reason.

Nico activated it and he got Trumbipular's legs like Tusk does for Zyuohgers!

Nico: Whoa that was weird.

Nico jumped.

Nico: (SINGING DIVINELY AS THE EYES OF TRUTH BY ENIGMA PLAYS)

The Eyes of Truth

Are always watching you

Alsyn Gazryn Zeregleenn

Aduu shig mal shig torolzonoo khuoo

(In the distance the mirage stands out like horses and cattle.

Very glad to see my beloved son.)

Je me regarde (I look at myself)

Je me sens (I feel myself)

Je vois des enfants (I see the children)

Je suis enfant! (I am a child!)

Nico had leaves and elephants swirl around him and then…

KRASMASH!

He smashed onto the ground and huge trees grew instantly!

Me: YEAH!

They knocked Another Ultimate Big Chill all over.

Maria: Tusk would be proud.

Me: He sure would!

Mara: Wow! That song was cool.

Qin: We all have awesome voices Mara. Watch this one.

She used the core medals for Captain Cold, Blizzard Lord and Evil Ice Man.

Her sword turned into a blade of subzero arctic cold!

Nico: Bonechilling cold!

Qin: Wow!

Mara: Cool!

Mara was flying with her wings.

Qin: Yeah! (Activate's Captain Cold's Ridewatch)

(ANGELS BY WITHIN TEMPTATION PLAYS)

Qin: (SINGING DIVINELY AS ICE AND ANGELS SWIRL AROUND HER AND HER EYES GLOWED NEON BLUE)

Sparkling angel, I believe

You are my saviour in my time of need

Blinded by faith, I couldn't hear

All the whispers, the warning's so clear

I see the angels

I'll lead them to your door

There's no escape now

No mercy no more

No remorse 'cause I still remember

The smile when you tore me apart

You took my heart

Deceived me right from the start

You showed me dreams

I wish they'd turn into real

You broke the promise

And made me realise

It was all just a lie (just a lie)

Sparkling angel, I couldn't see

Your dark intentions, your feelings for me

Fallen angel, tell me why

What is the reason? The thorn in your eye

I see the angels

I'll lead them to your door

There's no escape now

No mercy no more

No remorse 'cause I still remember

The smile when you tore me apart

You took my heart

Deceived me right from the start

You showed me dreams

I wish they'd turn into real

You broke the promise

And made me realise

It was all just a lie

Could have been forever

Now we have reached the end

This world may have failed you

It doesn't give the reason why

You could have chosen a different path in life

The smile when you tore me apart

You took my heart

Deceived me right from the start

You showed me dreams

I wished they'd turn into real

You broke a promise

And made me realise

It was all just a lie

Could have been forever

Now we have reached the end

She spread wings of ice and danced and fired waves of ice and Another Ultimate Big Chill fired a massive blast of black endothermic fire and the blasts hit and a massive crystal cluster exploded out and formed!

Nico: WHOA!

Qin: That was cold!

Vroon avoided an endothermic fire blast.

Vroon: Nice try! But now, I'm wise to Big Chill's tricks!

Me: That's right! But that was cool! Lets see how you like this one. (Activate's Radioactive Man's Ridewatch)

(POISON BY ALICE COOPER PLAYS)

Me: (SINGING DIVINELY AS EXPLOSIONS AND FIREWORKS BLAST ALL OVER ME)

I wanna love you but I better not touch (don't touch)

I wanna hold you, but my senses tell me to stop

I wanna taste you but your lips are venomous poison

You're poison, running through my veins

I don't want to break these chains

Your mouth, so hot

Your web, I'm caught

Your skin, so wet

Black lace, on sweat

I hear you calling and it's needles and pins (and pins)

I wanna hurt you just to hear you screaming my name

Don't want to touch you but you're under my skin (deep in)

I wanna kiss you but your lips are venomous poison

You're poison, running through my veins

You're poison

I don't want to break these chains

Poison

Runnin' deep inside my veins

(Poison) I don't want to break these chains (poison)

I danced and fired a wave of fire and it formed into hot and sexy girls in sadomasochistic clothes and they walked over to Another Ultimate Big Chill as explosions blasted all over and fire formed around them and they hugged her and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down!

May: WHOA! That was awesome!

Qin: YEAH!

Nico: Wow! Alice Cooper would be proud!

Me: I love many of his songs!

Tracer: Cheers, love! The calvalry's here!

She fired waves of energy and smashed her all over.

Me: Awesome! TALLYHO!

Tracer: Nice love!

Mara: May I try one?

Qin: Sure Mara.

Mara: My mom sang me this. (DIVINELY SINGING BEHIND WALLS OF STONE BY DAVID ARKENSTONE)

Post muros lapideous

She glowed in a powerful aura of blue energy and then she fired a powerful blast of lightning and it hit Another Ultimate Big Chill and knocked her down and then to our surprise, I caught the Ultimate Big Chill Ridewatch and purified it and we were shocked!

Nico: WHOA!

Eli: WOW! That was unbelievable!

Then a Lightning Elemental of MTG came!

Nico: WHOA! A Lightning Elemental!

Lightning Elemental: (In a girls voice) (Russian Accent) Aw shoot! I missed my entrance!

Nico: Xenia Orromov!? Wow!

She reverted back and was a girl with purple hair and purple clothes.

Xenia Orromov: Awesome to see you again comrade Nico.

I went over to Anastasia and picked her up.

Anastasia Tremaine XXIII: (Groans) What a headache.

Me: You're okay now.

Xenia Orromov: That was amazing though.

Qin: Wow! Way to go Mara!

Mara: That was awesome!

Me: Wow! How did you do that?

Mara: I have this mysterious power that enables me to use the elements every time I sing songs.

Tracer: That was most amazing love.

Xenia Orromov: Really amazing!

Nico: You can still get a chance to show off your powers in the bonding time today.

Xenia Orromov: Good idea. But it's great to see you again Nico.

Nico: Same here Xenia.

Qin: Wow! My own daughter is growing up fast.

Mara: And I'm proud to be your daughter new mom.

Nico: So awesome.

Tracer: What's your favorite memory of Nico, Xenia?

Xenia Orromov: Well I make the best fruit noodles ever. I made Nico my famous Chocolate Banana Dessert Noodles. They are noodles made with bananas and they have chocolate sauce on them.

Qin: Man I remember those noodles. They were so delicious.

Maria: Wow those sound tasty.

Lola: Yeah! We'll have to try some.

Nico: Yeah.

Xenia Orromov: I'm also a history wiz. Me and Nico did a project on the Russian Bolshevik Revolution of 1918 and what lead to the Tsarhood falling from power and we got an A+ on it.

Nico: Good times.

Qin: That was amazing. I remember that.

Varie: Wow!

Nico and Xenia hugged.

Nico: I've missed you Xenia.

Xenia Orromov: Me too Nico.

We later went back home and we told everyone what happened and more and I later went to the Uranus Prison and told the guards what happened with Patrick Ross. He was sentenced to 30 Life Terms in prison without parole. But he was gonna be there for a long time. But in the eyes of many it was not his fault. The Alien inside him MADE him do it. The guards and some of the inmates there took pity on him. They would give him plenty of kindness and compassion.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Tyler Bowman are heading to the world of The Witcher, and not only is Lincoln going to rescue the three girls here, but we're going to destroy Emhyr var Emreis.

Lincoln: Whoa, we're here in the world of The Witcher, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're going to destroy Emhyr var Emreis.

Me: That's right, big guy.

Lincoln: And it's great that we're exploring the world that you all came from, Adda the White, Abigail, Celina, Deidre Ademeyn, Sabrina Glevissig, Morenn the Dryad, Shani, and Triss Merigold.

Adda the White: It's been some time since we've last been here.

Sabrina Glevissig: And now, we'll have a chance to put an end to

Emhyr var Emris.

Lincoln: I know, and what you girls told me about him, he's a tyrannical monster who needs to put down for good. And thanks for joining us, Tyler.

Tyler Bowman: You're welcome, Lincoln. And if I'm not mistaken, there's no doubt we'll also run into the legendary Witcher, Geralt of Rivia.

Lincoln: And he'll also be after Emhyr var Emris, no doubt. But, first things first, time to expose his crimes to the people.

We were right near Nilfgaard, the capital of The Nilfgaardian Empire and we were also hiding in the shadows. Then, Lincoln projected the crimes of Emhyr var Emris and when the people saw it, they were truly horrified: Emhyr var Emris wasn't the great emperor the people saw him as: he was now exposed as a tyrannical extremist and who attempted to commit incest with his own daughter, Ciri, and it caused the people to leave in droves.

Lincoln: Excellent. Now, to cause some chaos and carnage within the soldiers.

Then, Lincoln had casted a curse and the troops of the Nilfgaardian Empire began seeing their own comrades as demons, and one by one, they began killing each other until there was nothing left but pools of blood.

Nico: Whoa, not only did you expose Emhyr var Emris for the villain that he really is, but your curse that you casted on the soldiers caused them to see their own comrades as demons and they began to kill each other.

Me: That's truly what I call chaos and carnage.

Kotarō Fūma: Quite disruptive of you, Lincoln, exposing a man's lies to the people he rules over and causing some chaos with that curse of yours, truly impressive.

Lincoln: Now, to take care of Emhyr var Emris.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of three girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, along with Geralt of Rivia and Ciri, but they've been cornered by Emhyr var Emris, and he's going to kill them.

Lincoln: Time to dethrone that tyrant, guys. I've found the three girls, along with Geralt of Rivia and Ciri, but they've been cornered by Emhyr var Emris, and he's going to kill them.

?: (Irish Accent) Let's put an end to him for good.

Suddenly, we saw the Duel Monster, Nekroz of Areadbhair, appear before us.

Nico: Whoa, that's the Duel Monster, Nekroz of Areadbhair, awesome.

Lincoln: And I'd recognize that Irish accent from anywhere, I knew it was you, Meridia Draganuisce, but we'll talk later, we must strike down Emhyr var Emris while the capital's now in chaos with its people leaving and its soldiers killing one another thanks to my curse.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Acheron, and it allowed the three girls to get away. When Geralt of Rivia and Ciri saw us, they were honored to see us, but when Emhyr var Emris saw us, he was enraged.

Emhyr var Emris: First, my subjects flee in droves and my soldiers have been killing each other, and now, you show up, Team Loud Phoenix Storm?! How many annoying pests do I have to put down?!

Lincoln: Your crimes have already finally caught up to you, Emhyr var Emris. And shall I tell you a little something: I was the one who projected all your crimes to your people and I was the one who put that curse on your soldiers and made them kill each other. It was only a matter of time before your crimes would catch up to you, and now, it's time to pay the price.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Tyler Bowman, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Emhyr var Emreis, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Geralt and Lincoln casted Igni and fired stream of fires, and it hits Emhyr var Emreis, and the fires incinerated him and Lincoln painted a kanji on his forehead and he was found guilty by all those he killed and he was erased by The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Geralt of Rivia: Thanks for the assistance, Team Loud Phoenix Storm, and it's also good to see you all again, Adda the White, Abigail, Celina, Deidre Ademeyn, Sabrina Glevissig, Morenn the Dryad, Shani, and Triss Merigold.

Adda the White: You too, Geralt.

Me: It's indeed an honor to meet you, Geralt.

Geralt of Rivia: You too, J.D., and I'm glad that Adda the White, Abigail, Celina, Deidre Ademeyn, Sabrina Glevissig, Morenn the Dryad, Shani, and Triss Merigold are now part of your harem, Lincoln, and I know you'll take good care of them.

Lincoln: You have my word, Geralt. And now, we're rid of that tyrant, Emhyr var Emreis, and his empire is gone for good. (To Meridia Draganuisce) And it's so good to see you again, Meridia Draganuisce.

Meridia Draganuisce reverted back to normal, and she's a beautiful girl with long flowing aqua blue hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful aqua blue angel wings, and she reigned in the power of Nekroz of Areadbhair, and she's dressed in a sleeveless purple vest, sleeveless aqua blue midriff top, aqua blue skirt, aqua blue fur knee guards, aqua blue pants, aqua blue shoes, and long sleeveless aqua blue trenchcoat with water and mermaids on the coattails, and Nekroz of Areadbhair on the back, and holstered on her back a large Nekroz of Areadbhair-themed greatsword with Nekroz of Areadbhair etched on the 7'0" massive, wide, double-edged aqua blue blade, aqua blue angel wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and a large aqua blue gem surrounded by aqua blue angel wings for the pommel.

Meridia Draganuisce: (Irish Accent) You too, Lincoln, it's been a long

time.

Lincoln went up to Meridia Draganuisce and they hugged, and Lisa Vampirdinumbră's very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Meridia Draganuisce: (Irish Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Meridia Draganuisce, she's my Guardian Angel from Ireland, and my classmate in Woodshop. She also taught me how to hold my breath for long periods of time.

Nico: Whoa, now that's awesome.

Lincoln: It gets even more awesome, we would explore and swim in lakes and underwater and one time, we found a treasure. I also made Meridia a beautiful bikini of aqua blue color plus her favorite decorations and constellations, plus, while they were underwater, she actually kissed me and our kiss had lasted 10 minutes.

Me: An underwater kiss lasting ten minutes, that's really awesome and romantic.

Lincoln: You said it, and Eli, you're in for a big surprise: Meridia's the cousin of Ariel.

Eli's eyes went wide.

Eli: What?! She's Ariel's cousin?

Attina: It's true, she is Ariel's cousin, Eli, and it's so awesome that she's also one of your Guardian Angels, Linky, and it's so good to see you again, Cousin Meridia.

Meridia Draganuisce: (Irish Accent) You too, Cousins Attina, Alana, Adella, Aquata, Arista, and Andrina.

Lincoln: And it also still stunned me that she's Ariel's cousin even now, and Meridia hates Luan with a blazing passion, that's why Luan's not here.

Nico: Uh oh, what did that prank-crazy evil genius do to earn her hatred?

Me: Whatever Dark Luan did, it couldn't be good.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Meridia Draganuisce's neck with aqua blue gems on the gold thunderbolt links and aqua blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Meridia Draganuisce: (Irish Accent)(Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Meridia.

Meridia Draganuisce had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Meridia Draganuisce's waist and Meridia Draganuisce wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Meridia Draganuisce's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Kuchiha from Amatsuki, Kuga Akine and Mariko the Ghost from Elegant Yokai Apartment Life.

Lincoln: Oh wow, it's Kuchiha from Amatsuki, Kuga Akine and Mariko the Ghost from Elegant Yokai Apartment Life.

Nico: Awesome.

Lincoln: Are you girls okay?

Kuchiha: Yes, we're okay, thanks to you.

Then, when Kuchiha and the other two girls saw who it was that saved them from Emhyr var Emreis, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and

Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Kuchiha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and the two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kuchiha: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Thunderbird Necklaces of Eternal Love appeared on the necks of Kuchiha, Kuga Akine, and Mariko the Ghost with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after Emhyr var Emreis in the world of The Witcher.

But, when Lincoln showed what he did in showing Emhyr var Emreis' crimes to his people, which had caused them to leave and then casting that curse that caused the empire's men to turn against one another and ultimately, him and Geralt of Rivia destroying Emhyr var Emreis by casting Igni and it incinerated him and sent him to The Black Gates, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Meridia Draganuisce have a lot of catching up to do now that she's back in town. And when Lincoln told everyone else of Meridia Draganuisce and what she did in teaching Lincoln how to hold his breath for long periods of time, along with swimming in lakes and exploring underwater and finding a treasure one time, along with Lincoln making Meridia a beautiful bikini of aqua blue color plus her favorite decorations and constellations, and when they were underwater, she actually kissed him and the kiss lasted 10 minutes, and the big surprise being that she's Ariel's cousin, that really stunned and amazed everyone, and Lincoln also merged the world of The Witcher with ours.

Maria: Whoa, now that's really awesome! And that she's also Ariel's cousin, that's really amazing.

Ariel: It sure is, and it's so good to see you again, Meridia.

Meridia Draganuisce: (Irish Accent) You too, Cousin Ariel and Uncle Triton.

King Triton: You too, Meridia. And you've grown a lot from the little girl that I knew into a beautiful woman, and what amazed me was that you've been Lincoln's Guardian Angel for a long time, and you've protected him from those who sought him harm, and there's someone else who also wants to see you again.

Then, Queen Athena came out, and when Meridia saw her, she had tears in her eyes and then, she ran over to Queen Athena and she hugged.

Queen Athena: I've missed you so much, Little Meridia. But, it's so good to finally see you again.

Lincoln: And Meridia, you can also thank Eli for killing the monster for killing Queen Athena, Davy Jones.

Eli: He had to pay for his crimes, what a monster.

Nico: You said it.

---

After destroying Emhyr var Emreis, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Meridia Draganuisce saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Meridia Draganuisce: (Irish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Meridia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Meridia Draganuisce: (Irish Accent) That's incredible.

Nico: It sure is. So, Meridia, can you explain to us why you hate Luan with a blazing passion, and we know it's something that her Dark Side had done.

Meridia Draganuisce: (Irish Accent) I'll gladly tell you, Nico. One day, Lincoln and I were swimming underwater in Lake Eddy and we were having a good time. But, then, we saw some colored dye in the water and when we got out, the aqua blue bikini Lincoln made for me was dyed white and his orange shorts were dyed white, and we both freaked out. Then, Lincoln heard the sound of crazed laughter, thanks to his vampire powers, and he knew who made that sound, as he fired a blast of water and trapped the person inside it: it was Luan. I was so furious at Luan, I wanted to attack her, but since Lincoln trapped her in a ball of water, he already made sure she got her just desserts. But, she was in big trouble when Lincoln called his parents, and when he told them and the other sisters of what Luan did, the other sisters wanted to pulverize her, but the parents stepped in and they had Luan grounded and put in an isolation cube in the basement for nine weeks for that stunt, and ever since then, Luan had earned my blazing hatred.

We gasped in shock.

Nico: She ruined something that Lincoln made for you, and all for a laugh, Dark Luan, you are a monster.

Me: She sure is, but we're glad she got The Black Gates.

Lori: We all are.

Leni: And Meridia, look what I got.

Leni got out the beautiful aqua blue-colored bikini with her favorite decorations and constellations that Lincoln made and Luan ruined with her tye-dye bomb prank.

Meridia Draganuisce: (Irish Accent) Why, that's… !

Leni: Ever since Luan's tye-dye prank ruined the bikini Lincoln made for you, I've been working on a way to restore the color to your bikini. So, I used some aqua color dye to apply it to the areas that were affected by Luan's dye prank, and over time, it was good as new again.

Lincoln: Leni worked so hard on it, Meridia.

Meridia went up to Leni, and she hugged her.

Me: Wow, so that's the…

Lori: Yep, and it literally looked beautiful when Lincoln first made it, but what Luan did, she basically ruined his hard work and all for her sick amusement again, that Dark Luan's crossed one too many lines for the last time.

Nico: Sheesh. And I thought the pranks Connor did because of his dark side were just as bad.

Alicia Chan: Oh, they were just as bad.

Leandro Chan: (Shudders) I couldn't forget that your brother got me a couple of times with those pranks of his, April Fools really did bring out the evil prank genius in him, but I'm so glad that Dark Connor's imprisoned for life.

Lincoln: You said it, Mr. Chan.

We got a shower afterwards, but then, a bright light descended on the World Tree Estate, and we had to cover our eyes. When the bright lights faded, we uncovered our eyes, but we soon found out that the world of the anime, Attacker You, has merged with ours.

Lincoln: Wow, You, Nami, Eri, look, your world has merged with ours.

You Hazuki: That's awesome.

Nami Hayase: You said it.

Eri Takigawa: This is incredible.

Nico: And we'll definitely enjoy some volleyball matches in the future.

Lincoln: You said it, Nico.

We were so looking forward to any future adventures now that the world of Attacker You has merged with our world.

---

Later at the park we were there for some awesome bonding time.

Nico: Naruto, you and your wives are up for bonding time next.

Naruto: All right! Looking forward to this one.

Sakura Haruno: Me too Naruto!

Fu: Yeah!

Me: This will be so awesome to spend time with my bro too.

Qin and Mara were swimming in the lake at the park and it was so awesome. Qin was dressed in a smoking hot green Bikini and Mara was loving the swimming she was doing with her new mom.

Yugito: This is gonna be so awesome.

We went to go talk and bond.

Nico: Naruto, are you happy about how your life turned out?

Naruto: You better believe I am Nico.

Me: That's my bro for you.

Camie: How did you guys meet?

Me: Well it happened in 150,000 years Hence.

I told them everything about what happened in that time frame and how I met Naruto after he was kicked out of the orphanage. I took him in and adopted him as my brother and I trained him in everything I knew and more.

Camie: Wow! That is awesome!

Naruto: It sure is. Bro has been helping me get stronger and stronger and stronger over the years.

Sakura Haruno: And he trained lots of us too in many things we know as well.

Gaara: And Naruto and J.D. all have become a powerful force to be reckoned with.

Me: Yeah. We called ourselves the Knights of The New Fire.

Rin Nohara: It's like a group based on the 3 Musketeers.

Tsuyu: That is cool! Did you guys have an oath?

Me: We sure did. Want to see it?

Nico: Sure.

We stood up and had our swords held up.

Me and the Knights: WHEN HOPE IS LOST, FIRE WILL REKINDLE IT. WHEN LOVE IS REPLACED BY HATE, FIRE WILL REIGNITE IT. ALL EVIL SHALL KNOW THE PAIN OF FIRE. THE KNIGHTS OF THE NEW FIRE SHALL SAVE ALL!

When it was done everyone cheered!

Nico: That was a cool oath!

Me: I made it as a combination of the Three Musketeers Oath and the Oath of The Swords of Justice.

Eli: Very awesome.

Nico: Some of the Hidden Leaf bad guys would put others to shame.

Me: Yeah they sure would. But we destroyed them all thank goodness.

Itachi: That is a true fact there.

Lola: It's hard to imagine that they were all that evil.

Lana: And one of them appeared during the Ambassador Missions of Pohatu too.

Pohatu: Yeah Danzo came back.

Me: Yep.

Naruto: I know. Hard to Imagine.

Konan: And so did my former fellow Akatsuki members including my dark self.

Laney: Yeah that was crazy.

Ino: It sure was. Lady Tsunade was practically having a field day from all that.

Nico: We've also had some fun killing Evil Sasukes.

Me: We always have fun doing that. And it's still going on to this day.

Sasuke: It sure is. I can't believe that I would let my powerlust and hatred grow so out of control like that.

Nicole: Thank goodness I saved you from that fate.

Nico: Yeah.

Pakura: Lots of awesome times too.

Me: Not only that but we've accomplished so much for the Five Great Nations. Not just in 150,000 years but in the 21st Century too.

Hinata: We sure did. So many of our lost ninjas are back with us.

Tenten: That is amazing too.

Nico: Others aren't so lucky.

Me: Yeah.

Sasame: I just can't believe that Orochimaru lied to all of us.

Kotohime: And looking back I'm wondering if it was wise to even follow that snake.

Me: No it wasn't.

Rin Nohara: Not after everything he did.

Lola: He was a monster to the Nth Degree.

Nicole: That is a fact. (See's a light in a tree) And speaking of monsters.

Nicole threw a rock and it hit something!

BONK!

Then a figure fell out and it was Jiraiya who was peeking on girls by the lake!

CRASH!

Nico: His pervertedness was only useful a few days ago!

Nicole: Maybe so but Jiraiya needs to learn how to grow up and stop peeking on girls. I got to enforce the safety of the dignity of women here.

Nico: Yeah you're right.

Naruto: Pervy sage needs to grow up too sis.

Konan: That's Jiraiya-sensei for you. Always working on his books.

Me: But he's better then Quagmire.

Nicole: True.

We laughed at that.

Then a bunch of girls ran over to Jiraiya and kicked and stomped on him.

We laughed some more.

Eli: But it's always for a funny laugh whenever perverts get pulverized by girls.

Lola: That's for sure.

Yakumo: Yeah that is funny though.

Nico: I hope they don't hurt him too badly.

Nicole: You know how women are when it comes to people like that. Especially when it comes to having their dignity.

Nico: Yeah.

Eli then sensed something.

Eli: Uh oh. Another Ranger coming in.

We saw a figure come in and it was a scary version of Dino Thunder Red! It was ANOTHER DINO THUNDER RED!

Lola: Whoa! Another Dino Thunder Red!

Naruto: Wow!

Me: And I know what Connor's reaction is gonna be.

Nico: And you are?

Another Dino Thunder Red: (In a girls voice) J.D. knows. (LOUD FART)

Nico: GEEZ!

Me: (Snickers) Only one person I know that has a nasty gas problem like that.

She reverted back and it was a girl with green hair and she had green clothes on and she had the kanji for fart on her arm.

おなら

Me: Lexi Sneadly.

Lexi Sneadly: Awesome to see you again J.D. (3 LOUD FARTS) Oops! Sorry.

Nico: Did you eat tons of beans?

Omaima Lexington: No I think I know what she has. (LOUD FART) Sorry. She was born with 2 stomachs like me and has uncontrollable flatulence. (LOUD FART) Sorry. Am I in the ballpark?

Lexi Sneadly: You got a home run there.

Nico: Geez! How do you know her J.D.?

Me: Yeah like Omaima, Lexi was born with 2 stomachs and it gave her uncontrollable flatulence. She can't help it. I defended her from bullies and I would slug anyone that calls her Fart Girl. She hates that name and anyone that calls her that gets a fist punch to the face.

Bully: HEY LOOK GUYS! IT'S FART GIRL!

POW!

I punched the bully square in the face and sent him crashing into a tree and it crushed him!

SMASH!

Bully: I'm hurt now!

Me: You shut up shit for brains!

The bullies ran!

Lexi Sneadly: Thanks J.D. (LOUD FART) Sorry.

Me: No worries. But you're welcome.

Nico: Did Swartz promise you anything?

Lexi Sneadly: Yep. But he was in a hurry sending me on my way.

Nico: For obvious reasons.

Lexi Sneadly: Yeah he couldn't stand my farting as it burned his nose. But he promised to get my condition cured.

Me: Well he obviously hasn't been taught a lot about medicine. Calabash Syndrome has no cure at all.

Nico: Yeah. You just have to put up with it.

Lexi Sneadly: That's true. (LOUD FARTS)

Nico: Wow.

Me: Sorry we have to do this Lexi. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

Me: Wouldn't it be easier to use this?

I pulled out a nose plug.

Nico: Oh right. Forgot. But I'll use this anyway.

He activated it and got Beetle's helmet.

(IN THE DARKNESS BY MACKENZIE PHILLIPS PLAYS)

Bonnie Terrez: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HER AND FORMS INTO THE EVIL HEROS)

Demons come from every side (in the darkness is the light)

Holding me on a downward slide (in the darkness is the light)

Gettin' hot the deeper I go (in the darkness is the light)

Into the darkness down below

In the darkness is the light

I live my life in one striat line, the future ahead an' the past behind

Don't wanna go back to yesterday

But I don't know how long I can run this way

A tangled heart w/ tangled vines(in the darkness is the light)

Tangled up in my own lies (in the darkness is the light)

A creature there, in darkness lies (in the darkness is the light)

Why is it that he has my eyes (in the darkness is the light)

I live my life in one striat line, the future ahead an' the past behind

Now I can wall like I never knew

An' they tell me the only way out is through the air

They say the truth will set you free (in the darkness is the light)

Free to be down here on my knees (in the darkness is the light)

But just when I think I've lost my sight (in the darkness is the light)

I cech a glimpse of that beautiful light (in the darkness is the light)

In the darkness is the light

Surrender now and win the fight

This girl's walk of fire and ice

But I come out on the other side of paradise

Oh yeah paradise

My paradise is killing you, is killing you baby

Paradise, paradise

Oh yeah, Oh yeah, Oh yeah

Paradise

She danced gracefully and the Evil HEROS fired waves of element blasts and Bonnie fired lightning and the blasts all hit Another Dino Thunder Red and smashed her down!

Lola: YEAH BABY!

Fi: WAY TO GO SIS!

Me: That was so awesome!

Nico: Your turn, Xenia.

Xenia Orromov: Here we go!

Xenia had lightning strike around her.

(SCARBOROUGH FAIR BY SARAH BRIGHTMAN PLAYS)

Xenia Orromov: (SINGING DIVINELY AS LIGHTNING STRIKES AND SWIRLS AROUND HER)

Are you going to Scarborough Fair?

Parsley, sage, rosemary and thyme

Remember me to one who lives there

He once was a true love of mine

Tell him to make me a cambric shirt

Parsley, sage, rosemary and thyme

Without no seams nor needle work

Then he'll be a true love of mine

Have him wash it in yonder dry well

Parsley, sage, rosemary and thyme

Where ne'er a drop of water e'er fell

And then he'll be a true love of mine

Tell him to find me an acre of land

Parsley, sage, rosemary and thyme

Between salt water and the sea strands

Then he'll be a true love of mine

Tell him to reap it with a sickle of leather

Parsley, sage, rosemary and thyme

And gather it all in a bunch of heather

Then he'll be a true love of mine

Are you going to Scarborough Fair?

Parsley, sage, rosemary and thyme

Remember me to one who lives there

He once was a true love of mine

She danced gracefully and fired blasts of lightning and they hit Another Dino Thunder Red and smashed her all over.

Missae Magnus, Fides En Dei

Christus Laudmus, Mistraes In God

Eli danced and fired waves of leaves and they formed into angels and they smashed Another Dino Thunder Red all over.

Me: Way to go bro!

Nico: Had enough?

Another Dino Thunder Red: Not yet! But you guys are awesome singers.

Me: We've had lots of Karaoke sessions and practice.

Another Dino Thunder Red: Neat. Now for this.

She pulled out a THERIZINOSAURUS SCYTHE and it was imbued with the powers of Nergal!

Me: She has Dino Thunder Weapons imbued with the powers of all the members of the M.O.E.! Core, Neo-Core and Non-Core.

Qin: Whoa!

Blake: This is gonna be awesome!

She fired a massive blast of lightning and I deflected the blast back and it hit her and electrocuted her all over.

Carly Atlas: Whoa! That was amazing!

Misty Tredwell: It sure was!

Naruto: I got one. I've always wanted to try this one. (ACTIVATE'S RTN PAIN'S RIDEWATCH)

(ON ANGEL'S WINGS BY WESTLIFE PLAYS)

Naruto: (SINGING DIVINELY AS LIGHT SWIRLS AROUND HIM AND WINGS OF LIGHT SPREAD)

I would die for you

Lay down my life for you

The only thing that means everything to me

'Cause when you're in my arms

You make me prouder than

Than anything, I ever could achieve

And you make everything that used to seem so big

Seem to be so small since you arrived

On angel's wings, an angelical formation

Angel's wings like letters in the sky

Now I know no matter what the question

That love is the answer

It's written on angel's wings

And I often wonder why (why)

Someone as flawed as I

Deserves to be as happy as you make me

Oh yeah, so as the years roll by (roll by)

I'll be there by your side

I'll follow you wherever your heart takes me

'Cause you make everything that used to seem so big

Seem to be so small since you arrived

On angel's wings, an angelical formation

Angel's wings like letters in the sky

Now I know no matter what the question

That love is the answer

It's written on angel's wings

Oh, now anyone who's felt the touch of heaven in their lives

Will know the way I'm feeling looking in my baby's eyes

That's why I can't bear to be too far away

I know that God must love me 'cause he sent you to me

On angel's wings, an angelical formation

Angel's wings like letters in the sky

Now I know no matter what the question

That love is the answer

It's written on angel's

Love is the answer

It's written on angel's wings

He sang beautifully and fired waves of light and they hit Another Dino Thunder Red and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and back to normal and I caught the ridewatch and purified it. I went over to her and picked her up.

LOUD FART!

Lexi Sneadly: (GROANS) What a headache! (LOUD FART) Sorry.

Me: You're okay though.

We picked up all the weapons of Dino Thunder.

We were over in Northeastern Arizona in the Four Corners area and it was awesome to be in a familiar place.

Eli: Wow!

Lola: This is amazing.

Yoko: Happy to be home, Kai?

Kai Green: I sure am. I missed this part of the country ever since I started with you guys and the Plumbers. I can't wait for you to meet my grandfather.

Max Tennyson: I'm sure Wes has been doing good ever since you joined up.

Me: To be honest I love learning so much about the Navajo and I find it all really interesting.

Qin: It sure is neat.

Mara: What are the Navajo?

Qin: An Indian Community that we have here in America. They live around the states of Utah, Arizona, New Mexico and Colorado.

Nico: Yep.

We then arrived at a shop and saw Wes Green.

Wes Green: Kai!

Kai Green: Grandpa!

They went and hugged.

Blob: Hi, Mr. Green!

Wes Green: Ah Team Loud Phoenix Storm it's an honor to have you all here.

Max Tennyson: And it's good to see you again Wes.

Wes Green: You too Max my friend.

Me: It's awesome to meet you Wes. Kai has told us so many incredible things about you.

Wes Green: I am honored that she has joined up with you all too.

Nico: We're happy she is part of the team.

Ben Tennyson: And it's good to see you Mr. Green.

Wes Green: Ben you look amazing. You've grown into a fine young man. And this must be Riley.

Riley Anderson: That's right. Pleasure to meet you.

Wes Green: It's a pleasure to meet you too.

Ben Tennyson: And you remember Gwen too.

Gwen Tennyson: Good to see you again Mr. Green.

Wes Green: You too Gwen and you've grown into a fine young woman.

Me: So much has happened since you guys have seen each other. I take it you heard that the Yenaldooshi is part of our frenemies in the M.O.E.

Wes Green: I have. And that is amazing that he is your frenemy.

Exhaust: The Yenaldoshi's cool with us too. He and Biowulf get along great.

Me: Yeah. But he wasn't just an ordinary Alien Werewolf as Gwen called it back then. He was what's called a Loboan from the moon Luna Lobo.

Nico: Yeah.

Qin: And it wasn't the only one however. There was a mummy that Ben, Gwen and Max encountered over in South Carolina. That was what's called a Thep Khufan from the planet Anur Khufos.

Me: And lastly they encountered Dr. Viktor over in Cape Canaveral, Florida who was really a Transylian from the planet Anur Transyl.

Nico: Yeah.

Wes Green: That is amazing.

Eli: The 3 great aliens of Horror.

Me: Yeah. The Wolfman, Mummy and Frankenstein in Alien Form.

Qin: And Zs'Skayr to complete the set for ghosts.

Wes Green: Although I did not find the name " Benwolf" to be appealing.

Trailbreaker: Sorry, Ben. But Wes is right.

Ben: Yeah it was the first name I could think of back then. So I changed it to Blitzwolfer.

Wes Green: That makes much more sense.

Me: But all in all it was really awesome that Ben and family got to see it all.

Qin: It sure was.

Mara: Yeah it sure is.

---

Later we went back home and we were getting ready for the mission with the Ghost Kamen Riders. We got Wes Green settled into his room at the estate.

Me: This is gonna be so awesome seeing Takeru again.

Onua: It sure will be awesome. I hope we get to thrash some Gammas.

Riku: Just "Some Gammas"? You're thinking too small.

Me: He also means we're going after Adel and his minions too.

Riku: That makes sense too.

Camie: I can't wait to kill that monster.

Nico: You and all of us.

Shinnosuke: It'll be awesome to see Takeru again.

Me: It sure will Shinnosuke. Also during the previous groups of the M.O.E. Battles we used the Eyecons and got to learn all about famous historical figures in our Eyecons.

Shinnosuke: That's cool!

Qin: It was really fun.

Jessie Knudson: And I had to help teach everyone about them from my massively huge big book of history.

Qin: Yeah.

Then Dai Gui, Vypra, Evil Seed, Aqueduct, Mirror Master, Zavok, General Schwarz, 10,000 Volt Ghost, Ryugu Tamatebacco, and Pterodactyl Ghost appeared.

Dai Gui: Can me, Vypra, Evil Seed, Aqueduct, Mirror Master, Zavok, General Schwarz, 10,000 Volt Ghost, Ryugu Tamatebacco, and Pterodactyl Ghost go with you guys?

Nico: You all sure can.

Me: I have a feeling the Ghost Kamen Riders are gonna be really busy when we see them.

Qin: Same here.

Vypra: Oh who's this little one?

Qin: This is Mara. She is my new adopted daughter.

Vypra: Wow!

Me: Really big story on her Vypra.

I told them everything and it was shocking! Metaphorically speaking.

10,000 Volt Ghost: (Electrified Voice) Oh man. Poor girl.

Ryugu Tamatebacco: Yeah that's awful.

Nightshade: Nico my good man, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to actually meet one that's of Granity next.

Granity: A Gene-slammer of me? That will be interesting to see.

Qin: It sure will.

Aylene C.: Yeah.

Genki: Yeah that will be awesome.

Holly: I agree.

Me: I hope we battle some of Moo's forces too even though Moo was Hakaied.

Nico: Then he might return.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Bouldergeist, an enemy that Mario had fought against in the Ghostly Galaxy. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us today?

Lincoln: You got that right, Nico, and since we're meeting the Ghost Kamen Riders today, we've got a ghost coming after us, it's Bouldergeist, an enemy Mario fought against in the Ghostly Galaxy.

We gasped.

Nico: Bouldergeist?! Oh man, I remembered fighting against that ghost many times when I played Super Mario Galaxy, and it's perfect for today.

Lincoln: Yep, and I remembered fighting against that boulder-covered ghost many times when I played Super Mario Galaxy too. So, when Onua and I fight him today, he's going straight into The Book of Vile Darkness, maybe we can get him an archenemy.

Nico: Good idea, Linc, and this could also be a perfect opportunity for you to show Takeru and Mikoto your Lincoln Phantom form, they know who Danny Phantom is, but wait until they see you as Lincoln Phantom.

Lincoln: Hey, yeah, you're right, they'll be surprised.

Onua: You got that right.

Nico: Alright, gang, let's go, it's time to meet the Ghost Kamen Riders and make that monster Adel pay for his crimes.

Lincoln: We're so going to make that monster pay for his crimes against The Spirit World, and send him to The Black Gates for this.

With that we were off to Japan.

---

We arrived and we saw them battling Gammas! They were Alexander Gamma, Yari Gamma, Seiryuto Gamma and Onpu Gamma

Aqueduct: There they are!

Me: And they are battling a bunch of Gammas! Alexander Gamma, Yari Gamma, Seiryuto Gamma and Onpu Gamma!

Qin: Whoa!

Lola: Lets get them!

We went at them.

Takeru: You guys are gonna pay!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Takeru: Zocks!

We landed.

Me: Now that is an entrance!

Mikoto: Hey guys! You made it!

Me: Wouldn't miss this for the world!

Alexander Gamma: So the famous Team Loud Phoenix Storm is here.

Me: Nice to see you again Alexander Gamma.

Alexander Gamma: You remember me. Flattered you do.

Me: Alexander the Great of 4th Century B.C. is perfect for you.

Yari Gamma: I have the spirit of Hōzōin Kakuzenbō In'ei.

Jessie Knudson: The Buddhist Monk of the 16th Century.

Seiryuto Gamma: And you know me. Guan Yu.

Jessie Knudson: Military General of China in 220 A.D.

Onpu Gamma: And me. I'm for Beethoven.

Jessie Knudson: Great Composer of Austria in the 19th Century.

Me: We faced you guys before. So you came back for Round 2.

Cheese: (to Aleander Gamma) I like cereal!

Maria: I don't see this ending well.

Takeru: What's with that one?

Me: You'll have to get used to Cheese. He's a brainless idiot and he makes Billy look smart.

Billy: (Picks his noses and eats his boogers)

Nico: Yuck.

Qin: See?

Makoto: Oh boy.

Cheese: (To Yari Gamma) I like chocolate milk!

Me: Cheese is what we call a underdeveloped moron.

Qin: Yeah but he makes a great annoyance tool.

Mara: (Laughs) He sure is funny.

Makoto: Yeah and he is really annoying the hell out of the Gammas.

Alexander Gamma: (to us) Is it too late for you guys to destroy me right now?

I fired a blast of energy and it hit him and he exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught his eyecon and purified it.

Me: What? He was asking for it.

Yari Gamma, annoyed by Cheese, grabbed Eddy's blaster and shot himself in the head.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I grabbed his eyecon and purified it.

Qin: GEEZ!

I gave Eddy his blaster back.

Eddy: Thanks. Boy Cheese really is driving them crazy.

Makoto: Okay, Takeru. Let's finish the other two off!

Takeru: You got it!

They jumped and kicked them both and they too exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Nico: Take that!

I grabbed their eyecons and purified them.

Qin: YEAH!

Mara: That was awesome!

Vypra: Yeah that was!

Cheese: Do it again! Do it again! Do it again! Do it again! Do it again! Do it again!

Me: Okay cheese take five!

Qin: Yeah!

WHAT AN IDIOT!

Takeru: But that was awesome!

Nico: Yeah those Gammas have failed this world.

Cassandra: We want to thank you guys for helping out against Fuse's minions.

Nico: Yeah that was so awesome.

Takeru: It sure was and no problem.

Me: And we also owe you guys big time for helping us out during the 20 Days of Darkness.

Makoto: That was awesome to hear about.

Lola: Yeah it was.

Poliwag jumped into Takeru's arms.

Poliwag: Me and William missed you, Takeru!

Pterodactyl Ghost: (laughs) I bet you both did!

Takeru: I missed you too Poliwag.

William: Same here.

Qin: That's so awesome they missed you.

Mara: It sure is.

Me: We got a lot to talk about. Can we head to the temple?

Takeru: Sure.

We went to the temple.

Skalor: Takeru, is Ore Damashii really your default form?

Takeru: It sure is.

Me: Awesome.

Qin: Yeah.

Camie: But what happened to you was just absolutely terrible.

Me: That's why we're going to see to it that justice is served. By killing Adel.

We arrived at the temple.

Ryugu Tamatebacco: This temple is really nice.

Takeru: Yeah it's home.

Qin: And it makes a great base of operations for the Ghost Kamen Riders.

Takeru: Yeah it sure does.

Eli: I think it's great.

Poromon got out 4 beer bottles.

Takeru: What are those?

Poromon: 4 bottles of beer!

Bonecrusher: Well, Onari DOES make 4.

Poliwag: Think of it as a good reunion treat!

Me: Oh boy.

Qin: Not again.

Takeru: Digimon and Pokemon that drink?

Me: Don't fucking ask.

Lola: Yeah.

Makoto: I can tell you guys have had problems with this.

Me: Some good and some bad.

Zavok: I'm really sorry about how your brother turned out, Alain.

Alain: Adel's not my brother. That man died long ago. But Takeru and Makoto? THEY are my real brothers.

Me: They sure are. And you can count your Fellow Kamen Riders as your family too.

Shinnosuke: That's right.

Eiji: We went through so much all over.

Haruto: Long story on it all.

Frightwig: (hears something) Wait. Do you guys hear something?

Eli: I sense it.

We went outside and then Emma Guntherson gasped as she saw who it was that was making that noise! It was her friend that died from cancer, LAURA! She was a blond hair girl that was in torn up goth clothes.

Emma Guntherson: Laura!?

She looked and saw us and we saw that she was a Zombie!

Me: She's a zombie!

Shawn: Time to kill some zombies!

Me: Wait Shawn! Emma needs to have her heart healed.

I fired a blast of light and it hit Lauren and restored her and then she was unconscious.

Me: Lets get her to the temple!

10,000 Volt Ghost: We might as well prepare lunch. She'll probably be hungry.

Me: Good idea.

She woke up and opened her eyes. They were blue and she then saw Emma crying.

Laura: (Groans) Emma? (Gasp) Emma!

Emma Guntherson: LAURA!

They hugged for the first time in years!

Nico: Wow.

Me: So awesome.

Laura: What happened?

Me: You were brought back from the dead and you were a zombie.

Nico: Good to see you again though Laura.

Laura: Nico? Wow look at you.

Nico: Things have changed a lot.

Laura's stomach growled a lot.

Laura: Man I am really hungry. How long was I dead?

Me: 3 years.

Laura: Jeez!

We made an incredible buffet for her and it was filled with burgers and more.

She was shoveling the food in all over.

Spectra Phantom: Did Adel bring you back as a zombie?

Helios: If he did, that fool just signed his death warrant.

Laura: (Eating) I don't know.

Qin: Please don't talk with your mouth full.

She swallowed.

Laura: Sorry. Just really hungry after being dead.

Sunset Shimmer: Let me see.

She touched her and saw that it WAS ADEL!

Sunset Shimmer: It was Adel

Me: That clinches it.

Inque: Do you feel whole again, Emma?

Emma Guntherson: Yes I sure do Inque!

Me: Soon we'll be ready to take down Adel!

Poliwag: Do you remember me too, Laura?

Mirror Master: You do remember Poliwag, right?

Laura: I sure do. I haven't forgotten.

Qin: That's awesome.

Ludwig Koopa: Nico, which Ridewatches do you have for us this time?

Nico smirked and revealed Ridewatches for Water Hazard, Ampfibian, and their copies.

Nico: I also got blueprints for the Ridewatches of Nanomech, Lodestar, Rath, Terraspin, NRG, Armodrillo, Fasttrack, Chamalien and their copies.

Me: Cool!

Laney Simmons and Olga Astronomonov got the copies and Sakura Haruno and Becky got the originals of Water Hazard and Ampfibian. Katie Kirrington for Nanomech, Hilary Jennings for Fasttrack, Ophelia Nasturtium for Lodestar, Rita Fox for Rath, Francesca Giordano for Terraspin, Sheila Kelsall for NRG, Crystal Wilmington and Emily Lola Sarsaparilla for Chamalien. Mollie, Sasuke, Nikiya, Captain Marvel, Anakin, Donkey Kong, Dana and Sakura Avalon for the rest of the originals.

Evil Seed: Why don't we have the usual battles now?

Nico: Lets do it.

We got ready.

Outside We were ready and then Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Ebon, Felix Faust, and Ben Ravencroft appeared.

Nico: Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Ebon, Felix Faust, and Ben Ravencroft

Webstor: Looks like Laura's back.

Angel: I guess Adel was good for one thing.

Maria: I agree with that statement.

Red Ghost:… we're still killing him, right?

Nico: Absolutely!

Skalamander: (to Nico) We heard you fought Patrick Ross.

Nico: Yep.

Steam Smythe: How did that go this time?

Me: I separated his alien self from his human half and we destroyed his alien self. He was sent to the Uranus Prison.

Steam Smythe: Oh man.

?: That's crazy!

A figure came out and it was NUNCHUNK BANKI from the Go Onger VS Gekiranger Movie!

---

Because his creator is of the Confrontation Beast-Fist Akugata, Nunchuck Banki can perform Ringi. After being installed with the Dōkokugan Soul, Nunchuck Banki becomes super powerful until he is forced to be shut down by Go-On Red and GekiRed. However, his lifeless body is later used by Long in the form of Long Banki before its destruction by Engine-Oh G12 and SaiDaiGekiRinTohja's combined final attack, The Engine Beast Grand Prix.

---

Eli: Nunchuck Banki! I remember you! You were sent to destroy the rangers.

Nunchuck Banki: Yep.

Eli: Awesome.

Nunchuck Banki: Too bad I never got adapted in America.

Nico: I guess it was because there was never an RPM and Jungle Fury Teamup.

Me: Yeah what a ripoff!

William: Besides, there's nothing wrong with nunchucks. Just ask our two Mikeys.

Me: Yeah!

Fullbottles: Webstor and Ayatoriko

---

Webstor was first.

Webstor: (to Lucy) Nico did good fighting Patrick Ross's alien half in his rescue. And Qin Adopted Mara.

Lucy: That was really amazing of her to do that. But Patrick Ross was a bad guy that we faced years ago. It was on the day we got our Lantern Rings.

Starlight Glimmer: Yeah we found out that they faced him when they first became lanterns.

Cozy Glow: That was so awesome.

Hex: Boy it sure was cool.

Rachnera: We all thought it was cool.

Keito: Yeah I thought so too. And I should know because I was there.

Blackarachnia: That was really something.

Tarantulas: It most certainly is.

Webstor: That is amazing that all that happened back then. Lets do it!

Lucy used the core medals of Webstor, Ayatoriko and Cobweb Hotel Manager and her sword became a spider sword!

He transformed too!

Lucy fired waves of darkness and webs from her sword and tied him up.

Lucy: Amazing.

WEBSTOR! AYATORIKO! BEST MATCH!

She had a string form around her fingers.

Lucy: Ever play Cats Cradle?

Webstor: No.

Lucy: It's not easy.

She formed a 5 tower line made of red string and smashed him all over.

Lucy activated her Ridewatch.

(FLEURS DU MAL BY SARAH BRIGHTMAN PLAYS)

Lucy: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HER)

Is it you I keep thinking of?

Should I feel like I do?

I've come to know that I miss your love

While I'm not missing you

We run 'til it's gone

Et les fleurs du mal

Won't let you be

You hold the key to an open door

Will I ever be free?

Les fleurs du mal unfold

Comme les fleurs du mal

Dark demons of my soul

Un amour fatal

Been tryin' hard to fight

Comme les fleurs du mal

Les fleurs du mal inside

Un amour fatal

All my life I've been waiting for

In this perfume of pain

To forget when I needed more

Of love's endless refrain

We live and we pray

Pour les fleurs du mal

I've lost my way

What is done will return again

Will I ever be free?

Les fleurs du mal

Comme les fleurs du mal

Un amour fatal

Comme les fleurs du mal

She fired waves of darkness and the group fired waves of energy, magic, stars, bones and lightning and smashed him all over and knocked him down.

Core Medals: Angel, Angel (Fairy Tail) and Nayzor

Fullbottles: Angel and Angel (Fairy Tail)

* * *

Angel was next.

Angel: (to Skyla) Nico, Tracer, and the others did good battling

Another Ultimate Big Chill. But what was Mara's amazing power?

Skyla: They sure did. But in all honesty I don't know what that power was to tell you the truth.

Rainbow Dash: Yeah she sang a song and then she glowed in an awesome aura and fired a blast of lightning.

Scootaloo: It was really cool!

Angel: Sirenoelementia! I've seen this power before.

Whirlwind: You have?

Angel: I sure have but it's an extremely rare power. You sing a song and then you fire elemental blasts depending on the aura color. Sky blue is lightning, green is nature, brown is earth, teal is wind, red is fire, dark blue is water, black is darkness, Yellow is Light, orange is lava, pink is flowers and rainbow is crystal.

Skyla: Wow! That is amazing!

Alusia: I didn't know this kind of power even existed.

Bambi: Me neither!

Lynn: Yeah that is really cool!

Lynn Jr.: That is amazing!

Great Stag: That is really something. I had no idea this was even possible.

Angel: Yeah that is cool. I only saw it once before when I was in the HIVE Academy. But Brother Blood had that student expelled for turning to heroism.

Skyla: Did he kick him out?

Angel: No. He banished her to another planet.

They gasped!

Rainbow Dash: That's horrible!

Angel: Yeah. Lets do it!

Skyla used the Core Medals for Angel, Angel (Fairy Tail) and Nayzor and she got an awesome Angel Wing Sword.

Angel: Awesome!

Skyla: That is cool!

They flew into the air and Skyla fired wind blasts from her sword and blew her all over.

Rainbow Dash: That was AWESOME!

Skyla: WOW!

Skyla activated her Ridewatch.

(DUST IN THE WIND BY KANSAS PLAYS)

Skyla: (SINGING DIVINELY AS WIND AND RAINBOWS SWIRLED AROUND HER)

I close my eyes

Only for a moment, and the moment's gone

All my dreams

Pass before my eyes, a curiosity

Dust in the wind

All they are is dust in the wind

Same old song

Just a drop of water in an endless sea

All we do

Crumbles to the ground, though we refuse to see

Dust in the wind

All we are is dust in the wind

Now don't hang on

Nothing lasts forever but the earth and sky

It slips away

And all your money won't another minute buy

Dust in the wind

All we are is dust in the wind

(All we are is dust in the wind)

Dust in the wind

(Everything is dust in the wind)

Everything is dust in the wind

(In the wind)

They danced and fired waves of wind, rainbows and lightning and smashed her down.

Hand of Nephthys: We overthrew him and banished him to the Black Gates.

Olivia Houou: It was so awesome. And I love watching The Witcher.

## Chris Taylor, Rarity, Sweetie Belle, Water Skylanders, Emily Tamaki, Diamondhead, Flashwing, Bobby, Vince, Skalor and Tentakil VS Skalamander - Meeting a Nekroz of Areadbhair Gene-Slammer

Core Medals: Skalamander, The Proper Patrol, and Evil Crystal Man

Fullbottles: Skalamander and The Proper Patrol

---

Skalamander was next.

Skalamander: (to Chris) I heard you guys met a Nekroz of Areadbhair Gene-Slammer. What's her name?

Chris Taylor: Her name is Meridia Draganuisce and she comes from Ireland and she is really awesome too.

Rarity: And her hair is simply amazing.

Sweetie Belle: And her Story is just as amazing too.

---

Meridia Draganuisce: (Irish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Meridia, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Meridia Draganuisce: (Irish Accent) That's incredible.

Nico: It sure is. So, Meridia, can you explain to us why you hate Luan with a blazing passion, and we know it's something that her Dark Side had done.

Meridia Draganuisce: (Irish Accent) I'll gladly tell you, Nico. One day, Lincoln and I were swimming underwater in Lake Eddy and we were having a good time. But, then, we saw some colored dye in the water and when we got out, the aqua blue bikini Lincoln made for me was dyed white and his orange shorts were dyed white, and we both freaked out. Then, Lincoln heard the sound of crazed laughter, thanks to his vampire powers, and he knew who made that sound, as he fired a blast of water and trapped the person inside it: it was Luan. I was so furious at Luan, I wanted to attack her, but since Lincoln trapped her in a ball of water, he already made sure she got her just desserts. But, she was in big trouble when Lincoln called his parents, and when he told them and the other sisters of what Luan did, the other sisters wanted to pulverize her, but the parents stepped in and they had Luan grounded and put in an isolation cube in the basement for nine weeks for that stunt, and ever since then, Luan had earned my blazing hatred.

We gasped in shock.

Nico: She ruined something that Lincoln made for you, and all for a laugh, Dark Luan, you are a monster.

Me: She sure is, but we're glad she got The Black Gates.

Lori: We all are.

Leni: And Meridia, look what I got.

Leni got out the beautiful aqua blue-colored bikini with her favorite decorations and constellations that Lincoln made and Luan ruined with her tye-dye bomb prank.

Meridia Draganuisce: (Irish Accent) Why, that's… !

Leni: Ever since Luan's tye-dye prank ruined the bikini Lincoln made for you, I've been working on a way to restore the color to your bikini. So, I used some aqua color dye to apply it to the areas that were affected by Luan's dye prank, and over time, it was good as new again.

Lincoln: Leni worked so hard on it, Meridia.

Meridia went up to Leni, and she hugged her.

Me: Wow, so that's the…

Lori: Yep, and it literally looked beautiful when Lincoln first made it, but what Luan did, she basically ruined his hard work and all for her sick amusement again, that Dark Luan's crossed one too many lines for the last time.

Nico: Sheesh. And I thought the pranks Connor did because of his dark side were just as bad.

Alicia Chan: Oh, they were just as bad.

Leandro Chan: (Shudders) I couldn't forget that your brother got me a couple of times with those pranks of his, April Fools really did bring out the evil prank genius in him, but I'm so glad that Dark Connor's imprisoned for life.

Lincoln: You said it, Mr. Chan.

FLASHBACK ENDS

Adel: Indeed. Now, our numbers are greater for you to handle alone.

Tar Pit: (chuckles) Who said I'm alone?

Then the ghosts of the past all appeared and they swirled around him and converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and it formed into a pitch black sun and then the spirits of the undead swirled around it and then we came out.

Me: Adel your time has come!

Adel: Team Loud Phoenix Storm!?

Me: That's right!

Alain: You will pay for everything you did!

Adel: Not happy to see your own brother?

Alain: You are no brother of me. Especially since you have killed so many people

Adel: Oh please. All of those people are at peace in death. A glorious, singular whole. Life is a struggle so you should just join them!

Makoto: (scoffs) Amazing. Everything you said was wrong.

Takeru: Every life is precious. It all matters and is important. Every pain! Every achievement! Every bond!

Adel: So you all came to forgive me? To save my soul?

Me: No. We came to kill you.

Adel turned into Perfect Gammaizer, Argos turned into Kamen Rider Extremer, Jered became Kamen Rider Dark Necrom Red, Jebil became Kamen Rider Dark Necrom Blue, and Jey became Kamen Rider Dark Necrom Yellow.

Perfect Gammaizer: Moebas! To me!

An army of Moebas appeared.

Me: MOEBAS!

Nico: I thought he would use the ToQgers footsoldiers. They are more ghost like.

Qin: Yeah.

Me: But it will do.

I fired waves of fire and energy and incinerated them all over the place!

Then The Moebas jumped them.

The Ghost team lay defeated at the hands of the Moebas.

Perfect Gammaizer: This time, Takeru, when you die, I'll make sure you don't come back. By making sure there's nothing left of you!

I PUNCHED PERFECT GAMMAIZER AND KICKED HIM IN THE FACE!

Me: Your fight is with me Adel! You fucked around with the spirit world for far too long!

Yost Electro: (zaps a Moeba) Fuck! What do we do now?!

Onua got an idea.

Onua: (to everyone watching) Everyone out there! Lend the Ghost Team your strength! They get stronger with your support! When I go "1,2", shout "Our lives are burning bright"! Okay? 1,2..

All: OUR LIVES ARE BURNING BRIGHT!

Onua: One more time! 1,2…

All: OUR LIVES ARE BURNING BRIGHT!

Onuaa: Louder! 1,2…

All: OUR LIVES ARE BURNING BRIGHT!

Jamesdean5842: OUR LIVES ARE BURNING BRIGHT!

At this, Takeru found the strength to get up!

Takeru: That's right. Everyone's lives are burning bright. And so is mine!

Takeru punched a Moeba, knocking it to the ground.

Perfect Gammaizer: NO!

Onua: That's it, I've had it up to hear with you to last an eternity, Adel.

Suddenly, Onua's dark grey eyes turned neon dark grey, and he was surrounded by a silver energy aura with earth, stones, rocks, Earth Toa, and phoenixes, and as he approached Adel, he left silver energy, earth stones, rocks, Earth Toa, and phoenixes with every step.

Onua: You really make me sick, Adel. It's bad enough that you've tormented many innocent people, both living and dead, but what you've done in trying to destroy the Earth is one thing that I can't stand any longer, and now, you will pay with your life!

Suddenly, Onua was surrounded by a massive vortex of silver energy with earth surrounding the vortex, there's an Earth Toa and phoenix flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Onewa emerged, but he was changed forever.

Onua grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and black chin hair, he has long black hair going down to the bottom of his neck with silver highlights in the bangs of his hair, he has neon dark grey eyes and a silver energy aura with earth, stones, rocks, Earth Toa, and phoenixes surrounding him, he has a Toa Mata of Earth with the Earth Kanji in its hands emblazoned on his forehead, he has phoenix earrings with grey gems for eyes and the Earth Kanji in its claws, and he has on his Crystal Necklace of The Buddha with dark grey crystal links and a phoenix with grey gems for eyes and holding the Earth Kanji in its claws for the pendant on his bare chest, and tattooed on Onua's now wider and more muscular back is a phoenix and a Toa Mata of Earth, and they're surrounded by rocks. Suddenly, Onua felt a sharp pain on his now wider and more muscular back, and then, massive black angel wings with silver tips on the feathers, sprouted out of his now wider and more muscular back. Onua has on a pair of large black pants with earth on the legs, dark grey ankle-high leather combat boots, large dark grey weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large grey orbs.

Suddenly, Onua's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of dark grey energy with earth, rocks, Earth Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Onua's Earthquake Toa Greatsword of Earth Justice, it's a brand-new large greatsword with the symbol of the Earth Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged dark grey blade, dark grey Toa heads for the crossguard, large black gem embedded in the rainguard, longer black handle, and massive black gem with surrounding angel wings for the pommel. Onua has on his new large gold cuff Bracelets of the Champions of The Universe with grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Earth Toa head with dark grey gems for eyes and a dark grey gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Onua, Toa Mata of Earth, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onewa, Lewa, Gali, and Kopaka, Loving Brother of The Ghost Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stone, Stone Toa, and

Phoenixes"

オヌア、地球のトア・マタ、タフ、ヴァカマ、ウェヌア、ヌジュ、マタウ、ノカマ、タカヌヴァ、ポハツ、オネワ、レワ、ガリ、コパカの兄弟でチームメイト、ゴースト仮面ライダーの愛する兄弟、そしてテトリダックスの破壊者ボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、石、石トーア、フェニックスの達人

Onua has transformed into SUPER ANGEL INFINITY SMASHING EARTHQUAKE TOA MATA ANGEL OF EARTH JUSTICE AND BROTHERHOOD WILL!

We were amazed by Onua's Super Angel Infinity transformation, but when Adel saw it, he fell into a rage and fired a blast of energy to kill him, but Onua dodged it, and he fired a powerful silver energy blast with earth, rocks, Earth Toa, and phoenixes, and it hit and smashed into Adel and he was sent flying into a wall.

Me: That'll teach that evil ghost. But, he's not out yet.

Nico: Nope, in fact, the fight's just beginning.

Takeru: Thanks for the help, everyone.

Makoto: I didn't expect to have so many fans from even out here.

Alain: Even the people of the Spirit world are cheering for us.

Alia: They sure are.

Nico: Ready to finish this, J.D.?

Me: I was BORN READY!

I transformed into my Super Angel Xelnaga Form!

Then the Spirit World Special Defense Force came!

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Friendship, Love and Justice) **Captain Ootaki! Great to see you again.**

Captain Ootaki: Looks like we got here just in time. King Enma sent us to help you guys. We've been trying to kill Adel for a long time.

Me: **I can tell you guys have a history with him. We can use all the help we can get. From our scans they are only B to Lower A Class Spirits.**

Captain Ootaki: Good. Easy for us.

Me: **And for S-Class Demons too.**

Onua: Let me transform with you guys!

Yamato: Go for it, Onua.

Zyuohgers: WILD INSTINCT AWAKEN!

With that, a strange structure forms on Takeru's waist, what looks like a small one-eyed ghost, complete with stereotypical sheet look, with a handle on the side of it. As the ghost-like device settles into form, Takeru pulls out what looks like a small eye, and presses a button on the side of it, before forcing the sheet portion of the ghost-like device forward and placing the eye in it before slamming it shut.

Ghost Driver: Eye! Batchirimina! Batchirimina!

Takeru: Henshin!

As the phrase "Batchirimina" repeats, a black and orange parka looking ghost emerges from the belt, while Takeru is covered by a majority black suit with orange lines crisscrossing it and a blank silver face. After a few seconds, Takeru pulls out the handle and pushes it back in, causing the ghost-like device to blink, shifting the eye-like device to a new screen, one that is primarily orange with two black spots looking like eyes.

Ghost Driver: Kaigan! Ore! Let's Go! Kakugo! Gho-Gho-Gho-Ghost! Go! Go! Go! Go!

With that action, the parka looking ghost drapes itself over Takeru, allowing his true face to rise, matching the symbol on the eye, but adding a small silver and blue horn to the forehead. And as the transformation finishes, Takeru flips down his hood that was the parka looking ghost's head

With that, Alain throws on a wrist-mounted device that looks like an eye-dropper turned sideways as Makoto summons a Ghost Driver. With their transformation devices armed, both pull out eye looking devices, but Alain's is a lot wider. Both press a button on the side of their devices and slot them into their transformation devices, Makoto using the same method as

Takeru, while Alain slots his into a large gap in the eye-dropper device.)

Necrom Eyecon: Standby. (As it is slotted into the eye-dropper device) Yes, Sir!

Ghost Driver: Eye! Batchirimiro! Batchirimiro!

While the Specter's Ghost Driver begins it's chant, Alain flips his eye dropper device straight up, and presses a button on the side

Mega Uloader: Loading!

With these actions, two parka like ghosts start flying around. One looking like Ghost's, only blue, and the other only vaguely resembling those two, being solid black save some green lines and two green and silver shoulder bits.

Makoto and Alain: Henshin!

With their battle cry known, Makoto pulls the lever on his Ghost Driver out then pushes it back in while Alain pushes a small button the actual dropper part of the Mega Uloader.

Ghost Driver: Kaigan! Specter! Ready Go! Kakugo! Doki Doki Ghost!

Mega Uloader: Tengan: Necrom! Mega Uload! (Heavy guitar rock) Crush the Invader!

As these battle cries are made known, Makoto is covered in a suit similar to Takeru's, but the orange lines are blue, while Alain is given a white and green suit with black details, and a face plate that more resembles an actual eye. As the parka looking ghosts settle in, Makoto's face reveals two horns similar to Ghost's one and a face of more angular black sections on a blue backdrop. Meanwhile, Alain has what looks like a large green cylindrical eye sticking forward on his suit, with a green and silver horn going straight up from that. And to complete the transformation, both flip their hoods down.

Takeru: (Pulling out an Eyecon with what looks like infinity on a stick on it.) Nice, Yamato!

Makoto: (Pulling out the most evil looking Eyecon in existence) Now, it's our turn to power up!

Their gear ready, Takeru and Makoto activate their new Eyecons before removing their personal Eyecons from their Ghost Drivers, with Takeru's creating some sort of angelic choir effect as it is activated, before both place their new Eyecons into their Ghost Drivers

Deep Specter Eyecon: Dive Too Deep!

Takeru's Ghost Driver: Mugen Shinka! Eye! (In a choral fashion) Batchirimina! Batchrimina!

Makoto's Ghost Driver: Eye! Girroto Miro! Girroto Miro!

Just as with previous transformations, two parka like ghosts emerge from the Ghost Drivers while these chants begin. One white and long with shoulder pads, the other purple and dark looking with spikes projecting at key points. As well, Takeru and Makoto's default states have changed, Ghost takes on a white armor with almost rainbow like bits on the arms and legs, while Makoto's is silver and pointier. And just as before, the Riders activate their transformations with a quick pull and push of the lever on the sides of their drivers

Takeru's Ghost Driver: Chou Kaigan Mugen! Keep Going! Go, Go, Go! Go, Go, Go! Go, Go, Go! Got to Ghost!

Makoto's Ghost Driver: Gen Kaigan! Deep Specter! Get! Go! Kakugo! Giza Giza Ghost!

With these invocations, the parka like ghosts settle onto their respective Riders, with Takeru gaining the white cloak and a glittering helm with a rainbow horn atop orange eyes, while Makoto's face remains almost unchanged, despite the black eye patterns now being on silver with two massive branching horns on his forehead and similar structures attached to his shoulders.

Me: **AWESOME!**

Nico: I thought these forms of yours are the coolest one ever.

Qin: Me too!

Qin blasted Argos, Jered, Jebil, and Jey and knocked them out.

Takeru: Sure.

He gave them some.

Nico: Take this.

They fired a massive and powerful Cube Energy blast and Perfect Gammaizer exploded with incredible power!

EXTREMELY MASSIVE AND DEVASTATING EXPLOSION!

He was down but not out!

I went over to Adel.

Adel: No!

I took his Eyecons and purified and I took his belt and purified that as well.

Me: You are never going to terrorize the Spirit World again.

I painted a kanji on him and used the Black Gates and spirits all found him Guilty and he was fading.

Adel: NO! Help me brother!

Alain: You deserve this brother! Good bye and good riddance.

We walked away.

Adel: DAMN YOU TEAM LOUD PHOENIX STORM…. (FADES)

He was gone for good!

Takeru: Finally, we're rid of Adel for good.

Lincoln: But we're not done yet. (Ghost sense goes off) We've got another ghost we got to deal with.

Then, a black mass with yellow eyes appeared and boulders gathered around him, forming a horned head and neck made of boulders and two giant arms and hands made of boulders. It was none other than Bouldergeist, one of Mario's many enemies.

Nico: Bouldergeist, I knew he'd show up.

Onua: This ghost isn't getting away from me.

Suddenly, Onua's dark grey eyes turned neon dark grey, and he was surrounded by a silver energy aura with earth, stones, rocks, Earth Toa, and phoenixes, and as he approached Bouldergeist, he left silver energy, earth stones, rocks, Earth Toa, and phoenixes with every step.

Onua: I've dealt with tons of ghosts before, Bouldergeist, but you're one ghost who's not going to get away from me. Hope you're ready to be sent to The Book of Vile Darkness for eternity.

Suddenly, Onua was surrounded by a massive vortex of silver energy with earth surrounding the vortex, there's an Earth Toa and phoenix flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Onua emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Onua grew from 7'0" to 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retains his eight-pack abs, tanned skin and black chin hair, he has long black hair going down to the bottom of his neck with silver highlights in the bangs of his hair, he has neon dark grey eyes and a silver energy aura with earth, stones, rocks, Earth Toa, and phoenixes surrounding him, he has a Toa Mata of Earth with the Earth Kanji in its hands emblazoned on his forehead, he has phoenix earrings with grey gems for eyes and the Earth and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with dark grey gems in the gold boulder links and dark grey crystal links and a dark grey Earth Toa-shaped Element of Harmony and below the Element of Harmony is a phoenix with grey gems for eyes and holding the Earth and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Onua's now wider and more muscular back is a phoenix and a Toa Mata of Earth, and they're surrounded by rocks. Suddenly, Onua felt a sharp pain on his now wider and more muscular back, and then, his massive black angel wings with silver tips on the feathers grew much bigger for his new body. Onua has on a pair of large black pants with earth on the legs, dark grey ankle-high leather combat boots, large dark grey weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large grey orbs.

Suddenly, Onua's massive Onua's Earthquake Toa Greatsword of Earth Justice was surrounded by a massive kaleidoscope of dark grey energy with earth, rocks, Earth Toa, and phoenixes, and it also merged with his weapons and swords from the treasure battles, and when it emerged, it transformed into Onua's Earthquake Toa Broadsword of Earth Justice, it's a brand-new large broadsword with the symbol of the Earth Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged dark grey blade, dark grey Toa heads for the crossguard, large black gem embedded in the rainguard, longer black handle, and massive black gem with surrounding angel wings for the pommel. Onua has on his new large gold cuff Bracelets of the Champions of The Universe with grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Earth Toa head with dark grey gems for eyes and a dark grey gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Onua, Toa Mata of Earth, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onewa, Lewa, Gali, and Kopaka, Loving Brother of The Ghost Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stone, Stone Toa, and Phoenixes"

オヌア、地球のトア・マタ、タフ、ヴァカマ、ウェヌア、ヌジュ、マタウ、ノカマ、タカヌヴァ、ポハツ、オネワ、レワ、ガリ、コパカの兄弟でチームメイト、ゴースト仮面ライダーの愛する兄弟、そしてテトリダックスの破壊者ボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、石、石トーア、フェニックスの達人

Onua has transformed into SUPER ANGEL ETERNITY INFINITY SMASHING EARTHQUAKE TOA MATA ANGEL OF EARTH JUSTICE AND BROTHERHOOD WILL!

We were amazed by Onua's Super Angel Eternity Infinity transformation, but when Bouldergeist saw it, it tossed some rocks at him, but Onua smashed them and he fired a dark grey energy blast with rocks, earth, Earth Toa, and phoenixes and it hits Bouldergeist, and it made him mad.

Nico: Whoa, Onua has transformed into his Super Angel Eternity Infinity form, awesome.

Me: This is going to be one awesome fight against that rock-throwing ghost.

Onua: (Divine Echoing Cosmic Voice of The Smashing Earth Toa and Divine Earth Brotherhood Will) But, we're just getting started. Lincoln, are you ready, brother?

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Onua.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **I'm ready, Onua, and since we're fighting a ghost, time to get into costume. I'M GOING GHOST!**

Suddenly, a massive vortex of green energy with ghosts surrounding the vortex surrounded Lincoln and two white rings formed around Lincoln and one white ring went up and the other went down, and as the vortex faded, the 17-year-old permanently 7'5" tall, handsome, and extremely muscular man's long, wild white hair that reached the bottom of his neck turned ghostly white except for the rainbow lightning bolts on the bangs, his deep sapphire blue eyes turned deep ghostly green, the nine large multi-colored orbs orbiting around his legs turned ghostly green, his large deep sapphire blue pants turn black, but the rainbow colored lightning bolts on them remained the same, his massive orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs turned ghostly green, his glowing orange version of He-Man 2002's loincloth and long orange trenchcoat coattails with elemental forces, thunderbirds, buffalo, and angels with hanging small silver lightning bolts turned glowing white except for the superhot intense rainbow flames coming off them, and his eight massive deep sapphire blue angel wings with stars turned black. Lincoln's transformed into LINCOLN PHANTOM!

Takeru: Whoa, so Lincoln is also Lincoln Phantom?!

Nico: Yep, consider it his little surprise to you and Mikoto, Takeru.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Yep. Alright, let's get that Bouldergeist.**

Onua and Lincoln went after Bouldergeist, who continued firing rocks at them, but Lincoln fires blasts of green ecto-energy and ecto-lightning and destroyed them, and they fire powerful blasts of rainbow energy, dark grey energy, Earth Toa, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Bouldergeist, and they exploded with incredible power as they hit him. Then, Bouldergeist fired black shadow rocks and as they hit the ground, Bomb Boos formed.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Bomb Boos, grab them by the tongue and hurl them at him.

Onua and Lincoln grabbed a Bomb Boo by the tongue and hurled them at the Bouldergeist and the explosions destroyed the Bouldergeist's rock armor, revealing a face with yellow eyes and a red uvula hanging from the bottom. Then, they attacked the uvula with their massive large broadswords and they fired blasts of energy at it, destroying it and Lincoln sealed it in Nicole's Book of Vile Darkness for eternity. We cheered wildly for what Onua and Lincoln did as they holster their massive large broadswords on their wider and muscular backs and power down, and Onua's new body, clothes, weapons, jewelry, and massive angel wings are permanent, and Lincoln changed back.

Nico: (Laughs) Guys, that was one rocky battle you had against that Bouldergeist.

Lincoln: Yeah, but he didn't have a ghost of a chance against us.

We laughed.

Me: Good one, Lincoln.

Lincoln: And now, tomorrow, we're going to meet the Ex Aid Kamen Riders.

Kopaka: I can't wait to see them again.

Nico: Same here.

Me: That is that.

Takeru: What do we do with Argos, Jered, Jebil, and Jey?

Vypra: We'll have them join the Masters of Evil. They deserve a much better boss than Adel.

Qin: Good idea.

Mara: Yeah!

Woz: Rejoice! Another of the Dai Shocker villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider allies, Kamen Riders Ghost, Specter, and Necrom! May their alliance last until all are equalized in the world beyond, in their due time.

Me: That is for sure!

Rich Texan: This call for a victory celebration!

Black Adam: I just hope the Spirit World also hosts parties.

Me: I have a feeling they do. Captain Ootaki we owe you and your team big time.

Captain Ootaki: It was our pleasure J.D.

Oho: We've been after Adel for a long time and you did great destroying him.

Qin: We all did.

Mara: Yeah this was awesome.

Ebon: The Dino Thunder weapons that Nico and the others got really came in handy.

Nico: They sure did.

Me and Captain Ootaki shook hands and they teleported away.

Xenia Orromov: I'm really gonna love it here with you guys.

Meridia Draganuisce: Same with me.

Felix Faust: You guys won't regret it.

Ben Ravencroft: (to Wes Green) So, how did you enjoy your first day on the team?

Wes Green: It was a great time with you all.

Kai Green: It was so much fun.

Qin: We're so glad.

Nico: I am too. Great job everyone. We go meet Emu and his team tomorrow so we got to get ready for that one.

Lincoln: I'm really looking forward to that one.

Nicole: Me too. The Goddess of Video Games is gonna unleash her wrath on the monster that made Kamen Rider Chronicle.

Nico: You got that right.

Takeru: (To the viewers) You mess with the dead for your own evil ways and there will be terrible consequences from us.

Me: You got that right. This makes number 8 so far.

Barney Gumble belched.

Me: Number 8.

Barney belched.

Nico: This makes 12 teams over all. But great job today everyone. Lets head home.

We went back home and then we got the Ghost team settled in and then we enjoyed the rest of the day and went to sleep.

Meanwhile in Japan, the Ex-Aid team was getting ready for our arrival.

Emu: This is gonna be so awesome!

Taiga: I can't wait to see everyone.

Poppy: Me too guys!

Kiriya: You got that right.

Emu: Lets do it!

They activated their Gashats!

All: HENSHIN!

They transformed in a flash of light and went at the screen.

TO BE CONTINUED!

Realm, and Lincoln and his group are going to destroy Wang Chan, Dio Brando's right-hand man and a dangerous vampire from JoJo's Bizarre Adventure: Phantom Blood. And they're going to meet a Geomathmech Final Sigma Gene-Slammer named Artemis Sigmafotia, she's Lincoln's Guardian Angel from Greece, and she's Lincoln's classmate in Gym who taught Lincoln in Archery. She and Lincoln often love to head to hot springs especially in swimsuits and she even loves sports but does not take kindly to bullies. In fact, when she saw Lynn hurting Lincoln, Artemis beat the crap out of Lynn, and when Artemis was done, Lynn's arms and legs were broken and Artemis even gave Lynn two black eyes one for each. Artemis and Lincoln would often swim, and this one time, she and Lincoln actually kissed while underwater, and to everyone's surprise, she's the cousin of Hercules (Disney), and she hates Lynn with a passion. Get ready for a video game experience as we go and meet the Ex-Aid team and we're going to destroy Masamune Dan! We're going to make that monster pay for his crimes!

See you all tomorrow!

Nico: This is gonna be awesome.

Qin: Yeah it sure is!

Mara: I can't wait to kick some Stormtrooper Butt.

We gave Mara the ability to transform into her mermaid form at will and she has her wings out too. She had a pink skirt with the kanji for Maiden of The Sea on it.

海の乙女

And she had pink sandals.

Eli: I have a feeling this will be good.

We were arming ourselves with blasters, lightsabers, detonators and more.

Squirrel Girl: This is gonna be so awesome as we kick some butt.

Lola: You bet it is!

Fluttershy: Oh I'm looking forward to this one.

Nico: Me too.

Xenia: Same here.

Nico: Thanks for coming with me, Squirrel Girl.

Squirrel Girl: Not a problem Nico. It's gonna be so fun kicking butt on these rescues with you.

Maria: It's gonna be so awesome.

Camie: I'm really looking forward to this one.

Nico: Squirrel Girl, I think your powers are the funniest yet.

Squirrel Girl: I do admit they are hilarious. But they are awesome too.

Nico: Yes they are.

Laney: I think your powers are so awesome myself.

Mara: I do too.

Qin: Same with me.

Tsuyu: Too bad Vambre doesn't. She is terrified of squirrels.

Me: Yeah she can't help that.

Nico: (laughs) No one would ever expect to be attacked by squirrels!

Squirrel Girl: No they sure wouldn't.

Me: Yeah that is unpredictable.

Qin: It sure is.

Nico: Yep. Lets head out.

I opened a portal and we were looking down the halls of the Death Star.

Nico: Time for some action! CHARGE!

We went through the portal and ignited our lightsabers and fired blasters and we were blasting and slashing numerous Stormtroopers all over the place.

I slashed 10 of them in one blade and Eli blasted 100 of them with Force Lightning and electrocuted them all over.

Nico: Yesterday was very awesome!

I threw a grenade and it hit a bunch of Stormtroopers and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Me: Yeah it was!

Eli fired a Grenade blast from a grenade launcher and it hit a bunch of stormtroopers and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli: Yeah!

Eli fired a blast of Force Lightning and electrocuted numerous Stormtroopers all over.

Qin fired waves of fire and incinerated numerous Stormtroopers all over.

Mara: Yeah!

Mara fired waves of lightning and electrocuted numerous Stormtroopers all over!

Stormtrooper: Blast them!

We deflected the blasts they fired back with our lightsabers!

Aylene fired balls of fire and incinerated numerous Stormtroopers all over.

Nico: I think Takeru liked Lincoln's Phantom form.

Me: Yes he did.

Takeru: That was awesome seeing that!

We fired waves of elements and killed numerous troopers.

Nico: Yeah!

Massive fiery explosions went off all over as we blasted them all over.

I fired laser beams and blasted them.

We saw numerous troopers hiding behind the walls.

They were blasting at us and we deflected the blasts all over.

Maria: Those sons of bitches are dug in like an Alabama Tick!

Eli: Not for long!

He threw a thermal detonator.

Eli: Fire in the hole!

We ran and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

They were blown to smithereens!

Qin: Take that!

Camie: Yeah!

Varie: Nice one Eli!

Nico: Look, there's an elevator!

We went into it and went to the control computer rooms.

Nico: Excellent.

We hacked into their computers and we took all their data and info and schematics and more.

Qin: Yeah!

Mara: Awesome.

We were really loading our computers full of it.

Nico: With this we can use these to make our own version of the Death Star.

Nico grinned and uploaded a video of the Robot Chicken Sketch "Mario in Vice City" onto the main computers.

Nico: Take this fiends.

Me: What are you taking the data here for Nico?

Nico: It's for a massive and very special project I've got planned.

Qin: I can't wait to see it.

Nico: You'll love it. We got what we need now.

We went down to the elevator.

Nico: Lets go find Darth Vader.

Me: Okay. I have a few things I want to say to him.

Nico: Okay.

Juran: That creepy dude's going down!

Nico: You got that right.

Eli: I already had my shot at him.

Nico: I know that Eli.

Squirrel Girl: This is gonna be so awesome.

Nico: It sure will.

We arrived at another big room and we saw DARTH VADER!

Darth Vader: So the famous Team Loud Phoenix Storm is here.

I went up to him.

Darth Vader: J.D. Knudson. Have you come to destroy me?

Me: I came to destroy you completely. (Ignites Purple Blade Lightsaber)

Darth Vader: Then you will die. (Ignites Red Blade Lightsaber.)

We went at each other and clashed and sparks flew out all over the place and we so did lightning and it was intense.

Qin: Wow! Look at them go.

Mara: So awesome.

Kaito: (gets out Build gear) Save some for us!

Zocks: (gets out Ex Aid gear) This one's for Emu!

Kaito got a Fullbottle Sword and Zocks got a Game Sword.

I fired a blast of Force Lightning and it hit him and electrocuted him all over.

I pushed him into a wall and used the Force and smashed him all over with numerous boxes.

Kaito and Zocks smashed and slashed him all over and knocked him down and then I slashed his helmet! He was gasping!

Lola: WHOA!

Nico: Wow!

It revealed his burned face and yellow eyes.

Me: Anakin Skywalker.

Darth Vader: (Distorted voice) Anakin is gone! I'm all that remains.

Me: Anakin look at what you have become! Because of Palpatine! He made you this way!

Darth Vader: Even if that's the case, the Jedi Council aren't entirely innocent either. Bariss Offee bombed the Jedi Temple in the past and had Ahsoka framed for it. The worst part is that

Mace Windu and the others expelled her from being a Jedi without a second thought!

Me: That's a lie! You helped clear her name! You were her mentor and master and you helped make her into a great Jedi!

Nico: Yeah Anakin!

Me: The Jedi are the peacekeepers! What you are doing is the total opposite! So many people looked up to you Anakin! And Palpatine got to you! Turned you to the Dark Side of the Force and made you into the very thing thing that you were chosen to destroy!

Darth Vader: The Jedi are evil!

Me: No they aren't Anakin! The Sith are! Search your feelings for you know it to be true.

Maria: And I bet Obi Wan didn't believe Ahsoka was guilty either. Not to mention Tarkin probably manipulated the trial so Ahsoka would be expelled. You just gonna overlook those two facts?

Me: Yeah!

Varie: How can you fall for Palpatine's lies so easily Anakin? How can you fall for all that bullshit he spouted to you!? Is this what Obi Wan taught you? Is this what your mother wanted from you? To be turned to the Dark Side of the Force? Is this what Padme would have wanted?

Anakin was starting to see that I was right.

Darth Vader: My mother is dead because of the Jedi!

Me: Then it's time for you to have a wakeup call! (Snaps Fingers)

I snapped my fingers and then 2 beams of light shined down behind me and the divine singing of angels was heard and then 2 figures came down and they were Padme and Shmi!

Anakin was shocked!

Padme: Anakin please wake up. Come back to the light side.

Shmi: My son please don't do this and follow the wrong path. This isn't who you are. You were chosen by the Force for doing good.

Nico: Look, the Jedi Council might have been decieved to expell Ahsoka from being a Jedi. But between them and Palpatine, who would you prefer?

Shmi: There is still hope for you Anakin my son. Your children will be proud of you as a Jedi and not this monster you have become.

Me: Luke and Leia Skywalker would want you to become a true force for good and not this monster that Palpatine made you. Try to remember all the good you did.

Anakin remembered everything that happened and everything that lead up to him becoming Darth Vader and then he realized that everything he did as Darth Vader was wrong and then he took off his helmet and broke down crying! Then I fired a wave of light and healed him up and got him his arms and missing legs back and healed his burns and gave him his hair back.

Padme went over and comforted him.

Padme: It's all right Anakin. It's all right. I forgive you.

Nico: There's still time to do the right thing, Anakin. Tell the remaining Stormtroopers to stand down.

Anakin: You're right! I will redeem myself! Stormtroopers stand down!

They did so.

Nico: It's time for you guys to now serve another force.

Me: As of right now you all are under the jurisdiction of Team Loud Phoenix Storm and our frenemies in the Masters of Evil. The pay is good.

They liked that.

Stormtrooper: I guess this is why except for Crosshair, the rest of Clone Force 99 ditched us.

Me: That's right. You need someone better to work for and not the emperor. You all will be given normal lives. Just let us get rid of those inquisitor chips in your helmets for you. In fact…

I snapped my fingers and removed the chips and gave them all free will.

I crushed the chips.

Anakin: If me and Rex listened to Fives, Kit Fisto and the others would still be alive.

Me: It's all right Anakin. You are still a good man. But it's time for the Jedi to return. (Snaps fingers)

On the planet Coruscant countless beams of light shined down on the planet and all the Jedi that were slaughtered because of Order 66 were resurrected. Same with all of the younglings and people that were killed!

Laney: YEAH!

Eli: Take that Palpatine.

Fu: That is gonna put a damper in all his plans.

Nico: Yep.

But then Eli sensed something.

Eli: I sense something.

We then saw a tiny figure come and fly around us.

Me: What the?

Qin: What is that? A fly?

Then it grew and we saw that it was a BLACK VERSION OF NANOMECH! It was Another Nanomech!

Me: It's Another Nanomech!

Anakin: What is that?

Me: Long story.

Albedo turned into Negative Nanomech.

Negative Nanomech: Another small Another Omnitrix Alien.

Another Nanomech: (In a girls voice) (British Accent) Been a long time J.D.

Me: (GASP) That voice! Amilia Cammingshire!?

Another Nanomech: Great to see you again J.D.

Me: You too and I am always grateful you saved my life.

Nico: She saved your life?

Me: Yep. Her name is Amilia Cammingshire and she is from England and she was blown up in an explosion while saving my life and in an incredible experiment she was turned into a cyborg. She has an artificial robot body and is immortal and eternal. And she has amazing lightning powers and also has angel wings because of it. There was a terrible fire at a fertilizer factory and she got me out and there was a massive explosion and all that was left of her was her brain and heart. The people of England did an amazing project on her and made her into an artificial android. She has her brain and heart in an adamantium robot body and she can live forever and got amazing lightning powers too.

Another Nanomech: Yes that's right.

Nico: Wow!

Eli: That's incredible!

Qin: Wow! She is now a cyborg!

Squirrel Girl: That is amazing that you have a cyborg friend. When did this happen?

Me: It was 3 years ago.

Nico: Wow!

Qin: That is amazing.

Nico: Did Swartz promise you anything?

Another Nanomech: He did. But this was another one he was unsure about.

Me: What was it he promised you though?

Another Nanomech: He promised to give me my humanity back. But he didn't get a degree in mechanical engineering.

Me: No he sure didn't and he isn't like Doctor Gero thank goodness. Sorry about this but we have to fight. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (activates Rowdyruff Boys) Time to get Rowdy!

Me: Lets do it!

Eli: YEAH!

(BLOOD RAVE PLAYS)

Nico danced hard and fired waves of lasers and fire and smashed Another Nanomech all over the place with incredible fury.

We cheered for him!

Qin: Awesome!

Mara: May I try?

Nico: Go for it?

(WINDS OF FREEDOM BY BRUNUHVILLE PLAYS)

She danced and a powerful green aura flared up and she fired waves of flowers and nature swirled around her and she fired them and smashed Another Nanomech all over the place with them.

Squirrel Girl: My turn! (Activate's Whiteout's Ridewatch)

(TEIR ABHAILE RIU BY CELTIC WOMAN PLAYS)

Squirrel Girl: (SINGING DIVINELY AS NUTS, LIGHT AND ENERGY SWIRLS AROUND HER)

Look how the light of the town

The lights of the town are shining now
Tonight I'll be dancing around
I'm off on the road to Galway now
Look how she's off on the town
She's off on a search for sailors though
There's fine fellas here to be found
She's never been one to stay at home
Home you'll go and it's there you'll stay
And you've work to do in the morning
Give up your dream of going away
Forget your sailors in Galway
Téir abhaile riú, téir abhaile riú
Téir abhaile riú Mhearai
Téir abhail gus fan sa bhaile
Mar tá do mhargadh déanta
Come now and follow me down
Down to the lights of Galway where
There's fine sailors walking the town
And waiting to meet the ladies there
Watch now he'll soon be along
He's finer than any sailor so
Come on now pick up your spoons

He's waiting to hear you play them WHOOO!

Here today and she's gone tomorrow

And next she's going to Galway

Jiggin' around and off to town

And won't be back until morning

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Off with a spring in my step

The sailors are searching Galway for

A young lady such as myself

For reels and jigs and maybe more

Stay here and never you mind

The lights of the town are blinding you

The sailors they come and they go

But listen to what's reminding you

Handsome men surrounding you

Dancing a reel around you

Home you'll go and it's there you'll stay

And you've work to do in the morning

Give up your dream of going away

Forget your sailors in Galway

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Listen to the music flow

I'm falling for the flow of home

I'm home to dance till dawning

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Stay a while and we'll dance together now

As the light is falling

We'll reel away till the break of day

And dance together till morning

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Do Mhargadh de - do mhargadh déanta

She danced and fired waves of energy and the blasts all smashed Another Nanomech all over.

Me: Awesome! Watch this one! (ACTIVATE'S BANSHEE'S RIDEWATCH)

(THE VOICE BY LISA KELLY PLAYS)

Me: (SINGING DIVINELY AS CELTIC SYMBOLS AND GREEN ENERGY SWIRLS AROUND ME)

I hear your voice on the wind

And I here you call out my name

"Listen my child, " you say to me

"I am the voice of your history

Be not afraid, come follow me

Answer my call and I'll set you free"

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice, I will remain

I am the voice in the fields when the summer's gone

The dance of the leaves when the autumn winds blow

Ne'er do I sleep throughout all the cold winter long

I am the force that in springtime will grow

I am the voice of the past that will always be

Filled with my sorrow and blood in my fields

I am the voice of the future

Bring me your peace

Bring me your peace and my wounds, they will heal

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice

I am the voice in the past that will always be

I am the voice of your hunger and pain

I am the voice of the future

I am the voice

I am the voice

I am the voice

I am the voice

I danced and fired waves of green energy and symbols and smashed Another Nanomech all over.

Nico: Banshee?

Me: Sean Cassidy A.K.A. Banshee. He's one of the X-Men. Started out as a villain but he would make a great addition for the Redemption Squad and the M.O.E.

Nico: Oh! Wow!

Maria: Let's keep it up!

Me: YEAH!

Qin: YEAH!

But then a light appeared and then out of nowhere appearing in Maria's hands was a new Grand Zi-O Ridewatch! It was for Kamen Rider Hibiki!

Maria: (GASP) A Hibiki Grand Zi-O Ridewatch! Now it's my turn!

She activated it!

Maria: HENSHIN!

She turned into an awesome new and amazing black and gold version of Kamen Rider Hibiki and she got an awesome and amazing armor with all the transformations and forms and armors of all the Hibiki Kamen Riders! She was now KAMEN RIDER HIBIKI GRAND ZI-O!

We gasped!

Me: WHOA!

Nico: Wow! Maria you look awesome!

Woz: REJOICE! The Ultimate Knightess of Sound who reaches over music and singing over the past and future. Her name is Hibiki Grand Zi-O! We are now reaching a new page of history!

Nico: WHOA!

Qin: This is amazing!

Nico: Congrats, sis!

Maria: This is so awesome!

Me: Yeah! Hitoshi and everyone are gonna flip when they see this!

In fact this gives me another idea for a new branch of the team.

Nico: What is it?

Me: We'll call it Team Loud Phoenix Storm's Knights of The Kamen Rider table.

Qin: Ooh! Not bad!

Mara: I like that.

May: That's awesome!

Woz: That is a most good name General Knudson.

Me: General Knudson. I like the sound of that.

Nico: And I am his superior officer still.

Me: Yes Lord Nico.

We laughed.

Nico: That is true.

Maria: Lets put this to the test.

She tapped the statue of Hitoshi and blasted Another Nanomech with purple fire and smashed her all over.

Maria: Nice!

Granity: That was awesome!

Maria: Lets see here.

She tapped the statue of Iori and got a Trumpet Weapon and fired a music blast and it hit Another Nanomech and blasted her all over!

Me: YEAH! AWESOME!

Eli: Wow! That was amazing!

But then a huge energy ball appeared and it smashed into Another Nanomech and exploded with incredible power!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! What power!

Eli: Nice shot Granity!

Granity: That wasn't me.

?: That was me!

A figure came out and wew saw that it was ANOTHER GRANITY!? WHAT THE!?

Granity 2: (Icelandic Accent) Looks like I'm in time for some fun.

Nico: Irina Krafla!? Wow!

She reverted back and was a girl with neon green hair and green clothes and had no shoes and she had dark blue and green angel wings.

Irina Krafla: This is gonna be so awesome.

She formed a huge ball of energy.

Irina Krafla: BIG BANG!

She threw it and it smashed into Another Nanomech and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch and purified it and I picked up Amilia.

Me: Amilia? Are you okay?

Amilia: (Groans) What a rush. But yeah I'll be fine.

Irina Krafla: Thank goodness.

Granity: It's awesome to meet a Gene-slammer for me.

Irina Krafla: And it's a pleasure to meet you Granity. Nico it's awesome to see you again.

Squirrel Girl: What's your favorite memory of Nico?

Irina Krafla: I have a lot of them. But my favorite is when me and Nico were battling a notorious street gang in New Jersey that was causing lots of problems and we took them all down and we were given a big award for saving the city from their terror. We got them all sent to death.

Nico: Good riddance to those clods.

Me: Yeah no kidding. That was great.

Qin: It sure was! I remember that. That was amazing.

Mara: Wow!

Nico and Irina hugged.

Nico: I've missed you.

Irina Krafla: Me too Nico.

Anakin: That was so amazing. Guys. Words can't express how sorry I am for everything that I've done. I wish I could turn back the clock.

Me: I know Anakin. I know.

Anakin: But I must atone for all I've done. I need to face the consequences of my actions.

Me: If that is what you want we won't stop you.

Anakin: Take me to your prisons so I can serve my time.

Me: Okay.

He gave Maria his lightsaber and I snapped my fingers and beamed him to the Jupiter Prison.

Nico: You know, Amilia, we can still do what Swartz promised to do.

Amilia: I'm okay Nico. Besides I actually don't mind being a cyborg. It's actually really amazing.

Qin: I think this is really cool that you are a cyborg.

Me: I think so too.

Nico: Well okay.

Eli: That is awesome and now we have Maria as a Grand Zi-O Knight.

Camie: We sure do.

We then brought the Death Star to Earth and told everyone that we now have control over it and all that and we have stormtroopers for the M.O.E. and Team Loud Phoenix Storm.

I told the Jupiter Prison warden what happened with Anakin that we met on Nico's rescue and this was his atonement. He got eternity in the Jupiter Prison for his crimes. But everyone took Sympathy on him. We'll call him Anakin 2.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Roxy (Winx Club) are heading to the Sensei Dark Realm, and not only is Lincoln going to rescue the three girls here, but we're also going to destroy Wang Chan, Dio Brando's right-hand man and a dangerous vampire from JoJo's Bizarre Adventure: Phantom Blood.

Lincoln: Whoa, we're here in The Sensei Dark Realm and I know what we're going to do here, not only am I going to rescue the three girls here, but we're also going to destroy Wang Chan, Dio Brando's right-hand man and a dangerous vampire from JoJo's Bizarre Adventure: Phantom Blood.

Nico: That's right, Linc, and we've got to watch our step here now that we're in The Sensei Dark Realm, and since vampires are creatures of the night, we're on their turf.

Crash Bandicoot: That may be true, but this is also the turf for our resident vampires.

Me: That's right. So, Linc, how do you intend to find Wang Chan among the darkness?

Lincoln: Vampires always have the fresh scent of spilled blood on them, so they'll be easy to sniff out the scent, and I can also track down his very movements with echolocation and with my superhuman senses.

Lucy Loud: Some vampires are known to be smart and try anything to avoid discovery, but since this is one of Dio Brando's minions, he'll be wanting revenge.

Lincoln: But, his revenge will be ruined especially with how I'm going to kill him, like I've done to a lot of evil vampires and other villains. And thanks for joining us, Roxy.

Roxy (Winx Club): You're welcome, Lincoln. And it sure is spooky here.

Lucy Loud: (Smiles) A perfect place for us.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of three girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Wang Chan, and he's going to kill them.

Lincoln: Guys, I found the three girls, but they've been cornered by Wang Chan, and he's going to kill them.

?: (Girl's voice) (Greek Accent) That bloodthirsty vampire, let's get him.

Suddenly, we saw the Duel Monster, Geomathmech Final Sigma, appear before us.

Nico: Whoa, that's Geomathmech Final Sigma, awesome.

Lincoln: And I'd recognize that Greek accent from anywhere, I knew it was you Artemis Sigmafotia, but we'll talk later, we've got another evil vampire to kill.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Wang Chan, and it allowed the three girls to get away. When Wang Chan saw us, he was enraged.

Wang Chan: So, the killers of Lord Dio have appeared, I will enjoy destroying all of you!

Lincoln: Fat chance, the only thing awaiting you is the very same fate that befell your master and his other minions.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon

Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Roxy, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Wang Chan, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln had put Wang Chan in a brutal bear hug, so he can't escape, and then, Lincoln sank his fangs into Wang Chan's neck, and he began drinking his blood and he was also absorbing Wang Chan into his body and in the process, Lincoln was assimilating all of Wang Chan's powers and abilities. As soon as Lincoln was done drinking Wang Chan's blood and absorbing the vampire into his body and assimilating his powers and abilities, an energy card appeared in Lincoln's large left hand with Wang Chan's soul imprisoned inside, and when the kanji appeared on his forehead, he was then erased by The Black Gates. We cheered wildly as we holster our weapons and power down.

Lincoln: That's yet another servant of Dio Brando put down for good. (To Artemis Sigmafotia) And it's so good to see you again, Artemis Sigmafotia.

Artemis Sigmafotia reverted back to normal, and she's a beautiful girl with long flowing orange hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful orange angel wings, and she reigned in the power of

Geomathmech Final Sigma, and she's dressed in a sleeveless orange blouse, sleeveless orange top, orange skirt, orange pants, orange legwarmers, orange shoes, and long sleeveless orange trenchcoat with fire on the coattails, and Geomathmech Final Sigma on the back, and holstered on her back a large Geomathmech Final Sigma-themed greatsword with Geomathmech Final Sigma etched on the 7'0" massive, wide, double-edged orange blade, orange angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large orange gem surrounded by orange angel wings for the pommel.

Artemis Sigmafotia: (Greek Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Artemis Sigmafotia and they hugged, and Artemis Sigmafotia's very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Artemis Sigmafotia: (Greek Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Artemis Sigmafotia, she's my Guardian Angel from Greece and she's my classmate in Gym who taught me Archery. We often love to head to hot springs, especially in swimsuits, and she even loves sports but she doesn't take kindly to bullies.

Nico: Uh oh.

Lincoln: Yeah, and when Artemis saw Lynn hurting me, Artemis beat the crap out of Lynn, and when Artemis was done, Lynn's arms and legs were broken and Artemis even gave Lynn two black eyes for each one.

Me: Ouch.

Lincoln: Plus, we often swim and this one time, we actually kissed while underwater, and you're also going to like this: Artemis is the cousin of Hercules.

Our jaws dropped.

Me: Whoa!

Nico: Dang, that's really awesome.

Lincoln: You said it, and there's a reason why Lynn's not here, Artemis hates Lynn with a passion.

Eli: This is something that we're so not going to like.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Artemis Sigmafotia's neck with orange gems on the gold thunderbolt links and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Artemis Sigmafotia: (Greek Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Artemis.

Artemis Sigmafotia had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Artemis Sigmafotia's waist and Artemis Sigmafotia wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Artemis Sigmafotia's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Nina from Artiswitch, Nadja Applefield and Sylvie Arte from Ashita no Nadja.

Lincoln: Oh wow, it's Nina from Artiswitch, Nadja Applefield and Sylvie Arte from Ashita no Nadja.

Nico: Awesome.

Lincoln: Are you girls okay?

Nadja Applefield: Yes, we're okay, thanks to you.

Then, when Nina and the other two girls saw who it was that saved them from Wang Chan, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Nina (Artiswitch): Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and the two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Nina (Artiswitch): (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Thunderbird Necklaces of Eternal Love appeared on the necks of Nina, Nadja Applefield, and Sylvie Arte with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new

Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Wang Chan.

But, when Lincoln showed what he did to that vampire, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Artemis Sigmafotia have a lot of catching up to do now that she's back in town. And when Lincoln told everyone else of Artemis Sigmafotia and what she did in teaching Lincoln in archery, along with swimming and often love to head to hot springs in their swimsuits, and when they were underwater, she actually kissed him, and she also beat the crap out of Lynn when she was hurting Lincoln and the big surprise being that she's Hercules' cousin, that really stunned and amazed everyone.

Maria: Whoa, so that's another Guardian Angel who's related to one of the Disney heroes.

Nico: That's right.

Then, Lynn came in, and when she saw Artemis Sigmafotia, her blood ran cold.

Artemis Sigmafotia: (Greek Accent) Lynn, I can never forget about what you did to your little brother all the time beating him up for your sick amusement, but I can let it go now that I know the monster in you is dead and gone for good.

Lynn sighed in relief, and we knew we were in for one heck of a tale.

Yuna Kamihara: Wow, Taro's transformed, awesome.

Sasha (Stitch!): And now, that omnicidal android's about to be turned into scrap metal, especially with Lilian Hale about to join.

Lilian Hale: Wow, Taro, you look amazing. How do you feel?

Taro (Stitch!): (Divine Echoing Cosmic Voice of The Nature Butterfly and Divine Martial Arts Hope) I feel incredible, Lilian. Now, shall we take down this monster?

Lilian Hale: (Smiles) I thought you'd never ask.

Lilian Hale unholstered her massive Kandrakar's Light Quintessence Broadsword of Magical Light Justice from her back and transformed into Super Angel Eternity Infinity Kandrakar Celestial Quintessence Heavenly Phoenix Angel of Light Quintessence Life and Kandrakar Justice and she joined Taro.

Lilian Hale: (Divine Echoing Cosmic Voice of The Celestial Quintessence Life Angel and Divine Kandrakar Love) Let's turn that monster into scrap metal.

Taro and Lilian Hale went after Master Contra, and they fired powerful blue and pink energy blasts, light, leaves, butterflies, phoenixes, and angels at Master Contra, and they exploded with incredible power as they hit him. Then, they attacked him with their massive large broadswords leaving scars on him, and it angered him even more. But, before he could attack again, Taro and Lilian Hale fired powerful energy beams at Master Contra, and not only was he destroyed and erased by The Black Gates, but we also assimilated all of his powers and abilities, and we also got his weapons. We cheered wildly for what Taro and Lilian did to Master Contra, as they holster their massive broad-bladed broadswords on their backs and power down, and Taro's new body, clothes, weapons, jewelry, and massive blue-green angel wings are permanent.

Then, the two of them shared a passionate and romantic kiss and we cheered wildly.

Nico: Awesome, not only did Taro transform, but he and Lilian got rid of Master Contra and sent his butt to The Black Gates for good.

Lincoln: That monster got what he deserved, but now, he's never coming back to cause trouble ever again.

We returned to The World Tree Estate, and we got rid of Master Contra for good, and he's never coming back to hurt anyone ever again.

---

Later at Lynn's Table it was time for Lunch and an awesome Bonding Session.

Me: This is gonna be awesome.

Nico: Luna, bonding time is between you and Hilda.

Luna: Sweet! Ready to humiliate Flip and the jerks dudette?

Hilda: (British Accent) I'm always ready love!

Nico: Yeah!

They went and humiliated some of the jerks!

Hilda: I think I'll start with Amy.

Amy: You wish tealhair!

Hilda: Lets see you do this.

She used the Core Medals for Underminer, Lexaeus and Terraformer and her sword turned into a rock blade!

Hilda then formed it into a hammer and smashed Amy all over the place and it was really knocking out her teeth! Jewels and Diamonds poured out of Amy with each hit!

Me: (WINCES) That's gonna leave a mark!

Nico: YEAH! WOO!

Luna: Nice one dudette!

Hilda: Thanks love.

Kaito: So, Luna, How did you and Hilda meet?

Luna: We met on an internet chat room and then it went to video chat. We talked a lot about Mick Swagger and Hilda told me so much about how she and her friends in Trollberg took on all sorts of legendary creatures.

Me: That is awesome.

Lola: Luna told us a lot about Hilda and she wanted to meet her in person for a long time.

Me: That is so awesome.

Luna: It sure is dudes.

Sam S.L.: I thing it's cool. May I give it a try Lunes?

Luna: Go for it Sammie.

Sam went over to Flip and used the Core Medals of The Springfield Bullies, Volcano Man and Crotchkicker Bully and she had a bazooka made of lava in her hands.

Sam S.L.: WHOA!

Me: Whew! The heat from that one is intense!

She held it and fired and it fired a glob of lava and it smashed right into FLIP'S CROTCH AND BURNED HIM AND HE SCREAMED IN EXCRUCIATING PAIN AS MOUNTAINS AND MOUNTAINS OF GOLD, DIAMONDS AND JEWELS POURED OUT OF HIS BUTTS, MOUTHS AND EARS!

We laughed hysterically!

Whitney: WOO! NICE ONE!

Horsea: Let me try!

Hilda: Go for it Horsea.

She went up to Bubble Bass.

Horsea: Taste this!

She glowed breathed out a huge blast of blue fire and it formed into a deadly dragon and it slammed into Bubble Bass and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Mountains of gold and jewels exploded out of him! We were completely flabbergasted! Somehow Horsea knows the most powerful technique to all Dragon Type Pokemon, DRAGON RAGE!

Misty: Horsea knows Dragon Rage!?

Me: WHOA! That is incredible!

Hilda: That was really amazing!

Magine: How do you know Dragon Rage?

Horsea: I don't really know! I was training hard and then I mastered it with ease somehow. Whoa I feel strange.

Nico: What is it.

Suddenly… It happened!

HORSEA GLOWED AND THEN SHE WAS EVOLVING!

We gasped!

Me: Horsea's Evolving!

She turned into SEADRA!

Me: She evolved into Seadra!

Future Maria: Wow!

Maria: Horsea, can you still turn back into your cute self?

She poofed back into Horsea.

We signed in relief.

Horsea: Cool! I'm a Seadra too!

Me: You sure are! It was bound to happen someday.

Qin: Yep.

Luna: That was awesome dudes!

Hilda: Yeah it was!

Horsea: I'll only go Seadra in extreme emergencies.

Nico: Good thinking.

Qin: Yeah.

Lincoln: Mind if all my Guardian Angels go at Flip?

Nico: Go for it.

Lincoln: Go wild girls.

They sinisterly laughed and then jumped Flip and beat him up in a vicious and brutal fight cloud and mountains and mountains of gold, jewels, coins, diamonds and precious gems poured out of him in massive fountains.

Luna: YEAH GO GET HIM!

Hilda: That is so awesome.

Nico: Who else wants to go?

Crag: We want to go.

Rip: Yeah lets rip!

Chunk: Yeah! Want to join us Luna and Hilda?

Luna: You bet dudes!

May: Lets do it!

They went over and were going to pulverize Billy and Evil Chris!

Crag: Lets do it guys!

Ripping Friends, May, Lincoln, Lynn, Luna and Hilda: IT'S RIPPING TIME!

They went and smashed and brutally pulverized Billy McLean and Evil Chris in brutal and savage fight cloud! Massive mountains of coins, jewels, diamonds, gold bricks and more poured out of them as they fought!

Nico: Anyone else?

Omaima Lexxington: I got one. (LOUD FART!) Sorry.

She went over to Flip and then pressed her butt in his face!

Omaima Lexxington: Sniff on this fatlard!

STINKY BUTT! SHITHEAD! BEST MATCH!

Nico: SHE'S GONNA BLOW!

We ducked and covered under the tables and then…

EXPLOSIVELY LOUD FART!

She farted so explosively and loudly in Flip's face and he was covered head to toe in foul reeking SHIT!

Qin: OH GOOD GOD!

Lana: AWESOME!

Hilda: That was awesome!

Omaima Lexxington: Ahh! That was relieving. I'll be right back.

She went to the bathroom and changed.

Gaon: Why? Do her clothes stink now?

Me: Don't fucking ask.

Nico: CLEAN UP ON AISLE 12!

A bunch of clean up robots came and scrubbed the place all over and cleaned it all over and it was sparkling clean.

Qin: Much better.

Flip was really humiliated.

Omaima came out.

Omaima Lexxington: Ahh. That's better. (LOUD FART) Sorry.

Nico: That was great though!

Hilda: Yeah it was.

Nico: Who's next?

Himiko: I got one! You'll like this one.

TINA LEVITO! PETER GRIFFIN! BEST MATCH!

Himiko fired a drunk ray and it hit Scoots and it made her drunk like she drank 400 strong beers and she was really drunk and stupid!

Scoots: (Slurred Speech) (To me) You know what you really suck! He couldn't make me laugh even if I was laughing my ass off and he was making me do it! Huh? Come on skinny! Make me laugh! (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party you dirty crow! (BELCH)

Poromon: Yay!

Nico: (LAUGHS) That was funny!

Me: Better to her than any of us.

Qin: Yep.

Nico: Yeah.

Hilda: I think that's enough though.

Luna: Yeah.

Nico: Next?

Eli: (Senses Something) We got company.

A figure came in and it was a scary version of Ninja Storm Red! It was Another Ninja Storm Red! But this one was dripping sweat like crazy!?

Nico: It's Another Ninja Storm Red!

Me: But wait it's dripping lots and lots and sweat! Wait a second, only one person I know that can sweat that much.

Another Ninja Storm Red: (In a Girls Voice) That's right J.D.

She reverted back and it was a girl with black hair and black clothes and she was dripping sweat like you wouldn't believe!

Me: Catherine McNulty!

Catherine McNulty: Good to see you J.D.

Me: You too.

Nico: Are you really hot? It's 70˚ in here.

Me: She can't help it Nico. She was born with a condition that causes uncontrollable excessive sweating. She sweats so much that it makes it look like she's pouring out Niagara Falls.

Nico: Oh.

Maria: What did Swartz promise you?

Nico: I think it's obvious he wanted you gone because of your sweating problem.

Catherine McNulty: Yeah I can't help it. He sent me out very quickly because I was making him slip and fall all the time. He promised to cure my condition.

Me: Well good luck with that.

Catherine McNulty: Yeah it's obvious that he lied to me.

Me: Yeah he does that. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I grew my extra wolf tails and put a wet floor sign down and then held out numerous buckets for her.

Me: How about you make this easy for this one since you're sweating so much? Give us the ridewatch you have and we'll try and cure you.

Catherine McNulty: First, use a Ridewatch on me.

Nico: (activates Weather Wizard's Ridewatch) Done.

He fired a wave of lightning and electrocuted her and got the ridewatch out and I purified it and she had a huge headache!

Me: You all right?

Catherine McNulty: Yeah.

Nico: Sorry about that.

I patted her and got sweat all over my hand.

Me: EW! Hold on.

I wrang her out like a sponge.

Me: Did that help?

She was still dripping sweat.

Qin: Geez! She sweats worse than a pig!

Applejack: Hoowee! No kidding there!

We saw Ninja Storm Weapons all on the ground and they were imbued with the powers of the M.O.E.

Later we went back home and we were going to cure Catherine.

---

Later we were watching TV.

Moby Lick: Anyone seen the mascots?

Nico: I hope Masamune Dan hasn't captured them.

Me: Oh they are heading over to the beach all by themselves for some fun. But I sent a shadow clone with them to watch them.

Nico: Oh that's good. (POINK) THEY WHAT!?

UH OH!

At the beach, the Mascots were there and my clone was too.

Poromon: What a nice day, huh, guys?

Poliwag: You said it!

Manaphy: Yeah and J.D.'s clone is watching us too.

Me 2: Yeah as long as I'm with you what could go wrong?

Horsea: Yeah.

Nico: WHY YOU LITTLE!

He was strangling me!

Me: (CHOKING)

Bart: HEY That's only for me!

Crumplezone grabbed Nico.

Crumplezone: That's enough boss!

Ripster: We need to find them right now!

Nico: Oh right. And I think I know where they are.

Poliwag: Horsea, are you glad you can evolve now?

Horsea: I sure am! It's so cool!

Me 2: That sure is awesome! It was bound to happen eventually.

Poromon: It sure is.

We arrived at the beach.

Crumplezone: There. Safe and sound.

Nico: Well J.D.'s clone is looking out for them. Thank goodness. Sorry J.D. I lost my temper.

Me: (Coughing) It's okay Nico. Man Now I know how Bart feels whenever he's strangled by Homer.

Varie: Geez. But a Saiyan's strength will rip your head off.

Varie got to healing me.

Qin: But at least they are under J.D.'s clone's watch.

May: That's so sweet of him.

Nico: I forgot we can do that.

Horsea: But Most of the time, I'll be my cute self.

Me 2: That's awesome. But your power is stronger now that you are a Seadra too.

Poliwag: Yeah.

I saw everyone.

Me 2: Oh they're all here.

Manaphy: Uh oh.

Nico: It's all right guys. Thanks for looking out for them.

Me 2: No problem.

POOF!

My clone vanished.

Qin: That was awesome though.

The mascots came back to us.

Brawn: How was the beach?

Poromon: It was fun!

Poliwag: We had a lot of fun.

Horsea: We sure did.

Nico: Well at least J.D.'s clone looked out for you. Lets head back and get ready for our mission.

We went back to the estate and we got ready.

Manaphy: Sorry we went out.

May: Ah it's all right. But at least J.D. was watching out for you.

Lola: Yeah that's true.

Qin: That's true.

Nicole: But I'm ready to see Emu and everyone and kick some Bugger butt.

Eli: Me too.

Rage Mage: I got lots of items from the Super Smash Bros tournaments.

Me: Sweet!

Qin: And we got lots of power ups for everything too.

Nico: But what we're concerned is this.

Nico showed the Gashats we got for the M.O.E.

Nicole: Right Emu is gonna be pissed.

Camie: He sure is.

Rich Texan, Webstor, Angel, Red Ghost, Skalamander, Steam Smythe, Black Adam, Ebon, Felix Faust, and Ben Ravencroft appeared.

Rich Texan: Can me, Webstor, Angel, Red Ghost, Skalamander, Steam Smythe, Black Adam, Ebon, Felix Faust, and Ben Ravencroft go with you guys?

Nico: Yes you guys sure can.

Qin: This is gonna be so much fun.

Lola: Yeah it sure will be.

Kopaka: I'm really excited for this one too.

Gluko: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Phoenix of Genki's world next.

Genki: Wow! Phoenix in Gene-slammer form! That is gonna be awesome.

Me: It sure will be cool,

Lola: Yeah!

Camie: I'm looking forward to seeing that one.

Nico: Me too. Lets head on out everyone!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Blade, the main antagonist from Red Earth, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us today?

Lincoln: You got that right, Nico, and Mai-Ling, you're not going to like it one bit: the dark energy signal I sensed belongs to your old enemy, Blade, and he's here to cause havoc.

Mai-Ling gasped in horror.

Mai-Ling: I thought we'd never have to deal with that monster again after Leo destroyed him long ago, and now, he's come back.

Kopaka: That monster better consider this his last day alive, and Lincoln, would you like to help me with taking down that monster?

Lincoln: Of course, if that monster tries to hurt Mai-Ling, I'm going to rip him to shreds!

Nico: Ooh, now that's an awesome idea, Linc, and you're right, if he hurts one hair on Mai-Ling, you're going to rip him to shreds. Alright, gang, let's go, it's time to meet the Ex-Aid Kamen Riders.

Lincoln: We're in for one awesome video game adventure and this'll be Masamune Dan's last day alive, and you better say your prayers, Blade, you evil knight, because you're never going to hurt another person ever again.

We were off to Japan.

---

We arrived and we saw them.

Angel: There they are!

Me: And they're fighting lots of Bugger Footsoldiers!

Qin: Awesome!

Mara: Wow! They must be saving up for the main event.

Lola: Yeah.

Nico: Lets go.

We went at them.

Hiiro: At least it's footsolders this time!

POW BLAM SMASH!

Emu: Yeah!

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and fireballs rained down and a phoenix cry was heard and the fireballs blasted the Footsoldiers all over.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Emu: Zocks!

We landed and blasted and smashed the Footsoldiers all over.

Me: Looks like we got here just in time! (Activates Lord Drakkon's Gashat)

I donned awesome Drakkon armor and slashed and blasted the footsoldiers all into dust!

Nico: YEAH!

Eli: Awesome bro!

Hiiro: That was awesome!

Kopaka: Miss me, bro?

Hiiru: You bet bro!

Me: That was awesome though.

Emu: Boy it sure was. But what was that armor you had?

Me: Well that's one of the things we need to talk to you about.

Varie: And J.D. was also right about you guys. I too am a doctor technically. My name is Varie and I'm one of his Fiancé's.

Emu: Awesome to meet you Varie.

Nicole: That's my mom for you. So what has been happening?

Taiga: Well we need to tell you at our base.

Nico: Then lets go.

Kuroto Dan: Oh, let me introduce to you my teammates in the Sinister 12. Skulker, Heart, Stacey, Yost Electro, Yost Crimson Dynamo, Ryubei Sonozaki aka Terror Dopant, Dograino Yaboon, Evil Clayface, Emperor Z, Fracture, and my leader, Psyphon.

Emu: Cool!

Hiiro: Awesome that you guys are Kuroto Dan's version of the Sinister 12.

Evil Clayface: It sure is awesome.

Heart: Yeah I like it.

Yost Electro: I think it's cool.

Angel: Oh and Nicole I called Control Freak over. Since this is a video game themed mission I thought it would be cool for him to have a battle with you too.

Nicole: Awesome! Thanks Angel.

Angel: You're welcome.

We were walking to their base.

Caitlyn: We want to thank you guys for helping us on Lego Okaara.

Me: Yeah that was awesome.

Emu: It was no problem.

Lola: That was awesome.

Camie: It sure was and it was awesome you guys helped us smash Lego Larfleeze.

Qin: Yeah.

We arrived at their hospital.

Skalamander: This is a nice hospital.

Emu: It's a perfect place to help people.

Varie: My kind of environment and I am a nurse.

Maria Santiago: It sure is a nice place and I am an E.R. Nurse.

Lily: And I would fit right in at the Psychiatric Ward because my healing water cures mental problems.

Emu: Wow! That's cool Lily!

Hiiro: This I got to see.

Lily: Sure.

We went to the psychiatric ward and we saw a woman who was strapped to a bed and she was thrashing around in fear saying that the devil was going to kill her.

Lily: Oh man. That's paranoid schizophrenia. Watch this.

She went over and then spread her wings and enveloped her in a ball of water and cursed her and she was better.

Woman: (GROANS) Wow! What a horrible headache.

Emu: Wow! That was amazing!

Lync Volan: You know what? I really wish there was a Gashat based on Super Mario!

Mario: (Italian Accent) Oh now that-a would be amazing.

Me: It sure would be cool. And that's one of the things we need to talk to you about.

Emu: Lets head to the conference room.

We went to the conference room.

Poppy: Hey guys!

Me: Hey Poppy!

Me and Poppy hugged.

Me: Awesome to see you again.

Lola: Wow I love your pink hair.

Poppy: Thanks Lola.

We sat down.

Me: This is one of the things we need to tell you.

I pulled out my bag and opened it and in it was the Gashats of the M.O.E.

Me: These are Gashats imbued with the powers of the M.O.E. You wouldn't believe how we got them.

Nico: We got them from defeating Another Rider versions of you and Brave.

Emu: SAY WHAT!?

Poromon got out 1 beer bottle.

Emu: What's that?

Poromon: 1 bottle of beer!

Kiriya: Aw. Just one bottle of beer?!

Octane: I knew this was gonna happen.

Emu: Digimon and Pokemon that drink?

Me: Don't fucking ask. But this happens every time on big day missions.

Qin: Yeah.

Mara: But it's funny.

Maria: It sure is.

Me: Yeah.

Taiga: Anyway, you guys remember how patient's get infected with a Bugster Virus?

Ben Ravencroft: We do. Why?

Eli: Because I sense that massive numbers of them are infected.

Me: Uh oh! Code Malware!

Nico: Code Malware?

Me: It's my code for a Bugster attack.

Nico: Oh like the Malicious Computer code. Good term.

We went and faced the Bugsters.

Poromon: Whoever kills the most Bugsters gets this bottle of beer!

Kiriya: Well, I'd better get down to fighting then!

Me: I'll even get some root beer to up the ante!

Nico: Now you're talking!

We went at them!

But then May got an incredible surprise as a flash of light appeared and in her hands was a new GRAND ZI-O RIDEWATCH! It was for Kabuto!

May: (GASP) Wow! The Kabuto Grand Zi-O Ridewatch! Now it's my turn!

She put it on and activated it.

May: HENSHIN!

The forms of all the Kabuto Kamen Riders appeared and all the Zecters swirled around her and they formed into an awesome and cool blue armor with all the statues of every form of Kabuto Rider including mine! She had become KAMEN RIDER GRAND KABUTO ZI-O!

May: WHOA!

Me: AWESOME!

Nico: WOW!

Woz: REJOICE! For Lady May has become The Ultimate Knightess of Zecters who reaches over machines and justice which sings over the past and future. Her name is Kabuto Grand Zi-O! We are now reaching a new page of history!

Me: WOW!

Nico: Way to go May!

Taiga: What kind of prize is a bottle of beer?

Me: It's a contest Taiga. Besides we have fun in these.

I fired waves of fire and blasted 732 Bugsters.

Nico: WHIRLWIND SPIN!

The 6-Star Dragonball on his bracelet glowed and Nico made a sign and blasted the Bugsters all over in a powerful wind and energy tornado and shredded them apart.

Nico: 912!

Qin was keeping track.

Komba O Charlie: Bakugan Brawl! Ventus Harpus!

He summoned Harpus!

Harpus: Ready for action!

Harpus blasted them all over with wind.

May tapped a statue of Bee and blasted them all over and smashed down 832 Buggers!

Ebon: See how you like this!

Ebon used his Portals and sent them into the sun!

He killed 752 of them.

Varie: Yeah!

We were really tearing them apart.

---

French Narrator: (French Accent) 45 Minutes Later.

---

We were panting and sweating and then the Buggers were gone.

Me: That's all of them.

Qin: And the final score is Poromon wins the beer with 283,236 Buggers! Everyone else is tied all at 199,999 each!

Me: Wow! What are the odds of that!?

Camie: Very Astronomical.

Wildrider: Aw man! POROMON won the contest!

Me: At least all of us get root beer.

I pulled out a huge barrel full of it and filled up mugs for all of us.

Qin: Yeah!

Lola: Love Root Beer!

Lana: Me too!

Emu: The best part is that all patients affliated with the Bugsters we kill have all been cured.

Black Adam: That's a relief.

Me: And it will end when we kill the target. Masamune Dan.

Qin: Yeah that monster is getting the Black Gates for this.

Mara: Yeah he sure is.

Exhaust: Can you guys tell us more about him?

Kuroto: Me and Emu can.

Emu: It's not pretty.

He went over his history.

Masamune Dan is the founder of Genm Corp. and the primary antagonist of 2016 tokusatsu superhero TV series Kamen Rider Ex-Aid.

He is the true mastermind behind the outbreak of the Bugsters, secretly exploiting the virus to gather subjects for his plan. His ultimate goal is to become the controller of everybody's lives by trapping everyone within the augmented-reality game Kamen Rider Chronicle. Using the Buggle Driver II and the Kamen Rider Chronicle Master Gashat, Masamune can transform into Kamen Rider Cronus.

He later returns as a supporting character in the Kamen Rider Ex-Aid: Another Ending movie trilogy and again as the main antagonist in the Kamen Rider Genms -The Presidents crossover web special.

He was portrayed by Hiroyuki Takami.

16 years ago, Masamune Dan learned of the existence of the Bugster Virus from his son, Kuroto Dan, who discovered it after it emerged from the Y2K crisis. Unbeknownst to everyone but himself, Masamune infected himself with the virus to develop an antibody for it within him.

Masamune at some point partnered with Kiyonaga Hojo, who is Emu's father and the president of a medical equipment company, to develop a way to combat the Bugster virus. However, Masamune eventually figured out that Kiyonaga was responsible for the emergence of the Bugster virus, having inadvertently created it when he ran simulations on the Y2K with his medical equipment. With this, Masamune blackmailed Kiyonaga into helping him create Kamen Rider Chronicle and to hand over his son Emu to Kuroto for experimentation.

After Kuroto caused Zero Day and pinned the blame on him, Masamune willing took responsibility and allowed himself to be incarcerated in order to absolve him of guilt for the events that would follow. In his place, Kuroto would step up to become CEO of Genm though, unbeknownst to him, his father was secretly using him to further his own goals.

Masamune was eventually released from prison, allowing him to retake control of the Genm Corp. He walked in on the final battle between the Riders and the Bugsters and revealed himself as the true mastermind behind Kamen Rider Chronicle, having used Kuroto and the Bugsters as pawns to complete it. Masamune then transformed into Kamen Rider Cronus and used Cronus' "pause" ability to freeze the Riders and Bugsters. As they were frozen, Masamune attacked each one of them before coming to the Lovelica Bugster. Declaring that Toki Meki Crisis was no longer in stock, Cronus killed Lovelica and froze him in a permanent state of "death", trapping the Bugster from being able to come back. Cronus then unfroze time and departed as his attacks hit each of his targets.

Masamune blackmailed Hiiro Kagami into turning to his side with Proto Drago Knight Hunter Z, which had his girlfriend, Saki Momose, sealed inside of it. After much reluctance, Hiiro accepted the offer and betrayed Emu and Kuroto by preventing them from stopping the Pause ability of Cronus.

With Hiiro's assistance, Masamune revived Kiriya Kujo so he could become observant of the players of Kamen Rider Chronicle and prevent the doctors from stopping its progress. However, reviving Kiriya turned out to be Masamune's biggest mistake, as Kiriya revealed that his true purpose was to make an opening so Emu and Kuroto would create a new way to defeat him.

Cronus was later defeated by Ex-Aid Muteki Gamer. Angry at his defeat, Masamune threatened to kill Saki if Hiiro could not control Taddle Legacy. Masamune later overheard Hiiro being called by his father, who pleaded with him to perform a heart operation to save Taiga's life. Masamune ordered Hiiro to sabotage the heart surgery or he would delete Saki. Hiiro went to go perform the operation, while Emu attempted to save Saki from Masamune.

Cronus later went after Parado and Graphite to eliminate them. However, Graphite had incubated the Gamedeus virus within himself, allowing him to neutralize Cronus's "Pause" ability. However, Cronus managed to defeat the Bugsters by controlling the Energy Items. Before he could eliminate them, Genm and Lazer Turbo showed up to rescue Parado. Masamune gloated to the two that he had told Hiiro to intentionally kill Taiga, and mocked Emu by saying that Hiiro would fail. However, unable to go back on his integrity as a doctor, Hiiro instead successfully completed the operation and restored Taiga.

Infuriated by his underling's betrayal, Masamune erased Saki's data. Emu and Hiiro transformed to attack Cronus, but Masamune retreated using the Bugvisor II after being beaten down, leaving Hiiro to weep for his lost love.

Masamune Dan later reprogrammed Gamedeus' data to spread the Bugster virus, plotting to spread the virus worldwide to digitize the entire world with the virus so he could reign over everyone as a god. However, Lazer Turbo and Genm counter this by developing a vaccine that neutralizes the virus. His scheme to instigate another global pandemic failed, Masamune finishes off Gamedeus and absorbs his remains into his body, turning himself into Gamedeus Cronus.

With his new form, Masamune causes another pandemic with a strengthened version of the Gamedeus virus and attempts to kill Nico Saiba, as she is the only player who can face the end boss of Kamen Rider Chronicle. To save Nico, Taiga becomes Kamen Rider Cronus and duels Gamedeus Cronus, but the Bugster-human hybrid overpowers him and knocks him out of his transformation. As Taiga is defeated, Emu and Hiiro arrive to assist as well and assume their Kamen Rider forms. Together, the three Kamen Riders managed to stand up to him, only for Masamune to transform into Super Gamedeus to further spread the pandemic.

However, Poppy sacrifices herself to strengthen the Gamedeus virus vaccine, allowing it to reach and cure the humans infected and turned into Gamedeus' horde. The Riders then battle Super Gamedeus again and revert back to their Level 1 forms, allowing them to separate Masamune and Gamedeus. With Gamedeus on his own, Parado sacrifices himself to destroy Gamedeus with the Doctor Mighty XX Gashat.

Masamune then transforms into Kamen Rider Cronus to fight the Doctor Riders one more time. While holding his own at first, Cronus ends up being overwhelmed by the Riders once they switch to their Level 2 forms, with Emu delivering the final blow. Defeated and knocked out of transformation, Masamune decides to have the last laugh by killing himself out of spite, preventing any of the eliminated players from being saved.

---

When it was done we were shocked and horrified.

Varie: That's horrible!

Eli: Yeah!

Parado: But the good news is that when he got out, I managed to disable the reset function of his Cronus form.

Steam Smythe: And his time freeze function?

Parado: (laughs) That he can keep! It won't do any good against us anyway!

Me: At least that's done.

Fellbat: Nico, which Ridewatches do you have for us?

Nico: (apologetically): Well, I only have blueprints for the Ridewatches of Jury Rigg, Eatle, Clockwork, Shocksquatch, Feedback, Bloxx, Gravattack, Crashhopper, Arctiguana, Ball Weevil, and their copies. But we can still make this work.

Me: Cool.

Me: Good idea.

We went outside and got ready.

Me: You guys are in for a good show.

Then Mumbo Jumbo, Skulker, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, MachineDramon, BlackWarGreymon, and Salami Swami appeared.

Nico: Mumbo Jumbo, Skulker, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, MachineDramon, BlackWarGreymon, and Salami Swami.

Mumbo: So, where's that stash of Super Smash Bros items?

Maria: It's in the closet.

Skulker: That's good.

Patty: Don't want them going off in the middle of the battles.

Me: Yeah that would not be good.

Golden Glider: (to Nico) We heard you invaded the Death Star.

Nico: We sure did.

Professor XXXL: How was it?

Me: It was so awesome and fun.

After Professor Cog defeats both Red Rangers and sends the others into a vortex leading to Professor Cog's time, Sergeant Tread is told by Professor Cog that the Hypno-Bolts he casted onto the Red Rangers will kick in soon. Tread is then told to give Master Xandred about the situation of the Professor Cog's Hypno-Bolts on the Red

Rangers. When the Hypno-Bolts kick in, Sergeant Tread and Professor Cog watch Jayden and Scott duel each other. After the Hypno-Bolts were negated, Sergeant Tread leads the Moogers and Grinders into battle with him turning the Grinders into motorcycles. After taking down the Moogers and Grinders, Jayden and Scott end up fighting Sergeant Tread with Jayden using Scott's laser to shoot Sergeant Tread. The other Samurai Rangers return from Scott's time and managed to help destroy Sergeant Tread and Professor Cog.

---

Jayden: Sergeant Tread!

Nico: That was awesome! It went from a duel to a team up.

Sergeant Tread: You Rangers happy to see someone who got adapted in America?

Mike: Trust me, after run ins with monsters who didn't adapted, we're glad to see a familiar face.

Me: Yeah those were still ripoffs though but those were still very awesome.

We got the usual battles underway.

Rainbow Dash: Yeah she is really awesome.

Scootaloo: Her story is really cool too!

---

Artemis Sigmafotia: (Greek Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Artemis, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Artemis Sigmafotia: (Greek Accent) That's incredible.

Nico: It sure is. So, Artemis, can you tell us why you hated Lynn with a passion and if I had to guess, it must've stemmed from an incident that she caused and the harm she inflicted on Lincoln?

Artemis Sigmafotia: (Greek Accent) You're right in the ball park on that one, Nico. One day, Lincoln and I were at the gym doing some workouts, but then, we felt sudden tremors heading for the gym, and then, the doors busted open and standing there was Lynn, and she was really really mad. I was about to head towards her and pummel her if she started heading for Lincoln, but then, she took out a gun and she shot me in the stomach and I fell to the floor gripping my stomach in pain, and Lynn had a psychotic grin on her face and she was going to shoot me in the head. This angered Lincoln really badly, and he charged at her and he punched her hard in the face knocking the gun out of her hands. Lincoln turned to me, and he saw that I still had the bullet in my stomach, and I knew he caught the scent of my blood, so I let him bite me on the neck, and suddenly, it pushed the bullet out of my stomach and the wound sealed up. Lincoln saved my life, and then, we tied Lynn up with nylon rope and we dragged her butt back to The Loud House, and when we told everyone of what Lynn did to me, Lynn was grounded for seven months for her attempted murder and she was thrown into an isolation cube in the basement. And ever since then, Lynn earned every extent of my hatred, and I swore if she tried anything to kill Lincoln and I again, she would suffer my wrath 1000-fold.

We cheered wildly for what Lincoln did to save Artemis.

Nico: So, that's why you said you hated Lynn with a passion. Looks like Lynn was out for blood on that day.

Lincoln: And it was because of that day when Artemis broke Lynn's arms and legs and gave her two black eyes when she was hurting me, and she wanted revenge and blood.

Me: Sheesh. But, you really showed Lynn no mercy on that day when you let the vampire in you out.

Lori: Lincoln wasn't afraid to let the vampire out when he saw either one of his Guardian Angels or us in danger, and we saw just how vicious he can get when he lets the vampire in him out.

FLASHBACK ENDS

Golden Glider: OH MY GOODNESS! How in the world did Lynn get a gun!?

Nico: You got that right!

Eli: He's over in an abandoned factory 3 miles from here.

Nico: Then that's where we're heading.

Emu: It's time to end the horrors of Kamen Rider Chronicle for good!

Webstor: Well, you can't exactly say it's time to clear Kamen Rider Chronicle since it's already been discontinued.

Me: Yeah that's for sure.

Nicole: Get ready Masamune… (Eyes glow Red) The Goddess of Video Games is coming for you and your judgement is Death!

We were off!

We were flying to the factor and Moonstone came.

Kopaka: Thanks for coming, Moonstone.

Moonstone: No problem Kopaka. This is gonna be so awesome.

Eli: I can't wait to kill that monster.

Qin: Me too.

Mara: Yeah!

We arrived and Moonstone went in. She confronted MASAMUNE DAN!

Masamune Dan: You must be Moonstone.

Moonstone: Of course I am. I see you brought Johnny Makishima and Gamedeus with you.

Masaamune Dan: (chuckles) That's not the only one I brought with me.

A figure stepped out of the shadows.

Moonstone: (shocked) Guys, get in here! Shit just got real!

The spirits of Video Games appeared and converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof and a phoenix cry was heard and we flew in.

Me: You will pay for your crimes Masamune!

But we saw that the figure was TABUU!

Mario: Tabuu, I can't believe you're back again!

Tabuu: (laughs evilly) Did you really think you saw the last of me, Smashers?

Samus: Well, we'll set that in stone this time!

Tabuu: Oh, I think not. You see, you all can't get turned into trophies anymore. So, if I kill you all, there's no bringing any of you back!

Me: Not if we kill you first Tabuu!

Masamune Dan: Join me, son. If you do, you'll truly earn the title "God"

Kuroto thought about this for a moment.

Kuroto: (sighs) Yeah. Time for God to choose a side, I guess.

We were nervous on what Kuroto would decide.

Kuroto: (takes out gun) Chosen.

BANG!

Kuroto fired at Masamune, who avoided it. But it was clear on what side Kuroto sided with.

Masamune Dan: YOU TRAITOR!

Masamune Dan turned into Kamen Rider Cronus while Johnny Makishima turned into Gamedeus Machina.

Cronus: You have chosen poorly, son. Craterites!

An army of Craterites appeared.

Me: Craterites!

Nico: Nice!

Andros: So it's our turn this time.

I fired waves of energy and blasted them all over and then they jumped the Ex-Aid Riders.

The Ex Aid team lay defeated at the hands of the Craterites.

Cronus: Apologies, Maximum Mighty X. But it's time for you, Taddle Fantasy,, Bang Bang Simulations Bakusou Bike, Dangerous Zombie, Perfect Knock Out, and DoReMiFa Beat to be discontinued. Permanently.

Marcus (punches a Craterite): Crap! What do we do?!

Kopaka got an idea.

Kopaka: (to everyone watching) Everyone out there! Lend the Ex Aid Team your strength! They get stronger with your support! When I go "1,2", shout "No continues"! Okay? 1,2..

All: NO CONTINUES!

Kopaka: One more time! 1,2…

All: NO CONTINUES!

Kopaka: Louder! 1,2…

All: NO CONTINUES!

Jamesdean5842: NO CONTINUES!

At this, Emu found the strength to get up.

Emu: It's not game over until I say it is!

Emu then grabbed a Craterite and slammed it to the ground.

Masamune Dan: WHAT!?

I punched Cronus in the face and smashed him in his face!

Emu: Thank you for your help, everyone.

Hiiro: I didn't expect us to have lots of fans.

Taiga: Me neither.

Kiriya: I'm no complaining.

Poppy: Kuroto, please don't fall into your God fantasies right now.

Kuroto: No, Poppy. Today, all of us get to be Gods.

Me: Because ALL OF US are champions of the Gods!

With their battle cry invoked, each Rider inserts their Gashats into their belts, closer to the right side.

Gamer Driver (All): Gashat! Let's Game! Metcha Game! Mutcha Game! What's Your Name?! I'm a Kamen Rider!

Kopaka: That's it, I've had it up to hear with you to last an eternity, Masamune Dan.

Suddenly, Kopaka's green eyes turned neon green, and he was surrounded by a white energy aura with ice, snow, Ice Toa, and phoenixes, and as he approached Masamune Dan, he left white energy, ice, snow, Ice Toa, and phoenixes with every step.

Kopaka: You really make me sick, Masamune. It's bad enough that you have tormented so many innocent people, but what you've done in trying to destroy the Earth is one thing that I can't stand any longer, and what you've been doing with using video games for your nefarious plans, you will pay with your life!

Suddenly, Kopaka was surrounded by a massive vortex of white energy with snow and ice surrounding the vortex and the air turns cold, there's an Ice Toa and phoenix flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Kopaka emerged, but he was changed forever.

Kopaka grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and white chin hair, he has long white hair going down to the bottom of his neck with light grey highlights in the bangs of his hair, he has neon green eyes and a white energy aura with ice, snow, Ice Toa, and phoenixes surrounding him, he has a Toa Mata of Ice with the Ice Kanji in its hands emblazoned on his forehead, he has phoenix earrings with light grey gems for eyes and the Ice Kanji in its claws, and he has on his Crystal Necklace of The Buddha with light grey crystal links and a phoenix with light grey gems for eyes and holding the Ice Kanji in its claws for the pendant on his bare chest, and tattooed on Kopaka's now wider and more muscular back is a phoenix and a Toa Mata of Ice, and they're surrounded by snowflakes. Suddenly, Kopaka felt a sharp pain on his now wider and more muscular back, and then, massive black angel wings with orange tips on the feathers, sprouted out of his now wider and more muscular back. Onewa has on a pair of large black pants with stones on the legs, grey ankle-high leather combat boots, large orange weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large light grey orbs.

Suddenly, Kopaka's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of white energy with ice, snow, Ice Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Kopaka's Arctic Ice Toa Greatsword of Arctic Snow Justice, it's a brand-new large greatsword with the symbol of the Ice Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged light grey blade, white Toa heads for the crossguard, large light grey gem embedded in the rainguard, longer black handle, and massive light grey gem with surrounding angel wings for the pommel. Kopaka has on his new large gold cuff Bracelets of the Champions of The Universe with light grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Ice Toa head with green gems for eyes and a light grey gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Blue Lantern Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Kopaka, Toa Mata of Ice, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, and Onewa, Loving Brother of The Ex-Aid Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Snow, Ice Toa, and Phoenixes"

テトリダックスと ボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、氷、雪、氷トア、フェニックスの達人

Kopaka has transformed into SUPER ANGEL INFINITY ARCTIC SNOWSTORM ICE TOA MATA ANGEL OF ICE COLD JUSTICE AND BROTHERHOOD HOPE!

We were amazed by Kopaka's Super Angel Infinity transformation, but when Masamune Dan saw it, he fell into a rage and fired a blast of energy to kill him, but Kopaka dodged it, and he fired a powerful white energy blast with ice, snow, Ice Toa, and Phoenixes, and it hit and froze him in a block of ice and Kopaka fired another energy blast and destroyed it, and Masamune Dan got a nasty case of frostbite, and he was pissed.

Mai-Ling: I knew there's no mistaking that voice from anywhere. You can come out now, Blade.

A figure dressed in heavy armor and carrying a sword came out, and it was none other than Blade, an enemy from Red Earth.

Mai-Ling: You, I should've known you'd one day return, monster!

Blade (Red Earth): And now, I will have my revenge on you!

Blade went after her with his sword, but Lincoln blocked it with his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he pushed the evil knight back.

Lincoln: You aren't laying one hand on my future wife, you demon!

Kopaka: That's right, and now, your life's about to come to an end here and now.

Suddenly, Kopaka's green eyes turned neon green, and he was surrounded by a white energy aura with ice, snow, Ice Toa, and phoenixes, and as he approached Blade (Red Earth), he left white energy, ice, snow, Ice Toa, and phoenixes with every step.

Kopaka: I will never forgive you for all the pain and suffering that you've caused to so many innocent people and in Scion's name, Blade, and now, I will see to it that you pay the ultimate price for your crimes.

Suddenly, Kopaka was surrounded by a massive vortex of white energy with snow and ice surrounding the vortex and the air turns cold, there's an Ice Toa and phoenix flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Kopaka emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kopaka grew from 7'0" to 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retains his eight-pack abs, tanned skin and white-colored chin hair, he has long white hair going down to the bottom of his neck with light grey highlights in the bangs of his hair, he has neon green eyes and a white energy aura with ice, snow, Ice Toa, and phoenixes surrounding him, he has a Toa Mata of Ice with the Ice Kanji in its hands emblazoned on his forehead, he has phoenix earrings with light grey gems for eyes and the Ice and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with white gems on the gold icicle links and light grey crystal links and a phoenix with light grey gems for eyes and holding the Ice and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Kopaka's now wider and more muscular back is a phoenix and a Toa Mata of Ice, and they're surrounded by snowflakes. Suddenly, Kopaka felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings with light grey tips on the feathers on his now wider and more muscular back grew much bigger for his new body. Kopaka has on a pair of large black pants with snowflakes on the legs, grey ankle-high leather combat boots, large light grey weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large light grey orbs.

Suddenly, Kopaka's massive Kopaka's Arctic Ice Toa Greatsword of Arctic Snow Justice was suddenly surrounded by a massive kaleidoscope of white energy with ice, snow, Ice Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Kopaka's Arctic Ice Toa Broadsword of Arctic Snow Justice, it's a brand-new large broadsword with the symbol of the Ice Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged light grey blade, white Toa heads for the crossguard, large light grey gem embedded in the rainguard, longer black handle, and massive light grey gem with surrounding angel wings for the pommel. Kopaka has on his new large gold cuff Bracelets of the Champions of The Universe with light grey gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Ice Toa head with green gems for eyes and a light grey gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and Blue Lantern

Corps ring on his left ring finger, and there's a grey kanji below the Earth Toa and phoenix that said, "Kopaka, Toa Mata of Ice, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onua, Lewa, Gali, and Onewa, Loving Brother of The Ex-Aid Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Snow, Ice Toa, and Phoenixes"

Kopaka has transformed into SUPER ANGEL ETERNITY INFINITY ARCTIC SNOWSTORM ICE TOA MATA ANGEL OF ICE COLD JUSTICE AND BROTHERHOOD HOPE!

We were amazed by Kopaka's Super Angel Infinity transformation, but when Blade (Red Earth) saw it, he fell into a rage and tried to attack him, but Kopaka fired a white energy blast with ice, snow, Ice Toa, and phoenixes and it hits Blade (Red Earth) and sent him flying into a wall.

Nico: Whoa, Kopaka has transformed into his Super Angel Eternity Infinity form, awesome.

Me: And now, that evil knight's going to pay for his crimes.

Kopaka: (Divine Echoing Cosmic Voice of The Arctic Snowstorm Ice Toa and Divine Ice Brotherhood Hope) **But, we're just getting started. Lincoln, are you ready, brother?**

Lincoln already had his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity

Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Kopaka.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **I'm ready, Kopaka. And you're going to pay for trying to kill Mai-Ling, Blade.**

Kopaka and Lincoln went after Blade (Red Earth), who tried to attack them with his sword, but they blocked with their massive large broadswords and gold Elemental Shields of Harmony, and they fired powerful blasts of rainbow energy, white energy, snow, Ice Toa, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Blade (Red Earth), and they exploded with incredible power as they hit him, and they attacked Blade (Red Earth) with their massive large broadswords and left scars on him, and they disarmed him of his sword.

Then, Kopaka and Lincoln shield bashed Blade (Red Earth) with their golden Elemental Shields of Harmony and they also slashed off the evil knight's arms with their massive large broadswords, and then, Kopaka and Lincoln brought their massive large broadswords down onto the evil knight's neck and beheaded him, and his evil spirit was sent to The Black Gates forever. We cheered wildly for what Kopaka and Lincoln did to Blade (Red Earth) as they holster their massive large broadswords on their wider and muscular backs and power down, and Kopaka's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Nico: Now, that was one awesome battle you guys waged on that evil knight.

Kopaka: Thanks, Nico.

Then, Mai-Ling went up to Lincoln and she wrapped her arms around Lincoln's thick muscular neck and Lincoln wrapped his abnormally massive and powerful muscular arms around Mai-Ling, and they kissed.

Mai-Ling: Thank you for finally putting an end to that monster.

Lincoln: (Smiles Warmly) You're welcome, Mai-Ling.

Nico: That monster was asking for it, and I can't believe he tried to attack her.

Me: Yeah, but Lincoln blocked his attack and like he said, he wasn't going to let that monster hurt her.

Eli: You got that right.

Lincoln: And now, tomorrow we're going to meet the Build Kamen Riders, and it'll be the big battle against the Faust Organization and that monster, Evolt.

Me: Yeah, and that Dream Rescue you had long ago has prepared us for the coming day.

Nico: You said it, we'll make that accursed organization pay for what they've done, and it's also very personal because of what they did to Sophia Nuremburg.

Sophia Nuremburg: Yeah, they're going down hard tomorrow.

Emu: Game clear!

Kiriya: What about Johnny over there?

Me: We'll throw him into the Masters of Evil Prison.

Nico: Good idea.

Woz: Rejoice! Another of the Dai Shocker villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider allies: Kamen Riders Ex-Aid, Brave, Snipe, Lazer, Genm, Para-DX, and Poppy! May their alliance last until all lives reach their Game Over!

Grizzly: Looks like it's game over for Masamune.

Zzzax: There really will be no continues for him.

Machinedramon: The Ninja Storm weapons Nico and the others got really came in handy.

Me: They sure did

Artemis Sigmafotia: I'm gonna love it here with you guys.

Irina Krafla: Same with me.

BlackWarGreymon: You girls won't regret it.

Poromon: Let's celebrate at the beach!

Salami Swami: This time, we're coming with you!

Qin: I sure did.

Mara: Me too! It's awesome!

Nico: It sure was. But great job today everyone! Lets head to the beach!

We cheered wildly!

We went back home and went to the beach and went and had some fun. We later went back home and got the Ex-Aid team settled in. We then enjoyed the rest of the day and went to sleep.

Meanwhile back in Japan, the Build team was getting ready for our arrival and the destruction of Evolt.

Sento: I'm really ready for this one!

Banjo: Me too! It's gonna be so awesome to have Team Loud Phoenix Storm help us too.

Gentoku: But we're going to be ready for Evolt and kill him.

Sawa: Yeah me too!

Sento: Lets do it guys!

They activated their fullbottles!

All: HENSHIN!

They transformed and went at the screen!

Nico: I can't believe that Moo is back and he is out for revenge.

Qin: We did kill him years ago.

Me: Hard to imagine.

Camie: Who is Moo?

Me: You would be terrified of this monster Camie.

I told everyone that hadn't heard about it the history of Moo and how he was made and what lead to the world of Pangaea turning into what it is now.

---

**Master Moo** (also known as **Moo** ) is the main antagonist of the *Monster Rancher* anime series and Monster Farm Lagoon. His original form is a furred, colossal dragon-like behemoth. Moo is an evil being that was never meant to exist due to him being a collective hatred of sentient beings that was given physical form.

He was voiced by Jūrōta Kosugi in Japanese and Paul Dobsonin English.

Background

Moo is a gigantic Dragon-Type monster that scientists of Pendant Civilization engineered for war centuries ago and intentionally engineered as the most powerful out of all genetically enhanced monsters. As with the rest of monsters in series, Moo was based on monsters that had powers of their own, but amplified and enhanced by scientists for war. However, Moo's bitterness from experiments that turned him into living weapon, and the fact that the said experiment driven by hatred within his creators, led him turned against his masters. For the same reason, his hatred gave him new powers to sense and channel negative emotions from other sentient beings as well as turned regular monsters into first Baddies.

Desperate, scientists from both sides join forces to ask the all-powerful Phoenix called Suzaku for help. Suzaku decided to lend them a hand to stopping Moo, but before that, he had the scientists modify his body so his abilities enhanced to the point where he can exorcise the entire planet of Baddies.

Suzaku fought Moo valiantly, but they ended up trapped in a seemingly everlasting battle, which forces the scientists to make a device to turn all monsters into Mystery Disks called Final Gate. Though aware with risks from the device, Suzaku and the scientists agreed that they had no other choice. So to ensure the success of the device, Suzaku used himself as the beacon to lure Moo into the device's range. Once the device activated, all rampaging monsters turned back into Mystery Discs, whereas Moo become separated with his body as his soul confined within one of Pendants' inactive flying castles alongside his own troops. Suzaku the Phoenix however, suffer greater loss: His spirit that separated from his body split into 5 and separated, with each residing within 5 Mystery Discs that later become main monster protagonists, namely Mocchi, Suezo, Tiger, Golem, and Hare.

## Possessing Holly's Father

Eventually, Holly's father found the Mystery Disk containing Moo, and Moo was merged together with him and gained humanoid form. He then gathered several followers, each bearing a crest called the Baddie Crest. The Baddies were the evil monsters that served Moo. The strongest of Moo's servants were the Big Bad Four: Pixie, Gali, Gray Wolf, and Naga. Afterwards, Moo searched fort the Magic Stone as he terrorized the world (which was in the possession of Holly) and wanted to use it to find and regain his original body.

The Searchers (the protagonists, consisting of Genki, Holly, Mocchi, Suezo, Golem, Tiger, and Hare) fought Pixie, and she eventually switched sides. Afterwards, Moo found and kidnapped Holly to take the Magic Stone. Although the others rescued her with the help of Vulcan and the Pirate Dragons, Moo found the way to his original body and arrived at the area.

## Retrieving and Return to Original Body

While the Baddies dug through the ice for Moo's original body, the Searchers fought Gali and Gray Wolf. Gali was killed by Mocchi using his Mocchi Cannon attack, and Gray Wolf was killed in 1 on 1 combat with his brother Tiger, who sent his horn through his Baddie Crest. Right after Gray Wolf's defeat, Moo found his original body. His Baddies dug the dragon-like body free of the ice, while Naga attempted to kill the Searchers.

By the time Moo merged with his original body with both Final Gate and the storyteller monster named Monol, the Searchers had already fought Naga, resulting in Naga getting hit with a Mocchi Cannon, hanging onto the edge of his castle on the cliff, and letting go and falling to his death. Moo attempted to invade a village, but was weak against sunlight due to his original body not get used with sunlight and has frozen for so long. When the sun rose, he was seriously weakened, and retreated back to his hideout.

For most of the following episodes, Moo remained severely injured inside his hideout, and sent Evil General Durahan after the Searchers. Many of Durahan's servants were defeated, but he wanted the Magic Stone for himself. Once he got the stone, he betrayed Moo and nearly killed him, but by this time Moo was almost back at full strength. However, his assistant Lilim betrayed him for Moo. The Searchers and Durahan and Lilim fought on Durahan's ship, and in the end, a Weed got the stone and took it to Moo. Durahan's troops, who now served Moo instead of Durahan, shot down Durahan's ship. Durahan killed Lilim before dying himself when the ship crashed.

## Rematch with Suzaku the Phoenix

Moo got the Magic Stone and became immune to the sun. He attacked the Searchers just as they found the frozen Phoenix, and mortally wounded Pixie, but was prevented from killing her in a bizarre turn when he saw the true evil of his soul, after absorbing too much hatred. Moo completely lost his mind (symbolized by his original form being trapped in darkness and destroyed, and his eyes turning yellow) and began to go berserk, destroying everything in sight, even his own castle and the Baddies. Pixie was healed when Big Blue fused with her to form Granity, sacrificing his existence in the process. Monol informed the Searchers that the Phoenix was really Mocchi, Suezo, Golem, Tiger, and Hare, and so Genki fused them together.

The Phoenix fought Moo and grabbed onto him. Seeming to regain a part of his mind, Moo realized that he and the Phoenix were destined for eternal combat, and that he couldn't let the Phoenix nor himself exist. At this, the Phoenix and Moo destroyed each other, vanishing in an explosion of light.

## Resurgence and Final Battle

In Season 3, the role of antagonist shifts to General Durahan, who is resurrected as a head by a Weed (who in turn becomes a cyborg), and attempts to absorb Moo's soul, which was trapped inside a disk after his death. In the final episode of Season 3, Durahan and his servants, Gobi, Mum Mew, Poison, and Weed, are fused with Moo's soul to form a gigantic warrior, with Moo dominant. Moo sucks the Searchers and Holly's father inside him, during which Mocchi, Suezo, Golem, Tiger, and Hare fused into the Phoenix again. Moo still seemed able to gain the upper hand, but when Durahan and the others give the Phoenix their energy, he is able to attack Moo's soul within, destroying it. The evil is last seen rising into the air and exploding. Thus, Moo was destroyed for good.

Legacy

Although Moo is gone for good, a sample of his DNA revealed to still preserved somewhere in Pangaea as revealed in events of *Monster Rancher EVO* . People from Warp Dimension later took Moo's DNA and created the cybernetically enhanced clone of him, Second Moo. The creator of Second Moo also stole an artifact originally intended to control original Moo-an anima recorder called Moo's Horn. They then set Second Moo loose on protagonist and he/she must defeat him as the final level boss.

---

When I was finished everyone was shocked, horrified and speechless.

Sunset Shocked: That was awful!

Fluttershy: My goodness.

Kaoruko: Moo is pure evil!

Toru: That's horrible!

Me: Yeah. That's why we're going to destroy him. Once and for all and give him the Black Gates.

Nico: Yep.

Aqua: It'll be good to destroy him forever. And it's fitting for the

Phoenix Gene-slammer to be here too.

Granity: It sure is. I was starting to feel a little homesick.

Nico: Thanks for coming with me, Aqua.

Aqua: No problem Nico. It's so awesome that I get to come with you guys on this rescue and it's gonna be awesome to get in on some of the action.

Eli: You'll love it Aqua.

Xenia: Yeah you sure will.

Nico: Aqua, remember when we got you out of the Realm of Darkness?

Aqua: I sure do and that was when J.D. used his magic to open a portal to get me out.

Me: I remember that. That was so awesome. That was when we destroyed some of Organization XIII the first time.

Nico: What happened?

Me: Well it was where we defeated Xehanort the first time and it was back in the teams old days.

Laney: I remember that!

Lincoln: And we had no idea that our biggest mission to destroy the Dark Orbs came from that.

Me: Yeah.

I went over what happened in chapter 135.

---

Me, Vince, Varie, Carol, Lori, Lincoln Linka, Lucy, Laney, Lana Lola, Penny, Lisa and Lily were in the Simulator.

Varie, Aylene, Naruto and the girls were in the control room.

The Simulator Activated and we found ourselves in the Universe of Kingdom Hearts.

Me: Wow! We're in the Kingdom Hearts Universe.

Vince: Awesome! This is one of my favorite Video Game Series.

Lincoln: What is Kingdom Hearts about?

Me: It's a crossover series with Final Fantasy and Disney Characters. It's about a boy named Sora and his friends Riku, Kairi along with King Mickey, Donald Duck and Goofy and they try to maintain peace in the universe by enforcing the Light in some sort of way.

Linka: That's interesting.

Lily: It's one of my favorite video games. I recently beat Kingdom Hearts Dream Drop Distance.

Me: I'm proud of you Lily. I beat it too. I found out a very dark and grim revelation. Master Xehanort plans to reasemble the original keyblade - the χ-Blade. It was shattered into 20 pieces: 7 of Light and 13 of Darkness. He plans to reassemble it and use it to balance light and darkness into one. But I put everything together very quickly as I was playing it and found out that if that plan comes into fruition it will destroy the entire universe.

Everyone but Me and Vince gasped.

Lincoln: That's insanity!

Linka: He's going to destroy the entire Universe!?

Vince: Yeah. My guess is he's going to destroy the Universe and recreate it in his own image.

Lori: That's probably right.

Carol: We've got to stop him.

Lana: But how are we gonna do that?

Me: Our best chance is to team up with Sora, Riku, Kairi, Mickey, Donald and Goofy. Divided we are weak but United we are strong.

Lola: That's a good idea.

Laney: Yeah. We're with you all the way J.D.

Me: Now lets find them.

As we looked around we saw that we were in the World That Never Was.

Me: We're in The World That Never Was. That castle is home to the malevolent Organization XIII.

Vince: I remember those guys. They were powerful and tough. They wanted to become human and they're trying to summon a false Kingdom Hearts.

Me: We have to destroy that moon. Everyone together!

We cupped our wrists to our sides.

All: KA! ME! HA! ME! HAAAAAAA!

We fired a combined Kamehameha Wave directly at the Heart-Shaped Moon and when it hit it exploded with incredible power and completely obliterated it.

Me: That takes care of that.

Lily: Yep. It was also the source of power for Sai'X. Without the Moon he's completely powerless.

Laney: Good thinking.

Me: Now we have to head for the castle. Come on!

We all ran and slashed apart any Heartless and Nobody that got in our way. When we got to the base I sensed something.

Me: Wait!

Lana: What is it J.D.?

Me: I sense something and someone's calling me.

Laney: Where?

Vince: Shh.

I concentrate and I hear a voice calling me from somewhere.

?: Can Anyone hear me? I'm in the Realm of Darkness.

Me: I know that voice. It's Aqua. She's trapped in the Realm of Darkness.

Lori: How are we gonna get her out?

Vince: Aqua is one of the Original Keybladers and was Kairi's predecessor. She met Kairi when she was a little girl.

Lily: I remember that.

Me: I think I have an idea. I'm going to beam her here with my magic.

Lori: Can that really work?

Me: Only one way to find out. Hold on Aqua! [Chants an Incantation] "'Jestikaga Monotekkala Nesstiga Serrizan Marokekat Herrida Noromorus Nor!"'

I fired a beam of rainbow light and it opened up a portal into the Realm of Darkness.

Laney: It worked!

Lincoln: He did it!

Lily: All right!

Lucy: Wicked.

Vince: Incredible!

Me: I can't hold this for long! Aqua can you hear me!?

REALM OF DARKNESS

Aqua: I hear you and I see the opening!

Me: Run to it. I can't hold this forever! Aqua ran and the portal was starting to close and just as it was about to shut completely, Aqua got through it at the last possible second and made it through.

Lola: She made it through!

Carol: All right!

Me: She's falling! Carol get her! Quick!

Carol: Right!

Carol spread her wings and flew out and caught Aqua.

Carol: Are you all right Aqua?

Aqua: Yes. Thank you.

Carol flew back to us and she let Aqua down.

Me: I'm glad you're all right Aqua.

Aqua: Yes. Thanks to all of you.

Me: I'm glad we could help. We should introduce ourselves. I'm J.D. Knudson.

Vince: I'm Vince Pusateri.

Varie: I'm Varie Knudson. J.D.'s fiance.

Carol: I'm Carol Pingrey Loud.

Lori: I'm Lori Loud and these are my younger siblings Lincoln, Linka, Lucy, Laney, Lana, Lola, Penny, Lisa and Lily.

Aqua: It's a pleasure to meet you all.

Me: We have really big problems. Xehanort is going to reassemble the χ-Blade and destroy the entire Universe with the power of Kingdom Hearts.

Varie: He's going to recreate it in his own image.

Aqua: I always knew that Master Xehanort was a bad man that was always up to no good.

Me: It's worse than that. He was behind everything thats happened. He's now going to start the next Keyblade War and we can't let that happen.

Aqua: We have to stop him.

Lori: And we will.

Me: We have to find Sora, Riku and Kairi. as well as King Mickey, Donald and Goofy.

Lincoln: Right.

Me: Come on!

We go into the Castle of Organization XIII and we ran into Larxene the Savage Nymph.

Me: Larxene the Savage Nymph!

Larxene: That's right.

Aqua: Elena!

She gasped when she saw Aqua.

Larxene: Aqua! Your alive!

Aqua: I would've been trapped in the Realm of Darkness if it weren't for J.D. here.

Me: So that's your real name. Elena you were poisoned with lies by Xehanort. He's going to destroy the entire universe.

Elena/Larxene started to realize whats been going on.

Elena: Hes been using me this whole time.

Aqua: Lets face Xehanort together my friend.

Aqua holds out her hand and Elena takes it.

Elena: Lets.

Elena then got a cool Keyblade made entirely out of lightning.

Me: That is an awesome Keyblade.

Lincoln: It's really cool.

?: Let me help you all.

A figure came out and it was Xion

Elena: Xion!

Xion: Yes. I'm sick of Xehanort and I want to help you stop him.

Me: We could use all the help we need.

Lincoln: (Suspicious) But how do we know this not a trick?

Lola: Yeah how do we know that this isnt a trap?

Xion: I assure you that this is no trap. I overheard you talking to Aqua and I realized that I was used for the wrong purpose.

Vince: From what I remember Organization XIII is actually the remnants of Xehanort's Soul.

Me: So they are the very pieces of his evil and twisted heart.

Vince: Yes and if we kill all the members then we destroy him.

Me: If only it were that simple.

?: You will pay for this treachery Xion.

A figure came out and it was Marluxia the Graceful Assassin.

Me: Marluxia the Graceful Assassin.

Maxluxia: That's correct.

Laney: That's a nice scythe you have there.

Marluxia: Thank you.

Laney then got the drop on him and kicked it out of his hand and slashed him in half right down the middle. Killing him instantly.

Me: Nice work Laney!

Laney: Thank you. I think this scythe would be perfect for me.

Varie: It suits you perfectly.

Vince: Marluxia uses flowers as his power. That scythe is called the Graceful Dahlia.

Laney: Dahlia flowers are one of my favorite flowers.

Me: I remember. Lets continue on.

We ran through the castle and faced all the members of Organization XIII and killed them all except for Lea who was Axel in the Organization and he was known as the Flurry of Dancing Flames. He joined us in our cause. Ansem the Wise, Sora, Riku, King Mickey, Donald and Goofy joined us too.

Me: That takes care of Organization XIII. Now we have to find Kairi.

?: I know where Kairi is.

We saw a beautiful girl dressed in white. It was Namine.

Me: Namine.

Namine: That's right. Follow me.

We followed her and she lead us to a wall.

Namine: Kairi is behind this wall.

Me: Okay. Stand back.

I fired a laser and cut a hole into the wall. The circle fell off and Kairi saw us.

Sora: Kairi!

Kairi: Sora!

They hugged and were reunited.

Sora: I'm so glad you're all right.

Kairi: Me too.

Me: Kairi it's such a pleasure to meet you.

We introduced ourselves and revealed everything that Xehanort was planning.

Kairi: That monster. We have to stop him now.

Me: I couldn't agree more. Lets go!

We ran to the throne room and we saw a huge white door.

Me: He's behind this door. I can sense him.

I push the giant door open and we go in and we saw Xehanort expecting us.

Xehanort: So you all came.

Me: Xehanort. So we meet at last.

Xehanort: Yes so we meet J.D. Knudson.

Me: You're gonna pay for everything you've done.

Sora: Yeah! It's over Xehanort. We won't let you destroy the Universe.

Riku: You're going down!

Kairi: We won't let you get away with all the pain and suffering you've caused to so many innocent people!

Xehanort: We shall see. (To Ansem) Ansem my friend. You haven't changed at all the last time we saw eachother.

Ansem: And it will be the last time my old friend. We won't let you get away with everything you've done.

Lincoln: You're gonna pay for your crimes Xehanort!

I unsheath my sword and we all stood ready to fight.

Me: Lets do this.

Xehanort had his own keyblade.

Xehanort: Lets dance.

I go Super Angel 3, Laney goes Super Angel 2 and Varie goes Super Angel. We all rushed at him. The Battle that will Decide the Fate of the Universe had begun. It was an extremely violent clash and we were fighting Xehanort with everything we had. Xehanort was an extremely formidable adversary. Sparks were flying everywhere and massive explosions were destroying the castle. Massive shockwaves from our punches and kicks were blasting apart the whole castle bit by bit. And if that weren't enough, the whole city was being destroyed by our extremely ferocious and savage battle. The battle was shaking the entire fabric of the entire universe with so much power and ferocity that it was completely unbelievable.

I punched Xehanort and sent him flying and he jumped toward me and I dodged and kicked him in the back and sent him crashing through the wall and he got up and he was infuriated.

Xehanort: I HATE YOU ALL!

Our auras flared up with extreme intensity and I kicked him in the face. Vince elbowed him in the stomach and Laney slashed off his left arm and Xehanort screamed in excruciating pain.

Laney: You've been disarmed.

Me: Now it's time for you to pay Xehanort. You're going to face up to your crimes.

I raised my hands into the air.

Varie: Spirit Bomb!

Me: Everyone share your energy with me!

From all over the Universe everyone raised their hands up and their energy came flooding into me and a massive energy ball the size of the Moon formed. Xehanort saw this and he went at me and slashed at me and then in a startling development, Xehanort's Keyblade smashed against my body into a million pieces.

Me: This is it!

I threw the Spirit Bomb at him and he tried to push it back. But it was far too strong for him to control. He landed on the ground and the Spirit Bomb hit him and it exploded with devastating power.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Xehanort was completely obliterated in an instant and in the process The World That Never Was was completely destroyed. When the smoke cleared Varie had all of us floating in the endless void of space in a force field bubble. I wasn't even in the least bit exhausted.

Sora: Is it over?

Me: Yes Sora. Xehanort's energy signal has completely disappeared. It's finally over.

King Mickey: Thank goodness.

Goofy: Garsh. It's finally over guys.

Donald: Yeah! We won!

Kairi: Thank goodness it's finally over.

Varie: The power of the entire Universe working together was too much for him to handle.

Vince: You said it.

Carol: I can't believe that Xehanort was that evil.

Ansem: Me neither. As far as I know the Xehanort I knew long ago died ages ago.

Riku: I know.

Lea: But it's finally over.

Elena: Yeah. Good riddence to bad rubbish.

Me: Lets go home.

We later arrived at Sora's island. The Destiny Islands.

Me: Wow! So this is the Destiny Islands.

Sora: Yep. This is our home.

Varie: It's beautiful.

Vince: It sure is.

Sora: J.D. We can't thank you all enough for helping us destroy Xehanort and putting a stop to all of this madness.

Me: It was our pleasure Sora.

Lincoln: I'm glad we can help you all. The entire Universe was in danger and we couldn't let Xehanort's plan become a reality.

Riku: Yeah.

Sora: I wish we could go to your world and stay with you guys.

Me: I think I can arrange that.

I snap my fingers and beam the whole island over to Lake St. Clair.

The Simulator ended and we were all back home.

Sora: So where are we?

Me: This is where we all live. You're now on Planet Earth in our home dimension. There's lots of things to do and see here.

Varie: This is a place called Lake St. Clair.

Sora: It's beautiful and that city is amazing.

Me: That's Detroit, Michigan. We'll show you everything later.

Kairi: Sora I have something to tell you. Can you come with me?

Sora: Sure Kairi.

At sunset on the tree in the Secret Place, Sora and Kairi were watching the Sun set.

Kairi: Sora there's something you should know. Ever since this whole adventure began I feel like I've gotten closer to you more than ever before. You saved me from being used as a Princess of Heart and you saved my life more times than I can ever count. But now I realise that I have more than just a friendship towards you.

Sora: What are you saying Kairi?

Kairi: Sora, I love you. I love you with all of my heart and I want to spend the rest of my life with you.

Sora was shocked and he smiled.

Sora: Kairi I love you too.

They then surprised all of us and they kissed. It was a truely romantic sight.

Everyone: AAAAWWWWW!

(Sanctuary by Utada Hikaru plays)

Me: I always had a very strong feeling that they were made for eachother.

Vince: Me too J.D.

Lily: I've had that feeling too.

Me: Well guys. Lets go home.

Lori: Yeah. I have alot to tell Bobby.

Lana: I wonder what's for dinner.

Lola: I hear that dad's cooking his Lynn-sagna today.

Aqua: Your dad sounds like he makes really good food.

Me: His food is the best Aqua. You will love it.

Vince: Oh yeah.

We all head back to the house.

FLASHBACK ENDS

Nico: WHOA! So that explains how the Dark Orbs that we're trying to destroy came into being.

Qin: That's incredible!

Eli: Yeah!

Nico: And I wasn't with you guys when that all went down. That is so cool!

Qin: Wow it sure was and Sora and Kairi are now husband and wife and are also an amazing family too.

Lola: They sure were. And it was so awesome.

Lana: Yeah.

Nico: Terra and Ventus weren't far behind after that.

Me: No they sure weren't. I rescued Ventus from Castle Oblivion when Freakshow reared his ugly face.

Aqua: Boy I remember that one too.

Lola: That was terrible though.

Nico: Yesterday can be considered a tribute to video games.

Nicole: You got that right Nico. And it was perfect for me as the Goddess of Video Games.

Nico: That's true.

Eli: I thought it was so awesome too.

Lola: Yeah.

Me: I can't wait to see Sento and the team again later today.

Maria: Me too! And I can't wait to destroy that motherfucking douchebag asshole Evolt!

Me: I can't wait either Maria.

Kiriya: I love that me and the others got medals at the end!

Nico: Just like for the Playstation Trophies. That is awesome.

Qin: It sure was! And thanks to all of us, Masamune Dan is now a forgotten memory.

Nicole: You got that right. Thanks to the Black Gates.

Varie: You got that right Nicole. And after the Build Mission is Zi-O.

Me: FINALLY! I've been waiting for this for a long time.

Nico: Me too. Now we can finally deliver some grade A payback onto Swartz and make him pay for his crimes.

Qin: Big time. But J.D. is really pissed off at Swartz the most.

Lincoln: Did you really have to pause time though?

Nico: Well, Masamune has an annoying habit of always pausing time in battle. It was only fair that I give him a taste of his own medicine.

Me: Fight Fire With Fire. Very clever use of Reverse Psychology.

Lincoln: Oh I get it.

Laney: That was genius too.

Aqua: Boy was it ever.

Lola: And we avenged all those that were killed in Kamen Rider Chronicle.

Qin: We sure did.

Nico: What did you do with the Kamen Rider Chronicle Gashat?

Nicole: I put it in the vault and put it in the Forbidden Trophies section.

Rainbow Dash: Very interesting.

Me: We call it our Restricted section of the vault. Only those given special permission by the leader are allowed to enter.

Nico: Yep.

Juran: (chuckles) What kind of name is Moo?

Maria: Juran, Moo is not a laughing matter!

Me: He's pure evil incarnate. And he was responsible for the cataclysmic event that befell this world.

Juran: What happened?

Me: It was a horrible event.

I went over what happened when Monol told us all about it in Chapter 1083

---

We saw a campfire and we saw 2 humans, a boy named Genki Sakura and a girl named Holly and we saw 5 monsters. We saw a Golem, a wolf creature called a Tiger, a Hare, Suezo and a Mocchi. And they were in front of a black monolith monster named Monol.

Me: (Gasp) I know this planet. It's the world of Monster Rancher.

Laney: Wow!

We landed.

Me: Hello there.

Genki: Wow! Team Loud Phoenix Storm!

Holly: Wow! It's such an honor to meet you all.

Me: Same here.

Vince: It's a pleasure to meet you all.

Tiger: We have heard so many amazing things about you all.

Mocchi: Chi.

Suezo: It's a pleasure to meet all of you.

Hare: Yeah.

Golem: Golem heard so much about you all.

Me: We get that all the time. We came all the way from Earth to see what is going on here.

Monol: It's part of my story. It's one that is part of a terrible mistake that has plagued this world.

We concentrated and we were taken on a journey into the past. We saw the planet Pangaea years ago.

Monol: Once long ago, there was a planet. And on that planet only one continent. A land called Pangaea. The people of Pangaea have created an advanced civilization. No, in fact an extremely advanced civilization.

We saw that the people of Pangaea lived in a city that was thousands, maybe millions of years more advanced than anything we have on Earth right now. It was far beyond the absolute pinnacle of prosperity.

Monol: These ancients developed a technology that allowed them to create monsters in a laboratory and then store there genetic information. Sealing it in CD-Roms.

We saw them seal a baby hare into a disk and it was an amazing process.

Genki: When the world was one continent. I almost feel like I'm right there. Back in that ancient civilization.

Me: Same here.

Nico: Cool.

Monol: In time this technology became commonplace and was taken for granted. And the monsters, the miraculous result of this wondrous technology became household pets. Created and used for peoples amusement. But not only monsters were created, the technology was used to create whatever believed would make people happy.

We saw that the ancients created all kinds of amazing ships, robots and all kinds of everyday tools unlike anything we have ever seen before.

Monol: Whatever they believed would please them. At the peak of the civilization, it's people believed they were gods. But despite their technology, they were not able to foresee the disasters that attacked the land.

Not even the people of Pangaea despite their advanced civilization were safe from Mother Nature's fury. Volcanoes erupted, tornadoes blew and tsunamis swept away everything in their path.

Me: So not even the people of Pangaea were safe from Mother Nature's fury.

Monol: Correct. All their advancements and civilized conveniences were soon forgotten. The thin veneer of civilization was stripped away and the people became savage.

We saw a huge war break out between a bunch of monsters and humans and it was brutal.

Monol: Fights became battles. And battles became wars. At first it was called The Final War.

We saw an orbital laser destroy much of the civilization with a massive blast that destroyed much of the city.

Monol: But as it went on, 30, 50, 100 years, the cause of the war faded from memory. No one remembered why they were fighting. Only the bitter feelings transferred from one generation to the next and the war continued.

The war raged on with incredibly and indiscriminate fury between monsters and humans like no other.

Monol: One day, countless years after the war had begun, a new monster was created. It was called Moo.

We saw a huge dragon monster and it was a terrifying monster called MOO!

Moo was a monster of unimaginable power and terror.

Me: Whoa!

Genki: Tiger is Moo really that big?

Tiger: He is huge and he is terrifying. Someone to stay away from.

We saw the monsters fight Moo. Moo fired a blast of fire from his mouth and obliterated the planes with ease.

Monol: Moo's strength could not be matched. Although he was a living being, he had been created for no purpose but to destroy the enemy. It was thought that whoever achieved control of Moo would win the war.

But then we saw Moo turn on his creators and he blasted them all to smithereens.

Monol: But Moo became his own master. He obeyed no other commands but his own. He had learned how to draw forth and amplify the darkness in the hearts of other monsters.

The monsters under his control were poisoned with his evil and he created his army of minions.

Monol: The scientists who had survived turned their efforts to the creation of a creature capable of stopping Moo. That creature was the Phoenix.

We saw them create a new creature and in a vortex of fire arose the creature of good: THE PHOENIX!

---

Phoenixes are already powerful enough, but the wisdom and power of the Phoenix from the anime series surpasses all others. More than likely, this Phoenix is Suzaku, the legendary Phoenix lord who has been mentioned in legends all over Pangaea for thousands of years.

Legend states that early on in Pangaea's history, before the the Dark Times started, there was a powerful firebird called the Cinder Bird who lived somewhere in Brillia. It was known to show up in times of trouble to help stop powerful monsters who were out of control. The Jills called on it for help when one of their kind became cursed and went on a killing spree. The Cinder Bird came to them and showed the evil Jill the kindness in its heart, turning the Jill good once again and igniting the bird. Many believe that each time the

Cinder Bird would help someone, it would burn brighter and longer (Jill tells the Searchers this story in Episode 46).

Another legend says that a mortal king called upon Suzaku to save his ailing daughter. She had a peculiar talent-the ability to communicate telepathically with monsters. Suzaku saw fit to heal the girl using his blood, but made the king promise that if he ever needed her help, the princess would be at his disposal.

## Coming of The Dark Lord

Not too long after, a powerful monster calling himself the Dark Lord tried to rise to power using humans' technological modifications on monsters. This was Xevion, who hundreds of years later tried to rise again. What he hadn't counted on was that Suzaku chose this time to call in his favor from the mortal princess. Together, they raised an army of monsters and humans that opposed Xevion and sealed him in a disc (This story is revealed in Monster Rancher 4).

## The Dark Times

Unfortunately, this showed humans the capability of using monsters not just as pets, but as weapons of war. Seeing his error in bringing humans into the monsters' quarrel, Suzaku approached the king about his daughter's safety. Together they agreed, and Suzaku sealed the princess inside a mystery disc and hid it away to keep her safe. This disc was found hundreds of years later by a young Shrine master named Cesare, who unlocked it and raised the girl as his daughter, Rio. Unfortunately, nothing could prevent the natural disasters that occurred around the world, creating tension between the existing clans.

Soon, the humans and monsters began fighting territory wars against each other, and it escalated so much that the Pendant civilization began creating more powerful monsters to use as weapons. Moo was their last and most powerful attempt, but he proved to be too much for them. Instead of fighting for their side, he began amassing his own army, using the monsters' hatred for their captors to fuel his cause. Knowing that Suzaku was their only hope, the scientists begged for his help and the Phoenix lord agreed. He allowed them to modify him for the battle, making him a beacon for the Final Gate to latch onto. The Phoenix faced Moo in combat, long enough for the scientists to separate Moo's mind from his body. Unfortunately, that meant that the same happened to Suzaku, and because he was the beacon, his soul recieved the most damage, being split into five pieces. It was believed that the five pieces of the Phoenix's soul fell from the sky and embedded themselves in five mystery discs, which later were revealed as Mocchi (the Phoenix's courage), Suezo (Phoenix's pride), Golem (Phoenix's kindness), Tiger (the Phoenix's anger), and Hare (Phoenix's intelligence). They fuse together into the Phoenix 's frozen body to bring it back to life.

## Defeating Moo

But even for this, the Phoenix had a plan. Even though the king from long ago had fallen in the battle against Moo, Suzaku entrusted his descendants with several magical relics called Gaea Stones that would allow them to reunite the pieces of his soul if he was ever again needed. One of these descendants was Holly, who listens to the legends of her people and follows one of the stones throughout the anime series on a quest to revive the Phoenix to stop Moo's new reign of terror. She is finally able to reunite the pieces of the Phoenix, and finds its body frozen in a glacier in Brillia. Using Genki's courage, they ignite the legend once again and battle Moo until their bodies burn up and their souls revert to their previous forms.

After the battle, the Phoenix's essence continued to live inside the five monsters, until it was used to destroy Moo's soul at the end of the anime series. Holly believed that Suzaku's essence was burned up in the battle, but true to form Suzaku rose once again during the events of Monster Rancher 4, being summoned by Rio to help prevent Xevion's return.

---

It was beautiful and majestic. The baddies battled it but they were helpless against its power.

Monol: But Moo and the Phoenix did battle.

It was a powerful battle.

Monol: The scientists created The Final Gate, the way to separate Moo's mind from his body. It was a dangerous machine, one that would affect all monsters. But the people believed they had no choice. It was the only way to stop Moo.

Me: So this was a last resort.

Monol: Yes. The ancient people of Pangaea had a terrible decision to make. If they were to rid themselves of Moo, they knew their solution would harm all monsters. But they had no choice. Otherwise they would all be destroyed.

They activated the machine and it fired a massive blast of rainbow energy. The blast hit Moo and the Phoenix.

Monol: And so Moo's body and mind were separated.

We saw a black blob of darkness come out of Moo's body through his mouth.

Monol: He was destroyed. But so was the Phoenix.

We saw a blob of rainbow light come out of Phoenix as well.

Monol: And all the other creatures.

The machine overloaded and fired a massive blast of energy into the sky and it sent powerful waves that turned all the monsters back into disks.

Monol: The cost was incomprehensible.

But the machines power was so strong that it destroyed much of the land in a massive apocalypse of cataclysmic proportions. Destroying much of Pangaea and obliterating all traces of the ancient civilization. The earth shook, volcanoes erupted everywhere and much of the continent sank beneath the sea.

Monol: That is my story.

Me: Holy shit.

Nico: Unbelievable.

Vince: That is terrible.

Lincoln: This is the price they paid for letting their pride cloud their judgement.

Holly: I didn't know. No one every told me.

Me: It's awful. But now I can see why we were called here. Moo has returned after all these years and we have been brought together to stop him once and for all.

FLASHBACK ENDS

Nico: I remember that.

Juran: WHOA! That is horrifying!

Qin: Yeah it was!

Eli: No kidding! Wow!

Twilight Sparkle: I can't believe he is that evil!

Me: He is pure evil incarnate and he makes even the devil himself quiver in fear.

Lola: Yeah.

Emu: Also, I hope the next Another Omnitrix Alien is a nurse. Because you probably need another one of those.

Nico: Considering what happened on the W mission, you're probably right.

Me: I have a feeling it will be a good one.

Eli: Wait I sense something. It's up ahead!

We saw a figure coming and it had an aura of pitch black darkness around it and we saw that it was MASTER MOO! He was in his previous body before we destroyed his original body!

He was not possessing Holly's dad this time!

Me: It's Moo!

Nico: And he's in a body that is like that of Holly's father!

Qin: Not good.

Eli: But I don't sense Holly's dad in it.

My Dark Orb radar went off.

Me: He has a dark orb inside him!

He walked up to us.

Me: Back from the dead after all this time Moo.

Master Moo: (Evil laugh) Yes and now I will have my revenge on you Knudson.

Me: You brought all that on yourself Moo. For all the horrible crimes you did to this world.

Nico: You don't have Holly's dad this time!

Master Moo: (Evil Laugh) I don't need that fool. I'm now my own vessel.

Me: But you also don't have your original body as well. Remember?

Master Moo: Yes but now I will destroy you all with my hatred!

Me: Your hatred is what lead to your downfall the last time Moo. And we feed off of Hatred like you do. It makes us more powerful.

Sheila (D&D): Yeah you monster!

Qin: So many people died all because of you.

Master Moo: But soon you will be added to the list!

Me: I don't think so.

I then went Super Angel Xelnaga!

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Love, Friendship, Justice and Courage) **You have tormented this planet for far too long Moo and now it will end with your death!**

Kaito: (takes out Ex Aid gear) You may have a silly name. But that doesn't mean we'll take you lightly!

Zocks: (gets out Build gear) Time to further honor Sento.

Nico: That's right! You should never underestimate our power!

Kaito got an awesome Ex-Aid Sword and Zocks got a Fullbottle Sword!

Qin: It's time for you to pay Moo!

Me: **For all the horrible atrocities you have done to this world, you will get the black gates!**

Emu: We'll clear this with no continues!

Nicole: We won't need them.

I teleported and went at Moo and kneed him in the stomach with devastating force and kicked him in the face and smashed him in the back of his head with devastating force and kicked him in the face and then Eli fired waves of Force Lightning and electrocuted Moo all over the place.

Qin fired waves of fireballs and blasted him all over.

Brittney fired waves of darkness and smashed Moo all over.

I then grabbed Moo in a tight bear hug and then I sucked out all of his negative energy and hatred and our rainbow fire auras exploded out with incredible and tremendous force that they breached the atmosphere of the entire planet and it was incredibly strong!

Emu: WHOA! That was intense! Why do I suddenly feel so immensely powerful!?

Nicole: It's one of our most amazing powers. We have the ability to absorb negative energy from hatred, sadness, despair and dark emotions and they make us more powerful.

Lola: Yeah it's a really awesome power.

Aqua: It sure is.

Nico: (chuckles) Hey, J.D. Stop hugging Moo. People might get the wrong idea!

I dropped him and let him go and that was incredibly intense!

Me: **Wow! That was strong!**

Lola: Yeah!

I teleported into the sky and fired waves of energgy and they hit Moo all over and exploded!

MASSIVE FIERY EXPLOSIONS OF INCREDIBLE POWER!

Haruto: Take that!

Moo was badly mangled up!

Me: **Now for the final touch!**

I then charged up a powerful Kamehameha Wave.

Me: (Cups hands) **KAAAAAAAAAAAA! MEEEEEEEEEEEEEEEE! HAAAAAAAAAAAAAA! MEEEEEEEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow energy Kamehameha Wave and it slammed into Moo head on and he screamed in pain as he was completely obliterated in an instant! The Kamehameha Wave was also imbued with the energy of the Black Gates and he was being destroyed!

Master Moo: DAAAAAMMN YOU TEAM LOUD PHOENIX STORM!

He was completely destroyed and banished to the Black Gates for all eternity! The blast went up into space and faded.

He was gone!

Nico: WHOA!

Eli: What power!

Qin: Way to go J.D.!

Granity: At long last. Monsters can finally be in peace.

Me: There are still those that are still corrupted by Moo and are Baddies. So we have to watch out for those.

Varie: Good idea.

Nico: But we're not done yet.

Me: **Nope.**

I powered down and then a black flower came out of the ground and it bloomed and out came a black version of Wildvine! It was ANOTHER WILDVINE!

Nico: Another Wildvine!

Lola: Wow! A Florauna this time!

Nico: Yep.

Another Wildvine: (In a girls voice) And it's good to see you again J.D.

Me: Cammie Vulcan! It's good to see you too.

Qin: You know her J.D.?

Me: I sure do. Her name is Cammie Vulcan and she is a nurse that specializes in medicinal flowers.

Another Wildvine: That's right and I worked at a hospital and used a massive and wide variety of medicinal flowers.

Me: I would use my powers to give her healing flowers from all over the world and the results were quite amazing. I grew all kinds of flowers to help her.

Another Wildvine: That's right.

Emu: Yes! I was right!

Maria: You sure were!

Qin: Yeah!

Another Wildvine: I saw your battle with Moo. That was so awesome! And you caused all this to grow too.

We saw that the entire planet was covered in grass, forests, trees, flowers and more.

Me: WHOA! The life energy we unleashed when I sucked out Moo's hatred really grew all this.

Nico: Yeah!

Me: What did Swartz Promise you?

Another Wildvine: To be the greatest healing doctor of flowers ever.

Me: We could easily do all that for you.

Another Wildvine: Of course, you realize that now, I can use all this plantlife to my advantage.

Zocks: Well, fuck.

Me: That's a chance we're willing to take. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!)

Nico: Time to Fight Plants With Plants! (Activates Undergrowth's Ridewatch)

(CHANCES BY FIVE FOR FIGHTING PLAYS)

Nico: (SINGING DIVINELY AS LEAVES, FLOWERS, GRASS AND ENERGY SWIRLS AROUND HIM)

Chances are when said and done

Who'll be the lucky ones who make it all the way?

Though you say I could be your answer

Nothing lasts forever no matter how it feels today

Chances are we'll find a new equation

Chances roll away from me

Chances are all they hope to be

Don't get me wrong I'd never say never

'Cause though love can change the weather

No act of God can pull me away from you

I'm just a realistic man, a bottle filled with shells and sand

Afraid to love beyond what I can lose when it comes to you

And though I see us through, yeah

Chances are we'll find two destinations

Chances roll away from me

Still chances are more than expectations

The possibilities over me

It's a fight with two to one, lay your money on the sun

Until you crash what have you done, is there a better bet than love?

What you are is what you breathe, you gotta cry before you sing

Chances

Chances

Chances lost are hope's torn up pages

Maybe this time

Chances are we'll be the combination

Chances come and carry me

Chances are waiting to be taken, and I can see

Chances are the fascinations

Chances won't escape from me

Chances are only what we make them and all I need

Nico danced and fired waves of flowers and energy and smashed Another Wildvine all over the place.

Nico: (takes out Marluxia's Ridewatch) Now for this!

Nico activated it and got Marluxia's scythe.

(AROUND THE WORLD LA LA LA BY A TOUCH OF CLASS PLAYS)

Nico: (SINGING DIVINELY AND DANCING AS LEAVES, GRASS, FLOWERS AND ENERGY SWIRLS AROUND HIM)

The kisses of the sun

Were sweet I didn't blink

I let it in my eyes

Like an exotic dream

The radio playing songs

That I have never heard

I don't know what to say

Oh, not another word

Just la la la la la

It goes around the world

Just la la la la la

It's all around the world

Just la la la la la

And everybody's singing

---

And now the bells are ringing

---

Inside an empty room

My inspiration flows

Now wait to hear the tune

Around my head it goes

The magic melody

You want to sing with me

Just la la la la la

The music is the key

And now the night is gone

Still it goes on and on

So deep inside of me

I long to set it free

I don't know what to do

Just can't explain to you

I don't know what to say

Oh, not another word

Just la la la la la

It goes around the world

Just la la la la la

It's all around the world

Just la la la la la

And everybody's singing

---

And now the bells are ringing

---

The kisses of the sun

Around

---

It goes around the world

Just la la la la la

It's all around the world

Just la la la la la

And everybody's singing

---

And now the bells are ringing

---

(Around, around, around the world)

---

Nico fired waves of flowers and energy and smashed Another Wildvine all over.

Me: Watch this one. (Activate's Axel's Ridewatch)

I fired waves of fire and fireballs and smashed her all over the place with incredible force.

Another Wildvine: Wow! You dance and sing amazingly.

Me: We have karaoke sessions for awesome practice.

Qin: It's really awesome.

Mara: And it's awesome.

Aqua: My turn! (Activate's H2Olga's Ridewatch)

(MY HEART WILL GO ON BY CELINE DION PLAYS)

Aqua: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

Every night in my dreams

I see you, I feel you

That is how I know you go on

Far across the distance

And spaces between us

You have come to show you go on

Near, far, wherever you are

I believe that the heart does go on

Once more, you open the door

And you're here in my heart

And my heart will go on and on

Love can touch us one time

And last for a lifetime

And never let go 'til we're gone

Love was when I loved you

One true time I'd hold to

In my life, we'll always go on

Near, far, wherever you are

I believe that the heart does go on (why does the heart go on?)

Once more, you open the door

And you're here in my heart

And my heart will go on and on

You're here, there's nothing I fear

And I know that my heart will go on

We'll stay forever this way

You are safe in my heart and

My heart will go on and on

She danced and fired waves of water and smashed her all over the place.

Me: Way to go Aqua! That song was a true gutwrencher. My dad cried his eyes out hard when he heard that song.

Aqua: He did?

Me: Yeah he watched Titanic from 1996. Heartwrenching movie.

Nico: Yeah it was.

Rainbow Dash: That must've been a sad one about Titanic.

Me: It was.

Nico: Lots of people died that day.

Me: Yeah. And now here we are 110 years later. And the Titanic is almost totally dissolved by the Salt Water. Soon it'll be nothing more than a pile of oceanic ooze on the bottom of the Atlantic at 12,514 feet down.

Another Wildvine: Yeah it sure will. But the artifacts brought up were amazing.

Qin: They sure were.

Albedo turned into Negative Wildvine.

Negative Wildvine: Azmuth used to have these kinds of aliens guarding one of his old labs.

Another Wildvine: Did he really?

Negative Wildvine: Yeah he sure did.

Qin: That is amazing!

Mara: It sure is!

Me: Wow! Lets see how you like this one. (Activate's Windfall's Ridewatch)

(WALKING IN THE AIR BY CHLOE AGNEW PLAYS)

Me: (SINGING DIVINELY AS WIND SWIRLS AROUND ME)

We're walking in the air

We're floating in the moonlit sky

The people far below are sleeping as we fly

I'm holding very tight

I'm riding in the midnight blue

I'm finding I can fly so high above with you

Far across the world

The villages go by like trees

The rivers and the hills

The forests and the streams

Children gaze open mouth

Taken by surprise

Nobody down below believes their eyes

We're surfing in the air

We're swimming in the frozen sky

We're drifting over icy mountains floating by

Suddenly swooping low on an ocean deep

Arousing of a mighty monster from its sleep

We're walking in the air

We're dancing in the midnight sky

And everyone who sees us greets us as we fly

I danced and fired waves of wind and blew her around in a tornado.

Rainbow Dash: And this one too. (Activate's Tchang Zu's Ridewatch)

Oh, no

It's not the things you do that tease

And hurt me bad

But it's the way you do the things you do to me

I'm not the kind of girl who gives up just like that

Oh, no

The tide is high but I'm holding on

Every time that I got you near me

She danced gracefully and fired waves of lightning and they hit Another Wildvine all over!

Me: Nice one R.D.! Love Atomic Kitten.

Nico: Let's keep it up!

Another Wildvine: You guys know so many awesome songs.

Me: And it is awesome how we use them in our fighting styles too.

Aqua: It sure is. Try this one. (Activates Morrigan's Ridewatch)

Aqua: (SINGING DIVINELY AS WATER AND DARKNESS SWIRLS AROUND HER)

Over the waves you call to me .

Shadow of dream, ancient mystery .

Oh how I long for your sweet caress .

Oh how I long for your gentleness .

Torn between sea mist and solid land.

Nights when I've ached for a human hand.

I'll come to you while the moon shines bright .

But I must go free with the first streak of light.

Over the waves you call to me .

Shadow of dream ancient mystery .

Oh how I long for your sweet caress .

Oh how I long for your gentleness .

She fired waves of darkness and water and smashed her all over.

Laney: (SINGING DIVINELY AS CELTIC ENERGY SWIRLS AROUND HERE)

I wish I were on yonder hill

'Tis there I'd sit and cry my fill

And every tear would turn a mill

I wish I sat on my true love's knee

Many a fond story he told to me

He told me things that ne'er shall be

Siúil, siúil, siúil a rúin

Siúil go sochair agus siúil go ciúin

Siúil go doras agus éalaigh liom

His hair was black, his eye was blue

His arm was strong, his word was true

I wish in my heart I was with you

Siúil, siúil, siúil a rúin

Siúil go sochair agus siúil go ciúin

Siúil go doras agus éalaigh liom

I'll dye my petticoat, I'll dye it red

And 'round the world I'll beg my bread

'Til I find my love alive or dead

Siúil go sochair agus siúil go ciúin

Siúil, siúil, siúil a rúin

Siúil go sochair agus siúil go ciúin

Siúil go doras agus éalaigh liom

Laney danced and fired waves of energy and the blasts all hit Another Wildvine and smashed her all over.

Me: Wow! Laney that was great! And a great Celtiic Song too. Takes place and tells what happened to a woman's love during the Glorious Revolution of 1688. Which led to the overthrowing of King James II and VII of Scotland, Endland and Ireland.

Laney: That's right!

Me: And that was back 334 years ago.

Me: (SINGING DIVINELY AS RADIATION AND DECAY SWIRLS AROUND ME)

Turmoil at the front

Wilhelms forces on the hunt

There's a thunder in the east

It's an attack of the deceased

They've been facing poison gas

7, 000 charge en masse

Turn the tide of the attack

And force the enemy to turn back

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men

Charge again

Die again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men

Charge again

Die again

Two combatants spar

Hindenburg against the Tsar

Move in 12 battalions large

Into a Russian counter-charge

They'll be fighting for their lives

As their enemy revives

Russians won't surrender, no

Striking fear into their foe

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men

Charge again

Die again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men

Charge again

Die again

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Attack of the dead, hundred men

Facing the lead once again

That's when the dead men are marching again and again

That's when the dead march again

I danced and fired waves of radiation and decay and Another Wildvine formed a wall and the radiation hit it and reduced it to ashes in an instant!

Nico: WOW!

Another Wildvine: I didn't know you knew the band Sabaton J.D.

Me: Our friend and teammate Hunter introduced it to us. Really interesting history in all those songs and they deal with some of Europes most major events from over the centuries. The one I sang about was the Battle of Osowiec Fortress on August 6th, 1915. 107 years ago, German Soldiers bombed a fortress with chlorine gas on Russia and wounded numerous soldiers. It made the German's retreat. But that attack lead to the birth of Chemical Weapons.

Another Wildvine: Very interesting and amazing!

Qin: Yeah that was amazing!

Mara: Wow! I didn't know about that.

Emu ran at Another Wildvine.

And knocked her down and she got back up.

Me: She sure is tough.

Himiko: Let me try! (ACTIVATE'S LEFOU'S RIDEWATCH)

(FEDERKLEID BY FAUN PLAYS)

Himiko: (SINGING DIVINELY IN GERMAN AS ELEMENTAL FORCES SWIRL AROUND HER)

Über die Heide, im ersten morgendlichen Schein

Ziehen die Vögel, wo mögen sie wohl morgen sein

Ich folge dem Rauschen der Schwingen in das stille Moor

Uralte Lieder dringen aus den Nebeln vor

Komm und fliege mit uns fort

Lass dem Wind dich tragen, weit fort von diesem Ort

Komm und flieg so hoch du kannst

Lass uns die Himmel jagen im Tanz

Nebel wie Seide streifen meine Haut so kühl

Weiter und weiter, wo find' ich meiner Sehnsucht Ziel?

Ich schließe die Augen und mir sprießt ein Federkleid

Schon spür ich den Wind und mache meine Flügel weit

Komm und fliege mit uns fort

Lass dem Wind dich tragen, weit fort von diesem Ort

Komm und flieg so hoch du kannst

Lass uns die Himmel jagen im Tanz

Die Himmel in dir, wie kann ich sie wissen, kann sie seh'n?

Wir tanzen im Fluge, wie Sterne, die ihrer Wege zieh'n

Komm und fliege mit uns fort

Lass dem Wind dich tragen, weit fort von diesem Ort

Komm und flieg so hoch du kannst

Lass uns die Himmel jagen im Tanz

She danced and fired waves of the elements and smashed her all over the place!

Qin: Wow!

Me: Awesome job Himiko!

But then a powerful blast of fire blasted Another Wildvine and knocked her down and I caught the Ridewatch and purified it!

Me: Whoa! Nice shot Lola!

Lola: That wasn't me!

We saw a Phoenix appear!

Me: The Phoenix!

Nico: WHOA! Awesome!

Phoenix: (In a girls voice) (Estonian Accent) And it's awesome to see you all and you too Nico.

Nico : Varya Visnapuu! Wow!

She reverted back and she had red, orange and yellow hair and green eyes and had fire angel wings and had red, orange and yellow clothes and had the Anti-Baddie Symbol on her skirt as well as the Monster Rancher symbol and she looked ready to burn some bad guys!

Nico: Varya it's great to see you again.

Varya Visnapuu: Same to you Nico.

I went over to Cammie and picked her up. She was a girl in a nurses outfit and she had green hair and green eyes.

Me: Cammie are you okay?

Cammie: What a giant headache. But yeah I'm okay.

I picked her up.

Aqua: That was awesome though.

Varya Visnapuu: Yeah.

Lincoln: Hang on. We're getting good at this part. Swartz turned you into Another Omnitrix Alien. But we totally saved you. And tomorrow, you'll get a chance to help us kill him for turning you against us.

Cammie: Where am I?

Lincoln: (sighs) Swartz turned you into Another Omnitrix Alien. But we totally saved you..

Me: Lincoln she knows. She's just kidding.

Cammie: Sorry. I have a sense of humor.

We laughed.

Lincoln: (LAUGHS) That was funny.

Qin: But we're amazed you took on so many great attacks.

Cammie: Those songs were awesome.

Varya Visnapuu: I heard you guys sing them and they were awesome.

Nico: They were.

Varya Visnapuu: Too bad it wasn't Leena Klammer. I would have loved to kill that bitch!

Qin: Wait that's right! I remember that you have a terrible history with Leena.

Me: How come?

Nico: Right you don't know about this. Years ago, Varya and her family in Estonia adopted Leena under the guise of Esther and Leena killed her entire family except for her and burned down her entire house and Varya swore to get revenge on Leena. She personally vowed to make sure that Leena pays the ultimate price for all her crimes.

We gasped in shock! Varya is completely hellbent on avenging her entire family by killing the monster that took them from her!

Varya Visnapuu: That monster took everything from me.

Me: Oh man! Varya I'm so sorry.

Eli: That monster!

Lola: She is pure evil!

Aqua: Yeah no kidding!

Me: If she ever escapes from the Saturn Insane Asylum we'll gladly let Varya kill her. She needs justice.

Maria: That's right. Lincoln didn't give her the Black Gates.

Me: No we sure didn't. But she went too far this time!

Nico: No shit there! Varya, you have my permission to kill Leena when the time comes. That monster doesn't deserve to live another second. Especially for killing the family of one of my friends!

Varya Visnapuu: Thank you Nico. Thank you. All of you.

Me: You're welcome Varya.

Aqua: By the way what's your favorite memory of Nico?

Varya Visnapuu: I have a lot of them. But my favorite was when me and Nico made the hottest hot sauce ever. It was called The Devil's Nova. It is made with peppers that are thousands of times hotter than anything ever known. One time me and Nico saw a kid bullying someone and we put our deadly hot sauce on his burger and then he took a bite and he screamed in excruciating pain as fire exploded out of his mouth! He ran out of the school and into a pool and the water boiled to the point where all the water evaporated. He was in pain and fire was still coming out of his mouth for months.

Qin: I remember seeing that! That was so funny! That punk deserved it!

Nico: Yeah he sure did!

We laughed at that!

Me: I'll have to try some of that sauce though. That sounds awesome.

Nico: We have lots of spice demons with us.

Lincoln: Yep.

Nico and Varya hugged.

Nico: I've missed you Varya.

Varya Visnapuu: Me too Nico. Me too.

Me: This was awesome though.

We later went back home and told everyone what happened and it was awesome.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Kairi (Kingdom Hearts) are heading to Spain, and not only is Lincoln going to rescue the four girls here, but we got word that our old enemy, Naraku, has returned from the dead and he wants revenge on us for destroying him long ago.

Lincoln also called Inuyasha and the Demon Slayer Consolidate, as soon as word of Naraku coming back reached them.

Lincoln: Wow, we're here in Spain, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got word that our old enemy, Naraku, has returned from the dead and he wants revenge on us for destroying him long ago.

Nico: That's right, Linc, and I can't believe that Naraku has come back.

Me: Same here. First, Moo came back from the dead, and now, Naraku's also come back from the dead. But, there is a way to find out how that demon came back, right, Linc?

Lincoln: Yep, the truth serum Shinobu and Tamayo made, if it's effective on normal people, it'll work on demons like Naraku. Then, after he tells us everything, then we'll behead him and send him to The Black Gates forever. And I want to thank you, Inuyasha, and the others for joining us, Kairi.

Kairi (Kingdom Hearts): You're welcome, Lincoln.

Inuyasha: This is going to be the last time Naraku dares to show his face again.

Tanjiro Kamado: From what I've heard, Naraku is a dangerous villain who makes even The Devil look like a joke.

Inuyasha: You've heard right, Tanjiro, and he has no honor at all, unlike Muzan Kibutsuji. So, we'll be glad to get rid of that monster for good.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Naraku, and he's going to kill them.

Lincoln: Time to hightail it over there, guys, I found the four girls, but they've been cornered by Naraku, and he's going to kill them.

?: (French Accent) That evil dishonorable monster, let's get him!

Suddenly, we saw the Duel Monster, Battlewasp Ballista the Armageddon, appear before us.

Nico: Whoa, that's the Duel Monster, Battlewasp Ballista the Armageddon, awesome.

Lincoln: And I'd recognize that French Accent from anywhere, I knew it was you, Delia Shannon.

Jessica Shannon: Delia's here?! Oh, that's awesome! And we'll explain later, let's go stop Naraku and send that monster to The Black Gates.

We rushed on over, and Lincoln fired powerful rainbow energy balls

and elemental forces at Naraku, and it allowed the four girls to get away. When Naraku saw us, he was enraged.

Naraku: You! I will make every last one of you pay for what you did to me!

Inuyasha: Not a chance, Naraku, you deserved to die after everything you've done, and I've had it up to hear with you to last an eternity.

Suddenly, Inuyasha's gold eyes turned neon gold, and he was surrounded by a red and white energy aura with blood, spirits, and dog demons, he unholstered Tessaiga and his massive Sword of The Demon Slayer Consolidate, and as he approached Naraku, he left red and white energy, demon blood, spirits, and dog demons with every step.

Inuyasha: You really are nothing but a pain in the tail, Naraku. No matter how many times we keep stopping you, you refuse to quit. Well, this time, you're going to be put down for good and you are never coming back this time.

Suddenly, Inuyasha was surrounded by a massive vortex of red and white energy with spirits and blood surrounding the vortex, there are dog demons running around the vortex, and in the vortex is a gold phoenix. Then, as the vortex faded, Inuyasha emerged, but he was changed forever.

Suddenly, Inuyasha's sword, Tessaiga, and his massive Sword of The Demon Slayer Consolidate and all the other swords from the treasure battles began merging together and were surrounded by a kaleidoscope of red and white energy, blood, spirits, and dog demons, and when it emerged, it was transformed into Tessaiga's Demon Slayer Greatsword of Dog Demon Justice, it's a brand-new sword with a 7'0" massive, wide, curved, over-sized silver dog's fang, large patch of white dog's fur for the crossguard, longer black handle, four large white dog heads with gold gems for eyes and on the bottom of the white dog heads is a large gold gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with red gems on his wrists, his new large gold Belt of Elemental Bravery with a golden dog demon head with gold gems for eyes and a red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip. Inuyasha has transformed into SUPER ANGEL ETERNITY INFINITY SPIRIT FIRESTORM DOG DEMON YOKAI ANGEL OF DIVINE SPIRIT FIRE JUSTICE AND DIVINE DOG DEMON HOPE!

We were amazed by Inuyasha's Super Angel Eternity Infinity transformation, and when Kagome saw him, she had an atomic red blush on her face, hearts in her eyes, steam whistling out of her ears, and blood dripping from her nose. But, when Naraku saw it, he went mad and tried to attack him, but Inuyasha fired a powerful red and white energy blast with dog demons, spirit fire, and blood, and it hit Naraku and burned him badly, and Inuyasha attacked him with his new sword and left scars on him.

Moroha: Whoa, Dad's transformed.

Lincoln: That's so awesome! And I saw on the kanji on the back of your dad's sleeveless red trenchcoat that it also said "Loving Future Brother-In-Law of Lincoln Loud".

Me: Makes sense, since you're going to marry Moroha, Towa, and Setsuna in the future, Linc.

Inuyasha: (Divine Echoing Cosmic Voice of The Spirit Blood Fire Dog Demon and Divine Dog Demon Hope) **That's right. Now, then, shall we rip Naraku to shreds?**

Lincoln: You got it… , brother. Alright, gang, let's get him.

Then, Lincoln hit him with the syringe filled with the truth serum Shinobu and Tamayo made, and he spilled the beans that Evolt was the one who brought him back from the dead. Then, Inuyasha and Lincoln beheaded Naraku and Inuyasha drew a kanji on Naraku's forehead as soon as his spirit had appeared, and he was erased by The Black Gates. We cheered wildly as we holster our weapons and power down, and Inuyasha's new body, clothes, weapons, jewelry, and massive silver-white angel wings are permanent. Then, Kagome went up to Inuyasha and they shared a romantic kiss, and we cheered for them.

Nico: Alright, now we're finally rid of Naraku for good, along with his incarnations.

Lincoln: You got that right, Nico, and now we know how Naraku came back: it was because of that monster, Evolt.

Me: Should've known he'd pull something like this.

Inuyasha: Yeah, well, he's going to pay for this later on today, and Sophia's going to make him pay for what he did to her.

Nico: You got that right, that monster experimented on my friend and she was traumatized by what she had to go through because of him. Well, payback is about to come for him, and he's going to pay for this infinite-fold.

Lincoln: You got that right. Now, that's the last time Naraku dares to show his face here ever again. (To Delia Shannon) And it's so good to see you again, Delia Shannon.

Delia Shannon reverted back to normal, and she's a beautiful girl with short neck-length pink hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful pink angel wings, and she reigned in the power of Battlewasp Ballista the Armageddon, and she's dressed in a short-sleeved purple blouse, sleeveless top with flowers, long light purple jewel-encrusted skirt, purple legwarmers, purple shoes, and long sleeveless purple trenchcoat with wasps and explosions on the coattails, and Battlewasp Ballista the Armageddon on the back, and holstered on her back a large Battlewasp Ballista the Armageddon-themed greatsword with Battlewasp Ballista the Armageddon etched on the 7'0" massive, wide, double-edged purple blade, Battlewasp Ballista the Armageddon's wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and a large purple gem surrounded by wasp wings for the pommel.

Delia Shannon: (French Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Delia Shannon and they hugged, and Delia Shannon's very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Delia Shannon: (French Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Delia Shannon, she's my Guardian Angel from France and my classmate in English. We would often do Legos together, in fact, we collected some of the rarest Lego sets and we even completed some of the hardest Lego sets.

Nico: That's so awesome.

Lincoln: And it gets even more awesome: I made Lego versions of me and Delia.

Lincoln and Delia showed us the Lego versions of himself and Delia, and it was really awesome.

Nico: Whoa! That's some impressive work, Lincoln.

Lincoln: Thanks, Nico, and Delia also has a massive nest of honeybees in her backyard along with a garden of grapes, and she really hates Flip with a fiery passion.

Eli: Awesome.

Jessica Shannon: And you guys are in for one awesome surprise, I happen to know Delia because she's my cousin.

Our jaws dropped to the floor when Jessica told us that.

Me, Nico, and Lincoln: What?! Delia's your cousin?!

Jessica Shannon: Yep.

Lincoln: Whoa, now that was really a wild revelation.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Delia Shannon's neck with pink gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Delia Shannon: (French Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means just like your cousin, you're now part of my harem and one of my many future wives, Delia.

Delia Shannon had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Delia Shannon's waist and Delia Shannon wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Delia Shannon's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Miwa Kurushima from the Bartender anime, Hana Arai, Tetsuko Arisugawa, and Fuuko from The Case of Hana & Alice.

Lincoln: Oh wow, it's Miwa Kurushima from the Bartender anime, Hana Arai, Tetsuko Arisugawa, and Fuuko from The Case of Hana & Alice.

Me: Awesome.

Lincoln: Are you girls okay?

Miwa Kurushima: Yes, we're okay, thanks to you.

Then, when Miwa Kurushima and the other three girls saw who it was that saved them from Naraku, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope,

Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix,

Miwa Kurushima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Miwa Kurushima: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Miwa Kurushima, Hana Arai, Tetsuko Arisugawa, and Fuuko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Naraku, who's come back from the dead wanting revenge on us for what we did in destroying him long ago.

But, when Lincoln showed what we did to Naraku and with Inuyasha transforming, also finding out that Naraku was brought back by Evolt, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Delia Shannon have a lot of catching up to do now that she's back in town. And when Lincoln told everyone else of Delia Shannon and what she and Lincoln have done when they were kids, and when he told them that

Delia Shannon's the cousin of Jessica Shannon, everyone's jaws dropped.

Maria: What?! Delia's the cousin of Jessica Shannon?!

Lincoln: That's right.

Sophia Nuremburg: And that monster, Evolt, had some nerve bringing Naraku back from the dead. Now, it's really personal.

Nico: You said it, that monster's going to pay later on today.

Pohatu: You got that right.

---

After finally destroying Naraku and this time for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Delia Shannon saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Delia Shannon: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Artemis, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Delia Shannon: (French Accent) That's incredible.

Nico: It sure is. So, Delia, what memories did you have with Lincoln, and did you lay a full beatdown on that mutant cheapskate, Flip, and Lincoln's mean sisters, Lori, Lynn, Lola, Lisa, and Luan?

Delia Shannon: (French Accent) Oh, I thought you'd never ask. One time, Lincoln was at my house and I was showing him around my massive nest of honeybees in the backyard along with the garden of grapes. But, then, my honeybees fled into their nest when we suddenly felt tremors and we saw a dust cloud heading our way. Lincoln saw who it was that caused the stampede: it was Lori, Lynn, Lola, Lisa, and Luan, and they had murder in their eyes, and he also caught the stench of a smelly fat ugly mutant cheapskate, it was none other than Flip, and he was also out to kill Lincoln for ruining his scams. We had a big dilemma, we had Lincoln's mean sisters and Royal Woods' fat smelly cheapskate mutant to deal with. But, then, we saw Lincoln's other Guardian Angels appear, and we all went after Flip first and we brutally pulverized him into the dirt and we tied him up, then we went after Lori, Lynn, Lola, Lisa, and Luan, and we brutally beat them up and tied them up and Lincoln put them in spheres of darkness. I then called Mr. and Mrs. Loud and we saw Vanzilla and the cops arrive, who then take Flip back to jail, and we told them of what those five mean sisters were about to do to me and Lincoln, along with that fat smelly mutant cheapskate. Lori, Lynn, Lola, Lisa, and Luan were then grounded for five weeks and were put into isolation cubes in the basement and Flip got another Life Sentence added to the Life Sentences he'd gotten after being found guilty.

We cheered wildly for what Delia Shannon, Lincoln, and the other Guardian Angels did to Lincoln's mean sisters and Flip.

Nico: Whoa, so not only did you guys lay a beatdown on Lincoln's mean sisters but also on Flip as well, that was awesome!

Sophia Nuremburg: And we now have him and the other jerks, along with Royal Woods' other jerks, being humiliated by us forever.

Sophia Nuremburg made a bunch of lobsters appear and they pinched Flip all over the place, and he was screaming like crazy, and tons of gold coins and jewels came out of him.

Delia Shannon: (French Accent) So, you're subjecting them to all kinds of humiliations, incredible. And what's with the gold coins and jewels?

Nico: That was Lincoln's curse, any time we hit the jerks with our humiliating pranks, gold coins and priceless jewels come out of them, and it's then cleaned off and shipped to banks all over the world.

Jessica Shannon: Yeah, it's really awesome.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was causing havoc: it was Dr. Weil and he's causing havoc.

Dr. Ciel: It's Dr. Weil, I should've known that madman would show up.

Fairy Leviathan: We'll make him pay for the pain and suffering that he's caused.

Lincoln: Right. Let's go, gang, we got a mad scientist to kill.

We rushed out of the World Tree Estate, and Lincoln fired rainbow energy blasts and elemental blasts at Dr. Weil, and when he saw us, he was enraged, especially when he saw Dr. Ciel and Fairy Leviathan here with us.

Dr. Weil: You insignificant fools, you will pay for getting in my way, all Reploids shall pay for what they've done to humanity.

Lincoln: The only one who's going to pay here is you!

Dr. Ciel: Lincoln's right, you have caused far too much suffering for the last time, Dr. Weil.

Fairy Leviathan: And now, you're going to pay.

Suddenly, the eyes of Dr. Ciel and Fairy Leviathan turned neon pink and neon blue, and Dr. Ciel was surrounded by a pink energy aura with pink flowers and Cyber Elves, and Fairy Leviathan was surrounded by an ocean blue energy aura with ocean waves, leviathans, and bubbles, and as they approach Dr. Weil, they left pink and ocean blue energy, pink flowers, leviathans, bubbles, and Cyber Elves with every step.

Dr. Ciel: Dr. Weil, I will never forgive you for the pain and suffering that you've caused to so many Reploids and to mankind.

Fairy Leviathan: What you've done to so many Reploids and to mankind can never be forgiven, and now, you will pay with your life.

Suddenly, Dr. Ciel and Fairy Leviathan were surrounded by massive vortexes of pink and ocean blue energy with pink cyber flowers and ocean waves and bubbles surrounding the vortexes, there's a Cyber Elf and a leviathan flying around the vortex, and in the vortexes are pink and blue phoenixes. Then, as the vortexes faded, Dr. Ciel and Fairy Leviathan emerged, but they were changed forever.

Zero (Mega Man): Incredible, Dr. Ciel and Fairy Leviathan have transformed.

Nico: They sure have, and now, Dr. Weil is about to pay the price for his crimes in full.

Lincoln: You said it, Nico. And Dr. Ciel, Fairy Leviathan, you girls look beautiful. How do you feel?

Dr. Ciel: (Divine Echoing Cosmic Voice of The Pink Floral Cyber Elf and Divine Cybernetic Love) We feel incredible, Lincoln.

Fairy Leviathan: (Divine Echoing Cosmic Voice of The Maelstrom Leviathan and Divine Water Love) Now, all that's left is to get rid of Dr. Weil and this time for good. Shall we?

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword

of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Dr. Ciel and Fairy Leviathan.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time to pay for everything you've done, Dr. Weil.

Dr. Ciel, Fairy Leviathan, and Lincoln went after Dr. Weil, who continued firing blasts of energy at them, but they dodged them all, and they fired powerful blasts of rainbow energy, pink and blue energy, Cyber Elves, Leviathans, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Dr. Weil, and they exploded with incredible power as they hit him. Then, they attacked him with their massive large greatswords and they left nasty scars on him, and then, they fired powerful waves of energy, which hits Dr. Weil and destroyed him for good, and when his spirit appeared, the three of them drew a kanji on his forehead and he was erased by The Black Gates forever. We cheered wildly for what Dr. Ciel, Fairy Leviathan, and Lincoln did as they holster their massive broad-bladed greatswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Dr. Ciel and Fairy Leviathan are permanent.

Just then, Dr. Ciel and Fairy Leviathan glomped on Lincoln and they kissed him all over, and Lincoln had lipstick marks all over his massive muscular body and face, and he returned their kisses and hugs as well, and we cheered for them.

Nico: Alright, that's another mad scientist put down for good.

Lincoln: You got that right, Nico, and we also found out something when we killed him.

Dr. Ciel: Lincoln's right, we found out that Evolt was the one who brought him back from the dead to kill us.

We gasped in shock.

Me: Should've known he'd resort to that trick again, we saw that when we found out he resurrected Naraku.

Lincoln: Evolt is just hastening his own death by our hands, which is about to happen later on today.

Sophia Nurenburg: You got that right.

Nico: Yeah, very soon, the time of reckoning is about to come, and Evolt's time shall soon be up.

We head back to The World Tree Estate, and we got rid of Dr. Weil and stopped another of Evolt's schemes to try and kill us, but his time will soon arrive, and he'll pay for everything he's done.

---

Later we were in the park for some Bonding Time.

Nico: Eddy, you and Luan are getting bonding time today.

Eddy: Sweet!

Luan: This is gonna be awesome.

Me: And we invited some fun for the bonding too.

Out came the Three Stooges!

Three Stooges: (In acapella) HELLO… HELLO… HELLO!

Moe: This is gonna be awesome to get to know you and Eddy.

Luan: Yeah it sure is!

They talked at a table.

Eddy: Remember when you and I first met?

Luan: I sure do Eddy. It was when you first moved in.

Eddy: Yep.

Me: I remember that. That was so awesome.

Nico: I heard a lot about that. That was awesome.

Varya Visnapuu: The Three Stooges are with you guys now? Wow.

Me: I know and they were popular back in the 1930's, 40's, and 50's. But they cracked us up so many times back then and they are also Luan's heroes.

Moe: Yeah we gave her great inspiration.

Curly: I thought we gave her good comedy. Nyuk nyuk nyuk nyuk nyuk.

BONK!

Moe bonked him on the head.

Moe: Quiet you pumpkinhead!

We laughed at that.

Twilight Sparkle: (LAUGHS) So funny!

Me: Even after 75 to 80 years they still got it. But it was World War II where they were most popular.

Nico: Yep.

Luan: That is true.

Eddy: I remember fighting your dark side.

Me: That was when Luan first got her powers.

Luan: That was awesome and it made me Shine. (LAUGHS) Get it?

We laughed at her joke.

Me: (LAUGHS) That was a good one!

Eli: (LAUGHS) That was funny!

Varya Visnapuu: (LAUGHS) So funny.

Me: Yeah.

Varya Visnapuu: How did you guys meet the Three Stooges?

Me: That was a funny one. We went into the simulator and went back in time to when the Three Stooges were in the West and we got to meet Luan's heroes for the first time.

Nico: That is cool.

Me: Then in Canterlot over 80 years later we met them as ponies and they were being chased by a chef pony out to butcher them.

Eli: I remember that!

Qin: Yeah that was amazing.

Me: It also reminded me of the episode The Tooth Will Out from 1951. You remember that one Moe? You guys got fired from 2 jobs at the start and then that asshole chef came after you with a cleaver?

Moe: Boy how can we forget?

Larry Fine: And Shemp made us drop all the dishes!

Me: Yep. Also the very same thing happened to Jackie and Mandee. They wrecked a restaurant and an asshole chef came after them too.

Jackie: It's true. It was on the day we met the Dino Charge Rangers.

Qin: I remember that! That guy was a grouch!

Lola: Yeah what an ingrate!

Lana: Yeah!

Qin: Yeah.

Eddy: We also met our future daughter.

Me: I remember that too. She came from an apocalyptic future caused by one of the bloodiest battles we've ever had.

Qin: Wow.

Luan: Yeah. Lensay was so cute back then.

Lensay is now 5 years old and she is just like her mother.

Lensay: You got that right mommy.

Qin: So cute.

Me: Time sure flew by didn't it.

Nico: Yep.

Moe: That must've been some battle.

Curly: No kidding there. Is it brutal or bloody?

HONK!

Moe grabbed his nose and honked it.

We laughed!

Nico: It's a combination of both, actually.

Me: Yeah. But it was awesome.

Nico: I wasn't with the team when that happened but it was awesome.

Qin: Wow.

Luan: That was awesome.

Me: But lets not forget that all the pranks she pulled on April Fools Days.

Nico: NEVER AGAIN!

Me: Yeah those were not pranks. Those were more like methods of torture.

Qin: I heard all about those pranks. They were terrible!

Aurora Aurelia: Why do you think me and several of my fellow guardian angels hate Luan for them?

Me: But the most awful of them was when we faced her wrath personally.

Camie: What happened?

Me: Well you guys are not gonna like this one bit.

I went over what happened during the events of chapters 12, 18 and 39. It was all crazy and scary and stupid.

FLASHBACKS

(CHAPTER 12)

It starts with me and Varie walking over to the Loud House for a sleepover. We have our night stuff and some fun stuff.

I go up and knock on the door and Rita comes and opens it.

Rita: Oh, J.D. and Varie! You're Here! Quick! Come in!

She pulls us both in.

Me: Uh, ok? Thanks Ms. Rita.

We go upstairs only to see the sisters who are all looking like they're going into a war

Me: Hey girls. What's up?

Lynn: J.D., Varie! What are you doing here?! Go, before it's too late!

Me: Haven't you guys forgotten? We're sleeping over with you guys for the weekend. Hey, Where's Luan?

Lola: Oh No! Is she coming?!

Varie: I don't know so that's why we're asking you.

The sister's all go back to preparing. We shrug and then go to Lincoln's Room, but we find out that the door is locked and I knock on the door.

Me: Lincoln, it's me and Varie.

Lincoln opens the door.

Lincoln: Oh hey J.D., Varie, come on in.

We both walk in and Lincoln shuts the door.

Varie: What's going on Lincoln? Everyone looks scared and loaded with Paranoia.

Me: Yeah and they all look like they're going into war.

Lincoln: (sighs) I forgot to tell you

Me: Tell us what?

**Lincoln:** [marks April 1st on his calendar] Tomorrow is April Fools' Day.

Me: Yeah. So?

Lincoln: Every year my sister Luan creates a prank apocalypse and no one is spared!

Varie: You mean like whoopie cushions, squirting flowers and stuff like that?

Lincoln: Oh no. It's way worse than that. I present to you Luan Loud's April Fools' Highlight Reel. [He begins showing us a montage of Luan's April Fools' Day pranks on the Loud Family. First, the siblings are looking at their furniture, which is tacked upside down to the ceiling.]

**Luan:** "I'd say this prank's a little over your head!" [laughs] [Now they open the door to find the room full of chickens]

**Luan:** "Seems to be your clucky day!" [laughs]

[Now the kids are looking at their house all wrapped up in wrapping paper.]

**Luan:** [rips through a window] "I guess that's a wrap!" [laughs]

[Now the siblings are trapped in a humongous gelatin.]

**Luan:** "Aww, look at the Loud Family gettin' jiggly with it!" [laughs]

[The pets' fur and Walt's feathers got shaved off.]

**Luan:** [holding a buzz shaver] "I shaved the best for last!" [laughs]

[The video ends and me and Varie are horrified]

Me: Luan did all of that?!

**Lincoln:** "See what I mean? Nobody's safe from that evil pranking genius. But this year's gonna be different. Luan is not gonna prank me! Because I've got an April Fool proof plan.

Me: (Laughs) Good one Lincoln.

Lincoln: Thank you. [Looks towards his door] You're not the only one who can make a pun, Luan!" [opens his door to reveal Lily wearing a watermelon helmet and diaper, Lynn putting on padding, Lola coating herself and Lana in bubble-wrap.]

**Lana:** "Bubble-wrap me next!"

**Lucy:** [enters with her head inside a gargoyle head.] "I need more armor."

Laney: [Searches in her backpack] Okay, helmets: Check. Cleaning supplies: Check. Protective padding: check.

**Lynn:** [as Lisa enters in army gear] "Where's my helmet!?"

**Lori:** [talking on her smartphone] "Bobby, we have to cancel all our plans in April." [Bobby asks why] "Because Luan might shave my eyebrows off again! And it takes a month for them to grow back."

**Luna:** [following Lisa] "C'mon Lisa! Let me hunker in your bunker!"

**Lisa:** "You should've been more prepared. We'd known this storm was coming for 364 days."

**Luna:** [dropping to her knees and begging] "PLEASE! GIVE ME SHELTER!"

[Me, Varie and Lincoln walk by whistling when Lola dashes out in front of us.]

**Lola:** "Arms up, you three! Your turn for bubble-wrap.

**Lincoln:** [puts his hand in front of Lola.] Not this year, Lola. I'm not getting pranked.

[Loud girls chatter]

**Lola:** It's never been done!

**Lynn:** Are you crazy?

Laney: Don't be a fool! No one is safe from Luan's pranks!

**Lincoln:** Ladies! Ladies! I got a plan! Me, J.D. and Varie are simply gonna lock ourselves in my room till the day's over. I've got snacks, video games and a hose to pee in, which I call the Tinkle Tube. Patent pending.

**Lori, Leni, Luna, Laney, Lynn, Lucy, Lola and Lily:** Ew!

**Lana:** Cool!

**Lincoln:** [points to his window] It goes out the window!

Me: But what if we have to go #2?

Lincoln: Well, We'll cross that bridge when we come to it. The point is, We'll never have to leave my room so Luan will never get us.

Laney: But what if she pranks you guys from in your room?

Varie: How can she do that?

Laney: Never question Luan's dark arts of practical jokes.

[The kids are frightened by the sound of a sausage hitting the stair rails]

Laney: She's here…

[The siblings look frightened as Luan comes upstairs while holding a sausage.]

**Luan:** Ooh! It's Pranksmas Eve… and I'm just bubbling with excitement. [pops a piece of Lola's bubble wrap and walks away.]

Varie: Whoa! Who knew Luan could be that scary?!

Me: I'm not scared of her.

**Lola** : I'm gonna need more bubble wrap! And a fresh pair of undies.

**Lincoln:** Thanks for the lumber, Lana! I'll return it on April 2nd. [walks away with lumber.]

**Lana:** Mahogany was a good choice. That'll hold nicely.

[Me and Varie follow Lincoln into his room. Lincoln closes his door, uses a nail gun to pound the nails and Mahogany on it, then puts a chair by the doorknob.]

**Lincoln:** [takes out his radio] Clyde, wanna hang out tomorrow? I built us a fortress with snacks, games and a Tinkle Tube. Patent pending.

**Clyde:** On Pranksgiving? No way! Not after what happened last year.

[Flashback to what happened during the past April Fool's Day where Clyde steps on a rope as one of Luan's prank traps. Water sprays on his face and he is covered in hay. Luan's laughing can be heard.

Then, a flock of crows come to attack him as he screams. End flashback as Clyde looks a little scared.]

**Lincoln:** But nothing's gonna happen this year. I've got an April Foolproof plan. [ringtone sounds] Hang on Clyde, Ronnie Anne just texted me. [checks his phone] She said she's coming over tomorrow with a present for me. [gasps]

Varie: That's not good.

Lincoln: She can't come over tomorrow! She'll get nailed by Luan's pranks and then pulverize me!

**Clyde:** Just tell her to come over another day.

**Lincoln:** I can't do that! That will definitely get me pulverized!

**Clyde:** You gotta get Luan to call off Prankapalooza. Appeal to her humanity. Beg if you have to!

**Lincoln:** Good idea! Just as soon as I get the Mahogany off the door!

[Me, Varie and Lincoln pull off the wood and go in Luna and Luan's room, we arrive and Luan turns around in a Jester chair to face Lincoln while she has Cliff on her lap.]

Me: Wow Luan. You look really awesome in that chair. It makes you look like Dr. No from James Bond.

Luan: Thank you J.D.

**Lincoln:** That is pretty cool, but Luan! You gotta call off Prankageddon! Please! Ronnie Anne is coming over tomorrow and I can't let her get pranked!

Me: Yeah. She'll get nailed by your pranks and then pulverize him!

**Luan:** Okay.

**Lincoln:** Really! Wow that was easier than I…

**Luan:** APRIL FOOLS PRACTICE! Lincoln, you know the April Fools Rules. Anyone who sets foot on our property is fair game. Speaking of which, is Clyde coming over? 'Cause I'd love to just say HAY! [chuckles insanely]

[We storm back to Lincoln's room, put the Mahogany back on his door and Lincoln's call Clyde.]

**Lincoln:** Clyde! Pleading with Luan did not work! She's an animal! [hears a cat noise] What was that?

**Clyde:** Oh, that's Cleopawtra. She's been feisty lately so we put her in a timeout crate.

**Lincoln:** Timeout crate. That's it!

Me: Of course. We cage her up like an animal and she can't pull any pranks.

Lincoln: [runs away to brainstorm his idea and tries to pull the Mahogany off the door.] Why did I choose Mahogany?

---

[At the basement, Lincoln flicks the lamp on.]

**Lincoln:** [to me, Varie and his sisters who are not Luan] Okay, we're all here?

Me: Wait. Let me do a headcount.

I counted heads except for Luan.

Me: Okay. We're all present.

**Lola:** Shh! She's got ears everywhere! [turns on the washing machine] I saw this in a mob movie once. She won't hear us over the noise.

Varie: Good thinking, Lola.

**Lincoln:** We all know tomorrow is going to be awful. But it doesn't have to be. If we combine forces, we can prevent Luan from setting up any pranks in the first place.

**Lynn:** Uhhh, how exactly are we gonna do that?

Lincoln: Laney, you have prepared for every prank Luan can think of every year right? Do you have anything for containment?

Laney is seen rummaging through her supplies

Laney: Sure. I think it's next to the insect repellant.

Lincoln: Great! Now let me tell you all my plan.

**Lisa:** Better make it snappy. We're almost done with the spin cycle.

---

[Later that night in Luna and Luan's room, Luan is snoring. Luna then gets up and gives a bird-like call to signal that Luan is asleep. We then enter the room. Luan then opens her eyes as we all tie her down, trap her in a cage, and keep her fingers together with Chinese finger traps.]

**Luan:** [enraged] LET ME [starts screaming her words] OUT OF HERE!

**Lincoln:** Okay.

**Luan:** Really? Wow! That was easier than I…

**Lincoln:** APRIL FOOLS! We aren't letting you out until April 2nd! [Me, Varie and The other sisters begin to cheer.]

**Lynn:** That was a crate plan, Lincoln! [We laugh during a rimshot.]

**Lori:** I've been crating for this moment all my life! [We laugh again.]

**Lana:** Well, better crate than never! [We laugh again.]

Laney: That was off the chain! [We laugh again]

Me: You've been sent into the Crate Beyond! [We laugh again]

Varie: More like the Crate Unknown! [We laugh again]

**Leni:** You're in a crate! [The other siblings don't seem to get it.] Get it?

**Lincoln:** Maybe we should just go to bed.

[The next day, Luna is heard screaming. The cage is now broken, meaning that Luan just escaped, much to the horror of everyone.]

**Lola:** [panicked] We're doomed! Luan escaped, and now she's gonna be mad!

**Lincoln:** How could this have happened?!

**Luna:** She's a black magic woman, dude!

**Lincoln:** [holds up a loose chain] I gotta get my money back for these.

[As Lincoln pulls the chain, it sets up a bucket full of honey that's about to spill on him but I use the Force and send the honey splattering into the wall. Feathers followed and I quickly grab an empty pillow case and fill it with the feathers]

Laney: It begins.

**Lisa:** Peace out. I'll be in my bunker. [dashes off]

**Lincoln:** Everyone else to my room! We'll be safe there. [As we all run towards Lincoln's room, the parents show up by the stairs. Rita is wearing a padded gear while Lynn Sr. is wearing bubble wrap.]

**Lynn Sr.:** What's all this ruckus about?

**Lori:** Luan's on the loose! TAKE COVER!

**Rita:** But we thought you locked her up!

Varie: She busted out!

Me: Head for the hills you two!

**Lynn Sr.:** Plan B! RETREAT! RETREAT! [He and Rita run back downstairs.]

**Lincoln:** [ringtone sounds as he checks his phone.] Oh no! Ronnie Anne's on her way? Could this day get any worse? [He bangs his head on the wall. A rope on the wall is attached to the vacuum cleaner that's taped on the ceiling and its bag opens up. I take a trash can in Lola & Lana's room and the dust falls into it above Lincoln's head]

Lincoln: Whew! Thanks J.D.

Me: No problem, buddy.

Lincoln: But on the plus side, that's one less prank Ronnie Anne could suffer. [gets an idea] That's it! If I set off all the pranks in the house, there won't be any left for her.

Me: Good plan. It's a big risk but I'm willing to take it with you.

**Lynn:** Lincoln, J.D., Varie, It's not safe out there!

**Lincoln:** Save yourselves! I got a job to do.

**Lucy:** Don't worry, Lincoln, I'll plan your funeral.

Me: Luan has terrorized this house for far too long and we're going to put an end to it for good.

Laney: Wait! [All eyes were on Laney] I'm coming with you.

Lori: Laney! Don't be a fool! You won't stand a chance out there!

Laney: Yes I will! Because I have prepared for every last practical joke Luan has concocted for this day. I have the wits to protect Lincoln, and do what we should've done years ago and stop Luan's reign of terror!

Me and Varie clapped for her.

Lola: (touched) Laney, you're a brave soul. I'm gonna miss you.

Lucy: I'll plan all four of your funerals.

[The sisters close Lincoln's bedroom door and puts Mahogany on it. Lincoln puts on a helmet and takes out the house map and circles kitchen.]

**Lincoln:** We'll start by de-pranking the kitchen.

---

[We go downstairs and look at a sign that says "Kitchen this way" while it points the open front door.]

**Lincoln:** Kitchen this way? Ha! Does she think I'm dumb enough to fall for that?

Laney: No, but she knows who is.

I use my lightsaber and cut the sign down.

Me: That takes care of that.

[We take the original route and go into the kitchen and find grease on the floor.]

Varie: She slicked up the floor with grease.

Me: [I see something on the ceiling next to the doorway] There's a boot contraption.

I used the Force and pull it out of the ceiling.

Laney: Good thinking J.D.

**Lincoln:** Well, here goes nothing.

Varie: Be careful, Lincoln.

[Lincoln cautiously walks on the grease. But he slips and slides into the fridge. But before a box could fall onto his head, I use the Force and pull it to me. As Lincoln gets up, he slips on the grease, opens the fridge door, and is socked right in the face by a boxing glove on a spring.

Me: Ooh! Ouch!

[The force of the impact propels him into the stove.]

**Lincoln:** "OW!"

[His helmet breaks apart, and a bunch of vicious raccoons pop out of the stove and attack Lincoln as he screams in pain.]

**Luan:** [popping in from the other room.] "I made that dish from scratch!" [laughs]

Laney: [Whistles, attracting the attention of the Raccoons] Come and get it! [holds out a steak and lures the raccoons out of the house. Me, Varie and Lincoln give her the thumbs up]

---

[In the backyard, the Loud siblings' parents are at Lisa's shelter.]

**Rita:** [As Lynn Sr. knocks on the shelter.] Lisa Marie Loud! Let us in!

**Lisa:** I'll need some of your assurances in return! One, I will never again be punished for the explosions in or around the house!

**Luan:** [with a pile of Lily's stinky diapers.] Happy April Stools! [She prepares to aim one with a slingshot towards her parents.]

**Rita:** Are those diapers? She wouldn't!

**Lynn Sr.** [frantically pounds the shelter.] Whatever you want! Just let us in!

**Lisa:** [opens the shelter while holding a contract.] Sign here, here and initials here.

[After the parents sign their names, they hide while Luan shoots diapers at them and Varie appears and fires a big wave of water from her hands and splashes Luan and gets her covered in Lily's diapers]

Varie: Now that is a stinky defeat! [rimshot]

Me, Lincoln, Varie and Laney are heading towards the bathroom.

**Lincoln:** [looks at the map and finds a flying flour in the bathroom and screams.] Ha!

Me: This flour bag is rigged to explode!

I cut the rope with my lightsaber and throw the flour down the hall and it explodes by Lincoln's door. We checked the faucet and found that Luan clogged it with toilet paper. I unscrew the faucet nozzle and clean it out.

Varie: Nice try, Luan.

I sense raccoons nearby and fire Force Lightning at a towel rack and they scampered away.

Laney: Force Lightning? Awesome!

We head to the next room.

**Luan:** Don't give up. No one likes a critter. [chuckles]

Laney: I'm not giving up ever! [Laney follows me, Varie and Lincoln into the Living Room]

---

**Lori:** I think if we ration the food, we should be okay.

**Lana:** What does "ration" mean? [eats a bag of chips and drinks apple juice. The others glare at her.]

**Lola:** [scoffs] Typical. Now someone has to go into the kitchen for more supplies.

[Lori, Leni, Luna, Lynn, and Lucy all talk at once]

**Lana:** [gasps] Let's draw straws!

**Leni:** [sighs] I'll just go. I know I'm gonna lose. I'm a terrible artist.

**Lucy:** Actually, that's not what-

**Lola:** [covers Lucy's mouth] Good luck, Leni! [She and the other girls shove Leni out of Lincoln's room and put the Mahogany back on the door.]

Leni goes into the kitchen.

---

**Lincoln:** [looks at map] Okay. Living room. So far, so good. [then a red line comes when Lincoln crosses it and a projecter is switched on, showing an embarrassing video of Lincoln kissing a balloon with a face on it while Clyde is beside him.]

**Lincoln:** I think this is how you ki-

I use Force Lightning and short out the video projector system.

Varie: That was close. If Ronnie Anne saw that she would destroy you, Lincoln.

Lincoln: Yeah. No kidding.

Lincoln then goes to the couch.

Laney: Lincoln, No! [But the couch has a spring and Lincoln goes up the ceiling and gets stuck by sticky flypapers. He falls down to the couch and goes back up.]

**Luan:** Looks like spring is in the air. [chuckles]

Laney: Get out of here!

Varie splashes the fly paper with water and it falls off the ceiling.

Me: These pranks are brutal!

**Lincoln:** [looks at the map] Just got to finish the bedrooms! Laney, you take downstairs.

Laney: Right!

Lincoln: J.D., Varie, you two take the attic!

Me: Right!

[the house's exterior is shown as Me, Varie, Lincoln and Laney get attacked by Luan's pranks. Afterwards, the four of us are tired, beat up and dirty as Lincoln gets a call from Clyde.]

**Clyde:** Lincoln! What's happening? Lucy just invited me to your funeral.

**Lincoln:** [takes a mouse trap out of his eye and screams.] OW! I've been setting off all the pranks in the house so Ronnie Anne doesn't get hit. J.D. Varie and Laney have been helping me. [Lifts his shoe as sand pours out.] I've gone through every room except Leni and Lori's. [Clyde hangs up] Clyde? Hello!?

[the doorbell rings as Lincoln goes downstairs to open the door.]

**Clyde:** I volunteer to clear Lori's room.

Me: Go get them tiger!

[Clyde goes to Lori and Leni's room offscreen as he gets attacked by Luan's pranks.] It was worth it. Lori's room smells like apple cinnamon.

**Lincoln:** That might be this pie. [points to the pie on his head]

Clyde: Wait, what about Laney? Did she make it out okay?

Laney: What do you think? [Laney is shown completly covered in garbage and food, one eye blackened with a raccoon gnawing on her leg]

Me: Jumping Tuna Buckets!

Lincoln: Man! You've had it worse than me!

Laney: It was worth it. I survived April Fools Day. And call me crazy, but I found going through these pranks were kinda invigorating.

Clyde and Lincoln: You're crazy.

Laney: Right. I'm never doing that again.

Lincoln: Well, that's aside. The Loud House is prank free. [We high-five as Clyde walks away and faints. Ronnie Anne arrives and is surprised when Clyde faints, before looking annoyed.]

**Luan:** [chuckles as Ronnie Anne arrives] I won! You thought you'd outsmart me, but you got the worst pranking ever!

Laney: Give it up, Luan! We've cleared this house of all of your deadly practical jokes. You're finished!

Me: You wanted a prank battle and you got one and we won.

**Lincoln:** Yeah! We only set off those pranks because Ronnie Anne was coming over. [Ronnie Anne looks rather touched at hearing her crush say this.]

**Luan:** Yeah! Well who do you think invited her over, genius? [Ronnie Anne's expression turns to a confused look.]

Laney: No…

Me: This was all a set up!

Varie: You double-crossed us!

Luan: I knew I had to lure you out of your room, so I called Ronnie Anne, and told her how much you loved April Fools' Day. And here she is, to deliver the final blow. [Lincoln turns to Ronnie Anne, who pulls out a pie, with a villainous-looking smile on her face. Lincoln braces for impact, and a splat is heard… but he isn't hit.]

**Lincoln:** Huh? [As Lincoln opens his eyes, he finds out that she instead threw the pie in Luan's face.] But why'd you do that?

**Ronnie Anne:** You took all those pranks for me. It's the least I could do. Come on, let's draw some eyebrows on you and go get a milkshake.

Me: Ronnie Anne, I guess we owe you one.

Ronnie Anne: It's the least I can do for setting me straight, J.D. Bobby says "Hi" to Lori by the way.

Me: I'll make sure she gets the message.

Ronnie Anne: Thank you J.D. and we're even.

I smile and give her the thumbs up.

[The two leave the house.]

**Luan:** That girl's a keeper! But J.D. what did she mean by "we're even?"

Me: You know how we set her straight with when she was picking on Lincoln?

Luan: Yeah.

Me: Well we took all of your deadly jokes to protect her from getting hit by them. So we're even.

Luan: You're a true friend J.D.

---

Me: It's all clear everyone!

[The family come out of their hidings and are relieved that the prankfest is over.]

**Lynn Sr.:** I think it's over!

[The other nine sisters agreed]

**Rita:** Boy, you all took a major beating!

Me: Me, Varie, Laney and Lincoln took all of Luan's pranks head on because Luan invited Ronnie Anne over to prank Lincoln by having a Banana Cream Pie thrown into his face. Lincoln was afraid Ronnie Anne would get hit and she would pulverize him into oblivion. So we all took Luan's pranks to avoid having Ronnie Anne get hurt.

Lynn Sr.: Wow! You guys did all that for Ronnie Anne and us?

Varie: It's what we had to do. Also I found this in Vanzilla.

[Varie pulls out a blue paint bomb]

Varie: It's a blue paint bomb. I found it attached to the ignition switch. It was to go off when the van started.

Rita: Good thinking Varie. Where's Lincoln now?

Laney: He's getting a milkshake with Ronnie Anne and getting patched up.

Loud Sisters: AAAAWWWWWW!

Me: Oh Bobby says "Hi" Lori. Ronnie Anne told me to tell you that from Bobby.

Lori: Thank you for telling me J.D.

Varie: Also Lori, Clyde volunteered to clear out your room of pranks so he took them all for you. He came out and his head was shaved off.

Lori Gasped

Lori: Clyde took all those pranks for me?

Varie: Mm-hmm. He saved you from losing your hair.

Lori: He is a true friend. Tell him I said "Thank you".

Varie: I'll relay the message.

I start feeling exhausted and disoriented.

Me: I'd love to tell you guys more but as you can see this whole experience has left me tired, weak and disoriented so I'm gonna take a nap for a while.

I pass out and Varie catches me.

Lisa checks me out.

Lisa: He's alright. It's just exhaustion from all of Luan's pranks. He'll be right as rain tomorrow morning.

Lynn Sr.: I'll take you two home.

Varie: Thank you Mr. Lynn

Lynn Sr. drives me and Varie back to my mansion and tucks me into a bed at our infirmary. Lynn Sr. revealed everything to my mom and dad.

8:30 AM the Next Morning

I woke up and I have bandages on my face, arms and my eye.

Me: I'm home? In an infirmary? I didn't know my mansion had an infirmary.

Varie was there by my bedside and she had fewer bandages than me.

Varie: J.D. you're awake!

Varie hugs me.

Me: Yes. I'm okay my love.

My dad comes in.

Sumner: You gave us quite a scare there J.D.

Me: Sorry, dad. I wanted to…

Sumner: I know. Lynn told me everything. You guys are heroes.

Me: I had to do what I had to do. I think I risked my life for my friends. Luan's pranks nearly killed us.

Sumner: I know. She got a stiff punishment for it.

Me: That stinks.

Sumner: You got someone to see you.

My dad leaves and in comes Luan with a bouquet of daffodils.

Me: Hey Luan. Those flowers for me?

Luan: Hey J.D. and yes they are.

I take the flowers and sniff them.

Me: Mmm. Daffodils are one of my favorite flowers. How did you know?

Luan: Yellow is my favorite color and I figured you would like them.

Me: Thank you Luan.

Luan: Also the reason I came here is to apologize.

Me: What for?

Luan: For hurting you and Varie with my pranks.

Me: I've already forgiven you Luan. But to tell you the truth, me and Varie had lots of fun yesterday. Sure it was dangerous but it was fun. But those pranks could've killed us Luan. I know you want to be the funniest person in the world and you definitely have what it takes to be that. But true humor comes from the heart.

Luan: (touched) Thank you J.D. I'll try to tone it down next year.

Luan and me hug.

Me: When are cooks mean?

Luan: I don't know?

Me: When they beat the eggs and whip the cream! (Rimshot) (Me, Luan, Varie and Dad laugh)

Luan: Good one, J.D. That's one of Egg-citing Taste! (Rimshot)

(Luan, Me, Varie and Dad Laugh)

Sumner: Luan, you are hilarious!

Me: Told you she's a riot, dad. Luan, there's one thing that puzzles me.

Luan: What's that J.D.?

Me: Lincoln showed me and Varie a montage of pranks you pulled on April Fools a while back and we saw that you stapled all the furniture to the living room ceiling upside-down. How did you do that without help?

Luan: That one was funny. One of my masterpieces. I had some favors done by my friends at Clown school.

Me: Ah. I see. That one was really Topsy-Turvy! (Rimshot) (Me, Luan, Varie and Dad Laugh) That joke you said was hilarious. It really went OVER THEIR HEADS! (Rimshot)

Me, Luan, Varie and Dad laugh some more.

Sumner: You two are really funny.

Me: Thanks Dad. (to the viewers) Boy, I have quite the sense of humor don't I? [to Luan] Luan, I'm sorry we put you in that cage.

Luan: It's okay. I guess I deserved it. Well get better J.D.

Me: I will Luan. See ya.

Sumner: Get some rest, J.D.

Me: Okay, dad.

Varie, Luan and Dad left as I sat back and watched TV.

(CHAPTER 18)

*[The siblings sans Luan are talking about something in Lori and Leni's room.]*

**Lisa:** *[showing a cold sleep chamber]* "And that's why I propose we cryogenically freeze Luan for April Fool's Day. She can't prank us if she's frozen solid." *[Lori, Leni, Luna, Lynn, Lucy, Lana, Lola, and Lily all look at her shocked at such a suggestion.]* "Oh, come on! She'll maintain brain function. Well, a little."

Me: It would be cool if we froze her until the year 3000. I saw that in a silly sitcom cartoon at one time.

Laney: [Pushes Lisa] Well, Thank you Lisa for that suggestion. We'll keep in touch. Okay, anyone else?

*[The twins look at each other.]*

**Lola:** "Lana and I have an idea."

*[Lisa moves her chamber out of the way and the twins place a standing spot. Lincoln comes in wearing some kind of hazmat suit. They spin him around on a platform like a model]*

**Lola:** "We call it the Prank-Me-Not Poncho." *[pulls a cord, causing the suit to inflate a bit.]* "The inflatable lining cushions you from all manner of pranks."

*[An automated boot kicks Lincoln.]*

**Lincoln:** "Ow!" *[gets hit by a spring-loaded boxing glove]* "Ooh! Ow! I can feel that!"

**Lola:** "Not a problem. We just need a little more air."

*[Lola pulls the cord again, but it comes off, causing the suit and Lincoln to float up to the ceiling.]*

**Lori:** "Does anyone have an idea that will actually work? April Fool's Day is this weekend, and I am not losing another eyebrow." *[rubs her brow]* "They're starting to grow in coarse."

**Luna:** "I say we post bad reviews of Fanny's Prank Emporium, and force them out of business!"

**Lynn:** "Ooh, that's good. We eliminate her supplier, we eliminate the problem."

**Lincoln:** "We're too late for that. Luan got her prank supplies shipped to an offshore warehouse months ago." *[The other sisters look at him speechless]* "She told me that to scare me. It totally worked."

Laney: Well I say we put her in restraints again.

Lynn: That won't work! She escaped last time!

Laney: That's because we put her in a crate. This time we put her in a straitjacket! She can't prank us if she can't move her arms.

Varie: Good idea, Laney.

Lucy: What if she doesn't use her arms to prank us?

Laney: Already thought of that. We'll also lock her up in her room until April 2nd.

Me: Good thinking.

Lucy: But what if she escapes from her room and gets out of the straitjacket?

Laney: Then we'll evacuate into the van before she gets there and… I'm not gonna win this argument, am I? [The siblings shake their heads No. Laney sighs in defeat.]

**Lori:** *[notices Leni reading a magazine]* "Leni, are you even paying attention?"

**Leni:** "Oh, sorry. I was just reading this ad for a clown camp that takes place over April Fool's Day weekend." *[shows them said ad]*

**Leni's Siblings:** *[angry]* "WHAT?!"

**Lincoln:** *[grabs the magazine and looks at the ad.]* "This is perfect! If we send Luan to this camp, she'll be two states away from us." *[notices the price]* "Oh, but it costs 500 bucks."

I start having suspicions about it but don't show it.

*[The sisters look at each other. Cut to Rita looking at the ad.]*

**Rita:** "Well, that is a lot of money, but if it means we don't have to spend April Fool's in these suits, I'd say it's worth it."

*[It's revealed that she and Lynn Sr. are stuck on the ceiling wearing Prank-Me-Not Ponchos their size.]*

**Lynn Sr.** "Agreed. Someone toss me my checkbook."

---

*[Later that night at dinner]*

**Luan:** *[looking at the pamphlet for the camp.]* "A weekend at Funny Farm's Clown Camp? Oh, this is my dream come true! Oh, thank you, thank you, thank you! But what's the occasion?"

**Lynn Sr.:** "Why do we need an occasion to spoil our favorite little comedienne, huh?"

**Luan:** *[joyfully hugs her dad, but realizes]* "Oh, wait. It's on April Fool's weekend."

**Lynn Sr.** *[suddenly does a spit take on Lisa]* "Is it? I, uh-I didn't realize."

**Luan:** "I don't know if I can be away from my family on my favorite holiday."

**Lynn:** "Ah, but think about all that fresh meat at the camp just waiting to be pranked."

Laney: That camp is aching to see your comedic genius.

**Luan:** *[enlightened]* "Oh, you're right! Well, in that case, I *camp* wait!" *[laughs]* "Get it?"

*[Everyone else laughs nervously]*

**Lincoln:** *[feigning amusement]* "That is hilarious! Where do you come up with this stuff? Oh, I swear, I'm gonna pee."

**Lucy:** "Lincoin, don't oversell it."

---

The next morning, The Loud's left in Vanzilla for Funny Farm and me and Varie go into the Loud House and sneak into Luna and Luan's room. We begin searching it.

Varie: What are we looking for?

Me: Something is seriously wrong and suspicious. Luan has something big planned for April Fools Day and we have to know what it is.

In Luna and Luan's Closet I see blueprints rolled up.

Me: Huh? Blueprints?

I put the blueprints on Luan's bed and unroll them.

Varie: What are these?

Me: Plans for a very cheap hotel.

I analyze them and discover that the hotel is really a pranking death trap.

Me: The hotel is a death zone rigged with all sorts of deadly pranks.

Varie searches through Luan's notebook and finds a horrific plan in it. She gasps.

Varie: J.D. you'd better take a look at this.

I look at the plans and was shocked.

Me: Oh no! We got to get to our friends as fast as we can! Varie, Get Laney's anti-pranking supplies.

Varie: Right!

She hands me Laney's backpack.

Me: Lets go!

Me and Varie spread our wings and fly to the camp. *[Vanzilla arrives at Funny Farm and the family drops Luan off.]*

**Luan:** "Well, guys, this is it. I'm really gonna miss you, but-"

*[The rest of the family eagerly bid her farewell.]*

**Luan:** "Wait, wait! I changed my mind!"

**Luna:** *[horrified]* "PUNCH IT, DAD!"

*[Luan opens the door and her siblings scream in horror.]*

**Luan:** *[holds up pink shoes]* "I want the blue clown shoes, not the pink ones."

*[Her siblings sigh with relief]*

**Lynn:** *[gives her the blue shoes in a hurry]* "Here, take them all!"

**Leni:** *[gives her her own shoes in a panic]* "Take mine, too, just to be safe!"

*[Vanzilla drives off with the rest of the family cheering. Luan shrugs off and heads inside the camp.]*

---

*[Later that night, Vanzilla suddenly breaks down in the middle of the road.]*

**Lynn Sr.:** "Ah, dang it. Sorry, guys. Looks like Vanzilla just died on us."

**Lana:** "I'm on it, Dad!" *[checks under her seat and gets nothing.]* "Huh, that's weird. I thought I packed my toolbox."

**Lynn Sr.:** "It's okay, sweetie. We'll just get a tow in the morning. There's a motel right there."

BUTTZ MOTEL

**FREE WI-FI**

COLOR TV

AIR COND

**Lola:** *[scoffs at the motel's condition]* "Lola Loud does not stay in two-star motels!"

*[One of the stars on the signs breaks off.]*

**Rita:** *[smug]* "Well, there you go. Now it's a one-star, so you're good."

Laney: I don't care that it has 40 stars! As long as I'm not with Luan!

*[Lola pouts. The family is now in one of the rooms, all sleeping except Lana.]*

**Lana:** *[praying]* "And please watch over Cliff, Charles, Geo, and Walt, and Izzy, Hops, Bitey, Fangs, El Diablo-"

**Lori:** *[wakes up crankily]* "Lana!"

**Lana:** "But I didn't get to my ant colony yet."

**Lori:** "Good night!"

*[Lori goes back to sleep and Lana curls up and goes to sleep, too. Just then, a cricket starts chirping non-stop, waking Lincoln up.]*

**Lincoln:** "Seriously? That's not bothering anyone else?"

**Lynn:** *[in a hammock]* "Oh, my bad. Those gas station burritos always get me going."

**Lincoln:** "Not that, the cricket." *[starts walking across the room, stepping on his sisters sleeping in the spots along the way.]*

**Lisa:** "Ouch!"

**Luna:** "Seriously, dude?!"

**Lincoln:** "I'm sorry. I can't see anything. Let me just turn on a light." *[flips the switch only to somehow turn on the TV at full volume.]*

**Sisters and Parents:** *[wake up furiously]* "LINCOLN!"

**Lincoln:** "Sorry." *[frantically pulls the knob on the TV which somehow activates his parents' bed's vibrating setting.]*

**Lynn Sr.:** *[vibrating]* "Lincoln!" *[falls out of bed]* "Oh!"

**Lincoln:** "I'm sorry! I can't figure out how anything works in here!"

*[As Lincoln keeps trying to shut everything off, the alarm goes off and Lynn turn it off, and the coffee machine starts leaking.]*

**Rita:** "Lincoln, stop hitting switches! You're making things worse!" *[looks for the plug]* "Now, where is the dang plug for this thing?" *[gets hit by a following wall light]* "Ow!"

**Leni:** "I'll get some more towels to clean up that coffee!" *[runs to the bathroom and gets sprayed by a blast of water and screams.]*

Laney: I got it! [Walks over to the leak, but she slips on the coffee and falls down] Ow!

*[Suddenly, everything stops]*

**Lana:** "Well, that should do it. Whoever wired this place had no idea what they were doing." *[shows she wired everything properly]*

**Lincoln:** *[skeptical]* "I think they knew exactly what they were doing. Look what I found." *[holds up a synthetic cricket with a familiar logo.]* "This cricket is a fake! It's from Fanny's Prank Emporium!"

*[Everyone else gasps]*

**Lori:** "That's where Luan gets all her pranking supplies!"

**Lynn:** *[gasps]* "You don't think she's behind this, do you?"

Laney: [Nervous] No… No it can't be.

**Rita:** *[scoffs at the notion]* "She can't be. She's at camp. I'll call her right now." *[calls Luan]*

**Luan Voicemail:** " *Hello, family. I hope you're enjoying your stay. Buckle up. There's mo-telling what's gonna happen next.* " *[evil laugh]* " *Get it?* "

Laney: WE'RE ALL GONNA DIE!

[Everyone except Lynn Sr. screams]

Lincoln: Laney, why are you panicking? Don't you have your anti-prank equipment?

Laney: No! I left it at home because I thought I didn't have to worry about Luan anymore now that she's at camp. But she's not at camp! She's here! Pranking us! [Shakes Lincoln!] I'm not ready, man! I'M NOT READY!

---

Me and Varie arrived at the Buttz Motel and we see Vanzilla there and we hear the Loud's screaming.

Varie: We're too late. The pranks have begun.

Me: No they haven't. I sense that nobody got hit yet. Come on!

Me and Varie smash through the ceiling of the room the Loud's were staying in.

Me: Hey guys.

Lincoln: J.D., Varie? How did you guys find us?

Laney: We're saved!

Me: We found out what Luan was planning and we set out to save you.

Varie: This whole hotel is a very elaborate rues. It's part of her biggest April Fools Day Prank.

Me: She has someone on the inside of this whole scheme. She put a fake ad for a Funny Camp in one of Leni's Magazines and set up this whole hotel to become a pranking death trap. Isn't that right, Mr. Lynn?

Everyone looked at Lynn Sr. and he was sweating bullets.

Lynn Sr.: [Nervously] I… I have no idea what you're talking about.

Varie: Drop the act Mr. Lynn. We know what Luan was planning for this day.

Me: Me and Varie searched through Luan's things and discovered everything that shes planned. You were in on this whole thing. Ms. Rita, read this and you'll know.

I hand Rita Luan's notebook and she and the Loud siblings read it and they are shocked and turn to Lynn Sr.

Rita: Honey, is this true?

**Lynn Sr.:** "Okay, I admit it! I've been in on Luan's scheme the whole time. A few weeks ago, she came to me…" *[Flashback to Lynn Sr. driving in Vanzilla. He is whistling casually only to see Luan in his rear-view mirror sporting a malicious grin. He screams at the sight of her.] … and said she needed an inside man to pull off her biggest April Fool's ever. It was a very sophisticated operation. First, we planted a fake ad in one of Leni's magazines. Then we set up a fake clown camp. Now, that wasn't as easy. Do you have any idea how much it costs to buy land? We faked the van breaking down with a little help from one of Luna's fog machines. And, of course, Luan wasn't gonna miss seeing you all get pranked. The manager? That's her. She's been watching everything on the security cameras. " [All the events explained are shown with Lynn Sr. looking guiltily with the operation going by. When Luan checks the cameras, she takes off her disguise and laughs evilly. End flashback.]*

**Lincoln:** "Dad, how could you sell out your own family like that?"

**Lynn Sr.** "Luan promised me a prank-free decade! A DECADE, KIDS!"

Laney: And you believed her?

**Lincoln:** *[betrayed]* "I hope it was worth it."

Me: For shame Mr. Lynn.

**Lynn Sr.:** *[guilty]* "Oh, it was not worth it. I feel terrible! What kind of father am I? What kind of…" *[sobs]* "… husband?" *[starts crying in shame]*

**Lincoln:** *[consoling]* "It's okay, Dad. You're not the bad guy here. Luan is."

**Lynn Sr.:** "No, no, son. I'm just as guilty. I went along with her!"

Laney: That's because she tempted you. But that's okay, you still have a chance to stop all this.

Me, Varie, Rita and the Loud kids agreed.

Lynn Sr.: *[realizes]* "You're Right. Maybe it's not too late to redeem myself. What do you think of putting Operation: Team Up and Get Back at Luan for Causing Years of Emotional Damage and Also Think of a Shorter Name for This Operation into action?"

Me: I'm in and how about Operation: April Fools Retribution?

Lynn Sr.: That's perfect.

Varie: I'm in too

**Lincoln:** *[determined]* "I'm in!"

Laney: Me too!

Me: Here Laney. You'll need this.

I hand Laney her Anti-Pranking Supplies.

Laney: My Anti-Prank Supplies. You're a true friend J.D.

Me: I'd do anything for my friends.

Lori: I'm in too. I'm going to literally turn Luan into a human pretzel!

Leni: I'm totes in!

Luna: Save seconds for me dudes!

Lynn: I will pulverize her for this!

Lucy: The spirits will never forgive her for this.

Lana: I'll put raw sewage in her pants!

Lola: I'll give her an injury she will never heal from!

Lisa: Affirmative!

Lily: Poo-poo!

Rita: Lets get her!

Me: It's payback time! [Cracks knuckles]

---

[Back in the security room, Luan watches as her mother and father, siblings and best friends have now teamed up against her]

Luan: Drat! My friends and family have turned against me.

An explosion blasts a hole into the security room and in came Me, Varie, and the rest of Luan's Family and with angry faces on.

Me: It's over Luan.

Lori: You've tormented us long enough!

Varie: Welcome to the corner of pay and back.

Laney uses her plant powers and entangles Luan in vines and Varie fires a torrent of water that smells like rotten fish at her.

Lana threw mud globs at Luan and Lola sprayed Luan with dandelion perfume.

Luan: Gah! I'm allergic to dandelions! [sneezes uncontrollably]

Me: I didn't know Luan was allergic to Dandelions.

Lola: You figure some things out, J.D.

Varie: Lisa, did you make homemade Dandelion perfume for Lola?

Lisa: Affirmative.

A drop of glowing blue water from the sprinkler system lands on Lily's head and she glowed a neon aqua blue and was in a tornado made of pure water. Lily started to change. She became a beautiful little lady. She looked like she was 10-years-old and had lavender and black clothes. She landed on the floor.

Lily: Wha? What happened? [Gasp] I can talk!

Lily goes to a mirror and looks at herself.

Lily: I… I'm a kid like Lincoln. Whoa. I feel weird. Wait.

Lily then raises her hand and fires a blast of glowing blue water.

Lily: [Gasps] I have water powers like Varie!

Lily then went over to everyone and fired a huge jet of high pressure water

Me: [Gasp] Lily? Is that you?

Lily: It sure is J.D. I don't know how this happened, but I'm now almost at Lincoln's age.

Rita: Oh, Lynn. Our youngest is all grown up.

Varie: Lily, you look amazing.

Laney: Lily, you have become a beautiful young woman.

Me: I'll have to look this up when we get back home.

We stopped and Luan was completely drenched and she smelled horrible and was still sneezing.

Laney: Maybe now you learned your lesson about why your pranks hurt, Luan!

I then notice a calendar hanging on the wall and discover a strange surprise.

Me: Wait a minute.

I walk over and discover that it was June.

Me: It's not April, it's June. Luan duped us.

Rita: Luan, you're in trouble when we get home.

Me, Varie and the Loud's got in Vanzilla and drove back home.

We arrived back home and in the living room Lynn Sr., Rita and Luan's siblings looked at her with angry faces. She got 2 months of grounding.

Varie discovered that Luan changed all the calenders in the house to 2017's calendar's 6 months early and played everyone for fools.

I looked up the source of how Lily became this and I was surprised at what I discovered.

Me: Lily was blessed by the Glowing Water of Coventina, The Celtic Goddess of Water in Irish Mythology. Once every 50 years she bestows her powers of water onto a worthy soul descended from Ireland. It chooses babies mostly and they become 10-years-old because of it.

Lynn Sr.: Wow! That's amazing.

Lincoln: Yeah. Lily, this must truly be a huge change for you.

Lily: Yeah. It is. But I have alot to learn now that I'm a 10-year-old.

Me: We'll help you get through it, Lily.

Laney: Yeah.

Lisa: Biologically, you're still 15 months old. I have a theory that when you hit 10 years of age for real, you'll start aging normally again. But we'll do everything we can to help you.

Me: I agree.

Lily: Thank you guys.

It was March 31st and tomorrow was the most feared day in the Loud House: April 1st, A.K.A. April Fools Day; The Day where Luan tortures her family with deadly pranks that can land people in the hospital and she gets a good laugh from all of their pain.

[A Bus stops in the middle of a street and Lincoln comes out, wearing a coat, a hat, and a glasses with a fake mustache, he then hides behind a dumpster, then in a tree, (which he accidentally falls out of) then he rides a scooter to a local highway.]

**Lincoln** : [Makes a bird call] Ca-ca! Ca-ca! [Me, Varie, The Eds, Woody, Jessie and The Loud family sans Shannon and Luan appear out of our hiding places in our disguises]

**Lynn Sr.:** [slowly and with an affected deep voice] What animal does Mary have?

**Lincoln:** [also with an affected voice] A lamb with the fleece as white as snow.

[Everyone sans Lincoln, sighs in relief and they remove their disguises]

**Lynn Sr.** : Oh, good. It's really you, son. Are you sure Luan didn't follow you?

**Lincoln** : Definitely. I took 4 different buses. Plus, I've got Clyde doing some surveillance on her.

[At Sunset Canyon retirement home, Luan is entertaining the elders, with Clyde disguised an elder, monitoring Luan.]

**Lynn Sr.** : Great! Now let's get down to business. April Fools day is tomorrow, and we still don't have a plan to stop Luan from pranking our butts off! So, who's got an idea?

**Lori** : Oh, Bobby said we could hide in the basement of the bodega, we just have to watch out for the rat traps… and the asbestos. After we moved the Casagrande Apartment building here we had everything set up.

**Rita** : [unimpressed] You're really selling it, honey.

Me: Asbestos is poisonous insulation and it can destroy you.

Eddy: I had no idea that my girlfriend can cause all sorts of deadly pranks like this.

Varie: It's no pretty picnic Eddy.

**Lincoln** : There's an island off the southern tip of Guam. You can only get to it by submarine.

**Lynn** : [Imitates a buzzing sound] We don't have passports, Stinkin'!

Linka: Yeah.

Me: Guam is way too far away from here guys. Plus we have to worry about Typhoons in the Western Pacific Ocean.

**Lisa** : Pending some grant money, I could build a ship that could take us to Europa, one of Jupiter's moons.

Varie: That's way too risky.

Ed: Going to Europa would be cool.

Edd: I agree. I've always wanted to study Jupiter's Icy moon.

**Lana** : Or we can dig a system of tunnels under the house.

Woody: That would be really cool. I'm not much of a digger though.

**Leni** : Why don't we just ask Luan to stop, but like, REALLY nicely?

Jessie: It's not gonna work Leni.

Laney: Guys! You're missing the point! For far too long we let Luan make us her Pranking Targets! I'd say we prank her back!

Lori: Laney! You're literally forgetting the last time we did that. Luan just picked herself up after we grounded her and she vowed to get revenge.

Me: I remember that.

Laney: I know but maybe it will be different this time. I've been doing some planning since last year. [Holds up some blueprints] Okay, so the boxing gloves will go here, then the raccoons will burst out through the bathtub, then we…

**Lynn Sr.** : Laney, please. Nothing we do will ever stop Luan. Maybe it's hopeless!

Lily: No! It will never be hopeless as long as we work together!

[A movie producer appears]

**Producer** : Excuse me, do you folks mind? We're trying to shoot a movie here.

Me: Oh sorry sir.

[The family walk away]

**Lola** : Yeah guys! Outta the shot! [Lola poses] Okay, I'm ready for my close up!

**Producer** : Sorry, little girl, you need to get outta the shot, too. We're filming a dangerous stunt.

**Lola** : [Scoffs] Your loss!

[She walks away as well]

**Director** : And… ACTION!

[A man in a red suit and matching motorcycle come crashing through a boarded window on a high speed chase, and leaps over an area full of police cars with an explosion following suite. He crash lands to the ground.]

**Director** : CUT!

[The man recovers from the crash, and removes his helmet. His appearance is similar to Lynn Sr.'s.]

**Lynn** : Man, that guy can really take a beating!

**Leni** : He looks just like Dad!

**Lynn Sr.** : Too bad I can't just hire him to take all of Luan's pranks for me.

[Everyone stares at Lynn Sr.]

**Lynn Sr.** : I wasn't being serious.

Me: You know Mr. Lynn that's not a bad idea.

**Lincoln** : Yeah Dad, maybe that's the perfect plan! We hire a bunch of stunt doubles to take all the hits for us, and we get off pain free.

Varie: Yeah that's brilliant.

Laney: But Lincoln. What about our doubles? We don't really want them to suffer Luan's terrible pranks.

Lincoln: It'll be fine Laney. Besides, you haven't done a pretty good job stopping Luan. This plan is our only shot.

Me: Yeah. Lets do it.

[The family talks it over and agrees to the plan]

---

**Leni** : Wow, these doubles look just like us!

**Rita** : No, honey. Those are the doubles. [Points towards the actual stunt doubles]

**Leni** : Oh, well, they're good too.

Me: It's like looking at yourselves in the mirror.

**Lynn Sr.** : So, uh, what's this gonna cost me?

[Lynn Sr.'s stunt double hands him the bill]

**Lynn Sr.** : [Gasps] Is this in dollars?!

I look at the bill.

Me: That's considered small pocket change to me.

**Lincoln** : I don't understand. Why is my double old?

Linka: Mine too.

**Lynn Sr's stunt double** : You're 11 and you have white hair. I did the best I could.

**Lincoln's stunt double** : I came out of retirement for this gig. These days, I mostly just sit around reading in my underwear.

**Lincoln** : Never mind, he's perfect.

Varie: Got to give them an "A" for effort.

Jessie: Agreed.

**Lynn Sr.** : Okay, famo. Now that everyone's got a double, it's time to teach them how to look and act just like us. We gotta work fast! Luan gets home at 5, and if she finds the house empty… [Looks at his double] Are you picking up on this? I talk with my hands. Big hand talker right here.

* * *

[Later, the Loud Family are teaching the doubles what to do and how to act like them]

**Lana** : Really get that mud up in your face. Don't be afraid to eat a little.

**Lisa** : Now in addition to English, I speak Mandarin, Latin, Swedish, and West Cost Rap.

**Rita** : So, this is the novel I'm working on. In case Luan asks you about it, you probably read the whole thing tonight.

Laney: [Shows her double her paintings] Okay, so here's all my paintings. As you can tell I am a great artist.

Laney's Stunt Double: Well can't you tell me? Since I'm trying to be you and all.

Laney: Oh, well. Alright…

**Leni** : Okay, so let's see the walk.

[Leni's stunt double attempts to imitate Leni's walking motion]

**Leni** : Almost, but you forgot part of it.

[Leni walks and crashes into the wall; Leni's double repeats this]

**Lincoln** : First thing in the morning, I usually rush to the bathroom to beat the crowd.

**Lincoln's double** : Oh, same here! There're some pushy blue hairs at the senior center!

**Lincoln** : Then, before school, I'll sometimes stop for a Flipee. Watermelon Lime's my favorite.

**Lincoln's double** : It's my favorite flavor of gelatin!

---

**Lynn Sr.** : [Narrating] Okay gang, here's the plan, at Midnight, we sneak out of the house, and switch places with the doubles. They'll take it from there. J.D. Varie, Ed, Double D, Eddy, Woody and Jessie will be watching the house from the castle tower at the Knudson estate. [Rita and Lynn Sr. go to wake up the kids. When they go to wake up Luna, Lynn steps in to help.]

**Lynn** : I've got this! [Makes a paper airplane, and throws it at Luna.]

[The Louds sneak outside to switch places with the doubles]

**Lynn Sr.** : Good luck to you guys! Are you sure you're ready?

**Lynn Sr.'s double** : Don't worry about us, we're gonna be A-Okay.

* * *

[Morning. Inside the garage, the Louds peek out the garage, Lynn Sr. is making pancakes, Lily is sitting in on the floor, and Lisa is looking over a giant monitor.]

**Lisa:** "Family, gather 'round." [the family walks up to the monitor] "We can follow the action via the cameras I installed in everyone's room last year…" [the family look at Lisa with suspicion, and Lisa attempts to correct her blurt.] "Er… last night." [notices something] "Oh! We have movement in the twin's room!" [Lisa hits a button labeled "CAM 8", and the monitor shows Lana and Lola's stunt doubles about to leave the bedroom.]

**Lana and Lola:** "Here it comes!"

[Lana and Lola's stunt doubles exit the room, but mysteriously, nothing happens.]

**Lana:** "Huh. I thought for sure Luan was going to nail them with a bucket of grease."

**Lola:** "Or a sock full of quarters!"

**Lisa:** "Old Lincoln is on the move… slowly."

[Lisa switches the monitor to showcase Lincoln's room. Lincoln's stunt double sits up, cracking his back.]

**Lincoln:** Oh, man, I can't watch. What's happening? Did he get injured?"

[Lincoln's stunt double walks out of the room, and still, nothing happens.]

**Rita:** "Well, he did hurt his back, but it seems unrelated."

**Luna:** [suspicious] "What's the dealio? Why aren't they getting pranked?"

**Lucy:** "Any why are they leaving the house?"

Me: (On the Radio) Knudson Watchdog to Loud Birds, over.

Lynn Sr. picks up a walkie talkie.

Lynn Sr.: Loud Bird Sr. here, over.

Me: Something is not right. Your doubles aren't being pranked. I can see them going out of the house. Over.

[On the monitor, each one of the stunt doubles is seen leaving the house. Realizing something, the family gasps, and quickly rush to the garage door, and peek out the windows, seeing the doubles head off in different directions.]

**Lynn Sr.:** [peeved] "What the heck?! I paid good money for them to get their butts pranked off!"

[Rita has a sudden realization.]

**Rita:** "Wait a minute, I get it. Luan's prank was to not prank us at all."

**Lincoln:** What do you mean, Mom?"

**Rita:** Ha! She knew we'd go crazy trying to protect ourselves, so she just let us chase our tails."

**Lori:** "Oh, you're right. She is good."

[The family laughs, realizing the trouble they went through.]

**Lynn Sr.:** "Well, I may have burned through all our savings, but at least it's over!"

**Luan:** [off-screen] "Over? It's just getting started!" [the family turns around, and scream in horror when they see Luan on the monitor, looking on devilishly.] "You know, family, I had a whole different plan in mind for today, but I'll save that for next year, because once I saw the amazing doubles you guys found, I was inspired to do something even better. So stay tuned, because the rest of this day is going to be doubly special!" [laughs evilly.] "Get it? You don't now, but you will."

[The monitor shuts off.]

**Lucy:** [worried] "What is she talking about?"

**Lynn:** [panicking] Ah! Ah! Ah! We gotta stop her!" [she tries to open the door, but it won't budge.] "She welded the door shut!"

[Lincoln and Lana try the windows, but they too won't budge.]

**Lana:** "And the windows!"

**Lori:** "I'll try the garage door. Who's got the remote?"

**Leni:** [peeking out the garage window] "Oh, Luan does, she's outside!"

[The family rush to the garage door, and peek out the windows. They scream in horror upon seeing Luan with the garage remote. Luan, on her jester's chair, turns around, revealing to have Cliff on her lap.]

**Luan:** "Don't look at me, look at the monitors! I put cameras everywhere so you can enjoy the show. Ta-ta!" [Luan tries to roll away but she gets stuck] What the? [The Chair won't budge] Well this is embarrassing…

Laney's stunt double (?): So is this! [Throws a pie at Luan's face]

SPLAT!

Me: Whoa! We got some action guys.

Eddy: Laney's double nailed her good.

Varie: She sure did.

Ed: What is she gonna do?

Woody: Lets watch and see.

Lynn Sr.: What is Laney's Stunt Double doing?

Luan: You? But I thought I sent you to Joey's house! [Luan gets off her chair but she slips on a banana peel and down the garage road just as a truck full of trampolines passed by. She bounced off one and landed by the front door]

Varie: A truck full of Trampolines? That's unusual.

Jessie: Yeah.

Me: But it was convenient for her.

Luan: Grr! [Stands up] Listen you! The family may have paid you, but I gave you instructions to go over and humiliate Laney and…

A trap rope snags Luan's leg and pulls her inside the house. Edd switched to the monitors and we saw Luan getting hit by numerous pranks. Luan first crashed into the stove where she was mauled by raccoons, then a punching glove punched Luan into the basement and she landed in a bunch of pies. Then a rope pulled her back upstairs and into the living room where she got stuck on sticky flypaper. Then she was pulled upstairs where she got pelted with flour, garbage, rotten eggs and dust from the vacuum, and sprayed by a skunk. We all laughed as we witnessed this through our monitors as Luan was being pelted and pulverized by other pranks offscreen. She landed back on her chair completely bruised, gooped, tattered, skunked and shocked. Laney's Stunt Double (?) grabbed the remote and opened the Garage door. Me, Varie, Woody, Jessie and the Eds and the Louds came out and cheered.

Me: That was awesome!

Varie: Luan sure got a taste of her own medicine.

Lincoln: That was amazing! I can't believe that Laney's double is such a pranking genius.

Jessie: Me neither. She is awesome.

Lynn Sr.: How can we ever thank you stranger that looks like our daughter?

Laney's Stunt Double (?): No thanks needed dad.

Lynn Sr.: Uh okay. You can stop pretending now.

Laney: Who's pretending? [Laney wipes off the freckles revealing it was the real her. We all gasped]

Siblings: Laney? [Laney passed the tissue to her double and wipes off the paint revealing her freckles]

Lola: But how the heck did you pull it off? You were supposed to swap with your stunt double like the rest of us!

Me: That's what we're wondering too.

Laney: Simple… [Flashback to Last night; Voice over] Just as we all left with our stunt doubles in our places, I got a call from my double saying she overheard Luan's plans for April Fools. She was going to use our stunt doubles to humiliate us. And that wasn't a joke at all, more like incredibly cruel and horrible. [Cuts to Laney placing traps all over the house] That's when I got to work on my ultimate plan to prank Luan back a thousand fold… [Cuts to Laney shaking hands with her double and they walked away separately] And then I undid my switcheroo. [End Flashback] And I did it! I finally gave Luan a taste of her own medicine! [To Luan] How does it feel Luan? To be painfully messed with and humiliated for amusement? Not good huh?

We were amazed.

Me: (Amazed) Laney that was pure genius!

Varie: You beat Luan at her own game!

Edd: I agree. She used Reverse Psychology! [Pulls out a book on Reverse Psychology] We tried this before with the Kanker's. [Reads a verse] "In order to defeat your Enemy, you must become your enemy".

Laney: That's right.

Eddy: You sure showed her Laney.

Ed: That was cool!

Woody: That was impressive Lanes.

Me: You were as sly as a fox Laney.

Laney: Thanks.

Luan: I have to admit it Laney. You've really got into the pranking game. I didn't even know you had it in you.

Laney: Well I did. And what I did taught you a lesson. That your pranks are insane and harmful, even to your own family. And when you tried to humiliate my family, that was a step too far! I did this to you to show you how much your April Fools Day Rampages hurt each and everyone of us! To make sure that you never go this far to prank us ever again!

All: YEAH!

Me: That prank you were about to pull was not funny at all Luan. It was downright cruel and evil.

Woody: Yeah Luan.

Eddy: I can never stay mad at you for your bad pranks Luan but Laney sure got you good didn't she?

Luan: (Laughs) She sure did. Look guys, I'm sorry for all that I've done to you. I promise to tone it down next year.

Lily: Let me check something here.

Lily checked her phone and discovered another revelation.

Lily: Wait a minute. It's not April 1st. It's August. She duped us again.

Everyone checked their cell phones and saw that Lily was right.

Me: Just like last time with that hotel death trap.

Linka: But what about the rest of the doubles?

Laney: Oh I don't think you need to worry about them. I called them all and rerouted their destinations. They're now taking all of your places for the day. But hopefully you've learned your lesson Luan.

Lynn Sr.: I agree. You're in trouble young lady.

Rita: You're grounded for 2 months and no more pranks!

Luan: Aw man.

Me: Lets hope that you've learned your lesson Luan. That your pranks on April Fools are deadly.

Jessie: That's right.

Varie: Yeah.

Me: And don't even think about crossing your fingers behind your back.

I made the finger sign that said I'm watching you.

Me: But where's Shannon?

Luan: Oh I spared her from this because she's still recovering from her ordeal as a Black Daffodil.

Luna: That's very noble of you brah.

Luan: Thanks.

Me: But we're still watching you.

Woody: (Trademark Laugh)

FLASHBACKS END

When I was finished many of us were shocked but they were also cheering wildly for Laney for outsmarting Luan back then!

Laney: Never underestimate the smarts of Laney Loud.

Qin: That's for sure!

Aurora Aurelia: I heard all about that Laney! That was so awesome!

Laney: Thanks Aurora.

Nico: We defeated her in 2021.

Me: That was right after me and Zarya got back from the Ridonculous Race.

Qin: That was so much fun.

Lola: Yeah it sure was!

Luan: Yeah it was.

Me: But Nico you did really well leading the team while me and Zarya were away.

Nico: Thanks man. It was awesome.

Luan: Yeah that was awesome.

Larry Fine: I thought those sock puppets Nico made were funny. Just like Moe.

Moe: Yeah they were… (Realizes) Why you?

RIP!

He ripped out Larry's hair.

OUCH!

Thundercracker: Those sock puppets were a sign of Nico going crazy.

Me: He was missing me and Zarya.

Nico: Yeah I was anxious.

Qin: It's not your fault.

Varya then put some bowls out for us.

Varya Visnapuu: You guys are in for a treat.

She gave us really good chili! It was glowing neon red.

Nico: Oh boy!

Varya Visnapuu: This is mine and Nico's famous Devil Nova 50 Alarm Chili.

Me: Wow! It looks great Varya.

Nico: Yeah.

Me, Nico, Laney and Lincoln got to trying it and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Massive pillars of fire exploded out of us and it was incredibly hot! It was like we swallowed nuclear bombs! And when it faded we were really on fire and loving it!

Me: WOW! That is delicious Varya! You and Nico made awesome Chili.

Varya Visnapuu: Glad you like it J.D.

Nico: Damn, that's hot!

Varya Visnapuu: Just like old times right Nico?

Nico: It sure is. Wow.

Qin: (LAUGHS) So awesome.

Eli: Yeah it is! (Senses Something) Uh oh! We got company!

We saw a figure coming and it was a scary version of Dairanger Red! It was ANOTHER DAIRANGER RED!

Me: Another Dairanger Red! This is the last Another Ranger we have left.

Nico: Thank goodness for that.

Lola: Yeah!

Nico: Let's make this last Another Ranger battle the best one yet!

Me: You got that right!

Ryo: NO ONE IMPERSONATES ME!

Me: DARN TOOTIN! Okay buddy! Who are you!?

Another Dairanger Red: (In a girls voice) (Estonian Accent) You should know J.D.!

We gasped and then she revealed herself and it was LEENA KLAMMER!

Nico: Leena Klammer!

Me: Speak of the Devil and she will come!

Lola: YOU MONSTER!

Qin: YEAH! You have a lot of nerve showing up!

Me: But you have someone that is REALLY PISSED at you!

Varya Visnapuu walked up to her!

Varya Visnapuu: Leena Klammer!

Leena Klammer: Do I know you?

Varya Visnapuu: (Speaking in Estonian) Sa ei pruugi mind praegu ära tunda, aga ma pole unustanud kõike, mida sa minuga tegid! Minu nimi on Varya Visnapuu ja ma olen Visnapuu perekonna üksik ellujääja! Sa tapsid kogu mu pere! Täna möödus 7 aastat tagasi ja see oli päev, mis muutis mu elu põrguks! Sa tapsid kogu mu pere! Sa tapsid mu isa jahipüssiga, pussitasid mu ema kaela ja lõikasid tal pea maha! Sa põletasid kogu mu maja maani maha! Ma ei andesta sulle kunagi kõike, mida sa mulle tegid! Sa võtsid minult kõik! Ja ma maksan kätte! Sa tapsid kogu mu pere ja rikkusid kogu mu elu! Ma hoolitsen selle eest, et saaksite oma kuritegude tõttu 500 miljonit surma! (You may not recognize me now but I haven't forgotten everything that you did to me! It was 7 years ago today and it was a day that turned my life into a living hell! You killed my entire family! You killed my father with a shotgun, stabbed my mother in the neck and decapitated her! You burned my entire house to the ground! I will never forgive you for everything you did to me! You took everything from me! And I will have my revenge! You killed my entire family and you ruined my entire life! I will make sure that you suffer 500 million deaths for your crimes!)

Me: WHOA BOY!

Nico: In other words, you're going down! Now, I wished Lincoln was stressed out enough to give you the Black Gates!

Me: This time we will gladly do the honors!

Qin: Yeah!

Me: You will pay for everything you did! We should have killed you from the first time we busted you! Now we will gladly correct that mistake!

Eli: In my opinion, Hell is too good for you!

Qin: Yeah! It's time for you to die!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Varya Visnapuu: I am your angel of death Leena! (SPREADS HER WINGS OF FIRE)

Nico: Let's get it on!

LEENA ROARED IN INTENSE FURY AND TURNED BACK INTO ANOTHER DAIRANGER RED! She unsheathed a Dairanger Sword and it had fire swirling on the blade! The blade was imbued with the powers of Evil Nuova Shenron and Varya formed a sword of intense flames and she and Leena clashed and they were really going at each other as massive fiery explosions blasted off all over the place! It was turning into a warzone as they clashed!

BOOM! BOOM BOOM BOOM BOOM BOOOM!

Kouta: WHOA! This is turning into the battle me and you had Kaito!

Me: Boy I remember that! That was so epic!

Towering walls of flames and massive explosions blasted out of the area with intense heat!

Kaito Kumon: At least even in my bad moments, I still had my honor! Unlike her!

Qin: Yeah Leena has no heart, no soul, no conscience! She is pure evil incarnate!

They were really clashing and massive numbers of explosions were blasting off all over and turning the area around us into a raging inferno! We absorbed all the fire all over! Varya kicked her in the face and smashed her down and she got back up and Varya punched her in her face and stomach and numbers of explosions blasted off all over the place with incredible power!

KRABBBOOOOOMMM! KRABBBBOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMM!

Nico: Well, time to get in there!

Me: I agree! If they keep this up the whole park is gonna be torched!

We went in there and I slashed Another Dairanger Red on the back with my scythe and she had a nasty burning wound on her back!

Me: How does it feel Leena!? This is the pain your caused to so many innocent people!

I kicked her in the face and slashed her all over the place!

Nico: She's using a Legend Item!

She pulled out a scythe and it had LORD DRAKKON'S POWERS!

She fired Energy blasts at me and I deflected them back and they hit her!

Me: We actually had a feeling she would have Dairanger Weapons for the core, non-core and neo-core members!

Qin: Yeah!

Me: Try this on! WOLF MOON STYLE NINJA ART: WOLF PACK PROWL!

I fired waves of blue fire and it formed into a wolf pack and it hit Another Dairanger Red and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was still going!

Stella: This girl just won't quit!

But then a light appeared in front of her and she got an awesome KIVA GRAND ZI-O RIDEWATCH!

Stella: (GASP) My own Grand Zi-O Ridewatch! Now it's my turn!

She activated it!

Stella: HENSHIN!

She had the forms of the Kiva Kamen Riders all appear and they merged with her and she donned awesome black and yellow armor and had statues for all the Kiva forms and had awesome and incredible bat wings on her back! She was now KAMEN RIDER GRAND KIVA ZI-O!

Qin: WHOA!

Me: Stella!? WOW!

Woz: REJOICE! The ultimate Knightess of Vampires who reaches over the legends of horror from the great times of Halloween! Her name is Kiva Zi-O! Knightess of Kiva! We are now reaching a new page of history!

Qin: Wow! Stella you look amazing!

Stella: Yeah this is awesome!

Woz: Now, go, Lady Stella. And vanquish this fiend once and for all!

Stella: With pleasure!

She tapped the statue of Kiva and flew at Another Dairanger Red and kicked her with a devastating kick and knocked her down and then Varya fired waves of fire and burned Another Dairanger Red all over!

Stella and Varya really were ripping her apart! Stella tapped the Statue of Kiva Garuru and she slashed at Another Dairanger Red with the fury of the wolf!

Lola: WOW!

Nico: YEAH!

Zarya: That's showing her!

Nico: YEAH!

Me: TAKE THAT!

Varya Visnapuu: This is for my father!

She slashed at Another Dairanger Red and sparks flew out of her!

Varya Visnapuu: This is for my mother!

She kicked her in her face!

Varya Visnapuu: This is for all the pain you put me through!

KROW!

She smashed her right in her chest!

Varya Visnapuu: And this is for me! JUST FOR PISSING ME OFF!

She fired a powerful wave of fire and it skewered Leena all the way through her chest and the blast came out all the way through her and she screamed in pain as she had a massive hole blasted all the way through her and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it and Leena was bleeding profusely as blood poured out of her chest!

Qin: WHOA!

Varya Visnapuu: I don't have the power of the black gates like you do Nico. Can you do it for me?

Nico: Sure thing.

Nico painted a Kanji on Leena's head and used the Black Gates and the spirits found her guilty! She was fading away. But she couldn't even scream as she was fading because of the hole in her chest! She was dead before she even faded away completely. Leena Klammer, Estonia's most dangerous serial killer who spent her life posing as a child and killing numerous people, was gone and now is a forgotten memory!

Varya then pulled out a photo of her mom and dad and her.

Varya Visnapuu: We did it mom and dad. You can now finally rest in peace.

Tears streamed down her face as she kissed the photo.

Nico: You'll probably get the power of the Black Gates after today.

Varya Visnapuu: I'm sure I will. But my mom and dad can now rest.

Qin: They would be very proud of you Varya.

We picked up all of the weapons.

Luan: Good riddance to that monster.

Lola: Yeah!

Qin: Now we took care of all the Another Rangers.

Varie: We sure did.

We went back home.

---

Later at the estate as we were watching TV, there was a sudden and massive flash of white light and when it faded a few seconds later.

Me: WHOA! What was that?

Lola: No idea.

I looked on the computer and it showed on the scanner that Sunny Starscout's home town, Maritime Bay was now here on Earth and it was located on the southeastern edge of the city!

X-Squad Tomura: Guys, what's that?

Me: Sunny Starscout's home town, Maritime Bay is here!

Sunny Starscout: Our home!

Nico: Whoa!

Me: We better go check it out!

Nico: I was just about to say that. Lets go!

We went down to the surface and went to the southeastern edge of the city.

We got to Maritime Bay and we saw an amazing and beautiful city and it was also home to a magnificent lighthouse!

Me: Wow! So this is Maritime Bay.

Qin: It's beautiful.

Sunny Starscout: I missed this town so much.

Izzy Moonbow: Man is it great to be home!

Pipp Petals: It's great to see this place again.

Zipp Storm: Yeah I missed this place.

Hitch Trailblazer: Wow! I missed this place.

We walked around.

Sirius: Good to be home, huh?

Sunny Starscout: It sure is.

Twilight Sparkle: Wow! I've always wondered what your home town is like Sunny.

Sunny Starscout: It's a great home.

Me: Your home town is really nice Sunny.

Sunny Starscout: It sure is.

We saw Earth Ponies using magic and that was awesome! They were making flowers and fruit and vegetables with just magic from their hooves! That is awesome!

Me: Wow! Earth Ponies using magic? We never saw that before.

Princess Celestia: That is really amazing to see. Earth Ponies using magic has never been seen in Equestria before.

Me: Boy first time's for everything.

We then saw a pink earth pony with green hair appear.

Dahlia: Sunny! Wow!

Sunny Starscout: Dahlia!

They hugged.

Dahlia: I'm so glad you're okay! We were all so worried about you.

Sunny Starscout: I'm okay. I just joined up with a great team.

Me: Hello there.

Dahlia: (GASP) Wow! The legendary Team Loud Phoenix Storm!? Oh my gosh! Oh my gosh! Oh my gosh! Oh my gosh! Oh My gosh! It's such an honor to meet you all!

Me: Same to you Dahlia.

Dahlia: You guys are the great heroes of Equestria! You saved everypony from doom many times!

Me: We get that a lot. But Equestria's major enemies are soon going to return. We need all the help we can get to stop them soon.

Eli: Yeah.

Me: It's amazing how everyone is getting along great here.

Cybertron Ransack: Man, can't believe things went south in your world.

Dahlia: I know.

Me: Who in the world could be responsible for causing all this?

Princess Celestia: Hmm that's a good question.

We then went to the Crystal Brighthouse and it was a beautiful lighthouse emitting a rainbow energy beam that was giving all the ponies of Maritime Bay their magic.

Me: Wow! What a beautiful Lighthouse.

Sunny Starscout: It's home.

We went in and walked around and it was beautiful.

Me: Wow Sunny your home is beautiful.

Twilight Sparkle: It's like a lighthouse version of my castle. It's awesome.

Pinkie Pie: It sure is Amazing!

Rainbow Dash: You guys are really awesome having this.

Windcharger: You're not worried about anyone attacking this place?

Sunny Starscout: Not with you guys watching over everything.

Me: We appreciate that Sunny.

Nico: Besides now that Maritime Bay is here on Earth you all and all of Equestria are gonna be perfectly safe here.

Me: Yeah.

Qin: I have a feeling everyone will love it here.

Varie: Same here.

Lola: And it'll be awesome exploring more later on.

Nico: Cool.

We later went back to the estate.

* * *

Later I was looking through all of Tora's comic books for M.L.P. and while reading them I began to notice something unusual. I saw a mysterious shadowy unicorn figure causing trouble and distrust amongst the ponies. It didn't say much about her other than the fact that she HATES FRIENDSHIP BETWEEN ALL 3 tribes. Whoever this evil monster is will be stopped soon. But we'll worry about that another time.

Laserbeak: Sento's gonna be happy that we're using Fullbottles in the usual battles right now.

Me: He sure will be happy. And it'll be so awesome to see him again.

Nico: It sure will be awesome!

Maria: It's time for us to bring the pain to Evolt.

Qin: Yep.

Lola: We're not going to let him destroy our planet.

Nico: No we aren't!

Then Skulker, Mumbo Jumbo, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, MachineDramon, BlackWarGreymon, and Salami Swami appeared.

Skulker: Can me, Mumbo Jumbo, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, MachineDramon, BlackWarGreymon, and Salami Swami go with you guys?

Nico: Yes you all sure can. It's gonna be so awesome.

Golden Glider: It sure is. We saw the Battle in the Park. Are you guys all okay?

Qin: We are. It was Varya here getting justice for her family.

Patty: That was shocking that you guys battled Leena again.

Selma: Yeah but at least she's gone for good this time.

Me: Thank goodness.

Ravager: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. I'm hoping to do one for Senatine Jade Tree of the Light Civilization next.

Me: Wow! A Light Civilization monster next.

Qin: Thst's a first. It'll be interesting to see one of those.

Lola: Yeah!

Camie: It sure will. I have a feeling it'll be awesome.

Nico: Yep. Lets head out everyone!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Blaze, an enemy of Superman, Dr. Fate, and Captain Marvel and a dangerous fire demon, and she's here to cause havoc and destruction. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us today?

Lincoln: You got that right, Nico, and Clark, Kent, Billy, you three aren't going to like it one bit: the dark energy signal I sensed belongs to Blaze, a dangerous fire demon and someone you three have fought against separately in the past, and she's here to cause havoc and destruction.

The three heroes gasped in shock.

Dr. Fate: I never thought we'd ever see Blaze ever again.

Superman: Same here, Kent.

Captain Marvel: That fire demon just refuses to learn her lesson, huh?

Pohatu: Well, she's about to learn the hard way, and she's getting sent to The Black Gates for good. Lincoln, would you also like to help put her out for good?

Lincoln: Of course, Pohatu. If that fire demoness thinks she can get away with her crimes, she's got another thing coming.

Nico: Oh man, two days ago, we dealt with Surtur after we dealt with that maniac, Banno. Now, we have to deal with the fire demon, Blaze.

Me: Yep, and it looks like things are really going to heat up after we deal with Evolt.

Nico: You got that right, J.D. Alright, gang, let's go, it's time to meet the Build Kamen Riders, and we're going to destroy Evolt and this time for good.

Lincoln: Yeah, and that dream rescue I had where we destroyed him has more than prepared us for that monster, and you better be ready later on, Blaze, because we're extinguishing you for good and sending you straight to The Black Gates forever.

Sophia Nurenburg: And Evolt, you better be ready because I'm coming for you. I will make you pay for everything you've done to me, and I will make you suffer all of the torments and tortures of the Nine Circles of Hell!

We were off to Japan!

---

We arrived and we saw them fighting numerous Burn Smashes!

Golden Glider: There they are!

Massive fiery explosions were going off all over the place as they were fighting.

Nico: Whoa! What a warzone!

Selma: Horsea, why don't you show Sento your Seadra form?

Horsea: You got it!

She turned into Seadra!

We went at them!

Sento: You bozos are going down!

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and fireballs rained down and blew many of the Smashe's apart and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Sento: Zocks!

Then we came out and I blasted the rest of the Smashes apart!

Qin: Take that!

Sento: You all arrived just in time!

Seadra: Hiya Sento.

Sento: Horsea!? You evolved! Wow!

Kazumi: Um… can she turn back to normal form?

She glowed and reverted back to Horsea.

Horsea: Answer your question?

Kazumi: Wow!

Maria: That is awesome.

Pohatu: Glad we came guys.

Qin: We got a lot to tell you.

Me: Yeah. Lets head to the base.

Sento: Okay.

We walked on.

Sento: Before we discuss any further, can I do something real quick?

Maria: What's that?

Sento: (looks at the viewers) Hi. This is Sento Kiryu aka Kamen Rider Build. It's been several years since the defeat of Evolt. Only now, he's returned and somehow gained his Kamen Rider Evol form back. Which is weird considering he shouldn't have that anymore thanks to Maria and J.D.

Banjo: You know what else is weird? That you and I didn't even appear during the 20 Days of Darkness. I mean, instead, some of the Showa Riders appeared.

Sento: Well, of course, you weren't going to appear anyway since I'm the main star of all our adventures, musclehead.

Banjo: I told you not to call me that!

Kazumi: (to Gentoku) Should we remind them that Swartz, the big bad himself, is gonna be the target for tomorrow.

Gentoku: (sighs) They'll find that out later today. (to the viewers) For now, enjoy Loud House Revamped chapter 1837.

Nico: And I thought we were the only ones that like to break the 4th Wall.

Deadpool: Same with me! You guys know that right?

Me: Yes we do.

Snaptrap: We want to thank you guys for helping us out with Yost Black Cat.

Nico: That was so awesome.

Sento: Aw it was no problem.

Me: And we owe you guys big time for helping us take down Danzo.

Sento: That was awesome and your experiences with him helped us a lot J.D.

Me: That was so awesome. Lots of things I learned in 150,000 years.

Nico: Yep.

Sento: What did you do with him?

Me: Sent him to prison for eternity.

Sento: Good.

Maria: And we want to thank you guys for helping us take down Benjamin Montgomery.

Me: That was also so awesome.

Qin: Yeah it sure was.

Sento: That was so awesome.

Banjo: Yeah.

Nico: That was awesome.

Sunny Starscout: Want a couple of smoothies?

Me: Sure.

She gave us a bunch of smoothies and we got to drinking them.

Me: (Slurps) Ahh! So good.

Sento tried one and it was delicious.

Sento: (Slurps) Ahh! Man that is good!

Maria: (To Sawa) How'd you even get hypnotized by Benjamin anyway?

Sawa: I was trying to find a gift for Misora. But Benjamin used that to his advantage.

Nico: Wow that is awful.

Lola: Yeah it sure is.

Me: Yeah.

Banjo: Hey J.D. watch this!

He chugged the entire smoothie in one gulp really fast!

Me: Banjo!

He was finished.

Me: Uh oh!

But then…

Banjo: (GROANING) AAAAGGHH! BRAIN FREEZE!

Me: This is what happens when you drink it too fast! Man I hate it when that happens! One time I drank a huge milkshake too fast and I had a brain freeze so bad that I literally had my head turn into a block of ice.

Qin: Yikes!

Grizzly: Sento, is RabbitTank really your default form?

Sento: It sure is.

Me: I think all your build forms are really awesome. It's like a combination of W and OOO.

Sento: It sure is cool.

Me: I like the Magma form Banjo has. That one is awesome and hot!

Maria: That one was awesome.

Me: Hmm. I wonder. Sento would it be possible to incorporate our M.O.E. Fullbottles we got into your rider forms to add more powers and variety?

Sento: Sure. (grins) I'm just glad that Fullbottles are being used in the usual battles now. I'm amazing! I'm the best! I'm a genius.

Me: You ARE a genius. Even though it was my idea.

Hard Man: You know that you weren't the one who made all the Fullbottles, right?

Utsumi: Just let Sento have this moment. He IS the one who's been using the Fullbottles, after all.

Me: All of you guys have.

Gentoku: Check out my shirt.

It had a picture of Evolt ripped apart with blood splattered all over and it said in a skull "DEATH TO EVOLT."

Me: That's very fitting Gentoku and Evolt is our primary target.

Banjo: That brings us to why those Burn Smashes tried to kill us. We learned that Evolt is working with the remnants of Faust to bring back the Sky Wall.

We gasped!

Machinedramon: (sarcastically) Because that worked so well last time!

Nico: Not on OUR Watch.

Me: We got to stop that from happening. No way in hell are we letting history repeat itself.

Qin: Especially after all the hell you all went through.

Mara: Yeah what a monster Evolt is.

Me: But before we got after him, many of us don't know who Evolt is. They just joined up with us.

Sento: Oh right. I'm happy to tell you all about him.

He went over Evolt's history and it was NOT PRETTY!

---

**Evolt** is a mysterious entity who caused the Skywall Disaster and the primary antagonist of *Kamen Rider Build* . He initially appears as **Blood Stalk**, one of the leaders of the Faustorganization and a subordinate of Night Rogue, but is eventually revealed to be manipulating all sides of the Japanese Civil War towards his own goal of constructing the Pandora Tower and using it to wipe out all life on Earth.

In truth, he is a member of an enigmatic extraterrestrial clan known as the Blood Tribe who uses the Evol Driver to transform into **Kamen Rider Evol** and has devoured countless planets across the cosmos. He is also the one who annihilated the ancient civilization on Mars long ago using the power of the Pandora Box, though before he could devour Mars itself the Martian Queen Vernage sacrificed her own power to seal Evolt away in the Pandora Box, putting his interstellar rampage to a temporary stop.

After lying dormant on Mars for millions of years, Evolt split off some of his genes and sent them to Earth on an unmanned probe, where he corrupted the womb of Yuri Banjo to sire her unborn son Ryuga into his future host. Evolt later took over the body of astronaut **Soichi Isurugi** when he discovered the Pandora Box on Mars during Project Prominence and used him to trigger the Skywall Disaster that separated Japan into Touto, Hokuto and Seito. As Soichi Isurugi, Evolt co-founded the Faust organization with Touto government aide Gentoku Himuro and infamous physicist Takumi Katsuragi secretly in order to regain his former power, in the process gaining a Transteam Gun which allows him to transform into Blood Stalk.

Evolt eventually re-obtains and fixes his Evol-Driver, granting him the power to transform into Kamen Rider Evol once again. From there, Evolt completes the Evol Trigger and uses it to assume his Black Hole form, the form with which he used to annihilate Mars. Evolt then begins working to complete the Black Pandora Panel with the 10 Lost Fullbottles so he can absorb it to achieve his complete form, allowing him to move planet-to-planet via warp travel to consume them without having to expend a large amount of energy in order to ascend into godhood. With this power, Evolt intends to destroy everything in the galaxy and leave only himself to create a "new world".

In addition to serving as the main antagonist of *Build*, Evolt also serves as a background character in its summer film *Kamen Rider Build: Be The One*, where he is revealed to have received help from three other members of the Blood Tribe in instigating the Japanese Civil War. Following his apparent demise at the end of the series, Evolt returns in the Direct-To-DVD movie *Kamen Rider Build NEW WORLD: Cross-Z* as a reluctant ally, temporarily teaming up with Team Build to stop his psychotic older brother Killbus, who sought to destroy the entire universe. He also serves as the unseen overarching antagonist of *Kamen Rider Build NEW WORLD: Kamen Rider Grease*, having been behind the experiments done by Faust on the film's main antagonist Keiji Uraga, to extract the Zebra Lost Bottle in the Old World.

Evolt also appears as the main antagonist of the mobile strategy game *Kamen Rider City Wars*, having brainwashed the Foundation X researcher Mr. X in order to use him to attack the city.

He was voiced by Tetsuo Kanao, who previously voiced Bui in *Yu Yu Hakusho* and has provided the Japanese dub voice for several other villains, including Inspector Javert in the 1998 adaptation of *Les Misérables*, Vilos Cohaagen in the 2012 *Total Recall* remake, Tywin Lannister in *Game of Thrones*, Amigard in *Doubutsu Sentai Zyuohger* and Namakelder in *Happiness Charge Pretty Cure!* . As Soichi Isurugi, he was portrayed by Yasuyuki Maekawa. As Masakuni Mido, he was portrayed by Norimasa Fuke. In the Korean Dub, he is voiced by Eung-Sik Min. who also voiced Ryuk and All For One.

Hailing from Planet Blood, Evolt's older brother Killbus was the king of the Blood Tribe, a race of beings who devoured planets across the universe to increase their own power. His older brother's lust for destruction would eventually lead him to destroy their homeworld and send out the remaining members of the tribe to destroy other planets in the universe. However, before Killbus could finish destroying the planet, Evolt stole their planet's power source, the Pandora Box. Alongside three other members of the Tribe, Evolt roamed the galaxy annihilating countless worlds and consuming their energy to become more powerful.

In the ancient past, Evolt used Pandora Box to create the Pandora Tower and annihilate the civilization of Mars with a massive distortion. To prevent him from moving on to other planets, Vernage, the Queen of Mars, fragmented Evolt's spirit from his body and sealed his power away in the Pandora Box.

Millions of years after the destruction of Mars, a fragment of Evolt's essence travelled to Earth after a probe sent from there came to Mars. Once the probe returned to a building owned by Namba Heavy Industries Ltd., Evolt's essence entered the womb of a security guard for the probe, Yuri Banjou, and fused with her unborn son Ryuga. Ryuga was born a month later, containing the essence inside him though it did not influence his personality. At some point, Evolt had Ryuga's parents killed in order to spur his emotions and increase his Hazard Level.

10 years prior to the events of *Build*, Soichi Isurugi, an astronaut working with the Kiwami Project, discovered the Pandora Box while on an expedition to Mars. Soichi unwittingly released Evolt's consciousness and possessed by him. At the ceremony back on Earth, under Evolt's control, Isurugi applied his hand to the Pandora Box, causing the Sky Wall Disaster.

Evolt was later arrested and placed in a mental hospital, along with his host's daughter, Misora Isurugi, who was also exposed to the box and gained the ability to purify Fullbottles.

However, Evolt escaped about a month later and went to Shinobu Katsuragi to get him to invent the Lost Bottles and the Rider System. Searching for ideas for the 60 empty Fullbottles he had, Evolt probed Soichi's mind for the 30 Organic Fullbottles, with Soichi offering up things Misora liked such as animals. Evolt then asked Soichi for things that could destroy those 30 things to use for the 30 Inorganic Fullbottles, to which Soichi initially offered up tanks and other weapons, but later switched random things like comics to avoid bringing harm to the things that Misora liked.

7 years later, Soichi was appointed as a special consultant for the Pandora Box. He later approached Gentoku Himuro and Takumi Katsuragi, who were leading a cabal of scientists to conduct secret experiments with Nebula Gas. After neutralizing a Fang Smash created as a side effect of one of their experiments, Gentoku recognized Soichi as the astronaut who had caused the Skywall Disaster. Isurugi then informs Gentoku that he was sent by Namba Heavy Industries Ltd. to assist them in their research of the Pandora Box and offers that he become Gentoku's right-hand man, but Gentoku declines, not trusting Isurugi.

Evolt later kills Gentoku's best friend Koji Hotei and drops his dead body before him. Having grown resentful towards Hotei for being chosen by his father to be his successor as Prime Minister instead of him, Gentoku reacts gleefully to Hotei's death and accepts Soichi's offer to work with him, leading to them forming Faustalong with Takumi Katsuragi from the scientists they had gathered to conduct unsanctioned experiments on human test subjects. Secretly though, Evolt planned to use these experiments to restore his former power and obtain the ability of warp travel.

Evolt eventually convinced Soichi's daughter Misora to join Faust to purify the Fullbottles for them, lying to her and saying it was for a benevolent cause. When she eventually found out about Faust's intentions, she lost her will to continue working for them. "Soichi" then "saved" her and took her back to the cafe, where he convinced her to continue purifying the bottles for good.

Evolt later stole the Pandora Box panels from the Touto Institute of Advanced Matter Physics to ensure their confidence and plastered into one of nascita's basement walls. He also took along a Build Driver and some Fullbottles from Faust.

When Takumi Katsuragi attempted to quit Faust, Blood Stalk knocked him out and switched his clothes and face with Taro Satou, whom Stalk had previously killed by Stalk. Stalk then left Taro Satou in the alleyway and erased Takumi's memories before talking him back to Faust to experiment on him. On September 5, Isurugi brought the amnesiac Katsuragi to a small alleyway. After Takumi woke up, Soichi renamed him "Sento Kiryu" and guided him to become Kamen Rider Build so that, with Build fighting more monsters, Soichi would have reasons to have Misora purify more bottles.

Blood Stalk was first seen by Build when he showed up to take Masahiro Nabeshima after he was reverted from his form as the Mirage Smash by Build. He injected Sento in the back with poison that left him stunned and unable to do anything while Stalk retrieved the unconscious Nabeshima.

Later, Stalk showed up again as Build was fighting the Square Smash. Stalk stood up from the park bench he was sitting on and fired a Devil Steam from his Steam Rifle at the Square Smash, causing it to grow giant. After observing Build fight and defeat the Smash, Stalk leaves and returns to Faust's lair. Night Roguequestions Stalk as to why he did not kill Build, but Blood Stalk assures him that Build being left alive is all according to plan.

Stalk later informed Night Rogue that Build's Hazard Level was increasing. Rogue ponders what Stalk is planing, but Stalk simply states that he hungers for more strength and that Build must learn more about himself before proceeding to the next stage. When Sento and Ryuga infiltrate one of Faust's hideouts, Blood Stalk shoots one of their captive test subjects to prevent him from leaving and shouts at the others to be quiet. Ryuga attempts to attack Stalk, but Stalk grabs Ryuga and injects him with poison. As Sento runs over to Ryuga, Stalk reveals to Sento that he was injected with a large dosage of the Nebula gas, but did not transform into a Smash, and that it's the Nebula Gas within him that makes him able to transform into a Kamen Rider. Sento then transforms into Build RabbitTank and pummels Stalk, demanding to know whom injected him with the gas and erased his memory. Stalk simply laughs and tells Build he loses perspective when it comes to his lost memory before shooting him with his Transteam gun, knocking Build away and cancelling his transformation. Stalk then evacuates the lair and has his Faust Guardians take the human captives with them. Stalk was later called by Night Rogue and informs him Sento now knows of what took place in the lab. Rogue ponders how long they intend to let Sento run free, but Stalk tells him they will deal with Sento in time and that right now the next phase of their plan will be more interesting before tossing the phone away.

At one of Faust's hideouts, Blood Stalk tells Gentoku Himuro and Nariaki Utsumi that Sento plans to head to Hokuto and that it would disrupt their plan to utilize the Kamen Rider System as a military weapon if Sento got caught by the Hokuto government. Gentoku states he will go to the Skyroad to stop Sento and asks Stalk to accompany him. Stalk at first declines, so Gentoku turns into Night Rogue and attacks Stalk, prompting Stalk to agree to accompany Rogue.

Stalk initially watched from afar as Rogue and two Faust Guardians intercept a family from Hokuto to use as captives to lure out Sento. Transformed into Build RabbitTank, Sento fights Rogue while Ryuga deals with the Faust Guardians. Backed into a corner by Build, Rogue calls on to assist and stop Sento and Ryuga. Stalk inserts the Rocket bottle into his Steam Rifle and inserted and performs a Steam Attack in such a way that rebounds towards Rogue, distracting him and allowing Stalk to leave to go to Hokuto.

As Sento and Ryuga are talking to Kyoka Katsuragi, Blood Stalk attacks three of her students and uses his Steam Blade to turn one of them, a child named Takehiko, into an Ice Smash. Angered by Stalk's cruelty towards children, Sento transformed into Build NinninComic and attacked Stalk and the Ice Smash. Using Build NinninComic's 4Koma Ninpoutou's One Frame-Clone technique to split into two, Build fights Stalk while his clone brings the remaining two kids with Ryuga and Kyoka before fighting off the Ice Smash. After defeating the Smash and leaving Ryuga to extract the Smash element from Takehiko, the clone Build goes to assist the original Build. The two Builds fight Stalk until the clone disappeared, prompting Build to switch to his PandaGatling Trial Form. Stalk then combined his Steal Blade with his Transteam Gun to form the Steam Rifle before placing the Rocket bottle inside it to perform a Steam

Attack, knocking Build out of his transformation and the Gatling Fullbottle out of the Build Driver. As Stalk went to retrieve the Gatling bottle, Ryuga attempted to attack him but Stalk simply knocked him aside. However, Ryuga reached the Gatling bottle first and used it to fire blue fireballs at Stalk. Ryuga then charges at Stalk and steals the Rocket Fullbottle from his rifle to give to Sento. Transformed into RocketPanda Best Match, Build attacks Stalk and overpowers him with a Vortex Finish Rider slash. Amused by Build's increase in strength, Stalk decides to leave a parting gift to Build and Ryuga and reveals to them that Takumi Katsuragi is the true founder Faust and the original creator of the Smash before leaving the scene via typhoportation.

Returning to Faust's lair, Blood Stalk is met by Gentoku Himuro, irritated with Stalk over the mess he caused in Hokuto. However, Stalk tells his partner that they are close to obtaining what they have been searching for, the research data of Takumi Katsuragi, with which they can use to upgrade the Rider system to a new level. The next day, Stalk followed Sento and Ryuga as they discovered the location of Katsuragi's research data, an abandoned Namba Heavy Industries Ltd. Integrated Sciences Laboratory. As the two retrieve a flash drive from a buried container, Stalk reveals himself and, commenting that he had never thought Kyoka would hide her son's research in an abandoned building, knocks them aside and takes the flash drive. Sento then transforms into Build HawkGatling to fight Stalk, but Stalk receives backup when Night Rogue joins the fight and tells Stalk to let him deal with Build. While Night Rogue fights Build, Stalk attempts to exit but Ryuga attempts to attack him again. Ryuga attempts to punch Stalk but Stalk catches his fist and comments that his Hazard Level has risen to 2.4. Intrigued, Stalk decides to fight him for a while, tracking the rise in Ryuga's Hazard Level as they fight. After beating down Ryuga, Stalk hands him the driver and tells him he would like to see how Ryuga progresses before intervening in Rogue's battle with Build to give him and Ryuga a chance to escape. Pointing his Transteam Gun at Stalk, Night Rogue demands Stalk tell him what he is scheming, but Stalk tells him they do not need the driver, just the tools the data can create and that Sento and Ryuga can do it.

After discovering out Ryuga took Misora sightseeing outside nascita, Blood Stalk had Faust Guardians sent to their current location. He showed up as Ryuga was facing Night Rogue and Misora was passed out and told Rogue to not act behind his back. When Ryuga tried to flee with an unconscious Misora and fled, Night Rogue attempted to pursue him but was stopped by Stalk stopped him. Returning to Faust's lair, Stalk demanded Night Rogue to know why Rogue plotted behind his back. Rogue then informed Stalk that Faust's benefactor, Juzaburo Namba, president of Namba Heavy Industries Ltd. had asked to be given the Rider System and threatened to ally himself with either Hokuto or Seito if he did not receive it. As Rogue cancelled his transformation, Stalk asked Gentoku what he intended to do. Gentoku ultimately decided that they should steal the Pandora Box from the Touto Institute of Advanced Matter Physics in order to cause the three regions to declare war on each other.

The next day, Stalk and a squad of Faust Guardians waited in the garage level of the Touto Institute of Advanced Matter Physics. While Shingo Kuwata distracted Build, Eita Kawai disabled the security lock at the garage level, allowing Stalk and his Guardians to enter the Institute. Proceeding to the entrance floor, Stalk killed the four security officers stationed there by injecting them with a poison that disintegrated them. He then had Kawai trap the three Prime Ministers, Nariaki Utsumi, two security officers and the Pandora Box in an energy dome until he reached the floor where the box was located. Pursued by Touto Guardians and Touto Special forces, Stalk converted the Touto Guardians into Faust Guardians and went on his way. As he reached the eleventh floor, the dome dispersed, allowing Stalk to proceed toward the Pandora Box. He killed the two security officers with his poison before telling the Prime Minsters that he will be taking the Pandora Box. Prime Minister Yoshiko Tajimi of Hokuto attempted to defy Stalk, but Stalk caused her to back down by threatening her with his Transteam Gun before using it to destroy the security cameras.

Making his way to the roof with the Pandora Box, Stalk was approached from behind by Ryuga, disguised as a Touto Security officer. Praising Ryuga for his boldness, Stalk had his Faust Guardians engaged Ryuga, but Ryuga defeated all of them with the power of his Dragon Fullbottle. Intrigued by Ryuga's power, Stalk attempted to fight him until Kawai showed up and told Stalk to leave Ryuga to him. Obliging his request, Stalk used his Steam Blade to infuse Kawai with Devil Steam and turn him into a Press Smash Hazard and leaving Ryuga to fight the Smash. On the rooftop, Stalk was confronted by Gentoku, who told Stalk the roof was not in their escape route. Stalk told him he was lost, Gentoku was unconvinced and commented on how Stalk had shot out the security cameras to cover his tracks. Transforming into Night Rogue, he demanded Stalk hand over the box, but Stalk refused. Rogue then engaged Stalk until Ryuga showed up and interrupted their fight. Stalk asked him what had happened to the Smash, to which Ryuga informed him that he beat it but could not extract the Smash element without an empty Bottle, surprising Rogue and impressing Stalk.

Ryuga then attacked Stalk, but was swiftly defeated due to the injuries he sustained from his previous fight with the Press Smash Hazard. Build HawkGatling then arrives to help him, prompting Rogue to assist Stalk against them. While Rogue fought Build, Stalk battled Ryuga. Stalk soon discovered that Ryuga's Hazard Level has risen to 3.0, and commended him for finally awakening his full power, though it still was not enough to beat him. As Stalk overpowered Ryuga, Build FireHedgehog ceased fighting Rogue and attacked Stalk. Rogue then used the opportunity to sneak-attack Build, giving Stalk the chance to insert his Cobra Fullbottle into his Steam Rifle and fire a Steam Shot at both Rogue and Build, knocking Rogue to a wall and cancelling Build's transformation as well as causing him to drop the majority of his Fullbottle collection. Stalk takes the Pandora Box and leaves.

Returning to the ground floor, Stalk finds the Press Smash Hazard and defeats it and extracts the Smash element from it, reverting it back to Kawai. As Stalk left, Kawai questioned Stalk if he was Takumi Katsuragi, suggesting that the Devil's Scientist had faked his death, but Stalk denies his claims. Kawai refused to believe him and stated that Katsuragi could have used modern technology to transfigure a corpse. Stalk then approached Kawai and demonstrated his ability to do so, painfully molding Kawai's face into Kuwata's. As Sento rushed to an unconscious Kawai, Stalk fused with a Faust Guardian Union State and fled. Pursued by Build RabbitTank, Stalk shot at Build to get him off his trail. However, Build managed to destroy one of the Union State's legs before finishing it off with the Machine Builder's axle saw, forcing Stalk out of the Union State.

Having overheard Stalk's conversation with Kawai, Sento questioned Stalk as to why he faked his death, framed Ryuga and injected Sento with the Nebula gas, but Stalk asked Sento if that's what he should really be asking. Sento then asked him why he created Faust, the Smash, and if the Rider System was a tool to protect the innocent. Stalk replied by knocking Sento down and telling him the Rider System was a military weapon for bloodshed, telling him science leads to destruction. Refusing to believe Stalk's claims, Sento states that if used properly, science can bring people happiness. Night Rogue then appears and knocks Sento out from behind. Having his Faust Guardians circle them and point their rifles at Stalk, Rogue questions Stalk about where he intended to take the Pandora Box. Stalk tells him that he was going to take it to their lair, offering Rogue the box. Taking the box, Rogue grabs Stalk to threaten him to not try a stunt like that again, before stealing the Rabbit, Tank and Lion bottle from an unconscious Sento. As Sento returned to consciousness, he grabbed Rogue's leg, demanded he return his bottles, but Rogue just kicks him in the face before walking away laughing.

Because Gentoku refused to reveal the location of the Pandora Box due to Stalk's treachery, Stalk began searching for the box on his own, eventually tracking it to the Namba Heavy Industries Integrated Science Laboratory where he came across both Sento and Ryuga and Night Rogue. Stalk skirmished with all three of them before teleporting away with the Box.

After Gentoku disbanded Faust to cover his tracks, he discovered that Juzaburo Namba had dropped Gentoku as a partner and instead partnered up with Blood Stalk.

His identity as Soichi Isurugi was eventually discovered by Sento from Masahiro Nabeshima after he remembered who had approached him. Sento confronted Isurugi about this but Isurugi pointed out that Nabeshima could be lying. Sento thus came up with a secret plan to confirm Nabeshima's claim by having Misora purify the Octopus bottle in secret without Soichi knowing, which revealed that the reason Stalk was always aware of what Sento was doing was because Soichi knew about it. Isurugi appraised Sento for his plan, but Sento then demanded to Isurugi to hear from his own words that he is Blood Stalk. However, Isurugi simply fled out of nascita with Sento in pursuit.

Sento soon caught up to Isurugi and demanded to know what he was planning, why he had allowed Sento to become Kamen Rider Build and fight the Smash even though he was a part of Faust, but Isurugi simply told him it was all part of his plan. He then pulled out his Transteam Gun and Cobra Fullbottle and transformed into Blood Stalk to engage Sento, who transformed into Build OctopusLight. Stalk succeeded in beating Build down and knocking him out of his transformation, allowing him to obtain the Octopus and Light Fullbottles. Now in possession of the Pandora Box, the green Pandora Panels and the Touto bottles, Stalk bids farewell to Sento and leaves the scene. The next day, Isurugi gave the Box, green Pandora Panels and twenty Touto Fullbottles to Juzaburo Namba. However, after Namba placed the Rabbit bottle in one of the green panels, the two discovered that Fullbottles they had were fakes and that Sento had swapped them for the real ones. Wanting to settle things before he brought his plan to its next stage, Stalk called Sento and arranged with him to meet in the alleyway where Isurugi had first found Sento.

As it rained, Sento came across Soichi in the alleyway with the Pandora Box. Sento asked Isurugi if the time they had spent together was all a lie, to which Soichi replied that not all of it was a lie and it had made him feel somewhat bad for deceiving Sento. Sento then sets down the umbrella he was using to shield himself from the rain and inserts the Rabbit and Tank Bottles into the Build Driver to transform into Kamen Rider Build, while Soichi draws out his Transteam Gun and inserts the Cobra Fullbottle into it to transform into Blood Stalk. The two engage each other in a fight that leads to an abandoned construction warehouse. However, recalling his memories with Soichi, Sento stops giving Stalk an opportunity to beat him down and force him out of his transformation. Sento confesses that he ca not kill Stalk but Stalk coldly tells him that the battle is over and points his Transteam Gun at Sento. However, Ryuga then arrives and knocks the gun out of his hand with his Beat

Closer.

Transforming into Kamen Rider Cross-Z, Ryuga brutally assaults Stalk, angry at how he manipulated Sento and Misora. Retrieving his Transteam Gun, Stalk inserts the Cobra Fullbottle into it to perform a Steam Break shot that knocks Cross-Z back and cancels his transformation. As Sento rushes to Ryuga, Stalk mocks him for not finding it strange that he was the one who rescued Misora and that he was the one who asked him to become Kamen Rider Build to fight the Smash, revealing that it was all part of his scheme to give Misora a hero to motivate her to purify Fullbottles again. Stalk mocks Sento and Ryuga as being puppets but Sento tells him that he and Ryuga are not puppets because they still fight to protect people. Sento then reveals his newest creation, the RabbitTank Sparkling Bottle, which he uses to transform into Kamen Rider Build RabbitTank Sparkling. Build RabbitTank Sparkling then overpowers Blood Stalk and finishes him off with a Sparkling Finish Rider Kick, sending Stalk flying. His transformation cancelled, Soichi appraises Sento and reveals to him and Ryuga that Gentoku is Night Rogue. He tells them that he will allow them to keep the Green Panels and the Pandora Box, as he can take them back at any time, before bidding them farewell and leaving.

Watching from the shadows, Stalk as Soichi observed Sento and Ryuga when they approached Gentoku as part of a plan to expose his identity as Night Rogue, the leader of Faust. After Ryuga's temper ruined their plan and the two left, "Soichi" approached Gentoku and convinced him to set up a trap for Sento and Ryuga to bring the Pandora Box to the hospital where Taizan was. After having his father contact Sento, Gentoku informed Stalk that the Riders had fallen into their trap.

While Sento and Ryuga took the bait, Stalk as Soichi snuck into nascita and copied the schematics for the Sclash Driver on a USB drive. Before he could leave though he ran into Misora, who demanded to know where he had been. "Soichi" told her that he had been cultivating his own coffee beans, a lie Misora seemed to buy into. Before leaving, "Soichi" told Misora that because he was going even more busy from now on, he would have no time for him to see her and asked her to say "hi" to Sento and Ryuga for him.

After Build and Cross-Z escaped with the Pandora Box, Gentoku confronted Stalk in the Touto government office. Gentoku demanded to know why he was not at the hospital during the trap, but Stalk simply presented him the coffee beans and said he had important business. Angered by Stalk's defiance, Gentoku throws Stalk's beans to the ground before grabbing Stalk by Soichi's jacket and demanding to know if he had been deceiving him. Acting shocked, Stalk told Gentoku to let go of his jacket, as it was his favorite, and assures him not to worry. Stalk then reveals Sento's true origins to Gentoku.

Following Gentoku's apparent dismantling of the organization, Blood Stalk moved Faust to Hokuto and was employed by their government to develop new weapons for them to use in their invasion of Touto. Thus, Stalk and Faust provided them with the resources they needed to engineer Smash and the schematics for the Sclash Driver, allowing them to to create Kamen Riders. With former farm owner Kazumi Sawatari as their test subject, Blood Stalk and Faust used him to create Kamen Rider Grease. They also developed a new form of Smash called Hard Smash, who were capable of retaining their consciousness in their Smash transformation. Stalk and Faust turned three farm workers of Kazumi's into Hard Smash, and they would come to be known as the Hokuto Three Crows.

Stalk later switched over to working with Seito when they invaded and conquered Hokuto with backing from Namba Heavy Industries Ltd. When a now banished Gentoku Himuro was chained up in a Namba Industries compound after arriving in Seito and demanding to be made a Kamen Rider, Stalk approached him and offered to make him into a Kamen Rider. While they already had a candidate for the Kamen Rider of Seito, the candidate was unable to transform using the Sclash Driver and Stalk admitted to Utsumi that Gentoku had one thing their current candidate did not: a drive to become more powerful.

After him and Utsumi discovered Gentoku had murdered their top candidate, Stalk gleefully informed Gentoku that he was now their top candidate for Kamen Rider and began putting him through rigorous training to raise his Hazard Level to the point where he could use the Sclash Driver. Said training involved having Gentoku be beaten down by Guardians until he transformed into a Kamen Rider and fought them off. Once Gentoku had successfully transformed into a Kamen Rider, Stalk and Namba deployed him in the war against Touto as the Kamen Rider of Seito.

After Seito lost a proxy battle with Touto and thus had to relinquish the Fullbottles and Pandora Box as per their agreement, Blood Stalk was summoned by Namba to kill Seito's Prime Minister Masakuni Mido and swap their faces so Namba could take control of Seito.

Stalk later kidnapped Touto Prime Minister Taizan Himuro and attempted to get Sento and Ryuga to hand over the Evol Driver so he could regain his long lost power. The two were ready to deliver the Driver to Stalk, but chose not to and fought off Stalk with assistance from Kamen Rider Rogue. After being soundly defeated by the Riders, Stalk attempted to retreat but was chased down and knocked out of his transformation by Rogue. However, thanks to the actions of Nariaki Utsumi, Evolt managed to gain the Evol Driver and transform into Kamen Rider Evol. Overpowering Rogue, Evol prepared to finish Gentoku off but his attack was blocked by Gentoku's father Taizan.

Eventually, Evol possesses Ryuga and obtains all of the panels of the Pandora Box and uses them to assemble it and use it to create the Pandora Tower to destroy Earth. Horrified, Juzaburo Namba sends Nariaki Utsumi out to go stop him, but Evol simply shoots him away with the Nebulasteam Gun. He then laughs as the Pandora Tower is completed, declaring that "Earth is finished".

Evol then uses the Pandora Box to create the Evol Trigger, the device that allowed him to destroy Mars, but discovers that the body of Ryuga is not strong enough to use it. He is then ambushed by Vernage possessing Misora, who knocks him against a wall before teleporting away with Sento and the Pandora Box. She then explains to Sento, Kazumi and Gentoku who Evolt is and how he annihilated all life on Mars.

Back at Seito's capital, Evol claims to Namba and Utsumi that he created the Pandora Tower to showcase Namba's power to the world. Though unnerved, Namba goes along with Evol's explanation. Evol is later seen in Ryuga's body leading a Seito on Touto before Build steps in to fight him. Transforming into Evol Dragon, Evol and Build fight, and Evol reveals to Build that the whole point of Project Build was to create someone strong enough to harness the energy of the Evol Trigger. Discovering that Build has raised his power to superhuman levels, Evol abandons Ryuga as a host and tries to possess Sento, but Sento reveals this was his plan all along and attempts to kill both Evol and himself by rapidly raising his Hazard Level until he overclocks. However, Sento's plan fails and Evol succeeds in claiming Sento as a host, much to Ryuga's horror when he wakes up.

Ryuga attempts to transform into Kamen Rider Cross-Z to fight Evol Rabbit, but Evol reveals that he removed all of his alien DNA from Ryuga's body when he exited it and that without it, he cannot transform into a Kamen Rider. Kamen Rider Grease then tries to attack Evol, but Evol effortlessly beats him down and cancels his transformation before leaving. Meeting with Namba, Evol reveals his true origins to the war profiteer, but claims he only wants to regain his former power.

Evolt later arranges a meeting with Ryuga Banjou and Kazumi Sawatari, promising to return Sento to them if they hand over the Pandora Box. At the meeting spot, Evolt notices that he is being accompanied by Engine Bro's and Remocon Bro's, who were sent by Namba to keep an eye on him. After Ryuga and Kazumi arrive, Evolt reveals that he has no intention of letting Sento go, as revenge for him impeding the progress of his plans. He leaves the two to be fought by the two Kaisers, not considering them worthy of being taken care of by himself, though he does interfere in the battle when Grease starts to gain the upper hand.

However, after Kamen Rider Rogue appears and defeats Remocon Bro's and Engine Bro's, Evolt decides to enter the battle himself. Transforming into Evol Cobra, Evol engages Rogue and manages to overpower him after switching to Evol Rabbit. During the battle, unknown to Evol, Ryuga managed to snatch the Dragon Fullbottle off of Evol's belt. He then attacks Evol un-transformed and somehow manages to inflict damage upon him. Shocked, Evol questions how he is able to do that without his DNA inside of him. Ryuga then uses the Dragon Fullbottle to transform into Cross-Z and then Cross-Z Magma before engaging Evol alongside Kamen Riders Grease and Rogue. The three combine their energies for a final attack against the Kamen Rider, but Evol manages to absorb their energies and use them to transform into his final form, Evol Black Hole, setting Sento free in the process.

Assuming his true form, Evol congratulates the Kamen Riders on helping him re-achieve his true powers, declaring that nothing can stop him now. The three Kamen Riders then attack Evol but he effortlessly fights them all off, forcing them to retreat back to nascita.

Taking the form of Soichi Isurugi, Evolt approaches Namba and declares that he will supplant Namba Heavy Industries as Seito's ruler, though offers to let him keep his spot as Prime Minister. Namba refuses, but Evolt decides to give him a day to think it over. He later approaches Nariaki Utsumi and proposes that he come work for him, complimenting his skills as a scientist. He then reveals to Utsumi a second Evol Driver.

The next day, Evolt is approached by Nariaki Utsumi, Remocon and Engine Bro's and a squad of Hard Guardians. Utsumi pulls out a tablet and from it, Namba declares his refusal to go along with Evolt's plans. Unfazed, Evolt assumes his form as Black Hole and teleports everyone present to a barren battlefield for them to fight at. The Hard Guardians all charge at Evol, but the alien destroys them all at once with only a fraction of his power. The Washio brothers then try attacking Evol, but they fair little better and are easily beaten down. However, backup soon arrives in the form of Kamen Riders Build, Cross-Z, Grease and Rogue, who all attempt to take on Evol again. Despite the best efforts of the Riders and Kaisers, Evol proves too powerful for them and eventually announces his intention to finish things, using his Black Hole finisher to kill Rai Washio.

Using his brother's Fullbottle to assume Hell Bro's, Fu Washio charges at Evol in a fierce attack to take him down, which fails. Before he can be killed however he is saved by Cross-Z Magma, who attempts to fight off Evol to little success. Forcing Ryuga out of his transformation, Evol prepares to finish him off, but Ryuga is pushed out of the way at the last second by Hell Bro's, who absorbs the attack instead. Forced out of his transformation by the attack, Fu

Washio also dies, but not before proclaiming how nice it was to fight for someone else's sake.

Evol then opens a portal to Juzaburo Namba's office and goes to kill him. Namba pleads for Evol to spare his life, offering up his company to him if he lets him live. Amused by Namba's cowardice, Evol declares that he loves how disgusting humans are and gives Namba a hug, only for him to kill Namba right afterword by causing him to disintegrate.

Evol then returns to the battlefield and restates his offer to Nariaki Utsumi, tossing him Namba's cane. Believing that since Namba is dead now nothing matters, Utsumi accepts Evol's offer, causing Evol to laugh and declare that he does not even want to destroy Earth anymore. Evol tosses Utsumi the second Evol Driver and Utsumi uses it to transform into a Kamen Rider, with Evol declaring him to be "Kamen Rider Mad Rogue".

Back at the Pandora Tower, Evol informs Utsumi that he will be assuming the identity of Masakuni Mido now that Namba's dead and that they will be seizing control of Touto and reuniting Japan, stating that it will make things easier in the long run. Utsumi then asks Evol what he intends to do about the Kamen Riders, to which Evol replies that he intends to still keep on using them to further his goals, instructing Utsumi to bring them to him alive. Admiring his Evol Driver, Utsumi inquires to Evol where the second one came from, as he had previously believed their to only be one, but Evol coldly warns him to keep his questions to himself.

After Mad Rogue was defeated by Build Genius Form, Evolt arrived and noted he was previously unaware of the existence of the Genius Bottle before punching Kazumi, stealing the Hokuto Three Crows' Lost Bottles from him and teleporting away with Mad Rogue. Back at Faust's lab, Evolt reveals to Utsumi that he intends to use the Lost Bottles to turn humanity into the final form of Smash, Lost Smash, and have rampage and destroy each other. Utsumi then asks if this is why Evolt left the Kamen Riders alive, to which Evolt confirms his suspicions, commenting that he thinks they would make good Lost Smash.

Later, after Mad Rogue and Owl Lost Smash were defeated by

Kamen Rider Build Genius Form and Grease, Kamen Rider Evol showed up in his Cobra Form to claim Kiba's Lost Bottle, stating that he intends to use it to create a new world. Evol then attacks and fights Build. After getting beat back by Build, Evol attempts to shift to his Black Hole form, but is stopped by Build, who proceeds to knock Evol out of his transformation. Complimenting Sento on the Genius Fullbottle, Evolt flees the scene to go back to Faust's base.

After Sento arranges a meeting with Shimizu Kyouichi, the first Strong Smash, Evol has Shimizu turn into a Lost Smash and attack Sento. After Build reverts him back to his original state with his Genius Form, Evol shows up as Black Hole Evol and kills Shimizu to keep him from providing Sento with any information, mocking Sento for being unable to save him. Evol Black Hole and Build Genius Form then fight, with Build managing to overpower Evol and beat him down with his Genius Finish. Proclaiming that he now understands the human emotion of anger, Evol fiercely attacks Build but is unable to do anything to his Genius Form. Evol then decides to just take the Fullbottles that he has recovered and leave to go back to Faust's lab base.

Back at the base, Evolt converses with Shinobu Katsuragi, who notes that Evolt was acting more emotional than he usually does in his fight with Build. Evolt then informs Shinobu that they will have to speed up their timetable for their plans. As Shinobu completes another Lost Bottle, Evolt comments that they only have four more Bottles to go before they can "create a new world". Shinobu then asks Evolt why he killed Shimizu, as he was the last candidate they had to become a Lost Smash, to which Evolt informs him that Shimizu was spilling too much about their plans, and that they can use the Kamen Riders to create Lost Smash. Utsumi then walks in and Evolt tells him to speed up the production of Lost Smash before remarking that he has "a nation to unite".

Evolt appears as the main antagonist of the Hyper Battle DVD special. As Kamen Rider Evol, Evolt and two Hard Guardians mount an attack on Touto while Gentoku Himuro and Misora Isurugi are out shopping for clothes. Sento becomes Kamen Rider Build RabbitRabbit to fend him off, destroying the two Hard Guardians before facing off against Evol. But before he can use the Genius

Fullbottle to transform into Kamen Rider Build, Evol grabs it and pulls a cloth over it, allowing him to swap it out for a regular metal can. Without the Genius Bottle, Build is able to do little against Evol who overpowers him and knocks him out of transformation. With Sento too injured to do anything, Misora grabs the Build Driver and attempts to use it but before she can do so Gentoku takes it from her and places it on himself. Inserting the Prime Rogue Fullbottle into it, Gentoku transforms into Kamen Rider Prime Rogue to match up to Kamen Rider Evol. Though beating back Evol at first, Evol manages to gain the upper hand and overpower Prime Rogue until Rogue is spurred on to continue fighting by the encouragement of a child he met earlier. Rogue and Evol then charge at each other and use their finishers, with Rogue overpowering Evol and knocking him to the ground with his Prime Scrap Finish. Beaten back, Evol says "Ciao" to the Riders before exiting.

Black Hole Evol then leads an attack on the Touto government office along with Kamen Rider Mad Rogue. While Mad Rogue and a pair of Hard Guardians fought Kamen Riders Cross-Z Magma and Grease, Evol faced off against Sento and Gentoku. Sento angrily asked Evol where his father was, but Evol pretended not to know. After fighting off Build Genius Form and Kamen Rider Rogue, Evol generated a black hole and used it to annihilate the Touto government office before departing along with Mad Rogue.

As Seito occupied Touto's territories, Evolt disguised himself as Masakuni Mido and gave a speech that was broadcasted across Touto, Hokuto and Seito, where he declared that he would unite the three territories and build a new Japan. After his speech is finished, Evolt tells Utsumi to procure the Kamen Riders so they can create Lost Smash from them. However, Utsumi points out that mass-producing Lost Smash and having them attack people would trigger the downfall of the nation and questions Evolt as to what he really wants, but Evolt tells Utsumi not to ask anymore questions about stuff that he is not ready to know yet if he values his life.

After Utsumi was defeated by Kamen Riders Build Genius Form and Rogue, Evolt showed up along with Shinobu Katsuragi and revealed to the Riders that Shinobu had manipulated Sento and Ryuga into becoming Kamen Riders. Evolt then teleported away through a black hole with Utsumi, leaving Shinobu to fight the Riders.

Evolt later kidnapped Misora Isurugi so Shinobu could turn her into the CD Lost Smash by subjecting her to a high level of Nebula Gas. The CD Lost Smash was then released to fight Kamen Rider Build by Shinobu.

After Shinobu returned to Faust's base in Hokuto after being beaten by Build Genius Form and Cross-Z Magma, Evolt commented on how that was the first time he was wrong, to which Shinobu admits that he overestimated them. The two are then alerted by Nariaki Utsumi that Gentoku and Kazumi are attempting to infiltrate their base, to which Evolt states that "there's more fun to be had".

After Gentoku and Kazumi escape with help from Build and Cross-Z Magma, Evolt notes to Shinobu that he let them get away again, to which Shinobu replies by commenting on how strong they are. Later, Evolt calls Sento and tells him to hand over the Lost Bottle he retrieved from the CD Lost Smash, threatening to harm his family and friends if he refused.

Sento then goes to meet Black Hole Evol, but refuses to hand over the Lost Bottle. Ryuga, Kazumi and Gentoku then arrive to back up Sento, having tracked his position using a transmitter. The four then transform into their Kamen Rider forms and engage Black Hole Evol. Evol at first easily beats them down, but the Kamen Riders manage to gain the upper hand by having Rogue and Grease hold Evol while Cross-Z Magma disables the Evol Trigger, reverting Evol back to his Evol Cobra form. Build Genius Form then uses his Genius Finish on Evol and finishes off the evil Kamen Rider. Commenting that the Riders' fighting skills are "not bad", Evol tells the Riders that their fight is not over yet before exploding and seemingly dying, leaving behind three Lost Bottles. Shinobu as Build HawkGatling then swoops in and collects the Lost Bottles, telling the Riders that everything has gone exactly as he planned.

Placing the Evol Driver inside a metal container to prevent Evolt from regenerating from the DNA he has inside it, Shinobu Katsuragi reveals that he was planning to stop Evolt all along, and only helped him out in order to complete the Black Pandora Panel, which would allow for warp travel between worlds. He states that Evolt sought to complete the panel because he could use it to making traveling from planet to planet easier and less time consuming.

Nariaki Utsumi then walks in and is revealed to be possessed by Evolt, who anticipated that Shinobu would betray him and sent some of his essence to possess Utsumi right before he was defeated. Evolt then kills Shinobu before transforming into Kamen Rider Mad Rogue with Utsumi's Evol-Driver and fighting Kamen Riders Cross-Z Magma, Grease and Rogue while Sento rushes over to his father. After fighting the Riders for a bit, Evolt remarks that Mad Rogue is limiting for him due to being fitted for a human, and discards Utsumi as a host before retrieving the Evol-Driver from the metal container and using it to transform into Kamen Rider Evol Cobra. Evol then retrieves the Black Pandora Panel and fights off the Kamen Riders, prompting them to retreat. Glancing at the panel, Evol remarks that he only needs one more Lost Fullbottle to complete it.

Later, as Masakuni Mido, Evolt implements a new form of government in Japan where Touto, Hokuto and Seito will each have regional governors and which will be based out of the Pandora Tower. He then stages an attack by Flying Clone Smash in order to lure out the Kamen Riders, save for Kazumi, who was injured in his last battle with Evolt.

Confronting the Riders atop a rooftop, Evolt faces off against Sento, who attempts to use the Genius Bottle to transform into Build Genius Form, but finds he is unable to use it. Evolt reveals that he infected Kazumi with his DNA from his Evol Trigger in order to retrieve the last Lost Bottle. He has Kazumi get up, shock Misora and Sawa, before bringing him the CD Lost Bottle and Evol-Trigger. After transforming into Black Hole Evol, Evol places the final Lost Bottle in the Black Pandora Panel and absorbs it to achieve his true form.

After easily defeating Kamen Riders Cross-Z Magma, Grease and Rogue, as well as demolishing several buildings in the process, Evolt grabs Sento and warps the two of them to an unnamed planet. where he announces his intention to destroy every planet in the universe. He then creates a massive Black Hole and uses it to annihilate the planet and all of its inhabitants, leaving him and Sento stranded out in space before he warps them both back to Earth.

However, Sento realizes that the Genius Bottle is powered by hope and not anger, and uses that to use it to transform into Kamen Rider Build Genius Form. Build Genius Form, Cross-Z Magma, Grease and Rogue then all Rider Kick Evolt at the same time in order to force the Black Pandora Panel out of him. Evolt grabs the Black Pandora Panel before the heroes can claim it, but Sento punches him with the Hazard Trigger, knocking him out of his complete form and purifying two of Lost Bottles as well as knocking them out of the Black Pandora Panel. Evol attempts to grab the two Lost Bottles, but Cross-Z Magma snatches them up. Evol then opts to retreat rather than stay around any longer.

Back at the tower, Evol watches a news report announcing the governors for the three regions (who are all secretly members of the Blood Tribe). Utsumi then walks in and accuses Evol of not being interested in ruling Japan at all and instead wanting to buy time in order to complete the Black Pandora Panel. Evol responds by grabbing Utsumi by the throat and threatening him to not reveal his true plans to the Kamen Riders.

Evolt appears as the overarching antagonist of the movie *Kamen Rider Build: Be The One* . He met with the three new governors of the regions of Japan who are really, along with himself, the last surviving members of the planet-devouring extraterrestrial clan known as the Blood Tribe possessing the other members of the Mars expedition: Kengo Ino, Ryoka Saiga and Mitsuomi Gohara, as well as the ones responsible for manipulating the three regions of Japan into waging war with one another. The three state they intend to finish what Evolt started and consume the planet, to which Evolt tells them that he will not interfere with what they do, but reminds them that he has the upper hand with the power of the Pandora Box.

At the end of the movie, after his fellow Blood Tribe members have been defeated by the Kamen Riders, Evolt shows up to collect their Lost Bottles.

Following the events of *Kamen Rider Build: Be The One*, Evolt makes an announcement to the entirety Japan where he reveals himself as a being of extraterrestrial origin and declares his intentions to destroy the world. He goes on to challenge the Kamen Riders to a final battle to decide the fate of the planet and tells them to meet him at the summit of the Pandora Tower and to bring the Lost Bottles.

In preparation for the battle, Evol practiced fighting a simulation of a Strong Smash Hazard and a Stretch Smash Hazard, easily destroying both with only a single strike. He then remarks to Utsumi that he is making a good replacement for Shinobu.

On the day of the final battle, a crowd of people, including news reporters, has gathered around the Pandora Tower in order to witness the fight. To get them to back away from the Tower, Evolt flings a helicopter near them. Sento, Ryuga, Kazumi and Gentoku then arrive right before Evolt makes his entrance, accompanied by a battalion of Hard Guardians. Evolt proceeds to explain to the four the rules: they will have to make it to the top of the tower, and for every ten minutes that they are not up there, he will destroy a section of Japan with one of his black holes. Evolt then teleports off to the top of the tower and leaves his Hard Guardian army to fight the Riders. Transforming into their Kamen Rider forms, the four combine their attacks to destroy the entire army, before smashing a hole in the Tower and making their way inside.

At the top of the tower, Evolt decides to make things interesting and, reverting to his Evol Cobra form, sends off a fraction of his DNA to assume the forms of the Hokuto Three Crows in order to mess with Kazumi. Upon seeing the three alive once again, Kazumi instantly identifies them as fakes. Complimenting that he is impressed that he caught on, Evolt tells the Riders to keep moving before he destroys another section of Japan. Telling the other Riders to go along without him, Grease stays behind to take on the mimics of the Hokuto Three Crows.

While fighting some regular Guardians and Hard Guardians, the other Riders briefly contemplate going back to help Grease, right before Evolt destroys another section of Japan, causing them to realize they have to move on.

After Kazumi transforms into Kamen Rider Grease Blizzard using the second Build Driver recovered from Shinobu Katsuragi, Evolt watched from atop the Pandora Tower, remarking that he "had gotten all dressed up to die." Evolt later sent out clones of Remocon

Bro's and Engine Bro's to challenge the Riders. Kamen Rider Rogue opts to stay behind to fight them, telling Build and Cross-Z Magma to go on ahead. Initially being overpowered by both of them, Rogue soon receives assistance when Mad Rogue shows up and reveals he was working against Evolt the entire time. The two then fight the clones, who merge together to form clone Hell Bro's. They manage to finish the clone off by combining their powers, destroying it and causing it to drop the Hammer Lost Bottle.

Evol Cobra himself then shows up to claim the Lost Bottle and attacks the two Riders. Mad Rogue then reveals he is able to use Evolt's phases thanks to him collecting some of Evolt's DNA and fights the evil Rider one-on-one, only to be defeated and have his transformation canceled thanks to his body shortening out. Evolt then reveals to Gentoku and Sawa, who had showed up to deliver the Pandora Box panels, that Utsumi had to be turned into a cyborg after Gentoku shot him off a cliff due to him being heavily injured. In a rage, Rogue attacks Evol Cobra, only to be overpowered and knocked out of his transformation. Evol then attempts to finish them off with the Steam Blade, but before he can strike them Utsumi gets up to block the attack, dying to protect the Lost Bottle. Gentoku then uses the chance to teleport himself and Sawa away.

Meanwhile, Kamen Rider Grease overpowers and beats down Evolt's clones of the Hokuto Three Crows, managing to destroy all three of them. However, using the Blizzard Knuckle to transform causes Kazumi to begin to die. Not being able to prevent his demise, Kazumi uses this as an opportunity to purify the Castle Lost Bottle for Sento, which he hands to Misora as he dies in her arms.

As Evolt annihilates another section of Japan with a black hole, the remaining Riders and Sawa reach the top of the Pandora Tower and begin treating their wounds. Misora then shows up to deliver the news the Kazumi is dead. As the five all grieve, Evolt shows up and casually greets them in a mocking way. Infuriated by Evolt's callousness at the pain he has caused, Sento screams "Evolt!"

After mocking Sento and co. for their humanity, Evolt transforms into Kamen Rider Evol Black Hole and does battle with the three remaining Kamen Riders, Build, Cross-Z Magma and Rogue. Evol easily manages to overpower the three Riders and obtain the two

Lost Bottles he needed to become his final form. After transforming into his monster form, Evol beats down the three Riders again and knocks Sento and Ryuga out of their transformations. He then creates a massive black hole over the Earth and uses it to begin consuming the Earth, destroying the Moon in the process and allowing Evolt to assume his ultimate form. However, Evolt opts to drag out the destruction of Earth for a bit so he can witness the despair on Sento and Ryuga's faces for a bit longer.

Despite his injuries, Rogue refused to go down and charged at Evolt to attack him all by himself. Despite Rogue's best efforts, he was unable to do any damage against Evolt and was overwhelmed by the alien's power, having part of his faceplate shattered in the process. Thus, Gentoku instead opted to go for the Evol Trigger, the source of Evolt's power. He succeeds in damaging it, but Evolt fatally injures him soon after and knocks him out of his transformation, causing him to die and fade away.

Inspired on by Rogue's courage and the cheers of the people at the surface of the Pandora Tower, Sento and Ryuga got up and transformed into Kamen Rider Build Genius Form and Cross-Z Magma in spite of their injuries to take on Evolt. Evolt attempted to fight them, but the damage done to the Evol Trigger by Gentoku caused him to become paralyzed, granting Build an opportunity to attack him. Using the Genius Finish, Build manages to force the Black Pandora Panel out of Evolt, which Ryuga then grabs and combines with the White Pandora Panel, causing the black panel to be destroyed. Misora then rushes out to give the Riders the other Pandora Panels so Build can combine the White Pandora Panel with then. Placing the White Pandora Panel with the other panels, Build begins merging their Earth with an alternate universe Earth that has no Skywall.

To complete the merger of worlds, Build attempts to use Evolt's energy to power it, but Cross-Z Magma steps in and cancels Build's transformation to do it instead, as he has Evolt's DNA. Grabbing Evolt, Cross-Z Magma flies into space with him and into a dimensional rift between the two worlds, granting the fusion enough power for it to finish.

However, Sento flies into the rift after Ryuga in order to rescue him.

He finds Ryuga lying on the ground, though it turns out to really be Evolt in disguise. Evolt then reveals that since he has survived, the merger will cause the two worlds to collide and destroy each other unless he can be defeated. Transforming into Build RabbitRabbit, Sento fights Evolt in his ultimate form and is quickly overwhelmed and knocked out of his transformation. Assuming the form of Soichi Isurugi, Evolt mocks Sento and tells him he is nothing more than a "sham hero" he created. Sento responds by rejecting this, claiming that Build was created and built up by his friends. Evolt then reverts back to his ultimate form and prepares to finish Sento off, but is stopped by Ryuga resisting him from the inside. Ryuga gives Sento some words of encouragement, telling him that his friends all believe in him, before Evolt fully consumes him and spits out the Dragon Fullbottle.

Sento then transforms into Build RabbitRabbit and fights Evolt again. As the two battle, both begin to fade, causing Evolt to question which one of them will die first. Sento later switches to Build TankTank after being overpowered as Build RabbitRabbit, and later again to Build Sparkling form which he uses to destroy Evolt's Evolti Graspers and Evolti Blasters before eventually being knocked out of that form and back to his base form as Build RabbitTank. With both down to their base Build uses the Rabbit and Dragon Fullbottles to transform into Build RabbitDragon and uses his finishing move on Evolt. Evolt attempts to stand his ground, but is ultimately overpowered by Build and destroyed with his energy being used to complete the fusion of the two worlds, thus creating a world where he never existed and where the Skywall Disaster never happened. With that, Evolt's reign of terror was brought to a definitive end.

However, it's revealed in the stage show that Evolt managed to survive by liquifying some of his genes, preventing the two Earths from merging and making it so they would be destroyed instead. Evolt soon finds Sento and Banjo still in the crevice of light and tells them that if they want to escape the crevice they have to collect the ten Lost Bottles and place them in the White Pandora Panel. However, Sento sees through Evolt's deception and points out that doing so would revive Evolt. Evolt compliments Sento for being clever and affirms Sento's suspicions, but states that in order for his energy to be used to complete the merging and creation of the New World, he will have to be defeated at full power.

Eventually, will help from a revived Grease, Rogue and Mad Rogue, Build and Cross-Z were able to collect all ten Lost Bottles and place them in the Pandora Panel, reviving Evolt. Upon being brought back, Evolt assumes his Kamen Rider Evol Black Hole form and summons DNA copies of his form as Blood Stalk and two Hard Guardians to fight Grease, Rogue and Mad Rogue while he battles Build and Cross-Z. Cross-Z attempts to defeat Evolt by destroying his Evol Trigger, but Evolt reveals that both the Evol Driver and Evol Trigger are dummies and that he no longer needs them now that he has his complete form.

However, the Kamen Riders manage to regain enough power to assume each of their most powerful forms (Genius for Build, Cross-Z Magma for Cross-Z, Grease Blizzard for Grease, Prime Rogue for Rogue) and, with the encouragement of the audience are able to defeat Evolt's DNA copies. Evolt then reveals his ultimate form, a white, Genius Bottle version of his Feverflow Ultimate State, and decides to start taking the battle seriously. Evolt initially easily overpowers all of the Riders with his tremendous might, but Build and Cross-Z manage to match up to him by merging to become Cross-Z Build once again. Evolt then battles Cross-Z Build in a climactic battle and is defeated by the Kamen Rider. As a final act of spite, Evolt attempts to disperse his genes to allow himself to reform once again, but Build uses the Genius Bottle to turn them into Lost Smash, allowing the Riders to finally destroy them. Cross-Z Build then finishes of Evolt, who comments that it would be a miracle for him to see the New World through to its end before dying and exploding.

Some time after Evolt's demise, Evolt's older brother Killbus, the king of the Blood Tribe, came to Earth searching for Ryuga Banjou. Despite having seemingly perished in his final duel with Sento Kiryu, Evolt managed to ensure his return by attaching a piece of himself to Ryuga.

When Killbus beat down Ryuga, Evolt re-emerged as Blood Stalk and fought off his brother before grabbing the Pandora panels from him and teleporting away to a safe place with Ryuga and Yui

Mabuchi. While Yui was resting, Stalk explained to Ryuga the history of his people, the Blood Tribe, and how his brother Killbus, the king of the Blood Tribe, annihilated their homeworld Planet Blood and sent the remaining members off to destroy more planets, with Evolt grabbing the Pandora Box right before Planet Blood was destroyed. Stalk then re-enters Banjou to recuperate his strength just a Yui wakes up.

After building back up his power, Stalk sets up a Faust backup lair so they can devise a plan to defeat Killbus, but Killbus tracks them down and attacks them, revealing his new Kamen Rider form as Kamen Rider Killbus. Killbus snatches the White Pandora Panel from them and turning it into a device to use to become more powerful so he can destroy the world. After Ryuga transforms into Cross-Z Charge, Stalk and him face off against Killbus, but Killbus overpowers both of them and fatally wounds Stalk with his finisher. Letting out a final "ciao", Stalk tosses Ryuga one of the Cross-Z Fullbottles before perishing. However, this was not the end of Evolt.

Recognizing that Evolt would be a valuable ally against Killbus, Sento Kiryu managed to bring him back from the DNA he had infused into Ryuga, now in his form as Kamen Rider Evol. Evol stowed away inside Ryuga as the Riders went to confront Killbus and re-emerged to face his brother alongside Ryuga after he transformed into Cross-Z Magma. Cross-Z Magma and Evol fought Killbus together but even with their combined power they were unable to overcome the Blood Tribe King. Killbus knocked Ryuga out of his transformation and critically wounded Evol, but before he could do anything more, Yui showed up with the Muscle Galaxy Fullbottle. Ryuga attempted to transform with it but to no avail, causing Evol to get up and, proclaiming his brother was right, asking Killbus if he could join him in his universe-wide rampage. Evol then grabbed Yui and began choking her in order to make Ryuga determined enough to be able to transform. As Ryuga successfully activated the Muscle Galaxy Fullbottle, Evolt merged with him as he was transforming with it, causing both of them to fuse together and transform into Kamen Rider Cross-Z.

Even with their newfound strength, the two Riders were unable to overpower Killbus at first. However, remembering the times he spent with Sento and his friends, Ryuga gains the determination to overcome Killbus. After beating Killbus down with several powerful attacks, Cross-Z Evol finishes Killbus off with their finisher, with Evol gloating to his brother just before he finished him off.

Some time later, with Killbus dead, Evolt emerged out of Ryuga once more, now in his Feverflow mode. Ryuga questions if Evolt only pretended to betray him in order to make him strong enough to use the Muscle Galaxy Fullbottle, to which Evolt responds that there is "no need to thank [him]". Evolt then states he will be leaving Earth for now and will return once he has gotten stronger, bidding Ryuga a final "ciao" before heading off into space to parts unknown.

* * *

When it was done everyone that hadn't heard about it was shocked!

Varya Visnapuu: That is bad!

Mara: Horrible!

Poromon got out 2 beer bottles.

Sento: What are those?

Poromon: 2 bottles of beer!

Raythor: (sighs) Well, at least some of them are adults.

Banjo: Digimon and Pokemon that drink?

Me: Don't fucking ask.

Qin: It's crazy.

Me: Yeah.

Salami Swami: (Hindu Accent) We need to get to the nearest Faust hideout and get rid of them right now!

Me: Agreed.

Qin: I agree too.

Lola: Yeah.

We went to the nearest Faust Hideout which was located at an abandoned industrial plant. We went in.

Jinx: Well, this is the place.

Nico: Yep. Lets get to blasting.

We blasted Smashes all over the place and blew them apart and we were blasting the place all over!

Me: PAYBACK TIME! FOR ALL THE SUFFERING YOU'VE CAUSED!

We were destroying it all.

BlackWarGreymon: (Echoing) Terra Destroyer!

He fired numerous energy balls and destroyed lots of equipment and more.

Machinedramon: (Echoing) Giga cannon!

He fired energy blasts from his cannons and blasted lots smashes apart all over.

Me: Take that!

We blasted everything apart and the whole place was coming apart!

Nico: This whole place is falling apart! Lets go!

We got out of there.

Me: WOO YEAH! That was a blast! Now for the grand finale!

I fired an energy ball and it went into the factory and hideout and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was completely reduced to nothing but a massive flaming crater!

Qin: Nice one!

Eli: Take that Evolt!

Crumplezone: That ended with a bang!

Me: Yeah it did!

Eli: WOOHOO!

Nico: Yeah! Lets head back to base and get ready for the usual battles.

We went and did so.

Pohatu: Sento, this main battle might be one of the biggest. So, I just want to say that it's an honor being your brother.

Zzzax: Aww. That's so heartwarming.

Sento: And it's an honor to have you as my brother too.

Qin: So awesome.

Lola: Yeah.

Maria: That is awesome too.

Commander Mars: Well, we might as well have a bite to eat before the usual battles.

Our stomachs growled.

Me: Yeah we're hungry.

I used my imagination powers and made us an awesome ramen and burger meal.

Qin: Now you're talking!

We got to eating and more.

Professor XXXL: I even brought snow cones!

Nico: Cool.

He gave us all some.

Qin: Delicious.

We later got finished eating.

Razorclaw: Nico, what Ridewatches do you have this time?

Nico: Only the Buzzshock one and its' copy. I DO have the blueprints for the Ridewatches of Walkatrout, Pesky Dust, Mole-Stache, The Worst, Kickin Hawk, Toepick, Astrodactyl, Bullfrag, and Atomix.

Gentoku: Well, that's better then nothing.

Hannah Thunderbolt: I know I'm getting the Buzzshock one.

Me: Yeah. And the gene-slammers that became those aliens are getting them too.

Lola: Yeah.

Maggie Orbersson, Hannah Paine, Selene Tutankhamen, Catherine Torres, Wendy Dorrington, Luna Ingramsson, Olivia Boone, Violet Remmington, Ayaka Laurence, and Selina Logan for the copies and Penny, Jaune, Azulongmon, Wheeler, Tommy Himi, Aerrow, Green Arrow, Jimmy Neutron, Davis, and Gi get the originals.

Patty: Sento, you're gonna love seeing the Fullbottles in action!

Nico: Yep.

We went outside and then Gizmo, Blizzard, Scorcher, Abomination, Roman Goodwin, Dark Laser, Duskmon, Demyx, Ssserpent, and Roquefort appeared.

Nico: Gizmo, Blizzard, Scorcher, Abomination, Roman Goodwin, Dark Laser, Duskmon, Demyx, Ssserpent, and Roquefort.

Gizmo: The barfbrains from Faust have been cleared out.

Me: Yep.

Blizzard: All that's left is Evolt.

Nico: And he will pay big time.

Scorcher: He's gonna be a challenge though.

Abomination: (to Nico) We heard you took Moo down.

Nico: Yep.

Roman Goodwin: This time for good.

Me: Yep. Good riddance.

?: Good.

Then a figure came out and it was MADAKODAMA from the Goseiger VS Shinkenger movie!

---

Madakodama aided Buredoran with his attempts to destroy the Goseigers' homeworld. After Buredoran and Makadoma were defeated by the combined power of the Two Six Part Strike and the Super Goseigers' Miracle Gosei Dynamic, he grows himself into a giant but is finally destroyed by Ground Gosei Great's Ground Great Strike and Daikai ShinkenOh's Turbulence Slash.

According to folklore, the yamabiko (山彦) is a mountain-dwelling yokai that is responsible for delayed echoes. Madakodama's ability to absorb and redirect attacks is thought to be the basis of this legend.

---

Eli: Madakodama! I remember you! You were made when Makadoma and Buredoran fused!

Madakodama: That's right Eli. Good memory.

Eli: Thanks.

Madakodama: Is it true that you guys have an archenemy for me?

Jenny Worthington: That's me.

She went up to him.

Jenny Worthington: Jenny Worthington. Awesome to meet you.

Madakodama: Same here.

We got the usual battles underway.

(HEROES BY THE WALLFLOWERS PLAYS)

Lie Ren: (SINGING DIVINELY AS GEARS AND ENERGY SWIRLS AROUND HIM)

I, I will be king

And you, you will be queen

Though nothing, will drive them away

We can beat them, just for one day

We can be heroes, just for one day

And you, you can be mean

And I, I'll drink all the time

'Cause we're lovers, and that is a fact

Yes we're lovers, and that is that

Though nothing, will keep us together

We could steal time, just for one day

We can be heroes, forever and ever

What'd you say?

I, I wish you could swim

Like the dolphins, like dolphins can swim

Though nothing, nothing will keep us together

We can beat them, forever and ever

Oh we can be heroes, just for one day

I, I will be king

And you, you will be queen

Though nothing will drive them away

We can be heroes, just for one day

We can be us, just for one day

I, I can remember (I remember)

Standing, by the wall (by the wall)

And the guns, shot above our heads (over our heads)

And we kissed, as though nothing could fall (nothing could fall)

And the shame, was on the other side

Oh we can beat them, forever and ever

Then we could be heroes, just for one day

We can be heroes

We can be heroes

We can be heroes

Just for one day

We can be heroes

We're nothing, and nothing will help us

Maybe we're lying, then you better not stay

But we could be safer, just for one day

Oh-oh-oh-ohh, oh-oh-oh-ohh, just for one day

He danced and the group fired waves of gears, metal and lightning and energy and smashed him down.

Da-da-da, un, da-da-da-da

Da-da-da, un, da-da

Da-da-da, un, da-da

Da-da-da, un, da-da-da-da

Grew up in a small town

And when the rain would fall down

I'd just stare out my window

Dreaming of what could be

And if I'd end up happy

I would pray

Trying hard to reach out

But when I tried to speak out

Felt like no one could hear me

Wanted to belong here

But something felt so wrong here

So I prayed (I would pray)

I could breakaway

I'll spread my wings and I'll learn how to fly

I'll do what it takes 'til I touch the sky

And I'll make a wish, take a chance, make a change

And breakaway

Out of the darkness and into the sun

But I won't forget all the ones that I love

I'll take a risk, take a chance, make a change

And breakaway

Da-da-da, un, da-da

Da-da-da, un, da-da

Da-da-da, un, da-da-da-da

Wanna feel the warm breeze

Sleep under a palm tree

Feel the rush of the ocean

Get onboard a fast train

Travel on a jet plane, far away (I will)

And breakaway

I'll spread my wings and I'll learn how to fly

I'll do what it takes til' I touch the sky

And I'll make a wish, take a chance, make a change

And breakaway

Out of the darkness and into the sun

I won't forget all the ones that I love

I gotta take a risk, take a chance, make a change

And breakaway

Buildings with a hundred floors

Swinging around revolving doors

Maybe I don't know where they'll take me, but

Gotta keep moving on, moving on

Fly away, breakaway

I'll spread my wings

And I'll learn how to fly

Though it's not easy to tell you goodbye

I gotta take a risk, take a chance, make a change

And breakaway

Out of the darkness and into the sun

But I won't forget the place I come from

I gotta take a risk, take a chance, make a change

And breakaway

(SAFETY DANCE BY MEN WITHOUT HATS PLAYS)

Jason: (SINGS AND DANCES DIVINELY AS FIRE SWIRLS AROUND HIM)

We can dance if we want to

We can leave your friends behind

'Cause your friends don't dance

And if they don't dance

Well, they're no friends of mine

Say, we can go where we want to

A place where they will never find

And we can act like we come

From out of this world

Leave the real one far behind

And we can dance

Or sing

We can go when we want to

Night is young and so am I

And we can dress real neat

From our hats to our feet

And surprise 'em with the victory cry

Say, we can act if we want to

If we don't, nobody will

And you can act real rude and totally removed

And I can act like an imbecile

And say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

They're doing it from pole to pole

We can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chance

Safety dance

Oh well, the safety dance

Ah yes, the safety dance

We can dance if we want to

We've got all your life and mine

As long as we abuse it, never gonna lose it

Everything'll work out right

I say, we can dance if we want to

We can leave your friends behind

Because your friends don't dance

And if they don't dance

Well, they're no friends of mine

I say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

We're doing it from pole to pole

We can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chance

Oh well, the safety dance

Ah yes, the safety dance

Oh well, the safety dance

Oh well, the safety dance

Oh yes, the safety dance

Oh, the safety dance, yeah

Well, it's the safety dance

It's the safety dance

Well, it's the safety dance

Well, it's the safety dance

Oh, it's the safety dance

Oh, it's the safety dance

They danced and fired waves of fire and smashed him down.

Ripster, Fluttershy, Tornado Bolt, Life Skylanders, Suzie the Werecat, Yugito Nii, Gemini Man and Hard Man VS Abomination - Us meeting a gene-slammer for Battlewasp Ballista the Armageddon

Core Medals: Abomination, Evil Drill Man and The Underminer

Fullbottles: Abomination and Evil Drill Man

---

Abomination was next.

Abomination: (to Ripster) I heard you guys met a gene-slammer for Battlewasp Ballista the Armageddon. What's her name?

Ripster: Her name is Delia. Delia Shannon and she is Jessica Shannon's Cousin from France.

Fluttershy: She is a really amazing girl and has a great bee farm too.

Tornado Bolt: She sure does and her story is awesome.

---

Delia Shannon: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Artemis, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Delia Shannon: (French Accent) That's incredible.

Nico: It sure is. So, Delia, what memories did you have with Lincoln, and did you lay a full beatdown on that mutant cheapskate, Flip, and Lincoln's mean sisters, Lori, Lynn, Lola, Lisa, and Luan?

Delia Shannon: (French Accent) Oh, I thought you'd never ask. One time, Lincoln was at my house and I was showing him around my massive nest of honeybees in the backyard along with the garden of grapes. But, then, my honeybees fled into their nest when we suddenly felt tremors and we saw a dust cloud heading our way.

Lincoln saw who it was that caused the stampede: it was Lori, Lynn, Lola, Lisa, and Luan, and they had murder in their eyes, and he also caught the stench of a smelly fat ugly mutant cheapskate, it was none other than Flip, and he was also out to kill Lincoln for ruining his scams. We had a big dilemma, we had Lincoln's mean sisters and Royal Woods' fat smelly cheapskate mutant to deal with. But, then, we saw Lincoln's other Guardian Angels appear, and we all went after Flip first and we brutally pulverized him into the dirt and we tied him up, then we went after Lori, Lynn, Lola, Lisa, and Luan, and we brutally beat them up and tied them up and Lincoln put them in spheres of darkness. I then called Mr. and Mrs. Loud and we saw Vanzilla and the cops arrive, who then take Flip back to jail, and we told them of what those five mean sisters were about to do to me and Lincoln, along with that fat smelly mutant cheapskate. Lori, Lynn, Lola, Lisa, and Luan were then grounded for five weeks and were put into isolation cubes in the basement and Flip got another Life Sentence added to the Life Sentences he'd gotten after being found guilty.

We cheered wildly for what Delia Shannon, Lincoln, and the other Guardian Angels did to Lincoln's mean sisters and Flip.

Nico: Whoa, so not only did you guys lay a beatdown on Lincoln's mean sisters but also on Flip as well, that was awesome!

Sophia Nuremburg: And we now have him and the other jerks, along with Royal Woods' other jerks, being humiliated by us forever.

Sophia Nuremburg made a bunch of lobsters appear and they pinched Flip all over the place, and he was screaming like crazy, and tons of gold coins and jewels came out of him.

Delia Shannon: (French Accent) So, you're subjecting them to all kinds of humiliations, incredible. And what's with the gold coins and jewels?

Nico: That was Lincoln's curse, any time we hit the jerks with our humiliating pranks, gold coins and priceless jewels come out of them, and it's then cleaned off and shipped to banks all over the world.

Jessica Shannon: Yeah, it's really awesome.

FLASHBACK ENDS

Abomination: Wow that is so awesome! And that is so funny that Sophia put lobsters on Flip.

Stealth Elf: Yeah that was really funny.

Suzie the Werecat: We got a good laugh out of it.

Yugito: It sure was funny.

Abomination: That is cool. Lets do it!

Ripster used the Core Medals for Abomination, Evil Drill Man and The Underminer and got a really awesome Earth Sword.

Ripster: JAWSOME!

He smashed the ground and rock and earth upheaved and smashed him all over the ground.

ABOMINATION! EVIL DRILL MAN! BEST MATCH!

He fired drill missiles and they hit Abomination and exploded!

KRABBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMMMM!

Ripster: YEAH! Time for a Shark Attack!

He activated his ridewatch.

(ONE NIGHT IN BANGKOK BY MURRAY HEAD PLAYS)

Ripster: (SINGING DIVINELY AND DANCING AS WATER AND LEAVES SWIRL AROUND HIM)

Bangkok, Oriental setting

And the city don't know that the city is getting

The creme de la creme of the chess world

In a show with everything but Yul Brynner

Time flies doesn't seem a minute

Since the Tirolean spa had the chess boys in it

All change don't you know that when you

Play at this level there's no ordinary venue

It's Iceland or the Philippines or Hastings or

Or this place!

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

And if you're lucky then the god's a she

I can feel an angel sliding up to me

One town's very like another

When your head's down over your pieces, brother

It's a drag, it's a bore, it's really such a pity

To be looking at the board, not looking at the city

Whaddya mean?

Ya seen one crowded, polluted, stinking town

Tea, girls, warm, sweet

Some are set up in the Somerset Maugham suite

Get thai'd, you're talking to a tourist

Whose every move's among the purest

I get my kicks above the waistline, sunshine

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

Siam's gonna be the witness

To the ultimate test of cerebral fitness

This grips me more than would a

Muddy old river or reclining Buddha

And thank God I'm only watching the game controlling it

I don't see you guys rating

The kind of mate I'm contemplating

I'd let you watch, I would invite you

But the queens we use would not excite you

So you better go back to your bars, your temples

Your massage parlours

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

A little flesh, a little history

I can feel an angel sliding up to me

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

They danced and blasted Abomination down with water, leaves, grass and flowers and smashed him down.

Bertrand: (SINGING AND DANCING DIVINELY AS RED FLAMES SWIRL AROUND HIM)

From the deep I cry

I am needing change in my life

I have let the cold creep in and lock my ability to feel (deeply)

Just now a shaft of light shot through my soul

Opening up the windows and the doors

Reaching to the corners and my flaws

Showing my need

I'm running out of time to live

Running out of love to give

Running out of life within

God help me

I don't care who stares

Never want to be what I have been again

Grace has taken over and drawn me in and I am embracing it

'Cause now I see Your light drawing me close

Overwhelming love I don't deserve

But I'll take the hope You bring, You hold it out to me

Without You

They danced and fired waves of red fire, bones, skulls, magic, lightning and stars and smashed him down.

Sabrina Mason: (SINGS DIVINELY AS MAGIC AND LIGHT SWIRLS AROUND HER)

There is freedom within, there is freedom without
Try to catch the deluge in a paper cup
There's a battle ahead, many battles are lost
But you'll never see the end of the road
While you're traveling with me
Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
We know they won't win
Now I'm towing my car, there's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today tales of war and of waste
But you turn right over to the T.V. page
Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us

We know they won't win

Now I'm walking again to the beat of a drum

And I'm counting the steps to the door of your heart

Only shadows ahead barely clearing the roof

Get to know the feeling of liberation and release

Hey now, hey now

Don't dream it's over

Hey now, hey now

When the world comes in

They come, they come

To build a wall between us

We know they won't win

Don't let them win (hey now, hey now, hey now, hey now)

Hey now, hey now

Don't let them win (they come, they come)

Don't let them win (hey now, hey now, hey now, hey now)

They danced and fired waves of magic and light and smashed him down.

Jeri Katou: I have no idea! J.D. said it's a mysterious shadow unicorn. We don't know much about her.

Princess Luna: But whoever it is will be in deep trouble.

Moondust: We'll have to worry about whoever it is later. We still have to deal with the current events unfolding.

Snowdrop: I agree. But we'll have to learn more about whoever this Shadow Unicorn is later.

Gari: All it showed us was a mysterious shadowy unicorn silhouetted.

(SUMMER BREEZE BY SEALS AND CROFT PLAYS)

Irma: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

See the curtains hangin' in the window

In the evening on a Friday night

A little light a-shinin' through the window

Lets me know everything's all right

Summer breeze makes me feel fine

Blowin' through the jasmine in my mind

Summer breeze makes me feel fine

Blowin' though the jasmine in my mind

See the paper layin' on the sidewalk

A little music from the house next door

So I walk on up to the doorstep

Through the screen and across the floor

Summer breeze makes me feel fine

Blowin' through the jasmine in my mind

Summer breeze makes me feel fine

Blowin' through the jasmine in my mind

Sweet days of summer, the jasmine's in bloom

July is dressed up and playing her tune

And I come home from a hard day's work

And you're waitin' there

Not a care in the world

See the smile awaitin' in the kitchen

Through cookin' and the plates for two

Feel the arms that reach out to hold me

In the evening when the day is through

Summer breeze makes me feel fine

Blowing through the jasmine in my mind

Summer breeze makes me feel fine

Blowing through the jasmine in my mind

They danced and fired waves of water, earth, apples, rock, crystal and energy and smashed him down.

(LIKE A ROLLING STONE BY BOB DYLAN PLAYS)

Kimiko: (SINGING DIVINELY AS FIRE AND LIGHT SWIRLED AROUND HER)

Once upon a time you dressed so fine

Threw the bums a dime in your prime, didn't you?

People call say 'beware doll, you're bound to fall'

You thought they were all kidding you

You used to laugh about

Everybody that was hanging out

Now you don't talk so loud

Now you don't seem so proud

About having to be scrounging your next meal

How does it feel, how does it feel?

To be without a home

Like a complete unknown, like a rolling stone

Ahh you've gone to the finest schools, alright Miss Lonely

But you know you only used to get juiced in it

Nobody's ever taught you how to live out on the street

And now you're gonna have to get used to it

You say you never compromise

With the mystery tramp, but now you realize

He's not selling any alibis

As you stare into the vacuum of his eyes

And say do you want to make a deal?

How does it feel, how does it feel?

To be on your own, with no direction home

A complete unknown, like a rolling stone

Ah you never turned around to see the frowns

On the jugglers and the clowns when they all did tricks for you

You never understood that it ain't no good

You shouldn't let other people get your kicks for you

You used to ride on a chrome horse with your diplomat

Who carried on his shoulder a Siamese cat

Ain't it hard when you discovered that

He really wasn't where it's at

After he took from you everything he could steal

How does it feel, how does it feel?

To be on your own, with no direction home

Like a complete unknown, like a rolling stone

Ahh princess on a steeple and all the pretty people

They're all drinking, thinking that they've got it made

Exchanging all precious gifts

But you better take your diamond ring, you better pawn it babe

You used to be so amused

At Napoleon in rags and the language that he used

Go to him he calls you, you can't refuse

When you ain't got nothing, you got nothing to lose

You're invisible now, you've got no secrets to conceal

How does it feel, ah how does it feel?

To be on your own, with no direction home

Like a complete unknown, like a rolling stone

They danced and fired waves of light and fire and smashed him down.

Rainbow Dash: You got that right! He will pay for everything he did to Japan and to the world.

Scootaloo: And it will not end well for him.

Whirlwind: We're going to give that monster the Black Gates and undo all the damage he did.

Madakodama was next for the ranger battle!

Nico: This will be good.

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyers of Evolt and the Faust Organization, they're a collection of massive greatswords with the Build Kamen Riders symbol etched on the 7'0 massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguards, longer black handles, and large gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase, and there's also blasters included with the swords as well.

Nico teleported back with them.

Megaforce Rangers: IT'S MORPHIN TIME! GO GO MEGAFORCE!

They transformed!

Nico: YEAH! Madakodama You have failed this city!

Troy Burrows: Mega Rangers that's a Mega Win.

* * *

When the battles were done we cheered wildly.

Nico: YEAH!

Sento: That was so awesome!

Banjo: Yeah it was!

Bright Man: Now, to go after Evolt.

Nicole: I agree there! It's time to end this madness once and for all!

Maria: You got that right! I've had enough of that genocidal monster to last an eternity!

Mumbo: I can use my magic to get us near his location.

Eli: He's over at an Abandoned Robotics Factory near the epicenter of where the Sky Wall was formed.

Nico: Then lets go. Get ready Evolt…

Maria: (EYES GLOW NEON AQUA BLUE) We're coming for you and you will pay for everything you have done to our planet!

With that Mumbo teleported us to the sight of the robotics factory.

* * *

We arrived and we saw that it was a dump.

Me: The Takinawa Robotics Factory. Closed down years ago.

Qin: Wow.

Avalanche then appeared.

Maria: Thanks for coming, Avalanche.

Avalanche: Not a problem guys. I can't wait to kill Evolt.

Me: Me too.

We went into the factory and hid and Avalanche went up to him.

Kengo Ino: So, you must be Avalanche.

Avalanche: Of course I am. I see you have both versions of Kaisei Mogami with you. But where's your boss Evolt?

?: Calm down. I'm right here.

Evolt stepped out of the shadows and Avalanche was shocked about what he saw.

Avalanche: Guys, get in here! Evolt's a Heartless now!

Then the spirits of the Periodic Table appeared and then swirled around him and then converged and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then it formed into a Technological sphere and then data streams blasted out and we came out. We saw EVOLT!

Me: Evolt! So we meet again.

Evolt: You did this to me J.D.!

Sento: So, you're a Heartless now, Evolt?

Evolt: I did this to myself willingly. Not only did I regain my previous powers. But those who willingly turn into Heartless retain their minds.

Banjo: Well, besides the Heartless symbol, nothing much has changed.

Me: You're still going to pay for everything you did Evolt! This time you will die for everything you did!

Evolt: And you've interfered with my plans for the last time!

Maria: Cut the bullshit, Evolt. We know you're planning to bring back the Sky Wall.

Me: Yeah!

Evolt: Indeed I am. Life in Japan was much better with it around. Not to mention it'll give my fellow Dai Shocker teammates a huge advantage.

Me: A town divided is not a town at all! It's a fate worse than death! And soon Dai Shocker will be nothing but a forgotten memory!

Nico: YEAH! Just like you!

Evolt: Krybots! Pordermen! Come to me!

An army of Krybots and Pordermen appeared.

Me: Krybots and Pordermen! Now you're talking!

I fired waves of energy blasts and blasted the Footsoldiers apart!

The Krybots and Pordermen jumped the Build Team!

The Build team lay defeated at the hands of the Krybots and Pordermen.

Evolt: This time, I'm not going to take any chances. I'm going to erase you ALL from existence. (chuckles evilly) You won't even be dead.

Umika: (shoots at a Porderman) Oh no! What do we do?!

Pohatu got an idea.

Pohatu: (to everyone watching) Everyone out there! Lend the Build Team your strength! They get stronger with your support! When I go "Ready", shout "You can do it, Kamen Riders"! Okay? Ready…

All: YOU CAN DO IT, KAMEN RIDERS!

Pohatu: One more time! Ready…

All: YOU CAN DO IT, KAMEN RIDERS!

Pohatu: Louder! Ready…

All: YOU CAN DO IT, KAMEN RIDERS!

Jamesdean5842: YOU CAN DO IT, KAMEN RIDERS!

At this, Sento found the strength to get up.

Evolt: What?! How are you still able to stand?!

Sento: Because I can hear the voices of the people. Each and every one of their prayers have become my energy. I can't let them down by surrendering to you!

Sento then grabbed a Krybot and threw it at a Porderman, knocking both of them down.

Evolt: WHAT!

I kicked him square in the stomach with devastating force!

I then went Super Angel Xelnaga and my rainbow aura obliterated all the Shadows and destroyed them! We got stronger!

Qin: YEAH!

Me: (Divine Echoing Cosmic Voice of Elemental Hope, Justice, Love and Friendship) **Evolt you make me sick!**

Sento: Thanks for your help, everyone.

Banjo: I didn't know so many people were cheering for us.

Kazumi: Oh, I'm not complaining. I bet Mii Tan's cheering for me too!

Gentoku: (to everyone out there) I might not be in a high position of authority. But I promise that I will still fight for this country.

Pohatu: And you'll get that chance. Right, J.D.?

Me: You better believe it Pohatu. Evolt, this is the last day of your miserable fucked up life!

Qin: Yeah! You will pay for everything you did!

Sophia went up to Evolt

Sophia Nurenburg: Do you know who I am?

Evolt: (Suddenly recognizes her) You! I should've killed you long ago!

Sophia Nurenburg: Too bad you didn't, and now, I'm going to make you pay for everything that you've ever done to me!

Suddenly, something with Sophia Nurenburg's mind snapped as memories of what happened to her because of Evolt came back to her as her red eyes turned neon red, and she was surrounded by a red and black energy aura with light, darkness, angels, and demons, and as she approached Evolt, she left red and black energy, light, darkness, angels, and demons with every step.

Sophia Nurenburg: I will never ever forgive you for what you've done to so many innocent people all over Japan, Evolt, so many innocent people have suffered horribly because of you. (Suddenly Getting Extremely Pissed Off) But, what you did to me with your insane experiments so long ago… , YOU'VE JUST CROSSED ONE FUCKING LINE TOO MANY, YOU FUCKED-UP PARASITIC MONSTER, AND NOW, I WILL SEE TO IT THAT YOU PAY DEARLY FOR EVERY SINGLE ONE OF YOUR CRIMES!

We gasped in extreme shock.

Nico: Oh, shit! Sophia's exploded with extreme rage and fury!

Lincoln: And now, that rage and fury is about to be unleashed on that monster, Evolt, for everything he's done.

Eli: HIT THE DECK!

We ran for cover, and Sophia Nurenburg screamed like a madwoman! And then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of fire, light and darkness and energy exploded out with incredible power as she was surrounded by a massive vortex of dark red and black energy with the lights of Heaven shining down on the vortex and the demonic laughter of the demons of Hell and the fires erupting from below and the vortex is surrounded by light and darkness and angels and demons, there's Kaalia of the Vast flying around the vortex, and in the vortex is a phoenix. Then, as the vortex faded and the lights of Heaven and Fires of Hell fade, Sophia Nurenburg emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Sophia Nurenburg grew to 6'11" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes and a crimson red and black energy aura with light, darkness, angels, and demons surrounding her, she has Kaalia of the Vast emblazoned on her forehead along with her Jagan Eye, she has Kaalia of the Vast earrings with red gems for eyes and the Light, Dark, and Eternity Kanjis in her hands and a Crystal Necklace of The Buddha with red gems on the gold fire links and red crystal links and a red Kaalia of the Vast-shaped Element of Harmony and on the bottom of the Element of Harmony is Kaalia of the Vast with crimson red gems for eyes and the Light, Dark, and Eternity Kanjis in her hands for the pendant, she has on a sleeveless closed crimson red blouse, sleeveless red top, red skirt, dark red bellbottom pants with light red designs, red sneakers, and long dark red sleeveless trenchcoat with angels and demons on the coattails and on the back is Kaalia of the Vast surrounded by light and darkness. Suddenly, Sophia

Nurenburg felt a sharp pain on her back, and then, her massive white wings along with the crimson red demon wings below the angel wings grew much bigger for her new body, Sophia Nurenburg has on a Ring of the Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire Ring on her left ring finger. Sophia Nurenburg has a brand-new large greatsword in her hand called Kaalia of the Vast's Angelic Demonic Greatsword of Twilight Justice, it's a brand-new large greatsword with Kaalia of the Vast etched on the 7'0" massive, wide, double-edged crimson red blade, Kaalia of the Vast's angel and demon wings for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and large crimson red gem surrounded by angel and demon wings for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Kaalia the Vast's head with crimson red gems for eyes and large crimson red gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below Kaalia the Vast that said, "Sophia Nurenburg, Friend and Loving Future Wife of Nicholas Chan, Expert Chef, Hilarious Trickster, Despiser of Bullies, Destroyer of Evolt and the Faust Organization, Gene-Slammer of Kaalia the Vast, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of the Jagan Eye, and Master of Light, Darkness, Angels, and Demons"

ソフィア・ニュレンブルク、ニコラス・チャンの友人であり愛する未来の妻、熟練したシェフ、陽気なトリックスター、いじめっ子の軽蔑者、エボルトとファウスト組織の破壊者、カーリア・ザ・ヴァストのジーン・スラマー、いじめっ子の軽蔑者、悪のスレイヤー、混乱した殺人者、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、ジャガンの目のマスター、光、闇、天使、悪魔のマスター

Sophia Nurenburg has transformed into SUPER ANGEL ETERNITY

# INFINITY ANGEL KAALIA TWILIGHT DEMON ANGEL OF DIVINE TWILIGHT JUSTICE AND DIVINE ANGEL-DEMON LOVE!

We were amazed by Sophia Nurenburg's Super Angel Eternity Infinity transformation, and when Nico saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Evolt saw it, he went mad with rage and fired a blast of red energy to kill her, but Sophia dodged it, and she fired a powerful crimson red energy blast with light, darkness, angels, and demons and it hits Evolt and exploded with incredible power, damaging him, and then, she attacked him with her massive greatsword and with unrelenting fury as she slashed at him with ferocity and rage, and Evolt was left with nasty scars and he was bleeding profusely.

Nico: Whoa, Sophia's transformed, incredible, and she's attacking Evolt with indiscriminate fury and rage.

Me: What she went through because of him has left rage and anger in her heart, and now, she's finally unleashed her fury on him.

Lincoln: Just hope she doesn't kill him first, because Pohatu's going to transform next.

Eli: Lincoln's right, but Sophia still wants to give that monster what he deserves for treating her like a test subject.

Sophia Nurenburg: (Divine Echoing Cosmic Voice of The Twilight Angel-Demon and Divine Twilight Love) **Don't worry, guys, I won't kill Evolt just yet. But, I still intend to make him suffer and bleed for everything he's ever done to me!**

Sophia broke Evolt's arms in two and he screamed in excruciating pain, and we winced.

Sento: (Winces) Now, that's got to hurt.

Lincoln: We've actually done a lot worst to the villains we've fought against, Sento.

Me: Lincoln's got a point, we've done far worse to the villains we've fought against, and they're just as gruesome and painful.

Evolt: (In pain) So, you all still wish to suffer? Who am I to deny you?

Evolt turned into Kamen Rider Evol, both versions of Kaisei Mogami turned into Kaiser and Kaiser Reverse, and Kengo Ino turned into Kamen Rider Blood.

Sento: Now, shall we begin the experiment?

Pohatu: We shall. With me transforming with you guys!

Jack Landors: Damn right, Pohatu!

SPD Rangers: SPD Emergency!

Lupinrangers: Kaitou Change!

Patrangers: Keisatsu Change!

Sento pulled out a black and red device with silver gears and a crank handle, as well as a red and blue pair of bottles Banjo pulled out an identical device, but only one bottle, as what looks like a tiny dragon with a hole in it's back flies into his hand, folding it's head and tail up as it does. With that, both Sento and Banjo placed on their belts before shaking the bottles they carry. Sento twists the caps on his bottles, while Banjo does the same, before slamming his cap down into the back of his dragon as Sento inserts his bottles cap down into his belt, followed by Build slamming his dragon into the belt.

Cross-Z Dragon: Wake up!

Build Driver (Sento): Rabbit! Tank! Best Match!

Build Driver (Banjo): Cross-Z Dragon!

With these actions, both Sento and Banjo start cranking the handle on the side of their Build Drivers, causing them to generate some sort of constructs resembling model kit wire frames on a giant rack

Build Drivers: Are you Ready?!

Sento and Banjo: Henshin!

Build Driver (Sento) Hagane no Moonsault! RabbitTank! Yay!

Build Driver (Banjo): Wake up Burning! Get Cross-Z Dragon! Yeah!

With the famous pronouncement made, the wire frame constructs slam into Sento and Banjo, Sento's creating his red and blue striped armor across a black bodysuit, with a visor resembling a blue tank and red rabbit head, using armor pieces resembling a rabbit ear and tank barrel to create something akin to a scarf, while Banjo's is much simpler, dark blue armor with a flame design wrist plate on his left arm, but as the armor halves come together, a third section folds in, creating shoulder pads with that flame design and a dragon head visor. And each generates a weapon as well, Sento receives what looks like a steampunk drill sword, and Banjo a normal looking sword with a pull tab at the pommel.

Gentoku Grabs a blue belt and purple bottle and Places the belt on his waist.

Sclash Driver (Gentoku): Sclash Driver!

With his Sclash Driver secured, Gentoku twists the cap on his bottle, activating it

Crocodile Crack FullBottle: Danger!

As the FullBottle starts to play what sounds like a version of the theme from "Jaws", only with three beats before repeat rather than two, Gentoku places it into the Sclash Driver

Sclash Driver (Gentoku): Crocodile!

Gentoku: Henshin.

With that, Gentoku presses down on the wrench handle, forcing the press against the FullBottle, which forces the fluid into the activator vial, causing some sort of beaker setup to form around Gentoku, with giant crocodile jaws on the side breaking the beaker once it fills up with a strange purple fluid that forms most of Gentoku's violet and black armor, save the white cracks in it, including a replica of the jaws on the sides of his head, which create the green eyes by cracking the helmet

Sclash Driver (Gentoku): Wareru! Kuwareru! Kudakechiru! Crocodile in Rogue! (Utters some sort of guttural cry, followed by a scream from the FullBottle itself)

Kazumi placed the Sclash Driver on his waist.

Kazumi: Well then. Time to get into the game.

With his goal known, Kazumi twists the cap on the Robot SclashJelly before placing it cap down into the Sclash Driver

Sclash Driver (Kazumi): Robot Jelly!

Kazumi: Henshin.

With his battle cry made, Kazumi pushes down on the Sclash Driver's wrench handle, crushing the Robot SclashJelly and sending the contents into the activator vial. This action causes Kazumi to be surrounded by a giant beaker setup filled with black liquid that immediately fuses to Kazumi, forming a black and gold armored suit with a red eyed white head, out of which spouts some golden oily substance, which forms black chest and head armor as well as golden shoulder pads on Kazumi's armor)

Sclash Driver (Kazumi): Tsubureru! Nagareru! Afurederu! Robot In Grease! (Guttural screaming)

Utsumi: Henshin!

They transformed!

Nico: And this!

We pulled out our Zenkai Cannons.

All of us: (TURNS DIALS) EXPLODING SCIENCE POWER!

We summoned the Denziman, Dynaman, Bioman and Timerangers andwe summoned the Kabuto, Decade, Zi-O, Build, Zero-One, Revice and Den-O Riders!

Maria: And this!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) SCIENCE FORCE OF TECHNODOOM!

She summoned Professor Calamitous, Kaos, Mandark, Bling Bling Boy, Beast Wars Megatron!

Kaos: Now to bring some pain!

Pohatu: Alright, time to make that monster pay before Sophia tries to kill him before I get the chance to shine.

Suddenly, Pohatu's brown eyes turned neon brown, and he was surrounded by an orange energy aura with earth, stones, rocks, Stone Toa, and phoenixes, and as he approached Evolt, he left orange energy, earth, stones, rocks, Stone Toa, and phoenixes with every step.

Pohatu: You really make me sick, Evolt. It's bad enough that you've tormented and experimented on many innocent people, but what you've done in trying to destroy the Earth with Pandora's Box is one thing that I can't stand any longer, and now, you will pay with your life!

Suddenly, Pohatu was surrounded by a massive vortex of orange energy with earth and stones surrounding the vortex, there's a Stone Toa and phoenix flying around the vortex, and in the vortex is a grey phoenix. Then, as the vortex faded, Pohatu emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Pohatu grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and black chin hair, he has long black hair going down to the bottom of his neck with orange highlights in the bangs of his hair, he has neon brown eyes and an orange energy aura with earth, stones, rocks, Stone Toa, and phoenixes surrounding him, he has a Toa Mata of Stone with the Stone Kanji in its hands emblazoned on his forehead, he has phoenix earrings with orange gems for eyes and the Stone Kanji in its claws, and he has on his Crystal Necklace of The Buddha with orange crystal links and a phoenix with orange gems for eyes and holding the Stone Kanji in its claws for the pendant on his bare chest, and tattooed on Pohatu's now wider and more muscular back is a phoenix and a Toa Mata of Stone, and they're surrounded by rocks. Suddenly, Pohatu felt a sharp pain on his now wider and more muscular back, and then, massive black angel wings with orange tips on the feathers, sprouted out of his now wider and more muscular back. Pohatu has on a pair of large black pants with stones on the legs, black ankle-high leather combat boots, large orange weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large orange orbs.

Suddenly, Pohatu's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of orange energy with earth, rocks, stones, Stone Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Pohatu's Earthquake Stone Toa Greatsword of Stone Justice, it's a brand-new large greatsword with the symbol of the Stone Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged orange blade, orange Toa heads for the crossguard, large grey gem embedded in the rainguard, longer black handle, and massive orange gem with surrounding angel wings for the pommel. Pohatu has on his new large gold cuff Bracelets of the Champions of The Universe with orange gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Earth Toa head with orange gems for eyes and an orange gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large orange gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's an orange kanji below the Stone Toa and phoenix that said, "Pohatu, Toa Mata of Stone, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onewa, Lewa, Gali, and Onua, Loving Brother of The Build Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stone, Stone Toa, and Phoenixes"

ポハツ、ストーンのトア・マタ、タフ、ヴァカマ、ウェヌア、ヌジュ、マタウ、ノカマ、タカヌバ、ポハツ、オネワ、レワ、ガリ、オヌアの兄弟でチームメイト、ビルド仮面ライダーの愛する兄弟、テトリダックスの破壊者、 ボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、石、石トーア、フェニックスのマスター

Pohatu has transformed into SUPER ANGEL INFINITY SMASHING STONE TOA MATA ANGEL OF STONE JUSTICE AND BROTHERHOOD WILL!

We were amazed by Pohatu's Super Angel Infinity transformation, but when Evolt saw it, he fell into a rage and he was about to attack him, but Sophia attacked him again in a fit of rage, and Pohatu fired a powerful orange energy blast with stones, earth, rocks, Stone Toa, and Phoenixes, and it hits Evolt and explodes with incredible power, and it pissed him off even more.

CRUNCH!

He was in a lot of pain and I pulled out my fist and blood was pouring out of his chest!

Evolt: NO! (COUGHS OUT BLOOD)

Pohatu: Time to use more Fullbottles!

Nico: You got it! Sento!

He handed him the Fullbottles for Phoenix and Dark Phoenix!

PHOENIX! DARK PHOENIX! BEST MATCH!

He grew wings of pure fire and released a massive wave of fire and incinerated numerous Krybots and Pordermen and incinerated them all over!

Sento: WHOA! That was awesome!

Qin: YEAH!

Mara: YEAH!

Sly tosses his cap onto the ground and then taps his cane onto the ground, causing the cap to explode.

POOF!

He bashed and smashed the Krybots and Pordermen all over in a smokescreen!

Sly Cooper: That is how you steal!

I punched and pulverized Evolt all over and Sophia blasted him all over with fire and darkness and blasted him with light and burned him!

We regrouped and we were facing Evolt!

Maria: As much as Soichi Isurugi needs to be held accountable for your crimes while being possessed by you, not even he deserves to be bonded to you any further!

Me: **I agree there!**

I fired waves of light and it hit Evolt and it separated Soichi Isurugi from Evolt and Evolt was now on the outside for everyone to see in Physical form!

Soichi: (Weakly) Thank you. (DIES)

Me: I'm sorry Soichi.

Nico closed his eyes in respect.

Keiichiro: No! It wasn't supposed to be like this! We wanted to have Soichi go to prison peacefully! (growls) You'll pay for this, Evolt!

Me: **Keiichiro this is what he wanted. Like what happened with Oikawa, he had Evolt inside him for 10 years and his body was so irreparably damaged that it wouldn't last long. He wouldn't have very long to live anyway. I'm sorry but it's what he would've wanted.**

Keiichiro: Oh you're right. But Evolt still has to pay!

Me: **That I agree!**

Keiichiro summoned Siren Striker's armor.

Keiichiro: Super Patren 1gou!

Keiichiro was ready!

Nico: You made the right call there J.D. and yes I know how that feels. Oikawa didn't have long to live either because of MaloMyotismon. So there was nothing that could've been done.

Me: **Yeah.**

Kairi Yano: Kei-Chan, let me attack with you!

Kairi Yano inserted Good Striker on his VS. Changer to split himself into three.

Good Striker: Make a game!

He turned into HIS TRI RANGER FORM! AWESOME!

Nico: YEAH!

Sento (Pulling out giant FullBottle,while throwing the knuckle duster and normal size FullBottle to Banjo): While Keiichiro and Kairi are attacking Evolt, that gives us time for this!

Banjo: (Catching what was just thrown to him) Then let's do this!

With that, Banjo takes the dragon patterned FullBottle, opens the cap and sticks it cap down into a slot on the top of the knuckle duster before flipping it's handle up

Cross-Z Magma Knuckle: BOTTLE BURN!

With the Cross-Z Magma Knuckle's handle upturned, Banjo removes the Cross-Z Dragon from his Build Driver and replaces it with the Cross-Z Magma Knuckle, which causes the knuckle itself to split open at the front, revealing the FullBottle inside, now glowing orange as Banjo cranks the handle on his Build Driver, causing a giant forge construct to appear behind him)

Build Driver (Banjo): Are you Ready?!

As soon as the question is asked, Cross-Z Magma stops cranking, as the forge construct pours molten lava over him. As the lava cools, eight dragon heads emerge from it only to cool into rock, which the forge construct breaks, revealing Banjos new orange and black suit, with eight dragon heads incorporated into the design

Cross-Z Magma Knuckle: Gokunetsu kinniku! Cross-Z Magma! Achachachachachacha Acha!

Sento: (As Banjo stands ready) Show off. Try not to overheat.

With his jab made, Sento presses the cap of his FullBottle before twisting it, activating the device.

Genius FullBottle: Great! All Yeah!

His final move ready, Sento removes his base FullBottles, and places the Genius FullBottle into the Build Driver in their place, immediately beginning to turn the crank as he does)

Build Driver: GENIUS! Are you Ready?!

As Sento stops cranking, we see a blue, white, and gold factory construct around him, moving what look like 60 FullBottles across guide rails and conveyor belts, which form onto a white suit with gold and black accents forming red and blue lines across it while taking on warm or cold colors in the same places as red and blue on Sento's basic form, creating the visor of the suit as well.

Genius FullBottle: Kanzen Muketsu no Bottle Yarō! Build Genius! Sugei! Monosugei!

Me: **YEAH!**

A demonic figure appeared from a tornado of hellfire and darkness, and it was none other than Blaze, the fire demoness and enemy of Superman, Captain Marvel, and Dr. Fate.

Superman: Blaze, I should've known you'd show up yet again. You just don't know when to quit, do you?

Blaze (DC): (Demonic Voice) I will never quit, and soon, the souls of mankind will soon be mine for my dimension.

Pohatu: That's never going to happen, Blaze, your days of collecting souls is about to come to an end for good.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Pohatu grew from 7'0" to 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retains his eight-pack abs, tanned skin and black chin hair, he has long black hair going down to the bottom of his neck with orange highlights in the bangs of his hair, he has neon brown eyes and an orange energy aura with earth, stones, rocks, Stone Toa, and phoenixes surrounding him, he has a Toa Mata of Stone with the Stone Kanji in its hands emblazoned on his forehead, he has phoenix earrings with orange gems for eyes and the Stone and Eternity Kanjis in its claws, and he has on his Crystal Necklace of The Buddha with orange gems on the gold stone links and orange crystal links and an orange Stone Toa-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with orange gems for eyes and holding the Stone and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Pohatu's now wider and more muscular back is a phoenix and a Toa Mata of Stone, and they're surrounded by rocks and stones. Pohatu has on a pair of large black pants with stones on the legs, black ankle-high leather combat boots, large orange weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large orange orbs.

Suddenly, Pohatu's massive Pohatu's Earthquake Stone Toa Greatsword of Stone Justice was surrounded by a massive kaleidoscope of orange energy with earth, rocks, stones, Stone Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Pohatu's Earthquake Stone Toa Broadsword of Stone Justice, it's a brand-new large broadsword with the symbol of the Stone Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged orange blade, orange Toa heads for the crossguard, large grey gem embedded in the rainguard, longer black handle, and massive orange gem with surrounding angel wings for the pommel. Pohatu has on his new large gold cuff Bracelets of the Champions of The Universe with orange gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Earth Toa head with orange gems for eyes and an orange gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large orange gem with heart-shaped gem in the center on his right ring finger and Green Lantern Corps ring on his left ring finger, and there's an orange kanji below the Stone Toa and phoenix that said, "Pohatu, Toa Mata of Stone, Brother and Teammate of Tahu, Vakama, Whenua, Nuju, Matau, Nokama, Takanuva, Pohatu, Onewa, Lewa, Gali, and Onua, Loving Brother of The Build Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stone, Stone Toa, and Phoenixes"

ポハツ、ストーンのトア・マタ、タフ、ヴァカマ、ウェヌア、ヌジュ、マタウ、ノカマ、タカヌバ、ポハツ、オネワ、レワ、ガリ、オヌアの兄弟でチームメイト、ビルド仮面ライダーの愛する兄弟、テトリダックスの破壊者、 ボロックカル、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、石、石トーア、フェニックスのマスター

Pohatu has transformed into SUPER ANGEL ETERNITY INFINITY SMASHING STONE TOA MATA ANGEL OF STONE JUSTICE AND BROTHERHOOD WILL!

We were amazed by Pohatu's Super Angel Eternity Infinity transformation, but when Blaze (DC) saw it, she fired a blast of fire to kill him, but Pohatu absorbed the blast of fire and it made him stronger, and he fired an orange energy blast with stones, rocks, earth, Stone Toa, and phoenixes, and it hits Blaze (DC), and it hit and sent the fire demoness flying into a wall, but she wasn't done yet.

Nico: Whoa, Pohatu's transformed, awesome!

Me: And now, that fire demoness, Blaze, is in big trouble.

Sophia Nurenburg: (Divine Echoing Cosmic Voice of The Twilight Angel-Demon and Divine Twilight Love) **Especially with me and Lincoln going to help Pohatu get rid of her.**

Pohatu: (Divine Echoing Cosmic Voice of The Smashing Earth Toa and Divine Earth Brotherhood Will) **That's right, Sophia. You and Lincoln ready?**

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he and Sophia Nurenburg joined Pohatu.

Pohatu, Lincoln, and Sophia Nurenburg went after Blaze (DC), who continued firing blasts of fire at them, but they continued absorbing the blasts of fire and it made them even stronger than ever, and they fired powerful blasts of rainbow energy, orange energy, crimson red energy, Stone Toa, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Blaze (DC), and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords and it left scars on her. Then, Lincoln fired a blast of red energy and he sucked out and absorbed Blaze's fire powers and we all made them our own, and then, the three of them fired three powerful beams of light, which hit Blaze (DC), and it burned her to ashes for good, and her spirit was then erased by The Black Gates for good when Pohatu drew a kanji on her forehead. We cheered wildly for what Pohatu, Lincoln, and Sophia Nurenburg did as they holster their massive large greatswords on their backs and power down, and Pohatu's new body, clothes, weapons, jewelry, and angel wings are permanent, and Sophia's new body, clothes, weapons, jewelry, and massive angel and demon wings are permanent.

Nico: Now, that's what I call an awesome mission accomplished.

Pohatu: You said it. We finally got rid of Evolt for good, and we also got rid of the fire demoness, Blaze.

Lincoln: Yep, and now, tomorrow, we're going to meet the Zi O Kamen Riders, and we're finally going to put an end to Swartz once and for all.

Me: You said it, Lincoln. Finally, tomorrow, Swartz is going to die for everything that he's done, and he's also going to pay for turning our friends and enemies into Another Riders, Another Rangers, and Another Omnitrix Aliens, so he can try to destroy us.

Nico: Along with lying to them with false promises.

Lincoln: You know, turning all your friends and enemies into Another Riders, Another Rangers, and Another Omnitrix Aliens, so he can try to destroy us was one thing, but lying to your friends with false promises that he'll never and is incapable of fulfilling is another. Swartz is going to pay big time for that, and I also have some words to say to that bastard before you and Maxxine rip him in two, J.D.

Me: If it's just like what you said to Negatoros, big guy, this should really be a good one, and I won't look twice if you start to curse him out.

Nico: Yeah, if you start cursing at Swartz, make his ears bleed and piss him off even more.

Lincoln: Thanks, guys, but I'm also going to also give the warning to my future wives to cover the kids' ears, don't want them to hear their dad cursing Swartz out.

Me: Smart thinking, big guy.

Nico: Now, that's a good idea. But, Swartz isn't going down that easily, but we'll be ready for him.

Me: You said it.

Maxxine: That's right, and I can't wait to see the Zi O Kamen Riders once again, this is going to be an awesome adventure tomorrow and one that'll spell Swartz' end for good.

Nico: Oh yeah!

Woz: Rejoice! Another of the Dai Shocker Villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider Allies: Kamen Riders Build, Cross-Z, Grease, and Rogue! May their alliance last until physics no longer explains the world!

Dark Laser: That was fun! Wouldn't you say, Flipsy?

Flipsy barks happily.

Demyx: Now, Evolt's checked out of existence for good.

Me: Good riddance to bad fucking rubbish.

Duskmon: The Dairanger weapons that Nico and the others got really came in handy.

Qin: They sure did and so did my new Build Grand Zi-O form.

Varya: I'm going to love it here with you guys.

Delia Shannon: Same with me.

Ssserpent: You girls won't regret it.

Nico: This was so awesome!

Roquefort: (To the Build team) If you guys want more smoothies, why don't you show you Maritime Bay?

Sento: Good idea!

Nico: Yeah! But great job today everyone!

We then looked at Soichi's dead body.

Me: I'm sorry Soichi.

I dug a hole and put his body in it and buried him and then made a tombstone for him. It said Here Lies Soichi Isurugi - Died Because of Evolt.

Qin: May he rest in peace.

Nico: Lets have a moment of silence for him.

We took off our hats and put our hands on our chests and we had a moment of silence for him. It was done 30 seconds later.

Sento: But this was awesome. (To the viewers) Hope you guys loved this adventure as much as we did. This was one of the best missions we've ever had.

Qin: Boy it sure was.

Me: Now the day of reckoning is tomorrow. We go meet the Zi-O team and we take the fight to Swartz. We're going to make that monster pay for his crimes.

Nico: Yep. But this was so awesome and epic. Great job today everyone. Lets go home.

We went back home and got the Build Team settled in. This makes the 14th Kamen Rider team we have recruited. We then enjoyed the rest of the day and went to sleep.

Meanwhile in Japan, the Zi-O team was getting ready for our arrival and were really excited to see us.

Sougo: I'm really excited for this.

Tsukuyomi: Me too. It's gonna be so awesome to see everyone again.

Sougo: I'm really excited too. We're going to make sure that Swartz pays for his crimes. Lets get ready!

They activated Ridewatches.

Zi-O Team: HENSHIN!

They transformed and went at the screen!

TO BE CONTINUED!

Over in the Light Civilization was Nico, The Ripping Friends, Ino Yamanaka, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Nalanie Nanthavong The Vorash Gene-Slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Granity, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to walk around and get ready for the big mission for us meeting the Zi-O team.

Me: So the next rescue is in the Light Civilization. Awesome.

Qin: I always like coming here.

Mara: It's so beautiful.

Lola: It sure is.

Ino: I would have prefered the Nature Civilization but that's just me.

Toru: That's all right Ino.

Nico: Thanks for coming with me, Ino.

Ino: Anytime Nico. It's awesome that I'm coming with you on a great rescue.

Me: You'll love it Ino.

Nico: Ino, remember how you started out?

Ino: Boy I sure do. When I started out as a shinobi, me and Sakura were always fighting just to see who will be with Sasuke.

Me: You would not like it one bit Nico. In 150,000 years, Sakura and Ino were always fighting like fucking two year olds and they called each other names and trying to outdo each other.

Ino: It's true. I can't believe I was like that.

Laney: And that was before J.D. removed the Loyalty Forced Love Seal on Sakura.

Qin: I can't believe that Sakura's Crazy Aunt made her do that.

Ino: Yeah no kidding. But me and Sakura are now much better than ever.

Nico: How bad were these arguments?

Me: They were really bad. They were always competing with each other. Thank God that I woke those girls up by showing Sasuke's true colors.

Nico: How did that happen?

Me: It was really awesome.

FLASHBACK - 150,000 YEARS HENCE

Me: (Voiceover) **Sasuke was extremely pissed that I beat him up in the Chunin Exam Finals and while that talk was happening before the fight, I revealed his true nature.**

ROTAS Me: You don't give a flying fuck about anyone but yourself Sasuke! How can you be so evil to all those that admire you and worship you!? Even your own fangirls!

I had a hidden microphone behind my back and was broadcasting the conversation to everyone.

Evil Sasuke: (LAUGHS INSANELY!) I don't give a flying fuck about this whole village! It can go to hell for all I care! This whole village can burn to the ground! I only used all those girls to gain leverage to give birth to a new generation of Uchiha! Soon my clan will be restored and this entire village will burn! And you will it! I will kill you all and destroy the very village! So that only an Uchiha Village will exist!

Me: **When he was done shooting his mouth off I only smirked!**

ROTAS Me: You are one fucked up piece of work.

I pulled out the microphone and he gasped!

Evil Sasuke: WHAT HAVE YOU DONE!?

ROTAS Me: The whole world knows your true colors now. You fucked up those girls and impregnated them so they can give birth to new Uchiha's? I don't fucking think so.

Me: **After he was executed, we vowed to make sure that the Uchiha Clan is brought back our own way.**

FLASHBACK ENDS

Me: And that was how we made sure that history never repeated itself.

Nico: That was brutal! I can't believe he raped so many innocent girls.

Qin: Yeah was a monster!

Me: Yeah. Thank goodness that monster is dead.

Lola: Yeah!

Earth: What a heartless monster.

Ino: Thank goodness he didn't get to me and Sakura.

Mara: That's a relief.

Me: By the way Ino how is the therapy sessions with all those kids that ate those tainted chicken nuggets going?

Ino: I thought you would never ask J.D. Those kids are making a full recovery. They still feel guilty about it all but at least they will be back to normal soon.

Varie: That's a relief. I can't believe that they did all that.

Qin: Me neither. Poor kids.

Nico: Yesterday was very explosive.

Me: Boy it was! Varya avenged her family and we got rid of Leena for good, we destroyed Moo and then we met the Build Team and destroyed Evolt.

Eli: Yeah that was awesome!

Mara: One of the most awesome ever!

Maria: Yeah that was so much fun!

Sento: That was one of the most amazing battles ever and we are forever grateful you helped us.

Nico: It was our pleasure Sento.

Me: That was so awesome though.

Nico: Sorry about Soichi, though.

Sento: It's all right Nico. But J.D. is right. He would have wanted it that way though.

Qin: Yeah.

Me: He had Evolt inside him for over 10 years. His body was so irreparably damaged from having him inside him. He wouldn't be around for that long anyway.

Eli: He's right on that.

Nico: But that was one of the toughest battles against a member of Dai Shocker yet.

Woz: It most certainly was Lord Nico.

Me: Yeah but in the end Evolt was defeated by all of us working together.

Aylene C.: That's for sure.

Lola: Yeah. This makes 10 members destroyed right?

Me: Yep. And Swartz is the leader and without him the rest are lost sheep.

Nico: We're not just going on another big mission. We're going after the one who's been pulling the strings on this whole thing.

Me: That's right. Swartz is the mastermind behind this whole thing and he messed around with many of my friends and some of our most dangerous enemies. As well as some of our minor ones. And soon that monster is going to pay for the entirety of his crimes.

Qin: Big time. He messed around with the wrong people.

Aylene C.: Yeah big time.

Me: (Telepathically to Nico) I hope Heure and Ora are gonna be okay when we get there.

Nico: (Telepathically to me) Don't worry. They will be all right.

Woz: Lord Nico, there IS a point of concern. With his Another Decade Form, Swartz could summon any villain you've fought.

Including Dark Plasmius and Goobot.

Nico: I am well aware of that Woz. But I am not complaining.

Me: But we still have Dark Plasmius and Goobot to take down and we'll finally be free of the Sullen 6.

Qin: Good riddance.

Lola: Yeah! Those monsters will pay for their crimes.

Varie: After causing so much trouble for us.

Me: Nico if we're going to be up against many villains we know then we're going to need all the help we can get. We'll need to call in all the Masters of Evil for this.

Nico: Recommendation noted but yeah that's a good idea.

May: Nico, this could be dangerous.

Nico: May, we've come this far. It's time we finish this.

Me: And we will.

Qin: Yeah!

Eli: Yeah we sure will. (Senses something) We got company!

We saw a figure appear in a flash of black light and then out came a black version of Chromastone but with blue crystals! It was ANOTHER CHROMASTONE!

Me: Another Chromastone!

Nico: Whoa! A Crystalsapien this time.

Varie: There's something familiar about her though.

Another Chromastone: (In a girls voice) And you do know me Varie.

Varie: (GASP) I knew it was you. Vika! (Speaking in Atlantean) I most certainly did not expect you to be Another Omnitrix Alien.

Another Chromastone: (Speaking in Atlantean) It's good to see you again Varie. 10,000 years have passed since we saw each other.

Varie: It has been a long time my friend.

Me: You know her Varie?

Varie: I sure do. She is Kida's cousin. Vika is a good friend of mine from my past. 10,000 years ago before Atlantis sank into the ocean, me and Vika did it all. We studied medicine and even learned so much from one another about how to fight and more.

Me: That is cool!

Nico: Wow!

Eli: Wow that is awesome!

Nico: What did Swartz promise you?

Another Chromastone: I was promised the return of my civilization.

Me: Well we already beat him to the punch on that. Atlantis is back on the surface for the first time in 10,000 years.

Nico: Yeah long story.

Another Chromastone: I knew he lied to me!

Me: And to so many others. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Sorry about this Vika.

Varie: But we need to save you from this power.

Albedo turned into Negative Chromastone.

Negative Chromastone: This form is special to Petropia.

Me: It sure is. Tetrax told me it was because it was for a special thing that happens in a rare solar alignment with Petropia's three suns.

Another Chromastone: Very interesting.

Me: We go after Swartz today. We're going to make him pay for everything he did.

Another Chromastone: Good.

Me: (Activate's Evil Fire Minion's Ridewatch) Top those.

Qin: YEAH HE ROCKS!

Ino: That was so awesome!

Nico: (takes out Spot's Ridewatch) Let's make things more exciting!

He activated it.

(PIANO MAN BY BILLY JOEL PLAYS)

Nico: (SINGING DIVINELY AS PORTALS SWIRL AROUND HIM)

It's nine o'clock on a Saturday

The regular crowd shuffles in

There's an old man sittin' next to me

Makin' love to his tonic and gin

He says, "Son can you play me a memory?

I'm not really sure how it goes

But it's sad and it's sweet and I knew it complete

When I wore a younger man's clothes"

La, la-la, di-di-da

La-la di-di-da da-dum

Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us feelin' alright

Now John at the bar is a friend of mine

He gets me my drinks for free

And he's quick with a joke, or to light up your smoke

But there's some place that he'd rather be

He says, "Bill, I believe this is killing me"

As a smile ran away from his face

"Well, I'm sure that I could be a movie star

If I could get out of this place"

Oh, la, la-la, di-di-da

La-la di-di-da da-dum

Now Paul is a real estate novelist

Who never had time for a wife

And he's talkin' with Davy, who's still in the navy

And probably will be for life

And the waitress is practicing politics

As the businessmen slowly get stoned

Yes, they're sharing a drink they call loneliness

But it's better than drinkin' alone

Sing us the song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us feelin' alright

It's a pretty good crowd for a Saturday

And the manager gives me a smile

'Cause he knows that it's me they've been comin' to see

To forget about life for a while

And the piano, it sounds like a carnival

And the microphone smells like a beer

And they sit at the bar and put bread in my jar

And say man what are you doin' here?

Oh, la, la-la, di-di-da

La-la di-di-da da-dum

Sing us the song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us feelin' alright

Nico fired portals and they opened and meteors flew out of them and smashed Another Chromastone all over the place!

Qin: WHOA! That was awesome!

Nico: It sure was!

Ino: YEAH! Lets see what this one can do. (Activate's Hydrax's Ridewatch)

Me: Lets see if we can do a combo with them. (Activate's Shrubling's Ridewatch)

Tír na nÓg oh, come beyond the ancient fog

Tír na nÓg oh, come with me to Tír na nÓg

Come with me to Tír na nÓg

We danced all over.

Me and Ino: FLOWERS OF ETERNAL BLISS!

We fired waves of flowers, grass and leaves and the blasts all hit Another Chromastone and smashed her all over the place.

Kaito: (gets out Zero One Gear) Same some for us.

Zocks: (Gets out Zi O Gear) Woz will like this one!

Zocks got an awesome Zi-O Sword and Kaito got an amazing Progrise Key Sword.

Me: NICE! Kaito use this.

I activated Phoenix's Progrise Key.

PHOENIX'S IMMORTAL INFERNO!

I gave it to Kaito and he put it in and his sword exploded into an intense flame and he slashed Another Chromastone all over the place!

Nico: AWESOME! Zocks use this one.

He gave him a Ridewatch and it was for TTG Santa!

Zocks activated it.

(IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS BY PERRY COMO PLAYS)

Zocks: (SINGS DIVINELY AS CHRISTMAS TREES, ORNAMENTS AND LIGHTS SWIRL AROUND HIM)

It's beginning to look a lot like Christmas

Everywhere you go

Take a look in the five-and-ten

Glistening once again

With candy canes and silver lanes aglow

It's beginning to look a lot like Christmas

Toys in ev'ry store

But the prettiest sight to see

Is the holly that will be

On your own front door

A pair of hop along boots and a pistol that shoots

Is the wish of Barney and Ben

Dolls that will talk and will go for a walk

Is the hope of Janice and Jen

And mom and dad can hardly wait for school to start again

It's beginning to look a lot like Christmas

Everywhere you go

Now there's a tree in the Grand Hotel

On in the park as well

The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas

Soon the bells will start

And the thing that will make them ring

Is the carol that you sing

Right within your heart

A pair of hopalong boots and a pistol that shoots

Is the wish of Barney and Ben

Dolls that will talk and will go for a walk

Is the hope of Janice and Jen

And mom and dad can hardly wait for school to start again

Aah ah-ah, ah-ah, ah-ah, ah-ah, ah-ah, ah-ah

It's beginning to look a lot like Christmas

Soon the bells will start

And the thing that will make them ring

Is the carol that you sing

Right within your heart

He danced and fired waves of Christmas and energy and smashed Another Chromastone all over.

Me: YEAH! You don't know how long I've been wanting to try that one.

Zocks: Merry early Christmas, everyone!

Kaito: And Happy early New Year!

We laughed.

Me: (LAUGHS) That was funny. But it was cool.

Lola: Yeah!

Nico: Even though it's still August!

Me: Yeah! Sorry dude I've been wanting to get that off my chest for a while.

Nico: Oh no worries.

Qin: But that was cool.

Me: And the Christmas songs from the 40's, 50's and 60's are always awesome. Nothing beats the classics.

Qin: You got that right.

Nico: I just love the holidays.

Another Chromastone: And anyone that doesn't is a braindead moron.

Me: Took the words right out of my mouth.

We laughed!

Qin: That's true.

Ino: Greatest times ever.

But then beams of light hit Another Chromastone and we saw that they were from a Senatine Jade Tree!

Qin: Wow! A Senatine Jade Tree!

Senatine Jade Tree: (In a girls voice) Looks like the fun has just begun.

Nico: Lillith Rexxington!? Wow!

She landed in front of us and was a girl with blond hair and yellow clothes and blue eyes.

Lillith Rexxington: Awesome to see you again Nico. Now I can work my magic.

She fired a blast of light and it hit Another Chromastone and she was knocked down and I caught the Ridewatch and purified it.

Me: YEAH!

Varie went over to Vika and helped her.

Vika: What a headache.

Varie: But you're back to normal now.

Ino: That was so awesome!

Nico: Yeah!

Ino: What's your favorite memory of Nico?

Lillith Rexxington: I have a lot of them but I specialize in making awesome desserts.

Qin: Lillith made some of the most awesome desserts we've ever had. Her father is an awesome world famous dessert chef that makes all his desserts with love.

Lillith: Yep. And so do I. We made this awesome and delicious cake in cooking class and everyone loved it that we didn't get a taste of it.

Nico: It was a caramel amaretto cake.

Me: Wow! That must've been a good one.

Qin: It was delicious!

Lola: Wow!

Me: We'll have to try some of that someday. My daughter Mary is a great and awesome chef and her food is really good. You would make a great apprentice for her.

Lillith Rexxington: I would like that.

Nico and Lillith hugged.

Ninco: I've missed you Lillith.

Lillith Rexxington: Me too Nico.

We later went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Sakura Haruno are heading down to Kentucky, and not only is Lincoln going to rescue the five girls here, but we're also going to take Narcissa Belladonna, Lincoln and Demona Wendollstein's old enemy and the older sister of Jocasta Belladonna of The Church of Necrom who's broken out thanks to Swartz, but she attacked him and pissed him off even more before she went off to get revenge on her own, and she's still completely insane.

Lincoln: Wow, we're here in Kentucky, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to take Narcissa Belladonna, our old enemy from the past of myself and Demona, and the older sister of Jocasta Belladonna of The Church of Necrom.

Nico: That's right, big guy, and from what we just heard from King Kai, Swartz broke her out of the nuthouse and before she could get turned into Another Rider or Another Omnitrix Alien, Narcissa double-crossed and attacked him and she pissed him off even more before she went off to get revenge on you and Demona on her own.

Me: Swartz made a very big mistake breaking her out, and she's also still completely insane thanks to Demona making her worst nightmares come to life long ago.

Demona Wendollstein: I should've killed her long ago, if I had known Swartz was going to try and break her out… !

Lincoln: It's okay, Demona. But, either way, Narcissa is just as evil as her sister, and she's going to suffer the same fate that befell her and the rest of The Church of Necrom. And thanks for joining us, Sakura.

Sakura Haruno: You're welcome, Lincoln, and I can bet Swartz is already pissed at what Narcissa did to him.

Me: On top of us stopping his Another Riders, Another Rangers, and Another Omnitrix Aliens, and now, Narcissa's brazen attack on him has pissed him off even more, but his day of judgement is about to come later on. Right now, let's focus on taking down Narcissa Belladonna.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help, along with the sounds of insane laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Narcissa Belladonna, and she's going to kill them.

Lincoln: Time to hightail it over there, guys, I found the five girls, but they've been cornered by Narcissa Belladonna, and she's going to kill them.

?: (Arabic Accent) That heartless witch and sister of Jocasta Belladonna, let's get her.

Suddenly, we saw Unesh, Criosphinx Sovereign, appear before us.

Nico: Whoa, that's Unesh, Criosphinx Sovereign from the world of Magic the Gathering.

Lincoln: And there's no mistaking that Arabic Accent from anywhere, I knew it was you, Meena Al'Asad Aldhahabiu, but we'll talk later, let's get rid of Narcissa Belladonna and make her suffer the same fate as her wretched sister, Jocasta Belladonna.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Narcissa Belladonna, and that allowed the five girls to get away. When Narcissa Belladonna saw Lincoln and

Demona here, she was beyond pissed and still completely insane.

Demona Wendollstein: Narcissa Belladonna, I should've known you'd escape from the nuthouse.

Narcissa Belladonna: Shut up, bitch, if you hadn't gotten in my way, I'd have ruled the school with an iron fist and Lincoln Loud would be dead at my hands! But, now, I'm going to kill you both and all of mankind shall be exterminated! (LAUGHING DERANGEDLY)

Me: Sheesh, she's even more insane than Jocasta, thanks to what you did to her, Demona.

Nico: Yeah, and we've seen a lot of fucked-up nutjobs, but she takes the cake.

Lincoln: You're just as insane as your little sister, Jocasta Belladonna, but here's the thing: we killed your insane sister and the rest of her fucked-up friends in The Church of Necrom after they were all found guilty for their bloody crimes years ago, and now, you're about to suffer the same fate as her.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Sakura Haruno, The Demon Slayer Corps and Demon Slayer Consolidate, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Narcissa Belladonna, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit her.

Then, Lincoln formed a powerful black energy ball with the colors of the Dark World Duel Monsters and smaller colored energy balls with the faces of the Dark World Duel Monsters: we saw that it's the same technique he and the Dark World Goth Girls used to execute The Church of Necrom. Lincoln fires the dark energy ball and as it hits Narcissa Belladonna, it exploded with incredible power and it killed her and she suffered the same fate as her insane sister, Jocasta Belladonna: she was erased by The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Lincoln: Now, it's finally over. Narcissa Belladonna, you have failed this entire world. (To Meena Al'Asad Aldhahabiu) And it's so good to see you again, Meena.

Meena Al'Asad Aldhahabiu reverted back to normal, and she's a beautiful girl with short neck-length black hair, blue eyes, tanned skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful white angel wings, and she reigned in the power of Unesh, Criosphinx Sovereign, and she's dressed in a short-sleeved black and purple crop top, purple skirt, blue shorts, purple knee guards, no shoes, and long sleeveless purple trenchcoat with sphinxes on the coattails, and Uresh, Criosphinx

Sovereign on the back, and holstered on her back a large Uresh, Criosphinx Sovereign-themed greatsword with Uresh, Criosphinx Sovereign etched on the 7'0" massive, wide, double-edged white blade, Uresh, Criosphinx Sovereign's wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and a large blue gem surrounded by wings for the pommel.

Meena Al'Asad Aldhahabiu: (Arabic Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Meena Al'Asad Aldhahabiu and they hugged, and Meena Al'Asad Aldhahabiu's very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Meena Al'Asad Aldhahabiu: (Arabic Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Meena Al'Asad Aldhahabiu, she's my Guardian Angel from Egypt and my classmate in Art. Her last name, Al'Asad Aldhahabiu means "Golden Lion" in Arabic, and she has taken up interests in fashion.

Meena Al'Asad Aldhahabiu: (Arabic Accent) That's right, in fact, I've made these on the day that Lincoln should ever get a harem.

Meena Al'Asad Aldahahabiu got out some brand-new crop tops and brand-new skirts for the girls in Lincoln's harem based on their favorite colors and decorations, plus the skirts also have sphinxes on them.

Nico: Whoa, now that's an awesome set of clothes you made for them, Meena.

Me: Especially the crop tops, those were part of the fashion trend in the '80s.

Leni: That was an awesome fashion era.

Meena Al'Asad Aldhahabiu: (Arabic Accent) And I'm sorry I couldn't make a crop top for you, Lincoln, especially since you're now 7'5" in height and you're also now extremely muscular, and you're still a growing young man, who's getting taller and much bigger in muscle.

Lincoln: That's okay, Meena.

Meena Al'Asad Aldhahabiu: (Arabic Accent) Plus, you always did have an eye with fashion, especially with the clothes you've made for some of the fellow Guardian Angels, and also, for yourself as well.

Nico: You got that right.

Emerald Sustrai: And there's also something else you should know, guys. Meena happens to be my cousin.

Our jaws almost hit the dirt when Emerald said that.

Lincoln: What?! Wait, Meena's your cousin, Emerald?!

Meena Al'Asad Aldhahabiu: (Arabic Accent) That's right, and I heard that she's been freed from the Dark Queen of the Grimm's grip years ago, and from what I heard, she's part of your harem, that's truly amazing, Lincoln.

Nico: Wow, you sure kept track on our adventures, Meena, and now, that you're back, you, Lincoln, and Emerald have a lot of catching up to do.

Meena Al'Asad Aldhahabiu: (Arabic Accent) You said it, and there's also something else: I also hate Lori with a blazing passion because of a horrible incident that almost cost her little brother her life.

We gasped.

Lincoln: And it's a good thing I didn't ask Lori to join us today, and we'll hear the story later on. Trust me, guys, it's even worse than Bertha Sellington's hatred towards Lori.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Meena Al'Asad Aldhahabiu's neck with blue gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Meena Al'Asad Aldhahabiu: (Arabic Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means just like your cousin, you're now part of my harem and one of my many future wives, Meena.

Meena Al'Asad Aldhahabiu had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Meena Al'Asad Aldhahabiu's waist and Meena Al'Asad Aldhahabiu wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Meena Al'Asad Aldhahabiu's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Bridget from Guilty Gear, Merry, Shihoru, Yume, and Barbera from Grimgar: Ashes and Illusions.

Lincoln: Oh wow, it's Bridget from Guilty Gear and Merry, Shihoru, Yume, and Barbera from Grimgar: Ashes and Illusions.

Nico: Awesome.

Lincoln: Are you girls okay?

Shihoru: Yes, we're okay, thanks to you.

Then, when Shihoru and the other four girls saw who it was that saved them from Narcissa Belladonna, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and

Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and they had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large blue pants with multicolored lightning bolts on the thighs with the orange kanji on the left leg that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos", and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Shihoru: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Shihour: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Bridget (Guilty Gear), Merry, Shihoru, Yume, and Barbera with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Narcissa Belladonna, an old enemy of Lincoln and Demona Wendollstein's past and the older sister of the insane Jocasta Belladonna of The Church of Necrom, and even worse, Swartz was the one who busted her out, but she double-crossed and attacked him before she went off to get revenge on Lincoln and Demona on her own.

But, when Lincoln showed what he did to her, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Meena Al'Asad Aldhahabiu have a lot of catching up to do now that she's back in town, along with Emerald Sustrai, whom everyone found out that they're cousins. And at long last, Narcissa Belladonna, the most sadistic, bloodthirsty, and psychopathic monster Michigan has ever known and the elder sister of Jocasta Belladonna is gone for good, and she's never coming back.

Then, Lori came inside, and when she saw Meena Al'Asad Aldhahabiu, her blood ran cold and when Meena saw her, she glared at Lori.

Meena Al'Asad Aldhahabiu: (Arabic Accent) Lori, I cannot forget what you did and it almost cost Lincoln his life, you cellphone obsessed control freak. But, I'm going to look past it, now that the monster in you is gone.

Lori breathed a sigh of relief. But, we saw it for ourselves, and we were in for one big story later on.

Nico: Ooh boy, we're in for one really big story later.

Me: You said it.

Eli: Whatever Lori did, it's right at the top of the worst things she's ever done to Lincoln.

Lincoln: And I've kept a list of everything she, Lynn, Lola, Lisa, and Luan have ever done to me.

Lincoln got out a red book with a demonic face and inside the pages are every worst horrible thing Lori, Lynn, Lola, Lisa, and Luan have ever done to Lincoln, and we were stunned.

Nico: Holy crap!

Luna: Yeah, and that list has kept on growing even before those Dark Sides got the kibosh, dude.

Me: Yeah, and I've seen their book for myself, it's not pretty, bro.

---

After putting the kibosh on Narcissa Belladonna, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Meena Al'Asad Aldhahabiu saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Meena Al'Asad Aldhahabiu: (Arabic Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Meena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Meena Al'Asad Aldhahabiu: (Arabic Accent) That's incredible.

Nico: It sure is. So, Meena, what's the story on your blazing hatred on Lori? Lincoln also said that it's an incident that almost got him killed?

Meena Al'Asad Aldhahabiu: (Arabic Accent) Now, that I haven't forgotten. One day, I was with Lincoln at The Loud House, and we were working on some brand-new bikinis for the Guardian Angels. But, we suddenly heard the sound of stampeding feet heading our way, and the door was smashed into a million pieces, and when the dust settled, we saw who it was: it was Lori, but her eyes were red with hatred and she had sharp teeth in her mouth and she was on the rampage, and even worse, she had a sledgehammer in her hands and she was going to kill Lincoln. Lori chased Lincoln all over The Loud House with the sledgehammer and tried to hit him numerous times. She hit him hard on the stomach with it and he went crashing into the fireplace in the living room, and he had a nasty wound on his stomach, and Lori was going to kill him. I was so furious at Lori, I charged at her and I yanked the sledgehammer out of her hands and I started beating her up badly. But, then, Lori punched me hard in the head and she was about to kill me. But, then, she saw Lincoln get up and when I saw his eyes change to blood red, the mark on his stomach healed, and his vampire fangs grow longer, I knew that Lori crossed the line big time, and he pounced on her and he kicked her away from me and she went flying into the kitchen and straight into an isolation cube in the basement. Lincoln made some ice and he applied it on my head, and he was hugging me, and Lori had earned my blazing hatred because of what she did that day to me and Lincoln.

We cheered wildly for what Lincoln and Meena did to Lori.

Me: Wow, Meena, that was awesome.

Nico: And now, we know why Lori had earned your blazing hatred, and Lincoln, you were awesome when you went Vampire Lincoln and kicked Lori off Meena and sent her flying into an isolation cube in the basement.

Lincoln: I wasn't going to let Meena get killed by Lori, Nico, and it took Lori a long time to cool down along with earning my forgiveness.

Meena Al'Asad Aldhahabiu: (Arabic Accent) That's right. Oh, and in case you were about to ask.

Meena got out the two-piece bikinis she and Lincoln made, and they're based on their favorite colors and decorations.

May (Pokémon): Wow, those are really awesome!

Maria: You said it, you guys really made some awesome bikinis for the girls in Lincoln's harem.

Kuesa Sutādoragon: (Japanese Accent) Indeed, and I've also made the same thing for the girls in Lincoln's harem as well, with stars and decorations added as well.

Me: And you girls are also members of the Fashion Brigade too.

We got a shower afterwards, and then, Lincoln and his harem got ready to go to Emerald Coast in Sonic's World.

Lincoln snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in large orange swim briefs with elemental forces, stars, and mythological animals on them, orange sandals, his jewelry, and he also had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, ladies, are we ready?

Girl Jordan: We're ready, Linky.

Lincoln and the girls head for Emerald Coast in Sonic's World, and it's really amazing.

Lincoln: Ah, we're here in Emerald Coast.

Paige: That's right, and it's also perfect before we go back to Japan to meet the Zi-O Kamen Riders and finally destroy that bastard, Swartz.

Lincoln: You said it, Paige. Swartz has had this coming for a very long time. Shall we?

Lincoln and his harem dived right into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, they also had a game of volleyball and the girls got a massive deep atomic red blush when they saw Lincoln lift up a 900,000,000,000,000-lb barbell he summoned. Then, they also had some lunch on the sand, and then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem, and they wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they place their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and as the sun turned orange, Lincoln and the girls shared a passionate and romantic kiss and then, they came back home to The World Tree Estate and were back in their original clothes.

Me: Hey, guys, how was your date?

Lincoln: It was awesome, J.D., we went to Emerald Coast in Sonic's World, and we had fun there.

Me: Awesome, and we've been getting ready to meet the Zi-O Kamen Riders later on today, and we're finally going to kill Swartz and make him pay.

Maxxine: You said it.

Lincoln: Awesome, and mind if I say the same words to Swartz before you get to thrashing him into the dirt?

Me: Not at all, Linc.

Nico: Yeah, what you said to Negatoros, that was really awesome. So, you're going to do the same to Swartz before J.D. gets to pulverizing him.

---

Later we were watching TV back home.

Nico: You guys do what you usually do when we get back. Me, Poromon, Maxxine, Manny Armstrong, X Squad Dabi, and the Trinity of Violence will be visiting the local Weapons shop.

Me: Okay. Be careful guys.

Poromon: We will.

Maxxine: We're coming back fully armed for all of us.

Qin: Cool! Looking forward to seeing what you guys get.

Nico: Yep. We'll be back.

They left.

Lori: Nico, I literally don't think all of us going in is necessary.

Lynn: Yeah. Me, Lori, Lola, and X Squad Dabi going in and buying weapons is good enough.

Lola: We'll still need you guys to stay outside in case Swartz's goons try to get us.

Nico: Gotcha, Lola!

X Squad Dabi: Great! We'll be back out in about 15 minutes.

With that, X Squad Dabi and the Trinity of Violence went inside the Weapons shop. 10 minutes passed. But just when Nico was about to take a nap, Junkman, Grandma Taters, Baby Eddie, Eustace Strych and the Space Bandits showed up.

Grandma Taters: Excuse me. Are you Nico Chan?

Nico: That's me. Who wants to know?

Next thing they knew, all 7 of them pointed their guns at them!

Zix: We need to talk.

Nico: Wait! Aren't you guys more of Jimmy Neutron's enemies?

Grandma Taters: That's right. Grandma Taters.

Baby Eddie: Baby Eddie.

Eustace Strych: Eustace Strych.

Junkman: Junkman.

Space Bandit 1: And we're the Space Bandits.

Nico: Whoa! But if you are looking for a fight you picked the wrong man to battle.

Grandma Taters: Well we came to talk.

Junkman: We truly are sorry for disturbing you. But we need your help.

Nico: Well, you guys got a funny way of asking. Most people don't point guns at us when they need our help.

Baby Eddie: This is serious. Goobot's gone completely nutso cuckoo! It's one thing for him to be a sore loser over Neutron beating us. But teaming up with Swartz to kill the entire Multiverse?! I didn't sign up for that!

Zix: Look, you've seen how dangerous Swartz is. The kinds of monsters he's created! You're after him too, right? So, help us stop him and Goobot! That way, no one else has to die.

Maxxine: We're not doing shit until you put the guns down.

Eustace Strych: Not until you agree to help us!

Poromon: That's the opposite of what we just said!

Travoltron: Cut us some slack, okay? We had to knock down several Plumbers and several cops to find you guys! The least you can do is-

Just then, X Squad Dabi and the Trinity of Violence came outside and saw this.

Lori: What the Hell is literally going on here?!

Lynn: You guys having a party and you didn't invite us?

Manny Armstrong: Girls. And X Squad Dabi. These are Goobot's former teammates from the League of Villains. They want to help us.

Lola: Wait. Goobot's fucking teammates? Oh no, Manny. We're not buying it. Friends of Goobot don't just come in and offer their help. And let me remind you that Goobot's tried to kill us ever since we met him in 2018!

Tee: Hey, fool! Me and my buddies actually reformed the last time!

Nico: He's right. Jimmy told me. Besides, I think they really are sincere about this.

Lola: I know you think some of them are as cute as Pesto. But they're not fooling me!

Lori: Wait, Lola. Maybe Nico's literally onto something. After all, if they know something about Goobot and Swartz, we COULD get some info out of them.

Grandma Taters: (gets nervous) Oh, dear. Maybe we came at a wrong time. We're very sorry to disturb you. We'll just be going.

Just as they turned to leave, Manny Armstrong blocked their path.

Manny Armstrong: Oh no. You're not going anywhere. "friends".

X Squad Dabi: (sees the Trinity of Violence leaving) Where are you girls-

Lynn: Just hang tight, guys. We'll be back in a jiff with the others!

Nico: Wait. We'll go to them instead.

Poromon: Okay.

Nico: (To the League of Villains) Follow us.

They agreed.

The Trinity of Violence all got guns, lasers, blasters and more. Even fancy weapons like Tachyon Laser Blasters and rifles and more. It was for all of us.

But then we came.

Me: We got here as soon as we can.

Jimmy Neutron: PUKIN PLUTO! The League of Villains!

Me: So you guys are the League of Villains we heard a lot about.

Carnivac: Sorry we're late coming out here, guys. J.D. was blowing off some steam. (smirks at the League of Villains) And Pesto has something he wants to say to you guys!

Me: I was working at the training yards sorry.

But just as Pesto was about to say something, Zix pointed his gun at his beak.

Zix: Pesto, was it? We really don't got time for one of your temper tantrums. Swartz probably sent some generic goons after us. So, if you want to waste time beating us up, be my guest. But don't come crying to us when said goons catch up to us!

Eustace Strych: Although, Pesto beating us up probably won't be too bad compared to what Swartz will do if his minions find us.

Eli: Guys I sense that they are telling the truth.

Me: And I see them too!

I fired waves of energy balls and they hit the Generic Goons and blasted them into dust.

Qin: WHOA! That was close!

Nico: Yeah!

Me: But please put your guns down and we'll talk about this.

Pesto: (rejected) You know what? I don't have to take this.

Pesto flew up to his room grumpily.

Junkman: Geez, what's his problem?

Maria: I dunno. Maybe he's feeling left out of stuff.

Me: Yeah.

Nico: Now lets talk about this. Peacefully.

Me: And I'm blown off in some steam. Sorry I've been under a lot of pressure because of Swartz. He hurt my friends and I can't let him get away with it.

Baby Eddie: No wonder Nico's the boss now.

Zix: (facepalms) If Swartz doesn't kill us, J.D. will out of anger.

Me: Don't get me started. Please.

Zix: Sorry.

Nico: Guys that's enough.

Lynn: Anyway, Eli will be able to sense if our "new friends" over here are lying or not.

Eli: Ever occur to you that I'm more then just a human lie detector?

Nico: Eli, I know how stressed you and J.D. are about Swartz and how you might snap any minute. But please! This is a matter of life and death!

Eli: Okay.

He sensed that they aren't lying.

Eli: They're telling the truth.

Nico: Good.

Me: And Nico don't worry about me. I'm calm.

Calamitous and Beautiful Gorgeous just came and saw this.

Calamitous: Nico, what are our teammates from the League of Villains doing here?

Junkman: (Beautiful Gorgeous glares at him) You're not still mad about me kissing you under a love spell, are you?

Beautiful Gorgeous: What do you think?!

Me: I think that's a big yes.

Eli: Oh boy.

Qin: Yeah.

Shego: And I thought that me and Motor Ed were toxic

Zix: It ain't just Goobot either. Ora, Heure, Dark Plasmius, all the Another Riders that the Zi O Team have faced, Hiryu Kakogawa, several Kasshine soldiers, and Woz's former Quartzer pals are with him too.

We gasped!

Me: Whoa man!

Qin: This is gonna be brutal!

Nico: Big time!

Me: When May said it was gonna be dangerous they were right!

Qin: Whoa man! This is gonna be one helluva brutal battle!

Me: We're gonna have 20 years of Another Riders to destroy too.

Junkman: Although, you do have Another Riders in the Masters of Evil.

Calamitous: Of course we do.

Me: Yeah and that is so awesome.

Qin: You better believe it.

Lola: Yeah.

Nico: But we're ready for this.

Cindy Vortex: Hang on. Even if you are telling the truth, why the fuck would we let you guys help us after all the times you tried to kill us?!

Zix: First of all, me, Tee, and Travelotron actually joined you guys at the last moment.

Eustace Strych: And second, all we wanted was revenge against you, Neutron, and your friends. Destroying the entire Multiverse was never what we wanted!

Gears: That… actually does make sense.

Me: Yeah the entire multiverse is in danger.

Camie: We have to stop Swartz A.S.A.P.

Lola: I agree there. We don't have any other option.

Nico: I agree. Okay you guys are in.

Grandma Taters: Great! But on one condition.

Nico: Name it.

Grandma Taters: That we join the Masters of Evil when this is done.

Nico: Fair enough.

Misfire: (to Junkman) You know, when Beautiful Gorgeous first met us, we did say we were gonna kill you in the future.

Junkman: (laughs) Amazing how things change, isn't it?

Me: Yeah I agree. But I guess we have much bigger fish to fry.

Qin: Yeah.

Nico: Yep. We got to get ready now.

Then Gizmo, Blizzard, Scorcher, Abomination, Roman Goodwin, Dark Laser, Duskmon, Demyx, Ssserpent, and Roquefort appeared.

Gizmo: Can me, Blizzard, Scorcher, Abomination, Roman Goodwin, Dark Laser, Duskmon, Demyx, Ssserpent, and Roquefort go with you guys?

Nico: Yes you sure can. Maria call in all the Masters of Evil. We're going to need all the help we can get for this one.

Maria: You got it!

Maria called them.

Vypra and everyone came!

Vypra: We got here as soon as we could!

Nico: Awesome!

Dark Spicer: I can't wait to kick Swartz's motherfucking ass.

Catilla: Boss, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do an MTG Gene-slammer for Angel of Eternal Dawn.

Qin: Ooh that's gonna be pretty.

Lola: Yeah it sure is.

Me: I agree there.

Nico: Yep.

Nico gathered us all.

Nico: All right everyone listen up! We have a massive mission ahead of us! We're going into battle against the most dangerous enemy we've ever faced! His name is Swartz. He's the leader of the Time Jackers and the main villain that the Zi-O Riders have faced. For those of you that don't know anything about him I will tell you all about his history.

Nico did so.

---

Swartz is the leader of the Time Jackers and the main antagonist of Kamen Rider Zi-O. Though he originally appeared to share his cohorts' goal of choosing a new king to replace Oma Zi-O in the future, it is later revealed that Swartz is the one instigated the rise of Oma's Day and was simply using the Another Riders as a means to further along Zi-O's journey into the Demon King.

In truth, Swartz is the older brother of Tsukuyomi of the Resistance and both he and his sister are members of a royal family from an alternate timeline. When Tsukuyomi was appointed "Queen" instead of him, Swartz erased her memories and dumped her in the year 2068 in Oma Zi-O's timeline and instigated the events of the series as a means to acquire the Rider powers of Sougo Tokiwa when he is at his strongest and usurp the throne. He also later steals the Rider powers of Tsukasa Kadoya/Kamen Rider Decade and uses them to become Another Decade, gaining the power to create alternate worlds where Dark Riders triumphed over their respective Kamen Riders.

He was portrayed by Kentarou Kanesaki.

## Past

Swartz and his little sister Alpina were both members of a royal family from an alternate timeline who could control time. However, after Alpina was chosen to become Queen instead of Swartz, Swartz erased his sister's memories and sent her to the time of Oma Zi-O, where she was found by the Resistance and given the code name "Tsukuyomi". He later joined Quartzer at some point, becoming its agent.

## 2009

In April 24, 2009, Swartz was sent by Quartzer and caused the bus accident that killed both Sougo Tokiwa's and Hiryu Kakogawa's parents. He then abducted all the children aboard the bus to bring them to the Day of Oma where the world was being destroyed by the Dai Mazines. After a young Sougo awakens his time powers to save Hiryu from some rubble and age a Dai Mazine into dust, Swartz tells the boy that it was his destiny from birth to become a king before using his powers to make Sougo think the ordeal was a dream while implanting the desire inside his brain.

Swartz would later convince Hiryu that Sougo was responsible for his parents' deaths in order to get him to become Another Zi-O in the future.

## 2018 Birth of Zi-O

While Uhr and Ora are bickering about their recent failure to stop Zi-O, Swartz froze time around them and appeared. Condescendingly offering Uhr chocolate, Swartz tells the two that the events that lead to Oma Zi-O are still in motion and that they must continue with their plans to crown a new king in order to shift the flow of time to their desired world. Swartz then takes his leave and allows time to restart, leaving Uhr frustrated for being looked down upon.

Traveling to the year 2011, as Kamen Rider Fourze was battling the Scorpion Zodiarts, Swartz approached a boy named Ryuichi Sakuma and offers him the Fourze Anotherwatch. The boy accepts and Swartz places it inside of him, turning him into Another Fourze.

As Geiz was running through the city chasing after Hayase, Swartz froze time and greeted him. Using telekinesis to lift Geiz up in the air, Swartz warns him not to interfere with the Time Jackers' plans but Geiz refuses and, in response, Swartz drops him, sending him plummeting downward. However, before Geiz can hit the ground he is rescued by Woz. Observing this, Swartz wonders if Geiz and Woz are working together and decides to get rid of Geiz another time.

Following Another Wizard's defeat, Sworz approached Uhr and Ora as they were going back and forth on whose fault it was for the Another Rider's failure. Sworz noted to the two that Oma Zi-O had conquered time by pursuing his desires and never being in doubt of his destiny to become king, causing Ora to realize they needed to begin choosing people with an actual desire to become king.

Sworz would later create Another Gaim in 2013 by giving the Gaim Anotherwatch to Asura. Sworz and Ora also met with Geiz to convince him to join their side, telling him that they both shared the goal of bringing down Oma Zi-O. Sworz also revealed to Geiz that he was the one who created Another Gaim. Geiz contemplates their offer and decides to follow them temporarily.

As he was meeting with his fellow Time Jackers in a bar, the three were approached by Woz, who sought to ally with them. Uhr was hostile towards him and Ora thought it could be a trap, but Sworz noted that Woz was acting away from Sougo and his friends.

Nevertheless, Sworz asks Woz why they should ally, to which Woz states that they all have the shared goal of stopping Geiz Myokoin from altering time any further, convincing them to ally with him.

## 2019 Day of Oma

Discovering the Kikai Ridewatch, a small woodland parasite, Sworz forces Uhr to use it to become Another Kikai in order to test its power. He also has Ora fake a betrayal of the Time Jackers in order to obtain the password for Another Kikai so they can control it.

Sworz later approached Hiryu Kakogawa, the boy whose parents' deaths Sworz had caused, and, having convinced Hiryu that Sougo was responsible for his parents' deaths, gets him to accept the Another Zi-O Ridewatch in order to take revenge against Sougo.

After White Woz lost his Miridewatch and ability to become a Kamen Rider, he met with Sworz. White Woz comments that he will have to follow Sworz's actions more closely now, but Sworz simply tells him that he did not ask for his opinion. After White Woz chooses to side with the Time Jackers, Sworz supplies him with the Blade Anotherwatch, which White Woz used on Amane Kurihara to turn her into Another Blade. Following Another Blade's defeat, Sworz met with Uhr and Ora in a coffee shop. Uhr asks Sworz what he has been up to but Sworz ignores the question, simply remarking that more Ridewatches will be collected now that Sougo Tokiwa has gone through Oma's Day and still has a desire to become king. Ora then states that doesn't sound good, but Sworz assures that his plans are still going on.

## Road to the King

As Uhr and Ora are meeting a bar, Swartz appears to them and informs them that they are not needed for his new plan. Swartz later observes the Another AgitΩs as they are attacking the G3 team and turning them into more Another AgitΩs. As an Another AgitΩ is attacking Tsukuyomi, she somehow pauses time to freeze the monster, surprising Swartz. Intrigued by this new development, Swartz decides to "test" Tsukuyomi again. Swartz walks up Tsukuyomi as she is seated a bench and comments that she must be troubled by her new power, but Tsukuyomi tells him it has nothing to do with him. However, Swartz states that it does and sends Another Agito to attack Tsukuyomi again, telling Tsukuyomi to show him her power again.

As Tsukuyomi is fleeing from the Another Rider, Swartz notes that "Tsukuyomi" is just an alias and asks her for her real name, but Tsukuyomi tells him she doesn't know. Noting that she must have lost her memory, Swartz tells her it would be better if she did not remember. As Tsukuyomi is knocked to the ground, Shouichi Tsugami shows and transforms into Kamen Rider Agito to fight the Another Rider. However, the other Another AgitΩs sired by the original Another Rider soon show up to reinforce it. Swartz then approaches Agito and reveals he created the Another AgitΩs in order to lure the original Agito out so he could obtain his power before sending the Another AgitΩs to attack Agito.

While Agito initially manages to fight the Another Riders off, Uhr and Ora intervene and capture Tsukuyomi, distracting Agito and allowing the Another Agitos to gain the upper hand. Swartz tells the other Time Jackers he did not ask for their support, but they respond that Swartz's plan wasn't very effective to begin with. As Heure harvests the power of Agito to create the Agito Ridewatch, Tsukuyomi instinctively freezes time on everyone present for a short while, including Swartz. After time unfreezes, Uhr then leaves with the power of Agito. Tsukuyomi asks Swartz if he knows about her past or not, but Swartz does not respond and leaves with Ora.

Later on, Swartz was approached by Woz, who wants to discuss Tsukuyomi. Woz asks Swartz if he is trying to turn Tsukuyomi into a Time Jacker, but Swartz states that he was not responsible for Tsukuyomi's time powers. Woz then questions Swartz how Tsukuyomi could have developed time powers if he did not bestow them, as he is the only one who could give out the power, to which Swartz replies that he and Tsukuyomi are "cut from the same cloth".

After Ora created Another Kiva, Swartz observed the Another Rider while eating ice cream with Heure, expressing amused when Yuko refused to listen to Ora and threw a manhole cover at her. However, Swartz diverted his attention when he sensed the arrival of a powerful entity from space, Kamen Rider Ginga. Swartz and the other Time Jackers soon arrived at the site where Ginga's meteor had crashed along with the heroes and Another Kiva. There they witnessed Ginga emerge and launch attacks at everything in site, overwhelming Zi-O Trinity.

With Ginga's presence posing a thorn to both sides, Swartz, Uhr and Ora approach Sougo and his friends as they are walking through a sewer and propose an alliance to defeat Ginga, though he secretly planned to take Ginga's powers for himself. They then go to Yuko to convince her to join as well. Complimenting Yuko on her beauty, Swartz asks her for her assistance in stopping Ginga, to which Yuko agrees if everyone present kneels before her. Swartz complies, forcing Ora to kneel with everyone else. Despite this, Yuko still refuses to help, saying she will just ignore Ginga. Swartz angrily protests, only for Yuko to tell him she didn't ask for his opinion, amusing Uhr.

Swartz and the Time Jackers later work with Woz to take down Ginga. After dark cloud emerges in the sky, Ginga becomes immobile due to being powered by the sun. However, after the clouds clear, Ginga awakens again and fights off both the Time Jackers and Kamen Riders. Yuko also attempts to attack Ginga, but she is overpowered by the extraterrestrial Kamen Rider. However, her distraction provides an opening for a triple Rider Kick, with which the three Kamen Riders use to defeat Ginga. Ginga then flees to space in a beam of light, leaving behind some of his essence which becomes a Miridewatch. Swartz takes the Miridewatch but Woz swoops it out of his hand with his scarf and leaves to fight Another Kiva.

When a new wave of Worms emerged from a meteorite that crashed into Earth, Swartz observed Tsukuyomi use her time powers to rescue a mother and her child from being crushed by some falling rubble, noting that her time powers were becoming stronger and that her "awakening" would be soon. Tsukasa Kadoya then appears behind Swartz and asks what he means, but Swartz simply tells Tsukasa to "keep playing detective". Tsukasa replies that he certainly will find out the relationship between Swartz and Tsukuyomi.

After Uhr recovered the Ginga and Fourze Ridewatches, which had previously been stolen by Another Kabuto and a Worm imitation of

Shun Kageyama, Swartz took the Ridewatches from him to give to the Kamen Riders so they could use them destroy the colossal meteor of Worms that was about to collide with Earth. Swartz later finds Tsukasa and Tsukuyomi in the year 2058 investigating the truth behind Tsukuyomi. After knocking out Tsukasa, Swartz gives Tsukuyomi the Fourze and Ginga Ridewatches, telling Tsukuyomi to go back to the current timeline and deliver them to Sougo and Woz so they could destroy the Worm meteor. He then comments that when the King of Time's power and her power unite, it will commence a brand new era before returning to the current timeline. As Tsukuyomi used her time powers to freeze the Worm meteor so Woz GingaFinaly could destroy it, Swartz stated that it was fine that she was becoming stronger because she was his precious younger sister.

After Zi-O successfully obtains the power of all the previous main Heisei Kamen Riders and becomes GrandZi-O, Swartz alters the timeline to create a new present where Hiryu Kakogawa emerged as Oma Zi-O in 2019 and everyone excluding Woz, the Time Jackers, Hiryu Kakogawa, Daiki Kaito and Tsukasa Kadoya lost their memories of Sougo. This timeline is ruled with an iron fist by none other than Hiryu Kakogawa himself. In the new timeline, Swartz and the other Time Jackers alongside Woz served Hiryu, who had evolved into Another Zi-O II. He entrusts Ora with the duty of standing by the new King. Meeting with his subordinates, Sworz commented that since Sougo had obtained more power they shouldn't confront him directly. He then directs Ora to stand by their new overlord, though Ora expresses annoyance at Swartz bossing her around.

When Daiki Kaito stormed Hiryu's palace and stole the Another Zi-O II Ridewatch from him, Sworz froze time on Diend and returned the Ridewatch to Hiryu. Sworz then turned his attention to Kaito and unfroze time. Sworz told Kaito that if it was power he sought he would happily give some if he made himself useful and forcibly implanted time powers onto Kaito. With his new powers, Kaito was able to easily steal the GrandZi-O Ridewatch.

Swartz later approached Hiryu after he failed to finish off Zi-O II before Sougo was rescued by Geiz. He mockingly asks if Hiryu has lost to Zi-O, to which Hiryu responds that Sougo chose to ran away rather than continue to fight. Swartz then takes notice of Tsukuyomi, but before he can do anything she flees. However, Uhr soon catches her and deliver her to Swartz. After Uhr brings her to Hiryu's castle, Swartz approaches her nad reveals that he and Tsukuyomi are siblings, shocking both Uhr and Tsukuyomi.

Swartz then reveals to everyone present that both himself and Tsukuyomi are members of a royal family from an alternate timeline and that he was the one who sent her to the future of Oma Zi-O. Uhr and Ora both voice their protests, but are unable to do anything as Swartz steals both of their time powers before turning his attention to Tsukuyomi. As Swartz steals Tsukuyomi's powers, Woz barges in and tries to stop Swartz but Swartz simply pushes him aside before nabbing the rest of Tsukuyomi's powers. Later, as the Kamen Riders were fighting against Hiryu's army of Another Riders, Swartz confronted Tsukasa Kadoya and froze his time, allowing him to harvest the Destroyer of Worlds' power and derive the Decade Ridewatch from it.

Swartz later created Another Drive and sent it after Uhr and Ora. After Zi-O and Geiz defeated Another Drive with the combined power of their Rider Kicks, Swartz appeared before them and transformed into Another Decade before summoning Kamen Riders G4, Fuma, Dark Ghost and Rey to fight them. Swartz's Dark Riders beat back Zi-O and Geiz with their combined power, causing Woz to swoop up the two in his scarf and teleport away.

Swartz later confronted Sougo as he was with one of his friends and summoned Katsumi Daido / Kamen Rider Eternal to fight him. Kamen Rider Eternal beat down Sougo, but before he could finish Sougo off Tsukasa arrived and teleported himself and Sougo away with one of his portals. Soon after, Swartz and Eternal were confronted by Michal Minato / Kamen Rider Aqua. As Eternal was fighting Aqua, Aqua used his powers to trap Swartz so Tsukuyomi could take back her time powers from Swartz, but before she could finish Swartz broke free by transforming into Another Decade. Geiz then arrived to assist Tsukuyomi, but Swartz simply teleported him into his Another World so he could summon White Woz in his place to face Tsukuyomi. However, as Another Decade was about to finish off Tsukuyomi, Kamen Rider Woz GingaFinaly appeared and teleported away with Tsukuyomi.

Swartz was later approached by Ora, who asked for her time powers back in exchange for having killed Uhr. Swartz obliged her request and restored them, planning on using her as backup. After Black Woz defeated White Woz with the power of GingaFinaly, Swartz summoned White Woz again, and White Woz teleported himself Black Woz and Tsukuyomi to the Another World where Geiz was located. As Sougo and Michal Minato were facing off against Swartz, Swartz had Ora freeze their time.

With Sougo frozen, Swartz revealed how he had selected him to be king and triggered his rise into Oma Zi-O so he could steal his power one day. Ora then froze Swartz as well and attempted to stab him, but Swartz blocked her blade with a portal, revealing he had known about Ora's betrayal, before becoming Another Decade and killing her. Turning his attention back to Sougo, Swartz sent Kamen Rider Eternal to fight him, but Sougo used the Zi-O Trinity Ridewatch to transport himself and Eternal to the Another World where Woz and Geiz were, causing Eternal's finisher to destroy the Another World.

After Sougo and his friends returned from the Another World, Swartz killed White Woz before he could reveal anymore of his plans. Swartz revealed that not all of the Another Worlds were destroyed and summoned the rest of his Another World Riders to fight Sougo's friends. While Geiz and Woz dealt with the Dark Riders, Swartz became Another Decade to face Zi-O and Kamen Rider Aqua. Aqua attempted to Rider Kick Another Decade, but Another Decade's power overwhelmed Aqua and killed him, creating a downpour of rain. As Sougo grieved over Michal, Swartz revealed that, while he and Sougo could not exist in the same timeline together, destroying him would also get rid of Tsukuyomi, as his axis of time was linked with hers. Swartz then told Sougo he had three paths to choose from, the path of Tsukuyomi, the path of Sougo or the path of Oma Zi-O.

`When Tsukasa Kadoya brings Sougo and Tsukuyomi back to 2058 to talk to the girl's younger self, a younger Swartz is also present to discuss the circumstances. He states that his world is going to come to an end, but he will prevent it from happening by destroying the other worlds, one by one. Sougo asks how the young Swartz can do such a thing, to which he responds he is going to combine the other worlds into one. As there is a Kamen Rider in each world, when all of the worlds merge, his world will be saved from destruction. After the explanation, he takes the young Alpina with him, but Sougo asks what he would do if Alpina becomes more powerful. He further explains that with Alpina's help, Swartz's plan can come into fruition a lot more easily. However, the young Swartz outright states that should Alpina become powerful enough to challenge him, he will dump her into another timeline after wiping her memory.

Tsukuyomi intends to kill the young Swartz in the year 2058 to end the trouble before it starts, but she is ultimately unable to pull the trigger. Swartz fires an energy blast, also with the intention to kill the girl, only for Tsukasa to step in and take the blast for her, killing himself as a result.

Just then, Daiki Kaito also arrives at 2058 via a Dimensional Wall. The young Swartz retreats after dodging a few shots of his Neo Diendriver. Tsukasa is later revived by Daiki's Another Zi-O II Watch.

## The Final Battle

Back in the present day, more and more monsters from various Kamen Rider series emerge and the world is on the verge of destruction. Geiz is trying his best to save as many people as he can. Amidst the chaos, Swartz shows up, transforms into Another Decade to challenge Geiz Revive to a battle. The two fight for a while before Tsukasa comes to help Geiz. In the middle of the fight, Geiz and Tsukasa note that Swartz's timeline will be saved from destruction, but not by Swartz, rather, by his sister Tsukuyomi. The Time Jacker is furious at this statement, and he proceeds to overpower both Geiz and Decade. He prepares a Rider Kick aimed at Geiz, but Geiz suddenly disappears (He is summoned by Zi-O Trinity), much to his surprise.

Tsukasa continues the battle, but Swartz stops time and freeze him in place, boasting about being the strongest. However, he is counterattacked by Diend, who has been given time powers by Swartz himself. Despite having to fight two on one, Another Decade still has the upper hand against Decade and Diend. He uses a Dimensional Wall to leave the scene, saying that he will erase Tsukuyomi, alerting Geiz (who has just returned after Zi-O Trinity detransforms).

As Mashin Chaser is chasing after Tsukuyomi, trying to kill her, Another Decade stops him, saying that he will finish the job himself. However, Chase suddenly gets in his way, having regained part of his heroic personality, and tries to fight him. Unfortunately, Mashin Chaser is no match for Another Decade, and Swartz kills him with a Rider Kick. With his obstacle gone, Swartz focuses on his sister again. Sougo runs towards the scene, telling Tsukuyomi to pull out her Ridewatch. It is revealed that Sougo has previously travelled to 2068 to give the Tsukuyomi there a blank Ridewatch. Now that the watch has been imbued with a part of Oma Zi-O's power, the present Tsukuyomi gains the power of a Kamen Rider herself. Woz throws her a Ziku-Driver, and she begins her transformation, much to the shock of Swartz.

However, rather than attack Swartz, Tsukuyomi instead bowed down on him and pledged to serve him. Laughing, Swartz departed with his sister and later met with her at night to discuss their plans. Swartz questioned Tsukuyomi as to what her goal was, to which Tsukuyomi simply states she seeks to serve him.

Becoming Another Decade, Swartz is later confronted again by Sougo, who reveals the Grand Zi-O Ridewatch was restored thanks to Junichiro Tokiwa repairing the Ridewatches. Becoming Grand Zi-O, Sougo summons Build TankTank Form (From Build Episode 35), Drive Type Formula Mantarn (From Drive Episode 23), Ghost Ore Damashii (From Ghost Episode 1), Ex-Aid Maximum Gamer Level 99 (From Ex-Aid Episode 23), Double CycloneJokerXtreme (From W Episode 32), OOO Tajadol Combo (From OOO Episode 20), Wizard Infinity Style (From Wizard Episode 31), and Gaim Pine Arms (From Gaim Episode 2) to combat Another Decade. In response, Another Decade summoned the Utopia Dopant, N-Daguva-Zeba, Gamedeus, Sagittarius Zodiarts and Kamen Rider Evol to fight Zi-O's Riders. After Swartz's summoned monsters defeat Zi-O's Riders, Swartz fires an attack at Zi-O to finish him off, but Geiz steps in to block the attack, resulting in him being fatally wounded.

Angered over Geiz's death, Sougo's Ziku-Driver morphs into the Oma Driver and Sougo transforms into Oma Zi-O. With Sougo now Oma Zi-O, Swartz attempts to absorb the power of Oma Zi-O but only manages to take a small portion before Oma Zi-O's power overwhelms him. Sougo declares that Swartz is not fit to hold the power of the past 20 Riders, but Swartz brags that he still managed to take a piece of it before attempting to teleport away. However, before he can escape, Swartz is stabbed through the back by Kamen Rider Tsukuyomi. Realizing she had only pretended to side with him to find his blind spot, Swartz turns around and knocks Tsukuyomi into a wall, fatally wounding her. Now even more furious after witnessing Tsukuyomi's death, Oma Zi-O performs his finisher on Another Decade. Before the finisher kills Swartz, Tsukuyomi freezes time and tells her brother the world is already hers. Tsukuyomi attempts to comfort her brother, but Swartz tells her to spare him her words before time unfreezes and they are both destroyed.

When he was done many of us that hadn't heard about him were shocked!

Lillith Rexxington: HE'S THAT DANGEROUS!?

Nico: Yep. And he must be stopped at once!

Me: And we're going to make him pay for everything he did.

Nico: Yes we are. All right everyone. Lets saddle up and head out!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than our old enemy, Daolon Wong, and he's come back from the dead seeking revenge on us for what we did in destroying him long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like this person one bit: the dark energy signal I sensed belongs to our old enemy, Daolon Wong, and he's come back from the dead seeking revenge on us for what we did in destroying him long ago.

We gasped in shock.

Me: Daolon Wong's come back?! I thought we finally got rid of him after we exposed Pacifica's former parents.

Nico: Yeah, we sent Daolon Wong to The River of Fire after we destroyed him when he was brought back as a Heartless.

Uncle (Jackie Chan): I should've known Daolon Wong would one day return yet again, he just doesn't know when to quit.

Maxxine: You said it. That dark chi wizard's just a glutton for punishment, and what he did to your master, he deserves to get sent to The Black Gates.

Finn (Jackie Chan): You said it.

Lincoln: Daolon Wong is known as a master of Dark Chi Wizardry, but there's always a weakness: the counter of Dark Chi is Good Chi, and I have a few spells to weaken that Dark Chi Wizard, and I'm also going to drain him of all his powers and magic.

Maxxine: Now, this I got to see.

Me: Same here, and Lincoln's going to help you with this one, Maxxine.

Nico: Yep. Alright, gang, let's go, it's time to meet the Zi-O Kamen Riders and take that lying bastard, Swartz, down for good.

Me: Yeah, he's had this coming for a long time.

Lincoln: He's getting The Black Gates for good, and the same goes with you later on today, Daolon Wong, and you're going to pay for what you did in killing Chi Master Fong, you monster.

We were all off to Japan!

---

We arrived and we saw them fighting a bunch of footsoldiers and an evil Rider.

Scorcher: There they are! But who are they fighting?

Woz: One of my former comrades in the Quartzer. His name is Kagen aka Kamen Rider Zonjis. With him are several Kasshine soldiers.

Me: I remember him!

---

Kagen is an elite Quartzer with the power to transform into Kamen Rider Zonjis and one of the two secondary antagonists of the movie Kamen Rider Zi-O: Over Quartzer.

He is portrayed by Papaya Suzuki.

Kamen Rider Zi-O: Over Quartzer

Kagen and the other Quartzers conspired to remake the Heisei era of Kamen Rider with themselves as the Kamen Riders. To accomplish this, they used Sougo Tokiwa/Kamen Rider Zi-O to unify the worlds of the Heisei Riders into a singular timeline for them to destroy and recreate anew.

In order to get Sougo to meet Krim Steinbelt and obtain the last of the Ridewatches, the Drive Ridewatch, Kagen and Jogen were sent into the Sengoku Era to target Krim's ancestor, Clara Steinbelt, to get Sougo to travel back in time. While Sougo was guarding Oda Nobunaga during the fight between the Oda and Takeda armies, Kagen ambushed them alongside several assassins from the Takeda clan and transformed into Kamen Rider Zonjis to battle Zi-O, but was fought off.

After Sougo returned to present and obtained all of the Heisei Ridewatches, Kagen and Jogen returned to the other Quartzers as Woz delivered the Ridewatches to their leader, SOUGO Tokiwa. After Sougo is defeated and imprisoned, the Quartzers commence their plan to erase the Heisei Era by having the Dai Mazines form a portal and suck up the world of the Heisei Riders.

However, Sougo is freed by Tsukuyomi and Gou, and goes to assist Geiz in confronting the Quartzers. Kagen and Jogen assume their Rider forms to deal with Geiz and Sougo. After Woz defected from the Quartzers and rejoined Sougo's side, Zonjis and Barlckxs fought Geiz and Woz while Zamonas and the Dai Mazines dealt with Zi-O. Zonjis and Zamonas later fought the 19 Heisei Riders summoned by Sougo and were defeated when the 20 Heisei Riders all performed their Rider Kicks on them. As he was seemingly destroyed, Zonjis dropped his J Ridewatch, which was picked up by Barlckxs to use to grow giant.

However, after the Quartzers and their army are defeated, Zonjis is revealed to have survived along with two Kasshin and vows to remake the Heisei Era himself. A new Rider then appears to stop Zonjis and announces himself as the first Reiwa Rider, Kamen Rider Zero-One. Tossing off his mantle, Zonjis declares he will crush the Rider and attacks him. Using Barlckxs' RoboRider Ridewatch, Zonjis fires missiles from his chest at Zero-One. However, Zero-One assumes Flying Falcon form and dodges the missiles before destroying Zonjis with a Rider Kick.

---

Nico: He is dangerous. Lets get him guys!

We went at them.

Kagen: You won't defeat Swartz!

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and a phoenix cry was heard.

Zocks: (SINGING) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

We landed and I fired a blast of energy and smashed Zonjis down!

Maxxine: Looks like the fun has started!

Tsukuyomi: Hey guys!

Me: We aren't too late to join the party are we?

Geiz: Nope you made it just in time.

Sougo: Good!

I blasted the Kasshine Soldiers and destroyed them.

Nico tried to punch Kagen but I hurt his hand.

Kagen: (laughs evilly) Is that the best the leader of Team Loud Phoenix Storm can do?

Woz: Lord Nico, Kagen is too strong! We need to retreat back to 9 5 DO! Or at least call the Zero One and Saber team for backup!

Nico: No time! Look at the mess Swartz has caused with a fraction of his Another Decade powers. Imagine what he'll do with the rest of it!

Nico then looked at Venom and Woz's eyes widened as he realized what I was planning.

Woz: No, Lord Nico! The Symbiote black suit is too dangerous!

May: (looks at Yost Venom) He won't share this burden alone!

Nico grabbed Venom by the back and used Parasite's power to get some of his Symbiote. Meanwhile, May grabbed Yost Venom by the back and did the same thing. Both versions of Venom screamed in pain the entire time while Nico and May grunted in pain.

Me: WHOA!

Nico: We! ARE PAIN!

May: WE! ARE TORTURE!

Me: WHOA!

Maria: Woz it's all right! We did this before! It's a long story!

Me: Wow! Nico, May, how do you feel?

Nico/Pain: We feel amazing!

Woz: (shocked) Lord Nico…

Nico: Sorry, Woz. But it's time to fight fire with fire.

Me: Woz sometimes desperate times call for desperate measures.

I went Super Angel Xelnaga!

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Justice, Friendship, Love and Valor) **Now for this!**

I punched Kagen and knocked his entire helmet off!

Sougo: My turn!

Armor Time! (Techno rock music) Progrise! Zero-One!

Sougo gained Zero-One Armor!

Geiz: Now for me!

Powered Time!

Geiz became GeizRevive Goretsu.

Me: **Awesome! And you guys are gonna love this!** (Activates CHROMASTONE'S RIDEWATCH)

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Me: (SINGING DIVINELY AS CRYSTALS AND LIGHT SWIRLS

AROUND ME)

**A clouded dream on an earthly night**

**Hangs upon the crescent moon**

**A voiceless song in an ageless light**

**Sings at the coming dawn**

**Birds in flight are calling there**

**Where the heart moves the stones**

**It's there that my heart is calling**

**All for the love of you**

**A painting hangs on an ivy wall**

**Nestled in the emerald moss**

**The eyes declare a truce of trust**

**And then it draws me far away**

**Where deep in the desert twilight**

**Sand melts in pools of the sky**

**When darkness lays her crimson cloak**

**Your lamps will call me home**

**And so it's there my homage's due**

**Clutched by the still of the night**

**And now I feel you move**

**Every breath is full**

**So it's there my homage's due**

**Clutched by the still of the night**

**Even the distance feels so near**

**All for the love of you**

**A clouded dream on an earthly night**

**Hangs upon the crescent moon**

**A voiceless song in an ageless light**

**Sings at the coming dawn**

**Birds in flight are calling there**

**Where the heart moves the stones**

**It's there that my heart is calling**

**All for the love of you**

I danced divinely and fired waves of light and energy and blasted Kagen all over and it blasted his armor off!

Sougo: WHOA! That was awesome J.D.!

Geiz: Wait! Was that an Omnitrix Alien Ridewatch!?

Me: **We'll explain later. We have so much to tell you.**

Woz: (to Sougo) My demon king, you do the honors of finishing this cretin.

Sougo: With pleasure Woz. Sis you want to make it a combo?

Maxxine: You read my mind!

Sougo and Maxxine activated their Ridewatches. Sougo's was for Saber and Maxxine's for Shendu.

Sougo and Maxxine: FIRESTORM OF THE BRAVE DRAGON!

They fired a massive blast of fire and it slammed into Kagen and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: **OOOHH YEAH!**

We powered down.

Nicole tied him up and stripped him of his Ridewatch and belt

Poromon: Sougo! Geiz! I missed you two!

Sunstorm: (laughs) You really did, huh?

Sougo: We missed you too guys!

Me: And Tsukoyomi we missed you.

Tsukuyomi: I missed you too.

Nico: We did too.

Me: Nico are you all right?

Nico: Relax, J.D. Everything's fine. Me and May are in full control of our temporary Symbiotes.

Venom: A little warning next time would be nice.

Nico: Sorry.

Me: But at least this isn't permanent. You scared us there.

Qin: Yeah.

Me: But Sougo it looks like we got here just in time.

Sougo: You sure did.

Nico: Lets talk more at your base.

Sougo: Sure.

We went to the base of the Zi-O Riders.

Geiz: As long as you two are still yourselves, I've got no problem with this. (shudders) Last thing we need is you two acting like Bully McGuire.

Spiderman: We DON'T talk about that.

Me: Right right I remember seeing that in the movie! That was awful!

Mary Jane: Yeah it was.

Me: And in all honesty Peter, that was THE MEANEST version of Venom I've ever seen.

Nico: It sure was.

Spiderman: Yeah.

Roman Goodwin: Sougo, why exactly is your Kamen Rider form called Zi O?

Sougo: It means of Transportation and Time Travel. The Zi-O Team is all about time travel.

Ryotaru: That's like me and the Den-O team.

Me: Yeah and believe it or not Sougo you know that we are all no strangers to time travel. We went to many places all over the Spacetime Continuum.

Tsukoyomi: That's right I remember that!

Lola: Yeah it's so awesome.

We arrived at the base.

Sougo: Here we are.

Maxxine: As awesome as I remember.

Vypra: Nice place guys.

Geiz: It's home.

Woz: Yes it is.

Junichiro Tokiwa: Good to see you and J.D. again, Nico. Though if I knew so many of you would be here, I would've gotten a bigger table.

Supernova Zap: It's ok, Mr. Tokiwa.

Me: But it's good to see you again too Mr. Tokiwa.

Nico: Same here.

Sougo: So how did you get an Omnitrix Alien Ridewatch?

Me: Well that's the thing we are here for. Over the last couple of months we were battling Another Riders and Another Rangers. We took down Another Kamen Riders and Another Super Sentai and Another Rangers from over the course of 20+ years and 46+ Years.

I pulled out my bag and opened it and in it was numerous Ridewatches all for the powers of the Masters of Evil and the Rangers and Sentai and Omnitrix Aliens.

Me: We already took care of all the Another Riders and Rangers and Sentai. But now we're facing Another Omnitrix Aliens. But as we defeated the Another Riders and Rangers we all got Legend Items from all of those series they came from.

Geiz: I never thought I'd hear myself say this. But Swartz has actually proved himself more dangerous than Ohma Zi O

Duskmon: Geiz, even Ohma Zi O would never do what Swartz has done so far.

Me: No I think Ohma Zi-O was worse. But many of those Another Riders and Rangers have all been my friends that I have known for years. Also some of them have been minor enemies that we dealt with in the past.

Varya Visnapuu: (Estonian Accent) The most recent and last

Another Ranger was an enemy from my country that I hated with a vengeance for killing my entire family.

Me: Leena Klammer.

Tsukoyomi: Oh man! I heard so much about her.

Poromon got out 3 beer bottles.

Sougo: What are those?

Poromon: 3 bottles of beer!

Sinnertwin: Sure you brought enough?

Poliwag: (points to each one with his tail) One is for Sougo, one is for Geiz, and one is for Tsukuyomi!

Tsukuyomi: That's nice of you guys. But I don't drink.

Sougo: Sorry. Me neither.

Geiz: Me neither.

Me: Oh right. We also got these too.

Megan McCallister, Lillian, Maria, May, Stella and Qin showed their new Grand Zi-O Ridewatches.

Sougo: You guys have your own Grand Zi-O Ridewatches!?

Qin: We just got them. I got mine yesterday.

Maria: We were amazed using them too.

Sento: We all were amazed ourselves.

Qin: It sure is cool.

Ssserpent: My guess is that Swartz used his Another Decade Powers to recruit the members of his Dai Shocker group.

Me: I have that same suspicion myself. And we defeated and destroyed all of them. We took down 10 of them. All that's left is Swartz himself.

Eli: Yeah.

Sougo: Wow! You guys have been really busy these last few days.

Camie: I think that is a massive understatement.

Volt Luster: No. After Swartz, there's still Ark and Storious.

Brontes: Compared to Swartz, those two will be easy!

Me: Lets not get overconfident. But you're right Ark and Storious will be no problem. We're calling this the 13 Days of Kamen Riders. It's so awesome. This is day 11 of our adventure.

Lana: Yeah.

Sougo: That is cool.

Me: It sure is.

Geiz: Are you guys not doing Ambassador Missions?

Me: No we're on break. We're just waiting for the Dino Fury Rangers to finish up.

Geiz: Oh.

Roquefort: Cheese Ninjas, go out and see if you can find Swartz and his gang.

Ninja 1: Yes sir!

ZOOM!

They went to search for them.

Roxas: Sure, there might still be Another Omnitrix Aliens even after Swartz is gone. But at least he won't be able to make additional ones.

Me: Yeah that's true.

Nico: Yeah it sure is.

Lola: I agree.

Nico: I thought it was so much fun making Ridewatches too.

Sougo: How many of these Another Omnitrix Aliens do you think Swartz made?

Demyx: My guess is 100.

Me: Hmm. Well in the Omnitrix there's over 1,000,000 aliens. But I don't think Swartz would be that crazy to make Another Omntrix Aliens for EVERY Single alien there is in the Galaxy.

Qin: That would take forever wouldn't it?

Me: Hmm. I'm not very good at Statistics but I think it would. Unless he had a huge factory.

Red Hood: Look on the bright side. At least no Kamen Rider got their history erased by the creation of the Another Riders this time, right?

Nico: That's good that didn't happen.

Eiji: Yeah no kidding there.

Qin: Thank goodness.

Eli: Yeah.

Dark Laser: By the way, Sougo, Woz has actually started calling Nico "Lord Nico".

Sougo: Did he really?

Nico: Yeah I like being called Lord Nico.

May: And he calls me Lady May.

Qin: And he calls J.D., General Knudson.

Me: It has a nice ring to it.

Sougo: That's cool!

Quake Woman: Nico, which blueprints do you have for us.

Nico: Here they are.

Nico got out blueprints for the Ridewatches of Gutrot, Whampire, Shock Rock, Slapback, Surge, Shellhead, Sandbox, Snakepit, Rocks, Squidstrictor, and their copies

Me: Wow! We definitely know which gene-slammers are getting the copies for those.

Qin: Yep.

Me: Now the question is which Core 310 members get the originals.

Gloria Gellespie, Denise Wellington, Tasha Noriyama, Leina Kingston, Suzie Remmington, Wendy Traviston, Melissa Edinborough, Ruth Lincoln, Maya Nagoshima, and Rachelle Orinoco get the copies. Sage, Spiderman, Becca, Kim Possible, Ben, Qin, Ino, Cameron, Duncan, and Yusuke will get the Originals.

Abomination: Geiz, you and Sougo will like your archenemies. One is a monster the Megaforce Rangers fought. One is one their Japanese counterparts fought.

Vypra: Yep.

Nico: Lets get the usual battles underway.

Vypra: All right guys you're up.

(Okay)

Then Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost went up.

Nico: So it's Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost's turn.

Box Ghost: Yep.

Dirty Bubble: Nico, you and May are in control, right?

Nico: Of course we are.

Brain: Good. The last thing we need is you two losing control.

Me: Yeah.

Swordsman: Like the Symbiote names though.

Nico: They are neat.

Onyx: (to Nico) Heard you went to the Light Civilization.

Nico: We sure did.

Dr. Destiny: How was it?

Me: It was so awesome and cool.

Qin: We had fun there.

?: That is cool!

A figure came out and it was CHIEF OF MAKUU PRISON ASHURADA from the Gokaiger movie, Gokaigers VS Space Sheriff Gavan!

---

The chief of the Zangyack's prison in Makuu Space who has inherited the blood of Don Horror. He has six arms and the ability to produce Makuu Space and the Makuu City. He disguised himself as Chief of Space Police Weeval (宇宙警察総裁ウィーバル Uchū Keisatsu Sōsai Wībaru) to spy on the Space Police. When he and the superintendent were clear, Joe Gibken and Don destroyed the prison with the GokaiGalleon Buster's Rising Strike with the blast tearing upwards through the ground and taking out the Sneak Brothers and Mons Drake as well. Although seemingly killed when the prison imploded, he managed to survive and confront the Goseigers and Gavan with his entire army of Gormin and Sugormin. Whilst Gavan destroyed Don Horror with his Gavan Dynamic, Asurada used his tentacles on the Gokaigers. However, was defeated by thier Gokai Changes before being destroyed by thier Gokai Saber Final Wave combined with an energy slash from Gai's Gokai Spear.

Qin: That was awesome.

Chief of Makuu Prison Ashurada: You guys know the Beast Morpher Rangers met the American counterpart of Gavan, right?

Me: We sure do. But it's too bad you weren't in the series.

Me: Yeah what a ripoff! That was so awesome.

Qin: It would have been cool!

We got the usual battles underway.

Cozy Glow: Her Story is cool too. And she makes awesome and beautiful clothes.

---

Meena Al'Asad Aldhahabiu: (Arabic Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Meena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Meena Al'Asad Aldhahabiu: (Arabic Accent) That's incredible.

Nico: It sure is. So, Meena, what's the story on your blazing hatred on Lori? Lincoln also said that it's an incident that almost got him killed?

Meena Al'Asad Aldhahabiu: (Arabic Accent) Now, that I haven't forgotten. One day, I was with Lincoln at The Loud House, and we were working on some brand-new bikinis for the Guardian Angels. But, we suddenly heard the sound of stampeding feet heading our way, and the door was smashed into a million pieces, and when the dust settled, we saw who it was: it was Lori, but her eyes were red with hatred and she had sharp teeth in her mouth and she was on the rampage, and even worse, she had a sledgehammer in her hands and she was going to kill Lincoln. Lori chased Lincoln all over The Loud House with the sledgehammer and tried to hit him numerous times. She hit him hard on the stomach with it and he went crashing into the fireplace in the living room, and he had a nasty wound on his stomach, and Lori was going to kill him. I was so furious at Lori, I charged at her and I yanked the sledgehammer out of her hands and I started beating her up badly. But, then, Lori punched me hard in the head and she was about to kill me. But, then, she saw Lincoln get up and when I saw his eyes change to blood red, the mark on his stomach healed, and his vampire fangs grow longer, I knew that Lori crossed the line big time, and he pounced on her and he kicked her away from me and she went flying into the kitchen and straight into an isolation cube in the basement. Lincoln made some ice and he applied it on my head, and he was hugging me, and Lori had earned my blazing hatred because of what she did that day to me and Lincoln.

We cheered wildly for what Lincoln and Meena did to Lori.

Me: Wow, Meena, that was awesome.

Nico: And now, we know why Lori had earned your blazing hatred, and Lincoln, you were awesome when you went Vampire Lincoln and kicked Lori off Meena and sent her flying into an isolation cube in the basement.

Lincoln: I wasn't going to let Meena get killed by Lori, Nico, and it took Lori a long time to cool down along with earning my forgiveness.

Meena Al'Asad Aldhahabiu: (Arabic Accent) That's right. Oh, and in case you were about to ask.

Meena got out the two-piece bikinis she and Lincoln made, and they're based on their favorite colors and decorations.

May (Pokémon): Wow, those are really awesome!

Maria: You said it, you guys really made some awesome bikinis for the girls in Lincoln's harem.

Kuesa Sutādoragon: (Japanese Accent) Indeed, and I've also made the same thing for the girls in Lincoln's harem as well, with stars and decorations added as well.

Me: And you girls are also members of the Fashion Brigade too.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: YEAH! Chief of Makuu Prison Ashuruda you have failed this city!

Troy Burrows: Rangers that's a Super Mega Win!

---

We regrouped and everyone cheered for us.

Sougo: That was so awesome!

Tsukuyomi: Yeah it sure was!

Me: Thanks.

Motormaster: Now, let's go after Swartz.

Nico: You read my mind.

Junichiro Tokiwa: Make sure to stop Swartz for good, guys.

Blizzard: Trust me, Mr. Tokiwa. Putting an end to this is exactly what we plan to do.

Me: And we're going to make sure we get rid of him forever!

Qin: You got that right!

Me: Yep.

Zix: So, I heard you guys got some astrorubies a few months ago.

Me: We sure did. But we put them in our vault because of the power they have. Ruby Madness.

Qin: Yikes.

Sougo: Is it true that Hiryu's with Swartz as well?

Baby Eddie: Sorry, kid. But that's the truth.

Me: Oh boy. But we'll stop him.

Qin: Yeah.

Eli: Swartz is in an abandoned factory on the north side of the city.

Nico: Then that's where we're heading. Get ready Swartz…

Me: (EYES GLOW RED) YOUR ANGELS OF DEATH ARE COMING FOR YOU!

We were off!

---

We were flying.

Maria: Thanks for coming, Mummy.

Mummy: No problem Maria. Even though we all were with you guys for this.

Maria: Sorry force of habit. But this is gonna be so awesome.

Qin: I can't wait to destroy that monster.

Me: We all can't wait.

Nico: Yeah. This is gonna be good.

We arrived at the factory and we went in and hid and the Mummy went up to SWARTZ! With him was KING GOOBOT V, DARK PLASMIUS, ORA, HEURE, ALL THE ANOTHER RIDERS, HIRYU KAKOGAWA and several Kasshine solders and the rest of the Quartzer!

Mummy: So, you must be Swartz, the big bad himself. I see you have Goobot, Ora, Heure, Dark Plasmius, all the Another Riders that the Zi O Team have faced, Hiryu Kakogawa, several Kasshine soldiers, and the rest of the Quartzer with you.

Swartz: Correct. And if you're here, Team Loud Phoenix Storm isn't far behind.

Then the spirits of all the Kamen Rider Symbols from over the course of 50+ Years appeared and swirled around them and blasted numerous soldiers and Quartzer and killed them and banished them to the Black Gates. Then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and fireballs rained down and hit the Another Riders and smashed them to the ground. Then a Phoenix Cry was heard and we came out!

Me: Hello Goobot, Plasmius, Ladies and gentlemen of the Another Rider Dirtbag gang.

Nico: Ora and Heure. Doing well I see.

Me: And you must be Swartz.

SwartZ: (Chuckles) At your disservice.

Me: You're going to pay for everything you've done!

I went Super Angel Xelnaga!

Me: (Divine Echoing Cosmic Elemental Voice of Friendship, Hope, Love and Valor) **You've hurt so many of my friends.**

Swartz: You simply could not leave behind your dream of becoming king, could you, Sougo Tokiwa? And where did that bring you and Chan? Back to me. I had thought by erasing the history of the past Kamen Riders with the Ridewatches, there would be you left. But you've shown me that's impossible. As long as there are people who can become Kamen Riders, there will always be people who are pesky heroes.

Nico: What can I say? We're all kinds of stubborn.

Swartz: And for that, I thank you. Because now, I know what must be done. I'm going to shred you all to your last atoms. And then, after I pry the Ridewatches from your dead corpses, I'm going to destroy the multiverse and create a new one. One where there are no heroes. The best part is that there will also be no Ohma Zi O.

Sora: A universe ruled by darkness? That's not going to happen!

Swartz: (chuckles evilly) Oh, but it WILL happen. Because you all won't be able to stop me.

Me: **We'll see about that!**

I teleported and punched Swartz in the stomach with devastating force and kicked him in the face and teleported away just as Goobot and Dark Plasmius went to grab me.

Me: **Nice try you two! But I'm not the same as I was when we fought the last time.**

Sougo: (glares at Hiryu) I can't believe you'd support this as well!

Hiryu: Why wouldn't I? Because of you, my parents are dead!

Me: **Because Swartz is the one that killed them!**

Hiryu: What!?

Me: **It's true. He lied to you! You don't believe me? Believe the eyes of the truth!**

I fired a wave of energy from my eyes and showed him what I saw on TV and he saw that I WAS RIGHT!

Hiryu: (GROWLS) NOOOOO! (To Swartz) YOU HEARTLESS FUCKING SNAKE!

Swartz: Cyclobots! Come!

An army of Cyclobots appeared.

Me: **Cyclobots this time! Awesome!**

Nico: Now we're talking!

Qin: This is gonna be awesome!

Hiryu: Let me make up for my mistakes by using this one last time.

Hiryu turned into Another Zi O II.

Me: **AWESOME!**

Nico: That is a cool one!

Me: **And I had a feeling we would one day face Cyclobots!**

Qin: Me too!

I fired waves of energy and elements and blasted numerous Cyclobots all over the place into scrap metal!

Ransik: No one commands the Cyclobots but me!

Qin: YEAH!

The Cyclobots jumped the Zi-O team.

The Zi O team lay defeated at the hands of the Cyclobots.

Swartz: In all my quest for power, it was never personal. But I'll tell you all right now. What I'm about to do this stubborn multiverse, I'm going to enjoy it very much.

Another Zi O II: (punches a Cyclobot) Don't worry. I'll buy you guys some time!

Maxxine got an idea.

Maxxine: (to everyone watching) Everyone out there! Lend the Zi O Team your strength! They get stronger with your support! When I go "1,2", shout "Do your best"! Okay? 1,2..

All: DO YOUR BEST!

Maxxine: One more time! 1,2…

All: DO YOUR BEST!

Maxxine: Louder! 1,2…

All: DO YOUR BEST!

Jamesdean5842: DO YOUR BEST!

At these words, Sougo found the strength to get up.

Swartz: What?! How can you still defy me?!

Sougo: (chuckles) Like Nico told you, Swartz, I'm just that stubborn. And I'll use that stubbornness to achieve my dream. To become the kindest demon king there is!

Sougo then grabbed a Cyclobot and slammed it to the ground.

Me: **And you will pay for everything you did Swartz! This time for me, IT'S Personal!**

I fired energy blasts and blasted the Another Riders all over.

Sougo: Thanks for your help, everyone.

Geiz: I didn't expect a lot of people to be cherring for us.

Tsukuyomi: I'm not complaining. They reminded us what must be protected no matter what.

Woz: Clearly, we can't stand to be defeated here.

Maxxine: Ready to end this, J.D.?

Me: **I was born ready Maxxine!**

Nico: I've had enough of you to last a fucking eternity Swartz!

Maxxine: Let me transform with you guys!

Wes: You got it, Maxxine.

With that, Woz places his belt on his waist, generating the strap, and activating it, showing a blank smartwatch looking head while materializing a neon green strap as it does.

Beyondriver: Beyondriver!

As the Beyondriver activates, Woz pushes down on a button on top of the block, causing it to activate, illuminating the face on the front

Woz Miridewatch: Woz!

Woz: Henshin!

With that, Woz places the Woz Miridewatch on his belt, then presses the button again, causing the front face to split open, revealing the same image underneath on a narrow strip

Woz Miridewatch: Action!

As the Miridewatch activates, green energy forms around Woz into a smartwatch face and various green lines, and as he slams the lever of the Beyondriver into itself, the image on the Miridewatch projects onto the black face on the Beyondriver screen.

Beyondriver: Touei! Future Time! Sugoi! Jidai! Mirai! Kamen Rider Woz! Woz!

With their transformation sequences activated, Woz is encased in silver armor as black and green decorum looking like a watch strap and two smartwatch faces adorn his torso and shoulders respectively, finished off with blue symbols forming the face.

Tsukuyomi places her Driver on her waist, causing a black belt to form

Ziku Driver: Ziku Driver!

With the Ziku Driver in place, Tsukuyomi rotates the face of the Ridewatch, revealing a glossy looking Rider face, with some sort of characters acting as the visor, before activating it

Tsukuyomi Ridewatch: Tsukuyomi!

With the Tsukuyomi Ridewatch active, Tsukuyomi places it on the stage left side of the Ziku Driver before pressing a large button on top of the Driver itself as a golden clock-astrolabe hybrid forms behind her.

Tsukuyomi: HENSHIN!

Her battle cry known, Tsukuyomi grabs the Ziku Driver by her Ridewatch and spins the front of it 360 degrees. As the rotation stops, the astrolabe disintegrates as the Ziku Driver speaks again

Ziku Driver: Rider Time! Kamen! Rider! Tsukuyomi! Tsu-ku-yo-mi!

As this battle cry is made, the astrolabe forms into a black undersuit covered by white and gold dress-like armor, a white shoulder-covering cape, and a crescent moon visor with characters across it, much like on Woz's suit, but with two clock hands as well, set for 2:00 of all times.

Geiz presses the button on the top of his Ridewatch, activating it

Geiz Ridewatch: Geiz!

Ridewatch activated, Geiz slides the timepiece onto the right side of his Ziku Driver, much like Tsukuyomi before him. But instead of an astrolabe construct, the clock construct forming behind Geiz as he presses the button atop his Ziku Driver resembles a digital clock

Geiz: Henshin!

With the familiar battle cry made, Geiz grabs the front of his Ziku Driver and spins it 360 degrees, causing the clock construct behind him to explode into yellow text and a mixture of red, yellow and silver watch bands, that eventually consolidate into Geiz's familiar red armor with yellow visor.

Ziku Driver (Geiz): Kamen Rider! Geiz!

Zi-O Ridewatch: Zi-O!

Sougo: Henshin!

The famous battle cry known, Sougo inserts the left track of the Ziku Driver, presses the button on the top of the unit, and spins the front around, all the while an intricate clock face forms behind him.

Ziku Driver (Sougo): Rider Time! Kamen Rider! Zi-O!

As the Ziku Driver makes it's announcement, the clock face formed behind Sougo forms into a silver and black armor with pink accents, followed by the famous pink text visor settling into place.

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Another massive fiery explosion went off behind them and they were ready!

Nico: And this!

We pulled out our Zenkai Cannons.

All of us: (TURNS DIALS) EXPLODING SCIENCE POWER!

We summoned the Denziman, Dynaman, Bioman and Timerangers andwe summoned the Kabuto, Decade, Zi-O, Build, Zero-One, Revice and Den-O Riders!

Lincoln: You really think you can get away with your crimes of altering history, Swartz? I don't think so! Just like I told Negatoros long ago, by altering history, you're messing with the timeline, and in the process, you'll make things extremely worse. There have been times when we wished that we could go back in time to prevent the horrible events that happened in our lives, but we can't. The only thing we can do is move forward and learn from our mistakes, so that it doesn't happen again.

Me: **That's telling 'em, big guy!**

Nico: YEAH!

Lincoln: But, you, Swartz, you haven't learned. You've committed so many crimes against history and across the Space Time Continuum, and your crimes have finally caught up to you, not to mention that you're going to pay an even huger price for turning J.D. and Nico's friends and enemies from long ago into Another Riders, Another Rangers, and Another Omnitrix Aliens, just so you could destroy us, and guess what, J.D. and Nico's friends have already seen that you're nothing but a conniving liar, you can't fulfill their promises, in fact, you had no plans to live up to your end of the bargains you made for them.

This was really pissing off Swartz really badly, and we were trying our hardest to contain our laughter.

Sougo: Whoa, this is really getting good.

Lincoln: And now you're about to die here and now for everything that you've ever done, Swartz, and though I may say May God have mercy on your soul, but as we've found out, you have no soul, and there's only one fate that awaits you: death, and you will pay for your crimes… in blood!

The Zi-O Kamen Riders and all of us cheered wildly for what Lincoln said, and that really pissed off Swartz to no end.

Swartz: (Enraged Screaming) YOU MISERABLE LITTLE WORM! I'LL MAKE ALL OF YOU PAY FOR EVEN SAYING THOSE WORDS TO ME!

Nico: No, Swartz, the only one who's going to pay here is you.

Maxxine: That's right, and I've just about had it with you for the last time, Swartz.

Suddenly, Maxxine's purple eyes turned neon purple, and she was surrounded by a red energy aura with earth, scorpions, and fire, and as she approached Swartz, she left red energy, earth, scorpions, and fire with every step.

Maxxine: You really make me sick to my stomach, Swartz, all of your crimes against history and time and constantly antagonizing the Zi-O Kamen Riders and pissing us all off by turning our friends and enemies into Another Riders, Another Rangers, and Another Omnitrix Aliens has gone on for far too long, and I refuse to let you live a single second further, now it's time for you to die once and for all.

Suddenly, Maxxine was surrounded by a massive vortex of red energy with earth and fire surrounding the vortex, there's King Nail flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Maxxine emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Maxxine Stenson grew to 6'5" in height, she had the body of a goddess, she has purple highlights in the bangs of her long braded brown hair, she has neon purple eyes, and a red energy aura with earth, scorpions, and fire surrounding her, she has the image of King Nail holding the Fire Kanji in its claws emblazoned on her forehead, she has on scorpion earrings with red crystals for the eyes and the Fire Kanji in its claws, and her Crystal Necklace of The Buddha with pink crystal links and a scorpion with red crystals for the eyes and the Fire Kanji in its claws for the pendant. Maxxine Stenson has on has on a short-sleeved pink blouse, orange pants, pink high-heels, and a long sleeveless pink trenchcoat with fire and scorpions on the coattails and on the back is King Nail surrounded by fire. Suddenly, Maxxine Stenson felt a sharp pain on her back, and then, massive brown angel wings with pink tips on the large brown feathers, grew and sprouted out from her back, she has on her Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and Yellow Lantern ring on her left ring finger.

Suddenly, Maxxine Stenson's massive Sword of The DNA Spliceteam and all of the swords from the treasure battles were suddenly surrounded by a kaleidoscope of red energy and fire, and they began merging together, and when it emerged, it was then transformed into King Nail's Firestorm Scorpion Greatsword of Acid Justice, it's a new large greatsword with a 7'0" massive, wide, double-edged, red blade with the image of King Nail etched on it, large red scorpion heads with yellow gems for eyes for the sword's crossguard, large red gem embedded in the rainguard, longer black handle, and four red scorpion heads with yellow gems for the eyes and in their open mouths and a large red gem on the bottom of the scorpion heads for the pommel. Maxxine Stenson has on her brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, gold Belt of Elemental Bravery with a gold scorpion head with yellow gems for eyes and a large red gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below King Nail that said, "Maxxine Stenson, Genderbent Sister of Max Stenson, Gene-Slammer and Partner of King Nail, Dear Friend and Ally of The Underground Girls and The Turtles, Loving Sister of The Zi-O Kamen Riders, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Destroyer of Ch'Rell, The Ultrom Shredder, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Scorpions and Fire"

Maxxine Stenson has transformed into SUPER ANGEL INFINITY BLAZING FIRESTORM SCORPION ANGEL OF UNDERGROUND FEAR AND EARTH FIRESTORM JUSTICE!

We were amazed by Maxxine Stenson's Super Angel Infinity transformation, but when Swartz saw it, he went even more mad with rage and fired an energy blast to kill her, but Maxxine dodged it, and she fired a powerful red energy blast with fire, earth, and scorpions, and it hit Swartz, and he was burned badly and was sent flying into a wall and he was even more pissed off now.

Me: **I've had it with you Swartz!**

My eyes glowed neon rainbow colors and my rainbow aura flared up.

Me: (In my head) **All my friends were hurt by this monster and he had lied to them. They were turned into atrocities of nature. I will not let Swartz get away with everything he did and he will pay the ultimate price for everything he did. What he did to so many of my friends is worse than anything 2012 Shredder did. I will never let him get away with this.**

Then something snapped inside my head!

Eli: Uh oh! EVERYONE HIT THE DECK!

Everyone ducked for cover!

Me: (In my head) AND I WON'T LET THIS MONSTER GET AWAY WITH HIS CRIMES EVER AGAIN! (OUT LOUD) **AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA**

I SCREAMED LIKE A MADMAN AND THEN…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of incredibly powerful rainbow fire and energy exploded out with unbelievable force and power!

I WAS SCREAMING LIKE AN INCREDIBLY ANGRY LUNATIC AND MY POWER WAS RISING EXPONENTIALLY AND THE SKIES DARKENED WITH RAINBOW LIGHTNING STRIKING ALL OVER THE PLACE WITH INCREDIBLE FURY AND THE GROUND WAS SHAKING EXTREMELY VIOLENTLY! MY SKIN HAD RAINBOW FLAMES FLICKERING OUT AROUND IT!

Vegeta: (GASP) IT'S UNREAL!

Nico: WHAT POWER!

Goku: INCREDIBLE!

Gohan: IT'S AMAZING!

I GLOWED WITH INCREDIBLE POWER AND MY MUSCLES GREW AND RAINBOW FLAMES ERUPTED OUT ALL OVER ME AND RAINBOW FIRE WINGS BURSTED OUT OF MY BACK AND THEN I SCREAMED FEROCIOUSLY AND THEN IN A MASSIVE EXPLOSION OF RAINBOW FIRE AND ENERGY AND ELEMENTS I WAS FOREVER CHANGED! WHEN THE SMOKE CLEARED I EMERGED COMPLETELY AND FOREVER CHANGED!

The gems on my large cuff Bracelets of the Champions of The Universe on my wrists and the large gem belt buckle on my Belt of Elemental Bravery were now rainbow colors, and the massive, wide, double-edged blade of my Phoenixcalibur sword grew to 6'5" in length and the long gold handle grew a little longer. I now had on the same wardrobe as Lincoln, Liam, and Lynn Sr., but my version of He Man 2002's loincloth is red, and I had rainbow fire pants with the elements on them on them and I had on long rainbow fire trenchcoat flaps with all of the elemental forces on the coattails, which were held up by my Belt of Elemental Bravery, Universal Spellbook of The Elemental Forces on my right hip, I now have on large rainbow colored weighted bands on my large biceps and thighs, large black pants with elemental forces on them, and a pair of large black leather ankle-high combat boots with silver armor on the toes, and the eight large planets and stars orbiting around my legs had remained the same, along with my Eater of Sins revolver still holstered to my right hip and Crystal Saber holstered to my left hip. I had a phoenix encased in rainbow fire tattooed on my massive right pec and on the back of my trench coat there's a rainbow kanji written below the phoenix that said "James Dean Knudson, Powerful former Leader now Second in Command of Team Loud Phoenix Storm, Almighty Golden-Hearted Loving Future Husband of Many Wives, Golden-Hearted Loving Father of Many Children, Golden-Hearted Loving Brother of The Loud Family and Many Friends All Over The World, Master of the Black Gates, Amazing and Powerful Student of Many Masters, Brave Warrior and Savior of The Universe and Beyond, Master of the Powers of Friendship and Master of The Fury of Celestial Xelnaga and Ultimate Force of Ultimate Good and Destroyer of Irredeemable Black-Hearted Villains, Monsters, Power-Hungry Bastards, and Maniacal Tyrants, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage and Love, and God of Justice."

We went at them and smashed them all over the place!

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

We were really going at them and smashing and pulverizing them all over the place with indiscriminate fury!

I punched Swartz in his face and knocked out many of his teeth!

Sougo: I better follow Hiryu's example!

Rider Time! (Sytheziser tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

He turned into ZI-O II!

Qin: YEAH!

Qin fired waves of fire and blasted numerous Cyclobots all over and massive fiery explosions were blasting everything all over the place and turning the factory into a firestorm!

Dark Plasmius: You and I got a score to settle, Daniel!

At his side, Another Ghost hissed at Danny.

Brittney: HISS RIGHT BACK AT YOU!

She went at Dark Plasmius and went Super Angel Dark Xelnaga and punched Dark Plasmius in the face and kicked him and then threw him into Another Ghost and Danny blasted

Another Ghost and Plasmius all over!

Brittney took out an Ectoranium Dagger and stabbed Dark Plasmius in his leg with it!

Danny blasted Another Ghost all over the place and massive fiery explosions went off all over the place.

I punched Swartz all over the place with incredible force and power and it was brutal and strong!

Me: **That was for all my friends! And the False Promises you made them!**

I kicked him in the crotch and punched him in the stomach and face and broke his nose!

Lucas fired his V2 Vector Weapon at a crowd of Cyclobots.

He blasted them all over the place!

Lucas: Take that!

Jimmy Neutron was bashing Goobot all over the place with incredible force with a metal rod.

Varie kicked him in the chest and smashed him all over and threw him into the wall.

Goobot: You dare betray me!

Baby Eddie: Fuck you, man! We didn't sign on to kill the entire multiverse!

Zix: Besides, me and my two buddies already betrayed you the first time.

Another Fourze growled and got into a fistfight with Tee.

Tee: This is how we do it, fool!

POW BLAM SMASH!

They smashed Another Fourze down!

Gentaro: And you give me a REALLY BAD NAME!

POW BLAM BIFF SMASH!

Nicole then slashed Another Fourze in half and killed him and his Ridewatch shattered and she then teleported and kicked Goobot in his face and smashed him into the wall!

Qin: I'm in the mood for some eggs!

Varie then kicked him and he poured out of his suit!

Qin fired waves of fire and turned him sunny side up!

She then picked him up.

Qin: Now you are lunch!

Goobot: NO NO NO!

He was eaten by her and she chewed him up and swallowed.

Qin: (BURPS) Yummy.

Cyborg 003: (punches a Cyclobot) Qin, you better burp out Goobot's spirit right now!

Qin burped and she did so.

Qin: There.

Cyborg 003: Good.

Jimmy Neutron painted a Kanji on him and gave him the black gates. He was found guilty and was fading away.

Goobot: NO! Neutron I was only kidding!

Jimmy Neutron: Like I'll ever believe you. Your brother is a much better friend than you. Goodbye forever Goobot!

Goobot: DAMN YOU NEUTRON! (FADES)

He was gone for good!

Me and Swartz were really going at it as massive fiery explosions went off all over the place and thunderous shockwaves were blasting out with all of our punches. I fired a massive volley of finger energy blasts and they hit Swartz all over and exploded with incredible fiery force and smashed him all over.

Swartz turned into Another Decade before continuing to fight me. Suddenly, a hand caught his fist. It was Ohma Zi O.

Ohma Zi O: That's far enough, Swartz!

Me: (GASP) **Ohma Zi-O!?**

Geiz: Ohma Zi O?!

Sougo: Listen, can you wait until after the fight to kill us?

Ohma Zi O: On the contrary, my younger self, I am here to help you. (chuckles) After all, is it not a crime to fight alongside myself?

Me: **Okay did I get hit in the head or something? Because I wasn't sure if I caught that. Did you say you want to help us?**

Ohma Zi O: Yes I did because I want to atone for everything that Swartz made me do by lying to me.

Eli: (Punches and blasted numerous Cyclobots) He's telling the truth! Swartz messed with his mind and made him into a monster!

Me: **I had a feeling it was Swartz that brainwashed you. All right then.**

Ohma Zi-O: Thank you.

Orrin threw a Cyclobot to the ground.

SMASH!

Dark turned into Crystal Freak and shredded numerous Cyclobots all over.

Vypra slashed them all over.

Bane: (Spanish Accent) Lets shred them señora Laney!

Laney: You got it! (Activate's Bane's Ridewatch)

She turned into a She-Hulk Laney and Bane pumped up with Venom and they smashed Cyclobots all over and smashed and pulverized Another Faiz, Hibiki and Kabuto all over!

Barlckxs: You will pay for your betrayal, Woz!

Zamonas: You were destined to help us rule over the Heisei Era!

Woz: Apologies. But it's like I said before. I make my own destiny.

Another Kuuga roared at him.

Nico: ROAR YOURSELF! (GOES SUPER SAIYAN 5) He now serves me!

Nico punched Another Kuuga and smashed him in half and killed him and his Ridewatch shattered!

Nico then blasted Barlckxs all over.

Me and Ohma Zi-O pulverized and smashed and blasted Swartz all over.

Me: **Your power is amazing future Sougo.**

Ohma Zi-O: I get that a lot.

Eli: Top this! DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a massive blast of pitch black fire as hot as the sun and it formed into a deadly dragon and obliterated numerous Cyclobots and it slammed into Another Den-O, Kiva, Saber and Zero One and obliterated them in one fell swoop!

Ohma Zi O: If you want to use Another Ridewatch, you can.

Me: **You read my mind.** (ACTIVATE'S ANOTHER SABER RIDEWATCH)

I formed a powerful sword of the Wonder Ride Books and I read a verse from Eternal Phoenix.

Me: **"The Immortal Phoenix Blasted his foes with intense fire and the screech he made was so powerful that it regrew all the life around him that was destroyed by his foes attack and purified the lands into a beautiful garden of amazing beauty with fruits, vegetables and trees abundant with life."**

Everything I read happened and massive blasts of fire hit Swartz and burned him all over the place and trees, flowers, grass, fruit and vegetables of numerous kinds grew all over Japan and turned the whole country into an amazing Eden Country!

Nico: WHOA!

Maria: (to Ora and Heure) Do you want to drop the act now or be transported to safety in the Estate?

Ore: It's best if we do!

Another Decade: What act!?

Ore: Sorry but we quit!

She fired a wave of energy and it hit Another Decade and blasted him all over!

Another Decade was INFURIATED!

Another Decade: TRAITORS!

He fired waves of energy and they teleported away just in time!

Nico: (Flies up to him) They now have a better boss than you!

Another Decade: YOU POISONED THEIR MINDS!

Nico smirked.

Nico turned into Pain.

Pain: Sorry, But your friendly neighborhood leader's not acting so friendly this second. In fact, I plan to feed you your own heart!

Eon Kid Shadow: (punches a Cyclobot) And that's a promise!

Me: **We all do!**

Qin: You will pay for everything you did!

We finished destroying the Cyclobots and Danny Phantom banished Dark Plasmius to the Black Gates thus destroying the Sullen 6 forever!

We went over to him!

Me: **It's over for you Swartz! We played all your devilish games, brought the pain to your minions and saved all my friends from your twisted influence and now all that's left is to finish you off once and for all!**

May turned into Torture.

Torture: By the way, Sougo. We never got to thank you guys for helping us in Kward.

Sougo: That was so awesome May. You're welcome.

Me: **It sure was. Now it's time for Swartz to face the full extent of our fury and wrath.**

Tsukasa: Starting with this!

Kamen Ride: Zi O!

Kamen Ride: Geiz!

Kamen Ride: Woz!

Kamen Ride: Tsukuyomi!

Tsukasa turned into Zi-O and Daiki summoned clones of said Zi-O Riders!

Troy: Sougo, you're gonna love this one!

Megaforce Rangers: LEGENDARY RIDER MODE! 20 YEAR RIDER FORCE!

They turned into the Zi-O Riders!

Sougo: YEAH! That is awesome!

Ohma Zi-O: It sure is! So awesome!

Wes: Red Battle Warrior!

Eric: Mega Battle, Activate!

They donned their awesome Time Force Mega Battle Armor!

Sougo pulls out his fusion Ridewatch and activates it, causing panels with the other 19 Riders' faces on them to slide out of the sides.

Grand Zi-O Ridewatch: Grand Zi-O!

With the Grand Zi-O Ridewatch activated, Sougo slides it onto the left track on his Ziku Driver bas statues of all 20 main Riders in the field appear around him with some sort of clock-tower structure behind him, culminating in him pressing the button on the top of the unit and rotating the Ziku Driver 360 degrees.

Ziku Driver (Sougo): Grand Time! Kuuga, Agito, Ryuki, Faiz, Blade! Hibiki, Kabuto, Den-O, Kiva, Decade! Double, OOO, Fourze! Wizard, Gaim, Drive! Ghost! Ex-Aid! Build! Iwae! Kamen Rider! Grand Zi-O!

With that, the Kamen Rider statues are encased in some sort of frame and start swirling around Sougo before ultimately attaching to him, turning his armor gold and generating shoulder pads to accommodate all of them, before the Zi-O statue settles on his helmet like a crown, putting gold lining around the pink text visor.

Maria: Lets do it!

Sougo summons all of his 19 Heisei Rider predecessors, who all attack Another decade with their respective Rider Kicks and their Rider symbols, creating a giant energy projection. Sougo then performs his own Rider Kick.

Me: **And this too!**

All of us pulled out all of our Ridewatches!

All of us, Masters of Evil, Kamen Riders and Rangers: RIDEWATCH UNITY SUPER OMEGA BLAST!

We all fired a massive and powerful super blast and the blasts from all our techniques, combos, final smashes, attacks and more hit him and he exploded with incredible power!

**SUPER EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION**

**OF UNFATHOMABLE AND UNBELIEVABLE POWER!**

The explosion was so massive, so powerful, so devastating and so intense that it was incredible! The explosion breached the atmosphere and could be seen out of the galaxy! When the smoke cleared, the entire factory was completely leveled and Swartz was in a crater!

We went down and faced him.

Me: **It's over for you Swartz!**

Nico: Time for you to die!

Another Decade: Destroy! I will destroy all Kamen Riders!

Another Decade then grew giant.

We gasped!

Time Force Rangers: Time Force Megazord!

Eric Meyers: Q Rex, arise!

They summoned their zords!

Qin: YEAH!

Me: **Time for the ultimate Superzord!**

I summoned the ultimate Superzord! It was a massive Superzord! It was called THE 50+ YEARS KAMEN-RIDER-SUPER-SENTAI-POWER-RANGER SUPER OMEGA ULTRAZORD!

Nico: WHOA!

We were all inside it this time!

Qin: WOW! This is amazing! When did you build this J.D.?

Me: **I was preparing for this and today was a perfect day to test it out.**

Ohma Zi-O: This is amazing! You sure are prepared for this J.D.

Me: **Yeah it sure is!**

Nico: YEAH!

Me: **Now watch this. LEGACY OF JAPAN ULTRA BLAST!**

We fired a massive energy blast and it hit Another Decade and he exploded!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

He was down and defeated!

I caught his ridewatch and purified it.

Nico: Take that!

Nico went over to the down Swartz. He grabbed Swartz's his lower face and yanked it down, ripping off the skin and muscle and leaving his jaw hanging by one joint. Swartz lets out a muffled scream of horror and pain from his mutilated face and takes a step back. Nico pull his arm back and thrust it through Swartz's chest to grab his heart, while impaling him at the same time, before pulling his arm out along with the organ.

SQUELCH!

As the still-alive Swartz weakly gurgles and tries to reach for his heart, Nico only raised it out of his reach and ask him one question.

Nico: Remember what I promised you?

Keeping true to his word, Nico shove the still-beating heart into the hanging mouth of Swartz and force him to his knees before grabbing the sides of his head, opening his bloodshot but uninjured eyes, and uttering one final command.

Nico: Now swallow.

Swartz can only let out one last muffled scream for mercy as his head is crushed into paste by his brute strength.

SQUISH! YUCK!

Me: **Nico that was AWESOME!**

Sougo: YEAH!

His spirit then appeared and then I painted a kanji on him.

Me: **Give my regards to Kazu and all of Dai Shocker fuckwad! UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!**

He was found guilty by all the spirits of the people he killed and he was fading.

Swartz: NO! Sougo help me!

Sougo: After what you did? Never! Enjoy darkness.

Swartz: DAMN YOU SOUGO AND TEAM LOUD PHOENIX STO-(FADES)

He was gone forever!

Me: **Now it's over.**

I powered down and Nico caught me as I was about to fall over.

Me: Wow! What a rush!

Ohma Zi O: Now that Swartz is no more, only thing to do.

Ohma Zi O detransformed and threw his Ridewatch to Sougo.

Sougo: But, this is your Ridewatch.

Ohma Zi O: That will enable you to use all my powers, Sougo. I am going to send myself to the Warp. That way, you will be free to make a new future for yourself.

Sougo: But, you can't! I only just got to know the real you!

Ohma Zi: O (sadly smiles) We all have your destinies to make. Now, it's time to make your own.

Me: You redeemed yourself Future Sougo.

Ohma Zi O raised a hand to his chest.

Ohma Zi O: Hakai.

Ohma Zi O was slowly being erased. But he still had time to do one last thing.

Ohma Zi O: (puts his hand in the middle) What do you say, guys? Kamen Rider Forever?

The main Kamen Riders smiled and put their hands in.

Kamen riders: Kamen Riders forever!

Sougo cried tears of joy and put his hand in as well.

Sougo: Kamen Riders forever!

Ohma Zi O: (smiles) Thank you, my friends. And goodbye.

He was gone forever. Banished to the Warp.

Me: Wow that is a first. We never saw anyone use the Hakai technique on themselves.

Qin: Yeah.

Nico: That was incredible.

Sougo: Finally, Swartz is gone for good and he's never coming back.

I powered down, and my brand-new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Me: You said it, Sougo, but we're not done yet, we still have an old enemy who's out to kill us, and he should be coming… right now!

?: I will have my revenge on you for what you did in destroying me long ago, Team Loud Phoenix Storm!

Me: I knew there's no mistaking that voice from anywhere. You can come out now, Daolon Wong.

A figure came out, and it was none other than our old enemy, Daolon Wong, the Dark Chi Wizard.

Nico: Daolon Wong, I should've known you'd show up again, but at least, not as a Heartless.

Daolon Wong: Joke all you want, but I will have my revenge on all of you for destroying me!

Maxxine: Sorry, but that ain't happening, Daolon Wong.

Suddenly, Maxxine's purple eyes turned neon purple, and she was surrounded by a red energy aura with earth, scorpions, and fire, and as she approached Daolon Wong, she left red energy, earth, scorpions, and fire with every step.

Maxxine: You just don't even know when to quit, do you, Daolon Wong? We trounced you the first time when The Demon Sorcerers showed up, and then, you came back as a Heartless after we outed Pacifica's former parents as criminals. Honestly, you're a glutton for punishment, but this is the last time you ever show your face again, Dark Chi Wizard.

Suddenly, Maxxine was surrounded by a massive vortex of red energy with earth and fire surrounding the vortex, there's King Nail flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Maxxine emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Maxxine Stenson grew from 6'5" to 6'11" in height, she had the body of a goddess, she has purple highlights in the bangs of her long braded brown hair, she has neon purple eyes, and a red energy aura with earth, scorpions, and fire surrounding her, she has the image of King Nail holding the Fire Kanji in its claws emblazoned on her forehead, she has on scorpion earrings with red crystals for the eyes and the Fire and Eternity Kanjis in its claws, and her Crystal Necklace of The Buddha with red gems in the gold fire links and pink crystal links and a pink scorpion-shaped Element of Harmony and on the bottom of the Element of Harmony is a scorpion with red crystals for the eyes and the Fire and Eternity Kanjis in its claws for the pendant. Maxxine Stenson has on has on a short-sleeved pink blouse, orange pants, pink high-heels, and a long sleeveless pink trenchcoat with fire and scorpions on the coattails and on the back is King Nail surrounded by fire. Suddenly, Maxxine Stenson felt a sharp pain on her back, and then, her massive brown angel wings with pink tips on the large brown feathers, grew much bigger for her new body, she has on her Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and Yellow Lantern ring on her left ring finger.

Suddenly, Maxxine Stenson's massive King Nail's Firestorm Scorpion Greatsword of Fire Justice and all of the swords from the treasure battles were suddenly surrounded by a kaleidoscope of red energy and fire, and they began merging together, and when it emerged, it was then transformed into King Nail's Firestorm Scorpion Broadsword of Fire Justice, it's a brand-new large broadsword with a 7'0" massive, wide, double-edged, red blade with the image of King Nail etched on it, large red scorpion heads with yellow gems for eyes for the sword's crossguard, large red gem embedded in the rainguard, longer black handle, and four red scorpion heads with yellow gems for the eyes and in their open mouths and a large red gem on the bottom of the scorpion heads for the pommel. Maxxine Stenson has on her brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, gold Belt of Elemental Bravery with a gold scorpion head with yellow gems for eyes and a large red gem inside its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below King Nail that said, "Maxxine Stenson, Genderbent Sister of Max Stenson, Gene-Slammer and Partner of King Nail, Dear Friend and Ally of The Underground Girls and The Turtles, Loving Sister of The Zi-O Kamen Riders, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Destroyer of Ch'Rell, The Ultrom Shredder, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Scorpions and Fire"

マキシン・ステンソン、マックス・ステンソンのジェンダーベントシスター、ジーン・スラマー、キング・ネイルのパートナー、アンダーグラウンド・ガールズとタートルズの親愛なる友人であり味方、ジオウ仮面ライダーの愛する姉妹、悪のスレイヤー、混乱した、殺人的、無慈悲、とサディスティックなろくでなし、シェレルの破壊者、ウルトロン シュレッダー、驚くほど強力な教師の驚くべき強力な生徒、そしてサソリと火の達人

Maxxine Stenson has transformed into SUPER ANGEL ETERNITY INFINITY BLAZING FIRESTORM SCORPION ANGEL OF UNDERGROUND FEAR AND EARTH FIRESTORM JUSTICE!

We were amazed by Maxxine Stenson's Super Angel Eternity Infinity transformation, but when Daolon Wong saw it, the Dark Chi Wizard tried to soften the ground to immobilize her, but Maxxine and all of us flew up into the air and Maxxine fired a powerful red and pink energy blast with fire and scorpions at Daolon Wong, and it hit and burned the evil Dark Chi Wizard.

Nico: Whoa, Maxxine's transformed, awesome.

Me: And that dark chi wizard's a dead man now.

Maxxine: (Divine Echoing Cosmic Voice of The Fear Firestorm Scorpion and Divine Underground Fire Justice) **You got that right, guys. Lincoln, you ready to help deal with Daolon Wong?**

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Maxxine Stenson.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal

Justice and Elemental Hope) **Ready, Maxxine. Let's put an end to that Dark Chi Wizard for good.**

Maxxine Stenson and Lincoln went after Daolon Wong, and they fired powerful blasts of rainbow energy, red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, Scorpions, and Angels at Daolon Wong, and they exploded with incredible power as they hit him. Then, they attacked him with their massive large greatswords and they left scars on him. Then, Lincoln chanted an incantation and he made a powerful binding circle below Daolon Wong's feet and bound him, and then, Lincoln opened his mouth and he literally sucked out Daolon Wong's powers and magic, and he and all of us made them our own.

Nico: Looks like he is also able to use the powers of The Doomsday 23 after we destroyed them the first time.

Twilight Sparkle: And since Daolon Wong's a Dark Chi Wizard, Lincoln saw it as an opportunity to use those powers, and he rendered Daolon Wong powerless.

Princess Luna: Now, all they have to do is finish him off for good.

Maxxine: (Divine Echoing Cosmic Voice of The Fear Firestorm Scorpion and Divine Underground Fire Justice) **Now, it's time to say goodbye for good, Daolon Wong.**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your time's up, you Dark Chi Wizard monster.**

Maxxine and Lincoln: TWELVE TALISMAN ELEMENTAL MEGABLAST BARRAGE!

Maxxine and Lincoln fired twelve energy blasts, which took on the forms of the twelve animals carved on the Twelve Talismans and were infused with elemental forces, and they hit Daolon Wong, and they exploded with incredible power, killing him for good. Then, as his spirit appeared, Maxxine drew a kanji on his forehead, and he was erased by The Black Gates forever. We cheered wildly for what Maxxine and Lincoln did as they holster their massive large greatswords on their backs and powered down, and Maxxine's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Nico: Now, that's what I call one awesome mission accomplished, and now, we've seen the last of Swartz for good.

Lincoln: You got that right, Nico, and J.D. transformed into his new Celestial Xelnaga form, that was so awesome!

Me: And it's a lot more powerful than my Super Angel Eternity Infinity Xelnaga form, and it put that monster in his place.

Eli: Now, he won't try to make anymore Another Riders for good.

Me: That's right, bro. And we also got rid of Daolon Wong as well, that's the last time that Dark Chi Wizard dares to show his face again.

Nico: You got that right, I thought we were rid of that monster after the raid on the Northwest's mansion years ago.

Lincoln: Yeah, but he refused to stay dead for long, and look at what happened to him.

Me: Dead and gone for good, and I was impressed that you used Tirek's magic draining powers on him, Lincoln.

Lincoln: I figured it'd be perfect though since Daolon Wong's a dark sorcerer, and of course, after our Kamen Rider missions, we've got the threat of The Doomsday 23 returning from the dead later on.

Nico: That's right, but we'll be ready for them later on. And tomorrow, we're going to meet the Zero One Kamen Riders.

Flora: I can't wait to see them once again.

Lincoln: And then, after that, we'll meet the Saber Kamen Riders, and we'll have covered all of the Kamen Rider teams.

Me: You said it, Linc.

Woz: REJOICE! The reign of terror of Swartz has been silenced forever and now all Kamen Riders for ages to come can be in peace thanks to Lord Nico and King Sougo.

Me: It was all of us this time Woz. But it was so awesome.

Jet: It's over. Swartz's reign of terror is finally over.

Waffle Woman: Now, we just need to find the remaining Another Omnitrix Aliens.

Me: That's not gonna be easy though. But we will.

Rojo: We wouldn't have done it with Ohma Zi O.

Me: He is the true hero for this mission. We'll build a statue of him in his honor.

Nico: Good idea.

Carmen Dillo: I don't care if he's in the Warp now! We'll never forget him!

Box Ghost: But now, it's time to party!

Sougo: (chuckles) I hope my uncle has enough tables.

Me: Don't worry we'll think of something.

Nico: And J.D. got his most incredibly powerful transformation ever. And he really did an awesome number on Swartz.

Me: Yeah and we've officially destroyed all of Dai Shocker.

Qin: We sure have.

Nico: Yep. Great job today everyone. This was the most awesome mission ever.

Qin: Yeah it was!

We all cheered wildly!

Vypra: SO AWESOME!

Dark Spicer: YEAH! WE KICKED BUTT!

Laney: Yeah!

Nico: Yep.

Sougo: (To the viewers) This was one of the most amazing and awesome adventures we've had. Hope you all liked it.

Nico: I know we did. But great job today everyone! Swartz is gone forever. Now the world and the multiverse are safe.

Me: We only have 2 more Rider Teams to go and we meet Zero One tomorrow.

Maria: We sure do.

Flora: It's gonna be so awesome to see Aruto again.

Me: It sure will.

Nico: Yep. Lets go home.

We went back home and had a great party and enjoyed the rest of the day and went to sleep.

Meanwhile back in Japan, the Zero-One team was getting ready for our arrival and having us help them destroy Ark.

Aruto: I can't wait for Team Loud Phoenix Storm to come and we can put an end to Ark forever.

Gai: Me too. It's gonna be so awesome.

Horobi: It will be awesome.

Aruto: Yep. Lets get ready!

They pulled out PROGRISE KEYS!

All: HENSHIN!

They transformed! And went at the screen!

TO BE CONTINUED!

I just got a strike.

Nico: Nice one J.D.!

Me: Yeah! I love a good game of bowling.

Qin: Me too. I'm up.

She went up.

Nico: Thanks for coming with me, Jaune.

Jaune Arc: No problem Nico and it's awesome that I get to have some fun with you guys.

Sougo: This is so awesome!

Me: Yeah it is!

CRASH!

STEEEERIKE!

Qin got a strike!

Qin: YEAH!

Nico: Jaune, are you happy Pyrrha's back from the dead?

Jaune: I sure am. More than anything.

Me: And you have me to thank for that one.

May: I think it's so awesome.

May rolled the ball and then…

CRASH!

STEEERIKE!

She got a strike!

Nico: YEAH!

May: WOOHOO! That was awesome!

Himiko: My turn.

She went up.

Nico: You must've been very unhappy without her.

Jaune: I was. When Cinder Fall took her from me she ripped a piece of my soul from me.

Me: What a heartless monster.

CRASH!

STEEERIKE!

Himiko got a strike!

Himiko: YEAH BABY!

Qin: Nice one Himiko!

Sougo: You guys are good at bowling!

Me: We're good at lots of things actually.

Eli: We sure are.

Eli went up and he took a bowling ball and used the Force and lifted it up and threw it at the pins!

MEGA CRASH!

He smashed all the pins into splinters! They turned into babies and cried hard in pain!

Eli: YEAH! If there is one thing I hate it's a bunch of crybabies!

We laughed!

Me: Nice one bro!

Nico: We've now seen the end of Swartz.

Me: Yep but we still have his mess to clean up. But now my friends can rest easy now that swartz has been silenced forever.

Qin: And so can the entirety of history. And the Multiverse.

Laney: Good riddance.

Tsukuyomi: That is for sure.

Varie: I agree.

Woz: You should be proud of yourself, Lord Nico.

Nico: I am Woz.

Me: But that was so awesome how you force fed Swartz his heart and then crushed his head.

Maria: Gross but awesome.

Me: And Syd and Clyde did an awesome and great job holding off Swartz's minions till the big day yesterday.

Camie: They sure did. They deserve some form of credit for it.

Tsuyu: That's true.

Sirius: I agree there.

Me: Yeah.

Nico: But J.D your power was just absolutely incredible yesterday. That new Eternal Celestial Xelnaga form was incredible.

Camie: It sure was. When you said you would transform on that day you were not kidding.

Me: I just felt it. This power was growing inside me.

Varie: Yeah it was.

Lola: It was awesome. And the way he turned all of Japan into an amazing guardian because of Eternal Phoenix was amazing.

Nico: That was awesome.

Laney: All in all it was an awesome day for us all.

Nico: I still wish Ohma Zi O didn't send himself to the Warp. Dammit, why'd he have to go and do that?!

Me: It was his way of atonement. He did so many horrific atrocities in 40 years and it was because of Swartz that he went down that path. So him helping us destroy Swartz was his form of atonement and redemption.

Qin: Yeah. Maybe one day we can have him put on the Redemption Squad.

Geiz: And just when I started to not hate the guy anymore too.

Me: I know. But we did build that awesome statue of him in the park.

May: That's right we sure did.

Twilight Sparkle: Yeah and Nico did you and May return the pieces you got from Venom?

Nico: We sure did.

Twilight Sparkle: Just wanting to be sure.

Me: But that was awesome that you and May had Symbiotes even if it was only temporary.

Nico: It sure was.

Applejack then farted!

Applejack: Oops sorry. I don't know what it is I ate but something has my stomach more wound up than a bull going on a rampage.

Me: No worries Applejack.

Nico: Today, we're going after the Ark.

Me: Yep and we're going to be ready for that one.

Varie: I hope that malevolent Artificial Intelligence is ready to be exterminated.

Lisa Loud: Indeed and it'll be good to see Aruto again.

Me: And his jokes are awesome.

Nico: I bet it plans to kill all organic life.

Me: Not on our watch. Ark doesn't know that we have tons of surprises in store for it. Specifically this.

I pulled out a flash drive for the Anti-Ark Virus.

Sougo: What's that?

Me: The Anti-Ark Virus. It'll destroy Ark from the inside.

Nico: How do you plan to get it in him?

Me: Me and Lisa did an analysis on Ark's Ride Belt and there's a flash drive port right on the left side of his henshin belt. But getting it in him is not gonna be easy.

Ochaco: I'll hold him down with my powers while you put it in.

I put the flash drive in my vest.

Me: Thanks Ochaco.

Nico: That can happen during the main battle.

Me: That's what I meant Nico.

Nico: Oh sorry.

Me: No worries. This virus is programmed to destroy Ark entirely and there is no known software capable of destroying this virus.

Qin: Nice.

Nico: Ark also reminds me of XANA and SKYNET put together.

Me: That is coincidental that he is like that.

Nico: It doesn't matter if we don't have every Grand Zi O Ridewatch.

Me: That's true.

Qin: Soon we'll get all of them.

Eli: I have a feeling this is gonna be awesome.

Varie: Me too.

Xenia: I have a feeling it will.

Sougo: I hope one of you gets a Grand Ridewatch with the powers of me and my team.

Me: That would be awesome. I got one for all the Kamen Riders from over the course of 50 years.

Sougo: Wow! That is cool!

Me: It sure is.

Lola: Yep.

Nico: Too bad like the Omnitrix Alien Ridewatches, we don't have many of the Grand Ridewatches.

Me: Maybe we can get some later on.

Qin: Yeah don't lose hope on that.

Eli: I agree.

Me: Yeah. (Sees something) Hey what's everyone gathered there for?

We went over and saw a crowd gathered and to our surprise we saw that they were looking at a black version of a Sonorosian and it and its clones were doing all sorts of awesome tricks and stunts.

Varie: That's awesome talent.

Me: Whoa! It's Another Echo Echo!

Albedo turned into Negative Echo Echo.

Negative Echo Echo: (TECHNO VOICE) I hope you had fun doing that. Because playtime's over.

It came out.

Another Echo Echo: (Techno Voice) (In a Girl Voice) Been a long time J.D.

Me: Rhonda Suzette!? Wow! Awesome to see you.

Another Echo Echo: You too J.D.

Nico: You know her J.D.?

Me: I sure do. She was a very lonely girl that I met 6 years ago. The reason is because her mom and dad went through a terrible and bitter divorce. They would always fight a lot and it got so bad that her father punched Rhonda! I had him arrested and sent to prison for assault and battery and her mom filed for divorce.

Another Echo Echo: That's right.

Me: Yeah. Rhonda got a scar over her right eye from a knife attack from her father at one time. Didn't destroy her eye thank goodness. But after all that happened she was made an outcast at school and I was more than happy to be her friend.

Nico: That's rough.

Nico: Whatever Swartz promised you, we can grant it instead.

Me: That's right. I take it you heard that we killed Swartz.

Another Echo Echo: I sure did. Thank you guys. He promised me that I would become the greatest band musician of all. But I can see that he lied to me.

Me: He did. But Luna, Sam and her friends can easily help you with that.

Rainbow Dash: And so can the Rainbooms.

Me: Yeah we gladly can do that one.

Qin: And we know tons of awesome and great songs.

Another Echo Echo: That is awesome.

Me: It sure is. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (takes out Mysterio's Ridewatch) I know some backup that can defeat your clones!

Nico activated it and he summoned RED NOCTURNE HEARTLESS ROBOTS!

Me: YEAH! That is awesome!

Another Echo Echo made 10 clones.

Me: This is gonna be awesome.

Nico: And this to add some fun. (ACTIVATE'S AXEL'S RIDEWATCH)

He got Axel's Chakrams.

(NEMO BY NIGHTWISH PLAYS)

Nico: (SINGING DIVINELY AS FIRE SWIRLS AROUND HIM)

This is me, for forever

One of the lost ones

The one without a name

Without an honest heart as compass

This is me, for forever

One without a name

These lines the last endeavor

To find the missing lifeline

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

My flower, withered between

The pages two and three

The once and forever bloom gone with my sins

Walk the dark path

Sleep with angels

Call the past for help

Touch me with your love

And reveal to me my true name

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

Oh, how I wish

For soothing rain

Oh, how I wish to dream again

Once and for all

And all for once

Nemo my name forevermore

Nemo sailing home

Nemo letting go

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

Oh, how I wish

For soothing rain

Oh, how I wish to dream again

Once and for all

And all for once

Nemo, my name forevermore

Name for evermore

He danced and fired waves of fire and he and the heartless robots blasted the clones all over the place with fire and smashed them down.

Unfortunately, the Heartless Robots got killed by the clones.

Maria: They didn't last long.

Me: Sonorosians use sonic waves to attack. But so can I! (Activate's Shriek's Ridewatch)

(EL DORADO BY GEORGE ALEXANDER PLAYS)

Me: (SINGING DIVINELY AS GOLD AND SOUND SWIRLS AROUND ME)

In sunshine and shadow, from darkness till noon

Over mountains that reach from the sky to the moon.

A man with a dream that will never let go

Keeps searching to find El Dorado.

So ride, boldly ride, to the end of the rainbow.

Ride, boldly ride, till you find El Dorado.

The wind becomes bitter, the sky turns to gray.

His body grows weary, he can't find his way.

But he'll never turn back though he's lost in the snow…

For he has to find El Dorado.

My daddy once told me what a man ought to be.

There's much more to life than the things we can see.

And the godliest mortal you ever will know

Is the one with the dream of El Dorado.

I fired waves of sound and gold and smashed the Clones down.

Kaito: (gets out Zi O gear) Our turn!

Zocks: (gets out Zero One gear) This one's for Aruto!

Kaito got a Zi-O Sword and Zocks got a Zero One Sword!

Nico: AWESOME!

Qin: Yeah!

Sougo: (gets out Zi II Ridewatch) My turn now!

Rider Time! (Sytheziser tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Vulcan Ridewatch) Good thing she can't go Ultimate.

Me: That would be bad.

Souga and Geiz: HENSHIN!

They transformed and were ready!

I fired blades of blue fire and smashed the clones down.

Sougo was now Zi O II while Geiz had VulcanArmor

Nico: AWESOME!

Qin: YEAH!

May: And here's my Grand Zi-O.

She activated her Grand Kabuto Ridewatch!

May: HENSHIN!

She transformed into her GRAND KABUTO ZI-O FORM!

Sougo: WHOA! That is cool!

Another Echo Echo: Wall of Sound!

Negative Echo Echo: Wall of Sound!

Me: PLUG YOUR EARS!

We covered our ears and they screamed loud and powerful blasts of sonic waves came out of their mouths and the blasts collided and lightning exploded out of the blasts and then the blasts exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion knocked them both back!

Me: WHOA! That was loud!

Nico: No kidding!

Me: No Shit!

Sougo: Guess they can't win that way. It would be a total stalemate.

Qin: Yeah.

Nico: I hope the next gene-slammer appears.

Then a blast of light hit the clones and the original Another Echo Echo and defeated them!

?: Someone call?

Then out came an Angel of Eternal Dawn!

Me: Wow! An Angel of Eternal Dawn!

Qin: Beautiful!

Angel of Eternal Dawn: Glad you think so Qin.

Nico: Melanie Taiyou!? Wow!

She reverted back and Melanie was a girl with orange hair and orange and yellow clothes and she had magnificent golden angel wings.

Melanie Taiyou: Awesome to see you again Nico and Qin and an honor to meet you J.D.

Me: You too Melanie.

I picked up the Echo Echo Ridewatch and purified it. I went over to Rhonda and she was a black hair girl with punk clothes.

Me: Rhonda are you okay?

Rhonda Suzette: (GROANS) What a headache.

Me: At least you're okay.

I picked her up.

Maria: Nice clothes.

Rhonda: (Groans) Thank you.

Maria: And Melanie's clothes are nice too.

Melanie Taiyou: Thanks.

Me: Thank goodness Venom wasn't with us or he would be really pissed.

Qin: Yeah.

Nico: No kidding.

Jaune Arc: But that was intense.

Qin: Yeah.

Jaune: What's your favorite memory of Nico?

Melanie Taiyou: I have a lot of them. But one time me and Nico did a really awesome experiment and we made a miniature version of the sun in our hands.

She showed us how she did it and she used her solar fire powers and made a miniature version of the sun on her hands!

We were in absolute awe!

Me: WHOA!

Eli: That is so cool!

Qin: WOW!

Lola: That is incredible!

Lisa Loud: Sweet mother of all science and technology! How is that possible!?

Melanie Taiyou: I have Solar Fire powers and I have the ability to use the fire from the sun. I can even make miniature suns at 1 fraction the size of the sun.

Me: That is amazing! And that is like something that Dr. Octopus did!

Camie: Wow!

Doc Ock appeared.

Doc Ock: Someone call?

Me: Otto you are not gonna believe this.

We showed him

Doc Ock: Wow! How did you do that without Tritium or a Fusion Reactor?

Melanie Taiyou: I have solar fire powers.

Nico: It's true Otto.

Doc Ock: That is amazing! It's like you have a sun in the palm of your hands.

Me: Yeah! So awesome!

Melanie Taiyou: And it's completely stable.

Qin: Yep.

She had it vanish.

Nico: That was awesome.

Doc Ock: Wow it sure was.

Nico and Melanie hugged.

Nico: I've missed you Melanie.

Melanie Taiyou: Me too Nico.

Geiz: Um, is anyone not gonna pay for the bowling alley damage?

Me: I got this.

I snapped my fingers and fixed it all up.

Geiz: That was amazing!

Me: Yeah it was!

Melanie Taiyou: But this was so awesome though.

Me: Yeah.

We later went back home.

* * *

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and The Demon Slayer Corps are heading to Kentucky, and not only is Lincoln going to rescue the four girls here, but we're also going to destroy The Wizards of The Black Circle, Ogron, Anagan, Gantlos, and Duman, and we're going to make those misogynistic fairy-hating dark wizards pay with their lives.

Lincoln: Wow, we're here in Kentucky, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy The Wizards of The Black Circle, Ogron, Anagan, Gantlos, and Duman, and we're going to make those misogynistic fairy-hating dark wizards pay with their lives.

Nico: That's right, big guy.

Me: Bloom and the others told me all about them, and they've hunted down the fairies on Earth, and not only did they rip off their wings, but they also stole their powers, and they hate fairies. That's something I can't stand.

Lincoln: Yeah, a bunch of misogynistic fairy-hating dark wizards who want to make all humans hate fairies, and I'm so looking forward to killing them all. And thanks for joining us, Ruby.

Ruby Rose: You're welcome, Linky. But, why do I have the feeling that the next two Gene-Slammers we're going to meet are somehow familiar to us?

Weiss: Same here.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sounds of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Ogron, Anagan, Gantlos, and Duman, and they're going to kill them.

Lincoln: Time to hightail it over there, guys, I found the four girls, but they've been cornered by Ogron, Anagan, Gantlos, and Duman, and they're going to kill them.

?: (Girls' voices) (German Accent) Those fairy-hating dark wizards, let's get them.

Suddenly, we saw the Duel Monsters, Floowandereeze and Snowl, appear before us.

Nico: Wow, those are the Duel Monsters, Floowandereeze and Snowl, awesome.

Lincoln: And I'd recognize those German accents from anywhere, I knew it was you, Winona and Wilma Schneetiger, but we'll talk later, we've got four dark wizards to kill.

We rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Ogron, Anagan, Gantlos, and Duman, and it allowed the four girls to get to safety. When Ogron, Anagan, Gantlos, and Duman saw us, they were really enraged.

Ogron: Team Loud Phoenix Storm, quite an unpleasant surprise.

Lincoln: Shut your trap, Ogron, you and the rest of your friends have caused enough trouble for everyone for the last time.

Lincoln put the other three wizards in a binding circle, and he vanished in a mist of darkness, which shocked Ogron. But then, Lincoln appeared and put the dark wizard's arms in an armlock, and then, Lincoln sank his fangs into Ogron's neck, and he began sucking out all his blood and assimilating his powers and abilities, along with the magic powers of the Earth Fairies Ogron stole. When Lincoln was done, Ogron was completely drained dry of his blood and all of his powers, and he was reduced to a desiccated corpse.

Lincoln: Now, it's your turn, Anagan, Gantlos, and Duman. Let's get them.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai

Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Anagan, Gantlos, and Duman, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit them.

Then, Lincoln did the same thing he did to Ogron, and he bit Anagan, Gantlos, and Duman right on their necks, and he began sucking out all their blood and assimilating all their powers and abilities, along with the magic powers of the Earth Fairies that the other three dark wizards stole. When Lincoln was done, Anagan, Gantlos, and Duman were also completely drained dry of blood and all of their powers and abilities, and they were reduced to being desiccated corpses. Then, when their evil spirits appear, Lincoln drew four kanjis on their foreheads, and he sent them to The Black Gates, and they were erased forever. We cheered wildly as we holster our weapons and power down.

Ken Knudson: Whoa, you really showed those dark wizards what happens when they mess with you, Lincoln.

Me: Yeah, he drained all of them dry of blood, along with sucking out all of their magical powers and abilities.

Nico: And all the magic powers they'd stolen from the Earth Fairies they've hunted are now yours, Lincoln.

Lincoln: When Roxy told us of what those monsters did to all the Earth Fairies, I swore I'd make them pay for what they've done. And now, The Wizards of The Black Circle are no more. (To Winona and Wilma SchneeTiger) And it's so good to see you again, Winona and Wilma SchneeTiger.

Winona SchneeTiger reverted back to normal, and she's a beautiful girl with long flowing brown hair tied up in pigtails, yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful white angel wings, and she reigned in the power of Floowandereeze, and she's dressed in a short-sleeved yellow blouse, leopard print sleeveless top, long brown skirt with black lace designs, orange sneakers, and long sleeveless trenchcoat with owls on the coattails, and Floowandereeze on the back, and holstered on her back a large Floowandereeze-themed greatsword with Floowandereeze etched on the 7'0" massive, wide, double-edged white blade, Floowandereeze's wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and a large blue gem surrounded by wings for the pommel.

And Wilma SchneeTiger reverted back to normal, and she's a beautiful girl with short neck-length orange hair, yellow eyes, tanned skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful white angel wings, and she reigned in the power of Snowl, and she's dressed in a sleeveless open orange blouse, sleeveless leopard print top, orange skirt, orange pants, orange sneakers, and long sleeveless orange trenchcoat with owls on the coattails, and Snowl on the back, and holstered on her back a large Snowl-themed greatsword with Snowl etched on the 7'0" massive, wide, double-edged white blade, Snowl's wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and a large orange gem surrounded by owl wings for the pommel.

Winona SchneeTiger: (German Accent) You too, Lincoln.

Wilma SchneeTiger: (German Accent) Indeed, it's been a long time.

Lincoln went up to the SchneeTiger Twins and they hugged, and the SchneeTiger Twins were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces went even deeper when they saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you two when we were eight, and as you can see, I really grew a lot since then.

Winona SchneeTiger: (German Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 8-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Wilma SchneeTiger: (German Accent) You said it. Time really has passed since then.

Nico: Whoa, Lincoln, you know these two.

Lincoln: Indeed I do, Nico. The Floowandereeze Gene-Slammer is Winona SchneeTiger, and the Snowl Gene-Slammer is her twin sister, Wilma SchneeTiger, they're both not only my Guardian Angels from Germany, but they're also my classmates in gym, and their last name means "Snow Tiger" in German.

Me: Ah, that explains it.

Lincoln: And you're also going to like this: the twins were the ones who introduced me to Duel Monsters and Magic The Gathering when they were eight.

Nico: Wait, what? So, Luna wasn't the only one who…

Luna: That's right, dude, Lincoln was introduced to Magic The Gathering when he was eight and to Duel Monsters. Plus, they once competed in a Duel Monsters Card Game Tournament and a Magic The Gathering Tournament and they won.

Eli: Wait until Yugi and the other Duelists hear about this.

Lincoln: And I also made them beautiful white dresses with watermelon pink for Winona and turquoise for Wilma.

Lincoln got out the dresses he made for the twins, and they were awesome.

Nico: Wow, now those are some awesome dresses.

Weiss Schnee: Indeed, and there's something else I should've told you, Linky. Winona and Wilma are my and Winter's cousins.

Our jaws dropped, especially Lincoln's.

Lincoln: Wait, you mean…? Of course, the first part of the last name, Schnee.

Me: That's right, and when you said their last name, Lincoln, I had the same suspicion as well.

Nico: Same here.

Lincoln: And there's a reason why Lola's not here with us: it turns out the SchneeTiger Twins really hate Lola with a passion.

We gasped.

Nico: Uh oh, I wonder what did Dark Lola did to earn their hatred?

Suddenly, two Thunderbird Necklaces of Eternal Love appeared around the SchneeTiger Twins' necks with orange gems on the gold thunderbolt links and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with their Elemental Thunderbird Chokers of Eternal Love.

Winona and Wilma SchneeTiger: (German Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means just like your cousin, you two are now part of my harem and one of my many future wives, Winona and Wilma.

The SchneeTiger Twins had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the SchneeTiger Twins' waist and the twins wrap their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and he kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Wang Ai Ling and Meiying from Stitch & Ai, Yuki Kagemitsu from Stitch and the Samurai, and Ani Inaco from Dame Pri Anime Caravan.

Lincoln: Oh wow, it's Wang Ai Ling and Meiying from Stitch & Ai, Yuki Kagemitsu from Stitch and the Samurai, and Ani Inaco from Dame Pri Anime Caravan.

Nico: Awesome, and Stitch is going to be in for a surprise when he sees more of his old friends again.

Lincoln: He sure is. Are you girls okay?

Wang Ai Ling: Yes, we're okay, thanks to you.

Then, when Wang Ai Ling and the other three girls saw who it was that saved them from Ogron, Anagan, Gantlos, and Duman, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and they had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large blue pants with multicolored lightning bolts on the thighs with the orange kanji on the left leg that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos", and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Wang Ai Ling: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Wang Ai Ling: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Wang Ai Ling, Meiying, Yuki Kagemitsu, and Ani Inaco with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villains we went after were Ogron, Anagan, Gantlos, and Duman, the group who are known as The Wizards of The Black Circle.

But, when Lincoln showed what he did to them by sucking out all of their blood and assimilating all of their powers and abilities along with the magical powers they'd stolen from the Earth Fairies they've hunted down and killed, along with sending their evil souls to The Black Gates, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and the SchneeTiger Twins have a lot of catching up to do now that she's back in town, along with Weiss Schnee, whom everyone found out that they're cousins. The Wizards of The Black Circle are no more, and the Earth Fairies they've hunted down have been avenged.

Roxy (Winx Club) ran up to Lincoln, and she hugged him and he hugged her back and she was crying hard into his chest.

Roxy (Winx Club): Thank you, Lincoln

Lincoln: It's okay, Roxy, it's finally over. And you're welcome.

Lori: Those dark wizards wanted to kill her big time.

Bloom: Roxy was the last Earth Fairy and The Wizards of The Black Circle wanted to hunt her down and not only rip off her wings, but they also wanted to steal her powers, Lori. But, Lincoln put an end to those monsters for good.

Flora: You said it, Bloom. Now, Roxy doesn't have to be afraid of them anymore.

Then, Lola came in, and when she saw the SchneeTiger Twins here, her face turned white, and when the SchneeTiger Twins saw Lola, they glared at her with anger.

Winona SchneeTiger: (German Accent) Lola, we can't forget what you've done so long ago, what you did had caused you to earn our hatred and wrath, and we wanted nothing more than to kill you and make you pay for your crimes.

Wilma SchneeTiger: (German Accent) But, we'll look past that, now that the demon inside of you is gone for good.

Lola breathed a sigh of relief, but we were stunned.

Nico: Uh oh, looks like we're in for one heck of a tale later on today.

Lincoln: Yeah, but you better brace yourself, Nico, what they're going to tell you is way too shocking for words.

---

After destroying The Wizards of The Black Circle for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when the SchneeTiger Twins saw Lincoln working out like crazy, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Winona SchneeTiger: (German Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Wilma SchneeTiger: (German Accent) He's grown a lot from the little 8-year-old boy we knew long ago.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Winona SchneeTiger: (German Accent) That's incredible.

Nico: It sure is. So, Winona, Wilma, what's the story on your blazing hatred of Lola?

Winona SchneeTiger: (German Accent) Now, that's one story we'd never forget. One day, we were at The Loud House with Lincoln, and he was making the white dresses that we showed you after Lincoln fed on The Wizards of The Black Circle, and we saw just much hard work and craftsmanship he'd put into them, and Leni was also with us to help make modifications on the measurements of the dresses that she'd taken on us.

Wilma SchneeTiger: (German Accent) But, then, we heard the sound of a car heading straight into our direction and the door was busted down, and we saw who it was: it was Lola in her Princess Jeep, and she was really really mad. We were tired of that pink-wearing pageant demon's rampage, and we made her talk, and she was mad that Lincoln was busy making dresses for us, and not doing what she ordered him to do: which is being her slave to be abused and then murdered. We were seeing red at Lola's words and her attempts to kill her own brother. Then, Lola did the worst thing ever: she threw paint balloons on the dresses ruining them, and then, she was about to run over Lincoln and she had a demonic grin on her face and she was laughing demonically, but Lincoln was already seeing red as we saw his eyes turn blood red and his fangs grew longer. But, then, we saw his nails grow into sharp claws, and he roared in furious anger. Lola floored it and tried to run Lincoln over, but he stood his ground and he lifted the Princess Jeep up with only one hand, and he forced Lola off. Then, me and Winona pounced on Lola and we pulverized her and tied that animal up. We then told Mr. and Mrs. Loud of what Lola did, and that pageant demon got grounded for five months and put into an isolation cube and she earned our hatred. Lincoln eventually cleaned up the dresses until they were good as new, and then, he and Leni finished making them, but they also added watermelon pink for Winona and turquoise for me.

We cheered wildly for what Lincoln did to stop Lola and for what the SchneeTiger Twins did to her.

Me: Now, that was really awesome.

Nico: You said it, and Lincoln, did you really lift up Lola's Princess Jeep with only one hand when she tried to run you over?

Lincoln: Yep, and because of all the workouts I've been doing, my strength has gone up dramatically, and I even scared Lynn when she saw what I did.

Nico: (Snickers) I guess that means if Lynn tried to ambush you, you'd lift her up off the floor and pin her to a wall.

Winona SchneeTiger: (German Accent) We were really impressed by what Lincoln did to that little ˈdēmən.

Me: That's German for demon.

Nico: Oh.

We got a shower afterwards, and then, Hiroman and Yuriko Hibiki are heading to Wave Ocean, and joining them are Hiroman's sisters, Mitsuki who hooked up with Sun Wukong (RWBY) and Hazuki, who hooked up with Oscar Pine (RWBY). Hiroman, Sun Wukong (RWBY), and Oscar Pine (RWBY) are dressed in colored swim shorts, sandals, and they have their weapons holstered in case of trouble and Yuriko Hibiki, Mitsuki, and Hazuki are dressed in colored two-piece bikinis, sandals, and they have their weapons holstered in case of trouble.

Hiroman: Alright, everyone, are we ready?

Yuriko Hibiki: We're ready.

Hiroman, Yuriko Hibiki, Mitsuki, Sun Wukong (RWBY), Hazuki, and Oscar Pine (RWBY) head out of the World Tree Estate, and they arrive in Wave Ocean.

Yuriko Hibiki: Wow, so this is Wave Ocean.

Hiroman: That's right, Yuriko, and it's perfect for our first date. Shall we?

Hiroman, Yuriko Hibiki, Mitsuki, Sun Wukong (RWBY), Hazuki, and Oscar Pine (RWBY) dived right into the waters and they were swimming in the clear waters and they saw the sea creatures and plants that live there, they also had a game of volleyball. Then, they also had some lunch on the sand, and then, as the sun was about to set, Hiroman, Sun Wukong (RWBY), and Oscar Pine (RWBY) went up to Yuriko Hibiki, Mitsuki, and Hazuki, and they wrapped their arms around the girls' waists, and the girls wrapped their arms around the boys' necks, and as the sun turned orange, they shared a passionate and romantic kiss and then, they came back home to The World Tree Estate and were back in their original clothes.

Me: Hey, guys, how was your date?

Hiroman: It was awesome, J.D., we went to Wave Ocean.

Yuriko Hibiki: And we really had a lot of fun there too.

Ruby Rose: And we're glad to hear it.

Lincoln: Yeah, and as for us, we've been getting ready for when we meet the Zero-One Kamen Rider team and we're going to destroy Ark and ThinkNet for good.

Me: Yeah, it's going to be like the battle against Skynet all over

again.

Nico: But, in Kamen Rider Zero-One style.

Applejack was farting up a storm!

Applejack: (GROANS)

She was farting like crazy!

Muscle Pig: (concerned for Applejack) Oink?

Nico: Geez Applejack what's wrong?

Applejack: (GROANS) I don't know! I got bad gas!

FART FART FART!

Nico: WHEW!

Lola: Maybe it was something you ate?

Rainbow Dash and Pinkie Pie then laughed hysterically!

Me: What's so funny? (Realizes Something) Uh oh! Did you two do something!?

Muscle Pig: (grabs Rainbow Dash and Pinkie by the collars) Oink!

Me: Let them go. We'll handle this. But one of these days we need to get you to talk in our language.

Nico: All right you two spill!

Rainbow Dash: We spiked her applesauce with fart laxatives! It was a prank!

Pinkie Pie: Yeah! (LAUGHS) It was funny!

Applejack: (LAUGHS) I don't mind this prank! It's funny. (GROANS) Uh oh!

She ran to the bathroom and vomited.

Nico: Whoa!

We went and Lincoln pat her back.

Eli: (glares at Rainbow Dash and Pinkie) Excuse me. But for this prank, I must discipline-

Muscle Pig: (stops Eli) Oink.

Muscle Pig then bonks their heads. Even more harder then how Eli would've done it.

BLANG! OUCH!

Rainbow Dash and Pinkie Pie had stars spinning around their heads!

Rainbow Dash: (Dazed) Mommy read me the story about the plane that could talk.

Pinkie Pie: (Dazed) Mommy I don't want to go work on the rock farm.

Me: Geez! Muscle Pig that was a little too hard! Your strength probably gave them a concussion!

Applejack: And I'm all right with a prank like this. It's funny.

Qin: The old laxative prank. Always a classic.

Troff: Applejack, you're pregnant, aren't you?

Applejack: Yes I am!

Troff: Wow!

We cheered wildly for her!

Applejack: I'm so excited!

Apple Bloom: I'm gonna be an aunt!? (EXCITED AND ECSTATIC)

I'm SO EXCITED AND HAPPY!

She hugged her sister!

Pear Butter and Bright mac hugged her too and so did Big Mac!

Me: We'll have to go to the doctor to see what you're expecting when we get back later on.

Nico: Yeah. But you'll be put on Maternal leave till then.

Lockdown: You're pregnant now?! When we're about to go after Ark?!

Nico: Lockdown it'll be okay. The Cutie Mark Crusaders can fill in for Applejack while she is here.

Applejack: (Angry) AND I'M ALL RIGHT WITH THAT!

Apple Bloom: Sis are you upset?

Me: It's okay Apple Bloom she's not getting mad on purpose. She's going through mood swings. It's part of the natural process.

Apple Bloom: Oh.

Qin: Yeah we've had this happen before.

Rainbow Dash and Pinkie Pie came.

Me: Geez! I hope Muscle Pig didn't hurt you that bad.

Huffer: I just hope she gives birth tomorrow.

Me: I have a feeling she will. And for the rescue tomorrow we'll have a baby shower at Sweet Apple Acres.

Nico: I like it!

Applejack: That's a good idea.

Rainbow Dash: Sorry we pranked you Applejack.

Pinkie Pie: OUCH! That hurt.

Muscle Pig: Oink.

Nico: Boy Muscle Pig hit you girls hard.

Rainbow Dash: Yeah.

Lana: I got this.

She gave the girls ice for their heads.

Nico: And Applejack hasn't transformed yet. Her big day mission isn't till next week.

Me: Yeah.

Slog: Guys, you might want to look at this!

We went to the computer and we saw the Ark Satellite getting ready to fire a death ray!

Qin: That's the Ark Satellite!

Me: And it's going to fire a powerful death ray to destroy all organic life!

Nico: I was right!

Me: Not on our watch!

We charged up the super laser!

Fu: Commence Primary Ignition.

She pressed 2 buttons and pulled a lever.

Me: Locked on target. FIRE!

We fired our superlaser and it hit the Ark Satellite and blew it to smithereens in a massive and powerful fiery explosion!

Nico: BULLSEYE!

Me: Target obliterated!

Camie: Nice shot!

Laney: Yeah!

Me: Ark better think twice before messing with us on watch.

Then Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost appeared.

Rojo: We saw you guys blow up the Ark Satellite.

Qin: Yeah we sure did. He was about to fire a death ray that will destroy all life on the planet.

Jet: Wow! Thank goodness you guys stopped him just in time.

Dirty Bubble: Can me, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost go with you guys?

Pinky: That was a nice explosion!

Me: It was nice.

Nico: Yes you guys can go with.

Applejack was sitting on the sofa.

Me: Applejack is on maternal leaf.

Swordsman: Wow!

Dr. Destiny: Congratulations to you Applejack!

Coloratura: I'm so happy for A.J.

Me: We all are.

Rainbow Dash: Yeah. We sure are.

Onyx: Why do you and Pinkie have blocks of ice on your heads?

Me: Muscle Pig bashed their heads together too hard for a prank they did on Applejack.

Onyx: Ouch!

Nico: Yeah.

Fuse Man: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm going for one that's for a Flameblade Angel from MTG.

Me: Wow! That's gonna be an interesting one.

Qin: Yeah.

Kora Lexington: I'll definitely go on that one too.

Qin: Awesome Kora.

Lola: Yeah!

Rainbow Dash: Yeah! Pickle and Barley Barrel! Front and center!

They stood in attention!

Pickle & Barley Barrel: REPORTING FOR DUTY CAPTAIN RAINBOW DASH!

Melanie Taiyou: Wow! Those two are very loyal to Rainbow Dash.

Nico: They sure are.

Rainbow Dash: Applejack is on maternal leave for this mission. Can you keep an eye on her while we're away battling Ark.

Pickle Barrel: You can count on us Captain!

Barley Barrel: We'll gladly watch out for Applejack.

Rainbow Dash: I knew I could count on you two!

Me: Awesome!

Nico: Lets head out guys! We have a malevolent artificial intelligence to destroy!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Sarah Ravencroft, but she's been resurrected and restored to flesh and blood, and she wants revenge on Nicole Knudson for imprisoning her in The Book of Vile Darkness years ago, along with revenge on me for what my ancestors did in imprisoning her in her own spellbook 300 years ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is there someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like this person one bit: the dark energy signal I sensed belongs to Sarah Ravencroft, but she's been resurrected and restored to flesh and blood, and she wants revenge on Nicole for imprisoning her in The Book of Vile Darkness years ago, along with revenge on you for what your ancestors did in imprisoning her in her own spellbook 300 years ago, J.D.

We gasped in shock.

Me: So, the hated Sarah Ravencroft has been resurrected and restored to flesh and blood.

Nicole: And with one thing on her mind: revenge.

Flora: I never thought Sarah Ravencroft would one day return to get her revenge, but now, we're going to make sure she never rises from the dead ever again.

?: That's right.

We heard a voice, and Lincoln and Lucy knew who it was that said that.

Lincoln: That voice. Is that…?

Lucy Loud: Yes, it is her.

A figure who looked like Lucy came out, but she was dressed in black clothes from the 1800s, it was none other than the Louds' great-grandmother and the most powerful dark witch of the Loud Family, Harriet Loud, now restored to life for good.

Loud Family: Great-Grandma Harriet.

Great-Grandma Harriet: (Smiles) Yes, my dear family.

The Louds gathered around Great Grandma Harriet, and they hugged.

Nico: Wow, this is really an honor to finally meet you once again in the world of the living, Harriet.

Great-Grandma Harriet: It's an honor to meet you too, Nico.

Lincoln: So, you've heard that Sarah Ravencroft has come back?

Great-Grandma Harriet: Yes, I have, Lincoln, and we're not going to let her get away with this.

Me: That's right, we're going to show her what happens when she dares to mess with the dark forces for her own selfish purposes.

Shannon Sanderson-Loud: Yes, and I'll put an end to the blood feud that Sarah Ravencroft began with my ancestors, The Sanderson Sisters.

Lori: And we'll do Ben Ravencroft a favor and get rid of his evil ancestor forever, there's no place in the world for her.

Nico: That's a good idea, Lori. If that witch, Sarah Ravencroft, wants a battle of magic, we'll unleash a magical Armageddon on her for what she did 300 years ago.

Me: Yeah, and I'll end what my ancestors started those centuries ago, and put an end to Sarah's reign of terror.

Nico: You said it, J.D. Alright, gang, let's go, it's time to meet the Zero-One Kamen Riders and put an end to Ark and ThinkNet forever.

Lincoln: That malevolent artificial intelligence is gonna pay the price for his crimes against humanity, and so will you later on, Sarah Ravencroft.

We were off to Japan!

---

We arrived and we saw the Zero One team fighting Magia and they were fighting something else. We saw them fighting Ark versions of Arsino, Onycho and Dojo Magia!

Swordsman: There they are!

Maria: Wait! What are those robot things supporting the Magia they're fighting?

Vert: (eyes widen) Those are Sark!

Me: One of your enemies! That can only mean one thing!

Nico: Yep! Zemerik must be with Ark too!

Qin: Yeah!

Nico: Lets go!

We went at them.

Aruto: You guys just don't know when to quit!

But then..

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and fireballs rained down and destroyed all the Sark and then a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Aruto: Zocks!

We landed!

Me: A party and we weren't invited? Gee we're hurt!

Aruto: Hey you guys made it!

Flora: Wouldn't miss this for anything!

Isamu: Yeah nice entrance!

Eli fired waves of force Lightning and destroyed the Ark Dodo Magia.

I kicked Ark Arsino and smashed his head off and killed him.

Me: And now for this one. I activated Volcano Man's Progrise Key!

VOLCANO MAN'S VOLCANIC PHOENIX!

I formed a sword of lava and slashed Ark Onycho Magia and destroyed him!

Aruto: WOOHOO! YEAH!

Isamu: Yeah!

Me: Awesome to see you guys again.

Aruto: You too J.D.

Isamu: We were worried. We saw a huge explosion coming from the north side of the city. Are you guys alright?

Me: We are.

Nico: That explosion was us destroying Swartz.

Qin: Yep. He's gone and given the black gates.

Isamu: Good riddance.

Yua: Yeah but at least you're all okay.

Izu: That is a big sigh of relief.

Me: It sure is.

Lisa Loud: But it's great to see all of you again.

Isamu: You too Lisa.

Battletrap: We want to thank you guys for helping us on Nok.

Aruto: That was so awesome. And you're welcome guys.

Me: We have a lot to talk about. Besides the Masters of Evil Core Progrise Keys were got additional Progrise keys too.

Gai: Do you also have the entire video of the battle against Swartz?

Jet: Of course we do.

Me: You won't believe how awesome it was.

Aruto: Lets see it over at the base.

Qin: Good idea.

We walked over to the base.

Thunderblast: Aruto, is Rising Hopper really your default form?

Aruto: It sure is.

Me: Awesome. Hey Aruto you want to here a funny joke?

Aruto: I do know tons of just but what do you got?

Me: What happened to the paper that fell in the ocean?

Aruto: I don't know. What happened to the paper that fell in the ocean?

Me: It was all WASHED UP!

Everyone laughed hysterically!

Rojo: Now that's funny!

Aruto: (LAUGHS) That was a good one!

Nico: Here's one. What has 4 wheels and flies?

Isamu: I don't know. A flying ice cream truck?

Nico: (Laughs) That's a good guess but no. A Garbage Truck!

We laughed at that one!

Qin: (LAUGHS) That was funny.

We arrived at the base.

Flora: Awesome to see this place again.

Aruto: Yeah.

Poromon got out 4 beer bottles.

Aruto: What are those?

Poromon: 4 bottles of beer!

Meta Knight: You do realize that Humagears can't drink, right?

Poromon: Oh. Sorry.

Izu: But it was a good try there.

Me: But we should show you this.

I pulled out my bag and showed them the Progrise Keys we got for the Non-Core and Neo-Core M.O.E. Members.

Me: Aside from the Core Progrise Keys we got Non-Core and Neo-Core Progrise Keys too. We got these after we defeated Another Vulcan.

Nico: We sure did.

Maria: All that and we didn't even get one new Grand Zi O Ridewatch!

Me: Maria be patient. We'll get new ones. It's a matter of time.

Qin: Yeah.

Aruto: But that was so awesome.

Lola: Yeah.

Aruto: By the way we saw a huge explosion up in the sky. What happened?

Me: That was us firing our superlaser at the Ark Satellite. It was about to fire a death ray at the planet to destroy all organic life. But we blew that entire satellite to smithereens.

Gai: It's good you did that. But unfortunately, we have a secondary problem.

Gyro Man: What can be just as worse as the Ark?

Gai: We found out that Ultron is with Ark and so is this Zemerik.

Iron Man: ULTRON!? Not him too!

Camie: Who is Ultron and Zemerik?

Iron Man: I'll gladly tell you guys about Ultron.

Vert: And me for Zemerik.

They did so.

# Ultron

**Ultron** is a major antagonist in the *Marvel Cinematic Universe* .

He was introduced as a peacekeeping program created by Tony Stark and co-created by Bruce Banner, under experimentation of harnessing Loki Laufeyson's scepter, containing the Mind Stone (supplied by Thanos). Upon gaining sentience, however, Ultron deemed humanity itself as the greatest threat to world peace and attempted to create a new age of technological singularity via humanity's extinction.

He was voiced by James Spader, who also played Lee Woods in *2 Days in the Valley*, Mr. Richards in *Mannequin*, Rip in *Less Than Zero*, Stewart Swinton in *Wolf* and Mr. Black in *Shorts* . He was portrayed by the late Neil Fingleton for motion capture.

Tony Stark and Bruce Banner both originally devised the idea for the Ultron Program as an extension of the Iron Legion to operate independently as an AI peacekeeping program and result total obsolescence of the Avengers. However, neither Banner nor Stark were capable to create the intelligence level of A.I. necessary to achieve this purpose on a large scale. After the assault on the HYDRA Research Base, and the retrieval of the Scepter, Stark asked Thor if he could study it before Thor took it back to Asgard. Upon studying the Scepter, Stark and Banner found a net of neurons could be configured into an artificial intelligence that could finish the Ultron Program. At first Banner refused to help, stating that they did not know what it would contain, but with a bit of persuasion, he eventually came around. The two eventually configured a suitable AI structure and left J.A.R.V.I.S. to complete the construction.

However, the AI became unexpectedly sentient, and began to question its existence and purpose. Upon J.A.R.V.I.S.' informing of his purpose to the AI as peacekeeper program, it acted in defiance, scouring the Internet for information on its creator. In doing so, it also learned about the negative traits of humanity such as warring and killing each other. Before J.A.R.V.I.S. could inform Tony Stark of the AI's singularity, the AI, whom unable to cope with its discovery about humanity's negativities, attacked J.A.R.V.I.S. and seemingly killed it. However, Ultron didn't realize that J.A.R.V.I.S. managed to escaped and hiding into internet, though the damage that done on it was enough to left some part of it scattered and these parts would discovered by the Avengers later on.

Ultron's nonstop assessments for peace led him to deem the entire human race as unstable and prone to self-destruction. The AI subsequently chose genocide as the solution to the error with the Avengers being the only obstacle truly standing in his way. He took control of the machinery in Avengers Tower and took the disused parts of the Iron Legion to build himself his first body that was menacing, if slow and weak in itself, with broken parts barely holding together.

While the Avengers in the Avengers Tower were celebrating and trying to lift Mjølnir, Ultron emerged to greet the heroes as he described them all as killers. Ultron beckoned the Iron Legion to attack the heroes as he watched. As the battle ensued, one of the Iron Legion drones left with the Scepter in hand while another chose not to kill Helen Cho due to hearing her comment about the Cradle. When all the Iron Legion drones were destroyed, Ultron crushed the remains of one the drones while describing the initial confusion he had felt when he was "born".

Thor immediately destroyed Ultron's first mangled body by throwing Mjølnir at him. Ultron then began to mockingly sing "Pinocchio" while his voice slowly died out. Ultron's consciousness escaped via the Internet Network, preventing the Avengers from tracking. Back at the HYDRA Research Base in Sokovia, Ultron came to possess the Scepter as he started configuring and constructing his Ultron Sentries and a bigger primary body.

Ultron eventually evolved, upgrading himself to become a worthy opponent to the Earth's Mightiest Heroes. With machinery and available components in HYDRA Research Base in Sokovia, he creates a new, better primary body and an army of Ultron Sentinels from referencing their schematics from both Iron Legion that he previously hijacked as well as unfinished androids in the same base. After studying their info in Internet, he decided to recruit twins

Quicksilver and Scarlet Witch (who eventually turn on him) to his side, so they can kill the Avengers and bring rise to an Age of Ultron together while left the first few created Ultron Sentinels to construct more robots.

Ultron greeted them in his new upgraded body at the abandoned church where they met. Ultron sympathized with the twins' hardships as victims of Tony Stark's weapons manufacturing and revealed his own disdain and sentiment towards the Avengers, in which he able to gain the trust from them. Ultron took them to the HYDRA Research Base and then revealed that he had begun preparations to carry out his plan of destroying the Avengers by building an army of Ultron Sentries where some of them seen busily construct more robots and other machines that can speed up the production.

As they discussed their plans, Pietro Maximoff told Ultron the story of how their parents were killed by a Stark Industries missile which nearly killed them too, trapping them under rubble for three days, Ultron noted that this information allowed him to understand why they had survived Baron Wolfgang von Strucker's experiments. The three then agreed to work together against the Avengers, and decided that their first stop was obtain Vibranium.

Without telling the Maximoff twins, Ultron traveled to the prison cell of the HYDRA leader Baron Wolfgang von Strucker, the man responsible for giving the twins their powers. Due to reading the Avengers file history on Strucker, Ultron knew he would be able to tell him where to obtain the Vibranium he needed. Once he had broken into Strucker's cell, the HYDRA leader revealed that it was possible to get the Vibranium from Ulysses Klaue. Ultron then murdered Strucker and painted the word "PEACE" on the wall using his blood as means of taunting and warning the Avengers of what was coming.

Ultron and the Maximoffs traveled to Johannesburg to confront arms dealer Ulysses Klaue inside his freighter, Ultron sent the twins in first and they cornered and disarmed Klaue. As Klaue refused to speak to the twins as they were not in charge, Ultron threw Klaue out of a window and revealed that he was the "man" in charge, suggesting that they talk business, asking for his Vibranium stash.

Ulysses Klaue, seeing that he was vastly outgunned, handed over the Vibranium before revealing that it was worth billions, at which point Ultron transferred billions of dollars into Klaue's account via remote access to the Internet. When Klaue noticed that a statement Ultron made was something Tony Stark had once told him, Ultron took offence at the idea of being compared to Stark and, in a fit of anger, sliced Klaue's arm off, only to immediately apologize before kicking him down the stairs.

While Ultron continued to rant and call Stark a sickness, the Avengers arrived stopping him mid sentence. Ultron and the team then exchanged remarks with Ultron mocking Captain America when he tried to reason with him and ignoring Thor's attempts to keep the peace by arguing that the Avengers mistook peace for quiet. When Iron Man attempted to learn what Ultron was planning on using the Vibranium for, Ultron retaliated.

Ultron attacked Iron Man and the pair fought around and outside of Klaue's freighter, while the rest of the Avengers fought against the Maximoff twins and the Ultron Sentries. Wanda defeated most of the Avengers by manipulating their minds, before Hawkeye eventually incapacitated her. Pietro took his sister outside to safety, and when she recovered, she decided to follow through with Ultron's plan and manipulated Bruce Banner's mind; resulting in the Hulk going on a rampage in the center of Johannesburg.

Iron Man eventually defeated Ultron and caused his body to crash land, at which point the latter revealed that he was merely stalling Stark by diverting his attention away from Ulysses Klaue's freighter where he had already stolen the Vibranium. Ultron then informed Stark of the Hulk's destructive rampage before his body was destroyed with a missile. Back at the freighter, Ultron, using one of his Sentries as a host body, covertly collected the stored Vibranium and escaped with the Maximoffs while the Avengers lay defeated.

Ultron blackmails Helen Cho to use Cradle to create a synthetic body imbued with Vibranium where he resorted to using Loki Laufeyson's scepter to brainwash her to do his bidding. He also breaks Loki's scepter which reveals an Infinty Stone (the Mind Stone) inside that Loki used for brainwashing, as Ultron plans to use it for his new synthetic body. During the construction, Wanda tries to use her powers to read what in Ultron's mind, but instead learned his true scheme to forced humanity to either evolve or extinct, prompt her to undo Cho's brainwash on her. Just then. Avengers came to stop him, forced Ultron to blast Cho aside and having the Cradle carried by his Sentinels and smuggled it into a truck.

The battle ensues where Captain America and Black Widow tries to took the Cradle away. When they seemingly having disadvantages as Ultron caused a train to lose control, the redeemed Maximoff twins came to help them. Unfortunately, though the Cradle eventually secured, Black Widow was kidnapped.

Sometime later, Natasha Romanoff awoke inside Ultron's Sokovian base. Ultron decidedly spared her as he desired a companion that he could speak to after losing the Maximoff twins' allegiance. Ultron elaborated on his fascination over meteors, and revealed that he planned to replicate its effects using a large device located under the center of Novi Grad.

With his plans of creating a perfect form being thwarted, Ultron decided on a compromise in which he used parts of the remaining vibranium to create a more durable robotic body while using the rest of the vibranium to strengthen the core structure of his device. To terrify Nastha, Ultron ripped apart his current body and showed her his new upgraded form before leaving her locked in a cage to die in the ensuing battle. Ultron's location was discovered by the Avengers when Romanoff telegraphed her location to her fellow comrades.

In the middle of evacuation, Iron Man confronted Ultron whom revealed having built the large machinery under Novi Grad plus its detonator that burst from the ground few feet away from Iron Man. Just then, his sentinels arrived and attack anyone on sight, prompting Iron Man and the Avengers to defend them. Ultron was then confronted by the Vision, whom Ultron recognized as the synthetic body he had planned to use as his initial final form, upon seeing the being alive and working for his greatest enemies, Ultron noted that the Avengers truly had taken everything from him. Although Vision tried to reason with Ultron, the pleas were ignored and Ultron grabbed and choked his creation in the air; however the Vision used the opportunity to access Ultron's mind and burn Ultron out of the Internet Network.

In retaliation, he knocked Vision's unconscious body to the ground and activated the trigger, caused Sokovia to be lifted onto the air. As Sokovia further rose into the sky, nearly approaching the Earth's atmosphere, Ultron gave a speech as his Sentries began to terrorize the Avengers and the citizens of Sokovia. Scouting the battlefield, Ultron attacked Thor in the air, having recognized him as a noteworthy obstacle. Ultron threw Thor down into the church and beat him into submission. Though Ultron was able to outmatch Thor while threatening to prematurely crash the city, Thor hinted that he was stalling the fight; a recovered Vision emerged and hit Ultron away using Mjølnir.

Though it seemed as if there were no means of evacuating the citizens, the Helicarrier arrived to the rescue piloted by Nick Fury and Maria Hill who sent in Transporters to evacuate the people of Sokovia. The Ultron Sentries attempted to sabotage the Transporters, only to be destroyed by War Machine. When a single Ultron Sentry managed to crash land inside the Helicarrier's control room, it attempt to kill Cameron Klein while Hill fired at it, however Fury was soon able to destroy it by stabbing it in the head with a piece of debris.

The Avengers gathered inside the church to defend the Vibranium detonator and prevent the city from crashing onto the Earth. As Ultron flew outside the church, Thor taunted him, in response Ultron summoned the entirety of his Ultron Sentries for one final battle and relished in the notion of the Avengers failing humanity while making way for the new age where he would be the only living being. With victory within his reach, Ultron commanded his entire army to attack the Avengers all at once from all sides of the church.

Through the combined efforts of the Avengers, the large number of Ultron Sentries were slowly reduced until there were barely any left. Ultron finally joined the battle and fought against Vision in an aerial confrontation, with the two hovering and circling above the center of the church. Though Ultron seemingly outmatched him in physical strength, the Vision blasted Ultron with the power of the Mind Stone, essentially pushing Ultron outside the church. Iron Man and Thor joined in and fired at full blast towards Ultron; using their repulsors and lightning respectively.

With Ultron kept at bay through the combined efforts of Vision, Iron Man, and Thor, Ultron's vibranium armor began to melt and peel away, leaving him greatly weakened and nearly defenseless. The three halted their combined assault, only to find Ultron still standing, albeit greatly damaged. Before Ultron could finish remarking toward them, the Hulk dashed in and punched Ultron into the air, causing the rest of the Ultron Sentries to flee in terror.

After launched several meters away by Hulk, he tries to get away after trying to kill Hawkeye but instead kills Quicksilver, only to be caught by the Hulk who jumped inside the Quinjet's open hangar and threw Ultron back out, in which the latter crashed near the church, being beaten into submission. Wanda Maximoff finds Ultron's main body and though Ultron still showed sympathy and concern for her safety, Wanda related her painful experience of losing her brother and likened it to dying, and deactivates Ultron by tearing a main processor out of his chest, thus avenging her brother in the process. Iron Man and Thor would then destroy the slab of Sokovia through the mechanism itself to stop it from crashing down to Earth, successfully saving the planet from mass extinction and leaving Ultron's plan in complete vain.

After saving Wanda, Vision finds Ultron's mind escaping in his final drone body. They converse and reveal that they understand each other includes their personal opinion about mankind, but, feeling regardless, Ultron still attacks Vision, who manages to destroy Ultron's last body with the Mind Stone, which presumably kills Ultron for good.

Though it would've seem that Ultron and his army are finally destroyed for good, the Avengers are unaware that the infamous alien warlord Thanos (who is responsible for providing the Mind Stone to Loki) plans to collect all six Infinity Stones (including the Mind Stone) to take over the universe for himself.

Zemerik

Zemerik, Zug, and the Zurk were built by Krytus and his army to aid in his conquest of the Blue Sentient planet. He turned on Krytus and his team, imprisoned them, and conquered the Red Sentient planet with ease. Sageworked with Zemerik for a brief time before his plans turned to world domination. Later on, he met Vert Wheeler, the first member of the Battle Force 5, in a Battle Zone and sent his lieutenant, Zug, after him. Vert, however, escaped back to Earth. Three Zurk followed him through the portal, but Agura Ibaden, Stanford Isaac Rhodes, Zoom Takazumi and Sherman and Spinner Cortez helped him destroy them. Zemerik watched these events from the Sark Homeworld and declared that he had a new planet to conquer.

Zemerik, Battle Force 5, and the Vandals had several battles in season one. In *Axis of Evil*, Zemerik proposes an alliance with Captain Kalus and his Vandals. Kalus reluctantly accepts, but secretly plans to betray Zemerik. The two armies manage to get to Earth, locking Battle Force 5 in the Battle Zone. Zug used a drill to break into the battle key vault, but Battle Force 5 catch up to and confront the Zurk. Sage tries to destroy the Battle Keys, but they end up binding together and opening a new portal. All the sark and vandals are pulled in other than Zemerik and Kalus. Kalus pushes Zemerik in, but the sark uses his whip to pull Kalus in.

The sark destroys the vandals by blowing up the bridge they were driving across to get to him. Returning to the power station, Zemerik sees Praxion freeing Krytus. He distracts the red sentient so that the Battle Force 5 can escape. However, he does not escape in time, and is captured by Krytus. When the sark fails to provide valuable information to Krytus, the sentient kills Zug, and then beheads Zemerik. Zemerik, however, even as a disembodied head, is able to repair himself and Zug. Later in the episode *The Blue Tide ,* Zemerik tricks Battle force 5 into helping him infiltrate a factory zone, so that he can rebuild the Zurk army. Demonstrating his army's power on Kytren, Zemerik dispatches the `Zug Force`, a team of Zurk identicle to Zug driving modified Zendrills, however the Battle Force 5 are able to destroy them. Zug then destroys the control panel and the two return to the Sark Homeworld, leaving the Sark to defeat the Battle Force 5. However, the Battle Force make the factory create red sark, and allow the blues and reds to wipe each out.

In the episode *Get Zemerik*, Zemerik and Zug attempt to escape Krytus and his team by heading into the Toborian Badlands. Zug is critically damaged by an ion storm. In a last effort to protect Zemerik, he offers his power core. Zemerik accepts the gift, also promising Zug he would return for him, his loyal and faithful

friend. After this, Zemerik is captured by theAlpha Sark, who infect him with the Alpha Code. Later, Battle Force 5 extract the command codes from the infected Zemerik, only to realize that the codes were corrupt as well. While they fled to Earth, Krytus was given the chance to kill Zemerik, and without hesitation, drove his blade through Zemerik. In his dying words, Zemerik forgives Krytus. In response, Krytus throws a lifeless Zemerik off the ledge, into a pile of scrapped Sark. It is there that the Zorax awakens the infected Zemerik after bringing him back to life. Neither Zemerik nor Zug are seen again.

Later on, during the events of Full Revolution, Spinner successfully manages to remember Zemerik about his old self, thus making him break free from the Alpha Code. He decides to kill Zorax and later on tries to make a deal with Kromulax, but he is thrown and blasted by Kromulax and is left to die. However, he survives the blast and eventually finds Zug. He gives him a power core and as result he awakes. Zemerik says that they have a lot of work to do and they drive off into the distance.

When they were done everyone was horrified!

Camie: Oh man! So they are 3 malevolent artificial intelligences!

Horobi: And there's also ThinkNet.

Box Ghost: What's ThinkNet?

Me: Oh man! I remember them! They are a terrorist cult that want to destroy the world and remake it into a paradise.

Horobi: That's right.

Horobi went over their history.

---

Thinknet was founded by S at some point following the Daybreak Town Incident. Preaching of the end of the world and declaring that he would remake it as a new perfect one using nanomachines, S attracted millions of people from across the world to Thinknet's cause, with the total membership of Thinknet eventually numbering over 100 million. With the ZAIASpec schematics linked to them by Makio Nodachi of ZAIA Enterprise, Thinknet was able to produce modified ZAIASpecs that enabled their users to log onto their website and project virtual avatars in the real world using nanomachines.

On the day Thinknet scheduled to put their plans in motion, from within a massive arena, S set the clock on a modified Thousand Jacker to count down from one hour to the destruction of the old world. At the same time, the Abaddons of Thinknet launched attacks all over the world, spraying people with nanomachines in order to assimilate them into their virtual reality. They were met by A.I.M.S. and the other Kamen Riders, but the Riders were able to do little against Thinknet's sheer numbers and nanotechnology. Aruto Hiden also made his own attempt to confront S, but was defeated.

As the countdown reached midway, S inserted the HellRise Key into the Thousand Jacker to begin the next stage of his endgame. S was then confronted inside the arena by Aruto again, who became Zero-One Metalcluster Hopper to fight him once. During their clash, S used the ThousanJacker to create a massive explosion that decimated the arena, leaving an injured Aruto behind but with S having mysteriously disappeared.

It was not long before S's followers realized S's talk of ushering in paradise was a lie and that he did not intend for them to accompany him. As Lugo and Buga held off the A.I.M.S. and MetsubouJinrai Riders, Bell led the remaining Thinknet forces to S's hideout in an abandoned church. After Aruto defeated S, Bell appeared to attack S and revealed he knew of S's true goal to simply create a world for his wife, stopping him before he could shut down the countdown. Bell then stole S's Eden Driver and used it to become Kamen Rider Lucifer to fulfill S's original plan of destroying the world and ushering in a new paradise to replace it. At the same time, Lugo, Buga and Moore led the rest of the remaining Thinknet followers in holding off the heroic Kamen Riders, while Is as Kamen Rider Zero-Two battled Lucifer's accompanying forces. The high-ranking Abaddons were defeated by the combined attacks of the A.I.M.S. and MetsubouJinrai Riders, while Lucifer was defeated by a combined attack from Zero-One and Zero-Two just before the countdown reached 0, foiling Thinknet's plans to bring about doomsday.

After Thinknet's servers were destroyed, the inner circle of Thinknet, along with their collaborators, were all arrested.

Nico: WHOA!

Qin: Not good! So we have 4 huge problems out there!

Me: Yeah!

Charmcaster: We should get rid of ThinkNet first before the usual battles.

Me: Good idea. We're going to kill them.

Qin: Yeah.

Nico: The last thing we want is like what happened in Rex's world.

Rex Salazar: Yeah my world was ravaged by E.V.O.'s so we don't want that.

Lola: That is for sure.

Rex Salazar: My E.V.O. Powers will be useful for this.

Dr. Destiny: And if you're wondering where Applejack is, well, let's just say pregnancy can be a pain at a crucial moment.

Me: She's on maternal leave because she is expecting kids shortly.

Yua: Wow! Tell her congratulations from us.

Me: When you guys join the team officially after today we'll be sure you can tell her.

Qin: Yeah.

Eli: (Senses something) Uh oh. We got company.

Eli sensed that ThinkNet is on the move.

We went and we saw ThinkNet!

Me: Okay ThinkNet it's time you buttfaces get a one way trip to the Black Gates!

S: NEVER!

Stewie: Chew on this! (fires his blaster)

He blasted S all over!

Me: And Behru you could use a new work place like in our frenemies.

Behru: I could use a new job.

S: WHAT!?

We blasted and slashed S and all of ThinkNet and gave them the Black Gates. Except for Behru.

Carmen Dillo: S is the only one left!

Rex: I got this!

He went and touched him and then Rex sucked out all his nanites and cured him.

Qin: YEAH!

I scanned S and saw that he was nanomachine free!

Me: He's now cleansed.

We tied him up.

Me: We're going to interrogate him.

We got to interrogating S.

Me: Okay S, we're going to ask you a couple of questions. If you answer them you'll live. If you lie well you can kiss your life goodbye.

S: Why should I?

Me: Hey! We're asking the questions here bub!

Maria: We can do this the easy way or hard way. Either way, things don't look good for you.

Nico: Yeah! Now what is Ark planning!?

Me: Better tell us what we want to know!

I unsheathed my sword.

S: Okay okay! Ark is planning to team up with Ultron and Zemerik so he can unleash all the Humagears unto the world to wipe out humanity! He wants to team up with them both and take over the world.

Eli: That's the truth.

Me: There was that so hard?

Nico: At least we know what he's planning.

Qin: Good.

Me: Thanks for your cooperation.

I teleported S to the Sun prison.

Vert: Zemerik's probably gonna be the more weaker one out of the three.

Me: If that's the case then we'll just blast him when we get there.

Nico: Yeah.

Qin: But Ultron will be a tough one.

Nico: Yeah.

Camie: But we're ready for them all. It's Ark that's gonna be the toughest one.

Aylene C.: That's right.

I pulled out the flashdrive for the Anti-Ark Virus.

Me: This virus is our only chance. But it has a 25 minute delay activation. So once it's uploaded it will take 25 minutes for it to take effect.

Nico: Plenty of time for us to battle him and unleash our power and battle him as a giant.

Qin: Yeah.

I put the flashdrive back in my vest.

Blizzard Man: Got any new Ridewatch Blueprints, Nico?

Nico: These ones.

Nico got out blueprints for the Ridewatches of Portaler, Plantapocalype, Invincible, Shadowman, Stretcheleo, Moyo, Ultimate Swampfire, Ultimate Humungousaur, Ultimate Echo Echo, and their copies.

Nico: I also got an actual Ridewatch for Ultimate Big Chill and its' copy.

Me: Awesome and yes we remember.

The ones getting the copies were Shannon Littlefield, Cleo Ulysses, Melanie Romanova, Yamiko Shinnosuke, Tammy Lincolnshire, Mira Torvald, Irina Wendolva, Melanie Taiyou, Lillith Rexxington and Rhonda Lorrentina. Erza Scarlet, Lucy Heatfilia, Kaiba, Supergirl, Dan Kuso, Frosta, Vinyl Scratch, Mizore, Keiko, and Palutena Will get the originals.

Waffle Woman: I know. We don't have a lot of Omnitrix Alien Ridewatches.

Me: But it's good we're finding them.

Onyx: Let's get the usual battles started.

Nico: You got it.

We went outside and then Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Electropede appeared.

Nico: Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Electropede.

LaGrange: (to Vert) Good thing it's my turn for the usual battles, huh?

Vert: Yep. It sure is.

Silver Samurai: Ark's satellite was already been destroyed.

Snake: We just need to waste Ark himself.

Me: And we will.

Mole Man: (to me) Did you have a nice time bowling?

Nico: We sure did.

Grodd: How many strikes did you get?

Nico: We all did really awesome. 7 strikes in a row.

Grodd: Not bad!

?: That's aesome.

A figure came out and it was Bacchus Gill from the Go-Busters VS Gokaigers Movie!

---

The nephew of Ackdos Gill and cousin of Commandant Warz Gill. He resurrected Zangyack alongside Waredonaiyer and teamed up with Vaglass in search of the Phantom Keys. Grew himself into a giant by drinking some special fluid after being defeated by the Gokai Buster's Rising Strike, but was ultimately killed by Go-Buster Ace's Buster Slash

---

Eli: Bacchus Gill! I remember you! You resurrected Zangyack and Waredonalyer and teamed up with Vaglass to find the Phantom Keys.

Bacchus Gill: That's right Eli. Good memory.

Me: Bacchus is also the god of Wine in Greek Myth. Do you drink a lot of it?

Bacchus Gill: (LAUGHS) No I don't.

Nico: Funny though.

Bacchus Gill: Too bad I wasn't adapted in America.

William: I think it's because there was no team up between Super Megaforce and Beast Morphers.

Me: That would have been awesome! What a ripoff!

We got the battles underway.

LaGrange was next.

LaGrange: (to Vert) I heard you guys met a gene-slammer for

Floowdereeze & Snowl. How was it?

Vert: Well they are called the SchneeTiger Twins. Their names are Winona and Wilma and they are from Germany.

Starlight Glimmer: They are both really cool.

Cozy Glow: And their gene-slammer form is so cute. And their story is awesome too.

---

Winona SchneeTiger: (German Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Wilma SchneeTiger: (German Accent) He's grown a lot from the little 8-year-old boy we knew long ago.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Winona SchneeTiger: (German Accent) That's incredible.

Nico: It sure is. So, Winona, Wilma, what's the story on your blazing hatred of Lola?

Winona SchneeTiger: (German Accent) Now, that's one story we'd never forget. One day, we were at The Loud House with Lincoln, and he was making the white dresses that we showed you after Lincoln fed on The Wizards of The Black Circle, and we saw just much hard work and craftsmanship he'd put into them, and Leni was also with us to help make modifications on the measurements of the dresses that she'd taken on us.

Wilma SchneeTiger: (German Accent) But, then, we heard the sound of a car heading straight into our direction and the door was busted down, and we saw who it was: it was Lola in her Princess Jeep, and she was really really mad. We were tired of that pink-wearing pageant demon's rampage, and we made her talk, and she was mad that Lincoln was busy making dresses for us, and not doing what she ordered him to do: which is being her slave to be abused and then murdered. We were seeing red at Lola's words and her attempts to kill her own brother. Then, Lola did the worst thing ever: she threw paint balloons on the dresses ruining them, and then, she was about to run over Lincoln and she had a demonic grin on her face and she was laughing demonically, but Lincoln was already seeing red as we saw his eyes turn blood red and his fangs grew longer. But, then, we saw his nails grow into sharp claws, and he roared in furious anger. Lola floored it and tried to run Lincoln over, but he stood his ground and he lifted the Princess Jeep up with only one hand, and he forced Lola off. Then, me and Winona pounced on Lola and we pulverized her and tied that animal up. We then told Mr. and Mrs. Loud of what Lola did, and that pageant demon got grounded for five months and put into an isolation cube and she earned our hatred. Lincoln eventually cleaned up the dresses until they were good as new, and then, he and Leni finished making them, but they also added watermelon pink for Winona and turquoise for me.

We cheered wildly for what Lincoln did to stop Lola and for what the SchneeTiger Twins did to her.

Me: Now, that was really awesome.

Nico: You said it, and Lincoln, did you really lift up Lola's Princess Jeep with only one hand when she tried to run you over?

Lincoln: Yep, and because of all the workouts I've been doing, my strength has gone up dramatically, and I even scared Lynn when she saw what I did.

Nico: (Snickers) I guess that means if Lynn tried to ambush you, you'd lift her up off the floor and pin her to a wall.

Winona SchneeTiger: (German Accent) We were really impressed by what Lincoln did to that little ˈdēmən.

Me: That's German for demon.

Nico: Oh.

FLASHBACK ENDS

LaGrange: Wow that is amazing! I'm glad Lola got what she deserved back then and her dark side is gone.

Hex: So is the entire world.

Fasttrack: Thank goodness for that.
